The Philadelphia Housing Authority's new

## DIVERSIONARY PROGRAM

The Philadelphia Housing Authority's new Diversionary Program brings urgently needed resources into our communities to heal the trauma and stop the escalation of violence.

### **Our new Diversionary team:**

- Works with PHA residents whose lives have been impacted by crime and violence.
- Conducts needs assessments with those who are dealing with trauma.
- Makes referrals to partner agencies for trauma-informed interventions, and victim and perpetrator services
- Refers PHA residents for job placement services

### **PHA now offers:**

Workshops to aid healing, recovery and emotional support.

Personal service that connects you to free and affordable social, economic and health programs.

Community activities and resource fairs  
Programs to engage and inspire youth
