CERTIFICATION AND ACKNOWLEDGMENT

I certify that the information above is true and correct. I acknowledge that any falsification will disqualify my exemption and may lead to eviction proceedings. I have received a copy of, have read and understand the contents of the Authority's Community Service Policy. I understand that this is a requirement of the Quality Housing and Work Responsibility Act of 1998 and that if I do not comply with this requirement, the lease will not be renewed.

Title 18 Section 1001 of the United States Code states that a person who knowingly and willingly makes false or fraudulent statements to any department or agency of the United States Government is guilty of a felony.

I have received and read the Community Service and Self-Sufficiency Requirement (CSSR). I understand that as a resident of public housing, I am required by law to contribute 8 hours per month (96 hours over the course of every 12 month period) of community service or participate in an economic self-sufficiency program. I further understand that if I am not exempt, failure to comply with the CSSR is grounds for lease non-renewal. I understand that I may submit a self-certification of compliance with the CSSR, and that my self-certification of compliance may be subject to validation with the organization for which I completed the required hours. My signature below certifies I received notice of this requirement.
