

Arch Homes

56th and Arch Streets, Philadelphia, PA 19139

Arch Homes is a 73 unit low-rise family development in the heart of West Philadelphia. This landscaped development offers family units that range in size from one to five bedrooms. Each unit has an oven and cable hookup. On-site maintenance and a community room are available.

The location of Arch Homes makes it easy to access mass transit, public services and retail; the 52nd Street shopping corridor is within walking distance while the 56th Street El station makes shopping in Center City or along 69th Street a breeze.
