

Nellie Reynolds Gardens

2653 W Glenwood Avenue, Philadelphia, PA 19121

Residents of Nellie Reynolds Gardens enjoy a different class of older adult living. This state-of-the-art development is PHA's first totally "green building." Located at 25th & Glenwood in North Philadelphia, the older adult site has a 20,000 square foot "green roof" that retains heat in the winter and has a cooling effect in the summer.

Older adults will enjoy the one of a kind, sun-drenched 3,000 square foot community room that features an indoor garden and is housed by a charming glass atrium.
