A. INSTRUCTIONS TO OFFERORS

1. Preparation of Offers

- (a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.
- (b) Each offeror shall furnish the information required by the solicitation as indicated in the Scope of Work and Mandatory Submissions Checklist, immediately proceeding this Section A. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to PHA.
- (c) Offers for services other than those specified will not be considered.
- (d) If this solicitation requires proposing on all items, failure to do so will result in the proposal being rejected. If proposing on all items is not required, proposers should insert the words "NO PROPOSAL" in the space provided for any item for which no price is submitted.

2. Amendments to Solicitations

- (a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
- (b) Offerors shall acknowledge receipt of any amendments to this solicitation by (1) signing and returning the amendment; (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer; (3) letter or telegram, or (4) facsimile, if facsimile offers are authorized in the solicitation. PHA must receive the acknowledgement by the time specified for receipt of offers.

3. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc. must request in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the Contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

4. Responsibility of Prospective Contractor

- (a) PHA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -
 - (i) Have adequate financial resources to perform the Contract, or the ability to obtain them;
 - (ii) Have a satisfactory performance record;
 - (iii) Have a satisfactory record of integrity and business ethics;
 - (iv) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
 - (v) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the PHA/HUD.
- (b) Before an offer is considered for award, the offeror may be requested by PHA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

5. Late Submissions, Modifications, and Withdrawal of Offers

- (a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -
 - (i) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
 - (ii) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the PHA that the late receipt was due solely to mishandling by PHA after receipt at PHA;
 - (iii) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date

specified for receipt of proposals. The term “working days” excludes weekends and U.S. Federal holidays; or

- (iv) Is the only offer received.
- (b) Any modification of an offer, except a modification resulting from PHA’s request for “best and final” offer, is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
- (c) A modification resulting from PHA’s request for “best and final” offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by PHA after receipt at PHA.
- (d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (e) The only acceptable evidence to establish the time of receipt at PHA is the time/date stamp of PHA on the offer wrapper or other documentary evidence of receipt maintained by PHA.
- (f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the “Express Mail Next Day Service-Post Office to Addressee” label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. “Postmark” has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to PHA will be considered at any time it is received and may be accepted.

- (h) Proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.

6. Contract Award

- (a) PHA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to PHA, cost or price and other factors, specified elsewhere in this solicitation, considered.
- (b) PHA may (1) reject any or all offers if such action is in PHA's interest, (2) accept other than the lowest offer, (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.
- (c) PHA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.
- (d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, PHA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by PHA.
- (e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

7. Service of Protest

- (a) Any protest against the award of a contract pursuant to this solicitation shall be served on PHA by obtaining written and dated acknowledgement of receipt from PHA at PHA Contracts Department, 3100 Penrose Ferry Road, Philadelphia, PA 19145. The determination of PHA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protester.
- (b) An actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. Protests based on the contents of the solicitation must be submitted prior to the date and time

for receipt of proposals. Protests based on contract award must be made within seven days after the protestor knows or should have known the facts giving rise to the protest.

- (c) All protests shall be resolved in accordance with PHA's protest policy and procedures, copies of which are maintained at PHA.

8. Offer Submission

- (a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to PHA Contracts Department, 3100 Penrose Ferry Road, Philadelphia, PA 19145, and (2) showing (on the face of the envelope) the time specified for receipt, the solicitation number, and the name and address of the offeror. One original hard copy, five (5) hardcopies, and one electronic copy of the Offer and modifications, including the required proposal forms, shall be submitted (on one or more CDs) in Microsoft Excel, Microsoft Word, and/or Portable Document Format (PDF) formats
- (b) Telegraphic, e-mail, or facsimile offers, modifications, or withdrawals will not be considered unless authorized by the solicitation.

Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. (b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

PHA reserves the right to withhold payment for performance deficiencies.
- c. No interest shall be payable to the Contractor from PHA for delayed progress or final payment.

3. PHA Option for Payment by Electronic Funds Transfer

- a. At PHA's option:
 - i. All payments by PHA under this Contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(ii) of this clause. As used in this clause, the term EFT refers to the funds transfer and may also include the payment information transfer.
 - ii. In the event PHA is unable to release one or more payments by EFT, the Contractor agrees to either (1) Accept payment by check or some other mutually agreeable method of payment; or (2) Request PHA to extend payment due dates until such time as PHA makes payment by EFT (but see paragraph (d) of this clause).
- b. Mandatory submission of Contractor's EFT information.
 - i. The Contractor is required to provide PHA with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the office designated in this Contract to receive that information (hereafter: designated office) within 10 days after award of the Contract. If not otherwise specified in this Contract, the payment office is the designated office

The prompt payment terms of the Contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
 - ii. If the EFT information changes after submission of correct EFT information, PHA shall begin using the changed EFT information no later than 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by the payment office. If such suspension would result in a late payment under the prompt payment terms of this Contract, the Contractor's request for suspension shall extend the due date for payment by the number of days of the suspension.
- e. Liability for uncompleted or erroneous transfers.
 - i. If an uncompleted or erroneous transfer occurs because PHA used the Contractor's EFT information incorrectly, PHA remains responsible for (1) Making a correct payment; (2) Paying any prompt payment penalty due; and (3) Recovering any erroneously directed funds.

assignment of claims acceptable to PHA, is incorrect EFT information within the meaning of paragraph (d) of this clause.

- h. Liability for change of EFT information by financial agent. PHA is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.
- i. Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. PHA may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, PHA does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to PHA. This option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within ten (10) days prior to the expiration of the Contract.

9. Suspension of Work

- a. The Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this Contract for the period of time that the Contracting Officer determines appropriate for the convenience of PHA.

10. Default

If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with the diligence that will insure its completion within the time specified in this Contract, or any extension thereof, or fails to complete said work within this time, the Contracting Officer may, by

written notice to the Contractor, terminate the right to proceed with the work (or separable part of the work) that has been delayed. In this event, PHA may take over the work and complete it, by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to PHA resulting from the Contractor's refusal or failure to complete the work within the specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the PHA in completing the work.

Documentation must be submitted with the bid/proposal and failure to submit evidence of "Best Efforts" and binding commitments will result in rejection of the bid/proposal and a determination made of non-responsiveness.

- T. WOMEN BUSINESS ENTERPRISE: A business enterprise certified as a Woman Owned Business that is owned controlled and managed by a woman.**

1.4 CERTIFICATION – A LEGITIMATE MBE/WBE

- A. To ensure that only businesses which are owned, managed and controlled in both form and substance by MBE/WBEs are participating in the Authority’s Affirmative Action Contract Compliance Program. MBE/WBE businesses, including joint ventures and nonprofit organizations, must be certified by a governmental entity authorized to certify such enterprises.**
- B. MBE/WBE certification shall not be determinative of a Bidder’s or Contractor’s financial or technical ability to perform specified work. The Authority reserves the right to evaluate the Bidder’s/Proposer’s, Contractor’s or Subcontractor’s ability to satisfy financial, technical or other criteria separate and apart from certification before or after bid opening.**
- C. The Authority recognizes that certified MBE/WBEs might be de-certified by the certifying governmental entity. Any business, which has been de-certified, shall not participate in the Authority’s Affirmative Action Contract Compliance Program.**
- D. The Authority reserves the right, if there is cause, to refuse a certification provided by a certifying agency.**

1.5 SUBSTITUTION OF CERTIFIED MBE/WBEs

Commitments to certified MBE/WBE firms made at the time of bidding must be maintained throughout the term of the contract, unless a change in commitment is pre-approved by the Authority’s AAO. If at any time after a bid/proposal is opened by the Authority, a Contractor is unable to meet the obligations of the Contractor’s Affirmative Action implementation Plan, as indicated on the Schedule of Participation and Binding Commitments Form, such Contractor may be required to present for approval to the AAO a substitute implementation Plan.

1.6 GUIDELINES FOR JOINT VENTURING

Joint Venture partnership(s) with either a certified MBE or a certified WBE must meet the following criteria in order to receive credit towards the minimum participation goals (MPGs):

- A. The MBE/WBE partner(s) must be certified by a governmental entity authorized by law to certify such enterprises prior to bid/proposal submittals.**

- B. The MBE/WBE partner(s) must be substantially involved in all phases of the contract including, but not limited to, the performance, with its own work force, a portion of the onsite work, and administrative responsibilities such as bidding, planning, staffing and daily management.**
- C. The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interests).**
- D. If the certified partner(s) is a MBE, its participation may be credited to the extent of the partner's ownership interest in the joint venture, however, it will still be required to meet the WBE goal or vice versa.**

1.7 CONTRACT LANGUAGE

Authority contracts subject to these procedures shall include language providing that compliance with MBE/WBE provisions have been met, and cooperation with the Authority on contractual matters is material to the Authority's contract. The successful Bidder's/Proposer's Affirmative Action Plan submissions will become an enforceable provision of the contract. Failure to comply with the Authority's Affirmative Action Contract Compliance Program or otherwise comply with the Bidder's/Proposer's submissions, may be grounds for a finding of contractor non-responsibility.

1.8 AMENDMENT

These procedures may be amended as may be necessary. Any amendment shall become effective upon the approval and adoption by the Philadelphia Housing Authority Board of Commissioners.

1.9 SEVERABILITY

The provisions of these procedures are separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of these procedures, or the invalidity of the application thereof to any person or circumstances shall not affect the validity of the remainder of the procedures or their application to other persons.

5 PART II: RESPONSIBILITIES

2.1 AFFIRMATIVE ACTION OFFICER

The AAO reports directly to the General Manager of Contracts/Procurement for the Philadelphia Housing Authority. The AAO is authorized and shall perform functions, which include, but are not limited to:

- A. Establish or modify minimum participation goals (MPGs) for Authority contracts based upon the dictates of market availability of certified MBE/WBEs and/or applicable laws and regulations to perform various elements of the contract.
- B. The AAO will engage in the review of bid/proposal packages to ensure that the packages provide maximum opportunity for certified MBE/WBE participation and shall have the authority to recommend approval or disapproval of any bid package to ensure compliance with this program.
- C. Attend all Pre-bid and Pre-construction meetings.
- D. Monitor and audit contractor's performance including site and business office visits to ascertain whether the contractor has discriminated or has practices which have had a disparaging or discriminating effect, and to determine that the certified MBE/WBE is performing its function in accordance with authorized standard industry practices.
- E. Maintain participation records and prepare periodic reports that include, but are not limited to the following data:
 - 1. A summary of contracts awarded specifying the percentage of participation.
 - 2. A survey comparing past and current contract participation goals of certified businesses.
 - 3. Any relevant recommendation that may enhance efficiency and effectiveness of the Affirmative Action Contract Compliance Program.
- F. For Comprehensive Improvement Modernization Program (hereinafter "CIAP") funded contracts, prepare and report the Authority's MBE/WBE progress on HUD Form #2516 - Contract and Subcontract Activity Report for Public and Indian Housing Programs.
- G. Receive, document and evaluate complaints relative to violations of the Affirmative Action Contract Compliance Program.

H. Report findings of discrimination, in writing, to the Executive Director through the General Manager of Contracts/Procurement.

I. Interact with city, state, and federal agencies involved in the administration of certified MBE/WBE programs.

2.2 CONTRACTING OFFICER

A. SOLICITATION – The Authority’s Contracting Officer shall actively solicit certified MBE/WBEs to compete for contracting opportunities as Prime/General Contractors.

B. REPORTS – The Affirmative Action Officer shall gather information required to prepare various reports that detail:

1. The original total dollar amount of each contract awarded according to the categories of vending, construction, personal services and professional services, including the total dollar amount of each contract resulting from any contract amendment or change orders subsequent to award.

2. The original total dollar amount of each contract awarded to each certified MBE/WBE as a Prime/General Contractor, as well as the actual dollar amount of each contract including contract amendments or change order(s).

2.3 COORDINATION WITH CONTRACT CONTROL SPECIALISTS

A. The AAO shall coordinate with the Contract Control Specialist for information as may be required in the performance of the AAO function. Such information may include, but is not limited to:

1. Explanation of the elements of the work to be performed under a contract.

2. A reasonable estimate of costs, type(s) and quantity of supplies, materials and equipment required for performance under a contract.

3. A reasonable estimate of employees and their classifications required for performance under a contract.

B. The Authority’s Contracting Officer shall also do the following, with or without coordination with the AAO:

- 1. Divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by certified MBE/WBEs.**
- 2. Establish delivery schedules, where the requirement permits, which encourage participation by certified MBE/WBEs.**
- 3. Use the services and assistance of the Small Business Administration and Minority Business Development Agency of the Department Commerce.**

**6 PART III: BIDDER/PROPOSER AFFIRMATIVE ACTION
IMPLEMENTATION PLAN**

3.1 GENERAL REQUIREMENTS

Each Bidder's/Proposer's Affirmative Action implementation Plan shall include the following:

- A. The business name, address, contact person, telephone number, certification number, certifying agency(s), and Internal Revenue Service Employer's Identification Number (E.I.N.).**
- B. A description of the work that will be performed by each designated contractor/subcontractor.**
- C. The date of solicitation, contact person's name, whether contact was by phone or mail, and if a quote was received from the designated MBE/WBE.**
- D. Confirmation of commitment made as to the level of certified MBE/WBE participation described as a percentage of the total base contract proposal dollar amount and percentage of commitments.**
- E. If no commitment is made to meet or exceed the stated MPGs, the Bidder/Proposer must provide documentation that the following steps were taken:**
 - 1. Requested and attended a briefing and information meeting with the Authority staff designed to explain the Affirmative Action Contract Compliance Program pertaining to certified MBE/WBE participation.**
 - 2. Advertised in general circulation, media, trade association publications, and minority/women-focused media concerning subcontracting and supplier opportunities.**
 - 3. Participated in Authority sponsored conferences and seminars designed specifically for the promotion of the Authority's Affirmative Action Contract Compliance Program pertaining to certified MBE/WBE participation.**
 - 4. Notified certified MBE/WBEs and solicited their participation in the reference contract. The names, addresses, telephone numbers, and contact persons of the firms notified must be provided.**

- 5. Provided complete information about plans, specifications, and requirements of the contract to interested certified MBE/WBEs.**
 - 6. Made reasonable efforts to negotiate with certified MBE/WBEs for specific sub-bids. All such contacts must be fully documented. If a sub-bid of a certified MBE/WBE is rejected, the Bidder/Proposer must document and explain the reason for the rejection. Rejection based solely on the initial response from a certified MBE/WBE will not be sufficient to establish non-discrimination and “Best Efforts” toward compliance.**
- F. Attest to the fact that the certified MBE/WBE will perform work, which is necessary and required for contractor to fulfill their obligation under the applicable contract and specification.**

**7 PART IV: CONSTRUCTION CONTRACT AFFIRMATIVE ACTION
8 IMPLEMENTATION PLAN**

4.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPGs for Specifications/Contracts/Request for Proposals.

(MODERNIZATION FUNDS)

The MPGs which have been set by the AAO as of the date of implementation of this program, are and shall be, until or unless they are revised, as follows:

<u>MBE</u>	<u>WBE</u>
20%	10%

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPGs. However, a contractor may be considered not responsive if the MPGs are not met and no acceptable justification is offered for a lack of compliance.
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their plan which category is being credited.
- C. A certified MBE/WBE firm bidding as a prime/general contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.
- D. Certified MBE/WBE subcontractors shall perform at least seventy-five percent (75%) of the cost of the subcontract, not including cost of materials, with their own employees. This provision shall not apply to suppliers or distributors.

4.2 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIVENESS

- A. Bidders/Proposers must submit information indicating certified MBE/WBE firms, which have been solicited, quotes that have received (solicited and unsolicited), and firms to which commitments have been made. Documentation of such solicitations, quotes, and commitments must be submitted concurrently with the bid/proposal. Failure to submit the required information is sufficient cause for rejection of the bid as non-responsive.
- B. Mailings to large numbers of certified MBE/WBEs which are intended to provide notice of a contractor's interest in bidding on a construction

contract will not be deemed solicitation, but will be treated as informational notification only.

- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, manufacturers or supplies whose work, materials or supplies are within the project scope and are related to project line items or portions thereof, and which the Bidder/Proposer reasonable believes it will choose to subcontract with or purchase from.**
- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions, the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

4.3 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

**9 PART V: VENDING AND PERSONAL/PROFESSIONAL
SERVICES CONTRACT AFFIRMATIVE ACTION
IMPLEMENTATION PLAN**

5.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPGs for Specifications/Contracts/Request for Proposals.

(MANAGEMENT FUNDS)

The MPGs which have been set by the AAO as of the date of implementation of this program, are and shall be until or unless they are revised, as follows:

<u>MBE</u>	<u>WBE</u>
10%	10%

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPGs. However, a contractor may be considered non-responsible if the MPGs are not met, and they are not in compliance with Part III, Section E.**
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their Plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**

**5.2 VENDING AND PERSONAL/PROFESSIONAL SERVICES CONTRACT
AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIVENESS**

- A. Bidders/Proposers must complete and submit with the bid/proposal, certified MBE/WBE Schedule of Participation and Binding Commitments Form. Failure to submit these forms with the bid/proposal may result in the bid being rejected as non-responsive.**
- B. Mailings to large number of certified MBE/WBE's which are intended to provide notice of a contractor's interest in bidding on a vending and personal/professional service contract will not be deemed solicitation, but will be treated as informational notification only.**
- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, vendors, manufacturers or suppliers whose services, materials or supplies are**

within the scope of work bid on, and which the Bidder/Proposer reasonably believes it will choose to subcontract with or purchase from.

- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

5.3 VENDING AND PERSONAL/PROFESSIONAL SERVICE CONTRACT AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder/Proposer has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

14 PART VI: EXEMPTIONS

6.1 EXEMPTED CONTRACTS

The Authority recognizes that in certain limited circumstances, compliance with this Affirmative Action Contract Compliance Program will not be feasible, nor in the best interest of the Authority or its residents. With the approval of the Executive Director, Contracting Officer and the Affirmative Action Officer, the following contracts may be exempted:

- A. A vending contract, for equipment, materials, services and supplies where the total dollar amount of the contract is less than Ten Thousand Dollars (\$10,000.00).
- B. A construction contract where the total dollar amount of the contract is less than Ten Thousand Dollars (\$10,000.00).
- C. A professional or personal services contract where the total dollar amount of the contract is less than Ten Thousand Dollars (\$ 10,000.00).
- D. Any public exigency or emergency contract where the nature of the emergency will not allow for a delay, which would occur from competitive solicitation.

7.1 STANDARDS FOR REASONABLE CAUSE:

16

AFTER A CONTRACT HAS BEEN AWARDED

- A. The AAO may find that a Contractor is not in compliance with contract requirements for reasons, which include, but are not limited to:**
- 1. Documentation of information furnished by the contractor, which does not demonstrate that, a certified MBE/WBE is performing the work actually contracted.**
 - 2. Failure or refusal by a contractor to furnish information requested by the Authority.**
 - 3. Discovery of information, which is contrary to compliance information previously submitted by the contractor.**
 - 4. Contractor's failure, neglect or refusal to pay certified MBE/WBE subcontractor(s) for completed and approved work within seven (7) working days after payment by the Authority to the contractor.**
 - 5. Other facts discovered by the Authority's AAO.**
- B. Whenever the AAO determines it has reasonable cause to believe that a contractor is not in compliance or that the contractor has discriminated against certified WBE/MBEs, the AAO shall promptly prepare a written notice to be signed by the Contracting Officer and sent by certified mail to the contractor. The notice shall state the reasons for the AAO's belief that the contractor is not in compliance and/or has discriminated against certified MBE/WBEs. In response to said notice, the contractor shall be required to show cause within seven (7) working days why it should not be found:**
- 1. In breach of contract, or**
 - 2. To have discriminated against certified MBE/WBEs.**
- C. Based upon information supplied by the contractor, if any, and other documentation and/or information, and with the approval of the General Manager of Contracts/Procurement, the AAO shall proceed expeditiously with an investigatory, evaluative review to clarify the allegations. In the event that the allegations are found to be valid by the AAO, said officer shall notify the Contracting Officer and Executive Director who shall send notification of such finding(s) to the contractor setting forth the appropriate remedial action.**

7.2 GOOD FAITH NON-COMPLIANCE

- A. In cases where the AAO has cause to believe that a contractor, acting in good faith, has failed to comply with the provisions of the procedures, the AAO with the assistance and involvement of the Authority's Contracting Officer shall attempt to resolve the non-compliance through conciliation and persuasion.**
- B. In conciliation, the contractor must satisfy the Authority that they have made their "Best Efforts" to achieve the agreed upon participation goals by certified MBE/WBEs. "Best Efforts" on the part of the contractor include:**
 - 1. Entering a contractual relationship with the designated MBE/WBE in a timely manner, and fulfilling all contractual requirements.**
 - 2. Notifying both the certified MBE/WBEs subcontractor and the Authority's AAO of any problems in a timely manner.**
 - 3. Requesting assistance from the AAO in resolving any problems with certified MBE/WBEs.**
 - 4. Making every reasonable effort to assist the certified MBE/WBE in the performance of its contract with the Authority.**

7.3 WILLFUL NON-COMPLIANCE

- A. In cases where the AAO has cause to believe that any Bidder, Proposer, or Contractor has failed to comply with the provisions of these procedures, said officer shall be empowered to conduct an investigation subsequent to written direction of the General Manager of Contracting/Procurement.**
- B. After affording the Bidder, Proposer or Contractor notice and an opportunity to be heard, the AAO will be authorized to recommend sanctions for each violation of these procedures. Such sanctions may include, but are not limited to:**
 - 1. Declare the bid or proposal as non-responsible and the Bidder/Proposer ineligible to receive the award of the contract or any other future contracts.**
 - 2. Suspension from doing business with the Authority for a set period of time.**
 - 3. Debarment.**
 - 4. Withholding of payments under the contract.**
 - 5. Other relief the AAO deems necessary, proper, and in the best interest of the Authority.**

PART VIII: APPEALS

**8.1 STANDARDS OF APPEAL:
AFTER THE CONTRACT HAS BEEN AWARDED**

A Bidder, Proposer, or Contractor may appeal a decision pursuant to any action taken under the provisions of Part VII: Compliance Review, by filing a written grievance with the AAO. An appeal by the Bidder, Proposer or Contractor under this section shall not stay the AAO's finding(s).

8.2 WRITTEN GRIEVANCE

- A. The grievance shall set forth the reasons supporting it. The grievance shall be filed within ten (10) working days of the date that the finding, recommendation, proposal or other relief becomes effective. Failure to grieve in a timely manner shall be deemed a waiver of said right or breach of the conditions of this policy.
- B. If a person requests a hearing at the time the grievance is filed, the AAO shall schedule a hearing within seven (7) working days of the date the grievance is filed, unless the person requesting a hearing agrees to a continuance provided it is not contrary to best interest of the Authority to permit the delay. The AAO shall notify in writing, the person filing the grievance, of the date, time and place of the hearing.
- C. If a hearing is not requested, the AAO shall make a determination and notify the contractor within (7) working days.

8.3 HEARING

Five (5) working days prior to a scheduled hearing, the AAO shall issue and serve a written notice, together with a copy of the grievance as filed, to all persons named in the grievance. Such persons may be required to appear before a hearing panel at the date, time and place specific in the notice.

- C. Any person or heads of departments named in the grievance may file a written answer to the grievance, and may appear at such hearing in person.
- D. The panel shall not be bound by the strict rules of evidence prevailing in the courts of law or equity.

8.3.2 TESTIMONY

- A. The testimony taken at the hearing shall be under oath.**
- B. The parties have a right to request that the notes of testimony be transcribed.**
- C. Testimony shall be taken by the panel and the person filing the grievance and person (s) and heads of departments named in the grievance shall be given an opportunity to be heard.**

8.4 DECISION

- A. Within twenty (20) working days after the conclusion of the hearing, the panel shall render a written decision as to the validity of the grievance, as well as an appropriate recommendation.**
- B. A copy of the decision shall be sent by U.S. certified mail, returned receipt requested, to the grievant.**

8.5 EFFECT OF A PENDING DECISION

Pending a decision by the panel, the Philadelphia Housing Authority's Executive Director may stay any action pertaining to the grievance, if such stay is determined to be in the best interest of the Authority.

The Philadelphia Housing Authority Board of Commissioners shall appoint an Affirmative Action Oversight Committee to monitor and evaluate the implementation and administration of the Affirmative Action Contract Compliance Program. The Oversight Committee shall have as its membership, at least one (1) member of the Board of Commissioners, Executive Director, General Counsel, and other individuals from the Authority's community at large. FORMS – DURING CONTRACT	3

I. BID OR PROPOSAL EVALUATION

Vendors who fail to address Section 3 requirements may be deemed nonresponsive. To avoid being nonresponsive, the proposal or bid documents submitted to the PHA must include the Contractor's Affidavit and Compliance Commitment, and all applicable attachments and supporting documentation, supporting claims of compliance by hiring, contracting, or other economic opportunities, in the proposal or bid documents submitted to the PHA.

A vendor who fails to address Section 3 requirements sufficiently may receive a written notice from the PHA specifying the defects in the Section 3 information. Vendors receiving such notice will be given no more than 5 business days to address the deficiencies and provide all required documents. Failure to respond within the 5 days will result in PHA declaring the bidder or respondent non-responsive. The contract or bid will then be awarded to the next lowest bidder or to the respondent with the next highest score.
