

Harrison Plaza

1350 N 10th Street, Philadelphia, PA 19122

Harrison Plaza is located in North Philadelphia, adjacent to the neighborhoods of Northern Liberties and Fairmount. The development is a mixture of one high-rise building and town homes. The 299 units consist of 1, 2, 3 & 4 bedroom arrangements. Many of the town homes have either front or back yards.

Temple University is within walking distance of the development. On Temple's campus, residents will find the Avenue North plaza that is emboldened by The Pearl Theater and other state-of-the-art retail businesses. One block down from

Avenue North is the revitalized Progress Plaza, where tenants can tend to their banking and do their food shopping.
