## **C. INSTRUCTIONS TO OFFERORS**

### **1. Preparation of Offers**

- (a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.
- (b) Each offeror shall furnish the information required by the solicitation as indicated in the Statement of Work and "**Mandatory Submission Checklist**" which precedes Section A. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to PHA.
- (c) Offers for services other than those specified will not be considered.
- (d) If this solicitation requires proposing on all items, failure to do so will result in the proposal being rejected. If proposing on all items is not required, proposers should insert the words "NO PROPOSAL" in the space provided for any item for which no price is submitted.

### **2. Amendments to Solicitations**

- (a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
- (b) Offerors shall acknowledge receipt of any amendments to this solicitation by (1) signing and returning the amendment; (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer; (3) letter or telegram, or (4) facsimile, if facsimile offers are authorized in the solicitation. PHA must receive the acknowledgement by the time specified for receipt of offers.

### **3. Explanation to Prospective Offerors**

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc. must request in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the Contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

#### **4. Responsibility of Prospective Contractor**

- (a) PHA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -
  - (i) Have adequate financial resources to perform the Contract, or the ability to obtain them;
  - (ii) Have a satisfactory performance record;
  - (iii) Have a satisfactory record of integrity and business ethics;
  - (iv) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
  - (v) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the PHA/HUD.
- (b) Before an offer is considered for award, the offeror may be requested by PHA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

#### **5. Late Submissions, Modifications, and Withdrawal of Offers**

- (a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -
  - (i) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
  - (ii) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the PHA that the late receipt was due solely to mishandling by PHA after receipt at PHA;
  - (iii) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of

proposals. The term “working days” excludes weekends and U.S. Federal holidays; or

- (iv) Is the only offer received.
- (b) Any modification of an offer, except a modification resulting from PHA’s request for “best and final” offer, is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
- (c) A modification resulting from PHA’s request for “best and final” offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by PHA after receipt at PHA.
- (d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (e) The only acceptable evidence to establish the time of receipt at PHA is the time/date stamp of PHA on the offer wrapper or other documentary evidence of receipt maintained by PHA.
- (f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the “Express Mail Next Day Service-Post Office to Addressee” label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. “Postmark” has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to PHA will be considered at any time it is received and may be accepted.
- (h) Proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission

received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.

## **6. Contract Award**

- (a) PHA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to PHA, cost or price and other factors, specified elsewhere in this solicitation, considered.
- (b) PHA may (1) reject any or all offers if such action is in PHA's interest, (2) accept other than the lowest offer, (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.
- (c) PHA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.
- (d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, PHA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by PHA.
- (e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

## **7. Service of Protest**

- (a) Any protest against the award of a contract pursuant to this solicitation shall be served on PHA by obtaining written and dated acknowledgement of receipt from PHA at PHA Contracts Department, 3100 Penrose Ferry Road, Philadelphia, PA 19145. The determination of PHA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protester.
- (b) An actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. Protests based on the contents of the solicitation must be submitted prior to the date and time for receipt of proposals. Protests based on contract award must be made within seven days after the protestor knows or should have known the facts giving rise to the protest.

- (c) All protests shall be resolved in accordance with PHA's protest policy and procedures, copies of which are maintained at PHA.

**8. Offer Submission**

- (a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to PHA Contracts Department, 3100 Penrose Ferry Road, Philadelphia, PA 19145, and (2) showing (on the face of the envelope) the time specified for receipt, the solicitation number, and the name and address of the offeror. One original hard copy, five (5) hardcopies, and one electronic copy of the Offer and modifications, including the required proposal forms, shall be submitted (on one or more CDs) in Microsoft Excel, Microsoft Word, and/or Portable Document Format (PDF) formats.
- (b) Telegraphic, e-mail, or facsimile offers, modifications, or withdrawals will not be considered unless authorized by the solicitation.
- (c) It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

If additional repair work is required to pass State Inspection, Contractor will advise PHA in writing with the specific repair work and its line item cost. If estimated repairs are determined reasonable by PHA, PHA Fleet Manager will authorize its completion. If the estimated repairs are not deemed reasonable by PHA or for any other reason PHA makes the request, contractor will return the vehicle to PHA charging only for the State Inspection work performed.

##### b. Oil Lube & Filter

Vehicles will receive change of engine oil in the quantity and quality recommended by the manufacturer. Vehicles will also receive chassis lubrication, as well as oil and filter that meets manufacturer's specifications. On vehicles requiring synthetic blend motor oil and filters, manufacturer's requirements must be met.

- (a) "Authority or Housing Authority (HA)" means the Housing Authority.
- (b) "Contract" means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, these contract clauses, and the scope of work. It includes all formal changes to any of those documents by addendum, Change Order, or other modification.

#### 2. Changes

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

- proposal submitted before final payment of the contract.
- (d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.
  - (e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

#### 3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

#### 4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

- 
- (b) The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding \$10,000.
- (c) The periods of access and examination in paragraphs (a) and (b) above for records relating to:

  - (ii) litigation or settlement of claims arising from the performance of this contract; or,
  - (iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

#### **5. Rights in Data (Ownership and Proprietary Interest)**

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
- (d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.
- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

#### **8. Contract Termination; Debarment**

#### **9. Assignment of Contract**

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

#### **10. Certificate and Release**

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

#### **11. Organizational Conflicts of Interest**

- (a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:

  - (ii) The Contractor's objectivity in performing the contract work may be impaired.
- (b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.
- (c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.
- (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

#### **12. Inspection and Acceptance**

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.
- (c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

### 13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. (i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- c. A proposal allowing less than the PHA's minimum acceptance period will be rejected.

#### 2. Billing and Payment

---

- a. The Contractor shall submit invoices to the PHA as provided pursuant to the terms of this Contract. Invoices must show the type of service performed and the amount charged to the Contract during the billing period. PHA's billing address is:

Philadelphia Housing Authority  
Attn: Contract Administration  
P.O. Box 8737  
Philadelphia, PA 19104-9742
- b. PHA shall exert its best efforts to pay the Contractor within forty-five (45) days of receipt of an accurate/uncontested invoice, given fulfillment of deliverable(s), and if Contractor is in compliance with all Contract terms and conditions. PHA reserves the right to withhold payment for performance deficiencies.
- c. No interest shall be payable to the Contractor from PHA for delayed progress or final payment.

#### 3. PHA Option for Payment by Electronic Funds Transfer

---

- a. At PHA's option:
  - i. All payments by PHA under this Contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(ii) of this clause. As used in this clause, the term EFT refers to the funds transfer and may also include the payment information transfer.
  - ii. In the event PHA is unable to release one or more payments by EFT, the Contractor agrees to either (1) Accept payment by check or some other mutually agreeable method of payment; or (2) Request PHA to extend payment due dates until such time as PHA makes payment by EFT (but see paragraph (d) of this clause).
- b. Mandatory submission of Contractor's EFT information.
  - i. The Contractor is required to provide PHA with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the office designated in this Contract to receive that information (hereafter: designated office) within 10 days after award of the Contract. If not otherwise specified in this Contract, the payment office is the designated office for receipt of the Contractor's EFT information. If more than one designated office is named for the Contract, the Contractor shall provide a separate notice to each office. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the designated office(s).

- ii. If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to the designated office.

However, EFT information supplied to a designated office shall be applicable only to contracts that identify that designated office as the office to receive EFT information for that contract.

- c. Mechanisms for EFT payment. PHA may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.
- d. Suspension of payment.
  - i. PHA is not required to make any payment under this Contract until after receipt, by the designated office, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this Contract. The prompt payment terms of the Contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
  - ii. If the EFT information changes after submission of correct EFT information, PHA shall begin using the changed EFT information no later than 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by the payment office. If such suspension would result in a late payment under the prompt payment terms of this Contract, the Contractor's request for suspension shall extend the due date for payment by the number of days of the suspension.
- e. Liability for uncompleted or erroneous transfers.
  - i. If an uncompleted or erroneous transfer occurs because PHA used the Contractor's EFT information incorrectly, PHA remains responsible for (1) Making a correct payment; (2) Paying any prompt payment penalty due; and (3) Recovering any erroneously directed funds.
  - ii. If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and (1) If the funds are no longer under the control of the payment office, PHA is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or (2) If the funds remain under the control of the payment office, PHA shall not make payment and the provisions of paragraph (d) shall apply.
- f. EFT and prompt payment. A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this Contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.
- g. EFT and assignment of claims. If the Contractor assigns the proceeds of this Contract as provided for in the assignment of claims terms of this Contract, the Contractor shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to the designated office, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to PHA, is incorrect EFT information within the meaning of paragraph (d) of this clause.

- h. Liability for change of EFT information by financial agent. PHA is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.
- i. Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. PHA may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, PHA does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to PHA. If PHA makes payment by check in accordance with paragraph (a) of this clause, PHA shall mail the payment information to the remittance address in the Contract.
- j. EFT information. The Contractor shall provide the following information to the designated office. The Contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause).   - vii. If applicable, the Contractor shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if the Contractor's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

## 6. Option to Extend Services

---

PHA may require continued performance of any services within the limits and at the rates specified in the Contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. This option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within ten (10) days prior to the expiration of the Contract.

## 7. Contract Modifications

---

- a. Only the Contracting Officer has authority to modify any term or condition of this Contract. Any contract modification shall be authorized in writing.

All other Contract modifications shall be in the form of supplemental agreements signed by the Contractor and the Contracting Officer.

## 8. Hold Harmless

---

The Contractor shall hold PHA harmless from and indemnify PHA against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents pursuant to the Contract and shall, at the request of PHA, defend any and all actions brought against PHA based upon any such claims or demands.

---

- a. The Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this Contract for the period of time that the Contracting Officer determines appropriate for the convenience of PHA.
- b. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed, or interrupted (1) by an act of the Contracting Officer in the administration of this Contract, or (2) by the Contracting Officer's failure to act within the time specified in this Contract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Contract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the Contract modified in writing accordingly. However, no adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.
- c. A claim under this clause shall not be allowed (1) for any costs incurred more than 20 days before the Contractor shall have notified the Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order), and (2) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

## 10. Default

---

If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with the diligence that will insure its completion within the time specified in this Contract, or any extension thereof, or fails to complete said work within this time, the Contracting Officer may, by written notice to the Contractor, terminate the right to proceed with the work (or separable part of the work) that has been delayed. In this event, PHA may take over the work and complete it, by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to PHA resulting from the Contractor's refusal or failure to complete the work within the specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the PHA in completing the work.

---

In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. - b. The Offeror shall furnish a proposal guarantee in the form of a firm commitment, e.g., proposal bond supported by good and sufficient surety or sureties acceptable to PHA, postal money order, certified check, cashier's check, irrevocable letter of credit, or, under Treasury Department regulations, certain bonds or notes of the United States. PHA will return proposal guarantees, other than proposal bonds, (1) to unsuccessful Offerors as soon as practicable after the opening of proposals, and (2) to the successful Offeror upon execution of contractual documents and bonds (including any necessary coinsurance or reinsurance agreements), as required by the proposal as accepted.
- c. The amount of the proposal guarantee shall be 5 percent of the proposal price.
- d. If the successful Offeror, upon acceptance of its proposal by PHA within the period specified for acceptance, fails to execute all contractual documents or furnish executed bond(s) within 10 days after receipt of the forms by the Offeror, the Contracting Officer may terminate the Contract for default.
- e. In the event the Contract is terminated for default, the Offeror is liable for any cost of acquiring the work that exceeds the amount of its proposal, and the proposal guarantee is available to offset the difference.

#### 4. Multiple Awards

---

PHA reserves the right to make multiple awards under this solicitation. Although the scope of services will remain the same for each contract, the dollar amount of each contract may vary.

## PART I: GENERAL

### 1.1 POLICY

As a requirement for receiving federal funds, the U.S. Department of Housing and Urban Development ('HUD') requires that the Philadelphia Housing Authority (hereinafter 'Authority') implement an Affirmative Action Contract Compliance Program under Executive Order Nos. 11246, 12432, 12138, 11625, to promote the development of certified Minority Business Enterprises (hereinafter 'MBE'), and certified Women Business Enterprises (hereinafter 'WBE'). This program will also comply with the requirements of Titles VI and VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000 d & e, as amended, and HUD Regulations 24 C.F.R. § 85.36(e).

The Authority by this policy affirms its commitment to maximize the utilization of certified MBEs/WBEs in Authority contracts and subcontracts. To this end, the Authority will provide such assistance as will be needed to achieve this goal.

The aim of this policy is to discover and deter any present discrimination by bidders who seek contracts with the Authority. MBE/WBE minimum participation goals (hereinafter 'MPGs') shall be used as a screening device to determine whether discrimination may have occurred. Minimum goals of MBE/WBE participation will be indicated for each contract in the bid documents, and will be based upon availability of certified MBEs/WBEs. The MPGs are a means of determining whether or not a contractor shall be presumed to have engaged in discrimination. If the information furnished is below the MPGs, the bid package shall be subject to further review, in accordance with criteria set forth in this policy, to determine whether or not there was actual discrimination.

### 1.2 APPLICABILITY

#### **1.4 CERTIFICATION – A LEGITIMATE MBE/WBE**

- A. To ensure that only businesses which are owned, managed and controlled in both form and substance by MBE/WBEs are participating in the Authority’s Affirmative Action Contract Compliance Program. MBE/WBE businesses, including joint ventures and nonprofit organizations, must be certified by a governmental entity authorized to certify such enterprises.**
- B. MBE/WBE certification shall not be determinative of a Bidder’s or Contractor’s financial or technical ability to perform specified work. The Authority reserves the right to evaluate the Bidder’s/Proposer’s, Contractor’s or Subcontractor’s ability to satisfy financial, technical or other criteria separate and apart from certification before or after bid opening.**
- C. The Authority recognizes that certified MBE/WBEs might be de-certified by the certifying governmental entity. Any business, which has been de-certified, shall not participate in the Authority’s Affirmative Action Contract Compliance Program.**

- D. If the certified partner(s) is a MBE, its participation may be credited to the extent of the partner's ownership interest in the joint venture, however, it will still be required to meet the WBE goal or vice versa.**

#### **1.7 CONTRACT LANGUAGE**

**Authority contracts subject to these procedures shall include language providing that compliance with MBE/WBE provisions have been met, and cooperation with the Authority on contractual matters is material to the Authority's contract. The successful Bidder's/Proposer's Affirmative Action Plan submissions will become an enforceable provision of the contract. Failure to comply with the Authority's Affirmative Action Contract Compliance Program or otherwise comply with the Bidder's/Proposer's submissions, may be grounds for a finding of contractor non-responsibility.**

#### **1.8 AMENDMENT**

**These procedures may be amended as may be necessary. Any amendment shall become effective upon the approval and adoption by the Philadelphia Housing Authority Board of Commissioners.**

#### **1.9 SEVERABILITY**

**The provisions of these procedures are separate and severable.   - 6. Made reasonable efforts to negotiate with certified MBE/WBEs for specific sub-bids. All such contacts must be fully documented. If a sub-bid of a certified MBE/WBE is rejected, the Bidder/Proposer must document and explain the reason for the rejection. - F. Attest to the fact that the certified MBE/WBE will perform work, which is necessary and required for contractor to fulfill their obligation under the applicable contract and specification.**

**PART IV: CONSTRUCTION CONTRACT AFFIRMATIVE ACTION

<u>MBE</u> 20%	<u>WBE</u> 10%

Failure to submit the required information is sufficient cause for rejection of the bid as non-responsive.**
- B. Mailings to large numbers of certified MBE/WBEs which are intended to provide notice of a contractor's interest in bidding on a construction**

**contract will not be deemed solicitation, but will be treated as informational notification only.**

- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, manufacturers or supplies whose work, materials or supplies are within the project scope and are related to project line items or portions thereof, and which the Bidder/Proposer reasonable believes it will choose to subcontract with or purchase from.**
- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions, the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

#### **4.3 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIBILITY**

**The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.**

<u><b>MBE</b></u>	<u><b>WBE</b></u>
<b>10%</b>	<b>10%</b>

- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their Plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**

AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIVENESS**

- A. Bidders/Proposers must complete and submit with the bid/proposal, certified MBE/WBE Schedule of Participation and Binding Commitments Form. Failure to submit these forms with the bid/proposal may result in the bid being rejected as non-responsive.**

- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, vendors, manufacturers or suppliers whose services, materials or supplies are**

**within the scope of work bidded on, and which the Bidder/Proposer reasonably believes it will choose to subcontract with or purchase from.**

### **5.3 VENDING AND PERSONAL/PROFESSIONAL SERVICE CONTRACT AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIBILITY**

If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder/Proposer has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. ## **PART VI: EXEMPTIONS**

### **6.1 EXEMPTED CONTRACTS**

The notice shall state the reasons for the AAO's belief that the contractor is not in compliance and/or has discriminated against certified MBE/WBEs. In response to said notice, the contractor shall be required to show cause within seven (7) working days why it should not be found:**
- 1. In breach of contract, or**

## STATEMENT OF PURPOSE

The purpose of Section 3 of the Housing and Urban Development Act of 1968, as amended by Section 915 of the Housing and Community Development Act of 1992, is to “ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.” Section 915 of the Housing and Community Development Act of 1992 sets forth:

- The types of HUD financial assistance, activities, and recipients subject to the requirements of Section 3;
- The specific individuals and business concerns who are the intended beneficiaries of the economic opportunities generated from HUD-assisted activities; and
- The priority in which individuals and businesses should be recruited and solicited for employment and other economic opportunities generated from HUD-assisted activities.

The HUD regulations at 24 C.F.R Part 135 set forth the requirements of the Section 3 program. The PHA’s Section 3 policy is explained in this Policy. The PHA’s Section 3 procedures and policies may be amended periodically by the Executive Director or his/her designee to insure that the policy requirements are being met or to bring about efficiencies in the implementation of the program based on practice and experience.

## DEFINITIONS

The applicable definitions for PHA's Section 3 program are the same as those set out in HUD's regulations at 24 C.F.R 135. Some of the more relevant terms considered in PHA's administration of the policy are:

**EMPLOYMENT OPPORTUNITIES GENERATED BY SECTION 3 COVERED ASSISTANCE.** All employment opportunities generated by the expenditure of Section 3 covered public and Indian housing assistance (i.e., operating assistance, development assistance and modernization assistance, as described in 24 C.F.R. § 135.3(a)(1)).

**COMMUNITY.** Area within one-half (1/2) mile radius of propose Section 3 Covered Activity.

**HOUSING AND COMMUNITY DEVELOPMENT ASSISTANCE.** Any financial assistance provided or otherwise made available through a HUD housing or community development program through any grant, loan, loan guarantee, cooperative agreement, or contract, and includes community development funds in the form of community development block grants, and loans guaranteed under Section 108 of the Housing and Community Developments Act of 1974, as amended. Housing and Community Development Assistance does not include financial assistance provided through a contract of insurance or guaranty.

**NEW HIRES.** Full-time employees hired for permanent, temporary, or seasonal employment opportunities. Building trades personnel are new hires at the start of each construction project.

**OTHER HUD PROGRAMS.** HUD programs, other than HUD public and Indian housing programs, that provide housing and community development assistance for Section 3 Covered Projects.

**PHA PRE-APPRENTICESHIP PROGRAM** Program sponsored by PHA in which its residents participate in union-exam preparation course in construction skills.

**RESIDENT OWNED BUSINESS (ROB).** A business concern (a) at least 51% owned by one or more public housing residents; and (b) whose management and daily business operations are controlled by one or more such individuals.

**SECTION 3.** Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. § 1701u).

**SECTION 3 BUSINESS CONCERN.** A Section 3 Business Concern is a business entity formed in accordance with State law, and which is licensed under State, county or municipal law to engage in the type of business activity for which it was formed:

1. That is fifty-one (51 %) or more owned by Section 3 Residents; or
2. Whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 Residents, or within three years of the date of first

employment with the business concern were Section 3 Residents; or

3. That provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of “Section 3 Business Concern.”

**SECTION 3 CLAUSE.** The contract provisions set forth in 24 C.F.R § 135.38.

**SECTION 3 COVERED ACTIVITY.** Any activity which is funded by Section 3 Covered Assistance including public a housing assistance.

**SECTION 3 COVERED ASSISTANCE.**

- Public and Indian housing development assistance provided pursuant to Sections 5, 9, and/or 14 of the 1937 Act;
- Assistance provided under any HUD housing or community development program that is expended for work arising in connection with:
  - (i) Housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair and replacement);
  - (ii) Housing construction; or
  - (iii) Other public construction project (which includes other buildings or improvements, regardless of ownership).

**SECTION 3 COVERED CONTRACT.** A contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of Section 3 Covered Assistance, or for work arising in connection with a Section 3 Covered Project. “Section 3 Covered Contracts” do not include contracts awarded under HUD's procurement program, which are governed by the Federal Acquisition Regulation System (see 48 C.F.R. Chapter 1). “Section 3 Covered Contracts” also do not include contracts for the purchase of supplies and materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a Section 3 Covered Contract. For example, a contract for the purchase and installation of a furnace would be a Section 3 Covered Contract because the contract is for work (i.e., the installation of the furnace) and thus is covered by Section 3.

**SECTION 3 COVERED PROJECT.** The construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

**SECTION 3 JOINT VENTURE.** An association of business concerns, one of which qualifies as a Section 3 Business Concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the Section 3 Business Concern:

(i) is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) performs at least 25% of the work and is contractually entitled to compensation proportionate to its work.

### **SECTION 3 RESIDENT.**

(1) A public housing resident; or

(2) An individual who resides in Philadelphia County and who is:

(i) A low-income person, as this term is defined in Section 3(b)(2) of the 1937 Act (42 U.S.C. § 1437a(b)(2)). Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area ("AMT") on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) A very low-income person, as this term is defined in Section 3(b)(2) of the 1937 Act (42 U.S.C. § 1437a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

(3) A person seeking the training and employment preference provided by Section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

## GOAL STATEMENT

The numerical goals established in this section represent minimum numerical targets.

It is the PHA's policy to achieve Section 3 goals by providing opportunities in one or more of the following areas:

**TRAINING AND EMPLOYMENT.** The numerical goal set forth below apply to new hires, and economic opportunity levels for Section 3 residents. The numerical goals reflect the aggregate hires. Efforts to employ Section 3 Residents, to the greatest extent feasible, should be made at all job levels.

- (1) Numerical goals for Section 3 Covered Public and Indian Housing programs. PHA contractors and subcontractors may demonstrate compliance with this part by committing to employ Section 3 Residents as 30% of the aggregate number of New Hires, and;
- (2) For construction contracts and assignments that are site based or Community specific, PHA contractors and subcontracts, will demonstrate compliance by ensuring that 50% of all Section 3 New Hires are residents of the Community, and;
- (3) For construction contracts and assignments, PHA contractors and subcontracts, will demonstrate compliance by ensuring that 20% of all contract wages are paid committed to employ Section 3 Residents working on Section 3 Covered Activity.

**CONTRACTS.** The numerical goals set forth below apply to contracts awarded in connection with all Section 3 Covered Projects and Section 3 Covered Activities. PHA and each of its contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 Business Concerns:

- (1) At least 10% of the total dollar amount of all Section 3 Covered contracts for building trades work for maintenance, repair, modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
- (2) At least 3% of the total dollar amount of all other Section 3 Covered Contracts.

PHA or its contractor may contract directly with a Section 3 Business Concern or contract with contractors that subcontract to a Section 3 Business Concern. In either case, PHA's preference is to give priority to business concerns that employ PHA residents from the property in which the work is being performed.

**OTHER ECONOMIC OPPORTUNITIES**

Firms may provide other economic opportunities or make cash contributions to train and employ Section 3 Residents or to contribute to a Section 3 compliance fund which provides other economic opportunities. PHA has established the following minimum threshold requirements for contribution to funds that provide other economic opportunities:

1. For trade, construction and rehabilitation work, the “value” of the other economic opportunity must equal or exceed 5% of the total contract amount plus any modifications to price;
2. For other types of contracts, including service contracts, the “value” of the other economic opportunity must equal or exceed 3% of the total contract amount plus any modifications to price.

**Refer to page 15 for additional details of Other Economic Opportunities**

## PHA PREFERENCE TIERS

For training and employment opportunities:

(a) Order of providing preference. Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of Section 3 covered assistance to Section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) Public and Indian housing programs. In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to Section 3 residents in the following order of priority:

(i) Residents of the housing development or developments for which the Section 3 covered assistance is expended (category 1 residents);

(ii) Residents of other housing developments managed by the HA that is expending the Section 3 covered housing assistance (category 2 residents);

(iii) Participants in DOL Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the Section 3 covered assistance is expended (category 3 residents);

(iv) Other Section 3 residents of Philadelphia.

For contracts:

(a) Order of providing preference. Recipients, contractors and subcontractors shall direct their efforts to award Section 3 covered contracts, to the greatest extent feasible, to Section 3 Business Concerns in the order of priority provided in paragraph (a) of this section.

(1) Public and Indian housing programs. In public and Indian housing programs, efforts shall be directed to award contracts to Section 3 Business Concerns in the following order of priority:

(i) Business concerns that are 51% or more owned by residents of the housing development or developments for which the Section 3 covered assistance is expended, or whose full-time, permanent workforce includes 30% of these persons as employees (category 1 businesses);

(ii) Business concerns that are 51% or more owned by residents of other housing developments or developments managed by the HA that is expending the Section 3 covered assistance, or whose full-time, permanent workforce includes 30% of these persons as employees (category 2 businesses); or

(iii) Business concerns that are 51% or more owned by Section 3 residents, or whose permanent, full-time workforce includes no less than 30% Section 3 residents (category 3 businesses), or that subcontract in excess of 25% of the total amount of subcontracts to business concerns identified in paragraphs (a)(1)(i) and (a)(1)(ii) of this section.

PHA's preference is to ensure that as many PHA residents as possible are employed. In an effort to further that goal, PHA has created the following preference tier structure to assist it in evaluating Section 3 performance.

Vendors demonstrating Section 3 compliance or planned compliance at the contract bid process will be allocated additional Section 3 points, and therefore a potential higher overall score than those not in compliance. As such, we strongly encourage all contractors to comply with the highest Tier by hiring PHA Section 3 Residents at the site where work is being performed.

If the contractor demonstrates to PHA's satisfaction the inability to hire at the site, PHA's next preference is for the contractor to hire residents from other PHA properties. If the contractor cannot meet its Section 3 goal in this manner and needs to move to lower tiers, that contractor must document this inability to comply with the preference and the need to move to another tier.

### **TIER I**

The contractor can meet Tier I status by:

- (1) Hiring Section 3 PHA Residents from the site where services are to be performed;
- (2) Hiring Section 3 PHA Residents from another PHA subsidized property;
- (3) Hiring non-PHA Section 3 Residents from the PHA Pre-Apprentice Program or DOL Youthbuild Program; or
- (4) Hiring non-PHA Section 3 Residents from Philadelphia County.

### **TIER II**

If the contractor cannot meet Tier I, it may meet Tier II by:

- (1) Contracting directly with a Resident Owned Business whose full-time, permanent workforce or a Section 3 Business Concern of which the full-time, permanent workforce includes persons, at least 30% of whom are PHA residents from the site where the work is being performed;
- (2) Contracting directly with any other Section 3 business whose full-time, permanent workforce includes at least 30% PHA residents from the site where the work is being performed;
- (3) Contracting directly with a Resident Owned Business whose full-time, permanent workforce includes at least 30% PHA residents from other PHA properties;
- (4) Contracting directly with a Section 3 business concern that is 51% or more owned by Section 3 Residents and whose full-time, permanent work force includes persons, at least 30% of whom are PHA residents from other PHA properties;

- (5) Contracting directly with a Section 3 business concern whose full-time, permanent workforce includes persons, at least 30% of whom are PHA residents from other PHA properties;
- (6) Contracting directly with a Resident Owned Business whose full-time, permanent workforce includes persons, at least 30% of whom are Section 3 Residents;
- (7) Contracting directly with a Section 3 business concern owned by Section 3 Residents whose full-time, permanent workforce includes persons, at least 30% of whom are Section 3 Residents;
- (8) Contracting directly with other Section 3 business concerns whose full-time, permanent workforce includes persons, at least of 30% of whom are Section 3 Residents;
- (9) Contracting directly with a Resident Owned Business regardless of the number of Section 3 Residents employed;
- (10) Contracting directly with a Section 3 business concern which is majority owned by Section 3 Residents;
- (11) Subcontracting with Section 3 business concern that involves the PHA Pre-Apprentice or DOL Youthbuild Program;
- (12) Using a Section 3 business concern that meets Section 3 requirements as a subcontractor(s) dollar value for a minimum of 25%; or
- (13) Forming a Section 3 Joint Venture.

### **TIER III**

If the Contractor cannot comply with Tier I or II, it may provide other economic opportunities to train and employ Section 3 Residents or to contribute to a fund which provides other economic opportunities. The PHA has established the following minimum threshold requirements for contribution to the fund that provides other economic opportunities:

For trade, construction and rehabilitation work, the “value” of the other economic opportunity must equal or exceed 5% of the total contract amount plus any modifications;

For other types of contracts, including service contracts, the “value” of the other economic opportunity must equal or exceed 3% of the total contract amount plus any modifications.

**Refer to page 15 for additional details of Other Economic Opportunities**

## SECTION 3 COMPLIANCE REQUIREMENTS

### I. HIRING

#### A. Background

The Section 3 regulations provide that contractors and subcontractors demonstrate compliance by employing Section 3 Residents as 30% of the aggregate number of new hires.

New hires are defined as full-time employees hired for permanent, temporary, or seasonal employment. Building trades personnel are considered to be new hires at the start of each construction project.

A contractor is required to hire only when a new hire is needed to perform the work. If no new hires are needed, vendors must pursue other avenues of compliance as set forth in PHA's preference tier structure. Additionally, PHA also has an overall employment goal that 30% of all new hire hours be assigned to Section 3 residents. Contractors should give serious consideration to hiring Section 3 Residents for work on other than Section 3 Covered Projects.

The Section 3 Regulations, at 24 C.F.R Part 135, require that, in public housing programs, compliance efforts shall be directed to provide training and employment opportunities to Section 3 Residents in the following order of priority:

1. Residents of the development or developments where the covered assistance is expended.
2. Residents of other developments managed by PHA.
3. Participants in PHA's Preapprentice Program or DOL's Youthbuild Program in Philadelphia.
4. All other low- and very low-income persons within Philadelphia County.

In situations where a new hire is needed, a contractor will not be required to hire persons who are not qualified. If a new hire is needed and a Section 3 Resident is identified, that Section 3 Resident will be required to submit evidence of Section 3 status to PHA, contractor or subcontractor, through the use of **Form 6- Certification For Resident Seeking Section 3 Preference In Training and Employment.**

PHA requires a preference for hiring from the development where work is

being performed. However, PHA will not require a vendor to hire from the development at the work site if:

- a) A pre-identified list of Section 3 Residents from a job site contains no persons qualified to perform the work. Qualified residents from other developments shall then be considered.
- b) The contractor's workforce is adequate to do the job and no new hiring is needed.

## **B. Compliance**

As part of each bid or proposal submitted, the respondent must document their workforce by position and trade. Such information will be reviewed as part of all bid proposals, and then verified at the commencement of the contract or task order. PHA will conduct periodic quality assurance checks to verify continued compliance.

Contractors will be required to submit documentation in the form of FTE/Section 3 certified payroll form submitted monthly that clearly identify the Section 3 hires, hours, and positions.

Contractors must comply with the Section 3 requirement throughout the life of the contract. PHA will periodically audit this information and failure to comply with the monthly submittal of the FTE/Section 3 certified payroll form shall result in the delay of payment.

PHA residents regardless of their income are considered Section 3 Residents. Contractors employing PHA residents must retain documentation that demonstrates any PHA residents hired to meet Section 3 employment goals are:

- a) identified on the lease of the household; and
- b) able to provide to the contractor or subcontractor the client number for the household where PHA residency is claimed. This client number must appear on forms submitted by the vendor to verify a Section 3 hire.

If a Section 3 Resident is employed for less than the duration of the job commitment contractors must ensure that the overall economic opportunity thresholds are met, at the following amounts:

- a) 5% of the actual contract amount if a construction contract (3% for non-construction) is allocated toward economic development and opportunity, through direct employment, or

other qualifying commitments (**Refer to Page 15 for additional details of Other Economic Opportunities**).

Non-PHA households claiming Section 3 status must be prepared to submit evidence of income and residency in Philadelphia County at the time of hire. As part of the Section 3 compliance process, vendors will be required to document that employees hired meet the residency and income requirements through the use of the Resident Affidavit (Form 6).

## II. CONTRACTING

### A. Background

The Section 3 regulations, at 24 C.F.R Part 135, provide that the PHA, its contractors and subcontractors must demonstrate compliance by awarding contracts to Section 3 business concerns or to persons who contract with those firms.

PHA's contracting goals require that Section 3 firms receive at least:

- a) 10% of the total dollar amount of all Section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public housing, or building trades work arising in connection with housing rehabilitation, housing construction and other public construction; or
- b) 3% of the total dollar amount of all other Section 3 covered contracts.

Goals apply to the entire amount of Section 3 covered assistance awarded to PHA in any calendar year, January 1<sup>st</sup> to December 31<sup>st</sup>. PHA's goals apply to the total dollar amount of each contract , task order, or purchase order.

PHA is required to ensure that contracts awarded to contractors that provide training or hiring do provide training, employment and contracting opportunities to Section 3 Residents and Section 3 Business Concerns.

Efforts shall be directed to award contracts to Section 3 business concerns in the Tiers discussed in the preceding pages.

All recipients of contracts must participate in an annual Section 3 training event held by PHA. This training event is to present compliance requirements by all contractors. A principal, officer, or Section 3 compliance officer must attend on the behalf of the contractor.

### B. Compliance

Business Concerns claiming Section 3 status based on ownership and workforce or only on workforce must meet that status at the time the bid or proposal is submitted to PHA, and shall be required to provide evidence of that status.

Anyone claiming to be a Section 3 Resident or business concern shall be required to provide evidence of that status.

A business concern need not hire Section 3 Residents to be considered a Section 3 business if:

- a) the business concern is 51% or more owned by a Section 3 Resident; or
- b) the business concern's workforce consists of sufficient numbers of Section 3 Residents to qualify the vendor as a Section 3 business (30% or more of the full time, permanent workforce consists of Section 3 Residents, or persons who were Section 3 Residents within 3 years of first employment); or
- c) the business concern subcontracts more than 25% of the contract amount to Section 3 business concerns.

After award of a contract, if a business concern must hire to maintain the Section 3 workforce percentage, new hiring efforts must be made in accordance with the PHA preference tier for hiring (shown previously in Tier I).

If a business concern claims Section 3 status by virtue of workforce composition, documentation of the 30% workforce requirement must be submitted to the PHA as part of the response to the bid, quote, or proposal. Further, the firm must maintain the Section 3 workforce percentage throughout the life of the contract. Workforce composition is subject to audit by PHA.

A business concern (including joint-ventures) seeking to qualify for a Section 3 preference shall certify and submit evidence that they are entitled to the applicable Section 3 preference and that they are a Section 3 business concern as defined in 24 C.F.R, Part 135. Prime or subcontractors must submit documentation (including work force composition data) as part of any bid, quote, or proposal submitted to the PHA. Additional documentation is required for joint-ventures.

Firms that claim Section 3 business status by subcontracting to other Section 3 businesses must require that the subcontractor(s) provide ownership or workforce documentation as applicable. The prime contractors must keep

such records on file and available for review by the PHA. Such documentation must also be submitted as part of any bid, quote or proposal.

Subcontractors identified by any prime contractor claiming Section 3 status must be a Section 3 business by ownership and/or workforce as defined in this policy. Subcontractors used by prime contractors to comply cannot claim Section 3 status by further subcontracting.

To meet Section 3 contracting goals, PHA is permitted to contract with an association of firms at least one of which meets the PHA's definition of a Section 3 Business Concern. Compliance requirements for joint-ventures are discussed below.

Joint-ventures are subject to the following documentation requirements:

1. The joint-venture agreement must be in writing and must be submitted as part of the response to any bid or proposal solicited by the PHA. In order for PHA to evaluate the "adequacy" and "capacity", the agreement must describe in sufficient detail the area(s) of work assigned to each member of the joint-venture.
2. The joint-venture agreement must reference a completed and fully executed joint venture certification, as provided by the PHA, which must also be attached to the joint venture agreement as an exhibit.
3. PHA requires that the Section 3 joint-venture partner is a bona-fide Section 3 business, therefore the joint-venture shall provide documentation that shows that the Section 3 partner meets the ownership and workforce, or workforce requirements established in this policy. Section 3 joint-venture partners cannot use subcontracting to establish their status as a Section 3 business concern.
4. Section 3 requires that the joint-venture partner be responsible for a clearly defined portion of the work. Proposals or bids must specify the labor hours assigned to and the compensation to be received by the Section 3 joint-venture firm.
5. Section 3 firms in the joint-venture must be qualified to perform the scope of work and have the capacity to complete the work assigned under the joint-venture agreement (see item b above).

### III. OTHER ECONOMIC OPPORTUNITIES IN LIEU OF TIERS I AND II

If a contractor cannot meet requirements of Tier I or II, it may provide other opportunities.

#### A. Contract Values

For contracts or purchase orders valued at \$100,000 or more, other economic opportunities may only be used where a vendor cannot comply with the hiring or subcontracting goals set forth in the Preference Tier structure. For contracts valued under \$100,000, other economic opportunities may be used at any time. For such contracts valued under \$100,000, firms may still comply by hiring or subcontracting but are not required to propose these options or provide the reasons why they cannot hire or contract to meet the Section 3 requirements.

#### B. Economic Opportunities:

1. **Internships** – the vendor may provide youth and/or adult internship or externship opportunities for PHA residents. The value of the internship or externship must equal or exceed the threshold requirements established in **C.** below.
2. **Part-Time Employment** - vendors may provide part-time work for PHA residents. The hours of part-time work when converted to dollars must equal or exceed the threshold requirements established in **C.** below.
3. **Training Related** – vendors may provide paid training opportunities for PHA residents (especially on-the-job training). Opportunities should fall under one or more of the following categories:
  - (a) Life skills/job-based skills - budgeting, resume writing, interview techniques, etc.;
  - (b) Employment skills – applied training such as forklift operation or truck driving training;
  - (c) Business development – entrepreneurship and small business training skills.
4. **Scholarships for PHA residents** -- the vendor may contribute to a PHA Resident Scholarship fund. The funds will be provided to schools, institutes, etc. via a third party to provide scholarships exclusively for PHA residents.

5. **Daycare/Transportation** to support PHA residents who are working or are in training or education programs -- the vendor may contribute to the daycare/transportation fund. The funds will be used to pay day care providers or provide SEPTA cards or stipends exclusively for PHA residents. The daycare/transportation fund will be administered by a third party service provider under a cooperative agreement with the PHA.
6. **Community-based contribution** – such as the “WorkReady Philadelphia” program.
7. **PHA Capital fund contribution** – contribution towards the PHA Capital fund.

**C. Threshold requirements for other economic opportunities:**

PHA has established the following minimum threshold requirements for use of other economic opportunities:

1. For trade, construction and rehabilitation work the “value” of the other economic opportunity must equal or exceed 5% of the total contract amount plus any modifications;
2. For other types of contracts, including service contracts, the “value” of the other economic opportunity must equal or exceed 3% of the total contract amount plus any modifications

**IV. BID OR PROPOSAL EVALUATION**

Vendors who fail to address Section 3 requirements may be deemed nonresponsive. To avoid being nonresponsive, the proposal or bid documents submitted to the PHA must include the Contractor’s Affidavit and Compliance Commitment, and all applicable attachments and supporting documentation, supporting claims of compliance by hiring, contracting, or other economic opportunities, in the proposal or bid documents submitted to the PHA.

A vendor who fails to address Section 3 requirements sufficiently may receive a written notice from the PHA specifying the defects in the Section 3 information. Vendors receiving such notice will be given no more than 5 business days to address the deficiencies and provide all required documents. Failure to respond within the 5 days will result in PHA declaring the bidder or respondent non-responsive. The contact or bid will then be awarded to the next lowest bidder or to the respondent with the next highest score. Where the selection is qualifications based procurement, PHA will award to the firm that is the next highest ranked.

In evaluating proposals, PHA will give credit to firms that employ Section 3 Residents that are not new hires and that will be assigned to the Section 3 Covered Project for which the proposal is submitted.

### **SUGGESTED EXAMPLES OF EFFORTS TOWARDS SECTION 3 COMPLIANCE**

Following are acceptable methods that, when documented, assist in compliance with Section 3:

1. Consulting with State and local agencies administering training programs, probation and parole agencies, unemployment compensation programs, community organizations and other officials or organizations to assist with recruiting Section 3 Residents for a contractor's or subcontractor's training and employment positions.
2. Advertising the jobs to be filled through the local media.
3. Employing a job coordinator, or contracting with a business concern that is licensed in the field of job placement (preferably a Section 3 Business Concern) that will undertake efforts to match eligible and qualified Section 3 Residents with the training and employment positions that the contractor intends to fill.
4. Establishing training programs, which are consistent with the requirements of the Department of Labor, for public housing residents and other Section 3 Residents in the building trades.
5. Advertising the training and employment positions by distributing flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) to housing developments where category 1 or category 2 persons reside.
6. Entering into "first source" hiring agreements with organizations representing Section 3 Residents.
7. Contacting resident council, resident management corporations, or other resident organizations, where they exist, in the housing developments where low income persons reside, to request the assistance of those organizations in notifying residents of the training and employment positions to be filled.
8. Sponsoring a job information meeting to be conducted at a location in the housing developments where low income persons reside or in the neighborhood or service area of the Section 3 covered project.
9. Arranging assistance in conducting job interviews and completing job applications for residents of the housing developments where low income persons reside and in the neighborhood or service area in which a Section 3 project is located.
10. Arranging for a location in the housing developments where low income persons reside, or the neighborhood or service area of the project, where job applications may be delivered and collected or where job interview can be conducted.

11. Where there are more qualified Section 3 Residents than there are positions to be filled, maintaining a file of eligible qualified Section 3 Residents for future employment positions.
12. Undertaking continued job training efforts as may be necessary to ensure the continued employment of Section 3 Residents previously hired for employment opportunities.

**APPENDIX B**  
**EFFORTS TO AWARD CONTACTS TO SECTION 3 BUSINESS CONCERNS THAT**

Section 135), vendors must provide economic opportunities, to the greatest extent feasible, to low and very low-income persons (hereinafter referred to as “Section 3 Residents”), particularly to recipients of government assistance housing, residing in the City of Philadelphia and to businesses that provide economic opportunities to low or very low income individuals.

Pursuant to 24 CFR Section 135.38, the vendor agrees and acknowledges it is required to comply with the following requirements of Section 3 throughout the life of the contract.

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

### Philadelphia Housing Authority's Section 3 Job Bank:

#### Vendor Participation Requirements

The Philadelphia Housing Authority (PHA) has created a Section 3 Job Bank on its website that lists all available Section 3 positions with PHA vendors. In addition to conducting independent Section 3 job recruitment, you are required to participate in the Section 3 Job Bank as part of your Section 3 commitment. Participation in the Section 3 Job Bank requires the following:

- 1) Timely submission of job description(s);
- 2) Status updates on whether the position(s) has been filled;
- 3) Interviewing Section 3 residents referred to the vendor by PHA; and
- 4) Timely submission of post-interview survey form for referred Section 3 residents

Please complete the attached Section 3 Job Bank Job Description Form and return to [section3@pha.phila.gov](mailto:section3@pha.phila.gov). Vendors using the services of sub-contractors are responsible for ensuring subcontractors participate in the Section 3 Job Bank.

**PLEASE NOTE: Failure to participate in the Section 3 Job Bank may result in a notation in your Section 3 compliance record.**
