INTRODUCTION

The Pennsylvania Housing Authorities Law, Act of May 28, 1937, P.L. 955 No. 265, as amended July 5, 2012, P.L.1093, No. 130 (Act 130), requires the Philadelphia Housing Authority (PHA) to prepare and submit a comprehensive written report each year. The law requires that the report address PHA's operations, administration, management, finances, legal affairs, housing production and development, and other related activities. The Act 130 report must be submitted to the following elected officials: the Secretary of Community and Economic Development; the Majority and Minority Leaders of the Senate; the Chair and Minority Chair of the Committee on Urban Affairs of the Senate; the Majority and Minority Leaders of the House of Representatives; the Chair and Minority Chair of the Committee on Urban Affairs of the House of Representatives; and, the Mayor of Philadelphia and the President of Council.

This Fiscal Year (FY) 2022 Act 130 Annual Report provides the information required pursuant to Act 130 for the period of April 1, 2021 through March 31, 2022, including the following:

- Chapter I provides information on PHA's organization, including a mission and vision statement, the current organizational structure and profiles of the executive management team and the PHA Board of Commissioners.
- Chapter II provides an update on major activities undertaken and progress made in FY 2022 in the areas of housing production and neighborhood development.
- Chapter III provides an update on major activities undertaken and progress made in FY 2022 in the areas of operations, management, and administration.
- Chapter IV provides an update on PHA legal matters for FY 2022.
- Chapter V and Appendix A provide information on agency finances, including the most recent audit report of PHA financial statements (FY 2021), completed by independent, licensed certified public accountants.
- Chapter VI summarizes PHA's planned activities for the next fiscal year (FY 2023) across all areas of the agency, as detailed in the Moving to Work (MTW) Annual Plan. A copy of the MTW Annual Plan, which was submitted to the U.S. Department of Housing and Urban Development (HUD) in December 2021 and is awaiting HUD approval, is included as Appendix B.

This Act 130 Annual Report reflects PHA's continuing commitment to inform its stakeholders, partners, residents, staff, and the public about the mission, goals, and work the agency seeks to accomplish.

CHAPTER I - THE ORGANIZATION

Overview

Philadelphia Housing Authority (PHA) is the largest provider of affordable housing in the City of Philadelphia and the fourth largest public housing authority in the United States. PHA is one of a small number of public housing authorities in the country to be designated by the U.S. Department of Housing and Urban Development (HUD) as a Moving to Work (MTW) agency. MTW is a demonstration program authorized by Congress that provides PHA with regulatory and funding flexibility in the administration of the public housing (PH) and Housing Choice Voucher (HCV) programs.

Approximately 80,000 Philadelphia citizens live in apartments or houses owned or supported by PHA. These affordable units are located throughout the City in the form of conventional and scattered site public housing developments, Low Income Housing Tax Credit (LIHTC) developments, and properties supported by Housing Choice Vouchers. PHA also operates affordable homeownership programs that assist public housing residents and HCV participants to purchase their first homes.

PHA serves many of Philadelphia's lowest-income citizens. More than 90% of households have incomes that are less than 50% of Area Median Income (AMI), with the vast majority having incomes that are less than 30% of AMI. Seniors, children under the age of 18, and persons with disabilities comprise the majority of PHA residents. Almost all new admissions are for households with incomes less than 30% of AMI. Under federal law, rents paid by PHA residents and voucher participants are restricted based on household income. Given the very low incomes of PHA residents, the agency relies almost entirely on federal subsidies for operating support. The Public Housing Operating Fund establishes a formula by which PHA, and other housing authorities receive funding for management and operations.

As of Fiscal Year ended March 31, 2022, PHA's public housing portfolio exceeds 13,100 units. The size of the public housing portfolio varies from year-to-year to reflect changes to inventory including changes that result from adding new public housing and other units (including those built with local development partners) and from converting public housing units to project-based assistance through the Rental Assistance Demonstration (RAD) program as discussed below. PHA utilizes HUD's Capital Fund Program funding and other leveraged funds to address capital needs. However, although PHA provides a critical resource for those in greatest need, in recent decades, the federal government has divested from Public Housing, resulting in over a \$70 billion national backlog of unmet capital needs. PHA's backlog of unfunded capital needs within the public housing portfolio is estimated to exceed \$1.5 billion, compared to the most recent annual Capital Fund Program allocation of approximately \$53.27 million.

In its previously submitted Act 130 Reports, PHA included a summary of initiatives undertaken by the agency to promote health and safety of residents, staff and the general public in response to the global pandemic. These initiatives continued over the course of FY 2022. Despite challenges related to COVID-19, PHA continued to aggressively pursue and implement strategies to leverage its limited capital resources to preserve and revitalize the aging public housing inventory while catalyzing broader neighborhood redevelopment. A major element of PHA's ongoing efforts to preserve existing affordable units and to create new replacement units for non-viable housing involves the conversion of public housing units to long-term Section 8 project-based assistance through HUD's RAD program. Through RAD conversions, PHA is able to generate additional private equity and other resources needed to preserve its existing aging housing stock while also collaborating with local organizations to develop new affordable housing units. As discussed below, in FY 2022, PHA increased the number of units converted to RAD.

In addition to its inventory of public housing units, PHA provides rental subsidies under the HCV Program to approximately 19,550 low-income households who live in privately-owned housing. Vouchers are utilized to provide both tenant-based and project-based assistance (including RAD developments as noted above). A significant number of project-based units subsidized by PHA are owned by local non-profit agencies that serve special needs populations and provide supportive services for residents.

PHA's voucher programs include MTW tenant-based vouchers as well as special purpose vouchers authorized by HUD, such as the Veterans Affairs Supportive Housing Program (VASH), Family Unification Program (FUP), Single Room Occupancy (SRO), Moderate Rehabilitation (MOD) and Mainstream programs. In addition to serving veterans and their families, PHA has a major focus on serving homeless families and individuals.

Given the enormous needs of PHA residents and HCV participants, PHA supports a broad range of supportive service programs designed to promote economic self-sufficiency for families, enhance the education and healthy development of young residents, and maximize the potential for independent living among seniors and people with disabilities. These efforts include direct services and partnership initiatives.

Despite ongoing challenges related to inadequate capital funding, PHA's financial position remains sound and continues to improve through prudent fiscal management, coupled with streamlining and cost reduction efforts undertaken over the past several years. As evidence of PHA's financial soundness, in July 2021, Standard & Poor's raised its issuer credit rating on PHA as well as its rating on PHA's series 2017 revenue bonds one notch to 'AA-' from 'A+' with an outlook of "Stable."

Mission and Vision

PHA's mission is to open doors to affordable housing, economic opportunity and safe, sustainable communities to benefit Philadelphia residents with low incomes. To support accomplishment of this mission, PHA adopted a long-term Strategic Directions Plan that identifies twelve (12) strategic priorities:

1. Improve, preserve and expand the supply of affordable housing available to Philadelphia's residents with low incomes;
2. Achieve excellence in the provision of management and maintenance services to PHA residents;
3. Create safe communities in collaboration with neighborhood residents and law enforcement agencies;
4. Enhance resident well-being and independence through partnerships for employment, job training, education, health, and other evidence-based supportive services;
5. Improve access to quality housing choices and opportunity neighborhoods through the Housing Choice Voucher Program;
6. Incorporate energy conservation measures and sustainable practices throughout PHA operations;
7. Improve customer service, streamline operations, and create a business model that is data-driven and high-performing;
8. Conduct PHA business in an open and transparent manner that promotes accountability and access, ensures diversity, and adheres to the highest ethical standards;
9. Strengthen existing relationships and forge new public, private, and philanthropic partnerships to support PHA's strategic goals;
10. Make PHA an employer of choice with an accountable, diverse, trained, and productive workforce;
11. Ensure that PHA is a good neighbor and reliable community partner; and
12. Encourage innovation and promote PHA's financial health through ongoing participation in the Moving to Work Program.

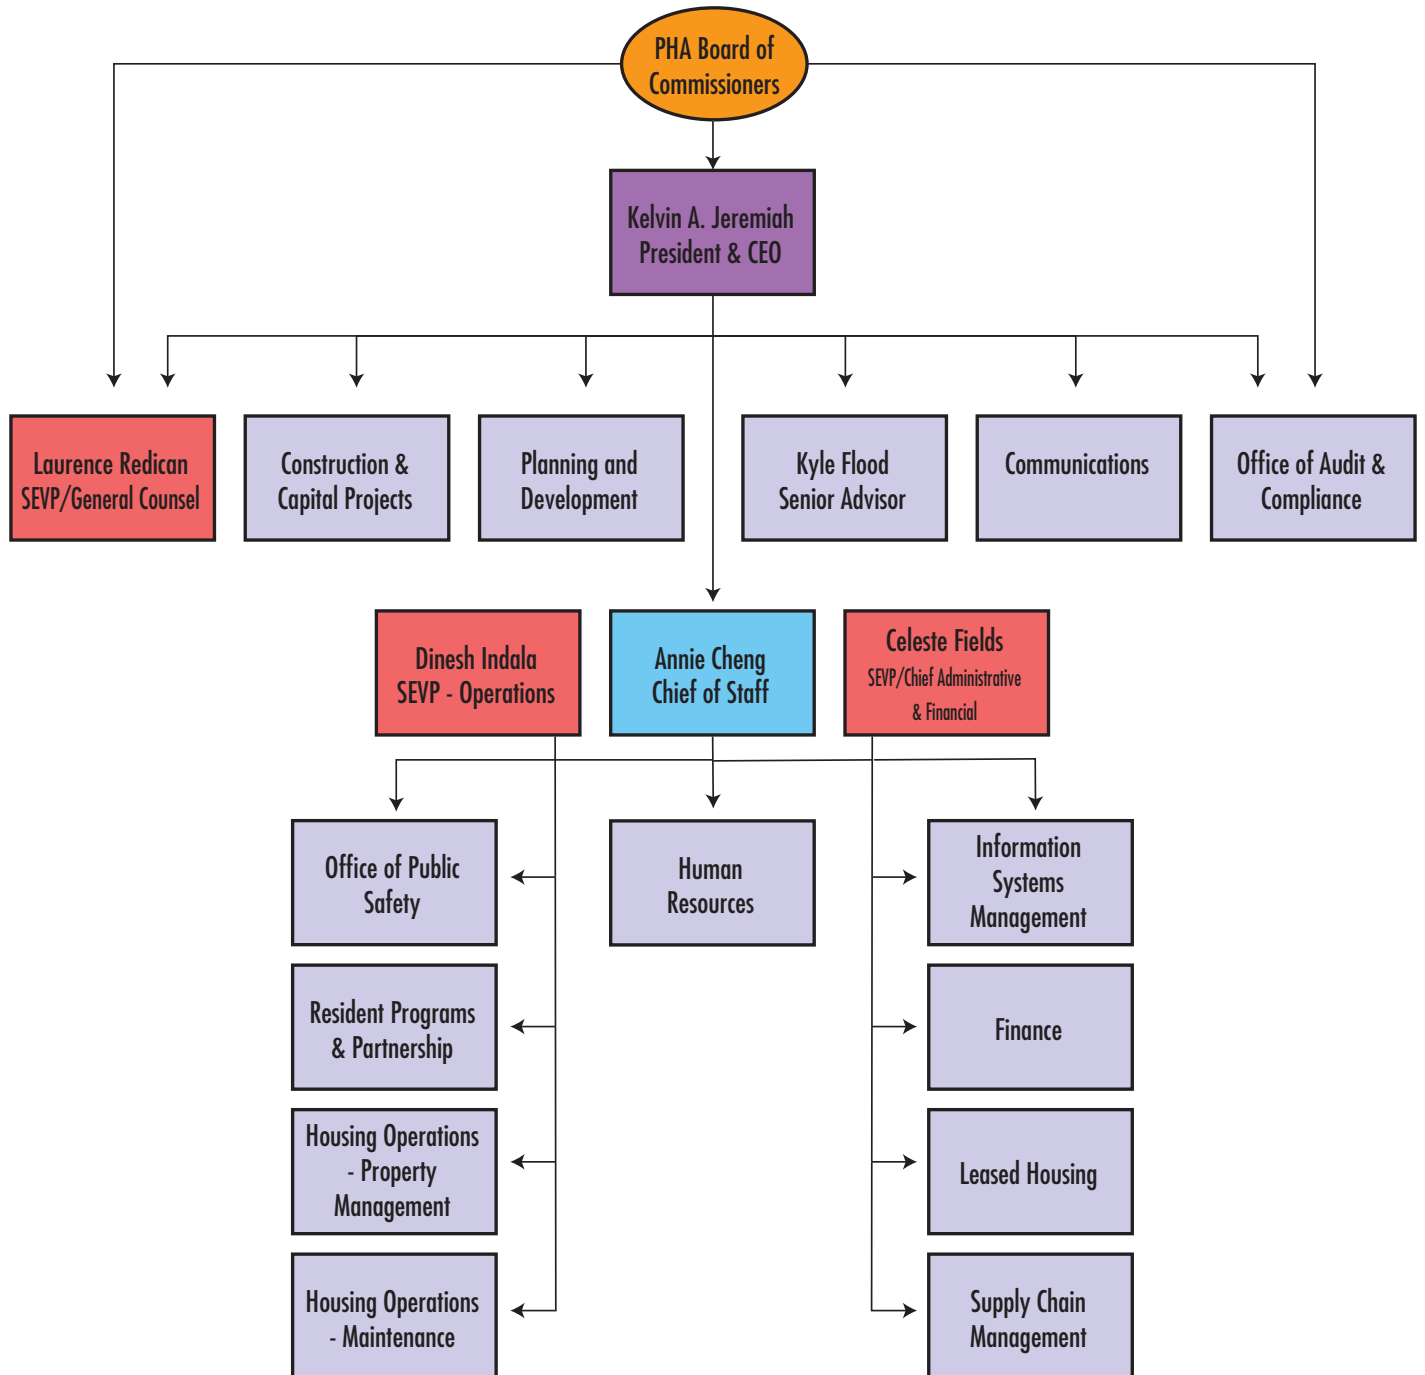

The activities described in the body of this Report all support PHA's strategic priorities.

Organizational Structure

PHA was organized in 1937 under the laws of the Commonwealth of Pennsylvania to develop, acquire, lease, and operate affordable housing programs for low and moderate-income residents of the City of Philadelphia. A nine-member Board of Commissioners governs PHA, with monthly public meetings, approximately eleven times per year, convened to address PHA business.

PHA's President & CEO, Kelvin A. Jeremiah, reports to the Board and has full responsibility for leadership and management of all PHA operations.

PHA employs over 1,100 full-time employees and is considered an industry leader in property development, acquisitions, and management of affordable housing. The current organizational structure is depicted on the chart below.

Executive Team Profiles

Kelvin A. Jeremiah, President & Chief Executive Officer

Kelvin A. Jeremiah has served as PHA's President & Chief Executive Officer since March 2013. As President & CEO, Mr. Jeremiah establishes a vision and provides strategic direction and leadership on all agency matters, reporting directly to the Board of Commissioners. He was appointed to the position after serving as the HUD-appointed Administrative Receiver and the Interim Executive Director, where he organized and directed a successful Recovery Plan that corrected major deficiencies in PHA's operations and governance and returned the agency to local control. Under his leadership, PHA has been reformed and transformed, returning to its core mission of creating and preserving affordable housing, and opening doors to opportunity for low-income families with children, seniors, and people with disabilities. He has directed efforts to rout out fraud and abuse and built a new administrative/management infrastructure that supports and rewards innovation, accountability, excellence, and high ethical standards. He reallocated resources to provide rental assistance to new families, streamlined operations to eliminate a long-standing structural deficit, and aggressively sought out and forged partnerships with community groups, non-profit and for-profit developers, philanthropies, and social service organizations.

Under Mr. Jeremiah's leadership, PHA has built, funded or preserved thousands of affordable housing units. He has taken the lead in revitalizing Sharswood, one of Philadelphia's most distressed neighborhoods, including implementing a plan to build 1,200 mixed income units and consolidating all of PHA's administrative operations in a new headquarters built on Ridge Avenue. He led PHA's collaboration with the City to revitalize the North Central neighborhoods through the Choice Neighborhoods Program an initiative. HUD Secretary Marcia Fudge visited North Central last fall to celebrate completion of the final housing phase. He has spearheaded PHA's efforts to preserve and expand affordable housing through the RAD program, while advancing an array of community development initiatives including the recent selection of four community-based partners to renovate vacant and distressed PHA properties in the Brewerytown neighborhood for sale to low and moderate-income Philadelphia households.

Mr. Jeremiah came to PHA after serving as Inspector General for the New York City Housing Authority, the nation's largest housing authority, with a portfolio of 178,000 units housing, over 450,000 residents, an HCV Program with nearly 100,000 participating families, and an operating budget of over \$3.5 billion.

Mr. Jeremiah received a Bachelor's degree in History/Business Administration from Pace University, a Master of Arts in American Social History from Rutgers University, and a Master of Public Administration from American International College, after emigrating from Grenada to the United States as a teenager. Mr. Jeremiah is a Certified Public Purchasing Official, a Certified Public Housing Management Specialist, a member of the Association of Inspectors General, a member of the Mayor's Office of Community Empowerment and Opportunity Oversight Board, and a member of the National Leased Housing Association Board.

Annie Cheng, Chief of Staff

Annie Cheng is Chief of Staff, reporting to PHA's President & CEO. She is responsible for directing and managing the Executive Office, overseeing Human Resources and coordinating the activities of the senior team. She acts on behalf of the President & CEO as representative and primary liaison to external and internal constituents. She has been with PHA since 2006, starting out as a technical aide for the HCV Program before serving as a Business Analyst for the Information Systems Management Department. As a Senior Management Specialist in the Strategic Planning Office, she led the department in tracking and ensuring completion of the PHA Recovery Plan, the development of MTW Plans and Reports, and the development of the Management Action Plan. Ms. Cheng received a B.S. in Management Information Systems from Drexel University.

Nicholas Dema, Jr., Executive Vice President, Planning & Development

Nicholas Dema, Jr. is Executive Vice President for Planning & Development, currently reporting to the President & CEO. He oversees all aspects of PHA's development of public and affordable housing developments, including new developments and modernization/recapitalization of existing portfolio developments. Mr. Dema has over 30 years of experience in the housing industry. Prior to joining PHA, Mr. Dema was the Finance Director for the Philadelphia Housing Development Corporation (PHDC) where he was responsible for all aspects of the financial operation of the agency, which administers various housing grant programs for low income homeowners. He was previously employed by HUD's Office of Multifamily, where he worked with FHA approved lenders requesting mortgage insurance for financing of multi-family developments. He also provided overall asset management of affordable and market rate rental projects receiving federal assistance, including FHA loans, grants and/or rental subsidy. Prior to working at HUD, he served as Senior Deputy Executive Director at the Redevelopment Authority of the City of Philadelphia. Mr. Dema has a B.S. from LaSalle University in Business Administration. He has also taken training at Temple University's Real Estate Institute, the Appraisal Institute, and the Institute of Real Estate Management (IREM).

Antoinette Eberhart, Chief of Police and Director, Office of Public Safety

Antoinette Eberhart is the Chief of Police and Director of Public Safety for PHA. Reporting to the President & CEO, she directs and oversees PHA's police force and all public safety activities, while ensuring continuous communication and planning with the Philadelphia Police Department and other law enforcement agencies. She began her career in law enforcement as a Corrections Officer, and subsequently joined the Philadelphia Police Department where she rose to the rank of Lieutenant. Chief Eberhart holds Bachelor's and Master's degrees in Criminal Justice from Chestnut Hill College and St. Joseph's University and has successfully completed management training courses at Northwestern University, University of Pennsylvania and the Police Executive Research Forum (PERF).

Celeste Fields, Senior Executive Vice President/Chief Administrative & Financial Officer

Celeste Fields serves as Senior Executive President/Chief Administrative & Financial Officer for PHA, reporting to the President & CEO. She is responsible for providing strategic direction, leadership, coordination and oversight for administrative programs and activities of the agency, including Financial Management and Budget, Information Systems Management, Supply Chain Management, and Leased Housing. She develops, oversees and implements the agency's \$521 million dollar budget and comprehensive strategies to promote the long-term financial strength and stability of the agency. She currently serves as President for PhillySEEDS, Inc., a 501(c)(3) that supports PHA residents; as Vice President of the Philadelphia Asset & Property Management Corporation (PAPMC), a subsidiary of PHA; and is Chair of PHA's Pension Board. Ms. Fields has worked at PHA since 2000 and earned a Bachelor of Science Degree in Business Administration/Accounting from Drexel University.

Kyle Flood, Senior Advisor to the President & CEO

Kyle Flood is the Senior Advisor to the President & CEO. In this role, he advises on housing policy matters, and oversees and directs a range of high priority interdepartmental initiatives involving policy development, neighborhood planning and development, asset repositioning, and other projects. Prior to returning to PHA in 2017, he worked for the Michaels Development Company in Los Angeles to create a new regional office for nation's largest private sector affordable housing development company. He previously worked for the Sacramento Housing and Redevelopment Agency, overseeing redevelopment and disposition efforts, including development and implementation of a Choice Neighborhoods Implementation grant. From 2006 to early 2014, he worked at PHA, where he developed and submitted applications for conversion of over 3,000 public housing units through the Rental Assistance Demonstration (RAD) program and successfully applied for a \$30 million Choice Neighborhood Implementation grant. Mr. Flood has a Master's degree in City Planning from the University of Pennsylvania and a Bachelor's degree in Urban Studies from Rutgers.

Gregory Hampson, Executive Vice President, Construction & Capital Projects

Gregory Hampson is Executive Vice President of Construction & Capital Projects, currently reporting to the President & CEO. He oversees PHA's major housing construction and capital projects, including overseeing third party contractors. He previously served as the Deputy Director of Conventional and Scattered Site Operations for the Housing Authority of Baltimore City. Prior to rejoining PHA in 2017 in his current role, he had worked at PHA overseeing its Development and Construction Department. Mr. Hampson has a B.S. in Electrical Engineering from Temple University and is in the process of obtaining his Master's Certificate as a Project Management Professional from George Washington University.

Faisal Hassan, Executive Vice President & Chief Technology Officer

Faisal Hassan is Executive Vice President & Chief Technology Officer, reporting to the Senior Executive Vice President/Chief Administrative & Financial Officer. In this role, he directs and oversees the operations of PHA's Information Systems Management department, which provides software applications and networking support to the entire agency. Mr. Hassan has 29 years of experience in computer technology, 25 of which have been at PHA at various levels. He started out as a system developer and advanced to his current position. During his PHA tenure, the agency developed and implemented an extensive array of IT projects, including local and wide area networks; PeopleSoft financial, human resources, payroll, supply chain and other applications; PeopleSoft CRM, which includes customer case management and work order/field services; a public housing application system that is used to manage housing applicants, customers, houses/units and occupancy; online reports that provide current financial and operation information for management; and numerous other applications and initiatives. Mr. Hassan has a Master of Science degree in Software Design from Temple University and a Bachelor of Science degree in Computer Science from Rowan University. He also has an Associate Certificate of Project Management from George Washington University.

Bret Holden, Executive Vice President, Leased Housing Department

Bret Holden is Executive Vice President of the Leased Housing Department, reporting to the Senior Executive Vice President/Chief Administrative & Financial Officer. In this role, he oversees PHA's Housing Choice Voucher program, including tenant-based and project-based programs, the Housing Mobility Program and other related initiatives. He has worked at PHA since 2000 and was promoted to his current position from the Director of Leased Housing's Eligibility and Special Program Department. One of his major initiatives as Director was the lease-up of over 4,000 new housing opportunities as part of the Strategic Directions plan initiative launched by the President & CEO. Mr. Holden holds Bachelor's Degrees in Labor and Industrial Relations and Political Science from Penn State and Drexel University.

Makeeda Holley, Vice President, Resident Programs and Partnerships

Makeeda Holley is Vice President of Resident Programs and Partnerships, currently reporting to the Executive Vice President for Operations. She directs and oversees PHA's supportive service program initiatives, designed to increase resident economic self-sufficiency, support youth educational attainment and career development, and maximize the potential for independent living among PHA senior and disabled residents. This includes overseeing both direct services and third-party programs that are provided under contracts with PHA. Prior to joining PHA in 2019, she worked for eight years at District 1199C, an affiliate of the National Union of Hospital and Health Care Employees, as the Director of Workforce Development. She managed the union's Training and Upgrading Fund with programs and class offerings based on the needs of both the healthcare industry and its employers. She is an adjunct faculty member at Jefferson University's School of Continuing and Professional Studies. Ms. Holley holds a Master of Science degree in Urban Policy Analysis and Management from the New School University in New York and a Bachelor of Science degree in Social Work from Temple University. She also has Labor Leadership Certification from Penn State University, an Ascending Leadership Certification for nonprofits from Bryn Mawr College, and has served as an Aspen Institute Sector Skills Fellow.

Dinesh Indala, Senior Executive Vice President, Housing Operations

Dinesh Indala is Senior Executive Vice President of Housing Operations, reporting to the President & CEO. He directs and oversees all property management and maintenance activities for PHA's public housing portfolio, including properties managed by PHA's PAPMC affiliate, and oversees the Resident Programs & Partnerships Division and Public Safety Department. He oversees more than 800 employees at housing developments throughout the City, including having responsibility for emergency and routine service orders, admissions and leasing, rent collections, recertifications, resident supportive services and other functions. Mr. Indala earned a B.S. in Mechanical Engineering from DEI University in Agra, India and an M.S. in Industrial Engineering/Quality & Reliability from Rutgers University. He is also Lean/6 Sigma certified by Villanova University.

Janea Jordon, Executive Vice President, Office of Audit and Compliance

Janea Jordon is Executive Vice President of the Office of Audit and Compliance, reporting to PHA's President & CEO. She directs and oversees PHA's internal audits, investigations, and compliance-related activities. Her department is tasked with helping to identify and reduce risks; ensuring that policies, procedures, laws and regulations are followed throughout PHA; and safeguarding the efficient and effective use of resources. She also serves as the primary point of contact for all external audits and reviews. She has worked at PHA since 2005, previously serving as the head of PHA's Quality Assurance Department and Deputy Director of Audit and Compliance. Ms. Jordon is a graduate of Spelman College and the Georgia Institute of Technology.

Laurence Redican, Esq., General Counsel and Chief Ethics Officer, Senior Executive Vice President, Office of the General Counsel

Laurence Redican serves as Senior Executive Vice President, General Counsel and Chief Ethics Officer of PHA, reporting to the President & CEO. He oversees and directs all PHA legal strategy and matters through the Office of General Counsel, where he supervises a team of PHA attorneys and directs the work of outside counsel. He serves as Secretary for the PHA Board of Commissioners, and also on the PHA Pension Board. He joined PHA as the Deputy General Counsel for Transactions, Regulatory, and Administrative Matters. Until 2011, he was the Deputy General Counsel of the New York City Housing Authority. Mr. Redican received his B.A. in History from the State University of New York at Binghamton and his J.D. from the St. John's University School of Law.

Nichole Tillman, Executive Vice President, Communications Department

Nichole Tillman is Executive Vice President of the Communications Department, reporting to the President & CEO. In this role, she designs, oversees and directs PHA's internal and external media and communication initiatives. She serves as agency spokesperson, responsible for communicating PHA's messaging to employees and residents, stakeholders, and the media. She also serves as a member of the PHA Pension Board. She began her career as a book publicist in New York City, after which she became the first in-house publicist for USA WEEKEND Magazine. While serving as the Vice President of Publicity for the World Famous Harlem Globetrotters, she implemented over 200 publicity campaigns throughout the U.S. and abroad and secured multiple first-time national media appearances, along with traditional and trade media coverage. She has also created and directed partnerships with several major media companies, including Viacom, Disney, Paramount, and many others. Ms. Tillman is a graduate of Norfolk State University.

Nnena Ukwa, Vice President, Finance

Nnena Ukwa is Vice President of Finance, reporting to the Senior Executive Vice President/Chief Administrative & Financial Officer. She oversees and directs PHA's accounting, bookkeeping, budget, and related financial operations. She has worked at PHA since 2005, starting as a Compliance Specialist and later promoted to Manager of Internal Audit. Before joining PHA, Ms. Ukwa worked for a public accounting firm for several years. Ms. Ukwa is a Certified Public Accountant, received a Bachelor of Science in Accounting degree from the University of Massachusetts and a Master of Business Administration in Finance degree from LaSalle University.

Dave Walsh, Executive Vice President, Supply Chain Management

Dave Walsh is Executive Vice President of Supply Chain Management, reporting to the Senior Executive Vice President/Chief Administrative & Financial Officer. He oversees and directs PHA's procurement, contracts, contract administration, fleet, and warehouse operations. Prior to joining PHA in 2008, he worked as Senior Vice President of Purchasing and Operations for Computer Expressions, a Philadelphia manufacturer of computer accessories. He also worked at Cardinal Health in Swedesboro, NJ, an \$8.1 billion a year distributor of pharmaceuticals, where he was the Logistics Manager and was Lean/6 Sigma Project Sponsor certified. He began his career as an Officer with the U.S. Army (92A, Commander) spending six years specializing in maintenance, supply, and purchasing and contracting. Mr. Walsh has a B.A. in Fine Arts and Russian from Kutztown University.

Kimberly Woods, Executive Vice President, Human Resources

Kimberly Woods, Executive Vice President of Human Resources, joined PHA in December 2021, reporting to the Chief of Staff. Kimberly has broad oversight for all human resources functions, working to ensure a customer centric HR experience for the PHA community. The HR team is responsible for labor and employee relations administration, benefits plan design, communication and administration, compensation and classification management, performance management, employee engagement and retention initiatives, policies and procedures oversight and human resources compliance. Kimberly looks forward to developing and implementing key HR metrics at PHA and ensuring that the agency's People strategies align with the organization's mission to open doors to affordable housing, economic opportunity and safe and sustainable communities to low income Philadelphia residents. Prior to joining PHA, Kimberly was the Associate Vice President for Strategic Human Resources at The College of New Jersey in Ewing, New Jersey. Kimberly graduated from Drexel University with a B.S. in Humanities and Social Sciences, Temple University with a Master of Science degree in Human Resources Management, is certified by the Human Resources Certification Institute as a Senior Professional in Human Resources (SPHR) and is certified by the Society for Human Resources Management as a Senior Certified Professional (SHRM-SCP).

Board of Commissioners Profiles

Chair Lynette M. Brown-Sow is a life-long Philadelphian who has dedicated her career to the organization, development, and wellness of communities, as a strategic consultant, change agent, and connector. She founded L.M. Brown Management Group in 1980, served as Vice President of Marketing and Government Relations at the Community College of Philadelphia for over 22 years, held government positions, and served with health organizations and on numerous boards. Chair Brown-Sow has served as a board member for organizations including YAP (Youth Advocates Program) Inc., a global juvenile justice organization; the Philadelphia Tribune Co. Inc.; Hahnemann University Hospital; NHS Enterprises, Inc.; and The Board of City Trusts, serving Girard College via her committee assignment. She is a member of the Forum of Executive Women and convener of the Forum for a Better Pennsylvania; has served as the Chair of the Board of Directors of The Consortium, a behavioral health-care organization that named its service center the Lynette M. Brown Center of Hope in recognition of her years of service; founded and chairs the Hardy Williams Education Fund, providing scholarships and support in law and social justice; and is a founder and Chair of Women of Destiny, developing pipelines of talent to the corporate and non-profit sectors by providing mentorship to professional women of color. Chair Brown-Sow's political/civic positions include: managing Philadelphia Mayor Rendell's transition team in 1991 and then being appointed as Deputy Mayor of Administration; co-chairing Philadelphia Mayor Nutter's transition team in 2007; serving as Vice Chair and Chair of the Philadelphia Zoning Board of Adjustment for 3 years during a city-wide code change; and serving as Chair on PHA's Board since 2013.

Vice-Chair Herbert Wetzel is the Executive Director of Housing and Community Development for the Philadelphia City Council. He is also a founding member of the board of directors and former executive director of the Greater Germantown Housing Development Corporation. Vice-Chair Wetzel has a long history of community development activities. During the past 20 years he established a small business in the Germantown section of Philadelphia to create neighborhood-based economic development; served as Director, Deputy Executive Director and, upon appointment by former Mayor John Street, Executive Director of the Philadelphia Redevelopment Authority; and has served as Vice-Chair on PHA's Board since 2013.

Leslie D. Callahan, PhD serves as pastor of St. Paul's Baptist Church in North Philadelphia. She received her Bachelor of Arts in Religion degree from Harvard/Radcliffe, her Master of Divinity degree from Union Theological Seminary in the City of New York and her PhD in Religion degree from Princeton University. Her research interests include religious history in the United States, particularly independent African American Christianity and Pentecostal studies.

Rev. Bonnie Camarda has served as the Director of Partnerships for The Salvation Army in Eastern Pennsylvania and Delaware since 1999, where she is at the heart of its initiatives to form fruitful partnerships with area business leaders, government leaders, prospective donors, fellow social service organizations, and, most importantly, individuals seeking spiritual guidance and hope. Her professional accomplishments and community involvement are truly one and the same and she has been recognized for her rare ability to reach across socioeconomic, gender, age, and cultural lines. Commissioner Camarda accompanied Governor Tom Wolf with a host of delegates from the Philadelphia area and Unidos Pa>PR to visit The Salvation Army in Puerto Rico to learn more about the long-term recovery of the island in the wake of Hurricane Maria. Upon her return, she received a Citation from the Philadelphia City Council as Honorary Puerto Rico Citizen of the Year in 2018, selected for her outstanding work for all Puerto Rican citizens recovering from Hurricane Maria, especially those transitioning to Philadelphia. Along with serving on the PHA Board, Commissioner Camarda is also a Board member of Esperanza, Philadelphia School Partnership, and Einstein Hospital.

Asia Coney is one of two Resident Commissioners who were elected in April of 2014 by PHA residents, pursuant to a process created under the Pennsylvania Housing Authorities Law, Act 130. Commissioner Coney is the President of PHA's Resident Advisory Board. A Philadelphia native, her dedicated community activism over the last thirty-six years has included: advocating for public and assisted housing safety, greater resident input into PHA decision-making, and improvement of existing public housing conditions; conducting local and national workshops; ensuring compliance with federal and state directives regarding the quality of resident life; and working closely with PHA in its creation and implementation of resident programs. She has served on numerous City Boards, including the Redevelopment Authority and the Malt and Beverage Board, and was the Director of Tenant Support Services, Inc., which terminated operations in 2012. Her community activism has included the following marches: being one of two Chairs for the 1997 historic Million Woman March; Chair of the «Sistahs of the Million Woman March» in 2007; and serving as a key organizer of the 1997 Grays Ferry March, to reduce violence and race riots.

Belinda Mayo is a seasoned housing and community development professional with over 36 years of experience, devoted to public service-oriented functions with an emphasis on research, planning, the coordination of programs and services, training and the direction of urban housing policy. Commissioner Mayo served as the Director of Neighborhood Program Coordination and Community Development at the City of Philadelphia Office of Housing and Community Development from 1987 through 2016, responsible for the development and implementation of technical assistance programs for non-profit community-based development corporations, the review of nonprofit financial and organizational systems, project planning, feasibility and development, management of community-based service programs, and coordinating educational and job training programs for at risk youth and families transitioning from welfare-to-work. In 2016 Commissioner Mayo retired from her position with the City of Philadelphia but has remained actively engaged in the field of housing and community development as a member of the Board of Directors of the National Low Income Housing Coalition Leadership Council and a member of Oversight Board of Rebuild Philadelphia, an Advisory Board responsible for reviewing and providing guidance and feedback on the implementation and programmatic direction of the multi-million dollar fund for revitalizing city parks, libraries, and recreation centers throughout the City of Philadelphia.

Frederick S. Purnell, Sr. is the former Deputy Director for Housing and Community Development for the City of Philadelphia and former Executive Director of Wilmington Housing Authority, where he served for 16 years. He was also a key executive and a long time employee within PHA for several years. He has been instrumental in several multimillion dollar mixed income and low income developments and is a recognized leader in community development in this region. Commissioner Purnell is a native of Philadelphia and a graduate of Central High School and Pennsylvania State University. He has received several certifications, commendations, and board appointments relevant to housing and community development, and is a proud life member of Kappa Alpha Psi Fraternity, Inc. He is also a licensed realtor in the state of Delaware and resides in the Overbrook section of Philadelphia.

Ismail A. Shahid brings a strong background in innovation and finance to PHA, with extensive experience in accounting, management, and business. He is a founding partner of SUPRA Office Solutions, Inc., a national supplier of business, school and janitorial products, which is a Philadelphia-based, 100% minority-owned business that is certified MBE, DBE and as a HUBZone business. Commissioner Shahid is the company's Executive Vice President of Sales and Government Affairs, overseeing the company's community relations and customer support efforts. Further, he holds the same position and supervisory responsibilities with EMSCO Scientific Enterprises, Inc., an affiliate that sells laboratory supplies, equipment, and chemicals. A Philadelphia resident, Commissioner Shahid earned business law and accounting degrees from Pierce College. He serves on the boards of various non-profit organizations as well as that of the Delaware River Joint Toll Bridge Commission, as appointed by Governor Tom Wolf.

Ethel Wise is one of two Resident Commissioners who were elected in April of 2014 by PHA residents, pursuant to a process created under the Pennsylvania Housing Authorities Law, Act 130. Commissioner Wise is President of the Wilson Park Family Resident Council, a native of Philadelphia and has a personal history of involvement, community engagement and commitment to bettering the lives of those in public housing for over 40 years. As President of the PHA housing development at Martin Luther King for approximately 32 years, Commissioner Wise developed an effective job bank, a food bank and a town watch program that was recognized as one of the best in the country, and, in 1993, she received the Mayor's Community Service Award. Commissioner Wise also created and managed PHA's Lobby Monitor Program, which promoted resident safety and resident employment with a well-defined career path. She has been a leader in providing national and local training for Resident Councils on HUD regulations and also has served as a Democratic Party Committeewoman for the last 26 years.

CHAPTER II – HOUSING PRODUCTION & NEIGHBORHOOD DEVELOPMENT

Neighborhood Revitalization

PHA continued to collaborate with the City of Philadelphia and a broad array of neighborhood partners and other stakeholders to increase the supply of affordable housing, preserve existing affordable units, and revitalize and transform neighborhoods in and around distressed public housing developments. PHA's development efforts support the goals established in the Assessment of Fair Housing Plan jointly issued by the City and PHA and accepted by HUD in February 2017. These goals emphasize the importance of a balanced approach to fair housing, including preservation of existing housing, development of new affordable rental and homeownership housing, investments to improve the quality of life in distressed neighborhoods, and mobility initiatives to support housing in high opportunity areas.

Blumberg/Sharswood

The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. Funded in part by a \$30 million HUD grant, the Plan calls for development of 1,203 units of mixed-income housing, including affordable rentals and homeownership units. To date, a total of 309 housing units (20 affordable homeownership, 289 rental) have been substantially completed; and an additional 416 are currently under construction. By April 2023, PHA projects that all of the planned rental housing and a majority of planned homeownership units will be either completed or under construction including:

- Three rental phases with 336 units developed by Hunt-Pennrose;
- Two rental phases with 123 units developed by PHA;
- Approximately 174 new construction homeownership units;
- Two neighborhood partner developments (Reynolds School, Harlan Street) with a total of 108 new rental units; and,
- A \$53 million mixed-use housing and retail complex undertaken by Mosaic Development that is currently under construction and will include a Grocery Outlet supermarket, Santander Bank, an urgent care health center and other commercial/retail facilities.

Other activities planned within the Sharswood neighborhood include a new PHA logistics center and a 36-unit rental facility for LGBTQ+ youth coming out of foster care.

In addition to this housing activity and as noted in prior reports, construction and occupancy of the new PHA Headquarters Building was completed in January 2019. The Vaux Community Building has been substantially rehabilitated and is now the site of PHA's Workforce Center, a Section 3 Resource Center, a neighborhood high school operated by Big Picture Schools, a new nurse-managed health clinic operated by Temple University School of Public Health, a CVS Pharmacy training facility, resident business incubator and other community services.

Norris Homes/North Central Philadelphia

In partnership with the City, the Choice Neighborhood Transformation Plan for North Central/Norris is approaching a successful conclusion including extensive community improvements and construction of 272 rental and 30 homeownership units. The first two PHA rental phases consisting of a total of 139 units are complete and occupied. Construction of a community center was also completed as part of the second phase. The third and final rental phase by Jonathan Rose Companies began in 2020 and was completed in the Fall of 2021. HUD Secretary, Marcia Fudge visited the neighborhood in October 2021 to celebrate these milestones. Construction of 30 affordable homeownership units began on 2021 and has a projected completion date of April 2022. To date, 15 of the homeownership units are sold, and the remaining 15 are under sales agreements. PHA will continue to collaborate with the City on the final grant close-out; however, all of the substantive Transformation Plan elements envisioned by the community are now essentially complete. PHA will also continue to serve as People Lead Partner including overseeing endowment-funded service activities for Norris' residents.

Citywide Development

PHA continued to serve as a catalyst and major funder for housing and neighborhood development throughout the City, working directly through its PHADC affiliate and in partnership with a diverse group of development partners, including community-based organizations. PHA also provided subsidies to over 4,300 housing units at 159 developments citywide through the UBV program. Many of these developments provide supportive services, while housing households with special needs including housing for formerly homeless individuals and families, victims of domestic violence, recovering substance abusers and other groups. In addition to RAD properties, UBV development sponsors include dozens of mission-driven and other organizations including Liberty Resources, New Courtland, HACE, Nueva Esperanza, Womens Community Revitalization Project, Mission First Housing Group, HELP USA, Methodist Family Services, and many others.

Additionally, construction was substantially completed on a 78-unit development and LIFE Center at 27th and Susquehanna in partnership with Susquehanna Net Zero Housing LP. Occupancy will take place in 2022.

Finally, planning continued in 2021 for the collaborative partnership with Councilmember Maria Sanchez and nonprofit affordable housing developers in the 7th District to ensure long-term affordable housing development by transferring 240 long-term vacant lots and shells ensuring that the properties will be redeveloped for long-term affordable housing with a 20 year restrictive covenant.

Public Housing Development

PHA works primarily with third party development partners to construct new public housing units (ACC units). PHA is one of the only agencies in the country that continues to successfully develop new public housing units. Building on its successful recent track record, PHA is currently collaborating with community partners to develop ten (10) new public housing developments, with a total of 334 units. An estimated \$148 million in non-PHA funds will be leveraged by these development projects.

PHA continued to reacquire ownership interests from equity investors in additional Low Income Housing Tax Credit (LIHTC) developments as part of ongoing efforts to preserve and enhance its affordable housing portfolio. As existing LIHTC developments come to the end of their initial tax credit compliance periods, PHA has executed its option to exit the existing investors and reacquire full ownership, paving the way for future capital infusions and re-syndication to ensure long-term affordability. Both Millcreek I and Lucien E. Blackwell III were reacquired in 2021. As noted in the prior Act 130 Report, PHA has previously reacquired ownership interests in Suffolk Manor LP, Richard Allen III LP, Cambridge Plaza II and III LPs, Mount Olivet, and Tasker I LP.

Rental Assistance Demonstration

The conversion of public housing units to project-based assistance under the RAD program is an important component of PHA's housing preservation and expansion strategy. Through RAD conversion, PHA is able to access private equity (primarily through the Low-Income Housing Tax Credit program) and other funds to invest in existing PHA developments as well as to leverage new funding to replace obsolete scattered site units and "transfer assistance" to other new developments.

Over the past year, PHA closed on four additional RAD developments including Sharswood Hunt Phase 1 (30 units); Harrison Plaza Tower (112 units); Queen Lane LP (55 units); and, Norris LP (51 units). The table below provides a list of all RAD development transactions that have closed through FY 2022, including transactions that closed in prior periods. Including only those RAD projects that have already closed, total development costs exceed \$950 million including over \$453 million in private equity.

PHA broke ground in FY 2022 on the comprehensive modernization of the Harrison Senior Tower, which includes a new community center and social services office scheduled to be completed in FY 2023. Also, in FY 2022, PHA began the procurement of the design and build services of Fairhill Phase 1 project consisting of 101 tower units, 30 townhouse rental units and a community center.

Over the next several years, PHA plans to expand the number of units converted to RAD and to utilize HUD's new "Faircloth to RAD" initiative to expand the supply of affordable housing. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program.

PROPERTY NAME	RAD UNITS	DESCRIPTION
2415 N. Broad	88	Transfer of Assistance
St John Neumann Place II	52	Transfer of Assistance
H.E.L.P Philadelphia V	37	Transfer of Assistance

Affordable Homeownership

PHA continued to implement first-time affordable homeownership initiatives to expand housing choice and increase the number of first time, low-income homebuyers. PHA's Opening Doors to Affordable Homeownership initiative consolidates PHA's existing HUD-approved Section 5h Homeownership Program, Housing Choice Voucher (HCV) Homeownership Program, other new development homeownership initiatives and homeownership readiness and counseling support under the management of PHA's Homeownership Unit (a component of the Resident Programs and Partnerships Department). It expands PHA's existing programs to incorporate new types of assistance including lease-purchase and down payment assistance options.

Under the existing Section 5h program, PHA assists current public housing residents of scattered site units to purchase their own units. To date, 235 residents have purchased their scattered site units under this program. Under the existing HCV Homeownership program, current voucher participants may utilize their voucher assistance to purchase homes and then receive monthly Housing Assistance Payments to support housing costs for up to a fifteen (15) or thirty (30) year period. To date, PHA has assisted 725 HCV participants to purchase their first homes.

Cumulatively, PHA has developed and sold 306 new homeownership units that were developed as part of HOPE VI, mixed finance and other major revitalization initiatives. PHA also worked with over 1,000 residents to complete homeownership counseling courses in partnership with HUD-approved housing counseling agencies. The following table summarizes PHA's affordable homeownership sales activities for the most recent period.

Homeownership Sales: FY 2022

Program	Households
Section 5h	13
HCV Homeownership	27
Other	53
Total	93

In exciting new initiatives launched in FY 2022, PHA is partnering with Jumpstart Philly, Trades for a Difference and Benchmark Real Estate Partners, Lower North Philadelphia CDC and Devcon Group LLC/Townes Mechanical to renovate 53 vacant and distressed scattered site homes in the Brewerytown neighborhood and create affordable homeownership opportunities for low and moderate-income households. Jumpstart Philly provides training, mentoring, networking and financial resources to local aspiring developers. The PHA scattered site houses rehabbed through this partnership will be sold to households with incomes at or below 80% of Area Median Income, with first opportunity to buy going to participants in PHA's Opening Doors to Homeownership program.

CHAPTER III – OPERATIONS, MANAGEMENT & ADMINISTRATION

Public Housing Operations

The Operations Department provides housing management, maintenance, admissions, and leasing services for PHA's portfolio of public housing units and PHA-owned project-based developments (i.e. those developments including RAD conversions subsidized through the Housing Choice Voucher program). As noted in the prior Act 130 Report, in response to the COVID-19 pandemic, PHA implemented an eviction moratorium through March 2021 and implemented a wide range of new property management procedures and online tools to allow residents to safely interact with staff while transacting business with PHA such as rent payments, requests for hardship waivers, etc.

The public housing inventory includes affordable rental units for families, seniors, and persons with disabilities, located throughout the City in conventional public housing developments; Low Income Housing Tax Credit (LIHTC) developments managed by the Philadelphia Asset and Property Management Corporation (PAPMC); and developments operated by Alternate Management Entities (AME) under contract to PHA. Over four thousand (4,000) of PHA's public housing units are "scattered sites," i.e. housing units located in single family homes or multi-unit buildings. PHA operates one of the largest scattered site public housing programs in the country.

A significant portion of PHA's portfolio is aging and deteriorating. More than 75% of all PHA units were built over 40 years ago and over 55% were built 60 or more years ago. The backlog of unfunded capital needs continues to grow each year, creating enormous maintenance challenges for PHA (see Chapter II discussion of PHA initiatives to preserve the existing portfolio through conversion under the RAD program and other approaches). The planned redevelopment and RAD conversion of Harrison (both the Tower and Low-Rise components), West Park Apartments and Fairhill Apartments will infuse major capital resources into these three (3) developments and help to reduce PHA's capital needs backlog.

As of the end of FY 2022, PHA's actual public housing inventory is approximately 13,100 units. The public housing inventory varies from year to year as a result of public housing units being converted to long-term project-based assistance under the RAD program, new public housing units being added to inventory, and other factors.

There are over seventy-one thousand (71,000) households on PHA's current waiting lists for public housing, PAPMC and PHA-owned project-based developments. Waiting lists are administered in accordance with the Public Housing Admissions and Continued Occupancy Policy (ACOP) and site-based Tenant Selection Plans (for PAPMC-managed units and PHA-owned project-based developments), as applicable. Administration of site-based waiting lists for the Conventional and Scattered Site program areas is managed under the Public Housing Admissions Department to ensure consistent and efficient management of applicants on the various waitlists. PHA operates its waiting lists in a nondiscriminatory manner that seeks to avoid unintended discriminatory effects. PHA affirmatively markets its sites in a variety of venues and periodicals to ensure that the public is aware of the availability of PHA housing. PHA treats all applicants in a non-discriminatory manner.

Leased Housing

PHA's Leased Housing Department administers rental subsidies under the Housing Choice Voucher (HCV) Program for approximately 19,550 low-income households who live in privately owned housing. Vouchers are utilized to provide both tenant-based and project-based assistance (including RAD developments noted above). Many project-based units subsidized by PHA are owned by local non-profit agencies that serve special needs populations and provide supportive services for residents. The table below summarizes households served by program type during this reporting period.

Voucher Program Households Served: FY 2022

Voucher Type	Households Served FY 2022*
MTW	16,486
Mainstream	383
VASH	705
Mod Rehab	138
SRO	280
RAD	1527
FUP/FYI	31
Total	19,550

**The number of households served in this table is calculated by dividing actual unit months leased by 12. Thus, the actual number of individual households served during the year is higher than shown, i.e. two households that were each subsidized for 6 months will count as only one household in the above table.*

In FY 2022, PHA entered into Agreements and/or Housing Assistance Payments Contracts for 1,505 new project-based voucher units, including RAD conversions, under PHA's Unit Based Leasing (UBV) program as shown on the following table.

Property Name	# Vouchers	Status as of 3/31/21	RAD? (Yes/No)	Project Description
Harlan St	22	Committed	Yes	New Construction in North Philadelphia for low-income families – RAD Transfer of Assistance. Project to consist of 45 units of which 22 will be RAD PBV. Project Sponsor is Michaels Org.
Liddonfield	150	Committed	No	New Construction in Northeast Philadelphia for seniors. Project Sponsor is New Courtland.

Reynolds School	49	Leasing	Yes	Rehabilitation of site in North Philadelphia for Veterans-RAD Transfer of Assistance.
27th and Susquehanna	78	Leasing	Yes	New construction for seniors in the Strawberry Mansion neighborhood – potential RAD transfer of assistance. Project Sponsor is Net Zero Housing.
School of Nursing	50	Committed	No	Rehabilitation development for homeless individuals. Project sponsor is Project Home. Project Based Voucher Award in 2021 (prior competition)
Norris V	45	Leasing	Yes	New construction mixed income development (45 low income and 8 market rate) in North Philadelphia. Development will be owned by a third party. PHA providing assistance for 45 units through a RAD transfer of assistance.
Hunt Sharswood Phase I	30	Committed	Yes	New construction mixed income development (50 low income and 10 market rate) in the Sharswood neighborhood. Development will be owned by a third party. PHA providing assistance for 30 units through a RAD transfer of assistance.
Harrison Plaza	116	Committed	Yes	Rehabilitation and conversion under RAD of existing PHA public housing development
Westpark Phase I	124	Committed	Yes	Rehabilitation and conversion under RAD of existing PHA public housing development
Westpark Phase 2-4	203	Committed	Yes	Rehabilitation and conversion under RAD of existing PHA public housing development
Fairhill Phase I	100	Committed	Yes	Rehabilitation and conversion under RAD of existing PHA public housing development
Fairhill Phase 2-3	164	Committed	Yes	Rehabilitation and conversion under RAD of existing PHA public housing development
Queen Row	55	Committed	Yes	Conversion under RAD of existing PHA public housing development
Villas De Caribe	44	Committed	No	Existing project in the Fairhill area for low-income families sponsored by HACE.
Villas De Hace	18	Committed	No	Existing project in the Ludlow area for low-income families sponsored by HACE.
Vernon House	68	Committed	No	Existing project in the Strawberry Mansion area for low-income elderly/disabled families sponsored by Pennrose Management.
St. John Neumann Place	52	Committed	No	Existing project in the Greys Ferry area for low-income elderly families sponsored by Catholic Housing and Community Services.
Rhawn and Academy	51	Committed	No	Existing project in the Northeast area for disabled homeless or at risk of homelessness sponsored by Mission First.
New Courtland at Burholme	35	Committed	No	Existing project in the Northeast area for low-income seniors sponsored by New Courtland.
Kings Highway Phase II	31	Committed	No	Existing project in the Kensington area for low-income families sponsored by Mission First.
Francisville Village	10	Committed	No	Existing project in the Francisville area for low-income families sponsored by Community Ventures.
Francisville East	10	Committed	No	Existing project in the Francisville area for low-income seniors and families sponsored by Community Ventures.
TOTAL	1505			

Other major activities of the Leased Housing Department in FY 2022 include:

- In FY 2022, the HCV Program continued to pull applicants from the HCV waitlist to provide housing opportunities to those that may be affected by the COVID-19 pandemic. To date, over five hundred (500) new voucher holders have leased a unit of their choice and over five hundred (500) new voucher holders are currently shopping for a unit.
- The HCV program expanded service to Philadelphia's homeless population with new award of 863 emergency housing vouchers from HUD. These emergency vouchers are dedicated exclusively to homeless households referred to PHA by the City of Philadelphia. The emergency vouchers come with additional funding related to retaining and supporting HCV property owners paid for by the American Rescue Plan Act. This allows PHA to provide security deposit assistance equal to as much as one month of the approved PHA contract rent. Additional expenses are funded to assist the voucher holders including housing navigation services, application and utility fees, and furniture.
- To improve customer service for HCV participants during the COVID-19 pandemic, a new Online Client Portal was launched in April 2021. With PHA offices temporarily closed, participants asked for the ability to view and process more transactions online and this was a direct response to customer feedback. The Portal made it easier for HCV participants to communicate and submit requests to the HCV program and is available on smartphones, computers, or tablets.
- PHA partners with over five thousand (5,000) private owners and property managers to provide safe, decent housing to qualified participants in the HCV Program. PHA pays an average subsidy of \$700 per landlord each month on behalf of HCV program participants.
- Based on feedback and input from private property owners, PHA's Leased Housing Department implemented a series of financial incentives designed to increase the number of housing options currently available for PHA's voucher holders, recruit new landlords to participate and encourage existing ones to expand their HCV portfolio. These included signing bonuses up to \$500 for any property owner or landlord that rents to a PHA voucher holder and submits the required PHA paperwork. A special bonus was also available to landlords who successfully rent a unit to a PHA Emergency Housing Voucher holder (EHV), which are vouchers dedicated exclusively to those in City of Philadelphia's Homeless system. PHA also provides security deposit assistance to EHV's up to one month of the approved PHA contract rent. A \$1,000 bonus was also made available to landlords who participate in HCV's Housing Opportunity Program (HOP) and successfully rent a unit to an HCV participant in a qualified opportunity area. Opportunity neighborhoods generally have lower poverty rate and access to high performing schools and employment opportunities.
- PHA also provides an Owner Assurance Fund, designed to protect property owners from unexpected damages more than normal wear and tear. PHA will reimburse property owners who participate in the HCV program up to \$2,500 to help cover repair expenses net of any security deposit that was withheld for damages.
- PHA continued to update the online Owner Portal for participating HCV program owners and property managers. A new online Owner Application for owners was created to streamline the process for setting up their PHA account. For PHA Project Based Voucher owners, a new online application module was added allowing them to upload tenant applications and continue with the leasing process with PHA online.
- Leased Housing continued to upgrade the Inspection software that improves the inspection process for HCV owners, participants and HCV staff. IMS (Inspection Management System) streamlines and creates efficiencies for scheduling and routing inspection appointments using a set of parameters to maximize our HCV inspector daily routes. The system also provides real time view of inspector location and routes, two-hour inspection windows, and robo phone calls and emails made to the owner or tenant prior to any upcoming inspection, including same day notifications. Photos of all repairs found are also visible to the owner and tenant to assist with the resolution of repairs.
- PHA continued to implement Small Area Fair Market Rents (SAFMRs) which were first implemented in April 2018. SAFMRs allow PHA to establish multiple HCV payment subsidy standards at the zip code level, instead of utilizing single payment standards for the entire City. Adoption of SAFMRs is projected, over time, to assist HCV program participants to move from areas with high concentrations of poverty to higher opportunity areas that have better access to jobs, education and other services. Briefing sessions, landlord outreach and other materials were modified to reflect this significant change. PHA continues to closely monitor implementation to support leasing in higher opportunity areas, and to minimize any hardships to tenants and landlords in areas that have seen a decrease in rents as a result of SAFMRs.

- PHA continued its partnership with the Department of Veteran's Affairs (VA) to serve veterans, through the Veterans Administration Supportive Housing Program (VASH) program. The program provides rental assistance for homeless veterans through HUD funding, and offers case management and clinical services through the VA. A total of seven hundred and five (705) veterans were housed under the program, including (122) new homeless veterans who secured housing at a unit of their choice. Additionally, in December 2021, PHA was awarded twenty (20) new vouchers by HUD to further support housing to one of the most vulnerable populations in the city.
- PHA received a new award of seventy-five (75) Foster Youth to Independence vouchers in 2021. The FYI program serves youth under the age of 25 with a history of child welfare involvement for up to 36 months.
- PHA utilizes its MTW authority to support implementation of the Second Chance Housing Choice Voucher Pilot Program. The policy permits the provision of thirty (30) tenant-based vouchers for active participants in good standing with our partner agency, the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program. Housing voucher assistance is available to the participants for a period of up to two years, at which point the objective is for participants to transition off the program. PHA is pleased to report that three (3) new Second Chance participants leased their first unit during this reporting period.
- PHA's Housing Opportunity Program (HOP) continued its efforts to help voucher families move to higher opportunity areas even within the limitations of the COVID-19 pandemic. Program participants are provided with housing search, supportive services and other assistance to help make a successful transition. During this reporting period, HOP assisted twenty-five (25) HCV participants lease homes in opportunity areas.

Public Safety

The PHA Police Department (PHAPD) is responsible for public safety in PHA developments. This model is intended to provide "above baseline" policing services to PHA developments. In addition to deploying trained police officers to PHA sites using a community policing model, PHA manages private security contractors and collaborates with the Philadelphia Police Department (PPD) and other local law enforcement agencies to ensure coordination of investigatory and enforcement actions.

Officers and civilian staff work closely with PHA's resident leadership to ensure that resident priorities and concerns are addressed, including participating in quarterly Police Advisory Board meetings and attending community meetings at PHA developments throughout the year.

Consistent with citywide trends, crime statistics for CY 2021 indicate an increase in serious crimes compared to 2020, i.e. the number of Part 1 offenses increased from 384 to 435. PHA continues to work closely with PPD and other local law enforcement agencies – and to engage residents and the community at large – to implement strategies to break the cycle of violence that impacts Philadelphia's neighborhoods.

PHAPD has a strong working relationship with the PPD, which allows PHAPD to share information and systems. This coordination is instrumental in helping PHA's focused efforts in curtailing crime. A PHAPD representative attends regular planning meetings with the PPD. Weekly Shooting Review and Compstat Meetings are held with the PPD. Crime patterns from all areas, including PHA developments, are discussed, as well as any additional information regarding the investigation of particular crimes committed during the period being reviewed. PHAPD Commanders attend regular meetings with the District Captains and the PHAPD Investigations Unit maintains an ongoing relationship with PPD Homicide, State Parole, U.S. Marshals, PPD Special Victims Unit, the Drug Enforcement Administration, and the High Intensity Drug Trafficking Areas Program. PHAPD maintains the assignment of a PHAPD representative at the Regional Fusion Center, which includes the Delaware Valley Intelligence Center and Real-time Crime Center. This helps foster exchanges of information, improves communications between PHAPD and its law enforcement partners, and strengthens existing relationships.

PHA continues to invest and expand its Closed-Circuit Television Safety Monitoring System. There are more than one thousand (1,000) cameras across all PHA developments. Video is monitored and recorded for use at a later date as needed. The main goal is to establish a CCTV presence in both community and management areas allowing for surveillance of developments that PHAPD has noted to be of importance. The PHAPD communications center was designed and constructed utilizing state of the art technology and broadcast consoles to enhance radio room capabilities with respect to communication with the PHAPD officers and PHA residents.

PHAPD has implemented a policy of conducting Site Security Surveys for each PHA development and business office. These surveys provide a detailed critique of the overall site and help identify deficiencies in the overall security. Recommendations are given to enhance the security of the facilities and to provide a safe environment for residents and PHA employees. Follow up regarding the recommendations is performed throughout the year to help ensure that identified deficiencies are addressed.

PHA's crime prevention efforts involve collaborations with PHAPD and other PHA departments including RPP. As noted in the prior Act 130 Report, PHA has launched the Diversionary Initiative Program within the RPP Department to support residents who are at risk of becoming involved in the court system. With a focus on specific sites that have high rates of violence and trauma, the Diversionary Manager and site-based Liaisons meet regularly with residents about needs, engage community partners and work with PHAPD to bring in programs and partnerships that serve the community. The program aims to connect residents (especially young adults) to employment and career pathways including PHA's Workforce Center. To date, approximately 62 residents are participating in the program, primarily victims of gun violence or domestic violence. Liaisons are often involved in assisting residents with relocation to another site to ensure their safety, along with engaging with victim advocacy systems.

Audit and Compliance

The Office of Audit and Compliance (OAC) conducts internal audits, investigations, and compliance-related activities on an agency-wide basis. OAC works to identify and reduce risks, ensure that approved policies and procedures and applicable laws and regulations are followed throughout PHA, and safeguard the efficient and effective use of resources.

The following is a summary of OAC's internal organization and results achieved in FY 2022 (including data through February 2022):

- The Investigations Unit investigates allegations of fraud, corruption, official misconduct, conflicts of interest, abuse of authority and other criminal offenses with respect to employees, residents and persons or entities doing business with PHA. Throughout the year, the Investigations Unit received 346 complaints, which ultimately led to the investigation of 151 cases uncovering \$541,816.58 in fraud. Furthermore, PHA was awarded restitution or entered into repayment agreements that resulted in \$125,034.24. Finally, the OAC collected \$110,356.35 from repayment agreements for monies owed to PHA that would have otherwise gone uncollected. To date, the OAC has collected approximately \$1,469,784 in fraud recoveries, and plans to continue in its fraud prevention and collection efforts.
- The Internal Audit and Compliance Department assists PHA's management and the Board of Commissioners, through the Audit Committee, by determining the effectiveness of PHA's internal control systems. By conducting risk-based audits and reviews, PHA's Audit and Compliance functions provide reasonable assurance regarding compliance with laws, regulations, policies, and procedures; achievement of business objectives; reliability of financial and management reporting; and, safeguarding of assets. In FY 2022, OAC ensured PHA's efficient and transparent cooperation with and response to PHA's independent audit, Regional HUD Office, and the HUD Office of Inspector General inquiries and surveys. Internally, this department completed 6 internal audits & reviews, 9 Site Based Quality Assurance reviews and a host of other compliance-related activities to support efficient operations at PHA.
- The Wage Compliance Unit continued to work closely with PHA construction contractors to ensure that employees are paid federally-mandated wages while continuing to contribute to the construction and maintenance of affordable housing in the City of Philadelphia.
- The Section 3 Compliance Unit performed the necessary monitoring of PHA's Section 3 efforts to ensure that vendors who contract with PHA complete their HUD-mandated Section 3 obligations. In addition, on November 30, 2021, HUD enacted a new Section 3 regulation that made substantial changes to the Section 3 rule. Per the new rule, FY 2022 was a "transition year" for PHA, and the Section 3 Compliance Unit collaborated with various PHA departments to update PHA's CPP#10, as well as to update other policies and procedures to ensure compliance to the greatest extent feasible. In addition, the Section 3 Compliance Unit also continued to monitor PHA legacy contracts to ensure compliance with the previous Section 3 rule despite the fact that FY 2022 was a transition year.

Resident Programs & Partnerships

The Resident Programs & Partnerships (RPP) Department develops and implements a wide range of programs to respond to the supportive, employment, training and general needs of PHA residents. The overall goals are to support work-able residents in achieving economic self-sufficiency, assist youth in PHA, and collaborate with local educational institutions, social service agencies, health care providers and other stakeholders, to implement place-based and citywide resident programs.

RPP staff work closely with PHA's resident leadership to provide technical support to citywide and local resident organizations, including the Resident Advisory Board. PHA meets regularly with resident leadership to ensure continuous communications and resident input, including organizing monthly Resident Roundtables to discuss PHA initiatives and other topics of interest, and monthly Pre-Board Meetings to review and discuss matters scheduled to come before the PHA Board.

Over the course of the past year, PHA continued to enhance and implement a comprehensive array of resident education, employment, homeownership, supportive service and other programs.

PHA's Response to COVID-19

RPP continued to be at the heart of PHA's response to the pandemic in FY 2022, not only helping residents "get through it" but also coordinating vaccination drives to help residents begin to move beyond the immense challenges that were faced over the last two years. FY 2022 initiatives included:

- **Education & Early Childhood:** Amid major concerns about how the pandemic's impact on education could harm young children's brain development, RPP worked with ParentChild+ to develop and implement a virtual programming model to help support new parents and provide health academic enrichment to infants and toddlers, while ReadByFirst helped to distribute 5,000+ donated books to children in PHA homes. While public schools remained closed to in-person instruction, RPP also worked with the School District of Philadelphia to open and administer six Remote Learning Access Sites for youth to attend classes. PHA served over 100 students at these sites, and provided healthy breakfast and lunch meals daily.
- **Internet Accessibility:** RPP helped bridge the digital divide for PHA residents and ensure they were still able to take advantage of valuable programs and service. With the School District, RPP managed the installation of donated wireless "hot spots," as well as distributed Chromebooks and provided ongoing coordination and training for PHA Computer Lab monitors to provide on-site technical assistance for residents. RPP also worked hand-in-hand with the City of Philadelphia's PHLconnectED Program to ensure internet access for thousands of families across PHA sites.
- **Economic Support:** RPP worked closely with resident leadership and other partners to promote the City's Rent Relief program, and supported property managers in ensuring families had access to funds that would support rent balances.
- **COVID-19 Public Health Response:** RPP and the Black Doctors Consortium and Temple University worked to assist over 1,000 residents in becoming fully vaccinated. Another 200-plus residents have already received vaccine booster shots through RPP programs.
- **PHA Cares:** In partnership with Temple University and the Temple Lenfest Center for Community Partnerships, RPP administers the "PHA Cares" program at ten primary sites – Johnson Homes, Raymond Rosen, Norris Homes, Richard Allen Homes, Germantown Homes, Sharswood, Abbottsford Homes, Courtyard Apartments, West Park and Bartram Village – as well as four secondary sites – Lucien E. Blackwell, Oxford Village, Hill Creek and Strawberry Mansion. Through this initiative, residents and community members are hired as Community Health Workers to provide education and services while securing valuable job experience within the health care field.

PHA's Workforce Development Center

PHA's Workforce Development Center helps prepare residents for employment success along a career pathway, whether they are just starting out, looking to move into a better-paying position, or returning to the workforce after an absence. With all of the economic disruptions created by the COVID-19 pandemic over the last two years, the services offered by the Workforce Center were perhaps more valuable than ever before in 2021-22. More than 1,085 residents participated in virtual or phone-based workshops, orientations and seminars this year, with topics including Intro to Section 3, Homeownership Seminars, and Workforce Center Workshops; winter has been the busiest season yet for the Workforce Center, with over 600 residents participating in these services since October 1st alone. The Workforce Center is also a valuable resource for other PHA/RPP staff and resident leaders, with Workforce Navigators receiving hundreds of referrals from these sources in 2021-22:

Job Training and Adult Education Programs

Workforce Navigators can draw on a wide range of resources to help residents achieve their employment goals. In collaboration with PHA approved job training and adult education partners, in 2021-22, the PHA Workforce Center identified the correct "next step" for roughly 10% of residents served as referrals to partners based off the goals of the resident in job training and adult education. During the COVID-19 pandemic, many of these providers were struggling with shifts between in-person and virtual programming, and an important role for Workforce Center staff was to stress to enrollees that delays would occur with the current or future start of a training program but to keep the resident active with soft skills development activities (job search, budgeting, resume development, etc.). This chart highlights the number of residents referred to different partner programs:

FY2021-22 Workforce Enrollment Data	Number Enrolled
Temple University GED Program	4
Philadelphia OIC HiSet Program	1
CareerLink Job Training Program	13
Maturity Works	1
OIC Hospitality Training Program	6
PowerCORPS	7
Philabundance Culinary Arts	4
Rebuild-Carpentry Cohort	4
Community Health Worker	17
CVS Pharmacy Tech	30
TFAD-Construction Pre-Apprenticeship	9
Raymond Rosen Entry Level Trade Experience	9
CCI Appliance Repair Job Training	8
College Unbound	12
Total # of Residents Enrolled in Programming	125

Temple-Lenfest Job Training Programs at PHA

Through a partnership with Temple University's Lenfest North Philadelphia Workforce Initiative, PHA was awarded grant funding to directly sponsor the CVS Pharmacy Technician Training Program, CCI Appliance Repair Training Program, and Trades for a Difference Construction Pre-Apprenticeship program. As with all workforce development programs in 2021, these programs faced regular challenges and the need for adjustment in response to COVID-related issues.

As of March 15th, 2022, there are seven graduates of the CVS program who have received employment as a Pharmacy Technician, with an average starting rate of \$16.00/hour, full time and with benefits; there are six individuals (three PHA residents; three PHA Employees) continuing in the CCI program and on-track for successfully completing, graduating and becoming certified in Appliance Repair; and, there are seven individuals tied to an employer through the TFAD Pre-Apprenticeship program, where the average starting rate is \$18.00/hour.

PHA's Section 3 Resource Center

One of RPP's most exciting new initiatives is the expansion of the Section 3 Resource Center to better-connect residents with Section 3 employment opportunities at PHA and with PHA contractors. On April 1, 2021, the Section 3 Resource Center started its first PHA Entrepreneurship Fellowship cohort with 14 PHA residents (10 HCV residents; 4 Public housing residents). The Fellowship provides individualized attention to each cohort member in their entrepreneurship pathway to starting, creating, building, or sustaining their business model/plan. Each participant must complete a 6 month program with the Section 3 Resource Center, during which they must complete various modules that pertain to their business model and complete a series of related courses.

The cohort will graduate from the fellowship if participants attend 75% or more of the assigned workshops, trainings and meetings as indicated in the syllabus. Also, graduates from the PHA Entrepreneurship Fellowship will be eligible to receive seed money to support startup costs; priority access to the Resident Advisory Board Incubator; potential opportunity to access commercial space to develop and grow business model will be considered if space is available; and, assistance for business startup investments including licensing, business entity registration and certifications.

A total of 121 residents applied to the first Fellowship cohort, of which 16 were accepted; 12 (75%) of those first cohort Fellows remain on-track for completion. Cohort 2 had an even larger application pool (182), with 21 accepted and still currently enrolled; 16 are on-track for successful completion as of this report, but the Section 3 Resource Center team will continue to try and support all 21 in achieving their goals.

PHA's Section 3 Job Bank

The Section 3 Job Bank also remains a popular and productive source of economic opportunity for residents. PHA posted 143 positions in the job bank, along with 96 from PHA contractors for a total of 239 openings. Section 3 candidates filled 164 of those positions, with 1,455 total referrals from the Section 3 resource center over the course of 2021.

PHA's Jobs Plus Program

PHA was awarded a second competitive \$2.98 million Jobs Plus grant to provide multiyear, comprehensive employment readiness, training, and placement services to Wilson Park residents.

Family Self-Sufficiency (FSS) Program

FSS is an important initiative of the PHA Workforce Center, which allows PHA residents to create a financial savings account based on increased PHA rent triggered by increased earned household income. There are 994 active participants in the FSS program, including 270 new enrollees into the program for the calendar year of 2021. PHA's FSS Partners at Compass Working Capital have received a major, multi-year grant award from the Pew Charitable Trusts, and are working on a plan to significantly grow FSS enrollment over the remainder of 2022. In light of the continued economic stresses caused by the COVID-19 pandemic, FSS also offered emergency disbursements from residents' escrow accounts to provide them with economic support.

Diversionsary Programs

Community violence was a major issue for many Philadelphians this year, and RPP worked with PHAPD and new partners to help ensure residents were connected to much-needed trauma-informed services. The Diversionsary Initiative is a new program within RPP that responds to violence and trauma-impacted PHA residents, designed in response to the needs and concerns voiced by residents. Their core mission is to connect residents with trauma-informed resources to counteract the negative effects of violence in PHA communities, and create partnerships and opportunities to reduce criminal activities of at-risk residents.

Youth Enrichment Programming

PHA's youth programs help youth (ages 5-18) develop the education, motivation, self-confidence and work skills necessary to succeed in life. These youth programs embody teamwork, self-discipline, determination, commitment, dedication, ambition and responsibility. PHA believes that youth are a valuable and underutilized resource in our society, and that given the opportunity, youth can and will take responsibility for themselves and their communities. FY 2022 youth initiatives included:

- Afterschool Programs: Afterschool programming were administered at seven PHA family sites; programming runs Monday through Friday, for three hours each day. The four standards of PHA programs are: homework assistance, recreation, services learning projects and community service.
- Mighty Writers: This program operates at two PHA sites and engages youth through writing and programming to encourage critical and creative thinking. These programs include writing workshops focused on a range of topics, poetry, comic book development, college essay writing, and more.
- Summer Youth WorkReady: In partnership with the Philadelphia Youth Network, PHA places high school youth in management offices, administrative offices and within PHA summer camps. Youth work 20 hours per week and participate in professional development. The program served over 50 youth this summer.
- Lucien E. Blackwell Center Activities: RPP installed playful learning interactive play areas outside the building funded by KaBoom!, a national non-profit committed to ending play space inequity, and continued supporting a wide range of exciting programming in collaboration with Philadelphia Parks & Recreation. In 2022-23, additional investments in playful learning landscapes at multiple sites are already in the pipeline as a new area of focus for RPP.
- PHA Youth Ambassadors: 10 PHA youth participate in weekly programming organized by the Resident Advisory Board. Youth volunteer at PHA events and support initiatives at sites including recruiting other youth for employment, and programming.
- President's Circle: The President's Circle is a team of 10-15 high school and middle school students who work closely with PHA's Youth Programming Team and senior staff to integrate "youth voices" into PHA's program designs and strategies.

Human Resources

PHA remains committed to recruiting, training, and retaining a diverse and highly qualified work force led by the Office of Human Resources (HR). Highlights of HR initiatives in FY 2022 include:

Staffing and Off Boarding

Over the course of the year, HR was responsible for recruiting, interviewing and hiring 338 new employees. There were 377 unique separations from the organization. These numbers reflect a high volume of recruitment activity during a very tumultuous year. Of the 338 new employees, 69 of those employees qualified as Section 3 residents. Of the 69 Section 3 qualified hires, 12 are PHA residents.

Training Delivered to Employees

HR delivered, or coordinated employee trainings over the course of the year, including:

- Uniform Physical Condition Standards (UPCS)
- Forklift Training
- Lead Supervisor Recertification,
- Enterprise Income Verification (EIV)
- New Hire Orientation

Employee COVID-19 Vaccination Initiative

HR spearheaded an employee vaccination campaign which yielded an incredibly positive response. Subsequently, PHA initiated a mandatory COVID-19 vaccination requirement. Implementation of the COVID-19 Vaccination Policy culminated in 100% vaccination policy compliance, and a 97% vaccination rate.

PHA Return to Work Plan

HR led the charge to return employees to on-site work in August 2021 following a revision to City of Philadelphia COVID-19 restrictions.

Alternative Work Schedule Program

PHA is committed to assisting employees to manage the demands of work, family, and life-related issues. To this end, HR developed an Alternative Work Schedule Program. Alternative work solutions were developed during the COVID-19 pandemic which resulted in a policy that provides business unit heads the ability to permit staff, in certain positions, flexibility to work remotely, or to stagger business unit work schedules, or to compress the work week, as long as business needs can be effectively met. These arrangements now provide employees with increased flexibility with their work schedule while allowing PHA to maintain a progressive and productive work environment.

Partnership with the College Unbound Program

PHA implemented a partnership with College Unbound (CU), a nonprofit, independent college that serves working adults who are pursuing college to earn their first four year degree. CU has earned candidacy for accreditation and is qualified to participate in federal Title IV student financial aid programs. CU focuses on adult learners who have faced significant barriers to attending college. CU coordinates courses, field studies, and in-depth project work to help students develop field-specific knowledge and skills that encourage deep learning and fills a unique niche in postsecondary education for adult learners with program designed around an innovative, personalized, interest/project-based curriculum model. The program enables eligible PHA employees to complete their bachelor's degree, anchored in workplace learning, while working full time. HR was responsible for facilitating and coordinating the outreach and initial employee engagement on behalf of CU. This inaugural offering yielded four employee enrollments for the program. The Tuition Reimbursement Program is an employee benefit to which participants could apply in order to reduce the out of pocket cost of attendance.

Summer Foods Program

HR coordinated the staffing of the annual Summer Foods Program at a level that allowed for the program to continue during COVID-19 pandemic, albeit not at the full capacity, due to an applicant pool which was significantly reduced in comparison to prior years. The Summer Foods Program provides breakfast and lunch to children at certain sites and is staffed by PHA residents.

Retirement Information Sessions

HR coordinated information sessions to provide information to employees on their retirement savings plans at PHA and the Social Security Administration.

Supply Chain

PHA's Supply Chain Management Department coordinates all purchasing, contracting and warehouse functions. PHA actively encourages the involvement of Minority Business Enterprises/Women-Owned Business Enterprises (MBE/WBE) and Philadelphia-based businesses and ensures compliance with HUD's Section 3 requirements related to hiring and contracting eligible businesses and residents.

In FY 2022, PHA achieved an MBE participation rate of 36% and a WBE participation rate of 14%. Philadelphia businesses and organizations received 34.3% of the total PHA contracted procurement spend of \$102.8 million. In terms of disbursements, Philadelphia-based vendors received \$107.5 million out of total disbursements of \$211 million.

PHA continued to work closely with Chambers of Commerce to outreach to local vendors. PHA also continued to work with the City's Procurement Department and Department of Sustainability and the School District's Procurement Department to share MBE/WBE lists and contract information. In FY2022, PHA also implemented the use of Bonfire Strategic Sourcing software to streamline the sourcing process, improve transparency and expand outreach.

Information Systems

The Information Systems Management (ISM) Department is responsible for the design and management of PHA's software, network, and technology support functions. Major projects undertaken by ISM in FY 2022 included:

- Implemented and deployed an HCV Customer Portal web based application that will allow all HCV Clients to communicate with PHA. Functionality of the application includes interim requests, voucher extensions, 504 requests, voucher transfers, etc. Other information available for clients to view includes recertification dates, inspection status and schedules, requests to schedule or change appointments for voucher briefings, etc.
- Rolled out an automated telephone call system that delivers recorded messages to public housing residents to inform them of rent balances and late fees on a monthly basis.
- Implemented system to track all units that were remediated for lead paint and require periodic reinspections to ensure ongoing compliance, health and safety.
- Configured HR system to support and track PHA's Alternative Work Schedule Policy.
- Built initial version of a Diversionary Initiative case management system which creates, tracks and maintains information on all cases handled by the Diversionary Initiative program.
- Implemented and deployed Rent Repayment Agreement for PAPMC/AMPB clients.
- Enhanced systems to track PHA-owned units that are no longer public housing for land bank and other tracking purposes.
- Implemented a broad range of software enhancements to support the work of various PHA departments including HR, Operations, Budget, Admissions and others.
- Modified software to support compliance with recent HUD requirements including those related to COVID-19 waivers and other policy areas.
- Implemented a new asset management mobile device to capture and record information on new and existing PHA assets.
- Implemented enhancements and upgrades to PHA's network to improve performance, ensure ongoing compatibility and promote a secure, well-functioning network.
- Established the Virtual Desktop Infrastructure (VDI), which is able to host more than 100 concurrent end user sessions for times when there are limited resources. This allows employees to use non-PHA devices to securely connect to PHA's network and services.
- Proactively enhanced network security and responded to potential cyber threats through a series of improvements/upgrades to servers, firewalls, network switches, workstations and other components.

CHAPTER IV- LEGAL

PHA's Office of General Counsel (OGC) is responsible for ensuring that PHA receives the highest standard of legal representation. The department provides legal advice on a wide range of matters, including: interpreting applicable federal, state, and local laws, including HUD's rules and regulations; reporting to HUD and the Board of Commissioners; representing PHA in legal disputes and litigation; handling Pa. Right-to-Know Law requests; providing administrative hearings for both residents and employees; counseling other departments on corporate, real estate, labor and employment, and regulatory compliance matters; closing development and financing transactions; administering the Boards and Managers of PHA's controlled entities and the PHA Board; managing outside counsel; being responsible for records management guidance; and advising on ethics matters. OGC also manages PHA's insurance and risk management functions.

Over the past fiscal year, the OGC successfully advanced many essential business matters for the housing authority. The following are some highlights of PHA's legal affairs in FY 2022:

Rental Assistance Demonstration (RAD)

The RAD program is critical to PHA's capital redevelopment program and financial viability. OGC's efforts were integral to completing the financing of several transactions including new phases of the Sharswood/Blumberg and North Central initiatives, which were RAD transactions.

Philadelphia Community Land Trust

As noted in the prior Act 130 Report, in FY 2021, OGC successfully negotiated the peaceful closure of the homeless encampment next to PHA's Headquarters on Ridge Avenue. During FY 2022, OGC continued to work with encampment leaders on homelessness and related issues including the creation of the Philadelphia Community Land Trust (PCLT). Two scattered-site RAD units on Westmont Street in Strawberry Mansion, whose assistance had been transferred to other affordable housing developments, were transferred to the PCLT. Another result of the end of the homeless encampments was the creation of PHA's Community Choice Registration Program.

Community Choice Registration Program (CCRP)

OGC has developed and released a registration program for not-for-profit community organizations interested in obtaining PHA's vacant scattered sites properties. The CCRP will allow for the transfer of vacant scattered sites to community groups for the creation of much needed affordable housing opportunities. The CCRP is part of a broad strategy to reposition PHA's large inventory of scattered site portfolio.

Affordable Housing Partnerships

OGC continued to work closely with various HUD departments to obtain required approvals to transfer property for nominal value to various partners across the City to support the development or rehabilitation of affordable rental and homeownership housing.

ACOP/Admin Plan and Lease Updates

OGC initiated the successful revision of the public housing lease, public housing Admissions and Continued Occupancy Policy (ACOP) and Housing Choice Voucher Administrative Plan (Admin Plan) and provided guidance to departments for enhanced compliance with policies, procedures, laws and regulations, including in the areas of procurement, PHA's utility allowance program, admissions and wait lists, continued occupancy and family unification for individuals impacted by the criminal justice system and reasonable accommodations.

Litigation

Working together with Risk Management, Operations, and the Human Resources departments, claims filed against PHA in FY 2022 continued to decrease, including personal injury lawsuits. PHA's litigation team worked to reduce lease enforcement activities during the pandemic and to increase rent payment without going to court by meeting with tenants at PHA developments to enter into repayment agreements

Risk Management

The Risk Management Division's loss control initiatives have continued to save PHA funds and enhance the safety of PHA's employees and residents, by providing training in areas such as defensive driving, ladder safety, lifting, slips and falls, and fire safety. The success of these efforts is demonstrated in part by the significant decline in PHA's incurred workers compensation claims cost.

Grievance Hearings and Right-to-Know Law response in Pandemic Times

Despite the staffing and other challenges presented by the pandemic, PHA continued on track for its public housing grievance hearings and its processing and responding to requests for records made under the Pa. Right-to-Know Law.

CHAPTER V – FINANCE

PHA's financial position remains sound and continues to improve through prudent fiscal management, coupled with streamlining and cost reduction efforts taken over the past several years, including the consolidation of office space resulting from the Headquarters move. In July 2021, S&P Global Ratings raised its issuer credit rating (ICR) on PHA and its rating on PHA's series 2017 revenue bonds one notch to 'AA-' from 'A+'. The outlook is "stable". The rating action also reflects S&P Global Ratings opinion of PHA's improved financial performance recently with an adjusted-EBITDA-to-adjusted-operating-revenue ratio that now averages about 28% during fiscal years 2020–2024. PHA received high scores on the Main Rating Factors specifically industry risk, regulatory framework, management and governance, enterprise risk profile, debt profile, liquidity, and financial risk profile. S&P Global Ratings further stated that "the rating also reflects our opinion of PHA's:

- Very strong management and governance, demonstrated by its strategic planning that contains specific financial and operational goals, with benchmarks for meeting those goals, as well as financial flexibility derived from its "moving-to-work" (MTW) program status since 2001;
- Extremely strong debt profile and very strong liquidity as PHA's experienced senior leadership has kept debt exposure limited relative to EBITDA trends while maintaining sufficient liquidity sources;
- Adequate financial performance, which is an improvement from a five-year average adjusted-EBITDA-to-adjusted-operating-revenue ratio of nearly 20% during our last review, and 15% from our prior review; and
- Adequate market dependencies with low rent relative to market rent for affordable units, coupled with vacancies that doubled recently to about 8%; however, PHA is working to bring those units back online and fill them with tenants.

Appendix A includes the most recent audited Financial Report available for PHA, which covers Fiscal Year 2021.

Pennsylvania State law requires that all general-purpose local governments and component units publish a complete set of financial statements, presented in conformity with generally accepted accounting principles in the U.S. (GAAP) and audited in accordance with generally accepted auditing standards (GAAS) by a firm of licensed certified public accountants. RSM US LLP, audited PHA's financial statements to complete a Comprehensive Annual Financial Report of PHA for the fiscal year ended March 31, 2021.

The report contained management's representations concerning PHA's finances. Consequently, management assumes full responsibility for the completeness and reliability of all information presented therein. To provide a reasonable basis for making these representations, management of PHA has established a comprehensive internal control framework that is intended to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of PHA's financial statements, in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, PHA's comprehensive framework of internal controls is designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement.

The goal of the independent audit was to provide reasonable assurance that the financial statements of PHA for the fiscal year ended March 31, 2021 are free of material misstatement. The independent audit involved examining on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that PHA's financial statements for the fiscal year ended March 31, 2021 are fairly presented in conformity with GAAP.

CHAPTER VI – PLANNED INITIATIVES FOR FY 2023

For informational purposes, PHA incorporates summaries of planned major activities and initiatives for the next fiscal year as part of the Act 130 Report. As noted, PHA is a Moving to Work (MTW) agency. PHA's MTW Annual Plan for Fiscal Year 2023, which has been approved by the PHA Board of Commissioners and is awaiting approval by HUD, is incorporated in its entirety as Appendix B of this Act 130 Report. This chapter provides a summary of PHA's major planned initiatives for FY 2023 as further described in the MTW Annual Plan.

Background on MTW

Moving to Work is a demonstration program authorized by Congress, through which PHA and other participating agencies have the flexibility to waive certain statutes and HUD regulations to design and test approaches for providing housing assistance that address one or more of the following statutory objectives:

- Reduce cost and achieve greater cost effectiveness in federal expenditures;
- Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and
- Increase housing choices for low-income families.

Through MTW, PHA is able to waive certain HUD regulations and provisions of the U.S. Housing Act of 1937 and to combine its major HUD funding sources into a single MTW Block Grant that can be used flexibly for purposes authorized under the MTW Agreement. PHA's current MTW Agreement extends until 2028.

PHA posts the MTW Annual Plans on its website and provides opportunities for resident and general public input before finalizing each Annual Plan. MTW Annual Plans are subject to HUD approval. The FY 2023 MTW Annual Plan was submitted to HUD in December 2021 and is awaiting HUD approval. PHA's MTW Annual Reports are published ninety days after the end of each fiscal year. Thus, the MTW Annual Report for FY 2022 will be available for review on or after June 30, 2022.

Summary of Initiatives Planned for FY 2023

The following narrative, prepared in December 2021, provides a summary of PHA's planned MTW initiatives for the next fiscal year. PHA will implement a coordinated, comprehensive program of capital improvements, housing and neighborhood development activities, maintenance and management initiatives, and resident supportive services in FY 2023. As PHA's funding for the period is unknown as of the publication date of the MTW Annual Plan, the activities described may be modified based on actual funding levels. Highlights of PHA's planned MTW activities include:

- Affordable Housing Preservation and Development – PHA's overarching goal is to preserve and expand the supply of affordable housing in Philadelphia. Towards this end, PHA will continue to implement a series of focused initiatives to develop, acquire or preserve affordable housing in the City of Philadelphia including PHA's Unit Based Leasing and Development Program; Rental Assistance Demonstration (RAD) Program conversions, transfer of assistance and "Faircloth to RAD" new developments; and the Partnership Initiative to develop new permanently affordable public housing units. This involves several strategies including PHA-developed projects that provide for redevelopment and/or replacement of obsolete properties; initiatives to ensure the long-term affordability of Low Income Housing Tax Credit (LIHTC) properties; and partnerships with the City, non-profit agencies and local developers on new construction, acquisition and substantial rehabilitation projects. In FY 2023, PHA will continue to collaborate with partners to develop ten (10) new public housing developments, with a total of 334 units. An estimated \$148 million in other funds will be leveraged by these projects. Under the MTW Unit Based Leasing and Development Program (UBV), PHA plans to enter into long-term subsidy contracts for an additional 752 units in FY 2023, a figure that includes planned RAD conversions and other development initiatives.
- Neighborhood Transformation at Blumberg/Sharswood – The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. Funded in part by a \$30 million HUD grant, the Plan calls for development of 1,203 units of mixed-income housing, including affordable rentals and homeownership units. To date, a total of 254 housing units have been completed. By the end of FY 2023, PHA projects that all of the planned rental housing and a majority of planned homeownership units will be either completed or under construction including: three rental phases with 336 units developed by Hunt-Pennrose; two rental phases with 123 units developed by PHA; approximately 174 new construction homeownership units; two neighborhood

partner developments (Reynolds School, Harlan Street) with a total of 108 new rental units; and, a \$53 million mixed-use housing and retail complex that is currently under construction that will include a grocery store, bank, urgent care health center and other retail services needed by the community. In addition to this housing activity, construction and occupancy of the new PHA Headquarters Building was completed in January 2019. The Vaux Community Building has been substantially rehabilitated and is now the site of PHA's Workforce Center, a Section 3 Resource Center, a neighborhood high school operated by Big Picture Schools, a new nurse-managed health clinic operated by Temple University School of Public Health, a CVS training facility, resident business incubator and other community services. In FY 2023, PHA will continue to support after school and supportive service programming for low-income youth attending the new Big Picture Philadelphia High School in the Vaux Community Building.

- **Rental Assistance Demonstration (RAD)** – In FY 2023, PHA will continue its efforts to preserve existing public housing developments, reposition the scattered site portfolio and expand housing opportunities through the Rental Assistance Demonstration (RAD) program. PHA utilizes its MTW Block Grant and MTW programmatic flexibility to support RAD conversions. This includes transferring subsidies through the RAD “transfer of assistance” provision from vacant, non-viable scattered sites to new projects developed throughout the City by PHA and other development partners. PHA will expand its RAD activities by utilizing HUD’s new “Faircloth to RAD” initiative to expand the supply of affordable housing. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program. In FY 2023, PHA plans to undertake conversion of an additional 1,101 public housing units (including scattered site units that are currently vacant and uninhabitable) to project-based assistance through RAD.
- **Workforce Development, Youth Development & Other Supportive Services** – PHA will continue to provide youth development, adult education, employment and training, financial literacy and nutritional services made possible through MTW Block Grant funding. To meet PHA’s long-term goal of supporting resident economic independence, the PHA Workforce Development Program at the Vaux Community Building will continue to offer a “one stop shop” for job readiness, job training and placement, homeownership and other related services. PHA will engage partners to develop and deliver workforce development and training programs to residents, such as the CVS Learning Lab at Vaux. PHA will also continue to offer supportive services, including workforce development and service coordination, through place-based initiatives at developments including Wilson Park and Norris North Central. PHA will also continue its support for families and children, providing out-of-school time and preschool programs as well as employment for youth through the Summer Jobs program.
- **Sponsor-Based Shared Housing Pilot** - PHA will continue to implement a new pilot program to expand housing options for homeless individuals and other hard to serve special populations, which builds on and enhances the ongoing collaboration between the City and PHA to reduce homelessness through the “Blueprint to End Homelessness” initiative. In FY 2023, PHA will provide housing opportunities to eligible low-income students as a result of a new partnership with the Community College of Philadelphia.
- **HCV Mobility Program** – The overall goal of PHA’s Mobility Program is to encourage voucher holders to find housing and jobs in areas that provide higher economic, educational, and social mobility opportunities both within and outside of the City of Philadelphia. Due to the program’s success, PHA will use MTW funding to continue and expand the pilot program. Mobility Counselors will continue to provide a broad range of supportive services and housing counseling to voucher-holders and conduct landlord outreach in order to promote the successful transition of families to higher opportunity areas.
- **Homeownership** – PHA will continue to develop and implement first-time homeownership initiatives under the MTW Opening Doors to Affordable Homeownership Program (ODAHP). ODAHP consolidates the existing Section 5h and HCV Homeownership programs with new homeownership initiatives that provide additional financing support for first-time homeowners. Soft-second mortgage and down payment assistance will be offered to eligible participants, in addition to homeownership counseling and support. Leveraging FHA’s 203(k) Rehabilitation program, PHA will also encourage eligible participants to purchase and rehabilitate selected Public Housing scattered site units. Overall, PHA projects that 60 low-income households will become first time homebuyers in FY 2023. As part of these efforts, PHA plans to allocate up to five (5) homeownership vouchers for Public Housing participants who graduate from the Jobs Plus program.

- Second Chance Initiative – PHA will continue to implement a voucher pilot program to provide supportive services and housing subsidies to formerly incarcerated returning citizens that are active participants in good standing with the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and Mayor’s Office of Reintegration Services (RISE) Program. PHA will continue to provide for extensions to the two-year program term for STAR/RISE participants impacted by the economic and health emergencies caused by the COVID-19 pandemic. This activity also involves a pilot initiative with the Pennsylvania First Judicial Court’s MENTOR program to allow up to twenty (20) qualified returning citizens who are referred by and working with the MENTOR program to move in with existing PHA public housing households. The PHA household must be in good standing and willing to add a MENTOR program participant to the lease. This will help to re-unite families, prevent homelessness and, hopefully, interrupt the cycle of recidivism.
- Family Self-Sufficiency – PHA will continue to implement a local MTW Family Self-Sufficiency (FSS) program that streamlines program requirements and expands the program. In FY 2023, PHA anticipates adding 100 new families to the MTW FSS program, bringing the total number of families served to 500.
- Nursing Home Transition – The Nursing Home Transition Program provides housing opportunities for persons with disabilities who are transitioning from nursing home to community-based settings.

PHA will periodically review and revise ongoing initiatives as needed in response to current conditions and priorities and to take advantage of new/emerging opportunities.

APPENDIX A

ANNUAL AUDITED FINANCIAL REPORT

The Act 130 Report is due on April 30 of each year for PHA's prior fiscal year ending on March 31. The following report is for the most recently completed audit period (Fiscal Year 2021). Audited financial reports for FY 2022 will be available later in calendar year 2022 and will be incorporated into the FY 2023 Act 130 Report.

**PHILADELPHIA HOUSING AUTHORITY
ANNUAL FINANCIAL REPORT
TRANSMITTAL LETTER**

September 30, 2021

To the Board of Commissioners, Citizens and Clients of the Philadelphia Housing Authority:

We are pleased to present the Philadelphia Housing Authority ("PHA" or the "Authority") Comprehensive Annual Financial Report for the fiscal year ended March 31, 2021. This report was prepared by PHA's Finance staff and financial statements have been audited by RSM US LLP, a firm of licensed certified public accountants.

Pennsylvania State law requires that all general-purpose local governments and component units publish a complete set of financial statements presented in conformity with Generally Accepted Accounting Principles in the United States of America ("GAAP") and audited in accordance with Generally Accepted Auditing Standards ("GAAS") by a firm of licensed certified public accountants.

This report consists of management's representations concerning the finances of PHA. Consequently, management assumes full responsibility for the completeness and reliability of all information presented in this report. To provide a reasonable basis for making these representations, PHA management established a comprehensive internal control framework that is designed both to protect the Authority's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of PHA's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, PHA's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The goal of the independent audit was to provide reasonable assurance that PHA's financial statements for the fiscal year ended March 31, 2021 are free of material misstatement.

The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that PHA's financial statements for the fiscal year ended March 31, 2021, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of PHA was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies.

The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the Authority's internal controls and compliance, with special emphasis on internal controls, legal requirements and compliance involving the administration of federal awards. These reports are available in the Single Audit Section of PHA's Financial Report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis ("MD&A"). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. PHA's MD&A can be found beginning on page 19.

Profile and Background of the Philadelphia Housing Authority

PHA, created in 1937 pursuant to the Pennsylvania Housing Authorities Law, is the fourth largest housing authority in the country with conventional units and the largest scattered site inventory.

In FY 2021, PHA provided housing to approximately 11,900 low-income households in public housing developments and scattered sites units in the City of Philadelphia. Through the Housing Choice Voucher Program, which also includes former public housing units that have been converted to project-based assistance under the Rental Assistance Demonstration program, PHA assisted approximately 17,600 low-income households in locating and renting housing in privately owned properties. The number of households served by PHA varies over time based on numerous factors including occupancy of new developments; redevelopment, including demolition, disposition, construction and relocation timetables; award of new special purpose and/or other voucher allocations; lease up success rates; and other factors.

The federal government exerts a major influence on the nation's housing and development activity, a role that has its roots in the 1930s. Over the past 80 years, Washington has developed a variety of programs and policies to support housing production, revitalize cities, and expand housing opportunities for low- and moderate-income homebuyers and renters.

PHA provides low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the U.S. Department of Housing and Urban Development (HUD) and other federal agencies. The following major federal housing laws constitute the primary regulatory framework within which PHA provides subsidized housing in accordance with current HUD regulations:

- The National Housing Act, passed in 1934, was the first landmark housing law of the New Deal era. It created the Federal Housing Administration (FHA), whose mission was to stimulate housing activity by insuring mortgages made by private lenders.

- The United States Housing Act of 1937 created the public housing program. Like the National Housing Act, the U.S. Housing Act has been amended many times, including a comprehensive revision in 1974.
- In the Housing Act of 1949, Congress established a national housing policy with three objectives: (1) eliminating housing shortages through housing production and related community development, (2) clearing slums and blighted areas, and (3) achieving the goal of "a decent home and a suitable living environment for every American family."
- In 1965, Congress passed a law to create the U.S. Department of Housing and Urban Development (HUD). In addition, closely related legislation was passed in 1965, which created the rent supplement program to subsidize the rents of low-income households in private housing.
- One of the landmark housing laws of the post-World War II era, the Housing and Urban Development Act of 1968 created two major subsidy programs, the Section 235 home purchase program and the Section 236 rent subsidy program.
- The Housing and Community Development Act of 1974 rewrote the U.S. Housing Act of 1937, revising the public housing program and creating the Section 8 rent subsidy program. Under Section 8, low-income tenants pay a fixed portion of their income for rent in privately owned housing and HUD covers the difference between the tenant payment and the fair market rent for the unit.
- The Housing and Community Development Act of 1987 made several changes to the public housing program. These included converting development funding from loans supported by annual contract payments to up-front grants, requiring public housing authorities to submit comprehensive plans to receive modernization funds, and adding provisions for resident management and ownership. For Section 8, the 1987 act made vouchers a permanent program, rather than a demonstration; provided portability for certificates and vouchers, allowing families to take their subsidies with them if they moved within the same or a contiguous metropolitan area; and authorized PHAs to commit up to fifteen (15%) percent of their certificate funding to specific projects.
- The National Affordable Housing Act of 1990 created the Homeownership and Opportunity for People Everywhere (HOPE) program, which was designed to encourage the use of government-owned or government-financed housing for low-income home ownership.
- For public housing, the Housing and Community Development Act of 1992 included provisions to reduce vacancies and improve severely depressed projects. The Section 8 provisions included authorization to use vouchers or certificates for home ownership, and a Moving to Opportunity demonstration program to help families living in subsidized projects to move out of areas with high concentrations of poverty, and into areas offering greater opportunities for employment, education, and lower poverty.

- Public housing reform is represented through the Quality Housing and Work Responsibility Act of 1998 (QHWRA). QHWRA was signed by President Clinton on October 21, 1998 and is found in Title V of HUD's FY1999 appropriations act (P.L. 105-276). QHWRA's goals include:
 - Reducing the concentration of poverty in public housing;
 - Protecting access to housing assistance for the poorest families;
 - Supporting families making the transition from welfare to work;
 - Raising performance standards for public housing agencies, and rewarding high performance;
 - Transforming the public housing stock through new policies and procedures for demolition and replacement and mixed-finance projects, and through authorizing the HOPE VI revitalization program;
 - Merging and reforming the Section 8 certificate and voucher programs, and allowing public housing agencies to implement a Section 8 homeownership program; and
 - Supporting HUD management reform efficiencies through deregulation and streamlining and program consolidation.

Under QHWRA and, where applicable, the Moving to Work (MTW) Agreement between PHA and HUD as further described below, PHA has established a system of site-based waiting lists, consistent with all applicable civil rights and fair housing laws. PHA has set a minimum monthly rent of \$50 for residents in public housing, the Housing Choice Voucher Program and Moderate Rehabilitation developments. Exceptions to payment of minimum rent may be made by the PHA for families in hardship circumstances.

QHWRA also allows PHA to terminate the leases of residents of public housing and tenant-based Housing Choice Voucher assistance and be subject to expedited eviction (after an expedited grievance process) for violent or drug-related criminal activity and felony convictions.

- The Housing Opportunities through Modernization Act (HOTMA) was signed into law by President Obama in 2016. HOTMA amends the United States Housing Act of 1937 and other housing laws to modify the public housing, Housing Choice Voucher and other federal housing programs. HOTMA includes a combination of provisions that became effective upon the law's signing and other provisions that require HUD to first issue a notice or regulation before becoming effective.

- Congress has dealt with substantive housing issues in other legislation, including a number of significant housing and development programs created through tax legislation, such as: (1) the mortgage revenue bond and mortgage credit certificate programs, to provide subsidized financing for first-time home buyers; (2) the low income housing tax credit program, which has become the nation's major low income housing production program; and (3) the empowerment zone and enterprise community program, which provides tax incentives to encourage development in distressed urban and rural areas.
- In Fiscal Year 2020, Congress passed the Coronavirus Aid, Relief and Economic Security (CARES) Act which provides supplemental funding for public housing and Housing Choice Voucher programs, along with broad authority to the Secretary of HUD to waive program regulations in response to the Covid-19 pandemic. HUD has issued notices and guidance related to implementation of allowable CARES Act waivers, and PHA has subsequently implemented allowable waivers in accordance with HUD requirements and its MTW Agreement.

Governing Body:

Pursuant to Pennsylvania state law, the PHA Board of Commissioners consists of nine (9) members nominated by the Mayor of Philadelphia, subject to approval by the City Council. Two of the Commissioners are PHA residents. Prior to their seating, all Board members are required to complete extensive training from PHA, including sessions on public housing management, Ethical Conduct, Conflict of Interest, EEO and the Fair Housing Act. The Board provides policy guidance and oversight of PHA's operations. As of March 31, 2021, the Board consisted of nine (9) Commissioners, pending the appointment of a ninth member to fill a vacancy that occurred during the fiscal year.

The members of PHA's Board of Commissioners for the fiscal year ended March 31, 2021 were:

- 1) ***Lynette M. Brown-Sow*** – **Board Chair** – Former Vice President of Marketing and Government Relations for Community College of Philadelphia;
- 2) ***Herbert Wetzel*** – **Board Vice Chair** – Executive Director of Housing and Community Development for City Council;
- 3) ***Leslie D. Callahan, PhD*** – Pastor of St. Paul's Baptist Church in North Philadelphia;
- 4) ***Rev. Bonnie Camarda*** – Director of Partnerships for the Salvation Army of Eastern Pennsylvania and Delaware;
- 5) ***Asia Coney*** – President of PHA's Resident Advisory Board;
- 6) ***Belinda Mayo*** - Former Director of Neighborhood Program Coordination and Community Development at the City of Philadelphia Office of Housing and Community Development from 1987 through 2016;

- 7) ***Frederick S. Purnell, Sr.*** – Former Deputy Director for Housing and Community Development for the City of Philadelphia;
- 8) ***Ismail A. Shahid*** - Founding partner of SUPRA Office Solutions, Inc., a Philadelphia-based, national supplier which is certified MBE, DBE and as a HUBZone business, and
- 9) ***Ethel Wise*** – President of the Wilson Park Family Resident Council.

Moving To Work

PHA has been a participant in the Moving to Work (MTW) program since 2001. The current MTW Agreement between HUD and PHA extends through FY 2028. MTW is a national demonstration program by Congress that allows a limited number of Public Housing Authorities to combine Public Housing Operating Fund, Capital Fund and Housing Choice Voucher Program funds into a Block Grant and to waive certain regulations and statutes subject to HUD approval. The MTW Agreement also defines the formulas relevant to PHA's eligibility for Public Housing Operating Fund, Capital Fund and Housing Choice Voucher Program funds.

Activities that utilize MTW flexibility must promote one or more of the MTW statutory objectives, which can be summarized as expanding housing choice, reducing cost and promoting efficiency in the administration of federal programs and/or encouraging economic self-sufficiency of families with children.

PHA is required to prepare and submit an MTW Annual Plan and Annual Report each year for HUD's review and approval. The Annual Plan provides detailed information on the MTW activities and initiatives which PHA plans to undertake during the upcoming Fiscal Year, while the Annual Report summarizes actual progress made in the prior Fiscal Year. The Annual Plan process takes into consideration the policy, operational and financial issues that impact PHA including planned capital expenditures, proposed demolition or disposition activity, proposed new public housing and Project Based Voucher units, MTW Sources and Uses, and other relevant information. The Annual Plan process includes opportunities for resident and general public input. PHA's Board approves the Annual Plan and Annual Report each year prior to submission to HUD. The format of the MTW Annual Plan and Annual Report is defined by HUD. Periodically, PHA may prepare and submit Amendments to the MTW Annual Plan, which are subject to the resident and public review and Board approval requirements established by HUD.

During the first year of the MTW program, PHA established the following five (5) broad objectives:

- Reform the existing Housing Choice Voucher and Public Housing Programs to improve and increase the supply of quality affordable housing throughout the City of Philadelphia;
- Revitalize neighborhoods where MTW and MTW-eligible residents reside;

- Develop an MTW Family Program to furnish comprehensive family self-sufficiency services to eligible MTW families;
- Establish a Quality of Life Program to promote a living environment that fosters community values, encourages resident participation and positive peer group pressure, and reinforces the responsibilities of public housing residents, voucher participants, voucher landlords, and the PHA to one another and to the broader community; and
- Establish efficient operating procedures and implement cost-saving strategies.

These objectives continue to be relevant to PHA's implementation of the MTW program. Under the direction of President & CEO, Kelvin A. Jeremiah, PHA has continued and expanded its use of MTW flexibility in promoting PHA's long-term strategic objectives. PHA has sharpened its focus on improving performance in core business operational areas including property management, maintenance services, and resident services. PHA's current MTW Plan emphasizes the need to strengthen people, property, and partnerships. Twelve interrelated strategic priorities have been established to guide both future MTW activities and PHA's overall management objectives as described in PHA's Strategic Directions Plan. These priority areas are:

- 1) Preserve and expand the supply of affordable housing available to Philadelphia's residents with low incomes;
- 2) Achieve excellence in the provision of management and maintenance services to PHA residents;
- 3) Create safe communities in collaboration with neighborhood residents and law enforcement agencies;
- 4) Enhance resident well-being and independence through partnerships for employment, job training, education, health and other evidence-based supportive services;
- 5) Improve access to quality housing choices and opportunity neighborhoods through the Housing Choice Voucher program;
- 6) Incorporate energy conservation measures and sustainable practices throughout PHA operations;
- 7) Improve customer service, streamline operations and create a business model that is data-driven and high performing;
- 8) Conduct PHA business in an open and transparent manner that promotes accountability and access, ensures diversity and adheres to the highest ethical standards;
- 9) Strengthen existing relationships and forge new public, private and philanthropic partnerships to support PHA's strategic goals;

- 10) Make PHA an employer of choice with an accountable, diverse, trained and productive workforce;
- 11) Ensure that PHA is a good neighbor and reliable community partner; and
- 12) Encourage innovation and promote PHA's financial health through ongoing participation in the Moving to Work Program.

In FY 2021, utilization of MTW flexibilities, coupled with funding and programmatic waivers authorized under the CARES Act, facilitated PHA's response to the COVID-19 pandemic which included implementing far reaching changes to operating policies and procedures to protect the health and safety of residents, employees and the general public.

PHA's largest programs as described in the accompanying financial statements are:

1. Low-Rent Housing Program (Public Housing)

This program provides low-rent housing to qualified residents of the City of Philadelphia. All units are owned by PHA - or by PHA affiliates or Alternative Management Entities, subject to the terms and conditions of property-specific Regulatory and Operating Agreements between PHA and the owner(s) and were purchased with financing arranged or provided through HUD. The operations of the public housing program are subsidized by HUD through Annual Contributions Contract(s). Under PHA's MTW Agreement, public housing operating and capital funding are eligible for funding and programmatic flexibility. Some public housing units receive Low Income Housing Tax Credits and are also subject to the program's applicable regulations. Under the Rental Assistance Demonstration Program authorized by Congress and implemented by HUD, PHA is in the process of converting a significant portion of its public housing portfolio to Section 8 project-based assistance. This conversion process will continue to take place over the next several years.

2. Housing Choice Voucher Program

The Housing Choice Voucher (HCV) program (also referred to as Section 8) provides rental subsidies for low-income families residing in housing owned by private, not-for-profit or public property owners. Under PHA's MTW Agreement, the majority of PHA's HCV vouchers are eligible for funding and programmatic flexibility, provided that special purpose voucher programs are subject to applicable HUD guidance on the use of MTW flexibility. Programs under the Housing Choice Voucher Program umbrella include Tenant-Based, Project/Unit Based, units that have been converted from public housing to project-based assistance under the Rental Assistance Demonstration Program, SRO for the Homeless, Moderate Rehabilitation and Special Purpose Vouchers such as the Veterans Administration Supportive Housing (VASH), Mainstream and Family Unification Program.

FY 2021 Major Accomplishments and Program Highlights

While essential services continued to be provided and significant progress continued on major redevelopment programs, PHA was significantly impacted by the Covid-19 pandemic throughout FY 2021. Starting in the last month of FY 2020, PHA closed its offices to the public and required all non-essential, non-emergency PHA employees to work from home. Extensive work from home activities continued throughout FY 2021. Due to these conditions, PHA conducted only urgent and emergency service repairs at its housing sites from March 16, 2020 through to May 18, 2020. Effective in May 2020, PHA resumed responding to non-emergency service orders, utilizing safe work practices. PHA's primary priority was, and continues to be, ensuring the health and safety of residents and employees, while undertaking extensive efforts to minimize the spread of the virus within PHA workplaces and housing sites. In these efforts, PHA adheres to all relevant guidance and/or regulations from the Centers for Disease Control and Prevention, the Occupational Safety and Health Administration, the City of Philadelphia and other state and local bodies.

In response to the pandemic, PHA substantially modified maintenance, property management, HCV operations and resident services through technological upgrades, including new customer service portals for PH and HCV residents as well as a new portal for HCV owners. PHA also established remote work site support systems for employees working from home. To respond to emerging needs during the pandemic, PHA implemented new cleaning protocols and facilitated expanded meal programs, COVID-19 testing, and vaccination initiatives for residents. In partnership with the City of Philadelphia and the School District, PHA was also able to expand internet access for families with school-aged children, providing Wi-Fi hotspots and laptops.

Below are some highlights of PHA's FY 2021 major accomplishments and milestones that demonstrate the agency's continued commitment to its strategic goals:

Sharswood/Blumberg

The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. A key goal of the Plan is to develop 1,200 units of mixed-income housing, including affordable rentals and homeownership units. In 2021, PHA was awarded a \$30 million grant under HUD's Choice Neighborhoods Implementation program to support this initiative.

A total of 443 housing units have been completed or are currently under construction, including the 60-unit Hunt-Pennrose rental Phase I, which broke ground in January 2021. Working with Help USA, PHA successfully obtained a 9% Low Income Housing Tax Credit award to repurpose the Reynolds Elementary School in Sharswood into affordable housing. Construction of the Reynolds School commenced in fall 2020 and is underway, with construction scheduled for completion in FY 2022. Also, after peacefully resolving encampment issues at the construction site, PHA and Mosaic Development celebrated the groundbreaking for a new \$53 million mixed-use housing and retail complex that will include a grocery store, bank, urgent care health center and other retail services needed by the community.

PHA, in partnership with Habitat for Humanity, achieved significant progress on new construction home ownership units on the former Blumberg development site. All 20 units have been completed and sold to low-income individuals as of June 2021, including two (2) units sold to PHA residents.

The Sharswood/Blumberg Transformation Plan envisions this new housing in the context of a vibrant community of choice and opportunity, with plentiful neighborhood amenities, good schools, jobs for residents, and a robust commercial sector.

- Vaux Big Picture High School (BPHS) completed its third year of operations at the Vaux Community Building and will graduate its first class of seniors later this spring.
- PHA engaged new supportive services partners to operate programs and deliver services at the Workforce Center at the Vaux Community Building, alongside PHA's Workforce Center, Section 3 Resource Center and Job Bank, and Homeownership Department. In FY 2021, PHA secured a commitment from CVS to operate a Learning Lab at Vaux, where PHA residents can take advantage of their pharmacy technician and customer service training.
- The Temple University Nurse-Managed Clinic provided COVID-19 testing and vaccinations to PHA and neighborhood residents at the Vaux Community Building. The clinic also spearheaded on-site vaccination drives at PHA's senior buildings.

Norris Homes/North Central Philadelphia

At North Central/Norris, PHA continued to partner with the City of Philadelphia, public housing residents and other partners to implement a Choice Neighborhood Transformation Plan in the North Central Philadelphia neighborhood that will result in extensive community improvements and construction of 267 rental and 30 homeownership units, of which 147 will be replacement housing. The first two rental phases consisting of a total of 139 units are now complete and occupied including the 83-unit rental second phase. Construction of a community center was also completed as part of the second phase. Construction of the third and final rental phase consisting of 133 mixed income rental units began in 2020 and is projected to be completed in FY 2022. In addition to serving as Housing Lead Partner, PHA continued to serve as People Lead Partner in FY 2021. As People Lead, PHA provides case management and other supportive services to relocated and returning Norris residents.

Rental Assistance Demonstration (RAD)

The RAD program allows PHA to leverage MTW Block Grant, private and other capital sources through conversion of public housing subsidies to long-term project-based assistance. RAD is a critically important component of PHA's efforts to secure new capital resources necessary for the long-term preservation of PHA's existing multifamily public housing portfolio. RAD also supports PHA's efforts to transfer subsidies from distressed, vacant scattered site public housing units to newly developed affordable housing. As of the end of FY 2021, PHA has closed on 1,635 rental units at 24 developments sponsored by PHA and partner organizations that will serve veterans, seniors, formerly homeless families and other underserved, diverse populations while also helping to catalyze additional public and private sector investments into neighborhoods. To date, PHA investments in RAD have generated total development leverage of approximately \$557.9 million.

Public Housing Development

PHA is one of the few agencies nationwide to continue to develop public housing units in collaboration with well-qualified, primarily mission-driven housing partners. This activity allows PHA to tap into existing, but unused, public housing Annual Contributions Contract (ACC) authority to help spur the development of new affordable housing. In FY 2021, five (5) new public housing developments consisting of a total of 186 units completed construction and were occupied. This includes: Francis House (50 units), Casa Indiana (50 units), Liberty 52 (23 units), Project HOME Maguire Residence (27 units) and New Courtland at Henry Ave Phase 1B (36 units). PHA's commitment to these projects leveraged approximately \$76.6 million in additional funding. PHA continued to work with its developer partners on an additional 424 public housing units at eleven (11) developments including: a) 242 new public housing units at six (6) developments that were originally projected for occupancy in FY 2021 are now scheduled to come online in FY 2022; and, b) 182 new public housing units at five (5) developments that closed in FY 2021 and are scheduled for occupancy in FY 2022.

Citywide Development

Utilizing its MTW flexibility, PHA continued to serve as a catalyst and major funder for housing and neighborhood development throughout the City, working directly through its PHADC affiliate and in partnership with a diverse group of development partners, including community-based organizations. PHA also continued to be a driving force for the expansion and preservation of affordable housing throughout the City.

PHA assisted over 3,700 housing units at 145 developments citywide through the Unit Based Voucher (UBV) program which provides long-term operating support to subsidize rents. Development sponsors include dozens of mission-driven and other organizations, including Liberty Resources, New Courtland, HACE, Nueva Esperanza, Womens Community Revitalization Project, Mission First Housing Group, HELP USA, Methodist Family Services, and others.

As part of PHA's ongoing efforts to increase the availability of affordable housing units, PHA partnered with Susquehanna Net Zero Housing LP to build a 78-unit development at 27th and Susquehanna, along with a Life Center. Construction started in late 2020 and is currently underway with completion expected in FY 2022.

PHA entered into a collaborative partnership with Councilmember María Quiñonez Sánchez and nonprofit affordable housing developers in the 7th District to safeguard long-term affordable housing development, by agreeing to transfer up to 240 long-term vacant lots and shells. This ensures that the properties will be redeveloped for long-term affordable housing with a 20-year restrictive covenant. This initiative also allows PHA to dispose of non-performing assets, bringing those properties back to good use.

Leased Housing

PHA provides rental subsidies to families with children, seniors and people with disabilities through its local Leased Housing Program including MTW and non-MTW vouchers. Rental assistance provided to these families was more important than ever in FY 2021 due to the severe economic burdens created by the global pandemic.

- In FY 2021, PHA entered into Agreements and/or Housing Assistance Payments Contracts for 652 new project-based voucher units, including RAD conversions, under PHA's Unit Based Leasing (UBV) program. The UBV is increasingly a major catalyst for new affordable development in Philadelphia, as it provides long-term operating supports necessary to ensure that rents are affordable to households with incomes at or below 50% of Area Median Income.
- PHA continued to develop and implement initiatives to increase owner participation, improve customer service, and streamline leasing and inspections. In FY 2021, PHA implemented a new Inspections Management Software (IMS), which automatically schedules and routes appointments, reduces inspection time frames and provides real-time information. To further improve communication and transparency, PHA has also implemented a new Owner Portal, where owners can track their lease-ups online, sign documents, and submit requests, including Requests for Tenancy Approval and requests for rent increases.

Affordable Homeownership

PHA operates a broad array of first-time affordable homeownership initiatives designed to expand housing choice and increase the number of first time, low-income homebuyers. Through these initiatives, a total of 68 PHA residents and HCV participants became new homeowners over the past year.

Resident Supportive Service Programs

PHA utilized MTW Block Grant and other partner-leveraged funds to support a wide range of self-sufficiency, first time homeownership, senior/disabled and youth development programs. In FY 2021, PHA modified and expanded its supportive service delivery systems in response to the COVID-19 pandemic including expanding health care services on-site. In response to school closures, PHA provided families with school-aged children with expanded food and meal provisions as well as resources to improve and expand internet access and support remote learning. COVID-19 testing and vaccine distribution programs were implemented citywide in conjunction with City and other partners. Additionally, PHA shifted many existing workforce and homeownership programs to a virtual format so that families could continue to access this support despite pandemic-related health and safety restrictions.

Re-Entry Initiatives

PHA continued implementation of the MTW Second Chance pilot program, which provides supportive services and housing subsidies to formerly incarcerated returning citizens that are active participants in good standing with the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and Mayor's Office of Reintegration Services (RISE) Program. In FY 2021, PHA assisted nine (9) participants through the STAR program, providing them counseling, education, job training and placement services in addition to their housing subsidy. The Second Chance Initiative also involves a partnership with the Pennsylvania First Judicial Court's MENTOR program. This pilot initiative allows qualified returning citizens who are working with the MENTOR program to move in with existing PHA public housing households, provided that the PHA household is in good standing and is willing to add a MENTOR program participant to the lease. Through these partnerships, the Second Chance Initiative helps to prevent homelessness and, hopefully, interrupt the cycle of recidivism.

Voucher Mobility

PHA started a Housing Opportunity Program (HOP) in August 2013 to assist voucher holders in locating units and prospective property owners in opportunity neighborhoods within and outside of Philadelphia. In FY 2021, HOP assisted 22 HCV participants to move to opportunity neighborhoods. The program provides participants with a broad range of supportive services, housing counseling, and other support for their successful transition to higher opportunity neighborhoods. As a result of the program's success, PHA elected to use MTW funding to continue the pilot program initially funded by HUD.

Rent Simplification

PHA continued to implement previously approved MTW initiatives that simplify program administration and provide incentives for economic self-sufficiency. In FY 2021, PHA introduced two new online portals to further streamline processing and improve customer service in the PH and HCV programs. In the context of the global pandemic, these process improvements have proven to be incredibly important as they allow PHA residents and voucher program participants to obtain information and complete transactions without the need for face-to-face contact with PHA staff. PHA has implemented a new owner portal for landlords participating in the HCV program and developed a new client portal to serve PH residents and HCV participants. With implementation planned for early FY 2022, PHA anticipates that the client portal will reduce cycle times for processing requests, including interims and transfers, and improve transparency as families will be able to submit and monitor requests online.

Small Area Fair Market Rents (SAFMR)

PHA continued to implement Small Area Fair Market Rents (SAFMRs), which were first implemented on April 1, 2018. SAFMRs allow PHA to establish multiple HCV payment subsidy standards at the zip code level, instead of utilizing single payment standards for the entire City. Adoption of SAFMRs is projected, over time, to assist HCV program participants to move from areas with high concentrations of poverty to higher opportunity areas that have better access to jobs, education, and other services. Through the Housing Opportunity Program, PHA provides participants with a broad range of support for their successful transition to higher opportunity neighborhoods, including housing counseling and landlord outreach. In FY 2021, PHA also introduced new landlord incentives to encourage landlords to lease units in high opportunity areas to HCV participants.

Veterans Administration Supportive Housing (VASH)

PHA continued its partnership with the Department of Veteran's Affairs (VA) to serve veterans, through the Veterans Administration Supportive Housing Program (VASH) program. The program provides rental assistance for homeless veterans through HUD funding, and offers case management and clinical services through the VA. A total of 633 veterans were housed under the program during the year. Additionally, in December 2020, PHA was awarded 23 new vouchers by HUD to further support housing to one of the most vulnerable populations in the city.

Mainstream Vouchers

In FY 2021, HUD awarded PHA additional Mainstream vouchers through funding from the CARES Act. Mainstream vouchers provide housing assistance to non-elderly persons with disabilities. PHA created new partnerships this year with the City of Philadelphia Office of Homeless Services and Liberty Resources to provide case management and support for the Mainstream voucher holders. The new vouchers awarded supplements existing Mainstream vouchers already administered by PHA.

Blueprint to End Homelessness Initiative

PHA continued to collaborate with the City of Philadelphia Office of Homeless Services on the Blueprint to End Homelessness Program that provides housing opportunities for formerly homeless families and individuals moving out of transitional housing.

Factors Affecting Financial Condition

Laws, Regulations and Federal Examinations: PHA is subject to several laws and regulations. PHA's funding is substantially determined by annual Congressional appropriations. Material portions of PHA's grant revenue and other financial resources are dependent on Congressional appropriations and contingent on PHA's compliance with applicable laws and regulations. PHA is subject to examinations made by federal and state authorities who determine compliance with terms, conditions, laws and regulations governing other grants awarded to PHA in the current and prior years. The statuses of such examinations are monitored by HUD.

PHA is subject to examination by federal oversight agencies, including HUD, who determines compliance with terms, conditions, laws, and regulations governing grants given to PHA in the current and prior years. These examinations may result in the recapture of funds by federal grantors and/or beneficiaries.

Cash Management Policies and Practices: PHA is subject to applicable cash management policies issued by HUD. HUD requires housing authorities to invest excess funds in obligations of the United States, certificates of deposit or any other federally insured investment. HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC/FSLIC insurance for the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security deposits. Obligations furnished as security must be held by PHA or with an unaffiliated bank or trust company for the account of PHA.

It is PHA's policy to maintain collateralization in accordance with the requirements of both HUD and the Commonwealth of Pennsylvania. The three custodial credit risk categories defined by HUD are as follows:

- 1) Insured or collateralized with securities held by the authority or by its agent (correspondent bank or Federal Reserve Bank) in the authority's name;
- 2) Collateralized with securities held by the pledging financial institution, trust department, or agent in the authority's name; and

- 3) Uncollateralized or collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the authority's name.

In Fiscal Year 2021, all of PHA's cash and investments were held in risk category number 1 above.

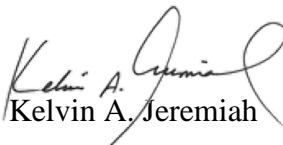

Risk Management: Prior to April 1, 1999, PHA was self-insured for personal injury claims. Beginning April 1, 1999, PHA purchased commercial policies for personal injury coverage. Asserted and unasserted claims are accrued based on PHA's experience, and advice of an independent claims manager. Although management believes that adequate accruals have been established, the ultimate liability that may result from asserted and unasserted claims could differ materially from estimated amounts. However, most of these claims are insured and management believes PHA's liability is limited to the deductible amounts under the policies.

Contributions by Federal Agencies: PHA received the majority of its Fiscal Year 2021 revenues from HUD. If in the future, the amount of revenues received from HUD falls below critical levels, PHA's operating reserves could be adversely affected.

Annual contributions contracts provide that HUD shall have the right to audit records of public housing authorities. Accordingly, final determination of PHA's financing and contribution status for the annual contribution contracts is the responsibility of HUD based upon financial reports submitted by PHA.

In closing, I would like to express my deep appreciation to PHA's Board of Commissioners, Mayor James Kenney, the Philadelphia City Council and Council President Darrell Clarke, PHA's staff and clients for their unfailing support for maintaining the highest standards of professionalism in the management of the Authority's finances and operations.

Respectfully submitted,

Kelvin A. Jeremiah

Independent Auditor's Report

RSM US LLP

To the Board of Commissioners
Philadelphia Housing Authority

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities, the aggregate discretely presented component units and the aggregate remaining fund information of the Philadelphia Housing Authority (PHA), a component unit of the City of Philadelphia, Pennsylvania as of and for the year ended March 31, 2021, and the related notes to the financial statements, which collectively comprise the Philadelphia Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Philadelphia Housing Authority Retirement Income Plan, which is shown as a Fiduciary Fund Type – Pension Trust Fund as of and for the year ended October 31, 2020. We did not audit the financial statements of the aggregate discretely presented component units as of and for the year ended December 31, 2020. Those statements were audited by other auditors whose reports thereon have been furnished to us, and our opinions, insofar as it relates to the amounts included for such component units, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the discretely presented component units were not audited in accordance with *Government Auditing Standards*, except for the following entities: 1952 Allegheny Associates Limited Partnership, Casa Indiana LLC, Francis House on Fairmount, L.P., Mantua Phase II, L.P., St. Francis Villa Senior Housing, L.P., St. Ignatius Senior Housing I, L.P., St. Ignatius Senior Housing II, L.P. Spring Garden Development Associates, L.P., and Uni-Penn Housing Partnership II.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, the aggregate discretely presented component units, and the aggregate remaining fund information of the Philadelphia Housing Authority as of March 31, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Change in Reporting Entity

We draw attention to Note 21 of the financial statements, which describes a change in reporting entity and restatement for discretely presented component units that became blended component units during the year ended March 31, 2021. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 19 through 27 and the schedule of changes in net pension liability and related ratios and schedule of plan contributions on page 93 through 94 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Philadelphia Housing Authority's basic financial statements. The accompanying financial data schedule on pages 105 to 164, as well as other supplementary information shown on pages 95 to 104 and pages 165 to 184, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal and city awards on page 185 is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and the *City of Philadelphia Subrecipient Audit Guide* and is also not a required part of the basic financial statements.

Such information, the financial data schedule, schedule of expenditures of federal and city awards and the other supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The transmittal letter has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2021 on our consideration of the Philadelphia Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Philadelphia Housing Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Philadelphia Housing Authority's internal control over financial reporting and compliance.

RSM US LLP

Philadelphia, Pennsylvania
September 30, 2021

**PHILADELPHIA HOUSING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED MARCH 31, 2021
UNAUDITED**

Overview

Philadelphia Housing Authority ("PHA" or the "Authority") is a component unit of the City of Philadelphia. As management of the PHA, we offer readers of the PHA's financial statements this narrative overview and analysis of the financial activities of the PHA for the fiscal year ended March 31, 2021. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages 1 through 15 of this report, as well as the financial statements that follow this section. All amounts, unless otherwise indicated, are expressed in millions of dollars.

Financial Highlights

PHA's financial position remained strong with a net position of **\$1.309 billion** at March 31, 2021.

- Total assets and deferred outflows exceeded total liabilities (net position) at March 31, 2021, by \$1.309 billion compared to \$1.187 billion in FY 2020. Of this amount, \$696.3 million is *unrestricted net position*, which includes \$397.8 million of mortgages receivable from PHA's discretely presented component units and third-party non-profit entities. The remaining unrestricted net position of \$298.5 million may be used to meet PHA's ongoing obligations to clients and creditors.
- PHA's FY 2021 total net position increased by \$122.0 million vs FY 2020.
- Total liabilities of \$162.9 million decreased by \$15.2 million compared to FY 2020 representing an 8.5% decrease.
- Total operating revenue for FY 2021 was \$488.3 million (vs. \$465.8 million in FY 2020), representing an increase of \$22.5 million from prior fiscal year. Total operating revenue was \$129.1 million more than operating expenses (excluding depreciation) compared to \$99.9 million in FY 2020.
- Total operating expenses for FY 2021 decreased by \$6.6 million or by 1.8% compared to FY 2020.

Overview of the Financial Statements

This discussion and analyses are intended to serve as an introduction to the PHA's basic financial statements. The PHA's basic financial statements are comprised of three components: 1) agency-wide financial statements, 2) fiduciary fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

The ***agency-wide financial statements*** are designed to provide readers with a broad overview of PHA's finances, in a manner similar to a private-sector business. The statement of net position presents information on all PHA's assets and deferred outflows, and liabilities and deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of PHA is improving or deteriorating. The statement of revenues, expenses, and changes in net position presents information showing how PHA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., authorized but uncollected grant revenue and earned but unused vacation leave).

The agency-wide financial statements include not only PHA itself (known as the primary government), but also legally separate non-profit agencies for which PHA is financially accountable, as described in the accompanying notes to the financial statements.

Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements and can be found on pages 34 through 92 of this report.

**PHILADELPHIA HOUSING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED MARCH 31, 2021
UNAUDITED**

Overview of the Financial Statements (Continued)

The supplemental statements that support the agency-wide financial statements are the combining statement of net position. ***The combining statement of net position*** presents PHA's financial statements by program activity. A program is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. PHA, like other public housing authorities, uses program accounting to ensure and demonstrate compliance with finance-related legal requirements.

All PHA's programs are considered to be an Enterprise Fund for financial reporting purposes. Normally, an enterprise fund is used to report any activity for which a fee is charged to external users for goods or services. In accordance with Generally Accepted Accounting Principles in the United States of America ("GAAP"), enterprise funds may also be used by all governmental entities, such as PHA, that were using traditional not-for-profit accounting as of the date of adoption of Governmental Accounting Standards Board ("GASB") Statement No. 34 (June 1999), even if their activities do not otherwise meet the criteria for using an enterprise fund. In practice, enterprise funds frequently are used to account for activities whose costs are only partially funded by fees and charges. Enterprise funds are considered useful in such instances because they focus attention on the cost of providing services, and they serve to highlight the portion of that cost being borne by taxpayers, which in the case of PHA take the form of federal grant contributions.

In addition to the basic financial statements and accompanying notes, this report also presents certain required and other supplementary information. The combining statement of net position and other supplementary information can be found beginning on page 165 of this report.

Agency-wide Financial Analysis

Net position. As noted earlier, net position may serve over time as a useful indicator of an agency's financial position. In the case of PHA, assets exceeded liabilities by \$1.309 billion at March 31, 2021. The combined net position of PHA increased by \$122.0 million in FY 2021 compared to FY 2020. FY2020 balances were restated to include the inclusion of the FY2020 balances of 3 blended component units as described in footnotes 18 and 21 of the financial statements. The following table shows a summary of changes from the prior year amounts:

**Philadelphia Housing Authority
Net Position as of March 31**

	Increase/(Decrease)			
	FY2021	FY2020	Dollar Variance	Percent Variance
		Restated		
Assets				
Cash and Investments	\$ 241,027,647	\$ 234,322,758	\$ 6,704,889	2.9%

Statement of Revenues, Expenses and Changes in Net Position. The statement shows the sources of PHA's changes in net position as they arise through its various programs and functions. A condensed Statement of Revenues, Expenses and Changes in Net Position comparing FY2021 vs FY2020 is shown in the table below.

**Philadelphia Housing Authority
Statements of Revenues, Expenses and Changes in Net Position for the years ended March 31**

			Increase/(Decrease)	
	FY2021	FY2020	Dollar Variance	Percent Variance
Revenue		Restated		
Program Revenue:				
Charges for Services	\$ 32,553,053	\$ 33,024,917	\$ (471,864)	(1.4%)
Federal Revenue	445,054,234	422,380,624	22,673,610	5.4%
Other Income	10,710,944	10,395,111	315,833	3.0%
Total Operating Revenue	488,318,231	465,800,652	22,517,579	4.8%
Expenses				
Direct	298,474,314	297,988,081	486,233	0.2%
Administrative	60,770,619	67,876,123	(7,105,504)	(10.5%)
Total Operating Expenses before depreciation	359,244,933	365,864,204	(6,619,271)	(1.8%)
Depreciation	33,695,368	35,038,192	(1,342,824)	(3.8%)
Total Operating Expenses	392,940,301	400,902,396	(7,962,095)	(2.0%)
Operating Income/(Loss)	95,377,930	64,898,256	30,479,674	47.0%
Net Nonoperating Revenue (Expense)	12,445,419	16,319,890	(3,874,471)	(23.7%)
Capital Subsidies	14,207,498	20,924,051	(6,716,553)	(32.1%)
Change in Net Position	\$ 122,030,847	\$ 102,142,197	\$ 19,888,650	19.5%

Federal Revenue includes the annual operating subsidies and capital grants made available by the U.S. Department of Housing and Urban Development ("HUD"), along with grants received from other Federal sources and the Commonwealth of Pennsylvania. Federal Revenue increased by \$22.7 million and capital subsidies decreased by \$6.7 million.

Direct expenses amounted to **\$298.4 million**, representing a year-to-year increase of **\$.4 million**. Administrative expenses totaled **\$60.8 million**, which is a decrease of approximately **\$7.1 million** or 10.5% from the prior fiscal year.

**PHILADELPHIA HOUSING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED MARCH 31, 2021
UNAUDITED**

NOTES ON FEDERAL REVENUES

- **Low Income Public Housing (LIPH)** – PHA recognized LIPH revenues based on the actual cash subsidy provided by HUD. The increase or decrease in the year-to-year LIPH revenue is mainly driven by HUD approved cash subsidies to PHA. HUD provided CARES Act funding to PHA during fiscal year 2021 to fund COVID-19 related expenses and operating expenses. PHA had an additional \$18.7 million in CARES Act revenue for LIPH during the fiscal year.
- **Housing Choice Voucher Program/ Section 8 (HCV S8)** – PHA recognized HCV S8 revenues based on HUD's obligated funds as supported by the Annual Contribution Contract (ACC). The increase in HCV S8 revenue is due to slight increase in funding from HUD due to higher estimated HAP payments. HUD provided CARES Act funding to PHA during fiscal year 2021 to fund COVID-19 related expenses and operating expenses. PHA had an additional \$8.1 million in CARES Act revenue for the HCV S8 program during the fiscal year.

PHA, as a HUD designated MTW Agency, recognized 100% of the HCV S8 revenue as supported by ACC. Under the MTW Agreement, PHA has the flexibility to combine Federal funds from the Public Housing Operating and Modernization programs and HCV program into a "block grant" to help PHA better meet the purposes of the demonstration and the needs of their communities. In addition, PHA is permitted to combine its Public Housing Operating funds, Capital funds, and HCV funds and use these funds interchangeably.

- **Non-MTW** – This revenue source mainly consists of Mainstream, Moderate Rehabilitation and Single Room Occupancy programs and other resident services grants.
- **CFP/RHF** – PHA recognizes revenue from the HUD Capital Fund Program utilized for activity that was not added to PHA's capital assets, including notes receivable for development sites, expendable equipment purchases, tenant relocation, and program management salaries and benefits.

Direct Expense

	FY2021	% of Direct Expenses	FY2020 Restated	% of Direct Expenses	<u>Increase (Decrease)</u>	
					\$Δ	%Δ
Tenant services	\$ 3,907,479	1.3%	\$ 3,912,390	1.3%	\$ (4,911)	(0.1%)
Utilities	21,361,573	7.2%	21,598,018	7.2%	(236,445)	(1.1%)
Maintenance	72,423,195	24.3%	72,758,472	24.4%	(335,277)	(0.5%)
Protective services	10,013,915	3.4%	8,676,822	2.9%	1,337,093	15.4%
General	26,555,656	8.9%	21,782,407	7.3%	4,773,249	21.9%
Housing assistance payments	164,212,496	54.9%	169,259,972	56.9%	(5,047,476)	(3.0%)
Total Direct Expenses	\$ 298,474,314	100.0%	\$ 297,988,081	100.0%	\$ 486,233	0.2%

NOTES ON DIRECT EXPENSE

- **Tenant services** – remained almost the same in both years.
- **Utilities** - decreased by \$0.2 million or 1.1% primarily because of a decrease in water usage.
- **Maintenance** - decreased by \$0.3 million or .5% primarily because of decrease in non-routine maintenance expenses.
- **Protective Services** - increased by \$1.3 million or 15.4% mainly because of an increase in contract expenses.
- **General** - increased by \$4.8 million or 21.9% primarily because of increases in workmen's compensation expenses and property and liability insurance. Workmen's compensation increased by approximately \$1.6 million as a result of changes in the estimated payable liability and adjustments to the escrow account. Workmen's compensation claims paid from the escrow account also increased from the prior year. Liability insurance increased approximately by \$0.52 million due to an increase of \$.24 million for automobile insurance and an increase of \$0.28 million in liability premiums.
- **Housing Assistance Payments (HAP)** – HAP expenses decreased by \$5.0 million or 3.0% as a result of decreased utilization. During the pandemic, PHA offices were shut down and leasing staff were interacting with a significantly decreased number of potential participants which decreased the Section 8 turnover rates in FYE 2021.

**PHILADELPHIA HOUSING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED MARCH 31, 2021
UNAUDITED**

NOTES ON THE DIRECT EXPENSE RATIO CHANGES

- **Utilities** – decreased in FY2021 compared to FY2020 as a percentage of total direct expense due primarily to a decrease in water usage.
- **Maintenance** – as a percentage of total direct cost, decreased slightly in FY2021 as compared to FY2020 because of a decrease in non-routine maintenance expenses.
- **Protective Services** – as a percentage of total direct cost, increased in FY2021 to 3.4% because of an increase in contract costs.
- **General** – increased as percentage of total direct expense from FY2020 to FY2021 primarily because of increases in workmen's compensation expenses and property and liability insurance.
- **Housing Assistance Payments (HAP)** – HAP payments decreased by 2.0% in FY2021 as a percentage of total direct cost.

Capital Assets. Capital Assets include land, buildings and improvements, equipment, and construction in progress. At March 31, 2021, total capital assets totaled **\$1.800 billion**. The Authority's total capital assets increased by **\$15.9 million or .9%** compared to the prior year. Capital acquisitions totaled **\$20.4 million**. Note 7 to the Authority's financial statements provides additional detail regarding changes in capital assets.

**Philadelphia Housing Authority
Capital Assets as of March 31
(In Millions of Dollars)**

			<u>Increase/(Decrease)</u>	
	FY2021	FY2020 Restated	Dollar Variance	Percent Variance
Land	\$ 30.4	\$ 23.3	\$ 7.1	30.5%
Buildings and Improvements	1,655.3	1,626.8	28.5	1.8%
Equipment - Dwelling	2.2	1.8	0.4	22.2%
Equipment - Administration	41.1	36.0	5.1	14.2%
Construction in Progress	71.2	96.4	(25.2)	(26.1%)
Total Capital Assets	1,800.2	1,784.3	15.9	0.9%
Accumulated Depreciation	(1,157.0)	(1,127.4)	(29.6)	2.6%
Net Capital Assets	\$ 643.2	\$ 656.9	\$ (13.7)	(2.1%)

Long-term Debt and Other Long-term Liabilities. Long-term debt and other long-term liabilities as of March 31, 2021, compared with March 31, 2020, are depicted in the following schedule.

**Philadelphia Housing Authority
Long-term Debt and Other Long-term Liabilities as of March 31
(In Millions of Dollars)**

			<u>Increase/(Decrease)</u>	
	FY2021	FY2020 Restated	Dollar Variance	Percent Variance
Compensated Absences	\$ 3.9	\$ 3.4	\$ 0.5	14.7%
Long-term Debt	35.7	44.7	(9.0)	(20.1%)
Self Insurance and Other Claims	2.4	2.4	0.0	0.0%
Net Pension Liability	71.0	82.7	(11.7)	(14.1%)
Other	2.3	2.8	(0.5)	(17.9%)
Total	\$ 115.3	\$ 136.0	\$ (20.7)	(15.2%)

The decrease in the Long-Term Debt of \$20.7 million pertains to decreases mainly in debt service liabilities and net pension liability. Net pension liability represents the unfunded pension liability recognized in compliance with GASB 68. Notes 10, 11, 13 and 15 to the Authority's financial statements provide additional detail regarding the changes in debt, other long-term liability, net pension liability and compensated absences.

**PHILADELPHIA HOUSING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED MARCH 31, 2021
UNAUDITED**

Current Conditions

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted in response to the COVID-19 pandemic. The CARES Act provided additional funding to Housing Authorities under the Housing Choice Voucher Program and the Public Housing Program. The additional funding is intended to offset additional Housing Authority administrative, housing and operating expenses related to current program activities affected or new activities necessary as a result of the pandemic.

The onset of the COVID-19 pandemic required major changes to PHA's operations, policies and procedures to support the health and safety of residents, staff and the public. Among many initiatives, this involved implementing new cleaning and hygiene protocols at PHA senior and high-rise developments; establishing remote work site support systems for employees working from home; facilitating expanded meal programs, COVID testing, and vaccine distribution initiatives for residents; substantially modifying maintenance, property management, Housing Choice Voucher program operations, and resident services, through technological upgrades including new customer service portals for PH and HCV residents and new Owner Portal and Inspections modules for HCV owners.

Request for Information

This financial report is designed to provide a general overview of the Philadelphia Housing Authority's finances for all those with an interest in the Authority's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Senior Executive Vice President/Chief Administrative & Financial Officer, 2013 Ridge Avenue, Philadelphia, PA 19121.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 1. Organization and the Agency

Philadelphia Housing Authority ("PHA" or the "Authority") is the local housing authority established under Pennsylvania law to provide public housing and related services for the City of Philadelphia. PHA receives subsidies primarily for public housing operations, modernization and rental assistance programs from the federal government. The U.S. Department of Housing and Urban Development (HUD) is the federal oversight entity for all public housing authorities and has the responsibility of allocating federal subsidies to housing authorities, including PHA. PHA owns and/or operates more than 12,900 family and elderly units in more than 80 developments and/or Asset Management Projects ("AMPs") and administers approximately 19,000 housing choice vouchers. The numbers of units owned/operated, vouchers administered, and households served by PHA vary over time based on numerous factors including occupancy of new developments; redevelopment, including demolition, disposition, construction and relocation timetables; award of new special purpose and/or other voucher allocations; lease up success rates; and other factors.

To meet its operating expenditures, PHA receives subsidies, primarily from HUD, in the form of annual grants for operating assistance, contributions for capital and reimbursement of expenditures incurred for certain federal housing programs, and/or debt service payments. Subsidies are established through federal Congressional appropriations processes, which establish amounts to be funded by HUD. From time to time, PHA receives additional special purpose grants from HUD and/or other grantor agencies that are generally awarded on a competitive basis.

PHA is governed by a Board of Commissioners (the "Board") whose composition is defined by legislation approved by the Pennsylvania Legislature and signed into law by the Governor in July 2012. Under current Pennsylvania law, the Mayor of Philadelphia appoints a nine-member PHA Board of Commissioners, subject to the approval of the Philadelphia City Council. The Board appoints the President and Chief Executive Officer (the office formerly known as Executive Director) to oversee and direct all of PHA operations. In March 2013, following a national search, the Board appointed Kelvin A. Jeremiah as PHA's President and Chief Executive Officer.

Note 2. Summary of Significant Accounting Policies

Reporting Entity

PHA is a component unit of the City of Philadelphia due to a change in the Pennsylvania Housing Authorities law, under the following criteria: The Mayor of Philadelphia can remove a majority of PHA's Board of Commissioners without cause. The City of Philadelphia is not financially accountable for the operations of PHA, has no responsibility to fund its deficits or receive its surpluses, and has not guaranteed PHA's debt. The Mayor of the City of Philadelphia appoints, subject to City Council approval, seven of PHA's nine commissioners. The remaining two members are PHA residents who are chosen in a process agreed to by the Mayor, the City Council President, and PHA's Executive Director (President & CEO).

In evaluating how to define PHA for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the financial reporting entity was made by applying the criteria set forth by the Governmental Accounting Standards Board (GASB) in GASB Statements No. 14, *The Financial Reporting Entity*, as amended by GASB Statement No. 39, *Determining Whether Certain Organizations are Component Units*, and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus - An Amendment of GASB Statements No. 14 and No. 34*. Blended component units, although legally separate entities, are in-substance part of the government's operations. Each discretely presented component unit would be or is reported in a separate column in the financial statements to emphasize that it is legally separate from the primary government. All component units issue financial reports.

One significant criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The ability to exercise oversight responsibility includes, but is not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

Reporting Entity (Continued)

PHA's financial statements include seventeen (17) blended component units in compliance with GASB. These are legally separate entities for which PHA has operational responsibility and are controlled by PHA. There is a financial benefit/burden relationship between PHA, and the component units and the services provided are entirely or almost entirely to the benefit of PHA. The blended component units are fully described in Note 18.

PHA's financial statements also include 42 discrete component units which consist of Limited Partnerships, Limited Liability Corporations and Alternate Managed Entities and fully described in Note 18. The discrete component units follow the Financial Accounting Standards Board (FASB) pronouncements.

Eleven (11) blended and most of the discrete component units are reported on a three-month time lag as of December 31, 2020. The blended component units and discretely presented units are listed in Note 18. The component units also issue stand-alone financial reports. These reports can be obtained from the office of the Senior Executive Vice President/Chief Administrative & Financial Officer of the Authority located at 2013 Ridge Avenue, Philadelphia, PA 19121.

PHA's financial statements also includes the fiduciary fund type – pension trust fund. The pension trust fund is reported as of October 31, 2020.

Description of Financial Statements

The basic financial statements include the accounts of PHA ("primary government"), the fiduciary fund type – pension trust fund and PHA's discretely presented component units.

All PHA's programs are accounted for as a single enterprise fund, which is a type of proprietary fund. Enterprise funds are used to report any activity for which a fee is charged to external users for goods or services. The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position and cash flows. The generally accepted accounting principles ("GAAP") applicable are those similar to businesses in the private sector.

The notes to the financial statements are an integral part of the financial statements.

Basis of Accounting

Proprietary funds and fiduciary funds are presented on the accrual basis of accounting. Non-exchange revenues, including intergovernmental grants and subsidies, are reported when all eligibility requirements have been met. Fees and charges and other exchange revenues are recognized when earned and expenses are recognized when incurred.

Federal Programs

Grant programs are subject to financial and compliance audits by the grantors or their representatives. Management believes PHA's potential future liability for disallowances resulting from these audits will not have an adverse impact on the financial statements of PHA.

PHA received approximately **90%** of its fiscal 2020 operating subsidies from HUD under the Low-Rent Housing and Section 8 Programs. Descriptions of the primary PHA programs follow:

Low-Rent Housing Program: This program provides low-rent housing to qualified residents of the City of Philadelphia. All units are owned and operated by PHA and were purchased with financing arranged or provided through HUD. The operations of the program are subsidized by HUD through Annual Contributions Contract W-55. Operating subsidy contributions for the year ended March 31, 2021 were **\$162,097,032** and are included in operating subsidies in the statement of revenues, expenses and changes in net position.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

Federal Programs (Continued)

Section 8 Programs: The Section 8 Programs - Housing Choice Voucher Programs - include Moving to Work, Substantial Rehabilitation, Moderate Rehabilitation, Project Based, Rental Assistance Demonstration (RAD), Rental Vouchers, and Single Room Occupancy programs. These programs were authorized by Section 8 of the National Housing Act and provide housing assistance payments to private, not-for-profit or public landlords to subsidize rentals for low-income persons. HUD contributions for Section 8 programs under Annual Contributions Contract P-4601 are included in operating subsidies in the statement of revenues, expenses and changes in net position as follows:

Housing Choice Voucher Program	\$ 244,010,258
Mainstream	1,595,498
Moderate Rehabilitation	1,798,679
Single Room Occupancy	1,280,823
	<hr/>
	\$ 248,685,258
	<hr/>

Moving-to-Work Program: The Moving-to-Work (MTW) Demonstration Program is focused on helping families achieve self-sufficiency and on improving and increasing the stock of quality affordable housing throughout the City. It furnishes convenient and comprehensive services to families to assist them in reaching their full potential, with an emphasis on education, job training and placement, self-sufficiency, and preparation for homeownership. In addition, MTW promotes the revitalization of neighborhoods where MTW and MTW-eligible families live.

CARES Act Funding: The Coronavirus Aid, Relief, Economic Security Act (CARES Act) was enacted in response to the COVID-19 pandemic. The CARES Act provided additional funding to Housing Authorities under the Housing Choice Voucher Program and the Public Housing Program. The additional funding is intended to offset additional administrative, housing and operating expenses related to current program activities affected or to new activities necessary as a result of the pandemic.

Substantial Rehabilitation Programs: The Section 8 Substantial Rehabilitation programs allow for construction of low-income housing units to be subsidized for a contracted period. Both for-profit and not-for-profit developers may provide low-income housing under this program. Developers must obtain their own financing and HUD subsidizes rents once the units are occupied.

Moderate Rehabilitation Program: This program provides for the rehabilitation of housing units, which then must be rented to low-income individuals for a contracted period. Both for-profit and not-for-profit developers may participate in this program. Under this program, developers must obtain their own rehabilitation financing and then HUD subsidizes rents, once the units are occupied, in such amounts sufficient to cover the developer's debt service payments on the financing.

Housing Choice Voucher Program: This program allows for existing privately-owned housing units to be used for low-income housing. This program assists low-income families and persons to find and lease a house or apartment. After inspecting the unit, PHA assists the resident in negotiating a lease under HUD rules and regulations for the program. The resident pays a share of the rent according to HUD guidelines, and the remainder is subsidized by PHA through HUD funding.

PHA earns a fee from HUD for administering the Housing Choice Voucher Program. This fund accounts for the revenues and expenses associated with providing administrative services.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

In addition to the above primary programs, PHA administers the following:

- Senior Program
- Summer Food Program
- Congregate Housing Services Program
- Summer Youth Program
- Homeownership
- Nursing Home Assistance
- Jobs-Plus Pilot Initiative
- Juvenile Reentry Assistance Program
- Resident Opportunity and Supportive Services
- Family Self-Sufficiency
- Choice Neighborhood Initiatives
- Lead-Based Paint CFP Grant

Budgets

Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a “project” basis. Beginning with the budget prepared for the year ending March 31, 2015, budgets are subject to approval by PHA’s Board of Commissioners.

Cash and Cash Equivalents

PHA considers all securities, including certificates of deposit and short-term investments, with original maturities of three months or less to be cash equivalents. Portions of PHA’s cash, cash equivalents and investments are restricted by “use” limitations externally imposed by creditors, funding source agreements, or legislation.

Investments

Investments are accounted for at either amortized cost or at fair value, which is the price that would be received to sell the investment in an orderly transaction between market participants at the measurement date. Fair value of actively traded securities is determined by the reported market value of securities and mutual funds trading on national exchanges. Values of securities not actively traded are based on observable inputs of similar financial instruments or on the fair value of the underlying assets. Realized gains and losses are determined on the specific-identification method. Accrued income on investments is recorded as earned, since it is both measurable and available. Investment transactions are recorded on the settlement date.

Capital Assets

Capital assets include land, structures and equipment recorded at cost and are comprised of initial development costs, property betterments and additions, and modernization program costs. Donated capital assets are recorded at their estimated acquisition value at the date of the donation. Capital assets also include interest incurred during the construction phase, which is included as part of the capitalized amount of construction in progress. Assets capitalized generally have an original cost of five hundred dollars (\$500) or more, and a useful life in excess of one year. PHA depreciates these assets over their estimated useful lives using the straight-line method of depreciation. The useful lives are as follows:

Buildings	40 years
Building improvements	15 years
Roofs	10 years
Heavy equipment	7 years
Automobiles	5 years
Equipment	5 years
Computer equipment	3 years

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

Maintenance and Repairs

Maintenance and repair costs considered necessary to maintain facilities in good operating condition are charged to operations as incurred.

Impairment of long-lived assets

PHA and its component units review events or circumstances affecting their capital assets that may indicate a significant or unexpected decline in capital assets may have occurred. These events or circumstances affecting their capital assets, once identified by PHA and its component units, are tested to determine if the related capital assets are impaired. Accordingly, for assets determined to be impaired, as having a significant and unexpected decline in service utility, PHA and its component units use various methods to measure impairment based on the type of impairment.

Accounts Receivable

Management reviews the collectability of all accounts receivable on a periodic basis. An allowance for doubtful accounts has been established based on the history of past write-offs and collections, and current credit conditions.

Compensated Absences

A liability is recorded for compensated absences attributable to services already rendered and not contingent on a specific event outside the control of PHA and its employees, as employees earn the right to the benefits. Compensated absences that relate to future services or that are contingent on a specific event outside the control of PHA and its employees are accounted for in the period in which such services are rendered or in which such events take place.

Income Taxes

PHA is a Pennsylvania municipal authority and, as such, is exempt from income taxes and other state and local taxes. PHA believes it has not engaged in any activities for which its tax-exempt status would not be sustained under Internal Revenue Service examination or that would require filing of an income tax return for unrelated business income taxes.

Use of Restricted Assets

When both restricted and unrestricted resources are available for a particular restricted use, it is PHA's policy to use restricted resources first, and then unrestricted resources as needed.

Operating Revenues and Expenses

PHA defines operating revenues as income derived from operating subsidies, from charges to residents and others for services provided, and in the management of PHA assets. Operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. PHA classifies other revenues and expenses as non-operating.

Net Position Classifications

Net position is reported in four components:

- a. **Net investment in capital assets** – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. **Restricted grants and donations** – Consist of net position restricted to specific program services to be provided by PHA by agreement with either a grantor or contributor.
- c. **Restricted reserves** – Consists of net position restricted to specific properties' operations, debt service or capital improvement uses by (1) agreements with external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.
- d. **Unrestricted** – All other net position that does not meet the definition of "restricted" or "net investment in capital assets". In instances where unrestricted or restricted resources may be used to fund expenditure, the Authority will initially use restricted assets.

Note 2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Standards Adopted

GASB Statement No. 83 ("GASB 83"), *Certain Asset Retirement Obligations*, was issued November 2016 addresses accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability based on the guidance in this Statement. There was no impact on PHA's current year financial statements. PHA did not have AROs to recognize in the current year.

GASB Statement No. 84 ("GASB 84"), *Fiduciary Activities*, was issued January 2017 to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. There was no impact on PHA's current year financial statements. PHA's review of the statement determined that there were no changes required to PHA's reporting of fiduciary activities.

GASB Statement No. 88 ("GASB 88"), *Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements*, was issued in April 2018. This Statement was issued to improve the information that is disclosed in notes to government financial statements related to debt, including direct borrowings and direct placements. It also clarifies which liabilities governments should include when disclosing information related to debt. The Statement defines debt for purposes of disclosure in notes to financial statements, and requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default with finance-related consequences, significant termination events with finance-related consequences, and significant subjective acceleration clauses. PHA's debt disclosures were updated to include additional disclosures to Note 10 where necessary as required by the statement.

GASB Statement No. 90 ("GASB 90"), *Majority Equity Interests - an Amendment of GASB Statements No. 14 and No. 61*, was issued in August 2018. This Statement defines a majority equity interest and requires a majority equity interest that meets the definition of an investment be measured using the equity method. For all other holdings of a majority equity interest in a legally separate organization, a government should report it as a component unit. This Statement also requires that a component unit in which a government has a 100 percent equity interest, account for its assets, deferred outflows of resources, liabilities, and deferred inflows of resources at acquisition value at the date the government acquired a 100 percent equity interest in the component unit. There was no impact on PHA's current year financial statements.

GASB Statement No. 97 ("GASB 97"), *Certain Component Unit Criteria, and Accounting and Financial Reporting for IRS 457*, was issued in June 2020. The primary objectives of this Statement are related to the reporting of fiduciary component units and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans. The first two of four provisions are effective upon issuance. These requirements apply to defined contribution pension plans, defined contribution OPEB plans and other employee benefit plans. PHA's review of the statement determined that there were no changes required to PHA's reporting of its defined contribution pension plan.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Accounting Standards Issued But Not Yet Adopted

GASB Statement No. 87 (“GASB 87”), *Leases*, was issued in June 2017 to improve accounting and finance reporting for leases by governments. This Statement increases the usefulness of government financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. The requirements of this Statement are effective for PHA for year ending March 31, 2023.

GASB Statement No. 89 (“GASB 89”), *Accounting for Interest Costs Incurred Before the End of a Construction Period*, was issued in June 2018. This Statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. GASB 89 also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles. GASB 89 is effective for PHA for year ending March 31, 2022.

GASB Statement No. 91 (“GASB 91”), *Conduit Debt Obligations*, will be effective for PHA for year ending March 31, 2023. The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. This Statement clarifies the existing definition of a conduit debt obligation; establishing that a conduit debt obligation is not a liability of the issuer; establishing standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improving required note disclosures. GASB 91 is effective for PHA for year ending March 31, 2023.

GASB Statement No. 92 (“GASB 92”), *Omnibus 2020*, will be effective for PHA for year ending March 31, 2024. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. GASB 92 is effective for PHA for year ending March 31, 2023.

GASB Statement No. 93 (“GASB 93”), *Replacement of Interbank Offered Rates*, was issued in March 2020. The requirements of this Statement, except for paragraphs 11b, 13 and 14 are effective for PHA for year ending March 31, 2022. The requirements in paragraphs 11b, 13 and 14 are effective for PHA for year ending March 31, 2023. The objective of this Statement is to address those and other accounting and financial reporting implications that result from the replacement of an interbank offered rate (IBOR).

GASB Statement No. 94 (“GASB 94”), *Public-Private and Public-Private Partnerships and Availability Payment Arrangements*, will be effective for PHA for year ending March 31, 2024. The requirements of this Statement will improve financial reporting by establishing the definitions of public-private and public-public partnership agreements (PPPs) and availability payment arrangements (APAs) and providing uniform guidance on accounting and financial reporting for transactions that meet those requirements.

GASB Statement No. 96 (“GASB 96”), *Subscription-Based Information Technology Arrangements*, was issued in March 2020. This statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements for government end users. GASB 96 is effective for PHA for year ending March 31, 2024.

GASB Statement No. 97 (“GASB 97”), *Certain Component Unit Criteria, and Accounting and Financial Reporting for IRS 457*, was issued in June 2020. The primary objectives of this Statement are related to the reporting of fiduciary component units and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans. The remaining two provisions are effective for PHA for year ending March 31, 2023.

PHA's management is currently evaluating these new standards to determine what impact they will have on the Authority.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 3. Cash and Cash Equivalents and Investments

PHA's investment policies are designed to ensure compliance with Federal and State regulations including, but not limited to requirements set forth by HUD and Commonwealth of Pennsylvania guidelines (The Pennsylvania Public Funds Act). These policies restrict PHA's investments to obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities. PHA's current investment strategy involves a consideration of the basic risks of fixed income investing, including interest rate risk, market risk, credit risk and re-investment risk. In managing these risks, the primary factors considered are safety of principal, yield, liquidity, maturity and administrative costs.

All investments are held in secured custody accounts in the name of PHA. All investments are publicly traded, and the fair value was based on published quoted values or quoted values of similar securities.

It is PHA's policy to maintain a tri-party collateralization arrangement in accordance with the requirements of both HUD and the Commonwealth of Pennsylvania.

HUD defines three custodial credit risk categories for deposits as follows:

- (1) Insured or collateralized with securities held by the entity or by its agent (correspondent bank or Federal Reserve Bank) in the entity's name.
- (2) Collateralized with securities held by the pledging financial institution, trust department or agent in the entity's name.
- (3) Uncollateralized or collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the entity's name.

Philly Seeds, Inc., a blended component unit, is a nonprofit corporation that does not receive Federal funding. Philly Seeds follows PHA's investment strategies but is not restricted to investing in obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities.

At March 31, 2021, cash, cash equivalents and investments consisted of the following:

	Carrying Amount
Primary Government - Cash and cash equivalents	
Money market funds - Government Obligations	\$ 220,225,474
Money market funds - Banks	1,528,005
Demand deposits	12,289,201
Workman's compensation escrow fund held by third party	6,982,067
Petty cash	2,900
Total cash and cash equivalents	241,027,647
Primary Government - Investments	
Philly Seeds - Mutual Funds	587,728
Philly Seeds - Exchange-traded funds	312,289
Total investments	900,017
Total cash, cash equivalents and investments	\$ 241,927,664

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 3. Cash and Cash Equivalents and Investments (Continued)

Reconciliation of detail to statement of net position:

	Primary Government	Discrete Component Units
Cash and cash equivalents	\$ 214,324,405	\$ 11,682,563
Restricted cash and cash equivalents	26,703,242	36,293,120
Restricted investments	900,017	-
	\$ 241,927,664	\$ 47,975,683

Unrestricted cash and cash equivalents consist mainly of demand deposits which are earmarked towards the funding of certain liabilities and future obligations and used for day-to-day operations. All funds on deposit are FDIC insured up to \$250,000 per institution or are fully collateralized in accordance with guidance recommended by HUD. Depository accounts maintaining federal funds are fully collateralized by Treasury and/or Federal Agency securities.

Securities are held with a third-party custodian financial institution. The collateral for the securities must be held in an account separate and apart from the assets of the financial institution.

Restricted cash, cash equivalents and investments at March 31, 2021 pertain to the following:

	Primary Government	Discrete Component Units
Restricted cash and cash equivalents:		
ACC transition reserves	\$ -	\$ 1,839,336
Affordability reserves	4,517,054	1,295,038
Bond debt service reserves	1,182,788	-
Cash collateral reserves	-	5,647,459
Choice Neighborhood Initiatives (CNI) endowment	1,410,699	-
Donor restricted - scholarships / workforce training program	186,620	-
FSS escrow deposits	1,538,065	-
Grant advances - CARES Act	316,087	-
Grant advances - Other grants	463,095	-
Investment equity / capital reserves	-	784,173
Mortgage escrow deposit	-	19,618
Operating reserves	2,845,154	7,206,569
Real estate tax and insurance escrows	-	698,427
Replacement reserves	6,378,913	11,507,508
Resident security deposits	858,411	539,520
Re-tenanting reserve	-	269,738
Revenue deficit reserve	-	30,000
Supportive service reserves	-	1,594,952
Transformation / operating subsidy reserves	-	4,713,983
Workman's compensation escrow fund held by third party	6,982,067	-
Other reserves	24,289	146,799
	26,703,242	36,293,120
Investments		
Donor restricted - scholarships / workforce training program	900,017	-
	900,017	-
Total restricted cash, cash equivalents and investments	\$ 27,603,259	\$ 36,293,120

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 3. Cash and Cash Equivalents and Investments (Continued)

Total bank balances for primary government and component units as of March 31, 2021 were \$11.1 million and \$14.6 million, respectively.

Additional information about PHA's investment portfolio is presented below:

	<u>Amount</u>	<u>Maturity</u> <u>0 - 12 Months</u>	<u>1 - 2 Years</u>	<u>Rating</u> <u>S&P</u>	<u>Moody</u>
First American Government Obligations Fund	\$ 220,225,474	\$ 220,225,474	\$ -	N/A	N/A
Wells Fargo - Executive Health Protection Plan	1,528,005	1,528,005	-	N/A	N/A
	<u>\$ 221,753,479</u>	<u>\$ 221,753,479</u>	<u>\$ -</u>		

	<u>Cost</u>	<u>Fair Value</u>
Mutual funds	\$ 588,696	\$ 587,728
Exchange-traded funds	300,053	312,289
	<u>\$ 888,749</u>	<u>\$ 900,017</u>

The First American Government Obligations Fund invests primarily in short-term, high quality fixed-income securities such as U.S. Government Agency debt, U.S. Government Agency repurchase agreements, U.S. Treasury debt and U.S. Treasury repurchase agreements. The First American Government Obligations Fund is managed to meet the requirements of Rule 2a-7 under the Investment Company Act of 1940, as amended. It can be reasonably expected to have a fair value that will be unaffected by interest rate changes. As such, the government obligations fund uses amortized cost to approximate fair value.

Credit Risk

Credit risk is defined as the risk associated with an issuer of an investment who may not fulfill its obligation to the holder of the investment. PHA's policy is to mitigate this credit risk by investing only in approved securities rated in the highest category of at least one of the following three national rating agencies (Standard & Poor's, Moody's and Fitch).

Concentration of Credit Risk

PHA's policy is to mitigate concentration risk by permitting no more than 10 percent of the operating portfolio value to be invested in securities issued by a single entity. This limit shall not apply to cash or cash equivalents or investments guaranteed by the full faith and credit of the United States of America. PHA strives to invest only in AA and AAA rated Federal Agency and/or U.S. Treasury securities. Therefore, PHA's policy does not place a limit on investments with any one issuer. PHA's demand deposits are maintained in fully collateralized money market and interest-bearing accounts. Consequently, PHA does not limit deposits to any one bank. Nevertheless, PHA strives to diversify holdings in cash and cash equivalents, whenever possible, to further minimize any potential concentration of credit risk.

Interest Rate Risk

Interest rate risk is the risk that changes in interest will adversely affect the fair value of PHA's investment portfolio. In accordance with PHA's investment policy, interest rate risk is mitigated by investing mostly in U.S. Treasury securities, or securities issued by the U.S. Government and their instrumentalities. To further mitigate this risk, the PHA ensures at least 40% of its aggregate portfolio matures within one year.

Custodial Credit Risk for Cash and Cash Equivalents and Investments

Custodial credit risk is contingent on the health of a depository financial institution. In the event of the failure of a depository financial institution that holds PHA funds or investments, PHA may not be able to recover its deposits, or be able to recover collateral securities that are in the possession of an outside party. PHA's policy is to mitigate the risk by monitoring the financial stability of such depository banks and trust agents holding said collateral.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 3. Cash and Cash Equivalents and Investments (Continued)

Custodial Credit Risk for Cash and Cash Equivalents and Investments Continued

In order to protect against this risk, PHA prohibits custodial banks from holding securities purchased for the PHA and purchasing such securities from brokers or dealers related to the custodial bank, unless a provision to the contrary is negotiated with and agreed to by PHA as part of a credit or borrowing program. The custodial risk for investment is the risk that, in the event of the failure of the counter party (e.g., broker/dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party.

Restricted Funds

PHA and component units maintain funds that are restricted in use either by contractual agreement or at the specific direction of HUD. Some of these restricted funds are held by third-party trustees. These restricted funds are available for disbursement for their intended uses. The Philly Seed endowment fund of \$900k is for scholarships to PHA residents.

Fiduciary Fund

The fair value of the Plan's investments by fund manager, including short-term investments of \$1,010,468 for 2020, included in cash and cash equivalents on the Statement of Fiduciary Net Position are as follows:

Cash and Cash Equivalents	\$ 1,010,468
Investments	
Equity Fund Managers:	
Morgan Stanley Funds	27,990,977
Waddell & Reed Investment Management Company	10,424,946
Grantham Mayo Van Otterloo & Co., LLC (GMO)	17,198,250
Chartwell Investments	7,780,339
Westfield Capital	11,259,943
Barrow Asset Management	9,644,033
Total equities	84,298,488
Fixed Income Fund Managers:	
Prudential Retirement	56,019,968
City of London Investment Management Company	26,896,316
Loomis, Sayles & Company L.P.	25,397,740
Total fixed income	108,314,024
Total investments by fund managers	192,612,512
Total Cash and Cash Equivalents and Investments	\$ 193,622,980

Method Used to Value Investments

Investments are reported at fair value based on quoted market prices. Short-term investments are reported at cost, which approximates fair value. Securities traded on national or international exchanges are valued at the last reported sales price at current exchange rates. All plan assets are managed by outside fund managers.

Deposits and Investments

Accounting Standards require that deposits and investment risks that have a potential for loss be disclosed. These investments and deposits are uninsured, and not registered in the name of the Plan, and are held by either (a) the counterparty or (b) the counterparty's Trust Department agent, but not in the Plan's name. No such investments or deposits were noted under the Plan.

Pursuant to the Plan's investment policy, the Plan may invest in the following types of investments: domestic and international equities, domestic debt, global debt, global fixed income, private equity and real estate.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 3. Cash and Cash Equivalents and Investments (Continued)

Investments that represent five (5) percent or more of fair value of the Plan's assets available for benefits at October 31, 2020 are as follows:

International Equity Portfolio Class I	\$ 27,990,977
Core Bond Enhanced Index/PGIM	27,977,239
Emerging (Free) Markets Country Fund	26,896,316
NHIT: Multisector Full Discretion Trust	25,397,740
Dryden S&P 500 Index Fund	20,584,101
Global Asset Alloc. Fund-III	17,198,250

Note 4. Fair Value Measurements

Investments measured and reported at fair value are classified according to the following hierarchy in which the levels are based on the type of inputs used to measure the fair value of the investment:

- Level 1 – Investments' fair values based on prices quoted in active markets for identical assets.
- Level 2 – Investments' fair values based on observable inputs for the assets either directly or indirectly, other than those considered Level 1 inputs, which may include quoted prices for identical assets in markets that are not considered to be active, and quoted prices of similar assets in active or inactive markets.
- Level 3 – Investments' fair values based upon unobservable inputs.

Investment categories within the hierarchy are based on the objectivity of the inputs used in measuring the fair value of investments. Investments classified in Level 1 of the fair value hierarchy are valued from external pricing vendors or primary dealers who source quoted prices in active markets which are readily attainable exit values of these securities. Investments classified in Level 2 are subject to alternative pricing sources, including a combination of price sources, descriptive data and pricing models based on attributes such as spread data, sector, quality, duration, and prepayment characteristics.

Investments classified as Level 3 are valued using best available sources such as property appraisals, discounted cash flow models and public market comparable of similar assets where applicable. The values are supplied by advisors or general partners who hold those or similar assets in investments vehicles they oversee.

Fair Value – Authority's Investments

As indicated earlier, the Authority's investments are primarily in obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities. The investment categories follow:

Money market funds: This investment category consists of highly liquid investments such as money market funds. These investments are rendered Level 1 in the fair value hierarchy.

Mutual funds and exchange-traded funds: These investment categories are classified in Level 1 of the fair value hierarchy and are valued using automated pricing method from external pricing groups or secondary vendors who obtain quoted prices in active markets/exchanges which provide daily pricing frequencies and values of these securities.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 4. Fair Value Measurements (Continued)

The Authority's investments and securities have the following fair value measurements as of March 31, 2021:

	Totals	Quoted Prices in Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Money Market Funds	\$ 1,528,005	\$ 1,528,005	\$ -	\$ -
Mutual funds	587,728	587,728	-	-
Exchange-traded funds	312,289	312,289	-	-
Total Investments at Fair Value Level	2,428,022	\$ 2,428,022	\$ -	\$ -
Government Obligations Fund, at Amortized Cost	220,225,474			
	\$ 222,653,496			

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 4. Fair Value Measurements (Continued)

Fair Value - Fiduciary Fund

The Pension Trust Fund (the "Plan") applies the accounting provisions related to fair value measurements. These provisions define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, establish a hierarchy that prioritizes the information used in developing fair value estimates and require disclosure of fair value measurements by level within the fair value hierarchy. The hierarchy gives the highest priority to quoted prices in active markets (Level 1 measurements) and the lowest priority to unobservable data (Level 3 measurements), such as the reporting entity's own data.

These provisions also provide valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flows), and the cost approach (cost to replace the service capacity of an asset or replacement cost). The Plan's investment categories are:

Cash and cash equivalents: This investment category consists of highly liquid investments having a maturity of 90 days or less, with minimal risk of a change in value due to their frequent pricing and ease of converting to cash. As such, these investments are rendered Level 1 in the fair value hierarchy.

Common stocks and mutual funds: These investment categories are classified in Level 1 of the fair value hierarchy and are valued using automated pricing method from external pricing groups or secondary vendors who obtain quoted prices in active markets/exchanges which provide daily pricing frequencies and values of these securities.

Investments measured at net asset value: Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Position.

The following table represents the Plan's investments and securities recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of October 31, 2020.

	October 31, 2020			
	Quoted Prices in Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Fair Value Measurements
Cash and Cash Equivalents	\$ 1,010,468	\$ -	\$ -	\$ 1,010,468
Common Stocks	39,109,261	-	-	39,109,261
Mutual Funds	45,189,227	-	-	45,189,227

Note 4. Fair Value Measurements (Continued)

Fair Value - Fiduciary Fund

The following table represents the Plan's investments and securities recognized at the Net Asset Value (NAV) as of October 31, 2020:

Investments Measured at NAV	10/31/2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Dryden S&P 500 Index Fund	\$ 20,584,101	\$ -	Daily	60 days
Core Bond Enhanced Index/PGIM	27,977,239	-	Daily	30 days
Prudential Short-Term Fund	7,458,628	-	Daily	7 days
Emerging (Free) Markets Country Fund	26,896,316	-	7 - 30 days	2 - 30 days
NHIT: Multisector Full Discretion Trust	25,397,740	-	Daily	1 day
Total investments measured at NAV	\$ 108,314,024	\$ -		

1. Dryden S&P 500 Index Fund primarily invests in domestic equities. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.
2. Core Bond Enhanced Index/PGIM primarily invests in domestic fixed income securities. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.
3. Prudential Short-Term Fund is comprised of short-term securities. Securities are valued initially at cost and then adjusted for amortization of any discount or premium.
4. Emerging (Free) Markets Country Fund aims to achieve long-term capital growth by investing in emerging markets. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.
5. NHIT: Multisector Full Discretion Trust invests in equities, corporate bonds, and other various derivative investments. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.

Note 5. Receivables

Rents are due from tenants on the first day of each month. As a result, tenant receivable balances primarily consist of rents past due and due from vacated tenants. An allowance for doubtful accounts is established to provide for accounts which may not be collected in the future for any reason.

Accounts receivable at March 31, 2021 was comprised of the following:

	Primary Government	Discrete Component Units
Tenant receivables	\$ 7,065,542	\$ 2,116,429
Due from HUD	158,351,629	-
Due from other governments	1,965,324	-
Accrued interest	6,400	288
Development fees	10,260,425	-
Due from affiliates	3,582,707	1,321,885
Miscellaneous	1,739,886	82,277
	182,971,913	3,520,879
Less allowance for doubtful accounts	(7,520,429)	(961,558)
	\$ 175,451,484	\$ 2,559,321

Due from HUD mainly represents MTW Revenues from HCV Section 8 Programs held by HUD under the Cash Management System. Under the MTW Agreement, PHA has recognized related revenue because PHA has legal claims on the funds which are available to be requested from HUD upon submission of the allowable expenditures under the MTW Agreement.

Note 6. Other Current Assets and Other Assets

Other assets at March 31, 2021 were comprised of the following:

	Primary Government	Discrete Component Units
Current		
Prepaid expenses	\$ 1,537,171	\$ 532,131
Materials and supplies, net	752,936	-
	\$ 2,290,107	\$ 532,131
Noncurrent		
Turnkey homes held for resale	\$ 88,012	\$ -
Advances to acquire property	2,191,783	-
Deferred tax credit compliance and monitoring fees, net of amortization	5,162	1,664,271
Prepaid ground lease	-	260,491
Other	-	84,120
	\$ 2,284,957	\$ 2,008,882

Note 6. Other Current Assets and Other Assets (Continued)

PHA entered into an agreement with the Philadelphia Redevelopment Authority (PRA) to use PHA's powers of eminent domain to condemn privately and publicly owned properties in the Blumberg/Sharswood area of Philadelphia for redevelopment. The initial condemnation plan forecast is approximately \$44 million dollars for the acquisition of over 1,000 properties. This amount may be adjusted based on the final property appraisals and valuation. The valuation includes the market rate cost to purchase residential lots, commercial lots, residential structures, commercial structures, and related administrative costs.

The redevelopment plan will encompass developing 1,200 new units, including affordable rental units and affordable homeownership units. PHA also plans to build market rate units for rent and for sale, develop retail space, relocate PHA headquarters, and renovate a neighborhood school. The transformations will double the number of PHA affordable housing units in Blumberg/Sharswood area. PHA has transferred \$27,000,000 to PRA to cover costs associated with the initial property acquisition and condemnation undertakings. As of March 31, 2021, PRA acquired properties amounting to \$24,808,217 included in the construction in progress.

Note 7. Capital Assets

Capital assets for the year ended March 31, 2021 were as follows:

Primary Government	Beginning Balance Restated	Increases	Decreases	Transfers	Ending Balance
Capital assets not being depreciated					
Land	\$ 23,271,596	\$ 10,654	\$ (79,230)	\$ 7,214,182	\$ 30,417,202

Note 7. Capital Assets (Continued)

Construction in progress represents costs incurred on open development projects or on major improvement projects. PHA recognizes construction in progress on the accompanying statement of net position until such time as the assets are placed in service and transferred to the applicable capital asset class on a development by development basis. These projects were at various stages of completion at March 31, 2021. Upon transfer to the proper capital asset class, these capital assets will be depreciated over their estimated useful lives.

Note 8. Mortgages and Notes Receivable

Mortgages and notes receivable are summarized as follows:

(a) Mortgage note due from a third party with interest rate of 3.65% and maturity date of December 2061	\$ 21,826,903
(b) Mortgage note due from a third party with interest rate of 3.00%, secured by Roberto Clemente Homes and subordinate to the other Senior Loans; and maturity date of May 2057	1,200,000
(c) Mortgage note due from a third party with interest rate of 3.00%, secured by the property; and maturity date of September 2059	2,400,000
(d) Subsidy loans notes due from multiple homebuyers with 0% interest rate, secured by the homebuyers properties; due if properties are sold within 10 years and forgiven after 20 years of execution date	2,175,000
(e) Note receivable due from a third party with interest rate of 2.00%, secured by interest and rights of the borrower in the Sharswood North Lot; maturity date of October 2030	19,703,100
(f) Mortgage note due from a third party with 2% interest rate, secured by the manager's interest in Sharswood 1, LLC and proceeds; maturity date of November 2030	652,798
(g) Note receivable due from a third party with 0% interest rate, secured by the manager's interest in Sharswood 1 Garage LLC and proceeds; maturity date of November 2030	632,000
(h) Mortgage note due from a third party with interest rate of 0% during construction then 1.00% after completion of construction, secured by Norris Homes Phase V and subordinate to the First Mortgage Note; maturity date of December 2059	4,126,835
(i) Mortgage note due from a third party with interest rate of 0% during construction then 1.00% after completion of construction, secured by borrower's right, title, and interest in and to the land and improvements, and proceeds; maturity date of December 2060	1,351,335
(j) Note receivable due from a third party with interest rate of 1.00% secured by borrower's right, title, and interest in and to the land and improvements, and proceeds; maturity date of July 2058	1,500,000
(k) Mortgage note due from a third party with interest rate of 1.00% secured by Susquehanna Townhome Apartments and subordinate to the First Mortgage Note; maturity date of November 2060	55,556
(l) Amounts due from PHA component units, at interest rates ranging from 0% to 10% and maturity dates ranging from November 2040 to November 2069 (Note 10)	274,582,499
Mortgage and notes receivable from third party and discrete component units	330,206,026
Accrued interest from third party and discrete component units	67,552,978
	\$ 397,759,004

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 8. Mortgages and Notes Receivable (Continued)

- (a) The amount of \$22.6 million due from Courtyard Preservation, LP, is in connection with the sale of the rental housing project "*The Courtyard Apartments at Riverview*," by Southwark Plaza Limited Partnership ("Southwark"), a previous component unit of PHA, to Courtyard Preservation, LP; a Pennsylvania limited partnership ("Courtyard"), on December 28, 2016.

At closing under the purchase contract, PRA and Southwark as legal and beneficial owner of the property conveyed their interest in land to PHA and transferred the improvements to Courtyard, and PHA leased the land to Courtyard. Southwark paid PHA the sum of \$12 million because of the PHA mortgages, and Courtyard assumed the outstanding balance of PHA's mortgage. At closing, Courtyard executed a replacement promissory note in the remaining principal amount of \$21,826,903. The balance, including accrued interest, was \$25,022,432 at March 31, 2021. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 30, 2061 and limited to Courtyard's interest in the land and the property.

- (b) PHA issued a loan to Roberto Clemente Homes, L.P in the amount of \$1.2 million for the purpose of providing funds for the substantial rehabilitation of a building to include 38 units of permanent rental housing for low-income residents located at Roberto Clemente Condominium. The loan note was executed on May 31, 2017. The balance, including accrued interest, was \$1,272,000 at March 31, 2021. The remaining principal, if unpaid, plus accrued interest shall be due and payable on May 31, 2057.

- (c) The amount of \$2,400,000 represents a loan agreement between Susquehanna Square Housing LP, and PHA. This PHA note was issued for the purpose of providing funds for the development of thirty-seven (37) units in Susquehanna. The balance, including accrued interest, was \$2,418,000 at March 31, 2021.

Provided no Event of Default shall occur, no interest shall accrue on the loan prior to construction completion; thereafter, simple interest shall accrue at a rate of three percent (3%) per annum on the principal amount due under the note. The entire outstanding balance of this PHA note, including all unpaid principal, accrued interest, and any other outstanding sums, are due and payable in full upon the expiration of 40 years on September 2059.

- (d) In March 2019, PHA amended and executed a Memorandum of Understanding (MOU) with Habitat for Humanity Philadelphia, Inc. (HFHP) for funding in the maximum amount of \$3,500,000 regarding HFHP's 20-unit homeownership project known as Oxford Green, located on the 2300 block of W. Oxford Street, Philadelphia, PA (the "Project"). The Project will be constructed on two blocks: Block 1 and Block 2. Block 1 will consist of 9 townhomes on the property identified as 2300 W. Oxford. Block 2 will consist of 11 townhomes on the property identified as 2350 W. Oxford, also known as 1515-21 N. 24th Street. The PHA funding will assist low-income homebuyers by subsidizing the purchase price of their house and will also be used to pay a portion of HFHP's costs.

PHA shall provide a purchase price subsidy loan to each HFHP buyer in the amount of \$145,000 at the closing for the sale of each unit. The purchase price subsidy loan shall be secured by a note and a mortgage that will be recorded in a second lien position. \$1,740,000 of payments were made to home buyers during this fiscal year, with a total outstanding as of March 31, 2021 of \$2,175,000.

- (e) In October 2020, entered into a loan agreement with COCRF Investor 170, LLC in the principal amount of \$19,703,100 for the construction of commercial and rental property at the Sharswood North Lot site. Monthly interest only payments are due each month until November 2027 when interest and principal payments begin until the maturity date of October 2030. Interest payments of \$167,476 were received by PHA during fiscal year ending March 31, 2021. The outstanding principal balance as of March 31, 2021 was \$19,703,100 and accrued interest was \$0.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 8. Mortgages and Notes Receivable (Continued)

- (f) In October 2020, entered into a loan agreement with Sharswood 1, LLC in the principal amount of \$4,664,900 for the construction of commercial and rental property at the Sharswood North Lot site. Monthly interest only payments are due each month until November 1, 2022 when interest and principal payments begin until the maturity date of November 1, 2030. The outstanding balance as of March 31, 2021 was \$654,811, including accrued interest of \$2,014.
- (g) In October 2020, entered into a loan agreement with Sharswood Garage 1, LLC in the principal amount of \$632,000 for the construction of a parking garage at the Sharswood North Lot site. Interest shall accrue at a rate of zero percent (0%) per annum on the principal amount due. The balance was \$632,000 at March 31, 2021. The outstanding balance shall be due and payable on November 1, 2030.
- (h) PHA issued a loan to Rose Norris Homes, LLC in the amount of \$9,602,500 for the purpose of providing funds for the construction of a building to include 133 units of permanent rental housing for low-income residents located at Norris Homes Phase V. The loan note was executed on December 18, 2019. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note following Conversion. The balance was \$4,126,835 at March 31, 2021, with accrued interest of \$0. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 18, 2059.
- (i) PHA issued a loan to Sharswood Phase I LLC in the amount of \$4.7 million for the purpose of providing funds for the construction of a building to include 60 units of permanent rental housing for low-income residents located at Hunt Sharswood Phase I. The loan note was executed on December 18, 2020. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note following Permanent Mortgage Commencement. The balance was \$1,351,355 at March 31, 2021. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 18, 2060.
- (j) PHA issued a loan to HELP PA VI LP in the amount of \$1.5 million for the purpose of providing funds for the substantial rehabilitation of a building to include 55 units of permanent rental housing for low-income residents located at Hunt HELP Philadelphia VI – Reynolds School. The loan note was executed on July 27, 2020. The balance, including accrued interest, was \$1,504,623 at March 31, 2021. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note. The remaining principal, if unpaid, plus accrued interest shall be due and payable on July 27, 2058.
- (k) PHA issued a loan to Susquehanna Net Zero Housing LP in the amount of \$6.5 million for the purpose of providing funds for the substantial rehabilitation of a building to include 78 units of permanent rental housing for low-income residents located at Susquehanna Townhome Apartments. The loan note was executed on November 12, 2020. The balance was \$55,556 at March 31, 2021, with accrued interest of \$0. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note. The remaining principal, if unpaid, plus accrued interest shall be due and payable on November 12, 2060.
- (l) The amounts due from the component units represent advances of various HUD grants under the Moving to Work Program, Hope VI Program and other capital fund programs. The offsetting liability of the discrete component units is included in long-term debt and accrued interest (Note 10). The mortgage and interest receivable and the respective liabilities net to zero except for \$1,430,519 in advances made to component units and timing differences of interest receivables and payables between December 31, 2020 and March 31, 2021.

Note 10. Long-Term Debt (Continued)

The Tasker Capital Fund Revenue Bonds, Series A and the RDA Bonds related to the Tasker I project ("Bonds"), are limited obligations of PHA and were issued on a parity basis pursuant to Trust Indentures ("indentures") dated July 1, 2002 between PHA and Wachovia Bank, N.A. (now Wells Fargo Bank), as Trustee ("Trustee"), to provide funds for the indicated projects and other PHA projects. Repayment of the bonds is collateralized by a security interest in a portion of PHA's Capital Fund Allocations ("grants") from HUD. Such grants are subject to the availability of appropriations and are to be paid directly by HUD to the Trustee. In the event of a default, the Trustee shall apply all Capital Fund Allocations from HUD required to pay debt service on the Bonds pursuant to the HUD Approval Letter, the ACC Financing Amendment and the Indenture and shall enforce the ACC Financing Amendment against the Authority and HUD.

On June 1, 2017, PHA on behalf of the Philadelphia Housing Authority Development Corporation ("PHADC") issued General Revenue Bonds (PHA Headquarters Project) Series 2017 with an aggregate principal amount of \$28,870,000. The Bonds are limited obligations of PHA payable solely from (i) amounts to be paid by PHADC, which amounts consist of project revenues, which include payments of base rent to be paid by PHA under the lease and (ii) other funds available to the Trustee under the Indenture. The obligation to pay the base rent is a general obligation of PHA secured by a pledge of its general revenues under the lease. PHA approved the appointment of U.S. Bank National Association as the Trustee under the Indenture. The Bonds include an acceleration provision that should any Event of Default occur and be continuing, then the Trustee may declare the principal of all bonds then outstanding to be due and payable immediately together with interest accrued.

Bonds maturing on or after May 1, 2028, are subject to optional redemption by PHA, as a whole or in part at any time on or after May 1, 2027, at a redemption price equal to the principal amount plus accrued interest to the redemption date. The bonds maturing in 2030, 2033, 2035, 2037, 2039, 2042, and 2047 are subject to mandatory sinking fund redemption on the dates and in the amounts specified in the Official Statement.

Under the indentures, certain component units are required to maintain a debt service fund equal to the annual debt service requirements. The notes agreements for the component units include provisions that in the event of a default all outstanding principal and interest balances are immediately payable.

Capital Lease Obligation

On April 7, 2017, PHA and Enterprise Fleet Management, Inc. ("Enterprise") executed a contract whereby PHA will commence leasing vehicles from Enterprise for a term of 5 years. PHA leased 79 vehicles in fiscal year 2021. PHA has a total of 297 vehicles leased from Enterprise. At the end of the lease terms, the vehicles will be returned to Enterprise. The cost of vehicles acquired under the capital lease was \$8,413,910 and accumulated depreciation was \$3,248,971 as of March 31, 2021. The net amount is included in capital assets in the statement of net position. The depreciation expense on assets recorded under the capital lease for the year ended March 31, 2021, was \$1,367,712.

The balance of capital lease obligation was \$5,491,595 as of March 31, 2021. The future minimum capital lease payments are as follow:

<u>Years Ending March 31</u>	
2022	\$ 1,740,633
2023	1,557,077
2024	1,129,689
2025	711,231

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 12. Workers' Compensation Insurance

PHA maintains a loss-sensitive Workers' Compensation & Employer's Liability insurance policy whereby PHA has responsibility to pay a significant portion of claims. For the policy periods which incepted from October 15, 2008 through October 15, 2020, except for the policy period from October 15, 2015 to October 15, 2016 (see below), PHA was insured under a large-deductible Workers Compensation program whereby PHA was responsible to pay the first \$350,000 of Workers Compensation & Employers Liability claims for each and every occurrence. Losses were accrued based on the insurance carrier's estimate of losses attributable to the claims filed in each policy year, and the estimated losses for each policy year are updated periodically by the insurance carrier. PHA is required to fund the estimated losses into an escrow account held by the insurance carrier, and claims incurred are paid out of the escrow fund on a recurring basis until all claims from those policy terms are closed. As of March 31, 2021, the balance in the escrow fund related to the large deductible policies, which incepted in October 15, 2008 through October 15, 2020 was \$7.0 million and is included in restricted cash and cash equivalents in the statement of net position. The estimated future amounts payable against the escrow fund based on anticipated development of existing open claims is \$3.1 million. This amount is recorded as other liabilities. See Note 11.

For the policy period from October 15, 2015 to October 15, 2016, PHA renewed its Workers' Compensation & Employer's Liability insurance under an Incurred Loss Retrospective Program. Under such a Retro program, PHA maintains responsibility to pay for the first \$350,000 of each claim arising out of an occurrence during the policy term, but the calculation of the final Retro program cost is slightly different. Based on claims valued as of March 31, 2021, and applying the insurance company program factors, PHA has a credit balance of \$95,877.

Changes in liability for workers compensation for the past two years are as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
For the year ended March 31, 2021	\$ 3,145,890	\$ 6,233,828	\$ (6,285,080)	\$ 3,094,638
	Beginning Balance	Increases	Decreases	Ending Balance
For the year ended March 31, 2020	\$ 3,725,311	\$ 8,777,614	\$ (9,357,035)	\$ 3,145,890

Note 13. Employees' Retirement Plans

Defined Benefit Pension Plan

Plan Description

PHA contributes to the Philadelphia Housing Authority Retirement Income Plan (the "Plan"), which was initiated on November 1, 1952. The Plan is a single-employer plan which issues separate financial statements, a copy of which may be obtained by contacting PHA's office. Employees are required to contribute 5.5% of total salary to the Plan on a pre-tax basis. The following table provides information concerning covered employees and benefit provisions for the Plan.

Plan participants at November 1, 2019 were as follows:

Active	328
Vested terminations	221
Retiree and beneficiary currently receiving benefits	1,446
Total	1,995

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 13. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Covered employees	As of March 31, 2021, the Plan covered non-represented employees hired before October 1, 2005. <i>In April 2014, non-represented employees' benefits were frozen.</i>
Current annual covered payroll	\$1,979,929
Normal retirement date	65 th birthday
Normal retirement benefit	2.5 percent of average earnings, as defined in the Plan, multiplied by the years of service not to exceed 25 years, plus 1.25 percent of average earnings multiplied by years of service in excess of 25 years.
Death benefit	The Plan contains provisions for the payment of benefits to surviving spouses of employees.

Actuarially Determined Contribution Requirements and Contributions Made

Actuarially determined contributions are required to provide enough assets to pay benefits when due and are determined using the entry age normal method. Under this method, the actuarial present value of projected benefits of everyone included in an actuarial valuation is allocated on a level basis over the earnings of service of the individual between entry age and assumed exit age. The portion of actuarial present value allocated to each valuation is called the normal cost. The significant actuarial assumptions used to compute the actuarial determined contributions are as follows:

- a) A rate of return on the investments of 7.00 percent per year
- b) Projected salary increases of 3.00 percent per year
- c) No post-retirement benefit increase

Funding Policy

PHA's funding policy is determined by the Plan design and collective bargaining agreements. All participants are required to pay into the pension fund an amount equal to 5.5 percent of compensation. At a minimum, the employer contributes 5.5 percent of the participant's annual compensation. Additional employer contributions are discretionary and based upon actuarial computations.

The Plan's assets are placed in custodial Plan accounts, all reported at fair value. The Plan's investments are stated at fair value, if available, quoted market prices are used to value investments. Any investments with the Plan custodian which have no quoted market price are valued by the Plan's custodian at estimated fair value. Several factors are considered in arriving at fair value.

The PHA Pension Board has the authority for establishing and amending the Plan provisions.

Note 13. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Net Pension Liability

At March 31, 2021, PHA reported a net pension liability of \$70,965,795. The components of the net pension liability of the Plan were measured at October 31, 2020, and were as follows:

Total pension liability	\$ 264,581,730
Plan fiduciary net position	193,615,935
Authority's net pension liability	<u><u>\$ 70,965,795</u></u>
Plan fiduciary net position as a percentage of the total pension liability	<u>73.18%</u>

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation for the October 31, 2020 measurement period, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation rate	<i>2.50 percent</i>
Salary increases	<i>3.00 percent, average including inflation</i>
Investment rate of return	<i>7.00 percent, net of pension plan, net of pension plan investment expense, including inflation</i>

At October 31, 2020 measurement date, mortality rates were based on the PubG-2010 Total General Mortality Tables for Males and Females, projected on a generational basis using Scale MP-2019.

The actuarial assumptions used in the valuation for the October 31, 2020 measurement period were based on past experience under the Plan and reasonable future expectations which represent the Plan's best estimate of anticipated experience. The most recent experience study was based on experience from November 1, 2013 through October 31, 2019.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

As a result of the most recent experience study, the following assumptions were modified:

- The mortality projected on a generational basis using Scale MP-2018 was changed to Scale MP-2019. The tables for Active, Vested Terminated, Healthy Retirees and Beneficiaries were changed from the RP2014 tables to the PubG-2010 tables set forward 3 years for Healthy Retirees and set forward 2 years for Healthy Beneficiaries.
- The assumed investment return was reduced from 7.25% to 7%.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 13. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of October 31, 2020 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Domestic equity	35.0%	5.4 - 6.4%
International equity	25.0%	5.5 - 6.5%
Fixed income	28.0%	1.3 - 3.3%
Real estate	10.0%	4.5 - 5.5%
Cash	2.0%	0.0 - 1.0%

Rate of return

For the year ended October 31, 2020, the annual money-weighted rate of return on Plan investments, net of the Plan investment expense, was 4.65%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts invested.

Discount Rate

The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that Plan member contributions will be made at the current contribution rate and that Plan contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability of the Authority, calculated using the discount rate of 7.00%, as well as what the Authority's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.00%) or 1-percentage point higher (8.00%) than the current rate:

	1% Decrease (6.00%)	Current Discount Rate (7.00%)	1% Increase (8.00%)
Authority's net pension liability	\$94,931,662	\$70,965,795	\$50,407,027

The following represents the changes in the PHA's net pension liability, components thereof, deferred outflows and inflows of resources. The information is presented as part of the current year reporting under GASB 68, *Accounting and Financial Reporting for Pensions*. Detailed information relating to the plan description, funding policy, actuarial methods and assumptions, expected rate of return-on-investment rate of return on investments and discount rate are reported above.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 13. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Deferred outflows of resources and deferred inflows of resources related to pension will be recognized as a component of pension expense as follows:

Years Ending March 31,	
2022	\$ (4,186,729)
2023	2,521,888
2024	(751,648)
2025	852,599
Total	<u>\$ (1,563,890)</u>

Risks and Uncertainties

The Plan invests in several investment instruments that may be exposed to various risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Plan Net Position.

In March 2020, the World Health Organization declared the outbreak of the coronavirus disease (COVID-19) as a pandemic. The outbreak in the United States has negatively impacted economies and global financial markets. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. Based on the Plan's intent to hold the investments for a reasonable period of time sufficient for a recovery of fair value, the Plan's management considers any losses or reduction in appreciation to be temporary. However, because of the uncertainty of the duration or impact of this pandemic, the near- and long-term financial impact cannot be reasonably estimated at this time.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics as of the date of the calculation. As a result of the pandemic, all the assumptions used in the actuarial present value of accumulated plan benefits are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is reasonably possible that an actuarial calculation of the present value of the accumulated plan benefits made subsequent to October 31, 2020, could result in changes in the assumptions used and an estimate that could be materially different from the amounts reported and disclosed in the accompanying financial statements.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements

Note 13. Employees' Retirement Plans (Continued)

Defined Contribution Plan

On April 1, 2001, PHA (Plan Sponsor) established a defined contribution plan for providing retirement benefits for its executive management. Effective in October 2005, all newly hired, non-represented employees were required to participate in the Plan. The Plan was originally established as a contributory participant directed "Money Purchase Plan". However, the Plan was subsequently amended to be a tax-qualified "Profit Sharing Plan". Non-represented permanent employees of PHA are eligible for participation in the Plan beginning on the first of the month following the date of hire.

The Plan is a qualified defined contribution plan that satisfies the applicable requirements of Section 401(a) of the IRS Code and the reporting requirements pursuant to Pennsylvania Act 203. However, the Plan is a government plan and, therefore, is not subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

In April 2011, most union employees who had their benefits frozen in the PHA Retirement Income Pension Plan began participating in the Plan. Beginning in April 2012, the employees that were members of the Fraternal Order of Housing Police began participating in the Plan. The Plan contains additional employer contributions and employee saving features. Participants may rollover distributions received from the Philadelphia Housing Authority Retirement Income Pension Plan or from an eligible retirement as defined in the Plan Document.

Each year participants are required to contribute 5.5 percent of their annual compensation into an individual account. PHA contributes an additional 5.5 percent of each participant's annual compensation as prescribed by the Plan. Additional amounts may be contributed at the option of PHA's Board of Commissioners.

Under the Plan PHA may pay reasonable expenses of administering the Plan and Trust. PHA absorbs most of the administrative expenses. Administrative expenses, such as Investment and Trustee Fees, are paid out of Plan assets.

PHA made contributions of about \$3.8 million to the Plan for the year ended March 31, 2021.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 14. Commitments

Energy Performance Contract (EPI)

On September 14, 2018, PHA executed an EPI contract for a five-year term with Johnson Controls Inc. for a total amount not to exceed \$31.5 million. Phase 1 commenced on September 24, 2018, for lighting and water improvements and will cost approximately \$8 million. As of March 31, 2021, approximately \$7.1 million was expended.

Blumberg 83 Modular

Blumberg 83 Modular project commenced in January 2019 for total cost of approximately \$29 million. As of March 31, 2021, approximately \$18.4 million was expended.

North Central/Norris Choice Neighborhood Implementation Grant ("North Central") – Phase 5

133 rental units construction commenced December 2019 and projected completion date will be in fiscal year 2022. Estimated cost is \$47.9 million, with \$33.9 million expended. PHA committed to providing \$9.6 million in construction funding with \$4.1 million expended as of March 31, 2021.

Habitat for Humanity Philadelphia

In March 2019, PHA amended and executed a Memorandum of Understanding (MOU) with Habitat for Humanity Philadelphia, Inc. (HFHP) for funding in the maximum amount of \$3,500,000 regarding HFHP's 20-unit homeownership project known as Oxford Green, located on the 2300 block of W. Oxford Street, Philadelphia, PA (the "Project"). The Project will be constructed on two blocks: Block 1 and Block 2. Block 1 will consist of 9 townhomes on the property identified as 2300 W. Oxford. Block 2 will consist of 11 townhomes on the property identified as 2350 W. Oxford, also known as 1515-21 N. 24th Street. The PHA funding will assist low-income homebuyers by subsidizing the purchase price of their house and will also be used to pay a portion of HFHP's costs. As of March 31, 2021, PHA provided funding of \$2.2 million for subsidized home purchases.

Sharswood North Lot Mixed Use Site

In October 2020, PHA executed an agreement with Sharswood Partners LP to construct 98 residential units, a garage, a grocery outlet, and an urgent care center. PHA committed a total of \$25 million for construction funding of which \$21 million was expended as of March 31, 2021.

Sharswood Phase I

Construction of 60 affordable housing units, started in December 2020 with total construction costs estimated at \$19 million. PHA committed to providing construction financing of \$4.7 million with \$1.4 million expended as of March 31, 2021.

27th & Susquehanna

Construction of 78 affordable housing units began in November 2020 with total construction costs estimated at \$16.5 million. PHA committed to providing construction financing in the amount of \$6.5 million with \$55,556 expended as of March 31, 2021.

Mamie Nichols Townhomes – 1442 Taylor Street

Construction of 33 affordable housing units began in November 2020 with total construction costs estimated at \$10.5 million. PHA committed to providing construction financing in the amount of \$.5 million with \$0 expended as of March 31, 2021.

Choice Neighborhoods Implementation Grant

On April 23, 2020, HUD awarded PHA \$30 million Choice Neighborhoods Implementation Grant for the implementation of a Transformation Plan for the Sharswood Blumberg area. PHA committed additional \$34.4 million to this project and has expended approximately \$1.4 million of its commitment in pre-development costs in fiscal year 2021.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 14. Commitments (Continued)

PHA Warehouse and Logistics Center

On January 21, 2021, PHA passed a resolution to issue a task order, under an existing contract to AP Construction/Synterra Ltd. for construction management services for a consolidated PHA Warehouse and Logistics Center for approximately \$14.8 million. Construction is projected to commence in November 2021.

Note 15. Accrued Compensated Absence

A liability is recorded for compensated absences attributable to services already rendered and not contingent on a specific event outside the control of PHA and its employees, as employees earn the right to the benefits.

The liability is typically liquidated with resources of the same funding source that has paid the applicable employee's regular salaries and fringe benefits.

Summary of Accrued Compensation Absences				
	Beginning Balance	Net Increases	Net Decreases	Ending Balance
Current portion	\$ 5,097,785	\$ 1,651,284	\$ (967,958)	\$ 5,781,111
Long-term portion	3,398,521	1,100,859	(645,305)	3,854,075
	<u>\$ 8,496,306</u>	<u>\$ 2,752,143</u>	<u>\$ (1,613,263)</u>	<u>\$ 9,635,186</u>

Note 16. Other Post-Employment Benefits (OPEB)

PHA had administered Executive Health Protection Plan ("EHPP" or "Plan") which provided prescribed total amounts to be made available for the payment of medical insurance premiums on behalf of eligible employees following separation from service. The EHPP covered eligible executive employees and could be terminated by PHA at any time.

Eligibility and Termination

Eligible Employees were automatically enrolled in the Plan upon the later of the Effective Date of this Plan or date they become an Eligible Employee. Upon the earlier of termination of employment with the Employer or a Participant's ceasing to be an Eligible Employee, the Participant would cease to accrue a benefit under the Plan.

Contributions

PHA contributed to the Trust for each Participant in the Plan of \$20,000 for each year of Credited Service as an Eligible Employee completed after the Effective Date of the Plan. The maximum total contribution that may be allocated to a Participant is \$100,000. Amounts allocated for a Participant shall not be credited with any earnings or losses on contributions made to the Plan.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 16. Other Post-Employment Benefits (OPEB) (Continued)

Vesting

A Participant would fully vest in the contributions he or she had earned under the Plan upon separation from Employment and the completion of three (3) years of Continuous Service as an Eligible Employee completed after the Effective Date of the Plan. No Participant should vest prior to separation from employment.

Plan Status

The Plan eligibility was frozen in 2011 and no employees have since been added to the Plan. As of March 31, 2021, PHA had segregated cash of \$1.5 million for the payment of the remaining plan benefits to the 24 previous and current executive employees included in the plan. This amount is recorded as other liabilities. See Note 11.

Note 17. Risk Management

PHA is subject to risk of loss from fire, property damage, personal injury, auto, employment practices, etc. PHA covers these risks through the purchase of commercial insurance. PHA has initiated a loss control program utilizing insurer and broker resources to improve safety at PHA. Loss control training sessions were held in fiscal year 2021. These trainings were done by Loss Control representatives from Conner Strong & Buckelew (PHA's Broker) and HARRG Insurance Co. (PHA's liability carrier). Risk Management and Human Resources work together to support these efforts. During the fiscal year 2021, the amount of formal training was limited due to Covid-19.

The PHA Board of Commissioners passed a Risk Management Framework in Resolution 11721 at the July 17, 2014 Board meeting. Pursuant to that Risk Management Framework, a Risk Management Committee at PHA meets quarterly to identify and evaluate risks facing PHA. There were two meetings of the Committee in fiscal year 2021. The Risk Management Committee provides updates to the PHA Audit Committee in conjunction with the Office of Audit and Compliance (OAC). The Risk Management Committee provides an annual report to the Board of Commissioners. The Risk Management Committee also provides input to OAC (when requested) in the formulation of its risk survey to PHA departments as part of its risk identification function.

Note 18. Component Units

Blended Component Units

Philadelphia Housing Authority Development Corporation (PHADC) - a Pennsylvania nonprofit corporation formed by PHA to support PHA in providing safe and affordable housing for persons of low income through the acquisition, purchase, renovation, restoration, repair, rehabilitation, construction and management of real property, and other economic development activities in Philadelphia.

Philadelphia Asset and Property Management Corporation (PAPMC) - a Pennsylvania nonprofit corporation formed by PHA to provide operational and financial services to several housing developments in Philadelphia.

Philadelphia Housing Authority Homeownership Corporation (PHAHC) - a Pennsylvania nonprofit corporation formed by PHA to hold certain escrow payments, counseling and home association fees for homebuyers of designated PHA low-income housing properties.

Philly Seeds (PHA-Tenant Support Services, Inc. or TSSI) - a Pennsylvania nonprofit corporation formed by PHA to promote the welfare of public housing residents and recipients of housing assistance.

Oakdale Street LLC - a Pennsylvania limited liability corporation which operates 12 residential rental units. It has a 30-year ground lease with PHA at a nominal rent. The project was financed with \$4.7 million in PHA mortgage funds. PHA is sole member of Oakdale Street LLC.

Note 18. Component Units (Continued)

Blended Component Units (Continued)

Gordon Street LLC - a Pennsylvania limited liability corporation which operates 21 residential rental units. It has a 30-year ground lease with PHA at a nominal rent. The project was financed with \$8.3 million in PHA mortgage funds. PHA is sole member of Gordon Street LLC.

Cambridge Plaza L.P. - a Pennsylvania limited partnership which operates a 44-unit apartment complex known as Cambridge Plaza Apartments. Cambridge has a ninety-nine-year ground lease with PHA at a nominal rent. The project was funded by \$4.5 million of investor capital and \$2.6 million in PHA mortgage debt. On August 31, 2018, PHA acquired the Tax Credit Investor's, John Hancock Realty Advisors, Inc., limited partnership interest in Cambridge Plaza L.P. of 99.99% for \$1, assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to become the sole member of the new entity CPLPI 1100 Poplar LLC.

Suffolk Manor Apartments, L.P. - a Pennsylvania limited partnership which operates 137 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$13.5 million of investor capital and \$10.5 million in PHA mortgage loans. On August 31, 2018, PHA acquired the Tax Credit Investor's, John Hancock Realty Advisors, Inc., limited partnership interest in Suffolk Manor Apartments, L.P. of 99.99% for \$1, assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to become the sole member of the new entity SMLP 1416 Clearview LLC.

PHA Plymouth Hall, LLC. - a Pennsylvania limited liability corporation which operates 53 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project is a RAD conversion that was financed with \$1.8 million in PHA mortgage funds. PHA is the sole member of PHA Plymouth Hall LLC.

RA Phase 3 LLC - a Pennsylvania limited liability corporation formed by PHA to become the Limited Partner of Richard Allen Phase III L.P. PHA is the sole member of RA Phase 3 LLC. On October 4, 2019, RA Phase 3 LLC acquired the Investor Limited Partner, Centerline Guaranteed Corporate Partners II, L.P. – Series A, and the Special Limited Partner, RCC Guaranteed SLP II, L.P. – Series A limited partnership interest in Richard Allen Phase III L.P. of 99.99% for an agreed upon sales price of \$1,107,491 assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to RA Phase 3 LLC. RA Phase 3 LLC also paid related settlement costs of \$11,582 for total acquisition costs of \$1,119,073. The financing for the transaction was funded through a promissory note with PHA. The note accrues interest of five percent per annum and matures October 3, 2059.

Richard Allen Phase III L.P. - a Pennsylvania limited partnership which operates a 178-unit apartment complex and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.1 million of investor capital and a \$26.4 million mortgage loan from PHA. Prior to RA Phase 3 LLC, an entity solely owned by PHA, becoming the Limited Partner of Richard Allen Phase III L.P. was reported as a discretely presented component unit. With the acquisition of the 99.99% limited partnership interest by RA Phase 3 LLC, Richard Allen Phase III L.P. is now a blended component unit of PHA.

CPLP 2 LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner of Cambridge Plaza II L.P. PHA is the sole member of CPLP2 LLC. On July 15, 2020, CPLP 2 LLC acquired the Investor Limited Partner's, TCIG Guaranteed Tax Credit Fund IV, LLC, limited partnership interest in Cambridge Plaza II, L.P. of 99.99% for contract sales price of \$100 assuming responsibility for the annual Tax Credit Investor's transaction costs of \$10,000 and any other costs of transferring the Partnership interest to CPLP 2 LLC. CPLP 2 LLC also paid related settlement costs of \$23,275 for total acquisition costs of \$23,375. See Note 21.

Cambridge Plaza II, L.P. - a Pennsylvania limited partnership which operates 40 residential rental units known as Cambridge Plaza Apartments Phase II and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6 million of investor capital and \$3.6 million in PHA mortgage debt. Prior to CPLP 2 LLC, an entity solely owned by PHA, becoming the Investor Limited Partner of Cambridge Plaza II, L.P., Cambridge Plaza II, L.P. was reported as a discretely presented component unit. With the acquisition of the 99.99% investor limited partnership interest by CPLP 2 LLC, Cambridge Plaza II L.P. is now a blended component unit of PHA. The beginning net position of (\$901,507) was transferred from the discrete component unit into the blended component unit. See Note 21.

Mt. Olivet SLP LLC - a Pennsylvania limited Liability Corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Mt. Olivet L.P. PHA is the sole member of Mt. Olivet SLP LLC. On February 8, 2021, Mt. Olivet SLP LLC acquired the Investor Limited Partner's, HCI Mt. Olivet, LLC, limited partnership interest in Mt. Olivet, L.P. of 99.99% for contract sales price of \$823,793 and the Special Limited Partner's, BFIM Special Limited Partner, Inc., limited partnership interest of 0.00% for contract sales price of \$10,000 and any other costs of transferring the Partnership interest to Mt. Olivet SLP LLC. Mt. Olivet SLP LLC also paid related settlement costs of \$9,170 for total acquisition costs of \$842,963. See Note 21.

Mt. Olivet, L.P. - a Pennsylvania limited partnership which operates 161 residential rental units known as Mt. Olivet Apartments and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$7 million of investor capital and \$9.7 million in PHA mortgage debt. Prior to Mt. Olivet SLP LLC, an entity solely owned by PHA, becoming the Limited Partner of Mt. Olivet, L.P., Mt. Olivet, L.P. was reported as a discretely presented component unit. With the acquisition of the 99.99% investor limited partnership interest by Mt. Olivet SLP LLC, Mt. Olivet, L.P. is now a blended component unit of PHA. The beginning net position of (\$3,687,298) was transferred from the discrete component unit into the blended component unit. See Note 21.

Tasker SLP LLC - a Pennsylvania limited Liability Corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Tasker I, L.P. PHA is the sole member of Tasker SLP LLC. On February 8, 2021, Tasker SLP LLC acquired the Investor Limited Partner's, MMA Tasker Homes I, LLC, limited partnership interest in Tasker I, L.P. of 99.99% for contract sales price of \$1,850,950 and the Special Limited Partner's, SLP, Inc., limited partnership interest of 0.00% for contract sales price of \$10,000 and any other costs of transferring the Partnership interest to Tasker SLP LLC. Tasker SLP LLC also paid related settlement costs of \$19,616 for total acquisition costs of \$1,880,566. See Note 21.

Tasker I, L.P. - a Pennsylvania limited partnership which operates 245 residential rental units known as Tasker Homes Phase I and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$15.5 million of investor capital and \$33 million in PHA mortgage debt. Prior to Tasker SLP LLC, an entity solely owned by PHA, becoming the Limited Partner of Tasker I, L.P., Tasker I, L.P. was reported as a discretely presented component unit. With the acquisition of the 99.99% investor limited partnership interest by Tasker SLP LLC, Tasker I, L.P. is now a blended component unit of PHA. The beginning net position of (\$4,486,131) was transferred from the discrete component unit into the blended component unit.

PHA also formed other Blended Component Units namely, Elderly and Disabled Services, LLC, Philadelphia Urban Revitalization Enterprise, LLC, Reynolds School, LLC, and Walton School, LLC. As of March 31, 2021, these component units have no significant activities.

In connection with each of the developments involving PHA benefitting from investment arising from the low-income housing tax credit, PHA or its component unit, PHADC, or both provide various guaranties of payment and performance. No payment has ever been requested of or made by either PHA or PHADC pursuant to such guaranties, and PHA considers the likelihood of any such demand to be remote.

Note 18. Component Units (Continued)

Discrete Component Units (Continued)

In most instances, the component units have entered into agreements with PHA to provide various services for housing projects. In addition, management and/or development fees are paid to PHADC for services rendered over the life of the project. The individual entities have issued bonds or other debt to fund projects, including amounts owed to PRA and PHA as mortgagees.

LIMITED PARTNERSHIPS (LPs)

LPs are component units where PHA serves as General Partner and owns 1/10 of 1% of the Partnership. PHA's equity interest in the component units was \$5,954,025 as reported on the Statement of Net Position. PHA provides operation and financial services to the LPs via Operating Subsidy (Operating) and Regulatory and Operating (R&O) Agreements and directly managed by PAPMC.

PHA reports the ownership of its equity interest in the component units as an asset.

- **Blumberg Apartments Phase I LP** – a Pennsylvania limited partnership formed to develop 57 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.9 million of investor capital (\$11.4 million paid as of December 31, 2020), \$5.5 million in PHA mortgage debt, \$2.6 million in Wells Fargo mortgage debt, and \$1.5 million in HOME funds. The project has qualified for federal low-income housing credits.
- **Blumberg Senior Apartments LP** - a Pennsylvania limited partnership formed to develop 94 residential rental units. It has a ninety-nine-year ground lease with PHA, the land was sold to the partnership for a cost of \$494,000 (tax basis) of which the carrying value of \$268,630 is a prepaid ground lease to be amortized over the life of the lease. The project was financed by \$9.6 million of investor capital (\$7.7 million paid as of December 31, 2020), \$13.2 million in Wells Fargo mortgage debt (\$13.1 million was repaid during December 31, 2020, the outstanding balance is \$0) and \$18.1 million in PHA mortgage debt (\$15.8 million outstanding as of December 31, 2020). The project has qualified for federal low-income housing credits.
- **Blumberg Apartments Phase III LP** – a Pennsylvania limited partnership formed to develop 83 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$18.0 million in PHA mortgage debt (\$16.9 million outstanding as of December 31, 2020), \$10.2 million of investor capital (\$1.5 million paid as of December 31, 2020), and \$16.8 million from Citizens Bank Construction Loan (\$16.7 million outstanding as of December 31, 2020). This project has qualified for federal low-income housing credits.
- **Cambridge III, L.P.** - a Pennsylvania limited partnership which operates a 40-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6.3 million of investor capital and \$3 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Germantown House, L.P.** - a Pennsylvania limited partnership which operates a 133-unit apartment project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.9 million of investor capital and \$8.2 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Lucien E. Blackwell Homes Phase II, L.P.** - a Pennsylvania limited partnership which operates an 80-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$14.1 million of investor capital and \$4.2 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Lucien E. Blackwell Homes Phase III, L.P.** - a Pennsylvania limited partnership which operates 50 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.5 million of investor capital and \$2.9 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.

Note 18. Component Units (Continued)

Discrete Component Units (Continued)

- **Ludlow Scattered Sites Phase III, L.P.** - a Pennsylvania limited partnership which operates 75 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.8 million of investor capital and \$11.5 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Mantua Phase I, L.P.** - a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$9.5 million of investor capital and \$8.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Mantua Phase II, L.P.** - a Pennsylvania limited partnership which operates 51 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$5.4 million of investor capital and \$9.7 million in PHA mortgage debt and \$2.0 million in PHFA TCAP funds. The project has qualified for federal low-income housing credits.
- **Marshall Shepard Village, L.P.** - a Pennsylvania limited partnership which operates 80 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$8.9 million of investor capital and \$14.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Mill Creek Phase I, L.P.** - a Pennsylvania limited partnership which operates 80 residential rental units included in a development known as Lucien Blackwell Homes and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.8 million of investor capital and \$6.1 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Nellie Reynolds Gardens, L.P.** - a Pennsylvania limited partnership which operates 64 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was originally financed by \$11.2 million of investor capital and \$7.5 million in PHA mortgage debt. As required by the amended Partnership Agreement, in January 2009 PHA refinanced \$5.1 million of the mortgage principal and \$4.4 million of accrued interest by means of capital contributions. The partnership maintains \$2.8 million in PHA debt. The project has qualified for federal low-income housing credits.
- **Norris Apartments, L.P.** - a Pennsylvania limited partnership which operates 51 residential housing units. The project is being financed by \$9.1 million of investor capital and \$12.4 million in PHA debt. The project has qualified for federal low-income housing credits.
- **North Central CNI Phase II LP** - a Pennsylvania limited partnership formed to develop 89 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.3 million of investor capital (\$10.3 million paid as of December 31, 2020), \$18 million bonds payable (\$17.6 million was repaid during December 31, 2020, the outstanding balance is \$0), \$9 million in PRA loan (\$9.0 million outstanding as of December 31, 2020), and \$9.4 million in PHA mortgage debt (\$9.4 million outstanding as of December 31, 2020). The project has qualified for federal low-income housing credits.
- **North Central CNI Phase III LP** - a Pennsylvania limited partnership formed to develop 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.7 million of investor capital (\$5.6 million paid as of December 31, 2020), \$7.9 million in PHA mortgage debt (\$7.4 million outstanding as of December 31, 2020), \$7.0 million in PRA loan (\$6.3 million outstanding as of December 31, 2020), \$6.2 million from Wells Fargo mortgage funds (\$5.4 million outstanding as of December 31, 2020), and \$.1 million from deferred developer fees. This project has qualified for federal low-income housing credits.
- **Paschall Phase I, L.P.** - a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$8.8 million of investor capital and \$10.7 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.

Discrete Component Units (Continued)

- **Paschall Phase II, L.P.** - a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$4.8 million of investor capital and \$15.3 million in PHA debt (\$14.7 million outstanding as of December 31, 2020). The project has qualified for federal low-income housing credits.
- **Queen Lane Apartments, L.P.** - a Pennsylvania limited partnership which operates 55 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$7.4 million of investor capital and \$12.5 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Strawberry Mansion, LP** - a Pennsylvania limited partnership which operates 55 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.7 million of investor capital (\$11.3 million paid as of December 31, 2020), \$3 million JPMorgan Chase loan and \$8.6 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Tasker II, L.P.** - a Pennsylvania limited partnership which operates 184 residential rental units known as Tasker Homes Phase II and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.5 million of investor capital and \$21 million in PHA mortgage debt. The project has qualified for federal low-income housing tax credits.
- **Uni-Penn Housing Partnership IV** - a Pennsylvania limited partnership which operates 42 residential rental units known as Martin Luther King Plaza and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$5.4 million of investor capital and \$3.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Warnock Phase I, L.P.** - a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project began operations in October 2010 and is financed by \$10.6 million of investor capital and \$7.8 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Warnock Phase II, L.P.** - a Pennsylvania limited partnership which operates 45 senior residential rental units within a three-story building. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project began operations in March 2010 and is financed by \$8.4 million of investor capital and \$7.3 million in PHA mortgage debt. The project has qualified for federal low-income housing.

ALTERNATIVE MANAGED ENTITIES (AMEs)

AMEs are component units that are not managed by PAPMC. PHA provides operation services and financial subsidies through R&O Agreements.

- **1920 East Orleans Limited Partnership also known as Maguire Residence** - a Pennsylvania limited partnership formed to develop 42 residential units, of which 27 are public housing units. The project was financed by \$11.6 million of investor capital and \$2.1 million in PRA and another mortgage debt. The project has qualified for federal low-income housing credits.
- **1952 Allegheny Associates Limited Partnership also known as Impact Veterans Family Housing Center** - a Pennsylvania limited partnership formed to develop 50 residential units, of which 18 are public housing units. The project was financed by \$7.3 million of investor capital and \$2.1 million in mortgage debt. The project has qualified for federal low-income housing credits.

Discrete Component Units (Continued)

- **Casa Indiana LLC** - a Pennsylvania limited partnership formed to develop 50 residential units, all of which are public housing units. The project was financed by \$11.4 million of investor capital (\$4.2 million paid as of October 31, 2020) and \$12.1 million in mortgage debt (\$11.3 million was outstanding as of October 31, 2020). The project has qualified for federal low-income housing credits.
- **Francis Housing on Fairmount, L.P.** - a Pennsylvania limited partnership formed to develop 60 residential units, of which 50 are public housing units. The project was financed by \$12.5 million of investor capital and \$12.4 million in mortgage debt (\$7.5 million was outstanding as of December 31, 2020). The project has qualified for federal low-income housing credits.
- **Neumann North, L.P.** - a Pennsylvania limited partnership which operates 67 senior housing residential units plus commercial space. The project was financed by \$6.0 million of investor capital and \$4.3 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- **NewCourtland Apartments at Allegheny L.P.** - a Pennsylvania limited partnership formed to develop 60 senior rental units, of which 56 are public housing units. The project was financed by \$12.3 million of investor capital and \$3.3 million in another mortgage debt. The project has qualified for federal low-income housing credits.
- **NewCourtland Apartments at Henry Ave 1B LP** - a Pennsylvania limited partnership formed to construct and operate an apartment complex of 36 units, all of which are public housing units. The project was financed with \$3.7 million of investor capital (\$3.1 million paid as of December 31, 2020), \$7.4 million NewCourtland Elder Services note, and \$750k in another mortgage debt. The project has qualified for federal low-income housing credits.
- **NewCourtland Apartments at Henry Ave LP** - a Pennsylvania limited partnership formed to construct and operate an apartment complex of 49 units, all of which are public housing units. The project was financed with \$6.0 million of investor capital (\$5.5 million paid as of December 31, 2020), \$11.7 million NewCourtland Elder Services note, an affiliate of the general partner, and \$1.5 million Philadelphia Redevelopment Authority. The project has qualified for federal low-income housing credits.
- **Raymond Rosen Associates, L.P.** ("8 Diamonds") - a Pennsylvania limited partnership formed to acquire, construct and operate a 152-unit apartment complex. 8 Diamonds has a ninety-nine-year ground lease with PHA at a nominal rent. The project has qualified for federal low-income housing tax credits. The project was financed by \$9.9 million of investor capital, a \$16 million first mortgage from PHA and other financing.
- **Ridge Avenue Housing, L.P.** - a Pennsylvania limited partnership which operates a 135-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6.0 million of investor capital and \$18.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- **Spring Garden Development Associates, LP** - a Pennsylvania limited partnership formed to develop and operate a 58-unit apartment complex. The partnership was financed by \$7.2 million of investor capital, \$1.9 million of PHA mortgage debt and \$6.9 million of other debt. The project has qualified for federal low-income housing tax credits.
- **Spring Garden Housing Limited Partnership** - a Pennsylvania limited partnership which operates 86 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project is being financed by \$7.1 million of investor capital, \$2.9 million of PHA first mortgage debt and \$4.1 million of other debt. The project has qualified for federal low-income housing tax credits.

Note 19. Contingencies

Claims and Litigation

From time to time claims are asserted against the Authority and in some cases, lawsuits have been initiated. The Authority is defending and will defend vigorously each of these actions. The Authority may become liable if these claims are reduced to judgment or otherwise settled in a manner requiring payment by the Authority. Claims against the Authority are paid out of (1) insurance and, if judgments or settlements exceed insurance limits, (2) General Revenues of the Authority.

As an Agency of the Commonwealth, the Authority is covered by the Sovereign Immunity Act, 42 Pa. C.S. sec. 8521, et seq., (the "Immunity Act"), which provides that the Commonwealth and its agencies are immune from suit except where expressly permitted by one of nine exceptions. The exception most frequently applicable to the Authority generally permits suits against the Authority arising out of a dangerous condition of real estate owned by the Authority. The Immunity Act limits recovery against the Authority to a maximum of \$250,000 in favor of any plaintiff. The damages cap applies to negligence, personal injury and other tort claims, which comprise most claims against the Authority. The liability insurance limit for the Authority's policy is \$15,000,000 per occurrence. A \$50,000 deductible applies to claims under that policy alleging wrongful acts after March 31, 2014.

PHA, through its insurance carrier, is defending against multiple claims. Although PHA is vigorously defending each pending claim, the parties' respective liability currently remains uncertain. PHA's liability cannot be determined with any certainty, although any damages will likely be well below \$250,000 in each individual case and cumulatively represent potential liability within the budgeted amount.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 19. Contingencies (Continued)

Claims and Litigation (Continued)

Beginning in late March 2020, state and federal courts have been closed and operating under restrictions as a result of the COVID-19 pandemic. While the impact of COVID-19 is uncertain, it has resulted in the delayed resolution of pending claims, which may increase loss payments and shift those payments into future years.

Note 20. Related Party Transactions

PHA, a component unit of the City of Philadelphia, engaged in various transactions with the City such as trash collection services and other services. In fiscal year 2021, PHA made payments of approximately \$20.8 million to the City and its component units for various services as summarized below.

	Amount
City Of Philadelphia	\$ 14,873,951
City Of Philadelphia - Multi Departments	258,122
Community College Of Philadelphia	12,375
P G W	5,607,843
Grand Total	\$ 20,752,291

City of Philadelphia – PHA paid the City approximately \$14.9 million for water, trash collection and other miscellaneous expenses during the year ended March 31, 2021. Approximately \$11.1 million was for water, and \$.9 million was accrued at March 31, 2021.

Philadelphia Gas Works (PGW) – PHA paid PGW \$5.6 million for gas, approximately \$.9 million was accrued at March 31, 2021.

Community College of Philadelphia – PHA paid \$12,375 to the Community College of Philadelphia to provide educational and training opportunities to PHA's residents.

Choice Neighborhood Implementation (CNI) Grant – In 2013, HUD awarded a \$30 million Choice Neighborhood Implementation Grant to the City of Philadelphia as the Lead Grantee and PHA as a co-applicant. While the grant was awarded to the City, and then to PHA, only the City of Philadelphia has access to draw down the funds in LOCCs to disburse to PHA.

CNI Norris Endowment - HUD awarded a Fiscal Year 2013 Choice Neighborhoods Implementation Grant to the City of Philadelphia as the Lead Grantee and PHA as a co-applicant to support the Transformation Plan that had been developed for the Norris Apartments in the North Central Neighborhood of the City of Philadelphia. PHA established an Endowment Trust Account of \$1.5 million with U.S. Bank in October 2020. PHA expended approximately \$.1 million as of March 31, 2021.

Funds placed in the Endowment Trust Account shall be utilized solely for planning, providing, and evaluation of community and support services for the primary benefit of the public and/or assisted housing residents of the North Central Neighborhood and former residents of the Norris Apartments housing development occupying other public and/or assisted housing in accordance with the Transformation Plan.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 20. Related Party Transactions (Continued)

CNI Lead Partner Contract – The City awarded PHA a contract for \$408,203 for PHA to provide People Strategy services as part of the CNI Grant. PHA received \$204,882 during the fiscal year ending March 31, 2021. \$114,924 was receivable at March 31, 2021.

Shared Space Housing Program – In February 2020, PHA and the City executed a Memorandum of Understanding (MOU) for a master lease for up to 25 units. PHA received \$1.4 million from Philadelphia Redevelopment Authority for the rehabilitation of the 25 units. PHA expended \$796,885 during the fiscal year ended March 31, 2021. \$720,651 was receivable at March 31, 2021.

Other Transactions

Blumberg Streets - This project includes the installation of three new streets costing approximately \$9.0 million. Upon completion of the streets, PHA plans to dedicate the new streets back to the City of Philadelphia to be placed on the City's street plan. PHA expended approximately \$9.0 million as of March 31, 2021. \$381,080 was expended during March 31, 2021.

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 21. Restatement

As discussed in Note 18, during fiscal year ended March 31, 2021, three solely owned PHA entities purchased the 99.99% investor limited partner interest and special limited partner interest in three L.P. entities, Cambridge Plaza II, L.P., Mt. Olivet L.P. and Tasker I, L.P. With the acquisition of the 99.99% investor limited partnership interests, Cambridge Plaza II, L.P., Mt. Olivet L.P. and Tasker I, L.P. are now considered blended component units of PHA. The following tables are summaries of these acquisitions:

Entity Acquired	Acquired Date	PHA Owned Acquiring Entity	Acquisition Details		Former Special Limited Partner
			Former Investor Limited Partner		
Cambridge Plaza II, L.P.	7/15/2020	CPLP 2 LLC	TCIG Guaranteed Tax Credit Fund IV, LLC		N/A
Mt. Olivet L.P.	2/8/2021	Mt. Olivet SLP LLC	HCI Mt. Olivet, LLC		BFIM Special Limited Partner, Inc.
Tasker I, L.P.	2/8/2021	Tasker SLP LLC	MMA Tasker Homes I, LLC		SLP, Inc.

Entity Acquired	Acquisition Costs			
	Sales Price	Related Settlement Costs	Total Consideration	Asset Management Fee Paid
Cambridge Plaza II, L.P.	\$ 100	\$ 23,275	\$ 23,375	\$ 10,000
Mt. Olivet L.P.	833,793	9,170	842,963	-
Tasker I, L.P.	1,860,950	19,616	1,880,566	-
	<u>\$ 2,694,843</u>	<u>\$ 52,061</u>	<u>\$ 2,746,904</u>	<u>\$ 10,000</u>

The consideration paid by CPLP 2 LLC, Mt. Olivet SLP LLC, and Tasker SLP LLC for the partnership interests is recognized as a capital investment. It was determined as of March 31, 2021, that a loss of \$2,746,904 should be recognized.

	Loss on Investment
CPLP 2 LLC	\$ 23,375
Mt. Olivet SLP LLC	842,963
Tasker SLP LLC	1,880,566
Total Loss on Investment	<u>\$ 2,746,904</u>

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements

PHILADELPHIA HOUSING AUTHORITY
Notes to Financial Statements
March 31, 2021

Note 22. Subsequent Events

The following subsequent events occurred after March 31, 2021.

Vehicle Lease

On April 7, 2017, PHA and Enterprise Fleet Management, Inc. ("Enterprise") executed a contract whereby PHA will commence leasing vehicles from Enterprise for a term of 5 years. In fiscal year 2022, Enterprise will lease an additional 72 vehicles to PHA in Phase V for an estimated budget of \$2.6 million.

Harrison Senior Tower

Construction of 112 rental units to commence in fiscal year 2022 with estimated construction costs of \$35.6 million. Estimated completion of construction is August 31, 2022. PHA committed to provide a loan for \$26.5 million in May 2021, which included costs paid by PHA of \$1.3 during fiscal year 2021.

**Philadelphia Housing Authority
Schedule of Plan Contributions
(Unaudited)**

	October 31,					
	2020	2019	2018	2017	2016	2015
Actuarially Determined Contribution	\$ 9,235,159	\$ 11,071,275	\$ 10,749,452	\$ 11,557,544	\$ 13,068,032	\$ 11,731,727
Contributions in relation to the actuarially determined contribution	10,860,096	10,860,514	10,857,898	9,607,310	7,972,427	6,776,109
Contributions deficiency (excess)	<u>\$ (1,624,937)</u>	<u>\$ 210,761</u>	<u>\$ (108,446)</u>	<u>\$ 1,950,234</u>	<u>\$ 5,095,605</u>	<u>\$ 4,955,618</u>
Covered payroll	<u>\$ 1,979,929</u>	<u>\$ 1,983,410</u>	<u>\$ 1,991,393</u>	<u>\$ 1,967,400</u>	<u>\$ 2,442,033</u>	<u>\$ 2,357,230</u>
Contributions as a percentage of covered payroll	549%	548%	545%	488%	326%	287%

Actuarially determined contribution rates are calculated as of November 1, one year prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age
Amortization method	Level dollar
Remaining amortization period	20 years
Asset valuation method	Market value
Inflation	2.50%
Salary increases	3.00% average, including inflation
Investment rate of return	7.00%, including inflation and expenses
Retirement age	Age 55 with 10 years' service
Mortality	PubG-2010 Total General Mortality Tables with Scale MP-2019 males and females

Note: GASB 68 was implemented in FY2016. This schedule is being prepared prospectively. Ultimately, 10 years of data will be presented.

As a result of the most recent experience study, the following assumptions were modified:

- The mortality projected on a generational basis using Scale MP-2018 was changed to Scale MP-2019. The tables for Active, Vested Terminated, Healthy Retirees and Beneficiaries were changed from the RP2014 tables to the PubG-2010 tables set forward 3 years for Healthy Retirees and set forward 2 years for Healthy Beneficiaries.
- The assumed investment return was reduced from 7.25% to 7.00%.

Philadelphia Housing Authority

Notes to Schedule of Expenditures of Federal and City Awards Year Ended March 31, 2021

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal and city awards (the Schedule) includes the federal grant activity of Philadelphia Housing Authority (PHA or the Authority) under programs of the federal government for the year ended March 31, 2021, except for the federal grant activity, if any, of PHA's 42 discrete component units that is not received from PHA. The Authority's organizational structure is defined in Note 2 of the Notes to Financial Statements. The information in the Schedule is reported in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and *City of Philadelphia Subrecipient Audit Guide*. Because the Schedule presents only a selected portion of the operations of PHA, it is not intended to and does not present the financial position, changes in net position or cash flows of PHA.

Note 2. Summary of Significant Accounting Policies

Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3. Indirect Cost Rate

PHA has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Philadelphia Housing Authority

Notes to Schedule of Expenditures of Federal and City Awards Year Ended March 31, 2021

Note 4. Expenditures to Subrecipients

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance With Government Auditing Standards**

Independent Auditor's Report

Board of Commissioners
Philadelphia Housing Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, the aggregate discretely presented component units and aggregate remaining fund information of Philadelphia Housing Authority (PHA), a component unit of the City of Philadelphia, as of and for the year ended March 31, 2021, and the related notes to the financial statements, which collectively comprise PHA's basic financial statements as listed in the table of contents, and have issued our report thereon dated September 30, 2021. Our report includes a reference to other auditors who audited the financial statements of the fiduciary fund type and the discretely presented component units, as described in our report on PHA's financial statements. The financial statements of the discretely presented component units were not audited in accordance with *Government Auditing Standards*, except for the following entities: 1952 Allegheny Associates Limited Partnership, Casa Indiana LLC, Francis House on Fairmount, L.P., Mantua Phase II, L.P., St. Francis Villa Senior Housing, L.P., St. Ignatius Senior Housing I, L.P., St. Ignatius Senior Housing II, L.P., Spring Garden Development Associates, L.P. and Uni-Penn Housing Partnership II.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered PHA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PHA's internal control. Accordingly, we do not express an opinion on the effectiveness of PHA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether PHA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

RSM US LLP

Philadelphia, Pennsylvania
September 30, 2021

**Report on Compliance for the Major Federal Program
and Report on Internal Control Over Compliance
Required by the Uniform Guidance**

Independent Auditor's Report

Board of Commissioners
Philadelphia Housing Authority

Report on Compliance for the Major Federal Program

We have audited Philadelphia Housing Authority's (PHA) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on PHA's major federal program for the year ended March 31, 2021. Our audit did not include the federal programs of the excluded component units as described in the notes to the schedule of expenditures of federal and city awards. PHA's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal and city awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for PHA's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the PHA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of PHA's compliance.

Opinion on the Major Federal Program

In our opinion, PHA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended March 31, 2021.

Report on Internal Control Over Compliance

Management of PHA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered PHA's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of PHA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

III. Federal Awards Findings and Questioned Costs

No matters reported.

Summary Schedule of Prior Audit Findings

Finding Number: N/A

In April of 2020 the HUD Office of Inspector General (OIG) released an audit report for an inquiry that the OIG initiated in July of 2016. The associated Management Decision from PHA's regional HUD office was issued to PHA in August of 2020. PHA worked in partnership with the regional HUD office during Fiscal Year 2021 to resolve the Management Decision items. HUD closed the Management Decision findings on 7/27/2021.

APPENDIX B

MOVING TO WORK ANNUAL PLAN

PHA is one of a small number of Housing Authorities nationwide that are designated by the U.S. Department of Housing and Urban Development (HUD) to participate in the Moving to Work (MTW) Demonstration program. As a condition of MTW participation, PHA prepares and submits an MTW Annual Plan each year for HUD review and approval. The MTW Annual Plan describes PHA's projected activities and initiatives for the coming year and is due to HUD seventy-five days before the start of PHA's fiscal year. Prior to submission to HUD, PHA provides an opportunity for public comment, meets with resident leadership for review, conducts a public hearing and submits the MTW Annual Plan for review and approval to the PHA Board of Commissioners.

For informational purposes, PHA provides a copy of the MTW Annual Plan for the upcoming fiscal year as an appendix to the Act 130 Report.

PHA is also required to submit an MTW Annual Report to HUD that describes its actual activities and initiatives. The MTW Annual Report is due to HUD ninety-days following the end of each fiscal year. Prior to submission to HUD, the MTW Annual Report is submitted for review and approval to the PHA Board of Commissioners.

Copies of MTW Annual Plans and Annual Reports are available on PHA's website at www.pha.phila.gov. Upon HUD approval or acceptance, copies are also posted on HUD's website at https://www.hud.gov/program_offices/public_indian_housing/programs/ph/mtw/philadelphia.

I. INTRODUCTION

This Annual Plan provides information on activities planned by the Philadelphia Housing Authority (PHA) under the Moving To Work Demonstration Program (MTW) for PHA Fiscal Year 2023, i.e. the period from **April 1, 2022 to March 31, 2023**.

PHA has been an MTW agency since April 2001, operating under an MTW Agreement with the U.S. Department of Housing and Urban Development (HUD). The MTW Agreement, as amended, describes the authority and flexibility granted to PHA under the MTW program along with the requirements for participation. PHA's MTW Agreement with HUD extends through 2028.

MTW is a demonstration program authorized by Congress, through which PHA and other participating agencies have the flexibility to waive certain statutes and HUD regulations to design and test approaches for providing housing assistance that address one or more of the following statutory objectives:

- 1) Reduce cost and achieve greater cost effectiveness in Federal expenditures;
- 2) Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and
- 3) Increase housing choices for low-income families.

The FY 2023 Annual Plan incorporates HUD's current reporting requirements as detailed in the HUD Form 50900, which was updated in 2021. Over the course of PHA's participation in the MTW program, the Annual Plan elements have been restructured and modified as needed to comply with HUD's evolving program requirements.

MTW Long-Term Goals and Objectives

PHA established five (5) broad objectives in its first MTW Annual Plan:

- Reform the existing Housing Choice Voucher and Public Housing Programs to improve and increase the supply of quality affordable housing throughout the City of Philadelphia.
- Revitalize neighborhoods where MTW and MTW-eligible residents reside.
- Develop an MTW Family Program to furnish comprehensive family self-sufficiency services to eligible MTW families.
- Establish a Quality of Life Program to promote a living environment that fosters community values, encourages resident participation and positive peer group pressure, and reinforces the responsibilities of public housing residents, voucher participants, voucher landlords, and PHA to one another and to the broader community.

- Establish efficient operating procedures and implement cost-saving strategies.

Under the direction of President and Chief Executive Officer, Kelvin A. Jeremiah, PHA has continued and expanded the use of MTW flexibility in promoting PHA's long-term strategic objectives as described in the Strategic Directions Plan first discussed in the FY 2015 Annual Plan. PHA's MTW activities continue to be guided by twelve priority areas identified in the Strategic Directions Plan, which build on the original MTW objectives. PHA has continued to sharpen its focus on improving performance in core business operational areas including property management, maintenance services and resident services and on expanding partnerships with the City, non-profit agencies, philanthropic partners and other community stakeholders.

Through the prior "6 in 5" initiative, PHA leveraged MTW funding and programmatic flexibility to implement an ambitious affordable housing preservation and development agenda. Since 2013, over 6,900 affordable housing opportunities were generated, including newly leased tenant-based vouchers, leveraging over \$1.36 billion in funding including at least \$226.8 million in private equity. As described in this Plan, PHA will continue to implement affordable housing preservation and development activities to address community needs and priorities in FY 2023 and beyond.

PHA and the City of Philadelphia collaborated on the development of an Assessment of Fair Housing (AFH) Plan, which was accepted by HUD in February 2017. The AFH Plan calls for a balanced approach to fair housing planning, one that encompasses: preservation of existing affordable housing resources; development of new affordable housing throughout the City including in low poverty areas; investments in distressed areas to remove barriers and expand opportunities related to education, job creation and transportation; expansion of PHA's HCV Mobility program to support movement of voucher holders to high opportunity areas in Philadelphia and beyond the city boundaries; enhancements to ongoing fair housing outreach, education and enforcement efforts; implementation of an ongoing local and regional dialogue and planning on fair housing issues; and, ongoing efforts to ensure that all citizens have open and fair access to information on housing programs and services. The AFH goals and strategies are reflected in PHA's FY 2023 MTW Annual Plan.

Short Term FY 2023 MTW Goals and Objectives

PHA will extend its efforts to substantially transform PHA properties and programs, and to support the revitalization of Philadelphia's neighborhoods, by leveraging MTW funding and utilizing flexibility provided by the MTW Agreement in virtually every area of agency operations including conversions of public housing to project-based assistance under the Rental Assistance Demonstration program. In response to the COVID-19 pandemic, PHA will continue to closely monitor and make any and all necessary adjustments to maintenance and operational practices and policies to safeguard the health and safety of residents and staff. PHA will also continue its partnership with City and non-profit agencies to facilitate the lease-up of Emergency Housing Vouchers authorized by Congress.

PHA will implement a coordinated, comprehensive program of capital improvements, housing and neighborhood development activities, maintenance and management initiatives, and resident supportive services in FY 2023. As PHA's funding for the period is unknown as of the publication

date of the MTW Annual Plan, the activities described herein may be modified based on actual funding levels.

MTW activities are defined by HUD as only those activities that specifically require MTW authority or Block Grant flexibility to implement. Highlights of PHA's planned MTW activities include:

- ***Affordable Housing Preservation and Development*** – PHA's overarching goal is to preserve and expand the supply of affordable housing in Philadelphia. Towards this end, PHA will continue to implement a series of focused initiatives to develop, acquire or preserve affordable housing in the City of Philadelphia including PHA's Unit Based Leasing and Development Program; Rental Assistance Demonstration (RAD) Program conversions, transfer of assistance and "Faircloth to RAD" new developments; and the Partnership Initiative to develop new permanently affordable public housing units. This involves several strategies including PHA-developed projects that provide for redevelopment and/or replacement of obsolete properties; initiatives to ensure the long-term affordability of Low Income Housing Tax Credit (LIHTC) properties; and partnerships with the City, non-profit agencies and local developers on new construction, acquisition and substantial rehabilitation projects. In FY 2023, PHA will continue to collaborate with partners to develop ten (10) new public housing developments, with a total of 334 units (*Table 1*). An estimated \$148 million in other funds will be leveraged by these projects. Under the MTW Unit Based Leasing and Development Program (UBV), PHA plans to enter into long-term subsidy contracts for an additional 752 units in FY 2023, a figure that includes planned RAD conversions and other development initiatives (*Table 3*). PHA leverages MTW Block Grant and other non-MTW funding to support many of these development projects. In addition to utilizing MTW Block Grant funding, PHA incorporates MTW flexibility in admissions, continued occupancy and other areas.
- ***Neighborhood Transformation at Blumberg/Sharswood*** – The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. Funded in part by a \$30 million HUD grant, the Plan calls for development of 1,203 units of mixed-income housing, including affordable rentals and homeownership units. To date, a total of 254 housing units have been completed. By the end of FY 2023, PHA projects that all of the planned rental housing and a majority of planned homeownership units will be either completed or under construction including: three rental phases with 336 units developed by Hunt-Pennrose; two rental phases with 123 units developed by PHA; approximately 174 new construction homeownership units; two neighborhood partner developments (Reynolds School, Harlan Street) with a total of 108 new rental units; and, a \$53 million mixed-use housing and retail complex that is currently under construction that will include a grocery store, bank, urgent care health center and other retail services needed by the community. In addition to this housing activity, construction and occupancy of the new PHA Headquarters Building was completed in January 2019. The Vaux Community Building has been substantially rehabilitated and is now the site of PHA's Workforce Center, a Section 3 Resource Center, a neighborhood high school operated by Big Picture Schools, a new nurse-managed health clinic operated by Temple University School of Public Health, a CVS training facility, resident business incubator and other community services. In FY 2023, PHA will continue to

support after school and supportive service programming for low-income youth attending the new Big Picture Philadelphia High School in the Vaux Community Building.

- ***Rental Assistance Demonstration (RAD)*** – In FY 2023, PHA will continue its efforts to preserve existing public housing developments, reposition the scattered site portfolio and expand housing opportunities through the Rental Assistance Demonstration (RAD) program. PHA utilizes its MTW Block Grant and MTW programmatic flexibility to support RAD conversions. This includes transferring subsidies through the RAD “transfer of assistance” provision from vacant, non-viable scattered sites to new projects developed throughout the City by PHA and other development partners. PHA will expand its RAD activities by utilizing HUD’s new “Faircloth to RAD” initiative to expand the supply of affordable housing. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program. Overall, PHA projects that 1,941 units at both existing public housing sites and new transfer of assistance sites will have closed under the RAD program by the end of FY 2022 (*Table 15*). In FY 2023, PHA plans to undertake conversion of an additional 1,101 public housing units (including scattered site units that are currently vacant and uninhabitable) to project-based assistance through RAD (*Table 14*). PHA has incorporated the required RAD Significant Amendment information for two additional new construction phases as part of the Sharswood/Blumberg Transformation Plan, as well as the New Courtland at Henry Avenue Tower transfer of assistance project as an appendix to this Annual Plan.
- ***Neighborhood Transformation at Norris Homes/North Central Philadelphia*** - In partnership with the City of Philadelphia, the Choice Neighborhood Transformation Plan for the North Central Philadelphia neighborhood is approaching a successful conclusion including extensive community improvements and construction of 272 rental and 30 homeownership units. The first two rental phases consisting of a total of 139 units are now complete and occupied. Construction of a community center was also completed as part of the second phase. Construction of the third and final rental phase by Jonathan Rose Companies began in 2020 and was completed in the Fall of 2021. Construction of 30 affordable homeownership units is also underway and nearing completion. PHA will also continue to serve as People Lead Partner including overseeing endowment-funded service activities for Norris residents.
- ***Workforce Development, Youth Development & Other Supportive Services*** – PHA will continue to provide youth development, adult education, employment and training, financial literacy and nutritional services made possible through MTW Block Grant funding. To meet PHA’s long-term goal of supporting resident economic independence, the PHA Workforce Development Program at the Vaux Community Building will continue to offer a “one stop shop” for job readiness, job training and placement, homeownership and other related services. PHA will engage partners to develop and deliver workforce development and training programs to residents, such as the CVS Learning Lab at Vaux. PHA will also continue to offer supportive services, including workforce development and service coordination, through place-based initiatives at developments including Wilson Park and Norris North Central. PHA will also continue its support for families and children, providing out-of-school time and preschool programs as well as employment for youth through the Summer Jobs program. These

initiatives all leverage MTW Block Grant funding to secure additional public and private funding. A summary of PHA's MTW and Non-MTW funded resident services programs is included in the Annual Plan (*Table 11*).

- ***Sponsor-Based Shared Housing Pilot*** - PHA will continue to implement a new pilot program to expand housing options for homeless individuals and other hard to serve special populations, which builds on and enhances the ongoing collaboration between the City and PHA to reduce homelessness through the “Blueprint to End Homelessness” initiative. In FY 2023, PHA will provide housing opportunities to eligible low-income students as a result of a new partnership with the Community College of Philadelphia. The pilot program is anticipated to provide 41 housing opportunities in FY 2022.
- ***HCV Mobility Program*** – The overall goal of PHA's Mobility Program is to encourage voucher holders to find housing and jobs in areas that provide higher economic, educational, and social mobility opportunities both within and outside of the City of Philadelphia. Due to the program's success, PHA will use MTW funding to continue and expand the pilot program. Mobility Counselors will continue to provide a broad range of supportive services and housing counseling to voucher-holders and conduct landlord outreach in order to promote the successful transition of families to higher opportunity areas.
- ***Homeownership*** – PHA will continue to develop and implement first-time homeownership initiatives under the MTW Opening Doors to Affordable Homeownership Program (ODAFP). ODAHP consolidates the existing Section 5h and HCV Homeownership programs with new homeownership initiatives that provide additional financing support for first-time homeowners. Soft-second mortgage and down payment assistance will be offered to eligible participants, in addition to homeownership counseling and support. Leveraging FHA's 203(k) Rehabilitation program, PHA will also encourage eligible participants to purchase and rehabilitate selected Public Housing scattered site units. Overall, PHA projects that 60 low-income households will become first time homebuyers in FY 2023. As part of these efforts, PHA plans to allocate up to five (5) homeownership vouchers for Public Housing participants who graduate from the Jobs Plus program.
- ***Second Chance Initiative*** – PHA will continue to implement a voucher pilot program to provide supportive services and housing subsidies to formerly incarcerated returning citizens that are active participants in good standing with the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and Mayor's Office of Reintegration Services (RISE) Program. PHA will continue to provide for extensions to the two-year program term for STAR/RISE participants impacted by the economic and health emergencies caused by the COVID-19 pandemic. This activity also involves a pilot initiative with the Pennsylvania First Judicial Court's MENTOR program to allow up to twenty (20) qualified returning citizens who are referred by and working with the MENTOR program to move in with existing PHA public housing households. The PHA household must be in good standing and willing to add a MENTOR program participant to the lease. This will help to re-unite families, prevent homelessness and, hopefully, interrupt the cycle of recidivism.

- ***Family Self-Sufficiency*** – PHA will continue to implement a local MTW Family Self-Sufficiency (FSS) program that streamlines program requirements and expands the program. In FY 2023, PHA anticipates adding 100 new families to the MTW FSS program, bringing the total number of families served to 500.
- ***Nursing Home Transition*** – The Nursing Home Transition Program provides housing opportunities for persons with disabilities who are transitioning from nursing home to community-based settings.
- ***Rent Simplification and Program Streamlining Initiatives*** – PHA will continue to implement previously approved MTW initiatives that simplify program administration and provide incentives for economic self-sufficiency. In FY 2023, PHA will propose modifications to the HCV program which allow for the establishment of exception payment standards for blocks, groups of blocks and other geographic areas, in order to further encourage voucher-holders to lease in areas of opportunity. PHA will also implement approved changes to the verification and calculation of earned income for Public Housing participants.
- ***Emergency Waivers*** – In FY 2023, PHA may utilize approved flexibilities provided under the Emergency Waivers activity in order to respond to residents’ needs, alleviate administrative burden on staff, and address challenges by waiving requirements and/or adopting alternative requirements.

PHA will periodically review and revise ongoing initiatives as needed in response to current conditions and priorities and to take advantage of new/emerging opportunities.

Background on the MTW Annual Plan

As part of each year’s MTW planning process, PHA provides opportunities for residents, PHA staff and the broader community to review the proposed goals, objectives and activities, and to offer feedback. PHA conducted a Resident Roundtable meeting with resident leadership to discuss its contents and provide opportunities for resident input. PHA posted the draft Plan on its website and provided a thirty-day public comment period to allow for resident and general public review. PHA also conducted a virtual public hearing and obtained Board of Commissioners approval prior to submission of the Plan to HUD. See Section VI and Appendix A for additional information.

II. GENERAL OPERATING INFORMATION

A. Housing Stock Information

i. Planned New Public Housing Units

PHA plans to add 334 units at ten (10) developments to its public housing inventory in FY 2023 as summarized in Table 1. Note that the first five listed developments comprising 182 units were previously included in PHA's FY 2022 Annual Plan. For these five developments, financial closings took place in FY 2022; however, construction and occupancy is now scheduled to occur in FY 2023. PHA competitively selected the developments to receive public housing operating subsidy through a Request for Proposals (RFP) under PHA's Unit Based Development and Leasing (UBV) program. All planned public housing developments will be undertaken by third party developer partners. The actual number of new public housing units may vary depending on several variables including changes to financing plans and construction schedules, receipt of Low Income Housing Tax Credits, HUD processing timetables and other factors. PHA will continue to comply with all applicable environmental requirements and coordinate environmental review activities with the HUD Field Office for these developments. PHA may issue a new Request for Proposals (RFP) during FY 2023 and may select additional developments for receipt of public housing Annual Contributions Contract(s) as a result of that or prior RFP(s), subject to approval of the PHA Board of Commissioners. As noted above, due to changes in development plans and schedules, planned developments shown in Table 1 may also appear in prior or subsequent Annual Plans. In addition to the new public housing units detailed on Table 1, PHA and/or its development partners plan to develop other public housing units that will then be converted to Project Based Voucher assistance pursuant to HUD's "Faircloth to RAD" initiative. Further information on PHA's planned Faircloth to RAD activities is included in the Rental Assistance Demonstration discussion below.

Table 1: Planned New Public Housing Units in FY 2023

AMP Name/#*	Bedroom Size						Total Units**	Population Type	# Section 504	
	0/1	2	3	4	5	6+			Accessible Units (Mobility)	Hearing/Vision
Allegheny West Plaza	45						45	Senior 62+	12

Total Public Housing Units to be Added in Plan Year							334			

*AMP numbers have not yet been assigned.

**Refers to total public housing units. Actual total unit count may vary and include other types of units including market, Project Based Voucher, etc.

ii. Planned Public Housing Units to Be Removed

In FY 2023, PHA plans to demolish and/or dispose of a projected 1,222 units as summarized in Table 2. The planned demolition and disposition initiatives are related to PHA's revitalization program and ongoing portfolio assessment and repositioning efforts including conversion of public housing units to project-based assistance under the Rental Assistance Demonstration (RAD) program. While Table 2 provides an estimate of the number of units to be removed from the public housing inventory during the Plan Year, the actual number may vary depending on the timetables for HUD and City of Philadelphia approvals, project financing, RAD closings and other factors. Due to variances in development schedules and changes in development priorities, units listed in Table 2 may include units listed in prior year Annual Plans for which disposition has not yet occurred.

Table 2: Planned Public Housing Units to Be Removed in FY 2023

AMP	Development Name	# of Units to be Removed	Explanation for Removal
PA2-055	Fairhill Apartments	110	Conversion of existing public housing development
PA2-031	Bartram Village	75	Conversion of existing public housing development
PA2-039	West Park Apartments	110	Conversion of existing public housing development
PA2-015	Harrison Plaza	188	Conversion of existing public housing development
PA2-132	Suffolk Manor	137	Conversion of existing PAPMC public housing development
PA2-137	Cambridge I	44	Conversion of existing PAPMC public housing development
PA2-129	Cambridge II	40	Conversion of existing PAPMC public housing development
PA2-147	Cambridge III	40	Conversion of existing PAPMC public housing development
PA2-901	Scattered Sites Haddington	26	RAD Transfer of Assistance
		2	Disposition or Demolition of Scattered Site properties
PA2-902	Scattered Sites Mantua	11	RAD Transfer of Assistance

AMP	Development Name	# of Units to be Removed	Explanation for Removal
		10	Disposition or Demolition of Scattered Site properties
PA2-903	Scattered Sites Kingsessing	10	RAD Transfer of Assistance
		3	Disposition or Demolition of Scattered Site properties
PA2-904	Scattered Sites Germantown	10	RAD Transfer of Assistance
		8	Disposition or Demolition of Scattered Site properties
PA2-905	Scattered Sites Fairhill Square	10	RAD Transfer of Assistance
		219	Disposition or Demolition of Scattered Site properties
PA2-906	Scattered Sites Francisville	0	RAD Transfer of Assistance
		4	Disposition or Demolition of Scattered Site properties
PA2-907	Scattered Sites Ludlow	8	RAD Transfer of Assistance
		35	Disposition or Demolition of Scattered Site properties
PA2-908	Scattered Sites Susquehanna	30	RAD Transfer of Assistance
		0	Disposition or Demolition of Scattered Site properties
PA2-909	Scattered Sites Strawberry Mansion	9	RAD Transfer of Assistance
		12	Disposition or Demolition of Scattered Site properties
PA2-910	Scattered Sites Oxford Jefferson	22	RAD Transfer of Assistance
		49	Disposition or Demolition of Scattered Site properties
TOTAL		1,222	

**Timing for removal of units related to RAD conversions may vary and extend beyond the Fiscal Year. RAD TOA numbers include those identified for transactions and those not yet identified. Addresses for scattered site units planned for demo/dispo have been included in Appendix D to this Plan.*

PHA has submitted an application to HUD to dispose of one (1) administrative building property that is in excess of its needs due to the construction of the Agency's consolidated headquarters:

- 1800 S. 32nd Street

PHA intends to proceed with the disposition of the above-listed property in FY 2023 subject to HUD approvals. Also in FY 2023, PHA plans to submit applications to HUD for disposition of two (2) additional administrative buildings:

- 3100 Penrose Ferry Rd
- 2012 Chestnut Street

PHA will sell or lease the administrative properties at fair market value based on an assessment of which option will generate the greatest benefit to PHA. PHA believes that the dispositions are in the best interest of PHA, its residents, and the City of Philadelphia. Finally, PHA intends to submit a disposition application to transfer property in North Philadelphia (PA2-905) to various nonprofits, land trusts and other entities for the development and preservation of affordable housing. PHA will also submit demolition applications for properties in North Philadelphia (PA2-

907) for development activities in the area of PHA's Fairhill development and for properties in Sharswood (PA2-910) for the development of a PHA warehouse.

iii. Planned New Project-Based Vouchers

PHA provides project-based voucher subsidies to non-profit sponsors and other private property owners through its UBV Program. Table 3 provides details on new UBV developments that PHA plans to commit to subsidize with vouchers during the Plan Year. This includes RAD conversion developments that PHA projects to be newly placed under commitment or contract in FY 2023. Overall, PHA projects that 752 additional units will be placed under commitment or contract in FY 2023. PHA may issue a new Request for Proposals (RFP) during FY 2023 and may select additional developments for receipt of unit-based vouchers as a result of that or prior RFP(s), subject to approval of the PHA Board of Commissioners. Actual contract/leasing figures may vary based on multiple factors, including contract terminations or suspensions, new and additional projects approved by the PHA Board during the Plan year, HUD RAD processing timetables and other considerations. Due to changes in development plans and schedules, planned developments shown in Table 3 may also appear in prior or subsequent Annual Plans.

Table 3: New Housing Choice Vouchers to be Project-Based in FY 2023

Property Name	# of Vouchers to be Project-Based	RAD?	Description of Project
Fairhill Apartments Initial Phase	110	Yes	Partial conversion of existing public housing development sponsored by PHA.
Harlan Street	22	No	New construction in the Sharswood neighborhood sponsored by Michaels Development.

West Park Apartments Initial Phase	110	Yes	Partial conversion of existing public housing development sponsored by PHA.
	752	Planned Total Vouchers to be Newly Project-Based	

iv. Planned Existing Project Based Vouchers

In addition to planned new project-based vouchers, PHA will continue to provide operating support for a large portfolio of existing units under contract in the UBV Program. Table 4 provides details on those UBV developments that are currently under contract, and that PHA projects will be under contract throughout FY 2023. As noted, there are 4,375 units in this category. Actual figures may vary depending on several factors including contract terminations, unit additions and subtractions.

Table 4: Existing Project-Based Vouchers in FY 2023

Property Name	# of Project-Based Vouchers	Planned Status at End of Plan Year	RAD?	Description of Project

v. Planned Other Changes to MTW Housing Stock Anticipated During the Plan Year

In FY 2023, PHA's development initiatives will continue to be guided by development principles approved by the PHA Board in September 2012. The development principles provide the framework for future development activities undertaken with public and private partners; clarifies the selection and review processes; and provides guidance on PHA's commitment to Section 3

jobs, sustainable development, defensible space principles, and other important issues. In light of funding constraints, PHA’s policy also emphasizes the importance of achieving maximum leverage with limited public funds.

PHA’s development efforts also support the goals established in the Assessment of Fair Housing Plan jointly issued by the City and PHA and accepted by HUD in February 2017. These goals emphasize the importance of a balanced approach to fair housing including preservation of existing housing, development of new affordable rental and homeownership housing, investments to improve the quality of life in distressed neighborhoods, and mobility initiatives to support housing in high opportunity areas.

Working in collaboration with the City of Philadelphia, PHA will continue to further the shared goal of creating significant new affordable housing opportunities citywide. Table 5 provides a summary of other housing and neighborhood revitalization activities currently planned by PHA, including initiatives in support of the City of Philadelphia’s affordable rental and homeownership goals. Additional initiatives may be added during the Plan year, subject to Board approval and any applicable HUD approvals, which may include acquisitions, housing and/or commercial development and other activities in support of PHA’s Strategic Directions Plan. In addition, Appendix C includes PHA’s Asset Management Table, which is periodically updated to provide an overview of planned or potential development, disposition, refinancing, conversion and/or homeownership activities at PHA sites.

Table 5: Planned Other Changes to MTW Housing Stock Anticipated in the Plan Year

Site	Description of Project
Brooklyn Heights	PHA will continue to pursue the acquisition (PRA) of land in the Mill Creek neighborhood and is working to address complex title issues in order to develop approximately 32 units on the property.
Gordon Street Phase II (Strawberry Mansion)	PHA will continue planning and preparation for the second phase of development at Gordon Street, which will include approximately 70 rental units adjacent to the newly developed Gordon Apartments.
Falls Ridge	PHA listed vacant land at the former Schuylkill Falls public housing development for sale at fair market value and accepted an offer proposing construction of approximately 150 market rate units on the vacant land.
Sharswood Development	PHA was awarded a \$30 million CNI grant to implement the Sharswood Transformation Plan in 2020. See narrative for details on Sharswood Transformation Plan activities.
2012 Chestnut Street	PHA entered into a development agreement with a private developer (Alterra Property Group) to develop the vacant, former PHA headquarters site at 2012 Chestnut Street into up to 200 units of housing of which 20% will be targeted to households with incomes at or below 80% of Area Median Income. The development will also include 7,000 square ft. of commercial space. PHA anticipates that construction may commence in FY 2023, once the financing plan has been finalized.
Bartram Village	PHA has entered into a predevelopment agreement with Pennrose Properties to evaluate the redevelopment of Bartram Village. PHA was awarded Choice Neighborhoods Planning grant funds for Bartram Village and the surrounding Kingsessing neighborhood to support the development of a comprehensive Transformation Plan. HUD accepted the Bartram Village/Kingsessing Transformation Plan in April 2020. Implementation of “action activities” funded under the CNI Planning Grant is ongoing. Subject to funding availability, PHA anticipates that the

Site	Description of Project
	first phase of redevelopment at Bartram will commence in FY 2023. PHA intends to apply for a CNI Implementation grant in the future.
Vaux Community Building	PHA has completed the majority of the renovations to the building, which serves as a community center and focal point for the Sharswood/Blumberg neighborhood revitalization effort. In April 2020, PHA opened a new Workforce Center to provide comprehensive employment and training services to PHA and community residents. Partners including the Temple University Nursing Clinic are also providing services in the facility. Big Picture Philadelphia continues to operate a high school at the Vaux Community Building. Renovations to the auditorium are planned for the future, subject to funding availability.
Vacant Lot Disposition	PHA owns over 700 vacant lot parcels. PHA plans to dispose of some of the properties for fair market value, to the Land Bank, to a PHA affiliate or alternate means. In partnership with Councilmember María Quiñonez Sánchez and nonprofit affordable housing developers in the 7th District, PHA plans to develop 240 vacant lots and shells into long-term affordable housing with a twenty-year restrictive covenant.
Fairhill Acquisition/Redevelopment	PHA will continue to pursue the acquisition of publicly and privately owned parcels in the neighborhood adjacent to Fairhill Apartments in connection with redevelopment and RAD conversion of the site.
Harrison Plaza	PHA is redeveloping the existing Harrison Plaza tower into a senior preference building and converting it to PBV under the RAD program. PHA is finalizing plans to rehabilitate and convert the remaining buildings at the site to RAD.
West Park Apartments	PHA issued a developer partner RFP to work with on a comprehensive redevelopment and RAD conversion plan for West Park Apartments campus which may could include mixed use development.
To be determined	PHA is actively pursuing opportunities to expand affordable housing by utilizing HUD's new Faircloth to RAD conversion program. Under this initiative, PHA may enter into partnerships and/or directly develop new public housing that will be converted to PBV assistance upon completion.
Walton School	PHA, either directly or with a third party developer partner, intends to rehabilitate this former school building into approximately 51 rental units for seniors.
Brewerytown Homeownership Initiative	PHA intends to issue a Request for Proposals to develop affordable homeownership units on scattered sites that were part of a RAD conversion in the Brewerytown section of Philadelphia.
Norris/North Central	PHA intends to develop a remaining parcel of the former Norris homes public housing site (possibly with a third party developer) into a mixed use development.
Suffolk Manor	PHA is exploring a RAD conversion of the current Suffolk Manor apartments along with improvements to the development.
2112 Ridge	PHA intends to build a mixed-use building that will include affordable housing for the underserved homeless and housing insecure LGBTQIA young adult population along with ground floor retail.

vi. General Description of All Planned Capital Expenditures During the Plan Year

PHA's capital planning and development strategies are designed to support, rehabilitate, and modernize existing PHA sites and to revitalize neighborhoods throughout the City. Coordination with the City of Philadelphia's neighborhood revitalization efforts continues to be a priority for PHA. PHA works to leverage its limited PHA resources with other resources such as Low Income Housing Tax Credits, private equity, and state and local funding sources. Utilization of MTW Block Grant funding and programmatic flexibility remains a critical element in PHA's modernization and development efforts.

PHA has prepared a Five Year Capital and Development Plan and maintains updated physical needs assessments for all PHA developments. Capital needs continue to dramatically exceed available funding.

Table 6 provides information on PHA's planned capital and development projects for which expenditures may be made during FY 2023. It includes projects funded from MTW Block Grant and other sources. PHA is required to submit this Annual Plan in advance of receipt of federal funding information for the fiscal year. In light of the uncertainty of future funding, the information on Table 6 is preliminary and subject to change based on actual funding and other factors. Actual obligations and expenditures may vary based on factors such as construction schedules, timing of HUD and local approvals, availability of leveraged funding and new and emerging repair needs. Note that capital projects are often implemented over multiple years and may involve multiple funding sources. As such, planned capital work items may also appear in prior or future annual plans.

Table 6: Planned Capital Expenditures in FY 2023

Project Type	Site Name	Project Description	Total Estimated Budget
Capital Improvements	Johnson Homes	504 Site Modifications / Fair Hsg	\$63,000.00
Capital Improvements	Richard Allen	504 Site Modifications / Fair Hsg	\$10,500.00
Capital Improvements	Raymond Rosen	504 Site Modifications / Fair Hsg	\$47,250.00
Capital Improvements	Wilson Park - Senior	504 Site Modifications / Fair Hsg	\$60,900.00
Capital Improvements	Harrison Plaza	504 Site Modifications / Fair Hsg	\$31,500.00
Capital Improvements	Arch Homes	504 Site Modifications / Fair Hsg	\$8,400.00
Capital Improvements	Spring Garden Apartments	504 Site Modifications / Fair Hsg	\$8,400.00
Capital Improvements	Queen Lane Apartments	504 Site Modifications / Fair Hsg	\$5,775.00
Capital Improvements	Hill Creek	504 Site Modifications / Fair Hsg	\$37,800.00
Capital Improvements	Abbottsford Homes	504 Site Modifications / Fair Hsg	\$25,200.00
Capital Improvements	Bartram Village	504 Site Modifications / Fair Hsg	\$10,500.00
Capital Improvements	Oxford Village	504 Site Modifications / Fair Hsg	\$50,400.00
Capital Improvements	Whitehall Apartments	504 Site Modifications / Fair Hsg	\$9,975.00
Capital Improvements	Haddington Homes	504 Site Modifications / Fair Hsg	\$24,150.00
Capital Improvements	Champlost Homes	504 Site Modifications / Fair Hsg	\$15,750.00
Capital Improvements	Haverford Homes	504 Site Modifications / Fair Hsg	\$2,100.00
Capital Improvements	Morton Homes	504 Site Modifications / Fair Hsg	\$28,350.00
Capital Improvements	Parkview Apartments	504 Site Modifications / Fair Hsg	\$1,575.00
Capital Improvements	Katie B Jackson	504 Site Modifications / Fair Hsg	\$10,500.00
Capital Improvements	College View	504 Site Modifications / Fair Hsg	\$16,800.00
Capital Improvements	Cecil B Moore	504 Site Modifications / Fair Hsg	\$5,250.00
Capital Improvements	Arlene Homes	504 Site Modifications / Fair Hsg	\$5,250.00
Capital Improvements	Gladys B Jacobs	504 Site Modifications / Fair Hsg	\$3,675.00
Capital Improvements	Haddington	504 Site Modifications / Fair Hsg	\$63,000.00

Project Type	Site Name	Project Description	Total Estimated Budget
Capital Improvements	Mantua	504 Site Modifications / Fair Hsg	\$37,800.00
Capital Improvements	Kingsessing	504 Site Modifications / Fair Hsg	\$89,250.00
Capital Improvements	Germantown/Hunting Park	504 Site Modifications / Fair Hsg	\$94,500.00
Capital Improvements	Fairhill Square	504 Site Modifications / Fair Hsg	\$89,250.00
Capital Improvements	Francisville	504 Site Modifications / Fair Hsg	\$84,000.00
Capital Improvements	Ludlow	504 Site Modifications / Fair Hsg	\$99,750.00
Capital Improvements	Susquehanna	504 Site Modifications / Fair Hsg	\$36,750.00
Capital Improvements	Strawberry Mansion	504 Site Modifications / Fair Hsg	\$88,200.00
Capital Improvements	Oxford Jefferson	504 Site Modifications / Fair Hsg	\$47,250.00
Capital Improvements	Scattered Sites 901-910	Carpentry	\$400,000.00
Capital Improvements	PHA Wide- Equipment	Compressor ATCO XAS 11 KD8 T4F	\$26,000.00
Capital Improvements	Scattered Sites 901-910	Heating Upgrades	\$100,000.00
Capital Improvements	PHA Wide- Equipment	Jack hammer	\$4,200.00
Capital Improvements	PHA Wide- Equipment	Pipe press black iron and copper	\$16,000.00
Capital Improvements	PHA Wide- Equipment	Plastic pipe fusion machine	\$24,000.00
Capital Improvements	Raymond Rosen	Sitework - Tree Removal	\$40,000.00
Capital Improvements	Bartram Village	Sitework - Tree Removal	\$25,000.00
Capital Improvements	Hill Creek	Sitework - Tree Removal	\$50,000.00
Capital Improvements	Whitehall Apartments	Sitework - Tree Removal	\$50,000.00
Capital Improvements	Katie B J	Sitework - Tree Removal	\$15,000.00
Capital Improvements	Oxford Village	Sitework - Tree Removal	\$50,000.00
Capital Improvements	Scattered Sites 901-910	Sitework - Tree Removal	\$250,000.00
Capital Improvements	Scattered Sites 901-910	Sitework - Window Replacement	\$100,000.00
Capital Improvements	PHA Wide- Equipment	Trench shoring system	\$18,000.00
Capital Improvements	Scattered Sites 901-910	Roofing	\$2,528,801.40
Capital Improvements	PHA Wide- Equipment	Trash truck	\$198,000.00
Capital Improvements	PHA Wide- Equipment	International Pole truck model 4700	\$208,000.00
Capital Improvements	PHA Wide- Equipment	Boom lift/ Geenie	\$122,500.00
Capital Improvements	PHA Wide- Equipment	Wood chipper	\$78,500.00
Capital Improvements	PHA Wide- Equipment	Dump truck	\$82,000.00
Capital Improvements	Parkview Apts	Concrete replacement	\$99,864.00
Capital Improvements	Champlost Homes	Concrete replacement	\$245,121.00
Capital Improvements	Collegeview	Carpentry	\$140,000.00
Capital Improvements	Morton Homes	Roofing	\$1,075,200.00
Capital Improvements	Spring Garden Apartments	Electrical Upgrades	\$300,000.00
Capital Improvements	Wilson Park	Concrete replacement	\$1,000,000.00
Capital Improvements	Hill Creek	Concrete replacement	\$1,350,000.00
Capital Improvements	Whitehall Apartments	Electrical/ Lighting	\$95,000.00
Capital Improvements	Haddington	Electrical/ Lighting	\$70,000.00
Capital Improvements	Richard Allen II	Electrical/ Lighting	\$60,000.00

Project Type	Site Name	Project Description	Total Estimated Budget
Capital Improvements	PHA Wide	Electrical upgrades	\$250,000.00
Capital Improvements	PHA Wide	Plumbing Upgrades	\$700,000.00
Capital Improvements	PHA Wide	Landscaping Snow package for Gator :salt spreader and plow(4)	\$34,351.74
Capital Improvements	PHA Wide	Gator with snow package (4)	\$139,196.82
Capital Improvements	PHA Wide	Gator w/o snow package (4)	\$135,781.14
Capital Improvements	PHA Wide	Equipment rental	\$60,000.00
Capital Improvements	Scattered Sites 901-910	Scattered Site Demolition	\$200,000.00
Capital Improvements	Wilson Park	Bed Bugs extermination	\$357,574.50
Capital Improvements	Emlen Arms	Bed Bugs extermination	\$77,989.50
ECM	Cecil B. Moore	EPC PHASE II FY 2022	\$68,787.00
ECM	Johnson Homes	EPC PHASE IV FY 2022	\$1,194,261.00
ECM	Raymond Rosen	EPC PHASE IV FY 2022	\$2,892,480.00
ECM	Wilson Park	EPC PHASE IV FY 2022	\$655,000.00

B. Leasing Information

PHA's Public Housing inventory includes units for families, seniors, and people with disabilities located at conventional and scattered site properties. It also includes properties managed by Alternatively Managed Entities (AMEs) and the Philadelphia Asset and Property Management Corporation (PAPMC). PHA's inventory includes some units that are not available for occupancy because: (i) they have been approved for demolition or disposition, but the demolition or disposition has not yet taken place; (ii) they have been scheduled for significant levels of modernization; (iii) they are utilized for administrative or resident services purposes; or (iv) they are eligible for other HUD-authorized exclusions. While PHA is planning to add additional public housing units, the overall size of the public housing inventory continues to decline (and the HCV inventory continues to increase) as units are converted to project-based assistance under RAD.

The Housing Choice Voucher program inventory changes from year to year and includes MTW tenant-based vouchers as well as vouchers authorized by HUD for special purposes such as the Veterans Affairs Supportive Housing Program, Family Unification Program, SRO Moderate Rehab and Mainstream programs. PHA utilizes vouchers to support the Unit Based Voucher program, through which PHA provides long-term subsidy contracts with non-profit and other sponsors. Periodically, HUD issues Enhanced Vouchers and Tenant Protection Vouchers (TPV) for PHA to administer. As allowed by the MTW Agreement, PHA incorporates Enhanced and Tenant Protection Vouchers into the MTW block grant when eligible.

i. Planned Number of Households Served

Table 7 provides information on households living in "MTW units" that PHA plans to serve during FY 2023. This includes all households residing in PHA public housing units as well as HCV MTW households. All of PHA's public housing units are "MTW units." The actual number of households served may vary from that listed on the tables. The conversion of public housing to project-based assistance under RAD began in FY 2017 and will continue in FY 2023 and beyond. RAD vouchers are included in the total "Federal MTW Voucher (HCV) Units to be Leased" shown in Table 7. The number of public housing and HCV families served may be affected by the RAD conversion schedule.

Table 7: Planned Number of MTW Households Served in FY 2023

Planned Number of Households Served Through:	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served
MTW Public Housing Units Leased	142,692	11,891
MTW Housing Choice Vouchers (HCV) Utilized*	221,292	18,441
Local, Non-Traditional: Tenant-Based	0	0
Local, Non-Traditional: Property-Based	492	41
Local, Non-Traditional: Homeownership	0	0
Planned Total Households Served	364,476	30,373

* Includes 1,741 RAD vouchers

Table 7A: MTW Local, Non-Traditional Programs

Local, Non-Traditional Category	MTW Activity Name/Number	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served
Tenant-Based	N/A	0	0
Property-Based	Shared Housing/MTW 2020-2*	492	41
Homeownership	N/A	0	0

*Planned number of units and unit months are preliminary estimates for MTW Activity 2020-2 and assumes 41 units will be leased for the year.

Although not required by HUD, PHA has included Table 7B, which identifies non-MTW households served through Special Purpose Voucher programs. PHA will apply MTW policies to Special Purpose vouchers including Mainstream vouchers unless inconsistent with Appropriations Act requirements or the requirements of the applicable NOFA. If a conflict occurs, the Appropriations Act and/or this funding notice govern.

Table 7B: Planned Number of Non-MTW Households Served in FY 2023

Non-MTW Program to be Served Through:	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served
Mainstream	5,340	445
FUP	1,800	150
VASH	9,720	810
VASH Project Based	168	14
Moderate Rehab	1,692	141
SRO	3,552	296
Total Households Projected to be Served	22,272	1,856

ii. Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

Housing Program	Description of Anticipated Leasing Issues and Possible Solutions
MTW Housing Choice Voucher	<p>Leasing of HCV units in opportunity areas continues to be a high priority. PHA implemented the Housing Opportunity Program (HOP) in August 2013 to enhance its mobility initiatives. Mobility program staff will continue to conduct outreach and marketing and to provide voucher holders with housing counseling and training before, during, and after moves.</p> <p>PHA has established a target utilization of 85% for MTW vouchers for FY 2023. As of October 2021, PHA has approximately 1,000 new voucher holders engaged in housing search activities. In FY 2023, PHA will continue to implement the following activities to support higher utilization levels: 1) issue a Request for Proposals for the Unit Based Voucher program to attract projects that are currently underway or recently developed or rehabilitated; 2) partner with the City of Philadelphia's Office of Homeless Services to issue additional vouchers to homeless families and individuals pursuant to the Blueprint program; and, 3) implement a series of landlord incentives designed to increase the supply of units available for leasing.</p> <p>These incentives will include Housing Opportunity Program (HOP) area signing bonus of \$1,000 for owners who submit a RFTA and lease a new unit in an opportunity area (must have poverty rate of <20% and meet other criteria related to jobs, educational and other opportunities); and payments of up to \$2,500 for HCV owners to cover vacancy turnaround expenses above and beyond normal wear and tear and not covered by the security deposit.</p>

C. Waiting List Information

PHA administers waiting lists in accordance with the HCV Administrative Plan and Public Housing Admissions and Continued Occupancy Policy (ACOP) as applicable. Administration of site-based waiting lists for the Conventional and Scattered Site program areas is managed under the Public Housing Admissions Department to ensure consistent and efficient management of applicants on the various waitlists.

PHA operates its waiting lists in a nondiscriminatory manner that seeks to avoid unintended discriminatory effects. PHA affirmatively markets its sites in a variety of venues and periodicals to ensure that the public is aware of the availability of PHA housing. PHA treats all applicants in a non-discriminatory manner. PHA also monitors its waiting lists to determine if there are significant changes in the percentage of protected classes and, if there were, would determine whether its affirmative marketing methods should be modified.

i. Waiting List Information Anticipated

Table 8 provides information on PHA's waiting lists in the format required by HUD.

Table 8: Waiting List Information Projected for Beginning of FY 2023*

Waiting List Name	Description	Number of Households on Waiting List	Waiting List Open, Partially Open or Closed	Plans to Open the Wait List During the Plan Year
MTW Public Housing Units	First Available and Site-Based	13,985	Partially Open	Yes, if needed***
MTW Public Housing Units **	Site-Based	38,015	Open	Yes
MTW Housing Choice Voucher Program	Community-Wide	8,750	Closed	No
PBV/PHA Owned	Site-Based	19,599	Open	Yes

Reflects waiting list data as of September 2021. **Units funded with LIHTC and managed by PAPMC *PHA may open the scattered site site-based waiting lists in conjunction with implementation of modified admissions preferences if necessary to ensure a ready pool of qualified applicants.*

Notes on Waiting Lists

- As specified in the ACOP, PHA's Public Housing wait list combines site-based, first available, and centrally managed wait list features. Public Housing developments have site-based waiting lists that are centrally managed by the Public Housing Admissions Department. This change was made to ensure consistent and efficient management of applicants on the various waitlists. Applicants may select specific sites or "first available" unit citywide. Centrally managed waitlists, administered by the Admissions Department, also include applicants that require a wheelchair accessible unit and those with a preference designation such as the Blueprint program.
- Public Housing wait lists are currently only open to applicants that require wheelchair accessible units; applicants aged 55 and older; and applicants referred to PHA from

external agencies with whom PHA has a referral agreement as described in the ACOP (i.e. Blueprint to End Homelessness and others).

- The HCV wait list is closed except for applicants who qualify for admission under HUD's Special Purpose Voucher programs including VASH and Mainstream, as well as applicants referred to PHA from external agencies with whom PHA has a referral agreement as described in the Administrative Plan. Under the Unit Based Program, site-based waitlists are managed and maintained by individual owners. PHA approves the site-based waitlists and tenant selection plan for each Unit Based development.

Describe any duplication of applicants across waiting lists:

Applicants may apply for more than one PHA program and appear on more than one waiting list.

ii. Planned Changes to Waiting List in FY 2023

Waiting List	Description of Planned Changes to Waiting List
Public Housing	<ul style="list-style-type: none">• Site based waiting lists will be established for new public housing developments prior to initial occupancy in accordance with the PHA Admissions and Continued Occupancy Policy.
MTW Housing Choice Voucher Program	<ul style="list-style-type: none">• Site based waiting lists will be established for new Unit Based Voucher developments, including new RAD developments, in accordance with the PHA Administrative Plan.

III. PROPOSED MTW ACTIVITIES

There are no proposed new MTW Activities for the FY 2023 MTW Annual Plan.

IV. APPROVED MTW ACTIVITIES

This section of the Annual Plan summarizes and provides a status update on MTW activities that have been previously approved by HUD. Additional detail on approved MTW activities is included in prior Annual Plans. As required, this section also includes summary information on MTW activities that have been closed out or placed on hold by PHA. Initiatives are numbered to reflect the fiscal year in which the MTW was initially approved, i.e. MTW Activity 2011-1 was initially approved in FY 2011.

A. Implemented Activities

ACTIVITY 2004-1: NEIGHBORHOOD DEVELOPMENT & REVITALIZATION INITIATIVES

Plan Year Approved, Implemented, Amended

- Design Standards
 - Approved FY 2004
 - Implemented FY 2004
- Total Development Cost Limits and Housing Cost Caps
 - Approved FY 2004
 - Implemented FY 2004
- Streamlined Mixed-Finance Development Process
 - Approved FY 2004
 - Implemented FY 2004
- MTW Site and Neighborhood Standards
 - Approved FY 2004
 - Implemented FY 2004
- Streamlined Acquisition Process
 - Approved FY 2002
 - Implemented FY 2002
- Strategy for Development
 - Approved FY 2005
 - Implemented FY 2005

Description/Update

PHA will continue to use MTW authority to substantially increase housing choices for residents and applicants. PHA is continuing to implement an ambitious program of new construction, substantial rehabilitation, and modernization designed to revitalize PHA public housing developments, replace distressed housing lost to demolition and lack of capital funds, and improve Philadelphia's neighborhoods. Public housing development or redevelopment activities, and other new development, directly undertaken by PHA as developer are included under this initiative. To support these redevelopment activities, PHA continues to implement the following MTW components, which also support the Partnership Initiative and other MTW activities:

- *Design Standards* - PHA continues to implement reasonable and modest design standards for new construction and rehabilitation work that mirror current design trends and the 21st century needs of residents.

- *MTW Total Development Cost Limits and Housing Cost Caps* - PHA has established and maintains reasonable cost limits for development and redevelopment activities that replace HUD's Total Development Cost (TDC) limits and Housing Cost Caps (HCC).
- *Streamlined Mixed-Finance Development Process* - PHA is authorized to develop public housing through several financing methods, including the mixed-finance approach, which involves the use of private financing, Housing Choice Vouchers, and public housing development funds.
- *MTW Site and Neighborhood Standards* - PHA is authorized to implement alternate Site and Neighborhood Standards for its public housing and voucher programs, in lieu of those standards at 24 CFR § 941.202(b)-(d) and 24 CFR 983.57.
- *Streamlined Acquisition Process* - Subject to the provisions of the MTW Agreement, PHA is authorized to acquire sites without prior HUD approval, provided that the agency certifies that HUD site selection requirements have been met.
- *Strategy for Development* - PHA has adopted a Development-Asset Management Strategy for Public Housing that takes a comprehensive neighborhood-by-neighborhood and block-by-block approach to redeveloping, consolidating, rehabilitating, demolishing, and acquiring and disposing of scattered site units independently and in partnership with government and other local neighborhood-based organizations.

Planned Non-Significant Changes

No non-significant changes are planned. PHA may submit updated MTW TDC/HCCs for HUD approval as part of a future Plan or Plan Amendment.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Metrics

<i>CE #1: Agency Cost Savings *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Total cost of task in dollars (decrease)	TBD	\$0	\$0	Yes
*PHA has previously noted that this metric is not applicable to this activity; however, HUD has required its use. PHA is not able to derive a baseline for these activities which were initially implemented in FY 2004 (i.e. over 10 years before implementation of HUD standard metrics).				
<i>CE #2: Staff Time Savings *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?

Total time to complete the task in staff hours (decrease).	TBD	0	0	Yes
--	-----	---	---	-----

**PHA has previously noted that this metric is not applicable to this activity; however, HUD has required its use. PHA is not able to derive a baseline for these activities which were initially implemented in FY 2004 (i.e. over 10 years before implementation of HUD standard metrics).*

CE #3: Decrease in Error Rate of Task Execution *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average error rate in completing a task as a percentage (decrease).	0	0	0	Yes

**PHA has previously noted that this metric is not applicable to this activity; however, its use is required by HUD. PHA does not track error rates associated with the Neighborhood Development and Revitalization Initiative activities listed above.*

CE #4: Increase in Resources Leveraged

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Amount of funds leveraged in dollars (increase).	\$0	\$0	\$0	Yes

HC #1: Additional Units of Housing Made Available

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	0	0	Yes

HC #2: Units of Housing Preserved

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of housing units preserved for households at or below 80% AMI that would otherwise not be available (increase).	0	0	0	Yes

HC #3: Decrease in Wait List Time *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average applicant time on wait list in months (decrease).	Public Housing – 14 years for participants housed in FY 2015	TBD		

**PHA establishes new site-based waiting lists for each new development. The baseline used is the agency wide average wait time for Public Housing. PHA does not know how many applicants will apply for the proposed development(s); therefore, is unable to establish a benchmark for this development at this time.*

HC #5: Increase in Resident Mobility

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
---------------------	----------	-----------	---------	---------------------

Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	0	0	Yes
---	---	---	---	-----

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2004-2: SERVICE-ENRICHED HOUSING FOR SENIORS & PEOPLE WITH DISABILITIES

Plan Year Approved, Implemented, Amended

- Nursing Home Transition
 - Approved FY 2010
 - Implemented FY 2010
- Definition of Elderly
 - Approved FY 2004
 - Implemented FY 2004

Description/Update

PHA will continue to collaborate with the Commonwealth of Pennsylvania and other local providers to develop and implement a range of service-enriched housing options for seniors and people with disabilities, including the following ongoing MTW program components:

- *Nursing Home Transition* – The Nursing Home Transition Initiative (NHTI) is a partnership with the Department of Public Welfare (DPW) that assists persons transitioning out of nursing homes with accessing affordable housing. As part of NHTI, PHA administers state-funded vouchers and housing opportunities for referrals of disabled consumers in need of low-income housing. NHTI families may be eligible for a preference for public housing or HCV.
- *Definition of Elderly* – An elderly person is defined as an individual who is at least 55 years old. An elderly family is defined as one with a head of household, co-head, spouse or sole member who is at least 55 years old.

Planned Non-Significant Changes

Under the Nursing Home Transition Initiative, PHA receives referrals from the Department of Human Services (previously referred to as DPW) to assist persons transitioning out of nursing homes with vouchers funded by the Pennsylvania Housing Finance Agency (PHFA). However, PHFA will no longer provide funding for these vouchers; and, DHS has ceased providing new applicant referrals as of June 30, 2020. Consequently, PHA will no longer provide NHT assistance to new families through state-funded vouchers.

Public Housing partners with the Philadelphia Corporation for Aging (PCA) and will continue to receive new referrals for the Nursing Home Transition Initiative in FY 2023; their participation in this initiative was not impacted.

Planned Changes to Metrics/Data Collection

PHA has updated the benchmarks for HC #5 and HC #7 to reflect the discontinuation of state-funded vouchers.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>HC #5: Increase in Resident Mobility</i>				
Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0 – Nursing Home Transition (NHT)	15 – Ongoing (NHT)		
<i>* Reflects the number of NHT participants assisted through the Public Housing program.</i>				
<i>HC #7: Households Assisted by Services that Increase Housing Choice</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase housing choice (increase).	0 – Nursing Home Transition (NHT)	15 – Ongoing (NHT)		
<i>* Reflects the number of NHT participants assisted through the Public Housing program.</i>				

ACTIVITY 2004-3: SIMPLIFICATION AND STREAMLINING OF RENT AND RECERTIFICATION PROCESSES FOR PUBLIC HOUSING AND HCV

Plan Year Approved, Implemented, Amended

- Two and Three-Year Recertification/Limit on Interims
 - Approved FY 2004
 - Implemented FY 2004
 - Modified in 2017
- Ceiling Rents
 - Approved FY 2004
 - Implemented FY 2004
- Rent Calculation Method
 - Approved FY 2004
 - Implemented FY 2004
 - Modified FY 2017
- Payment Standards
 - Approved FY 2008
 - Implemented FY 2008
 - Amended FY 2018
- Reasonable Rent
 - Across-the-board Rent Increases
 - Approved FY 2008
 - Implemented FY 2008
 - Streamline Reasonable Rent Determinations
 - Approved FY 2005
 - Implemented FY 2005
- Utility Allowances
 - PGW CRP Program
 - Approved FY 2009
 - Implemented FY 2014
 - PECO Customer Assistance Plan Enrollment
 - Approved FY 2011
 - Not yet implemented
 - Interim Recertification Utility Allowance
 - Approved FY 2017
 - Implemented FY 2017

- Minimum HAP Payment
 - Approved FY 2019
 - Implemented FY 2019
 - Removed FY 2022
- Philadelphia Water Department's Tiered Assistance Program (TAP)
 - Approved FY 2019
 - Not yet implemented

Description/Update

PHA will continue to implement a series of MTW initiatives in the public housing and/or HCV programs designed to simplify rent calculation and recertification, streamline administrative processes, and reduce paperwork burdens on residents and staff. Simplification and streamlining policies may also be applied to Public Housing households who are living in housing operated by PAPMC, subject to investor approval as needed.

- *Two and Three-Year Recertification/Limit on Interims* – Public Housing and HCV, including UBVRAD require recertifications every two years, except for public housing residents choosing ceiling rents who are recertified every three years. Voluntary interim recertifications are restricted to one every six months, except for elderly and disabled households who are exempt from this restriction. PHA will process voluntary interim rent reductions if and when the reduction in income lasts for more than 30 days. In FY 2017, PHA began conducting recertifications every three years for elderly or disabled households on fixed incomes in both the HCV and public housing programs. PHA applies the biennial and triennial recertification policy to VASH participants.
- *Ceiling Rents* – PHA has established ceiling rents for its public housing developments, which are periodically updated. PHA tenants will continue to have the option of selecting either a ceiling rent or an income-base rent. PHA uses ceiling rents when calculating rent for mixed families. PHA notes that, pursuant to the HOTMA legislation and policies approved by the PHA Board in March 2019, ceiling rent policies will not apply to certain households who are “over-income” for twenty-four consecutive months. Over-income households are defined as those with household income at or greater than 120% of Area Median Income and will be subject to an alternative rent beginning on or after April 2021. Additional details regarding this policy can be found in PHA’s Admissions and Continued Occupancy Policy.
- *Rent Calculation Method* – PHA has established an alternative rent structure for the HCV (including UBVRAD) and public housing programs to motivate residents to work and accumulate savings. In FY 2017, PHA began allowing households with assets of \$50,000 or less to self-certify asset value and income from the assets. Asset income is excluded when the value of the household’s asset is \$50,000 or less. Asset income for household assets valued at greater than \$50,000 is calculated by using the market value of the asset times the passbook savings rate. Also, in FY 2017, PHA began excluding all full-time student earned income for family members other than the head, spouse or co-head and PHA discontinued verification of full-time student earned income as 100% of the income is excluded.

- *Verification and Calculation of Earned Income* - PHA has established a revised method for verifying and calculating earned income for Public Housing participants. Specifically, PHA verifies and calculates earned income using the last four consecutive quarters in EIV. In cases where earned income is not in EIV or the tenant disputes the earned income calculation, PHA will seek third party verification to verify and calculate income and/or reconcile the difference. PHA continues to use third party verification for unemployment as well as other sources of income not contained in EIV. Where the working family deduction is concerned, family members who report employment income will self-certify the number of hours they work each week.
- *Payment Standards* – PHA has implemented a policy in the HCV program whereby the current payment standard is applied at regular recertification; however, this policy was modified due to required regulatory implementation of SAFMRs. Additionally, PHA approved payment standards up to 120% of the FMR to support leasing for existing voucher clients and/or new voucher holders who wish to move to areas with documented improved educational systems, job opportunities, social services and other opportunities in the expectation that over time their need for housing and other subsidies will abate or diminish.
- *Exception Payment Standards* - PHA is authorized to establish exception payment standards for individual units within a SAFMR zip code and remove the 120% limitation for units in neighborhoods undergoing significant revitalization where the SAFMR is not consistent with its property values and rents. While all of the units in the zip code with the lower SAFMR may not be in the revitalized area, those that are, would be at a significant disadvantage for inclusion in the HCV program if existing SAFMRs and payment standards were applied. Exception payments standards will address these obstacles by aligning with the market conditions of the neighborhood. As with all other HCV units, PHA will include documentation in the file that the rent is reasonable when setting payment standards outside of the allowable range without HUD approval.
- *Reasonable Rent*
 - PHA has implemented a reasonable rent policy for the HCV Program, including UBV/RAD, whereby reasonable rent determinations are completed at initial lease up, upon request for a rent increase, and at other times PHA deems it necessary to conduct a reasonable rent redetermination.
 - PHA may implement across-the-board rent increases or rent freezes for properties in the HCV Program. When and if an across-the-board rent increase is awarded, PHA will complete a reasonable rent determination at the time of the next annual HQS inspection and apply applicable policies related to reasonable rent when and if the rent is not reasonable.
- *Utility Allowances*
 - PHA is authorized to implement a revised utility allowance methodology that includes the following components:

- HCV participants who are responsible for paying gas heat and who are eligible to participate in the PGW Customer Responsibility Program (CRP) have the gas portion of their utility allowances calculated using an alternative methodology. PHA may elect to implement this utility allowance program in public housing where applicable.
 - PHA will periodically, at its discretion, review HCV utility allowance schedules to determine if adjustments are required. Annual updates are not required.
 - Utility allowances may be phased out for residents with incomes at or above 80% of Area Median Income or public housing residents on ceiling rent.
 - PHA will review and modify public housing utility schedules periodically based on an assessment of available HUD funding and the requirements of the MTW Agreement and Plan.
- PHA is also authorized to expand the utility allowance policy to require public housing and HCV tenants receiving either heat or electric utility allowances to enroll and participate in the PECO Customer Assistance Plan, LIHEAP and any other applicable programs that offer reduced rates, energy usage grants, or other financial incentives to low-income households.
 - For HCV participants only, during an interim recertification, PHA will apply the utility allowance in effect on the effective date of the interim recertification; however, families on the Alternate Utility Allowance (UA) CRP Program will have their gas utility allowance updated at the time of interim recertification consistent with PHA's MTW UA policies. During an interim recertification, PHA will apply the payment standard in effect at the last regular recertification.
 - PHA may further expand the utility allowance policy to require public housing and HCV tenants, whose incomes are at or below 150% of the Federal Poverty Level and who receive a utility allowance for water, to enroll and participate in the Philadelphia Water Department's Tiered Assistance Program (TAP). TAP provides customers with significant savings by offering a consistent bill based on their income. PHA will base the water utility allowance for eligible households on the amount charged under the TAP Program. Water charges range from 2% to 3% of gross income.

In FY 2023, PHA will continue to meet with owners and the Philadelphia Water Department to solicit interest in the TAP Program. In order to implement this program, owners have to authorize tenants to place payment responsibility for water in the tenant's name, which owners are reticent to do.

PHA will implement its previously approved MTW policy regarding the verification and calculation of earned income in FY 2023. For public housing participants, PHA will use the last four consecutive quarters in EIV to verify and calculate income.

To address the continued economic and financial impact of the COVID-19 pandemic on low-income families, PHA will continue to waive its MTW policy on interim recertification and lift the limit on requests for voluntary interim rent reductions in FY 2023.

PHA adopted Small Area Fair Market Rents (SAFMR) beginning in FY 2019. PHA will review and revise the groupings of SAFMR zip codes annually. These revisions are necessary to avoid negative financial impacts to both tenants and owners.

Planned Non-Significant Changes

In FY 2023, PHA plans to establish exception payment standards for specific areas of revitalization, identified by blocks, groups of blocks or other geographic areas, and remove the 120% limitation for those areas undergoing significant revitalization. This change will provide PHA with additional flexibility to establish exception payment standard areas and aligns with PHA's broader strategy to encourage voucher-holders to lease in areas of opportunity and decrease density in high poverty neighborhoods. Exception payment standards will be consistent with market conditions in the surrounding area and prevent financial hardship for those voucher-holders who choose to lease in these areas. As with all other HCV units, PHA will include documentation in the file that the rent is reasonable when setting payment standards outside of the allowable range without HUD approval.

Planned Changes to Metrics/Data Collection

The following metrics will be removed from this activity:

- CE #1: Agency Cost Savings. Though this activity results in significant time savings, cost savings are not realized as staff time is repurposed to serve other core agency functions.
- SS #1: Increase in Household Income and SS #3: Increase in Positive Outcomes in Employment Status. PHA does not provide supportive services or case management to improve outcomes related to employment and earned income through this activity and therefore does not expect this activity to directly impact these outcomes.
- SS #8: Households Transitioned to Self Sufficiency. As noted above, no supportive services or case management are provided through this activity. Further, PHA does not feel that the increases in the number of households who exit the program and/or earn income at or above 80% AMI are a direct result of this activity.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>CE #2: Staff Time Savings *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?

Total time to complete the task in staff hours (decrease).	56,110 hours (estimate)	29,000 hours		
--	-------------------------	--------------	--	--

**Includes HCV and PH.*

CE #3: Decrease in Error Rate of Task Execution *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average error rate in completing a task as a percentage (decrease).	5%	5%		

** The error rate is a weighted average. PHA implemented its revised rent calculation method in 2004 and did not have historical data on rent calculation error rates at that time. PHA identified the baseline as part of the FY 16 Annual Report (which already reflects error rate reductions) and then established a benchmark of maintaining this level going forward, i.e. PHA would not anticipate future reductions to error rates.*

CE #5: Increase in Agency Rental Revenue – Utility Allowance Policy *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Rental revenue in dollars (increase).	\$606,753	\$606,753		

**Represents the savings generated by PHA on behalf of households who receive the CRP UA for gas heat.*

ACTIVITY 2004-4: UNIT-BASED LEASING AND DEVELOPMENT PROGRAM

Plan Year Approved, Implemented, Amended

- Approved FY 2004
- Implemented FY 2004
- Modifications in FY 2017, FY 2019

Description/Update

Under PHA's Unit-Based Leasing and Development Program ("UBV" or the "Unit-Based Program"), PHA will continue to negotiate long-term subsidy contracts with for-profit and non-profit private sector housing providers based on property specific agreements. PHA prioritizes the selection of developments, which serve underserved populations and/or which incorporate supportive services on-site or nearby. Key features of PHA's UBV Program include:

- PHA's Site Selection Standards for the UBV Program comply with the alternate Site and Neighborhood Standards described at Attachment C, Section D (7)(c) to PHA's MTW Agreement.
- Rents to owners participating in the UBV Program funded with MTW HCV funds will not exceed the lowest of 110% of the applicable fair market rent, the reasonable rent, the rent requested by the owner or such other amount determined by PHA to be appropriate for the unit based upon the nature of the unit and the RFP from which the owner was selected. For example, in certain cases, PHA may determine that a shallow subsidy is more appropriate.
- Unless part of its "shallow" subsidy UBV Program, PHA will not attach or pay UBV assistance to units that are already receiving another form of subsidized housing operating assistance. With respect to a shallow subsidy UBV Program, PHA will not attach or pay UBV assistance to units receiving another form of subsidized operating assistance if the UBV assistance would be duplicative or would otherwise over-subsidize the unit. PHA may determine the effect of subsidy on rent to owners and the duplication of subsidy or excessive subsidy, subject to the requirements regarding subsidy layering as set forth in the HUD Reform Act of 1989.
- PHA may unit-base up to 100 percent of the dwelling units in any UBV project or building.
- PHA may select its own units for project-basing with UBV assistance without a competitive process. Pursuant to Attachment C, Section D (7)(a) of PHA's MTW Agreement, PHA may unit-base assistance at properties other than public housing properties owned directly or indirectly by PHA, including those owned by PHA affiliates or instrumentalities. For purposes of this selection method, a property that may be unit-based may be a former public housing property that has been converted to HCV assistance.

- Pursuant to Attachment C, Section D (1)(f) of PHA's MTW Agreement, under either the UBV Program or the Partnership Initiatives, PHA may attach or pay UBV assistance using HCV MTW funds to unit types currently prohibited by standard Section 8 regulations including, but not limited, to shared living facilities. Such units must comply with applicable alternate MTW Site and Neighborhood Standards. In February 2017, with the support of the local Veterans Administration, PHA requested HUD approval to enter into a HAP contract under the HUD VASH-PBV Program for an existing, 14-unit shared housing facility (Hancock Manor) operated by Impact Services. HUD accepted PHA's use of the existing MTW waiver related to shared living facilities in project-based developments for this VASH project. Subject to HUD approval and the support of the VA, PHA may apply MTW waivers related to shared housing facilities in project-based developments to future VASH projects.
- An owner of a unit assisted under the UBV Program with MTW HCV funds may elect to receive referrals from PHA's waiting list or to use a site-based waiting list for selection of tenants for a site. For owners using a site-based waiting list, PHA reviews and approves the tenant selection plan, and owners refer families to PHA for eligibility screening.
- A family residing in a UBV unit funded with MTW HCV funds may terminate the lease at any time after the initial term. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to PHA. Once a family terminates the lease, the family will no longer be part of the HCV or UBV Program. Pursuant to PHA's MTW flexibility, PHA does not provide UBV participant families who want to move with tenant-based assistance with a tenant-based HCV voucher, except where required under the RAD Program or otherwise offered by PHA as a reasonable accommodation, VAWA transfer or due to HQS failures under certain circumstances.
- While PHA's standard initial lease term for public housing and HCV is two years, PHA may allow a shorter term for UBV transitional housing units in order to facilitate the movement of families through the housing continuum and to obtain "permanent" housing more rapidly.
- PHA applies its MTW UBV policy to RAD developments and may project-base 100% of the units in a RAD UBV development.
- PHA is not subject to the requirement for an independent entity to approve AHAP/HAP contract terms, renewals of HAP contracts, rent determinations and inspection of PHA owned units.
- PHA applies the following MTW initiatives to the UBV/RAD Program: Rent Simplification, two and three year recertifications, limit on interim recertifications, alternative rent structure and reasonable rent.
- PHA may utilize local forms, which reflect PHA's MTW UBV policies and procedures as an alternative to HUD standard forms. PHA will prepare and implement a local PB HAP contract, PB Tenancy Addendum and Statement of Family Responsibility Form to reflect

MTW policies including but not limited to, rent determination methods, recertification frequencies and right to move policies.

- PHA defines a UBV project as a single building, multiple contiguous or non-contiguous buildings, or multiple buildings on contiguous or non-contiguous parcels of land all with a single owner. A single family building is a building with no more than four dwelling units. PHA may elect to combine units that cumulatively meet the definition of a UBV project, but that are covered under more than one Housing Assistance Payments (HAP) Contracts, into a single HAP Contract. For such scattered site projects, PHA implements an alternative method to determine rent reasonableness whereby PHA bases the rent reasonableness determination for all units in the project that are within the same submarket area on the rent reasonableness determination made for a single unit of each bedroom size. For example, the rent reasonableness determination for all one-bedroom units in the project will be based on the rent reasonableness determination made for a single one-bedroom unit in the project provided that the units are in the same submarket area.

For mixed-finance closings for UBV units involving new public housing units, PHA may request HUD review and approval of certain waivers to current public housing regulations in the interest of increasing housing choice, promoting long-term project viability, and encouraging more third-party development. Specific waivers that may be requested include:

- PHA may elect to allow the owner of UBV units, including PHA if it is the owner, to utilize public housing operating subsidy and other MTW funds, to pay for debt service associated with the UBV development; and,
- Where PHA provides public housing operating subsidy as part of UBV assistance, separately or in combination with voucher or other MTW funds, PHA may have the Declaration of Restrictive Covenants modified to eliminate or change the standard ten-year affordability “tail.”

The specific details of each UBV agreement will be defined prior to closing and shall be subject to HUD review and approval, where applicable, as part of the mixed-finance transaction closing process.

In FY 2023, PHA plans to enter into UBV contracts for ten (10) multifamily housing developments with a total of 746 affordable rental units. Additionally, PHA may issue requests for proposals, conduct evaluations, and recommend additional units and developments for approval by the PHA Board.

See *Section II. General Operating Information* for listings of planned and current UBV developments.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

Benchmarks have been updated to reflect projected UBV activity in FY 2023.

Metrics

HC #1: Additional Units of Housing Made Available *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0 units	349 units		
<i>*HUD requires this metric to track only newly constructed and/or rehabilitated units that were put under HAP Contract during the Plan year. This excludes planned RAD conversions of existing public housing including PAPMC-managed units; however, it does include any newly constructed or substantially rehabilitated RAD conversion units.</i>				
HC #5: Increase in Resident Mobility				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0 households	746 households		
<i>* Represents units project-based voucher units newly under HAP or AHAP in FY 2023</i>				
HC #7: Households Assisted by Services that Increase Housing Choice				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase housing choice (increase).	0 households	2,287 households		
<i>* Represents UBV units where supportive services are provided.</i>				

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2005-2: STREAMLINE THE ADMISSIONS AND TRANSFER PROCESS

Plan Year Approved, Implemented, Amended

- MTW Transfers
 - Approved FY 2005
 - Implemented FY 2005
- HCV Waiting List
 - Approved FY 2012
 - Implemented FY 2012
- Public Housing Waiting List
 - Approved FY 2012
 - Implemented FY 2012

Description/Update

PHA will continue to utilize MTW flexibility to implement policies designed to streamline the admissions and transfer policies for both Public Housing and HCV Programs:

- *MTW Transfers* - PHA may authorize a limited number of split-family transfers from Public Housing to the Housing Choice Voucher Program and vice versa. These transfers are referred to as MTW transfers. PHA provides for up to 50 Housing Choice Vouchers and 50 public housing units to be transferred back and forth between the Public Housing Program and the HCV Program. No more than 100 moves are authorized per fiscal year.
- *HCV Waiting List* - Once a family is leased under the HCV Program, the family may remain on the waiting lists for Tax Credit and public housing sites; however, PHA notifies the family that they will not be eligible for selection from the Tax Credit or public housing site waiting lists until the initial lease term has been completed.
- *Public Housing Waiting List* - Once a family is housed in public housing, the family will be removed from all other scattered site and conventional public housing waiting lists. However, a family may remain on the HCV and/or Tax Credit Site waiting lists. Additionally, PHA may require that the family sign an agreement whereby the family acknowledges that their name will be removed from all other scattered site and conventional public housing waiting lists and they will not be eligible for selection.

Planned Non-Significant Changes

Commencing in FY 2023, PHA may allocate up to five (5) homeownership vouchers for Public Housing residents who graduate from the Jobs Plus program and transfer these residents from the Public Housing to HCV Homeownership program. Graduates will be required to complete the

homeownership-counseling courses and meet other eligibility requirements for receiving a homeownership voucher. In FY 2022, PHA received a \$2.9 million Jobs Plus grant for Wilson Park, a place-based initiative which combines traditional self-sufficiency supports with rent incentives. PHA anticipates that the allocation of homeownership vouchers will further incentivize families to participate and graduate from the Jobs Plus program.

Planned Changes to Metrics/Data Collection

The following metrics will be removed from this activity:

- **HC #5: Increase in Resident Mobility – MTW Transfers.** PHA does not believe the volume of MTW transfers in a given fiscal year reflects the success of this activity. PHA approves MTW transfers for only those families whose transfer requests cannot be accommodated within their current program, because of their family size and/or needs.
- **CE #1: Agency Cost Savings and CE #2: Staff Time Savings.** PHA does not realize time or cost savings as a result of this activity; rather, participants are permitted to transfer into the HCV or Public Housing program if their approved transfer request cannot be accommodated within their current program.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>HC #3: Decrease in Wait List Time – MTW Transfers</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average applicant time on wait list in months (decrease).	PH – 14 years in FY 2015	PH < 1 year		
	HCV – 4.5 years in FY 2015	HCV < 1 year		

ACTIVITY 2005-3: PROGRAM EFFICIENCIES *(formerly HCV Program Efficiencies)*

Plan Year Approved, Implemented, Amended

- Restriction on Elective Moves
 - Approved FY 2008
 - Implemented FY 2008
- Criteria for Portability Moves
 - Approved FY 2013
 - Implemented FY 2013
- Development of Local Forms
 - Approved FY 2017
 - Implemented FY 2017

Description/Update

PHA will continue to utilize MTW flexibility to implement efficiencies designed to simplify processing and streamline administrative processes. This activity includes:

- *Restriction on Elective Moves* – Families participating in the HCV program are permitted to move within PHA's jurisdiction after the initial term of assisted occupancy and at the time of regular recertification.
- *Criteria for Portability Moves* – PHA has established criteria for all port-out moves. The criteria require that MTW voucher participants requesting to port-out provide a verified employment, education, safety, or medical/disability need to support their move to another jurisdiction.
- *Development of Local Forms* - PHA will prepare local forms, which reflect PHA's MTW policies and procedures, for use in the HCV and Public Housing programs.

As part of the Local Forms initiative, PHA combined the HUD-9886 Authorization for the Release of Information/Privacy Act form with the PHA Authorization of Release Form in order to reduce redundancies and streamline the verification process by reducing the number of signatures required and allowing the household to sign electronically.

Planned Non-Significant Changes

In FY 2023, PHA plans to implement a tenant-based HAP contract and Tenancy Addendum, in concert with approved MTW policies. PHA will also develop a local PBV HAP Contract and Tenancy Addendum in FY 2023, consistent with MTW policies approved under Activity 2004-3: Unit-Based Leasing and Development Program.

Planned Changes to Metrics/Data Collection

PHA will remove CE #1: Agency Cost Savings. Though the MTW policy on transfers and portability results in time-savings, cost savings are not realized as staff time is re-purposed to focus on other core functions.

Planned Significant Changes

No significant changes are planned.

Metrics:

CE #2: Staff Time Savings *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Restriction on Elective Moves: Total time to complete the task in staff hours (decrease).	1,614 hours (based on 1,291 moves in FY 14)	2,500 hours		
Criteria for Portability Moves: Total time to complete the task in staff hours (decrease).	540 hours (based on FY 12 port activity)	264 hours		
<i>*PHA implemented this activity in FY 2007 and does not have baseline information available for that period. Thus, the baseline reflects staff time savings already achieved. PHA has established a benchmark to continue the same or comparable level of staff time savings.</i>				

ACTIVITY 2011-1: PARTNERSHIP PROGRAMS INITIATIVE

Plan Year Approved, Implemented, Modified

- Approved FY 2011
- Implemented FY 2012
- Modified FY 2013 to incorporate specific components applicable to the youth aging out of foster care partnership with the Philadelphia Department of Human Services (DHS)

Description/Update

PHA will continue to utilize MTW authority to expand public housing for special needs and other targeted groups in partnership with non-profit neighborhood groups, universities, state and local government, and other stakeholders. This flexible, services-oriented model allows PHA to leverage PHA and partner resources to provide public housing options and, where appropriate and feasible, related health care, educational, and/or other necessary services to low-income families and individuals. Authorized features of this initiative include, but are not limited to, the following:

- Admissions and continued occupancy requirements for the initiative may vary from standard public housing and will be determined for each project in order to promote seamless integration of the partner's subsidy sources with MTW block grant funds.
- Partnership initiatives must serve households earning 80% of AMI or below. PHA's MTW funds may not be used to subsidize households who are not low-income.
- PHA will leverage its funds with other partner resources in order to avoid duplicative services and payments and to maximize the value of funds invested in the Partnership Initiative.
- Potential models include, but are not limited to, domiciliary care for seniors and people with disabilities; housing options for youth, including those aging out of foster care; and permanent supportive housing.
- Budgets and agreements between PHA and its partners will adjust subsidy to allow for recoupment of PHA's capital investment as fee income where financially feasible, particularly in situations in which the partner's subsidy is intended to cover all or some of the housing costs.
- While each development is expected to have different features, programmatic components may include: preferences for specific target populations, including referrals from partner agencies; program contracts for participants that may include requirements for case management, participation in services, or other requirements; time limits on housing subsidies; modified occupancy standards; availability of stipends; and other components.

In FY 2023, PHA projects that 334 additional public housing units will be developed by PHA development partners at 10 sites. See Table 1 for additional detail on planned developments and units. As noted in the Table 1 narrative, five developments comprising 182 units were previously included in PHA's FY 2022 Annual Plan. For these five developments, financial closings took place in FY 2022; however, construction and occupancy is now scheduled to occur in FY 2023. The actual number of units that are developed and the development timetable may vary depending on final financing plans, construction schedules, HUD approval timetables and other factors. Due to changes to development financing and construction schedules, the projects listed in Table 1 may periodically include some projects that were listed in prior MTW Annual Plans, but which have not yet been built.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

Benchmarks have been updated to reflect projected FY 2023 housing production under this activity.

Metrics

<i>HC #1: Additional Units of Housing Made Available *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	334		
* The HUD Standard Metrics for this activity will depend on the MTW flexibilities required and the type of service provided at each site. As additional agreements with developers and/or service providers are finalized, further HUD Standard Metrics may be added depending on the terms and necessary flexibilities of the agreements. None of the listed projects for FY 2023 require MTW waivers at present other than the use of MTW Block Grant funds.				
<i>CE #4: Increase in Resources Leverage – ALL Planned FY 2023 Projects **</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Amount of funds leveraged in dollars (increase).	\$0	\$148.8 million		
** Represents projected total development costs of each development project as reported by PHA development partners.				

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2016-1: SECOND CHANCE INITIATIVE

Plan Year Approved, Implemented, Amended

- Approved FY 2016
- Implemented FY 2016
- Modified FY 2018
- Modified FY 2022

Description/Update

PHA will continue to utilize MTW flexibility to support implementation of the Second Chance Housing Choice Voucher Pilot Program. The policy permits the provision of 10 tenant-based vouchers for active participants in good standing with two partner agencies – the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and the Mayor’s Office of Reintegration Services (RISE) Program. The STAR Program works in conjunction with Federal Probation and Parole, to offer returning citizens an opportunity to reduce their parole period by one year through participation in the Re-Entry Program. Each participant signs a contract with their parole officer to transition the oversight of their parole to the two federal judges that administer the STAR Program. The STAR Program collaborates with the local RISE Program to provide counseling, education, job training and job placement services. In the 2017 Annual Plan, PHA indicated that placements in public housing units may be offered to Second Chance participants in good standing at PHA’s option.

Housing assistance is available to the participants for a period of up to two years, at which point the objective is for participants to transition off the program to other affordable housing. However, PHA may allow Second Chance participants to transition to the HCV or Public Housing Program to continue their tenancy.

In FY 2018, PHA entered into a partnership with the Pennsylvania First Judicial Court’s MENTOR Program. This pilot initiative allows 20 qualified returning citizens who are working with the MENTOR Program to move in with existing PHA public housing households, provided that the PHA household is in good standing and is willing to add a MENTOR Program participant to the lease. This will help to re-unite families, prevent homelessness and, hopefully, interrupt the cycle of recidivism. While the pilot allows for return of 20 qualified citizens, enrollment in this program is based on referrals from the MENTOR Program.

In FY 2023, PHA will continue to provide for extensions to the two-year term for the STAR/RISE programs in order to address the continued economic impact of the COVID-19 pandemic. Extensions are granted on a case-by-case basis and evaluated based on the participant’s individual circumstances which have been dictated by such declared emergency.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

The following metrics will be removed from this activity:

- SS #1: Increase in Household Income. While employment and increased income are long-term goals of Second Chance participants, services and support provided through this initiative focus on more immediate goals of preparing participants for the workforce through education and job training. Participants typically obtain full-time employment and increase their earned income after completing their term in the Second Chance program.
- SS #6: Reducing Per Unit Subsidy Costs for Participating Households and SS #7: Increase in Agency Rental Revenue. The intended impact of this initiative is not to reduce subsidy or increase rental revenue during the participants' term in the program. Rather, support is focused on preparing participants to enter the workforce through education and job training. As noted above, participants typically increase their earned income after completing their participation and, as a result, PHA does not expect a reduction in subsidy or increase in rental revenue during their term in the program.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>HC #5: Increase in Resident Mobility *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	10		
<i>*10 represent the STAR/RISE programs. Mentor program referrals cannot be forecasted.</i>				
<i>SS #3: Increase in Positive Outcomes in Employment Status *</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Employed Full-Time*	10 participants	6		
	100% of participants	60%		
Enrolled in a Job Training Program	0 participants	2		
	0% of participants	20%		
Enrolled in an Education Program	0 participants	2		
	0% of participants	20%		

**Represents participants in the STAR/RISE programs only. All participants in the STAR/RISE programs are required to be employed and maintain employment as a condition of participation; however, in the event they lose employment, they will be required to either obtain a new job or enroll in an educational or job training program as a condition of participation.*

SS #5: Households Assisted by Services that Increase Self-Sufficiency

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase self-sufficiency (increase).	0	10		

SS #8: Households Transitioned to Self Sufficiency *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households transitioned to self-sufficiency (increase).	0	2		

**For this program purpose, PHA defines “self-sufficiency” as successfully completing the program and transitioning to other affordable housing. Represents STAR/RISE participants only.*

ACTIVITY 2019-01: OPENING DOORS TO AFFORDABLE HOMEOWNERSHIP

Plan Year Approved, Implemented, Amended

- Approved FY 2019
- Implemented in FY 2019

Description/Update

PHA will continue to utilize MTW Block Grant funding and programmatic flexibility to expand first-time affordable homeownership initiatives to increase housing choice and the number of first time, low-income homebuyers. The program builds on the existing framework and consolidates PHA's HUD-approved 5h Homeownership Program, HCV Homeownership Program, other new development homeownership initiatives and homeownership readiness and counseling support under the management of PHA's Homeownership Department. Further, this activity expands PHA's existing programs to incorporate new types of assistance including lease-purchase and down payment assistance options.

In FY 2023, it is anticipated that 20 residents will purchase a home through the Public Housing mobility program, 10 residents will purchase their scattered site units under the 5h program, and 30 current voucher holders will utilize voucher assistance to purchase homes and then receive monthly Housing Assistance Payments to support housing costs for up to a fifteen (15) or thirty (30) year period. To date, PHA has assisted over 600 HCV participants to purchase their first homes. In addition to 5h and HCV homeownership opportunities, PHA anticipates that groundbreaking and construction will commence on an additional 60 homeownership units in FY 2023, including units in the Norris and Sharswood communities. PHA will continue to work with residents to complete homeownership-counseling courses in partnership with HUD-approved housing counseling agencies.

The MTW Opening Doors to Affordable Homeownership Program (ODAHP) consolidates, streamlines and enhances these existing initiatives while modifying eligibility and post-purchase support criteria and adding new financing support mechanisms. Key features of the new program include:

Program Components

ODAHP participants work with PHA's Homeownership Department to review their financial status, credit standing and household goals. Participants are required to meet all eligibility requirements, including successful completion of approved homeownership counseling and financial literacy courses. Financing options available to program participants include:

- *Monthly voucher assistance:* Households may receive monthly Housing Assistance Payments assistance for up to 15 or 30 years. Generally, this assistance will cover the difference between up to 28% of adjusted household income and the projected monthly homeownership costs, subject to a cap that is equal to PHA's voucher payment standard. PHA's rent simplification policies will be utilized to calculate household adjusted income

and tenant monthly payments. Households will be recertified on a biennial basis per PHA's existing policy. Per PHA's MTW policy, assistance will be ended 180 days after a household income rises such that the PHA subsidy equals \$50 or less. Monthly voucher assistance may be used for private market units as well as for PHA scattered site units following sale. However, PHA will record a soft second mortgage on the title with a 15 or 30-year period, which is related to the voucher assistance term. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure.

- *Down payment assistance:* In lieu of receiving monthly voucher assistance, ODAHP participants will be eligible for one-time down payment assistance up to a maximum of \$15,000 per household. Participants receiving down payment assistance will not be recertified. However, PHA will record a soft second mortgage on the title with a 20-year recapture period. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure. If the default is not cured, PHA will recoup the down payment assistance amount, which will decrease 5% annually over the 20-year term.
- *Soft second mortgage option:* Up to a maximum of \$50,000 per household may be provided as a soft second mortgage, provided that the household is not receiving other PHA homeownership assistance. Participants receiving this assistance will not be recertified. However, PHA will record a soft second mortgage on the title with a 20-year recapture period. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure. If the default is not cured, PHA will recoup the soft second mortgage amount, which will decrease 5% annually over the 20-year term.
- *Lease to purchase option:* PHA may implement lease to purchase options that can be implemented in private market rentals and scattered sites that are still part of PHA's public housing inventory. A portion of the tenant rent will be escrowed during the lease to purchase period and then applied to the down payment at the time of purchase. Lease to purchase participants will be recertified per PHA's existing policy.
- *Rehabilitation of Scattered Sites Units – Leveraging the Federal Housing Administration's 203(k) Rehabilitation program,* PHA may offer down payment and soft second mortgage assistance to PH residents and HCV participants who purchase and rehabilitate select scattered site units. With a Section 203(k) insured loan, PH residents and HCV participants will be able to finance the rehabilitation of the unit. PHA will qualify and connect residents with MBE/WBE contractors as well as resident-owned contracting companies to facilitate the rehabilitation. During the period of rehabilitation, HCV and PH participants will continue to receive assistance in their existing (non-homeownership) PH or HCV units until rehabilitation work is complete and the homeownership unit is ready for move-in.

As with the current 5h Program, all scattered site units are eligible for sale to ODAHP participants without requiring additional HUD disposition approval.

For the down payment assistance and soft second mortgage programs, PHA has established reasonable maximum limits of \$15,000 and \$50,000. These amounts were determined based on PHA's internal assessment of the level of assistance needed to ensure successful first time homeownership among current program participants given current Philadelphia housing market conditions. Note, however, that PHA will authorize only the minimum amount needed to close the affordability gap based on individual household circumstances. PHA will calculate the maximum mortgage payment allowed at 35% of adjusted monthly income, and total housing expenses at 38% of adjusted monthly income. The amount of down payment or soft second assistance to be provided by PHA will be calculated by PHA's Homeownership Opportunities Department staff based on a complete review of household finances. As part of this review, PHA staff will work to maximize household eligibility for any other non-PHA down-payment and/or closing cost assistance programs.

PHA budgets approximately \$1.5 million in MTW Block Grant funds yearly to support the program. The number of households served will vary, depending on the mix of financing options utilized by participants. If demand exceeds available budget, PHA will establish a wait list based on date and time of application.

In FY 2023, PHA will continue to review and assess the feasibility of implementing the Lease to Purchase flexibility pending the availability of potential LIHTC homeownership units.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>HC #6: Increase in Homeownership Opportunities</i>				
Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?
Number of households that purchased a home as a result of this activity (increase).	0	60		
* Includes HCV participant and PH residents who were able to purchase a home through one or more of the assistance programs under this activity.				
<i>HC #5: Increase in Resident Mobility</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?

Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	60		
* Includes HCV participant and PH residents who were able to purchase a home through one or more of the assistance programs under this activity.				

ACTIVITY 2019-2: SHARSWOOD YOUTH & FAMILY ENRICHMENT SERVICES

Plan Year Approved, Implemented, Amended

- Approved FY 2019
- Implemented in FY 2019

Description/Update

PHA will continue to utilize MTW Block Grant funding flexibility to support after school programs designed to help improve educational outcomes and high school graduation rates for PHA youth and other low-income youth living in the Sharswood/Blumberg neighborhood of Philadelphia. This activity also provides partial funding for case management for youth and their families to help overcome barriers to educational success and to access community resources to address family supportive service needs.

As part of the comprehensive neighborhood transformation strategy for the former Blumberg public housing development and the surrounding Sharswood community, PHA provides \$500 per student per year in MTW Block Grant funds to support after school programming and case management services in coordination with a neighborhood school established in September 2017 serving youth in grades 9-12, which is operated by Big Picture Schools Philadelphia (BPSP) and located in the Vaux Community Building. BPSP works to engage students in learning and internship opportunities to encourage career exploration and progression to higher education.

The Vaux Community Building, a key part of the Choice Neighborhood Transformation Plan, serves as a focal point and anchor for the revitalized community, with on-site facilities for educational, health care and other supportive services. In FY 2019, PHA was designated by HUD as an EnVision Center. The new EnVision Center is located in the Vaux Community Building and includes services such as health and wellness, job training, high school education and after-school programs. The plan to establish a neighborhood school and to improve educational outcomes is an integral component of the comprehensive Choice Neighborhoods Transformation Plan for Blumberg-Sharswood that was accepted by the US Department of Housing and Urban Development (HUD) in March 2016.

This MTW activity provides partial funding of BPSP's after school programs including homework assistance, sports activities, robotics, music production, computer refurbishing and other education-related activities. Partial funding is also provided for case management support to youth and their families through BPSP's Resilience Specialist. The Resilience Specialist provides one-on-one and group counseling to students and their families, with the goal of identifying and removing barriers to educational success and family stability.

PHA shares BPSP's goal of helping PHA and other low-income youth to exceed citywide educational metrics, and to graduate and move onto higher education and meaningful careers. While the primary beneficiaries of the services provided by BPSP are members of PHA resident households, including residents of public housing and the Housing Choice Voucher (HCV)

program, other low-income neighborhood youth are also served. In FY 2023, PHA anticipates that the number of youth served will be 400, serving grades 9 to 12 with approximately 100 youth per grade.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

The benchmark for SS #5 has been adjusted to reflect anticipated enrollment at BPHS.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>SS #5: Households Assisted by Services that Increase Self-Sufficiency</i>				
Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?
Number of households receiving services aimed to increase self-sufficiency (increase).	0	400		
* After-school programming and case management services are made available to both PHA residents and youth from the surrounding Sharswood/Blumberg neighborhood.				

ACTIVITY 2020-1: LOCAL FAMILY SELF-SUFFICIENCY PROGRAM FLEXIBILITY

Plan Year Approved, Implemented, Amended

- Approved FY 2020
- Implemented in FY 2020
- Modified in FY 2021

Description/Update

PHA will continue to implement a local Family Self-Sufficiency (FSS) Program to encourage more residents to participate in the program. Under this MTW activity, PHA has eliminated the current regulatory requirement that FSS participants must have an interim or regular recertification within 120 days prior to enrollment in the FSS program. PHA utilizes the last interim or regular recertification prior to enrollment as the basis for FSS escrow calculations. PHA received approval from HUD and implemented this activity in FY 2020. The MTW FSS program policies apply to all FSS participants who enroll after the activity was approved. Those FSS participants who enrolled prior to the approval of this activity are not subject to local FSS program policies.

PHA has also redefined the employment obligation for FSS households whose head is elderly or disabled in order to allow any other adult in the household to seek and maintain suitable employment during the term of the contract and any extension thereof. Prior to the approval of this change, suitable employment had to be maintained by the head of household. Redefining the employment obligation provides families, where the head of household is elderly or disabled, with incentive to participate in FSS and derive benefit from the supportive services and escrow accumulations, while maintaining the requirement for employment within the household.

PHA anticipates that approximately 100 new families will enroll in FY 2023, resulting in a total enrollment of approximately 500 families into the MTW FSS Program.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

The following metrics will be removed from this activity:

- SS #6: Reducing Per Unit Subsidy Cost for Participating Households. Services and support for FSS participants focus on increasing earned income and building escrow savings; outcomes which are more accurately reflected in SS #1: Increase in Household Income, SS #2: Increase in Household Savings, and SS #3: Increase in Positive Outcomes in Employment Status. Further, PHA does not anticipate a decrease in the per unit subsidy

cost for FSS participants as increases in the participant's rent (resulting from the increases in earned income) are credited to the participant's escrow account and do not reduce their subsidy.

- SS #7: Increase in Agency Rental Revenue. As participants increase their earned income, the increased rent (resulting from increased earned income) is credited to the escrow account so that the participant can establish and build savings. Accordingly, PHA anticipates that the participant's total tenant payment (TTP) is likely to remain the same while the participant complies with the FSS program requirements.

Additionally, the SS #3, SS #4 and SS #5 have been updated to reflect the increase in participation anticipated for FY 2023.

Planned Significant Changes

No significant changes are planned.

Metrics:

SS #1: Increase in Household Income*				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average earned income of households affected by this policy in dollars (increase).	HCV: \$21,099 PH: \$27,049	HCV: \$23,499 PH: \$29,449		
<i>*Metric applies to participants who enrolled in FSS after approval of this MTW. Baseline is based on March 2019 average earned income of PHA households with earned income.</i>				
SS #2: Increase in Household Savings*				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average amount of savings/escrow of households affected by this policy	\$0	\$990		
<i>*Metric applies to participants who enrolled in FSS after approval of this MTW Activity. Outcome represents the average escrow balance of FSS participants that have established an escrow savings. Baseline is 0 because participants do not have escrow account balances at the date of enrollment.</i>				
SS #3: Increase in Positive Outcomes in Employment Status*				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Unemployed	108 (72%)	310 (62%)		
Employed	42 (28%)	190 (38%)		
Enrolled in Education	0	30 (6%)		
Enrolled in Job Training	0	65 (13%)		
<i>*Metric applies to participants who enroll in FSS after approval of this MTW Activity.</i>				

SS #4: Households Removed from Temporary Assistance for Needy Families (TANF)*

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving TANF assistance (decrease)	17 (11.6%)	58 (11.6%)		

**Metric applies to participants who enroll in FSS after approval of this MTW Activity.*

SS #5: Households Assisted by Services that Increase Self-Sufficiency*

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase self-sufficiency	0	500		

**Metric applies to participants who enroll in FSS after approval of this MTW Activity.*

SS #8: Households Transitioned to Self-Sufficiency *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households transitioned to self-sufficiency (increase).	0	0		

** Metric applies to participants who enroll in FSS after approval of this MTW Activity. PHA defines self-sufficiency as graduation from FSS, a five-year program. No graduations are expected this year.*

ACTIVITY 2020-2: SPONSOR-BASED SHARED HOUSING PILOT

Plan Year Approved, Implemented, Amended

- Approved FY 2020
- Implemented in FY 2020

Description/Update

Under this activity, PHA will continue to implement a new pilot program to expand housing options for homeless individuals and other hard to serve special populations, which builds on and enhances the ongoing collaboration between the City and PHA to reduce homelessness through the “Blueprint to End Homelessness” initiative.

The pilot program initially involved a shared housing model which included twenty-five (25) units in partnership with the City. PHA subsequently expanded the pilot program with the City to include an additional ten (10) units and entered into a new partnership with the Community College of Philadelphia (CCP) to serve up to sixteen (16) at-risk, low-income students, providing housing opportunities in scattered site units located within walking distance of CCP. Based on an evaluation of the program’s effectiveness in reducing homelessness and providing stable housing for participants, PHA may elect to further expand the program and the number of units. The elements of the pilot program include:

- Utilizing grant funding provided by the City to leverage MTW funds, PHA will rehabilitate existing vacant and uninhabitable scattered site public housing units. Units will generally be large-bedroom sizes with 3+ bedrooms per unit. No liens will be placed on the properties.
- PHA will enter into a master lease for one or more of the rehabilitated units with the City and/or qualified local, non-profit provider(s) that serves formerly homeless individuals and/or other hard to serve populations, i.e. youth aging out of foster care, chronically homeless, victims of domestic violence, etc.
- PHA does not intend to mix different target populations within the same unit. Supportive services will be offered directly and/or through referrals based on the needs and priorities of the resident population served, which may include case management, behavioral health services, preventive health care, adult education, employment and training, and/or other services.
- Under the terms of the master lease, the City and/or designated provider(s) (“Sponsor Agency”) will pay a flat rent to PHA. PHA will not collect or receive rents from individual tenants. The Sponsor Agency(s) will be allowed to sublease individual rooms within the unit to eligible, low-income individuals. The Sponsor Agency(s) will provide a shared housing model and supportive services to program participants and will: screen and determine eligibility of participants; maintain a waiting list if needed; implement a rent

policy by which participants will pay no more than 30% of income for rent; enter into sublease agreements with participants; collect rents; and develop and enforce house rules. PHA does not anticipate that on-site staffing will be required.

- Participants in this pilot program will not be considered public housing residents and will not have the responsibilities and rights associated with PHA public housing resident households. PHA will request HUD approval to classify the units covered under this pilot program as “MTW Neighborhood Services” units in accordance with PIH 2011-7. PHA will then report on households served through the MTW 50058 form. PHA’s understanding is that each occupied unit will count as one household for MTW purposes, irrespective of the number of individuals sharing the unit.
- Participants will not be subject to PHA’s Admissions and Continued Occupancy Policies including, but not limited to, those related to Eligibility Determination, Continued Occupancy, Transfers, Informal Hearings or Grievance Hearings. Participants will not be subject to public housing Community Service requirements. However, participants will be subject to admissions and continued occupancy policies established by the City or Sponsor Agency with whom PHA has entered a master lease agreement.
- Lease enforcement (up to and including evictions), house rules enforcement, rent collection and other property management activities will generally be the responsibility of the City or Sponsor Agency.
- PHA will ensure that all units meet UPCS standards at initial inspection. PHA’s role will be to prepare the unit for initial occupancy and perform routine and emergency maintenance services.
- The City and/or Sponsor Agency(s) will provide PHA with quarterly reports that provide basic data on program participants including household income, dates of occupancy, supportive services provided, outcomes achieved and other required information.

In FY 2023, PHA will include 41 units in the pilot program, including 35 units with the City and six (6) units with CCP.

Planned Non-Significant Changes

Based on negotiations with the City or Sponsor Agency, PHA may elect to adopt an expanded role and assume additional responsibilities.

Planned Changes to Metrics/Data Collection

PHA has updated the metrics to reflect the increase in units included in the pilot program.

Metrics

<i>HC #1: Additional Units of Housing Made Available*</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	41		
<i>HC #7: Households Assisted by Services that Increase Housing Choice</i>				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase housing choice (increase).	0	41		

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2022-1: EMERGENCY WAIVERS

Plan Year Approved, Implemented, Amended

- Approved FY 2022
- Implemented in FY 2022

Description/Update

PHA will use MTW flexibility to establish emergency waivers during economic and health related emergencies and natural disasters as declared by the Mayor or his/her designee. This activity allows PHA to waive and/or adopt alternative requirements should they be needed in order to relieve burdens on all stakeholders, including low-income families participating in PHA's Public Housing and HCV programs.

1. **Delayed Reexaminations:** PHA may waive the requirement to conduct a reexamination of family income and composition at least annually. Where reexaminations have been delayed, PHA will complete the reexamination no later than the anniversary month of the following year. The next reexamination will be scheduled on the same anniversary month using the applicable reexam frequency for the family. For example, if a biennial reexam was due on April 2022, PHA would complete the reexam by April 2023. The next scheduled biennial reexam would take place in April 2025. This waiver applies to the PH and HCV programs.
2. **Verification of Income:** PHA may waive the requirements of the verification hierarchy and continue to use Enterprise Income Verification (EIV) to confirm tenant income at both interim and regular recertifications, unless specifically waived by HUD. This waiver applies to the PH and HCV programs.
3. **Increase in Payment Standard:** PHA may waive the requirement to apply the increased payment standard back to the regular effective date for delayed regular reexaminations. Instead, during periods of declared emergencies, PHA will apply the increased payment standard at the next interim reexamination after the effective date of the increased payment standard. If PHA completes a reexam late, PHA will apply the payment standard in effect on the effective date of the delayed regular reexamination. This waiver applies to the HCV program.
4. **Delayed Regular HQS Inspections:** PHA may waive the requirement for completion of regular HQS inspections at least biennially. Where a regular HQS inspection has been delayed, PHA will complete the HQS inspection no later than the anniversary month of the following year. The next HQS inspection will be scheduled on the same anniversary month using the applicable inspection frequency for the unit. For example, if an HQS inspection was due on July 2020, PHA would complete the inspection by July 2021. The next scheduled annual HQS inspection would take place in July 2022. PHA will continue to request a self-certification from the owner that no life threatening conditions exist in the

unit. Additionally, PHA will continue to conduct complaint inspections. This waiver applies to the HCV program.

5. **Interim HQS Inspections:** PHA may waive the requirement to conduct re-inspections to confirm repair; however, PHA will require that the owner self-certify and provide documentation that a life-threatening deficiency has been corrected within 24 hours of notification and that a non-life-threatening deficiency has been corrected within 30 days of PHA notification. This waiver applies to the HCV program.
6. **HQS QC Inspections:** PHA may waive the requirement to conduct HQS quality control inspections and instead will suspend HQS quality control inspections until the emergency waiver has been lifted. This waiver applies to the HCV program.
7. **Homeownership HQS:** PHA may waive the requirement for the initial HQS inspection for homeownership units; however, an independent professional inspection will still be required. This waiver applies to the HCV Homeownership Program.
8. **Delayed PH Annual Self-Inspection:** PHA may waive the requirement to complete annual self-inspections of PH units. Where self-inspections are delayed, PHA will continue to respond to and address serious conditions that could jeopardize life or property. Additionally, if self-inspections are delayed, PHA will resume self-inspections once the waiver is lifted beginning with the units which were inspected on the oldest date. PHA has not yet implemented the waiver and continues to perform required self-inspections; however, PHA will reserve the right to apply this waiver in the upcoming fiscal year. This waiver applies to the PH program.
9. **FSS Contract of Participation:** PHA may waive the requirement regarding the maximum extension of an FSS Contract of Participation (COP). During periods of declared emergency, PHA may extend a family's COP, using the declared emergency as good cause of the need for extension. For households who were already in the two year extension period when the emergency was declared, PHA may extend their COP beyond the two year extension threshold. This waiver applies to the PH and HCV FSS program.

PHA will report on those emergency waivers implemented and/or lifted in the FY 2023 MTW Report.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

PHA will remove CE #1: Agency Cost Savings from this activity. PHA has re-purposed staff time saved through this activity to serve the participants' emerging needs during the pandemic, including an influx of requests for interim rent reductions due to job losses.

Planned Significant Changes

No significant changes are planned.

Metrics:

<i>CE #2: Staff Time Savings</i>				
Unit of Measurement	Baseline*	Benchmark*	Outcome	Benchmark Achieved?
Total time to complete the task in staff hours (decrease).	22,761 Hours	11,381 Hours		
<i>**The baseline reflects the time expended on all PH and HCV regular reexaminations for a one year period. The benchmark reflects the time expended for one half the number of PH and HCV regular reexaminations in a one year period.</i>				

B. Activities Not Yet Implemented

MTW Activity 2014-1: Flexible Subsidy Initiative

Description/Update

The Flexible Subsidy Initiative provides PHA with the flexibility, subject to HUD approval, to establish operating subsidy levels for newly constructed public housing units, which blend MTW Block Grant funds (HAP and Operating Fund). This activity was approved by HUD in FY 2014. PHA has not utilized this flexibility to date; however, it may be utilized, subject to HUD approval, in future transactions.

Timeline for Implementation

PHA will implement this activity if and when PHA needs MTW flexibility to supplement the current public housing operating subsidy levels, subject to prior HUD approval.

Explanation of Non-Significant Changes Since Approval

No changes have been made since approval.

ACTIVITY 2021-1: LIMITED PILOT - MTW CONTINUED OCCUPANCY POLICY

Description/Update

This pilot program will not apply to current PHA residents or HCV participants. To support and provide incentives for employment and self-sufficiency, PHA plans to implement a pilot program that will establish an MTW continued occupancy policy applicable to new residents at a limited number of target developments and units. The pilot program policy will require all non-disabled adults age 18-54 in the household to complete at least 20 hours per week of employment – or participation in an approved education or job training program - as a condition of continued occupancy. If a 17 year old lives in the household and has dropped out of school, the 20-hour minimum requirement will also apply. Elderly and disabled adults, household members who become elderly or disabled and household members who are caretakers of elderly/disabled family members will be exempt from the continued occupancy requirement. To support residents in achieving compliance, households will be referred, and provided with supportive services as needed, to PHA's new Workforce Center, where they will be able to work with a PHA Navigator to identify and secure employment, training and supportive service placements and referrals and/or to a PHA partner agency.

The pilot program policies will apply only to households that are *newly admitted or transferred* after HUD approval of this MTW activity to: 1) Public Housing scattered site units; 2) PHA owned or controlled non-RAD PBV developments; and 3) Turnover units, and units available at initial occupancy for which there are no public housing conversion households with a right to return, in PHA-owned or controlled PBV RAD developments. Households who have a right to return to a RAD development will continue to be offered units before any new admission and will not be subject to the continued occupancy work requirement.

In tandem with the pilot program, PHA will establish an admissions and transfer preference applicable only to the above-listed target units and development. The admissions and transfer preference, which does not require MTW waivers from HUD, will be assigned to eligible applicant households where at least one adult is working 20+ hour per week. Eligible elderly (55+) and disabled applicants will also be assigned this preference.

PHA plans to review the results of the pilot program before making any decisions regarding expanding the policy to additional sites or units. PHA will provide information on any proposed changes to the policy in future MTW Annual Plans.

A household member who has a short-term medical issue or disability, or who is responsible for the care of a child under age six and is unable to secure appropriate childcare, which prevents the member from fulfilling the work (or education or job training program) requirement will be allowed to request a temporary hardship exemption subject to third party verification of the hardship.

Timetable for Implementation

This activity was approved by HUD in FY 2020; however, the continued impact of the COVID-19 pandemic made implementation of the activity during the fiscal year, which incorporates work preferences, infeasible due to the large number of applicants and residents who lost employment. A firm implementation timetable will be established in future Annual Plans.

Explanation of Non-Significant Changes Since Approval

No changes have been made since approval.

C. Activities on Hold

Not applicable.

D. Closed Out Activities

The following table summarizes previously approved MTW activities that PHA has completed, discontinued, or determined that the activity no longer requires MTW authority to implement.

Activity	Plan Year	Close Out Year	Reason for Close Out
Assisted Living	FY 2009	FY 2011	PHA discontinued this activity prior to its implementation based on a determination that sufficient funding was not available from state, federal and other required sources.
Home Care Services	FY 2009	FY 2011	PHA discontinued this activity prior to its implementation based on a determination that services can be delivered more efficiently through third-party partners.
Scattered Site Income Tiering	FY 2011	FY 2011	PHA discontinued this activity prior to its implementation based on decisions made as part of the scattered site asset repositioning initiative including disposition and auction of vacant and obsolete properties.
HCV Time Limit	FY 2004	FY 2012	PHA discontinued this activity due to economic conditions, which limited the availability of jobs for residents.
HCV HQS Enforcement	FY 2004	FY 2012	PHA discontinued this policy based on a decision to establish uniform HQS enforcement policies for both MTW and Non-MTW vouchers.
Public Housing Service Order Policy	FY 2004	FY 2012	PHA discontinued this policy after discussions with the HUD Field Office concerning the need to expedite service order response times.
Tenant Responsibility Training	FY 2004	FY 2013	PHA determined that this activity does not require MTW flexibility to implement.
Blueprint	FY 2004	FY 2013	PHA continues to implement the Blueprint Program; however, a determination was made that the activity does not require MTW flexibility.
Transitional Housing Facilities	FY 2007	FY 2013	PHA determined that comparable activities are authorized under Partnership Initiative.
LIFE Program	FY 2007	FY 2013	PHA determined that this activity does not require MTW programmatic waivers or Block Grant funding.
Community Service Policy	FY 2011	FY 2013	PHA determined that this activity does not require MTW flexibility.
Expanding Use of LIHTC	FY 2011	FY 2013	PHA determined that the proposed activities were covered under Partnership and Unit-Based Leasing/Development Initiatives.
Family Economic Development Action Plan/Tenant Responsibility Training	FY 2004	FY 2014	PHA discontinued this activity along with discontinuation of HCV time limits, as they were interrelated activities. No additional statutory exceptions outside of the current MTW flexibilities were considered.
Comprehensive Resident Self Sufficiency Services	FY 2005	FY 2014	PHA continues to provide comprehensive resident self-sufficiency services utilizing MTW Block Grant funds. However, MTW

Activity	Plan Year	Close Out Year	Reason for Close Out
			programmatic waivers are not required. These activities are now referenced in Chapter V under the Single Fund Flexibility section.
90 Day Voucher Reissuance Policy	FY 2005	FY 2014	PHA discontinued this policy based on an assessment that it would not contribute to PHA's utilization goals.
Accessible Unit Retrofitting and Development	FY 2010	FY 2014	PHA has completed the accessible unit retrofitting under Attachment E of the MTW Agreement. PHA will continue to develop accessible units as part of its revitalization programs; however, this activity does not require specific MTW waivers
Moving to Work Family Agreement Addendum	FY 2004	FY 2016	PHA elected not to utilize this Agreement and instead provides a Family Responsibilities form to each household at each regular recertification.
\$20 Minimum Threshold for Utility Allowance Reimbursements	FY 2009	FY 2016	PHA elected not to establish a minimum threshold of \$20 for payment of utility allowance payments.
Adult Day Care	FY 2011	FY 2017	PHA transitioned the program to a qualified third party provider and does not provide MTW funding or utilize MTW waivers to support the activity.

V. PLANNED APPLICATION OF MTW FUNDS

A. Planned Application of MTW Funds

Tables 9 and 10 below provide estimates of the sources and application of MTW funds for FY 2023. As PHA's funding levels for future periods are unknown at the present time, these tables provide preliminary projections and are subject to change based on the actual level of funding provided to PHA. The tables follow HUD's Financial Data Schedule (FDS) format and do not include information on Non-MTW funding sources or uses.

i. Estimated Sources of MTW Funds

Table 9: Estimated Sources of MTW Funding for FY 2023

FDS Line Item	FDS Line Item Name	Dollar Amount
70500 (70300+70400)	Total Tenant Revenue	\$29,333,580
70600	HUD PHA Operating Grants*	\$397,235,472
70610	Capital Grants	\$53,271,528
70700 (70710+70720+70730+70740+70750)	Total Fee Revenue	\$ 0
71100+72000	Interest Income	\$200,000
71600	Gain or Loss on Sale of Capital Assets	\$ 0
71200+71300+71310+71400+71500	Other Income	\$8,500,000
70000	Total Revenue	\$488,540,580

* This line item includes projected Public Housing Operating Fund and HAP revenue. Of the total amount listed, the Public Housing Operating Fund revenue is estimated at \$141,571,723, HCV HAP revenue is estimated at \$243,401,353 and \$12,262,396 for RAD Subsidies.

ii. Estimated Application of MTW Funds

Table 10: Estimated Application of MTW Funding for FY 2023

FDS Line Item	FDS Line Item Name	Dollar Amount
91000(91100+91200+91400+91500+91600+91700+91800+91900)	Total Operating – Administrative	\$66,202,248
91300+91310+92000	Management Fee Expense	\$ 0
91810	Allocated Overhead	\$ 0
92500(92100+92200+92300+92400)	Total Tenant Services	\$5,827,825

FDS Line Item	FDS Line Item Name	Dollar Amount
93000 (93100+93600+93200+93300+93400+93800)	Total Utilities	\$24,595,412
93500+93700	Labor	\$139,642
94000 (94100+94200+94300+94500)	Total Ordinary Maintenance	\$65,029,053
95000 (95100+95200+95300+95500)	Total Protective Services	\$7,814,480
96100 (96110+96120+96130+96140)	Total Insurance Premiums	\$11,287,682
96000 (96200+96210+96300+96400+96500+96600+96800)	Total Other General Expenses	\$19,439,725
96700 (96710+96720+96730)	Total Interest Expense and Amortization Cost	\$ 0
97100+97200	Total Extraordinary Maintenance	\$1,906,119
97300+97350	HAP + HAP Portability-In	\$185,664,396
97400	Depreciation Expense	\$ 0
97500+97600+97700+97800 *	All Other Expense	\$100,633,998
90000	Total Expenses	\$488,540,580

*This line item represents capital and development activity expenses.

Please describe any variance between Estimated Total Revenue and Estimated Total Expenses

Not applicable.

iii. Description of Planned Application of MTW Funding Flexibility

Under the MTW Program, PHA is authorized to establish an MTW Block Grant budget and to apply fungibility across the Public Housing Operating Fund, Capital Fund and Housing Choice Voucher Program Housing Assistance Payments and Administrative fee funding sources. Activities that utilize Block Grant single fund flexibility, and that are not otherwise authorized pursuant to the Proposed and Approved MTW Activities sections of the Annual Plan, are summarized below:

- Capital Activities to support development activities, and maintenance and site improvements throughout PHA.
- Family Programs and Comprehensive Resident Supportive Service activities to support a wide range of public safety, program compliance, and training and education efforts for PHA residents including: youth development programs citywide; senior programs citywide; Pre-Apprenticeship Program; service coordination; job training and placement; educational partnership initiatives; affordable homeownership programs; Community

Relations police units; Community Partners training and educational programs; and other Economic Development and Self-Sufficiency program activities. See Table 11 below for a summary of resident services initiatives planned for FY 2023 including MTW and Non-MTW funded initiatives.

- Quality of Life Programs to support Lease Enforcement and Section 8 investigations programs.
- General Conditions to include functional enhancements and training on software systems, staff training, and energy management initiatives.
- Management directives associated with balancing and optimizing PHA’s organization structure in line with HUD funding modifications related to the MTW agreement.

Table 11: Resident Services Program Summary for FY 2023

Program/Partner	Program Description	Target Population	Funding Source	Projected Residents Served
Adult Education, Training & Employment				
PHA Workforce Center	Drop-in center: Employment “one-stop” providing connections to jobs and training opportunities	PHA residents	MTW	120 visits and/or contacts per month
PHA Workforce Center Job Training Enrollments	Occupational skills training (CDL, CNA, IT, etc.) in career areas with reasonable growth potential and connection to employment	PHA residents 18-55	MTW	250
ReBuild Training Program	Construction and finishing trades training program	PHA residents + community residents	City of Philadelphia	12
Temple-Lenfest North Philadelphia Workforce Initiative – Training Programs	Electrical Training Program Property Maintenance Training Program CVS Customer Service & Pharm Tech Training Programs	PHA residents + community residents	Temple University via Lenfest Foundation sub-grant	50
PHA’s Intro to Construction Skilled Training Program – Trades for a Difference	Training program introducing young adults to the trades. Trainees use PHA worksites to practice skills.	PHA residents 18-25	MTW	30
Section 3 Job Bank	Ensure that economic opportunities are provided to PHA residents through workshops, info sessions and job matches	PHA residents 18-55	Section 3 vendors	40 residents employed
Section 3 Resource Center	Ensure that economic opportunities are provided to PHA residents through workshops, info sessions and job matches	PHA residents 18-55	MTW, Section 3 vendors	100 residents participating in workshops and screening
Section 3 Entrepreneurship Fellowships	Six-month fellowship designed to provide a deeper dive into residents journey to self-sufficiency. Fellows are given hands-on support and start-up funds.	PHA residents 18-55	MTW	20

Program/Partner	Program Description	Target Population	Funding Source	Projected Residents Served
PHA Community Health Worker Program	Temple University-trained CHWs providing health navigation and information, access to resources and wellness support	All PHA residents	MTW	10
Financial Management				
Financial Literacy (Homeownership Track)	Course on credit and money management to enable residents to purchase homes	PHA residents 18-55	MTW	750
FSS (Compass/Clarifi)	Assessment of individual and financial needs, enrollment in FSS, followed by referrals and tracking	PHA residents 18-55	HUD grant	800
Homeownership Program	Housing counseling and assistance with home purchase process; this includes 5H, HCV and Mobility Homeownership.	PHA residents 18-55	MTW, Other	1,000 workshop attendance 60 sales
Eviction Prevention Program	Designed to support residents at risk of eviction. Coordinators provide coaching and Clarifi provides credit checks, financial counseling, and budgeting workshops.	PHA residents	MTW	150
Place-Based HUD Initiatives				
CNI Sharswood: People Pillar	Located within the Vaux Community Building, CNI Sharswood People Pillar staff provide place-based case management and service coordination for individuals and families living in and/or moving to the Sharswood neighborhood.	Ongoing comprehensive case management for Sharswood PHA residents returning to Blumberg replacement units and other Sharswood households moving into units built as part of the CNI Housing Strategy. Service coordination for non-PHA Sharswood households and residents from relocated households who decide not to return to Blumberg replacement units.	HUD grant	Outreach and assessments will be completed for approximately 500 households by 2026
CNI Norris: Endowment Phase	Place-based case management for families relocated from or living in the Norris North Central development	Entire family	HUD grant	200 assessments completed
Jobs Plus Pilot Program	Place-based employment program designed to increase the earnings and employment of working-age residents	PHA residents 18-64	HUD grant	200 participants
ROSS	Assessment of individual and family needs, followed by referrals and tracking	PHA residents 18-55	HUD grant	200 assessments completed across 5 developments
Youth & Family Programs				
Diversitory Program	Programming designed to address violence in communities and	Entire family	MTW	50 assessments completed

Program/Partner	Program Description	Target Population	Funding Source	Projected Residents Served
	partner with organizations equipped to address trauma.			
Afterschool Programs	On-site programs which meet the standard of providing: (1) homework assistance, (2) project-based learning, (3) community service, and (4) physical/body kinesthetic activities	Youth age 6-18	MTW, HUD CNI Grant	220
PHA Summer Camps	Summer enrichment activities to prevent academic regression	Youth age 6-13	MTW	220
Big Picture Philadelphia	Project-based public high school in the CNI Sharswood footprint	Students in grades 9-12	MTW	400 students enrolled
PowerCorpsPHL	Landscape training for young adults	Youth age 18-24	Partnership	25 enrollments
Mighty Writers Out-of-School Programs	Provides literacy programming and activities.	Youth age 3-18	Partnership, William Penn Foundation, HUD CNI Grant	Approximately 100 PHA residents + 100 non-PHA community residents enrolled
Youth Summer Jobs Program (“Summer WorkReady”)	Six weeks of summer employment for youth placed at PHA sites	Teens	Philadelphia Youth Network WorkReady, non-profit partners	25 students placed at PHA
ParentChild+ Program	School readiness program provided to support families’ successful enrollment in high quality Pre-K.	Low-income Sharswood families with children between the ages of 16 months to 4 years of age; however, enrollment prioritizes Sharswood PHA residents.	HUD CNI grant	15 families enrolled with at least 80% projected to complete the full 2 year program (August 2021 – July 2023)
Meal Programs				
Summer Food Programs	Breakfast and lunch served on-site to provide appropriate nutrition to youth and young adults during the summer	Youth age 5-18	MTW, Pennsylvania Department of Education	40,000 meals served
Senior Meals Programs	Meal programs, which not only enable residents to have appropriate nutrition, but also best practice fellowship to support aging in place	PHA residents 62+	HUD grant	16,000 meals served at Bentley Hall 18,000 meals served at senior sites through Philadelphia Corporation of Aging (PCA)

B. Planned Application of PHA Unspent Operating Fund and HCV Funding

HUD requires that MTW agencies provide the information on Tables 12 and 13. This includes estimated reserve balances as of the beginning of FY 2023 and planned uses of reserves in FY 2023. The amounts, timetables and planned uses shown are preliminary and subject to modification.

Table 12: Planned Unspent Operating Fund and HCV Funding

Original Funding Source	Estimated Reserve Balance as of 04/01/2022	Planned Application of Reserves in FY 2023
HCV HAP*	\$ 189,000,000	\$ 163,822,906
HCV Admin Fee	\$ 8,924,355	\$ -
PH Operating Subsidy	\$ 96,240,780	\$ 30,121,500
TOTAL:	\$ 294,165,134	\$ 193,944,406

** Unspent HAP funding does not include amounts recognized as Special Purpose Vouchers reserves.*

Table 13: Description of Planned Expenditures of Unspent Operating Fund and HCV Funding

Item No.	Planned Use	Estimated Amount	Funding Source	Projected Timeline
1.	Vacancy Reduction of Public Housing Portfolio	\$15,000,000	PH Operating Subsidy	1 year
2.	New Development - PHA Warehouse	\$15,121,500	PH Operating Subsidy	1 year
3.	New Development - 2112 Ridge Ave	\$6,845,770	HCV HAP	1 year
4.	Energy Performance Measurements PH II	\$6,699,111	HCV HAP	1 year
5.	Energy Performance Measurements PH III	\$3,925,033	HCV HAP	1 year
6.	New Development - Walton Senior	\$3,000,000	HCV HAP	1 year
7.	New Development - Westpark Apts. PHASE 1	\$18,000,000	HCV HAP	2 years
8.	New Development - Gordon Extension - Strawberry Mansion Phase II	\$12,000,000	HCV HAP	2 years
9.	Fairhill Land Acquisition	\$7,500,000	HCV HAP	2 years
10.	New Development - Fairhill Phase II - Southside	\$17,000,000	HCV HAP	2 years
11.	New Development - Blumberg / Sharswood - PHA Rental Phase I (PH 4A)	\$6,845,770	HCV HAP	1 year
12.	New Development - Blumberg / Sharswood - PHA Rental Phase II (PH 6A)	\$16,600,000	HCV HAP	1 year
13.	New Development - Blumberg / Sharswood - HUNT Phase III (PH 5A)	\$28,525,122	HCV HAP	2 years

Item No.	Planned Use	Estimated Amount	Funding Source	Projected Timeline
14.	New Development - Harlan St	\$3,850,000	HCV HAP	2 years
15.	New Development - Bartram PH I	\$33,032,100	HCV HAP	2 years

C. Local Asset Management Plan

- i. *Is the MTW PHA allocating costs within statute?*
- ii. *Is the MTW PHA implementing a local asset management plan (LAMP)?*
- iii. *Has the MTW PHA provided a LAMP in the appendix?*

No
Yes
Yes

Description of Proposed Changes to the Local Asset Management Plan in the Plan Year

Pursuant to its MTW Agreement, PHA has developed a Local Asset Management Plan (LAMP) that describes the agency's cost allocation plan and other technical components of PHA's local asset management strategy. HUD approved PHA's initial LAMP as part of the MTW FY 2010 Annual Plan submission. When applicable, PHA will submit updates to the LAMP as part of the Annual Plan submission. No changes are proposed to the LAMP for FY 2023. A copy of the current LAMP is found in Appendix B.

D. Rental Assistance Demonstration (RAD) Participation

i. Description of RAD Participation

The conversion of public housing units to project-based assistance under the RAD program is an important component of PHA's housing preservation and expansion strategy. Through RAD conversion, PHA is able to access private equity (primarily through the Low Income Housing Tax Credit program) and other funds to invest in existing PHA developments as well as to leverage new funding to replace obsolete scattered site units and "transfer assistance" to other new developments. Table 14 below provides summary information on PHA's current plans to convert existing public housing units to project-based assistance through the RAD program, and to transfer public housing assistance from vacant, non-viable scattered site units to new developments that will be subsidized through long-term project-based assistance contracts in FY 2023. As indicated, PHA plans to utilize HUD's new "Faircloth to RAD" initiative to expand the supply of affordable housing. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program.

For informational purposes, Table 15 includes those developments that PHA has converted through the RAD program, as well as the developments PHA expects to convert through the RAD program through the close of FY 2022, including transfer of assistance developments. Actual timetables for conversion and/or PHA's decision to proceed with conversion may vary from the information included below, depending on various factors including project feasibility determinations, project financing, timetables for HUD and other approvals and other factors.

The timetable for RAD conversions extends beyond FY 2023 and continues to be refined in consultation with HUD and PHA's resident leadership. The listed projects may be modified in the future and are subject to approval by HUD and the PHA Board of Commissioners. Due to variances in development plans and schedules, projects listed may appear in prior or future Annual Plans. PHA may apply for additional RAD conversions beyond those shown in Tables 14 and 15.

Table 14: RAD Closings Planned in FY 2023

PIC Dev.#/AMP	PIC Dev. Name	RAD Units	Description
PA2-039	West Park Apartments	110	Conversion of existing public housing development
PA2-055	Fairhill Apartments	110	Conversion of existing public housing development

TOTAL	1,941	

ii. *Has the MTW PHA submitted a RAD Significant Amendment in the appendix?*

Yes

iii. *If the MTW PHA has provided a RAD Significant Amendment in the appendix, please state whether it is the first RAD Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment?*

PHA has submitted and obtained HUD approval for the RAD Significant Amendments listed on Table 16.

iv. *RAD Significant Amendments*

PHA is required to prepare a RAD Significant Amendment for each RAD project as part of the HUD approval process. The Significant Amendment process includes a public notice period, a public hearing and approval by the PHA Board of Commissioners prior to submission to HUD.

As part of this FY 2023 MTW Annual Plan, in Appendix G, PHA has included RAD Significant Amendments for Sharswood Phase VI-A and the Walton School. PHA has also included an amended version of the previously approved RAD Significant Amendment for Hunt Sharswood Phase III, as PHA is now seeking approval to pursue a Faircloth to RAD conversion of the property. Additional Significant Amendments for other planned RAD developments will be submitted in the future. Table 16 provides summary information on all previously submitted RAD Significant Amendments, including the HUD approval date for each.

Table 16: Previously Submitted RAD Significant Amendments

No	Plan Year	Date Submitted to HUD	HUD Approval Date	Property		Number of RAD Units	Transfer of Assistance (Yes/No)

VI. ADMINISTRATIVE

A. Board Resolution and Certifications of Compliance

A Resolution approving the FY 2023 MTW Annual Plan and the MTW Plan Certification of Compliance was adopted by the PHA Board of Commissioners at the December 2021 meeting following the public review process and public hearing. The Resolution for the FY 2023 MTW Annual Plan is included in Appendix A.

B. Documentation of Public Process

PHA provided public notice of the FY 2023 MTW Annual Plan (and posted the Plan and Amendment on its website). A thirty-day public comment period to allow for resident and general public review was provided from November 2 through December 2, 2021. A virtual, online public hearing was held on November 15, 2021 attended by three (3) participants. PHA also conducted a virtual, online meeting on November 10, 2021 with resident leadership to discuss proposed Plan contents and provide additional opportunities for resident input. The meeting was attended by 50 participants, including resident leadership and PHA staff.

C. Planned and Ongoing Evaluations

PHA's most recent impact analysis of its rent simplification efforts is included in Appendix F.

D. Lobbying Disclosures

The required Disclosure of Lobbying Activities (SF-LLL) and Certification of Payment (HUD-50071) forms are included in Appendix A.

VII. APPENDICES

Appendix A: Board Resolution, MTW Certification & Lobbying Disclosures

CERTIFICATIONS OF COMPLIANCE

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OFFICE OF PUBLIC AND INDIAN HOUSING

Certifications of Compliance with Regulations: Board Resolution to Accompany the Annual Moving to Work Plan

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chair or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning (04/01/2022), hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- (1) The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.
- (2) The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.
- (3) The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).
- (4) The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
- (5) The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- (6) The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan.
- (7) The MTW PHA will affirmatively further fair housing by fulfilling the requirements set out in HUD regulations found at Title 24 of the Code of Federal Regulations, including regulations in place at the time of this certification, and any subsequently promulgated regulations governing the obligation to affirmatively further fair housing. The MTW PHA is always responsible for understanding and implementing the requirements of HUD regulations and policies, and has a continuing obligation to affirmatively further fair housing in compliance with the 1968 Fair Housing Act, the Housing and Community Development Act of 1974, The Cranston-Gonzalez National Affordable Housing Act, and the Quality Housing and Work Responsibility Act of 1998. (42 U.S.C. 3608, 5304(b)(2), 5306(d)(7)(B), 12705(b)(15), and 1437C-1(d)(16)). The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o) and 24 CFR 903.15, which means that it will take meaningful actions to further the goals identified in its Analysis of Impediments to Fair Housing Choice(AI),Assessment of Fair Housing (AFH), and/or other fair housing planning documents conducted in accordance with the requirements of 24 CFR Part 5, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(o), and will address impediments to fair housing choice identified in its AI, AFH, and/or other fair housing planning documents associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.
- (8) The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975 and HUD's implementing regulations at 24 C.F.R. Part 146.
- (9) In accordance with 24 CFR 5.105(a)(2), HUD's Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identity, or marital status.
- (10) The MTW PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
- (11) The MTW PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 75.

form HUD 50900: *Certifications of Compliance (3/2021)*
30

- (12) The MTW PHA will comply with requirements with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
- (13) The MTW PHA will comply with requirements with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.
- (14) The MTW PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
- (15) The MTW PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
- (16) The MTW PHA will provide HUD or the responsible entity any documentation needed to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58. Regardless of who acts as the responsible entity, the MTW PHA will maintain documentation that verifies compliance with environmental requirements pursuant to 24 Part 58 and 24 CFR Part 50 and will make this documentation available to HUD upon its request.
- (17) With respect to public housing and applicable local, non-traditional development the MTW PHA will comply with Davis-Bacon or HUD determined wage rate requirements under section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
- (18) The MTW PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
- (19) The MTW PHA will comply with the Lead-Based Paint Poisoning Prevention Act and 24 CFR Part 35.
- (20) The MTW PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 225 (Cost Principles for State, Local and Indian Tribal Governments) and 2 CFR Part 200.
- (21) The MTW PHA must fulfill its responsibilities to comply with and ensure enforcement of Housing Quality Standards, as defined in 24 CFR Part 982 or as approved by HUD, for any Housing Choice Voucher units under administration.
- (22) The MTW PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the Moving to Work Agreement and Statement of Authorizations and included in its Plan.
- (23) All attachments to the Plan have been and will continue to be available at all times and all locations that the Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the MTW PHA in its Plan and will continue to be made available at least at the primary business office of the MTW PHA.

RESOLUTION NO. 12183

RESOLUTION AUTHORIZING THE PHILADELPHIA HOUSING AUTHORITY TO SUBMIT TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT ITS MOVING TO WORK ("MTW") ANNUAL PLAN FOR FISCAL YEAR 2023, WHICH INCLUDES RENTAL ASSISTANCE DEMONSTRATION PROGRAM SIGNIFICANT AMENDMENTS, AND A SIGNIFICANT AMENDMENT TO THE FISCAL YEAR 2022 MTW PLAN

WHEREAS, the U.S. Department of Housing and Urban Development ("HUD") administers a Moving to Work ("MTW") Demonstration Program that is designed to provide the opportunity for selected housing authorities to explore and demonstrate more efficient ways to provide and administer low-income housing; and

WHEREAS, pursuant to the Philadelphia Housing Authority ("PHA") Board of Commissioners Resolution No. 10618, dated December 21, 2000, PHA submitted to HUD an MTW Application Plan and Agreement; and

WHEREAS, since 2001, when HUD accepted PHA's application for participation in the MTW Demonstration Program and HUD and PHA subsequently executed a MTW Demonstration Agreement ("MTW Agreement"), PHA has continuously participated in the MTW Demonstration Program, with its current agreement extending to 2028; and

WHEREAS, as a participant in the MTW Demonstration Program, PHA is required to develop an MTW Annual Plan for each fiscal year during the term of the MTW Agreement, which outlines the PHA budget and MTW activities, and to submit the Annual Plan for approval by its Board at least seventy-five (75) days prior to the beginning of each fiscal year ("FY"), with FY 2023 beginning on April 1, 2022; and

WHEREAS, PHA has distributed to the Board both a Significant Amendment to the MTW Annual Plan for FY 2022, which is for conversion of one hundred eighty-eight (188) low-rise units at Harrison Plaza, and PHA's MTW Annual Plan for FY 2023 ("Plan"), a summary of which is attached hereto as Attachment "A," which includes: 1) Rental Assistance Demonstration Program Significant Amendments for two (2) developments, 2) amendment of a formerly approved Significant Amendment, and 3) a consolidated budget in accordance with the current MTW Agreement, as PHA is a block grant agency; and

WHEREAS, PHA has fulfilled the HUD requirement of providing opportunities for resident and public participation and comment on the FY 2023 Plan and the FY 2022 amendment, including scheduling at least one (1) public hearing and taking into consideration any comments received, by: 1) holding an introductory meeting with resident leadership and interested PHA residents on November 10, 2021; 2) holding a Public Hearing on November 15, 2021; 3) posting the draft Plan and amendment on PHA's website; 4) making copies of the draft Plan and amendment available at PHA's Headquarters; and 5) accepting and considering public comments over a period extending from November 2, 2021 to December 2, 2021;

BE IT RESOLVED that the Board of Commissioners hereby approves the MTW Annual Plan for FY 2023, including the Rental Assistance Demonstration Significant Amendments incorporated therein, and a Significant Amendment to the FY 2022 MTW Plan, in substantially the form distributed to the Board, and authorizes PHA's Chair and/or President & CEO or their authorized designee(s) to: 1) submit to HUD the FY 2023 Annual MTW Plan and the FY 2022 MTW Plan Amendment; 2) take all steps necessary to finalize and secure HUD approval and implement initiatives described in the Plan and Amendment, subject to receipt of adequate funding from HUD; 3) certify that the Public Hearing requirement has been met; and 4) execute the HUD Certifications of Compliance with MTW Plan Requirements and Related Regulations, in substantially the form attached hereto as Attachment "B."

I hereby certify that this was
APPROVED BY THE BOARD ON 12/16/2021

ATTORNEY FOR PHA

NOTICE OF PUBLIC HEARING AND PUBLIC COMMENT PERIOD PHILADELPHIA HOUSING AUTHORITY

The Philadelphia Housing Authority (PHA) is requesting public comments and conducting a public hearing on the proposed Moving to Work Annual Plan for Fiscal Year 2023 (Annual Plan), which includes a Rental Assistance Demonstration (RAD) Program Significant Amendment, and a proposed Amendment to the Annual Plan for Fiscal Year 2022. PHA is a participant in the Moving to Work (MTW) Program pursuant to an MTW Agreement between PHA and the US Department of Housing and Urban Development (HUD). The Annual Plan for Fiscal Year 2023 describes PHA's MTW proposed policy initiatives and activities for the period April 1, 2022 to March 31, 2023. The Amendment to PHA's HUD approved Annual Plan for Fiscal Year 2022 incorporates a RAD Significant Amendment. PHA is also requesting public comments and conducting a public hearing on proposed changes to the Public Housing Admissions and Continued Occupancy Policy, and the Housing Choice Voucher Administrative Plan. These documents are available for public review on PHA's website at www.pha.phila.gov under the "Latest News" section. Copies are also available at the Philadelphia Housing Authority headquarters at 2013 Ridge Avenue, Philadelphia, PA 19121 during normal business hours.

PHA residents, Housing Choice Voucher participants and the public may provide oral comments by attending the virtual public hearing described below and/or by submitting written comments during the comment period. A public hearing will be conducted at the following time and location:

Monday, November 15, 2021 at 3:00 PM

Certification for a Drug-Free Workplace

U.S. Department of Housing
and Urban Development

Applicant Name

Philadelphia Housing Authority

Program/Activity Receiving Federal Grant Funding

Moving to Work Annual Plan FY 2023

Acting on behalf of the above named Applicant as its Authorized Official, I make the following certifications and agreements to the Department of Housing and Urban Development (HUD) regarding the sites listed below:

I certify that the above named Applicant will or will continue to provide a drug-free workplace by:

a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Applicant's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

b. Establishing an on-going drug-free awareness program to inform employees ---

(1) The dangers of drug abuse in the workplace;

(2) The Applicant's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a.;

d. Notifying the employee in the statement required by paragraph a. that, as a condition of employment under the grant, the employee will ---

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

e. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph d.(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

f. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph d.(2), with respect to any employee who is so convicted ---

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

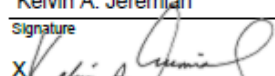

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

g. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs a. thru f.

2. **Sites for Work Performance.** The Applicant shall list (on separate pages) the site(s) for the performance of work done in connection with the HUD funding of the program/activity shown above: Place of Performance shall include the street address, city, county, State, and zip code. Identify each sheet with the Applicant name and address and the program/activity receiving grant funding.)

Check here ☐ if there are workplaces on file that are not identified on the attached sheets.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate.
Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties.

Appendix B: Local Asset Management Plan

Introduction

Pursuant to the First Amendment to the Moving to Work Agreement, in Fiscal Year 2010 (MTW Year Nine) the Philadelphia Housing Authority has implemented a local asset management plan for its Public Housing Program as described herein. In the implementation of the plan, PHA will continue to adopt cost accounting and financial reporting methods that comply with HUD and federal regulations and generally accepted accounting practices.

PHA's plan supports and is consistent with the agency's ongoing implementation of project-based management, budgeting, accounting and financial management. PHA's project-based management system emphasizes the provision of property management services that have met agency-wide standards while responding to the unique needs of each property. Day to day operations of PHA sites are coordinated and overseen by Property Managers assigned to each property. PHA Property Managers oversee the following management and maintenance tasks:

- Marketing and tenant selection
- Rent collections
- Routine and preventive maintenance
- Unit turnover
- Security
- Resident services
- Resident and community relations
- Capital improvements planning
- Other activities necessary to support the efficient operations of the site

In the implementation of these project level management activities, other PHA departments including Public Safety, Maintenance, Development, ISM, Finance and Budget, Human Resources, Community Operations & Resident Development, Office of General Counsel, Supply Chain Management, and the Office of Audit and Compliance support PHA Property Managers. Property Managers have access to on-line detailed and summary management reports on budget status, waitlist management, key performance indicators to facilitate their monitoring and oversight of property level activities. PHA also conducts Performance Management meetings on a monthly basis, to allow for a thorough review of key performance indicators at the individual site and system-wide levels.

PHA Property Managers develop and monitor property budgets, with support from the PHA Finance and Budget staff. Budget trainings are held annually to support the budget development process. Property Managers are provided with tools to develop their budget estimates including property-specific non-utility and utility cost data from the prior 18 months.

PHA's local asset management plan is consistent with the principles of asset management described in 24 CFR 990.255 and in the First Amendment to PHA's MTW Agreement. Further, the plan is generally consistent with the provisions of 24 CFR 990.260, 990.265, 990.270, 990.275 and 990.285. As allowed under the First Amendment to the MTW Agreement, PHA's local asset

management plan deviates from parts of 24 CFR 990.280, including requirements related to property management fees and fees for services. PHA will utilize the Cost Allocation method referenced in paragraph 6.F.4.b of the First Amendment.

Due to the unique features of the Philadelphia market, PHA's housing portfolio, and the agency, PHA has determined that use of the Cost Allocation method is the most efficient, cost-effective means of achieving the asset management principles referenced above. The factors that impact PHA's asset management plans include, but are not necessarily limited to, the following:

- Scattered Site Portfolio. PHA has over 4190 scattered site properties, which represents nearly 1/3 of its public housing portfolio. We understand this is far and away the largest scattered site public housing portfolio in the country. The geographic diversity of these scattered site units impacts warehouse operations, locations and numbers of management offices, and staffing requirements.
- Aging Housing Stock. PHA operates one of the oldest public housing stocks in the country. It is costlier to operate than newer housing. PHA has engaged in an aggressive development program during the last few years to upgrade and redevelop its units. Due to a lack of adequate funds, this process is far from complete.
- Unionized Workforce. PHA has a heavily unionized workforce. Currently, PHA has contracts with approximately 11 unions. This significantly impacts the operations and costs of PHA's activities. As such, PHA's asset management plan is structured to be cost effective within the limits of these contracts.
- MTW Initiatives. Since the onset of its participation in MTW, PHA has sought to use its MTW flexibilities to implement agency-wide cost-cutting initiatives that will increase efficiencies, maximize use of federal dollars, and benefit PHA's clients. PHA has moved many functions to the site-based level, however a number of MTW initiatives require central administration so they can be adequately measured. For example, PHA has implemented innovative technological systems to maximize efficiencies in admissions, property management, and client services. There are costs associated with development and implementation of these systems before they are implemented at the site level. Under MTW, PHA has also implemented departmental oversight protocols through its Quality Assurance Program. PHA's quality control program has already made PHA's programs more efficient by reducing errors and improving oversight.
- Local Costs. Philadelphia is an old, industrial city where labor costs for maintenance and construction activities are significant. These high costs can be attributed to, in part, prevailing wage requirements as well as the cost of materials and services in the Philadelphia market.

A description of the cost allocation plan and other technical components of PHA's local asset management plan follows:

I. AMP Definitions

An AMP will include any site that receives Operating Subsidies through HUD's Operating Fund Calculation. PHA currently has two types of PHA managed AMPs and PAPMC/AME managed AMPs.

II. Balance Sheet Items (Assets, Liabilities & Equity)

PHA has distributed balance sheet accounts by AMPs as planned in the original Local Asset Management balance sheet accounts were analyzed and distributed to between the AMPs and the Indirect Cost Departments.

A. Cash & Investments

PHA maintains consolidated physical bank accounts, but for financial statement and general ledger presentation cash is distributed between all PHA AMPs and the Indirect Cost Departments. Direct cash and expenses are charged to the proper AMPs or Indirect Cost Departments general ledger account. At the end of the year, cash is adjusted to offset indirect cost allocations between the AMPs and the Indirect Cost Departments. The offsetting of the indirect cost allocations effectively adjusts the inter fund balances to zero except where the AMPs have a negative cash balance which is presented as an inter-fund to the Indirect Cost Departments. All remaining cash and investment balances are presented with the Indirect Cost Departments and reported in the MTW Column of the FDS.

Investment income will be allocated between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

B. Tenant Accounts Receivable and Allowance for Doubtful Accounts

Tenant accounts receivable balances and allowance for doubtful accounts are reported on an AMP basis for each of the PHA Managed AMPs. The ending balances are reconciled to the tenant supporting detail ledgers,

PAPMC/AME Managed AMPs tenant balances are not reported as AMPs in the FDS. Based on PHA's analysis of GASB pronouncements, these AMPs are presented as discrete component units. Tenant accounts receivable and allowance for doubtful accounts are included in the PHA Audited financial statements as a discretely presented component unit.

C. Other Accounts Receivable

Other accounts receivable will be distributed based on the purpose and source of the receivable. Receivables related to a PHA Managed AMP and PAPMC / AME Managed AMP will be distributed to the specific AMP. Any receivable that is not associated to a specific AMP will be distributed to the Indirect Cost Departments.

D. PHASI / Worker's Compensation Cash and Liabilities

The PHASI and Worker's Compensation cash and liabilities will remain with the Indirect Cost Departments and reported in the MTW column of the FDS. At this time, PHA has determined that these liabilities are PHA Agency Wide liabilities and not liabilities of the PHA Managed AMPs or the Indirect Cost Departments. The expenses related to the PHASI liability and worker's compensation liability are charged to appropriate programs or AMPs. PHA has created a cash reserve for the PHASI liability. The cash reserve offsets PHA's liabilities so that the liability is fully funded. PHA utilizes the reserves to pay the liability as needed. PHA has a cash reserve that is held by the Worker's Compensation insurer.

E. Prepaid Insurance

The prepaid insurance balances for the PHA Managed AMPs will be distributed to AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Prepaid insurance is included in the PHA Audited financial statements as a discretely presented component unit.

F. Materials Inventory and Allowance for Obsolete Inventory

PHA currently maintains all maintenance materials inventory centrally. AMPs and departments submit requests for inventory and materials are issued then expenses are charged to the appropriate AMP or program. Ending centralized materials inventory and allowance balances for the PHA Managed AMPs will be distributed to AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Materials inventory is included in the PHA Audited financial statements as a discretely presented component unit.

G. Fixed Assets and Accumulated Depreciation

Fixed assets and accumulated depreciation will be reconciled to the PeopleSoft Asset Module and distributed to the appropriate PHA Managed AMPs and the Indirect Cost Departments. PHA's Asset Management (AM) Module has been established for many years. AM provides PHA with the ability to prepare fixed asset and depreciation reports by AMP or department. AM tracks all fixed assets transactions and records all monthly fixed asset entries. Fixed assets and accumulated depreciation are reported with the appropriate AMP or the MTW Column for assets held by the Indirect Cost Departments.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Fixed assets and accumulated depreciation are included in the PHA Audited financial statements as a discretely presented component unit.

H. Accounts Payable and Accrued Liabilities

Other accounts payable and accrued liabilities include all liabilities not specifically referred to in the following detailed liability categories. Other accounts payable and accrued liabilities will be distributed based on the purpose and source of the payable or liability. Payables or liabilities related to a PHA Managed AMP and PAPMC / AME Managed AMP will be distributed to the specific AMP. Any payable or liability that is not associated to a specific AMP will be distributed to the Indirect Cost Departments.

I. Payroll Liabilities

All payroll tax and benefits liabilities will continue to be presented with the Indirect Cost Departments and reported in the MTW Column of the FDS. At this time, PHA has determined that these liabilities are PHA Agency Wide liabilities and not liabilities of the PHA Managed AMPs or the Indirect Cost Departments. However, PHA has utilized the LIPH (Fund 001) cash accounts in the past to pay most Agency Wide liabilities, then the LIPH (Fund 001) will receive reimbursements from other programs where applicable. The expenses related to the payroll liabilities will continue to be charged to appropriate programs or AMPs.

Accrued salaries and wages liability will be distributed to/ between AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

J. Compensated Absences

Compensated absences liabilities will be distributed to/between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

No compensated absences liabilities will be distributed to the PAPMC / AME AMPs because PHA does not charge salaries to these AMPs.

K. Net Position

Invested in Capital Assets balances will follow the Net Fixed Assets that are owned by an AMPs or Departments. Invested in capital assets will be distributed between the Indirect Cost Departments and the PHA Managed AMPs based on where the Net Fixed Assets is distributed.

The Public Housing Program Unrestricted Net Position for all AMPs will be zero because PHA will allocate revenue from the MTW Column to cover the difference between

revenues and expenses generated by each AMP. The total Unrestricted Net Position of the Public Housing Program will be included with the MTW Column.

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Invested in capital assets are included in the PHA Audited financial statements as a discretely presented component unit. PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Unrestricted net assets are included in the PHA Audited financial statements as a discretely presented component unit.

III. Revenues

A. Tenant Revenues

1. PHA Managed AMPs

Tenant Revenues will be directly charged to the appropriate AMP.

2. PAPMC/AME Managed AMPs

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Tenant revenue is included in the PHA Audited financial statements as a discretely presented component unit.

B. Direct Revenues

Direct revenues include tenant fees and service charges that can be identified and charged to a specific site.

1. PHA Managed AMPs

PHA currently records all direct revenues to the proper PHA Managed AMP. PHA currently records all tenant charges and any direct revenue to the proper PHA Managed AMP. PHA's account structure includes the program code (AMP number) and the appropriate department code, which enables PHA to charge the revenues to the proper PHA Managed AMPs.

PHA's systems and procedures related to direct revenues currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues under the proper AMP.

2. PAPMC/AME Managed AMPs

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Direct revenues are included in the PHA Audited financial statements as a discretely presented component unit.

C. Indirect Revenues

Indirect revenues are other income items that cannot be identified or charged to a specific AMP or to the Indirect Cost Departments. Indirect revenues will be allocated between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

D. HUD Operating Subsidy

For PHA's project-based accounting purposes, Operating Subsidy is considered an indirect revenue source. PHA's Operating Subsidy is provided in one block as if PHA were one AMP. The funding for all AMPs is calculated using the same Allowable Expense Level per PHA's MTW agreement. Since the basis of the funding calculation is the same across all AMPs, PHA considers Operating Subsidy an indirect revenue source.

Operating Subsidy will be allocated to all PHA AMPs based on the difference between revenues, prior to operating subsidy, and expenses excluding depreciation expenses. The amount of Operating Subsidy allocated will be based on the individual AMPs need for subsidy so that revenues are equal to expenses.

E. Operating Transfers from the MTW Block (Excess HAP) & CFP

1. PHA Managed AMPs

PHA has included in its MTW annual plan Operating Transfers from the MTW Program and the CFP Program into the Public Housing Program to offset operating expenses. PHA has determined that the appropriate treatment of Operating Transfers at the current time based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation. PHA will establish separate account numbers for the MTW and CFP Operating Transfers. The Operating Transfers are made to assist the PHA Managed AMPs with its operations. PHA may need to adjust the allocation of the Operating Transfers in fiscal years to assist the operating needs of one AMP over another AMP that may not need the assistance. PHA's MTW agreement with HUD permits the PHA flexibility to move funds between its Public Housing, Section 8 HCV, and CFP programs. PHA will reserve the right to adjust the allocations of the Operating Transfers to meet the financial needs of all the PHA Managed AMPs.

2. PAPMC / AME Managed AMPs

Operating Transfers will not be allocated to the PAPMC / AME Managed AMPs.

IV. Expenses

A. Direct Expenses

1. PHA Managed AMPs

PHA currently records all direct expenses to the proper AMP. PHA's procurement and accounts payables processes include assigning the proper chart fields or account structure. PHA's account structure includes the program code (AMP number) and the appropriate department code.

For payroll, PHA directly charges all payroll costs using account labels. Account labels are used to tell PHA's accounting system where to directly charge an employee's payroll costs. PHA can setup as many account labels as needed to have payroll costs charged to the proper program, department, AMP, etc. based on PHA's requirements. PHA's accounting system gives the Authority the automated ability to charge payroll costs from the employee timesheets to the proper account. When employees complete their weekly timesheets, the employees report all hours to account labels. The timesheets allow employees to charge as many account labels as needed during the week. Employees submit their timesheets to their direct supervisor for approval. The direct supervisor verifies that the correct account labels were used.

PHA's systems and procedures related to direct expenses currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues and expenses under the proper AMP.

2. PAPMC/AME Managed AMPs

The only PAPMC/AME Managed AMPs direct expenses that will be included in AMPs FDS column are PHA's payment of Operating Subsidies and any other direct expense paid by PHA. All other direct expenses are included in the PHA Audited financial statements as a discretely presented component unit.

B. Corporate Legal

PHA has diverse legal issues due to the size of its programs. PHA will analyze legal expenses to determine the appropriate treatment of the legal expenditures. The treatments of the legal expenses are as follows:

1. Direct Legal Expenses

Legal expenses that can be identified as a direct cost to a specific AMP will be charged to that AMP.

2. Indirect Legal Expenses

Indirect legal expenses that cannot be defined as costs for a specific AMP but can be identified as providing benefits to the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

C. Payroll Expenses

PHA currently directly charges all maintenance payroll costs to the direct PHA Managed AMP. PHA directly charges all payroll costs using account labels. Account labels are used to tell PHA's accounting system where to directly charge a maintenance employee's payroll costs. PHA can setup as many account labels as needed to have payroll costs charged to the proper PHA Managed AMP. PHA's accounting system gives the Authority the automated ability to charge maintenance payroll costs from the employee timesheets to the proper account. When maintenance employees complete their weekly timesheets, the employees report all hours to account labels. The timesheets allow maintenance employees to charge as many account labels as needed during the week. Maintenance employees submit their timesheets to their direct supervisor for approval. The direct supervisor verifies that the correct account labels were used.

D. Materials and Contract Costs

PHA currently records all maintenance materials and contract costs directly to the proper PHA Managed AMP. PHA's procurement and accounts payables processes include assigning the proper chart fields or account structure. PHA's account structure includes the program code (AMP number) and the appropriate department code.

PHA's systems and procedures related to maintenance materials and contract costs currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues and expenses under the proper AMP.

E. Indirect Expenses

PHA will be using an allocation to charge overhead from the Indirect Cost Departments (MTW Column) to all AMPs. Overhead costs will be allocated to the AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

V. Capital Fund Program

All expenditures under the Capital Fund program are charged to the appropriate AMP or Indirect Cost Department. Revenues are applied to the appropriate AMP or Indirect Cost Department based on the actual expenditures. The expenditures related to the Indirect Cost Departments or MTW initiatives are reported in the MTW Column of the FDS.

Although PHA is an MTW agency and is not required to, PHA reports and tracks all CFP expenditures based on the CFP Budget Line Items. PHA has determined this method to be accurate and efficient method to track CFP expenditures.

VI. Project Based Budgeting

PHA currently prepares project based operating budgets for all the Amps and departments. PHA adds all the budgets to the Automated Accounting System. The operating budgets are currently used in the procurement, accounts payable process and the preparation of monthly financial statements. PHA's operating budget process is currently in compliance with the HUD Project Based Budgeting requirements.

When PHA has prepared its Capital Fund Program Budgets, PHA determines specific capital work items that need to be completed at all or some of PHA sites. PHA does not establish a Capital Budget by site, but by work item. Then once PHA determines which sites PHA will perform the work item, PHA reclassifies the budget amount from a PHA Wide work item to the specific site. PHA will continue this process; however, the budget will be established at the Capital Projects category rather than PHA Wide.

Appendix C: Asset Management Table

No.	Name, Number and Location	Number and Type of Units	Note for FY 2023 Plan	Development Activities	Demolition/ Disposition Activities	Designated Housing Activities	Conversion Activities	Homeownership Activities
1.	Abbottsford Homes PA002030	Phases I & II; 688 Family Units		Possible site for additional redevelopment including commercial space, through mixed financing.	Possible disposition of a portion of the site in connection with mixed-finance development.		Possible conversion of units/parcels for residential unit reconfiguration and commercial, economic development, management offices, administrative facilities, community and supportive services offices and/or open space.	
2.	Arch Homes PA002018	77 Family		Possible candidate for Modernization, rehabilitation with capital funds, bond proceeds, MTW, program income, private funds with Choice/RAD and/or LIHTC Application.			Possible conversion of units/parcels for residential unit reconfiguration and commercial, economic development, management offices, community and supportive services offices and/or open space.	
3.	Bartram Village PA002031	492 Family Units	Planning for RAD Conversion	Possible candidate for modernization, rehabilitation, revitalization, which may include some demolition with capital funds, bond proceeds, MTW, program incomes, private funds with Choice/RAD and/or LIHTC Application. Acquisition, new development, and rehabilitation of housing stock along with neighborhood revitalization efforts.	Possible demolition in connection with the modernization and revitalization, and possible disposition in connection with mixed-finance development.		Possible conversion of units/parcels for residential unit reconfiguration and commercial, economic development, management offices, community and supportive services offices and/or open space.	Possible homeownership component in connection with potential modernization and revitalization.
4.	Bentley Hall PA002077	100 Elderly Units		As part of Sharswood Blumberg		99 Elderly Units	Possible conversion of units/parcels for residential unit

Appendix F: Impact Analyses: Rent Simplification

Pursuant to the Moving To Work (MTW) Agreement, the Philadelphia Housing Authority (PHA) conducted an income and rent analysis of MTW households. Low Income Housing Tax Credit sites managed by PAPMC, Moderate Rehab units and non-MTW vouchers are not subject to rent simplification and are not included in this analysis.

PHA's rent simplification program currently includes the following components:

- A single working household deduction;
- An asset income exclusion;
- Exclusion of full-time student earned income;
- Modification of the definition of medical related expenses to include only certain medical-related insurance premiums;
- Elimination of all other deductions;
- Application of a cap on gas utility allowances for income eligible households who are responsible for gas heat;
- Reduction of the standard rent calculation percentage based on family size; and
- Application of a minimum rent of \$50.

The following is a summary of the results of the rent impact analysis.

Affordability

PHA's MTW rent policies resulted in affordable household rents in both the public housing and HCV programs. The following chart shows average Total Tenant Payment (TTP) as a percentage of adjusted income. The chart excludes households earning \$2,100 or less annually, who are subject to a minimum rent payment and, therefore, tend to pay a higher percentage of income towards rent and HCV households with a gross rent that exceeds their payment standard, who also pay a higher percentage of income towards rent. Alternatively, higher income PH households on ceiling rent pay a lower percentage of their gross income. Table 1 highlights the fact that for all households earning more than \$2,100 annually, MTW residents pay 28% or less of adjusted income as Total Tenant Payment. Note that HCV households have the choice to select a housing unit that exceeds established Payment Standards, a choice that results in the tenant paying a higher percentage of adjusted income towards rent.

Table 1: Total Tenant Payment as a Percentage of Adjusted Income

	Housing Choice Voucher Households	Public Housing Households
Average	28%	28%
25 th Percentile	27%	27%
Median	28%	28%
75 th Percentile	28%	28%
Max	28%	28%

CRP

Under MTW, HCV Tenant-Based households who are responsible for paying gas heat and who are income eligible to participate in the PGW Customer Responsibility Program (CRP) have the gas portion of their utility allowances calculated using PHA's CRP MTW utility policy. Participation in the PGW CRP program places a cap on the amount of money that eligible tenants will be required to pay for their gas utility payments based on household income, not consumption. Gas utility allowances are calculated using the PGW CRP calculation method. Table 2 illustrates the current annual savings resulting from PHA's adoption of this policy.

Table 2: Utility Allowance Savings due to CRP MTW UA Policy

	Households on CRP
# of HCV participants who are eligible for a gas utility allowance	11,418
# of HCV participants who pay gas heat and are eligible for CRP	4,025
Total gas portion without application of CRP	\$779,361
Total gas portion with application of CRP	\$671,893
Monthly Savings	\$107,468
Annual Savings to PHA	\$1,289,616

Appendix G: RAD Significant Amendment

Philadelphia Housing Authority
Fiscal Year 2023 Moving to Work Annual Plan
Rental Assistance Demonstration Significant Amendment

The Philadelphia Housing Authority (PHA) is incorporating this Rental Assistance Demonstration (RAD) Significant Amendment into its FY 2023 Moving to Work (MTW) Annual Plan as required by the US Department of Housing and Urban Development (HUD). The amendment provides information on PHA's planned activities under the RAD Program.

Pursuant to this Amendment, PHA will: 1) transfer assistance from 65 scattered site units to the proposed Sharswood Phase VI-A new construction development to be developed by the Philadelphia Housing Authority as part of the Blumberg/Sharswood Choice Neighborhood Transformation Plan; 2) redevelop the Rudolph S. Walton School (Walton School) into 51 units of housing for seniors pursuant to HUD's Faircloth to RAD initiative; and, 3) develop 101 PBV units (as part of a 217-unit rental development) at the proposed Sharswood Phase III new construction development to be developed by Hunt-Pennrose as part of the Blumberg/Sharswood Choice Neighborhood Transformation Plan pursuant to HUD's Faircloth to RAD initiative.

Note that the Sharswood Phase III site was part of the RAD Significant Amendment included in Appendix G of the FY 2022 MTW Annual Plan approved by HUD; however, PHA has made changes and is re-issuing the amendment for approval pursuant to HUD's Faircloth to RAD initiative. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program.

Background

Subject to HUD approval, PHA intends to proceed with the RAD transfer of assistance at Sharswood Phase VI-A and the Faircloth to RAD conversions of the Walton School and Sharswood Phase III pursuant to the guidelines of PIH Notice 2019-23, Revision 4 dated September 5, 2019 and PIH Notice 2016-17 dated November 10, 2016 ("HUD RAD Notices") and any other successor Notices issued by HUD.

PHA is required to submit a Significant Amendment to the MTW Annual Plan that incorporates required information on PHA's RAD conversion plans. This document provides the required information and serves as PHA's RAD Significant Amendment for the subject units. PHA intends to propose further Significant Amendment(s) for additional HUD-approved RAD conversions, including transfers of assistance, at future dates. PHA will provide a thirty-day public comment period, and conduct a Public Hearing to allow residents and the general public an opportunity to review and comment on the RAD Significant Amendment. The PHA Board of Commissioners will conduct a vote on the RAD Significant Amendment at a future public meeting.

RAD Conversion Plan

This Significant Amendment provides information on PHA's plans to convert public housing units to project-based assistance under RAD at the subject sites, as further described in Attachment 1. Attachment 1 includes the following information:

<i>Current Units:</i>	Total number of units, bedroom size distribution and unit type.
<i>Post-Conversion Units:</i>	If applicable, any changes proposed to the current number of units, the bedroom size distribution or the unit type including de minimis reductions.
<i>Transfer of Assistance:</i>	Whether PHA intends to transfer assistance to another development as part of the RAD conversion and, if so, the location, number of units, bedroom size distribution, and unit type where known.
<i>PBV or PBRA:</i>	Whether PHA intends to convert the development to the Project Based Voucher (PBV) program or to the Project Based Rental Assistance (PBRA) program, along with information on resident rights, resident participation, waiting list and grievance procedures applicable to each program. PHA intends to convert assistance to the PBV program.
<i>Capital Fund Impact:</i>	The current amount of Capital Fund dollars received prior to RAD conversion. Developments converted through the RAD program are not eligible for Public Housing Capital Funds after conversion.
<i>Transfer of Waiting List:</i>	How existing waiting lists will be addressed as part of the conversion where applicable.

Conversion to Project Based Vouchers or Project Based Rental Assistance

Public housing developments that are converted to project-based assistance will no longer be subject to HUD rules and regulations pertaining to the public housing program. Upon conversion to RAD, the former public housing units will be subject to the rules and regulations pertaining to either the PBV or PBRA programs, depending on which program option is selected by PHA. HUD has modified the PBV and PBRA program rules and regulations to incorporate additional provisions that apply solely to units converted under RAD. These additional provisions provide important protections to current residents of public housing that are impacted by a RAD conversion.

PHA intends to convert the developments/units listed in Attachment 1 to the PBV program. As part of the conversion initiative, PHA will adopt all required RAD PBV rules except where MTW or other waivers are approved by HUD, and will modify its existing Housing Choice Voucher Program Administrative Plan as needed to incorporate those rules related to resident rights, resident participation, waiting list, lease, waiting list, grievance processes and other areas.

Attachment 2 provides information on the RAD PBV program as required by the HUD RAD Notices related to resident rights and participation, waiting list and grievance procedures.

Capital Fund Budget

Conversion of existing public housing developments under the RAD program will enable PHA to leverage existing funds to secure additional private and other funding. This new funding will be used to undertake long-deferred capital improvements and, in instances where transfer of assistance is involved, to construct or rehabilitate new or existing affordable housing units.

PHA currently receives HUD Capital Funds on an annual basis, subject to Congressional appropriations for the majority of its public housing units. Attachment 1 includes the most recent Capital Fund allocation for each RAD conversion site. Upon conversion to RAD, PHA will no longer receive a Capital Fund allocation for units that have been converted, and the annual Capital Fund grant will be decreased.

The total estimated reduction in PHA Capital Funds on an annual basis for the subject units covered under this Significant Amendment is approximately \$302,421 based on FY2021 funding levels. Over a five-year period, the estimated Capital Fund reduction is approximately \$1,512,105 based on FY2021 funding levels. The actual amount of the reduction may vary depending on Congressional appropriations. As RAD conversions are completed, PHA will modify its existing capital plans to reflect the reduction in funding and change in work scopes.

The RAD conversions will not impact PHA's existing Capital Fund Financing Program (CFFP) obligations. PHA currently projects that it will utilize MTW Block Grant funds for capital improvements and to establish a RAD reserve for the subject developments. Actual amounts will be incorporated into the final financing plan.

Site and Neighborhood Standards

The RAD conversions described herein comply with all applicable site selection and neighborhood review standards. PHA has included individual certifications for each proposed project in Attachment 1. PHA certifies that:

1. The sites are suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto; and
2. In conducting its review of site selection for the proposed projects, PHA completed a review with respect to accessibility for persons with disabilities and that the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

Relocation Plan

Resident relocation will not be required as the scattered sites transfer of assistance units are currently vacant. Where applicable, resident relocation related to RAD conversions will be performed in accordance with the HUD RAD Notices.

Compliance

PHA is not presently subject to a voluntary compliance agreement, consent order, consent decree, final judicial ruling or administrative ruling that has any relation to or impact on the planned RAD conversion.

Moving To Work

PHA may utilize MTW Block Grant fungibility and programmatic flexibility to support the RAD conversion effort subject to any necessary Board and HUD approvals. PHA certifies that regardless of any funding changes that may occur as a result of conversion under RAD, PHA will continue to administer and maintain service levels for its remaining portfolio of public housing units subject to funding availability. PHA will do this by utilizing available funding including Public Housing Operating Fund, Capital Fund, and Tenant Rental Income.

Significant Amendment Definition

As part of the RAD conversion initiative, a Significant Amendment to the MTW Plan will not be required for the following RAD-specific actions:

- Changes to the Capital Fund budget produced as a result of each approved RAD conversion regardless of whether the proposed conversion will include use of additional Capital Funds;
- Decisions to apply MTW funding or programmatic flexibility to post-conversion RAD developments;
- Decisions or changes related to the ownership and/or financing structures for each approved RAD conversion including decisions to allocate PHA financial resources as a source of funds to support the RAD conversion initiatives;
- Changes to the construction and rehabilitation plans and scheduled for each approved RAD conversion;
- Changes to the project names or sponsor entity names;
- Changes in the post-conversion bedroom size distribution and/or the number of de minimis unit reductions up to the 5% permitted under RAD program rules;
- Changes to the pre-conversion bedroom size distribution and/or the project or AMP from which transfer of assistance units will be converted; and,
- Decisions to convert to either Project Based Vouchers or Project Based Rental Assistance.

Post- Conversion Development Name and Address Sharswood Phase VI-A is a new construction development consisting of 1-, 2-, 3-, 4-, 5- and 6-bedroom units in the Sharswood neighborhood. It is located in Sharswood neighborhood on the 2300 block of Sharswood Street and surrounding blocks.

Post - Conversion Sponsor Philadelphia Housing Authority
Project Description

Sharswood Phase VI-A is the sixth phase of PHA's Blumberg/Sharswood Choice Neighborhood Transformation Plan. It will consist of sixty-five (65) units of affordable housing located on the 2300 blocks of Stewart, Sharswood and Harlan Streets, directly across the street from Sharswood Phase IV-A. Phase VI will share a standalone community center and management office with Phase IV. All 65 units will be leased to families earning 60% of the area median income (AMI) or less and 10% of the units will be reserved for families earning 20% AMI or less.

Transfer of Waiting List

This is a new construction, transfer of assistance project. A new site-based waiting list will be established for the development prior to the initial lease up. The owner will manage and maintain the site-based waiting list, including any PHA-approved selection preferences, in accordance with PHA's Housing Choice Voucher Program Administrative Plan. PHA will post information on how to apply for the PBV site-based waiting list on the PHA website.

Certification

For the Sharswood Phase VI-A Rental Assistance Demonstration (RAD) project located in Philadelphia, the Philadelphia Housing Authority certifies that site complies with all site selection requirements applicable to Project Based Voucher (PBV) RAD projects, including:

1. The site is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto; and,
2. In conducting its review of site selection for the proposed project, the PHA completed a review with respect to accessibility for persons with disabilities and that the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

Rental Assistance Demonstration Significant Amendment
Attachment 2 – Project Based Voucher Program (PBV)

Information on resident rights and participation, waiting list and grievance procedures for Rental Assistance Demonstration (RAD) program conversions to the Project Based Voucher (PBV) program are included in this attachment:

HUD PIH Notice 2019-23, Revision 4 dated September 5, 2019, Sections 1.6.C and 1.6.D and Table 1B.

HUD Joint Housing Notice H-2016-17, PIH-2016-17 dated November 10, 2016 in its entirety.

Excerpts from HUD PIH Notice 2019-23, Revision 4 dated September 5, 2019

C. PBV Resident Rights and Participation.

- 1. No Rescreening of Tenants upon Conversion.** Pursuant to the RAD Statute, at conversion, current households cannot be excluded from occupancy at the Covered Project based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.³⁶ Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, Section 8(o)(4) of the 1937 Act and 24 CFR § 982.201, concerning eligibility and targeting of

³⁶ These protections (as well as all protections in this Notice for current households) also apply when a household is relocated to facilitate new construction or repairs following conversion and subsequently returns to the Covered Project.

tenants for initial occupancy, will not apply for current households. Once the grandfathered household moves out, the unit must be leased to an eligible family. MTW agencies may not alter this requirement. Further, so as to facilitate the right to return to the assisted property, HUD waives Section 8(o)(4) and 24 CFR § 982.201 to the extent necessary for this provision to apply to current public housing residents of the Converting Project that will reside in non-RAD PBV units or non-RAD PBRA units placed in a project that contain RAD PBV units or RAD PBRA units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR Part 983 for non-RAD PBV units and the PBRA requirements governing the applicable contract for non-RAD PBRA units.

2. **Right to Return.** See Section 1.4.A.5.b. and the RAD Fair Housing, Civil Rights, and Relocation Notice regarding a resident's right to return. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.
3. **Phase-in of Tenant Rent Increases.** If, purely as a result of conversion, the amount a tenant would pay for rent and utilities under the PBV program (the tenant's TTP) would increase the tenant's TTP by more than the greater of 10 percent or \$25, the rent increase will be phased in over 3 or 5 years. To implement this provision, HUD is specifying alternative requirements for section 3(a)(1) of the Act, as well as 24 CFR § 983.3 (definition of "total tenant payment" (TTP)) to the extent necessary to allow for the phase-in of tenant rent increases. A PHA must create a policy setting the length of the phase-in period at three years, five years or a combination depending on circumstances and must communicate such policy in writing to affected residents. For example, a PHA may create a policy that uses a three year phase-in for smaller increases in rent and a five year phase-in for larger increases in rent. This policy must be in place at conversion and may not be modified after conversion.

The method described below explains the set percentage-based phase-in a Project Owner must follow according to the phase-in period established. For purposes of this section "Calculated PBV TTP" refers to the TTP calculated in accordance with regulations at 24 CFR §5.628 and the "most recently paid TTP" refers to the TTP recorded on line 9j of the family's most recent HUD Form 50058. If a family in a project converting from Public Housing to PBV was paying a flat rent immediately prior to conversion, the PHA should use the flat rent amount to calculate the phase-in amount for Year 1 (the first recertification following conversion), as illustrated below.

Three Year Phase-in:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 33% of difference between most recently paid TTP or flat rent and the Calculated PBV TTP
- Year 2: Year 2 Annual Recertification (AR) and any Interim Recertification (IR) prior to Year 3 AR – 50% of difference between most recently paid TTP and the Calculated PBV TTP
- Year 3: Year 3 AR and all subsequent recertifications – Full Calculated PBV TTP³⁷

Five Year Phase in:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 20% of difference between most recently paid TTP or flat rent and the Calculated PBV TTP
- Year 2: Year 2 AR and any IR prior to Year 3 AR – 25% of difference between most recently paid TTP and the Calculated PBV TTP
- Year 3: Year 3 AR and any IR prior to Year 4 AR – 33% of difference between most recently paid TTP and the Calculated PBV TTP
- Year 4: Year 4 AR and any IR prior to Year 5 AR – 50% of difference between most recently paid TTP and the Calculated PBV TTP
- Year 5 AR and all subsequent recertifications – Full Calculated PBV TTP

Please Note: In either the three year phase-in or the five-year phase-in, once the Calculated PBV TTP is equal to or less than the previous TTP, the phase-in ends and tenants will pay full TTP from that point forward. MTW agencies must also implement a three or five-year phase-in for impacted residents, but may alter the terms above as long as it establishes a written policy setting forth the alternative terms. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

4. Family Self Sufficiency (FSS) and Resident Opportunities and Self Sufficiency Service Coordinator (ROSS-SC) programs. Public Housing residents that are currently FSS participants will continue to participate in the PHA's FSS program.

³⁷ For example, where a resident's most recently paid TTP is \$100, but the Calculated PBV TTP is \$200 and remains \$200 for the period of the resident's occupancy, (i.e. no changes in income) the resident would continue to pay the same rent and utilities for which it was responsible prior to conversion. At the first recertification following conversion, the resident's contribution would increase by 33% of \$100 to \$133. At the second AR, the resident's contribution would increase by 50% of the \$66 differential to the standard TTP, increasing to \$166. At the third AR, the resident's contribution would increase to \$200 and the resident would continue to pay the Calculated PBV TTP for the duration of their tenancy.

The PHA may continue to use any FSS funds already awarded to serve those FSS participants who live in units converted by RAD. At the completion of the FSS grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. If the PHA continues to run an FSS program that serves PH and/or HCV participants, the PHA will continue to be eligible (subject to NOFA requirements) to apply for FSS funding. Due to the program merger between PH FSS and HCV FSS that took place pursuant to the FY14 Appropriations Act (and was continued in the subsequent Appropriation Acts), no special provisions are required to continue serving FSS participants that live in public housing units converting to PBV under RAD.

However, PHAs should note that until provisions of the Economic Growth, Regulatory Relief, and Consumer Protection Act are implemented, there are certain FSS requirements (e.g., escrow calculation and escrow forfeitures) that apply differently depending on whether the FSS participant is a participant under the HCV program or a public housing resident, and PHAs must follow such requirements accordingly. All PHAs will be required to administer the FSS program in accordance with FSS regulations at 24 CFR part 984 (current, or as amended), the participants' contracts of participation, and the alternative requirements established in the "Waivers and Alternative Requirements for the FSS Program" Federal Register notice, published on December 29, 2014, at 79 FR 78100.³⁸ Further, upon conversion to PBV, if the PHA no longer has a public housing program, funds already escrowed for FSS participants shall be transferred into the HCV escrow account and be considered TBRA funds, thus reverting to the HAP account if forfeited by the FSS participant.³⁹

For information on FSS PIC reporting requirements for RAD conversions, see Notice PIH 2016-08 at <http://portal.hud.gov/hudportal/documents/huddoc?id=pih2016-08.pdf>.

Current ROSS-SC grantees will be able to finish out their current ROSS-SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future ROSS-SC grants, nor will its residents be eligible to be served by future ROSS-SC grants,

³⁸ The funding streams for the PH FSS Program and the HCV FSS Program were first merged pursuant to the FY 2014 appropriations act. As a result, PHAs can serve both PH residents and HCV participants, including PBV participants, with FSS funding awarded under the FY 2014 FSS Notice of Funding Availability (FSS NOFA) and any other NOFA under which the combination of funds remains in the applicable appropriations act. For PHAs that had managed both programs separately and now have a merged program, a conversion to PBV should not impact their FSS participants.

³⁹ Where the PHA maintains a public housing program, any forfeited funds that had been escrowed prior to conversion would revert to the PHA's Operating Reserves.

which, by statute, can only serve public housing residents. At the completion of the ROSS-SC grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. Please note that ROSS-SC grantees may be a non-profit or local Resident Association and this consequence of a RAD conversion may impact those entities. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

5. **Resident Participation and Funding.** In accordance with Attachment 1B, residents of Covered Projects with assistance converted to PBV will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.
6. **Resident Procedural Rights.** The following items must be incorporated into both the Section 8 Administrative Plan and the Project Owner's lease, which includes the required tenancy addendum (HUD Form 52530-c), as appropriate. Evidence of such incorporation may be requested by HUD for purposes of monitoring the program.
 - a. **Termination Notification.** HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects that convert assistance under RAD and to non-RAD PBV units located at the Covered Project. In addition to the regulations at 24 CFR § 983.257 related to Project Owner termination of tenancy and eviction (which MTW agencies may not alter), the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall be :
 - i. A reasonable period of time, but not to exceed 30 days:
 1. If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 2. In the event of any drug-related or violent criminal activity or any felony conviction;
 - ii. Not less than 14 days in the case of nonpayment of rent; and
 - iii. Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

- b. **Grievance Process.** Pursuant to requirements in the RAD Statute, HUD is establishing additional resident procedural rights to comply with section 6 of the Act.

For the termination of assistance and several other PHA determinations, PBV program rules require the PHA to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, to require that:

- i. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(v),⁴⁰ an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.
 1. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(v), the contract administrator will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
 2. For any additional hearings required under RAD, the Project Owner will perform the hearing.
- ii. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or Contract Administrator.
- iii. The Project Owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- iv. The Project Owner provides opportunity for an informal hearing before an eviction.

Current PBV program rules require that hearing procedures must be outlined in the PHA's Section 8 Administrative Plan.

⁴⁰ § 982.555(a)(1)(iv) is not relevant to RAD as the tenant-based certificate program has been repealed.

To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

7. **Earned Income Disregard (EID).** Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited only to persons with disabilities (24 CFR § 5.617(b)). In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in 24 CFR § 5.617(b) limiting EID to disabled persons is waived. The waiver, and resulting alternative requirement, apply only to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants that move into the property following conversion or tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion due to loss of employment) is covered by this waiver. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

8. **Jobs Plus.** Jobs Plus grantees awarded FY14 and future funds that convert the Jobs Plus target projects(s) under RAD will be able to finish out their Jobs Plus period of performance unless significant relocation and/or change in building occupancy is planned. If either is planned at the Jobs Plus target project(s), HUD may allow for a modification of the Jobs Plus work plan or may, at the Secretary's discretion, choose to end the Jobs Plus program at that project. If the program is continued, the Project Owner must agree to continue to implement the program according to HUD's program requirements. Jobs Plus target public housing projects must enroll public housing residents into the Jobs Plus rent incentive, JPEID, prior to conversion. Any resident of the Covered Project that had not enrolled prior to conversion is not eligible to enroll in JPEID but may utilize Jobs Plus services that predominantly benefit the former public housing residents who resided at the target project at the time of RAD conversion. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the Covered Project may voluntarily utilize Jobs Plus services that predominantly benefit the former public housing residents who resided at the target project at the time of RAD conversion.

- 9. When Total Tenant Payment Exceeds Gross Rent.** Under normal PBV rules, the PHA may select an occupied unit to be included under the PBV HAP Contract only if the unit's occupants are eligible for housing assistance payments (24 CFR § 983.53(c)). Also, a PHA must remove a unit from the contract when no assistance has been paid for 180 days because the family's TTP has risen to a level that is equal to or greater than the contract rent, plus any utility allowance, for the unit (i.e., the Gross Rent) (24 CFR § 983.258). Since the rent limitation under this Section of the Notice may result in a family's TTP equaling or exceeding the gross rent for the unit, for residents living in the Converting Project prior to conversion and who will return to the Covered Project after conversion, HUD is waiving both of these provisions and requiring that the unit for such families be placed on and/or remain under the HAP Contract when TTP equals or exceeds the Gross Rent. Further, HUD is establishing the alternative requirement that until such time that the family's TTP falls below the gross rent, the rent to the owner for the unit will equal the lesser of (a) the family's TTP, less the Utility Allowance, or (b) any applicable maximum rent under LIHTC regulations. During any period when the family's TTP falls below the gross rent, normal PBV rules shall apply. As necessary to implement this alternative provision, HUD is waiving the provisions of Section 8(o)(13)(H) of the Act and the implementing regulations at 24 CFR § 983.301 as modified by Section 1.6.B.5 of this Notice.⁴¹ In such cases, the resident is considered a participant under the program and all of the family obligations and protections under RAD and PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP Contract. The PHA is required to process these individuals through the Form 50058 submodule in PIC. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

Unless a waiver is requested and approved as described below, any new admission to the Covered Project must meet the eligibility requirements at 982.201 and require a subsidy payment at admission to the program, which means their TTP may not equal or exceed the gross rent for the unit at that time. Further, a PHA must remove a unit from the contract when no assistance has been paid for 180 days. If units are removed from the HAP contract because a new admission's TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, HUD is imposing an

⁴¹ For example, a public housing family residing in a property converting under RAD has a TTP of \$600. The property has an initial Contract Rent of \$500, with a \$50 Utility Allowance. Following conversion, the residents is still responsible for paying \$600 in tenant rent and utilities.

alternative requirement that the PHA must reinstate the unit after the family has left the property. If the project is partially assisted, the PHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR §983.207 or, where “floating units have been permitted, Section 1.6.B.10 of the Notice.

A PHA may request a waiver from HUD for the Covered Project in order to admit otherwise eligible families whose TTP exceeds gross rent and to allow the units those families occupy to remain under the HAP contract even if the PHA has not made a housing assistance payment for a family in 180 days.

For a Covered Project that consists of 100 percent RAD PBV units, the PHA must demonstrate that a waiver is necessary in order to avoid an undue concentration of poverty at the Covered Project. A PHA may evidence this by providing data showing, for example:

- how eligible income-certified applicants on the waiting list must be passed over because their incomes result in zero HAP at admission causing a higher concentration of poverty at the covered project; or
- how the income of newly admitted families is causing a markedly higher concentration of poverty than the PHA’s non-RAD PBV projects.

The resulting impact on the property must be compared with the concentration of poverty at non-RAD PBV projects in the PHA’s jurisdiction. If there are no non-RAD PBV projects in the PHA’s jurisdiction, the PHA may alternatively demonstrate that the median income of families that could be admitted to the Covered Project is significantly lower than the median income of new admissions from the waiting list to the PHA’s HCV program since the time of the RAD conversion.

For any other Covered Project, the PHA must demonstrate that the property contains specific units (e.g., units suitable for large families or accessible units) for which there are insufficient alternative housing opportunities.

If the waiver is approved, the new admission[s] families covered under the waiver are participants under the program and all of the family obligations and protections under RAD and PBV apply to the family, and the unit is subject to all program requirements. Such waiver requests should be submitted to the PIH Field Office in accordance with Notice PIH 2018-16.

10. Under-Occupied Unit. If a family is in an under-occupied unit under 24 CFR § 983.260 at the time of conversion, the family may remain in this unit until an appropriate-sized unit becomes available in the Covered Project. When an appropriate

sized unit becomes available in the Covered Project, the family living in the under-occupied unit must move to the appropriate-sized unit within a reasonable period of time, as determined by the administering Voucher Agency. In order to allow the family to remain in the under-occupied unit until an appropriate-sized unit becomes available in the Covered Project, 24 CFR § 983.260 is waived for current residents remaining or returning to the Covered Project. MTW agencies may not modify this requirement. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

D. PBV: Other Miscellaneous Provisions

- 1. Access to Records, Including Requests for Information Related to Evaluation of Demonstration.** PHAs and the Project Owner must cooperate with any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility utilization, and rehabilitation work. Please see Appendix IV for reporting units in Form HUD-50058.
- 2. Ongoing PHA Board Review of Operating Budget.** The Owner must submit to the administering PHA's Board the operating budget for the Covered Project annually. The PHA's Board must confirm that the Project Owner is making deposits into the Reserve for Replacement account in accordance with the RCC as well as assess the financial health of the Covered Project.⁴²
- 3. Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3).** These sections have been moved to [1.4.A.13 and 1.4.A.14](#).
- 4. Establishment of Waiting List.** 24 CFR § 983.251 sets out PBV program requirements related to establishing and maintaining a voucher-wide, PBV program-wide, or site-based waiting list from which residents for the Covered Project will be admitted. These provisions shall apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies. The PHA shall consider the best means to transition applicants from the current public housing waiting list, including:
 - a. Transferring an existing site-based waiting list to a new site-based waiting list.

⁴² For PBV conversions that are not FHA-insured, a future HUD notice will describe project financial data that may be required to be submitted by a PBV owner for purposes of monitoring and evaluation, given that PBV projects do not submit annual financial statements to HUD/REAC.

- b. Transferring an existing site-based waiting list to a PBV program-wide or HCV program-wide waiting list.
- c. Transferring an existing community-wide public housing waiting list to a PBV program-wide or HCV program-wide waiting list, an option particularly relevant for PHAs converting their entire portfolio under RAD.
- d. Informing applicants on a community-wide public housing waiting list how to transfer their application to one or more newly created site-based waiting lists.

For any applicants on the public housing waiting list that are likely to be ineligible for admission to a Covered Project converting to PBV because the household's TTP is likely to exceed the RAD gross rent, the PHA shall consider transferring such household, consistent with program requirements for administration of waiting lists, to the PHA's remaining public housing waiting list(s) or to another voucher waiting list, in addition to transferring such household to the waiting list for the Covered Project.

To the extent any wait list relies on the date and time of application, the applicants shall have priority on the wait list(s) to which their application was transferred in accordance with the date and time of their application to the original waiting list.

If the PHA is transferring assistance to another neighborhood and, as a result of the transfer of the waiting list, the applicant would only be eligible for a unit in a location which is materially different from the location to which the applicant applied, the PHA must notify applicants on the waiting list of the transfer of assistance, and on how they can apply for residency at other sites.

If using a site-based waiting list, PHAs shall establish a waiting list in accordance with 24 CFR § 903.7(b)(2)(ii)-(iv) to ensure that applicants on the PHA's public housing community-wide waiting list have been offered placement on the Covered Project's initial waiting list. In all cases, PHAs have the discretion to determine the most appropriate means of informing applicants on the public housing community-wide waiting list given the number of applicants, PHA resources, and admissions requirements of the projects being converted under RAD. A PHA may consider contacting every applicant on the public housing waiting list via direct mailing; advertising the availability of housing to the population that is less likely to apply, both minority and non-minority groups, through various forms of media (e.g., radio stations, posters, newspapers) within the marketing area; informing local non-profit entities and advocacy groups (e.g., disability rights groups); and conducting other

outreach as appropriate. Any activities to contact applicants on the public housing waiting list must be conducted in accordance with the requirements for effective communication with persons with disabilities at 24 CFR § 8.6 and with the obligation to provide meaningful access for persons with limited English proficiency (LEP).⁴³

When using a site-based waiting list, PHAs should consider waiting list and transfer policies that expand opportunities for tenants seeking an emergency transfer under, or consistent with, the PHA's Emergency Transfer Plan. This includes allowing for easier moves between assisted properties.

To implement this provision, HUD is specifying alternative requirements for 24 CFR § 983.251(c)(2). However, after the initial waiting list has been established, the PHA shall administer its waiting list for the Covered Project in accordance with 24 CFR § 983.251(c). To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

A PHA must maintain any site-based waiting list in accordance with all applicable civil rights and fair housing laws and regulations.

5. **Mandatory Insurance Coverage.** The Covered Project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed project property.
6. **Future Refinancing.** Project Owners must receive HUD approval for any refinancing or restructuring of secured debt during the HAP Contract term to ensure the financing is consistent with long-term preservation of the Covered Project. With respect to any financing contemplated at the time of conversion (including any permanent financing which is a conversion or take-out of construction financing), such consent may be evidenced through the RCC but HUD review of liens must be performed prior to execution.
7. **Administrative Fees for Public Housing Conversions During the Year of Conversion.** For the remainder of the Calendar Year in which the HAP Contract becomes effective (i.e., the "year of conversion"), RAD PBV projects will be funded

⁴³ For more information on serving persons with LEP, please see HUD's Final guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (72 FR 2732), published on January 22, 2007.

with public housing funds. For example, if the project's assistance converts effective July 1, 2015, the public housing ACC between the PHA and HUD will be amended to reflect the number of units under HAP Contract, but will be for zero dollars, and the RAD PBV HAP Contract will be funded with public housing money for July through December 2015. Since TBRA is not the source of funds, PHAs should not report leasing and expenses into VMS during this period, and PHAs will not receive section 8 administrative fee funding for converted units during this time.

PHAs operating an HCV program typically receive administrative fees for units under a HAP Contract, consistent with recent appropriation act references to "section 8(q) of the [United States Housing Act of 1937] and related appropriations act provisions in effect immediately before the Quality Housing and Work Responsibility Act of 1998" and 24 CFR § 982.152(b). During the year of conversion mentioned in the preceding paragraph, these provisions are waived. PHAs will not receive Section 8 administrative fees for PBV RAD units during the year of conversion.

After the year of conversion, the Section 8 ACC will be amended to include Section 8 funding that corresponds to the units covered by the Section 8 ACC. At that time, the regular Section 8 administrative fee funding provisions will apply.

- 8. Choice-Mobility.** One of the key features of the PBV program is the mobility component, which provides that if the family has elected to terminate the assisted lease at any time after the first year of occupancy in accordance with program requirements, the PHA must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

If as a result of participation in RAD a significant percentage of the PHA's HCV program becomes PBV assistance, it is possible for most or all of a PHA's turnover vouchers to be used to assist those RAD PBV families who wish to exercise mobility. While HUD is committed to ensuring mobility remains a cornerstone of RAD policy, HUD recognizes that it remains important for the PHA to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community. Therefore, HUD is establishing the following alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP Contract administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD: The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of Covered Projects. While a voucher agency is not required to establish a voucher inventory

turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in an eligible PHA's administrative plan.

To effectuate this provision, HUD is providing an alternative requirement to Section 8(o)(13)(E) of the Act and 24 CFR § 983.261(c). Please note that this alternative requirement does not apply to PBVs entered into outside of the context of RAD. MTW agencies may not alter this requirement.

9. **Reserve for Replacement.** The Project Owner shall establish and maintain a replacement reserve in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items in accordance with applicable regulations. The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. For FHA transactions, Replacement Reserves shall be maintained in accordance with the FHA Regulatory Agreement. For all other transactions, Replacement Reserves shall be maintained in a bank account or similar instrument, as approved by HUD, where funds will be held by the Project Owner or mortgagee and may be drawn from the reserve account and used subject to HUD guidelines.
10. **Initial Certifications and Tenant Rent Calculations.** The Contract Administrator uses the family's public housing tenant rent (reflected on line 10f of the family's most recent HUD Form 50058) at the date of the conversion to calculate the PBV HAP and tenant rent until the effective date of the earlier of the family's first regular or interim recertification following the date of conversion. At the earlier of the family's first regular or interim recertification, the Contract Administrator will use the family's TTP based on the recertification and the HCV utility allowance (or the PBV site-specific utility allowance, if applicable) to determine the PBV HAP and tenant rent. This means that the family pays the same tenant rent as the family was paying under the public housing program until the earlier of first regular or interim reexamination following conversion, at which point the normally applicable PBV calculation for the tenant rent becomes effective. (Under the PBV program, the monthly HAP is the rent to owner minus the tenant rent, and the tenant rent is the family TTP minus the utility allowance.) To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same property as the Covered Project shall be subject to the terms of this provision. To effectuate this provision, HUD is waiving 24 CFR 5.601 and 983.3(c)(6)(iii).

**Attachment 1B – Resident Provisions in Conversions of Assistance
from Public Housing to PBRA and PBV**

This Attachment contains two sections, describing:

- 1B.1 Summary of Resident Provisions
 - 1B.2 Resident Participation and Funding
-

1B.1 Summary of Resident Provisions

The following is a summary of special provisions and alternative requirements related to tenants of public housing projects converting under RAD (including for those that will reside in non-RAD PBV units in the Covered project):

- Conversion will be considered a significant action requiring discussion in the PHA's Five-Year Plan, Annual Plan or MTW Plan or requiring a significant amendment to a PHA Plan (see [Section 1.5.E](#) of this Notice);
- Notification of proposed conversion, meetings during the conversion process, written response to residents comments on conversion, and notification of conversion approval and impact (see [Section 1.8](#) of this Notice);
- No rescreening at conversion (see [Section 1.6.C.1](#) of this Notice for conversions to PBV and [Section 1.7.B.1](#) for conversions to PBRA);
- A right to return, which covers the right to return to the rent-assisted property after temporary relocation (when temporary relocation is necessary to facilitate rehabilitation or construction), or the right to occupancy of the new unit if the rental assistance is transferred to a new unit. (See [Section 1.4.A.5](#) of this Notice and the RAD Fair Housing, Civil Rights, and Relocation Notice.)
- Phase-in of tenant rent increases (see [Section 1.6.C.3](#) of this Notice for conversions to PBV and [Section 1.7.B.3](#) for conversions to PBRA);
- Relocation protections, including procedural rights, assistance with moving, and applicable relocation payments. (See [Section 1.4.A.5](#) of this Notice and the RAD Fair Housing, Civil Rights, and Relocation Notice.)
- Continued participation in the ROSS-SC FSS and JobsPlus programs (see [Sections 1.6.C.5 and 1.6.C.9](#) of this Notice, for conversions to PBV and [Section 1.7.B.4](#) for conversions to PBRA);
- Continued Earned Income Disregard (see [Section 1.6.C.8](#) of this Notice, for conversions to PBV and [Section 1.7.B.7](#) for conversions to PBRA);

Attachment 1B: Resident Provisions in Conversions of Assistance from Public Housing

- Continued recognition of and funding for legitimate residents organizations (see [Section 1.6.C.6](#) of this Notice for conversions to PBV, [Section 1.7.B.5](#) of this Notice for conversions to PBRA, and below in Attachment 1B.2 for additional requirements for both programs);
- Procedural rights consistent with section 6 of the Act (see [Section 1.6.C.7](#) of this Notice for conversions to PBV and [Section 1.7.B.6](#) of this Notice for conversions to PBRA); and
- Choice-mobility option allowing a resident to move with a tenant-based voucher after tenancy in the Covered Project (see 24 CFR § 983.260 for conversions to PBV and Section 1.7.C.5 of this Notice for conversions to PBRA).

The foregoing is a summary of special provisions and alternative requirements relating to residents of public housing projects converting to RAD and does not attempt to capture all program requirements and details. For additional information, refer to the full text of this Notice and to the RAD Fair Housing, Civil Rights, and Relocation Notice (Notice H 2016-17; PIH 2016-17).

Attachment 1B: Resident Provisions in Conversions of Assistance from Public Housing

1B.2 Resident Participation and Funding⁹⁸

The following provisions contain the resident participation and funding requirements for public housing conversions to PBRA and PBV, respectively.

A. PBRA: Resident Participation and Funding

Residents of Covered Projects converting assistance to PBRA will have the right to establish and operate a resident organization in accordance with 24 CFR Part 245 (Tenant Participation in Multifamily Housing Projects). In addition, a Project Owner must provide \$25 per occupied unit annually for resident participation, of which at least \$15 per occupied unit shall be provided to the legitimate tenant organization at the covered property. Resident participation funding applies to all occupied units in the Covered Project as well as units which would have been occupied if not for temporary relocation. These funds must be used for resident education, organizing around tenancy issues, and training activities.

In the absence of a legitimate resident organization at a Covered Project, HUD encourages the Project Owner and residents to work together to determine the most appropriate ways to foster a constructive working relationship, including supporting the formation of a legitimate resident organization. Residents are encouraged to contact the Project Owner directly with questions or concerns regarding issues related to their tenancy. Project Owners are also encouraged to actively engage residents in the absence of a resident organization.

Project Owners must make resident participation funds available to residents for organizing activities in accordance with this Notice. Residents must make requests for these funds in writing to the Project Owner. These requests will be subject to approval by the Project Owner. Eligible uses of funds are the same as those permitted under “Guidance on the use of Tenant Participation Funds,” Notice PIH 2013-21. The Department strongly encourages residents and Project Owners to resolve questions concerning specific uses of resident participation funds directly. If a dispute over funding arises the resident organization or Project Owner may refer any disputes over funding to the HUD Field Office for intervention only after documented efforts to at direct resolution have proven unsuccessful.

B. PBV: Resident Participation and Funding

To support resident participation following conversion of assistance, residents of Covered Projects converting assistance to the PBV program will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living

⁹⁸ For the purposes of this Attachment, HUD uses the term “Project Owner” to refer to the owner of a Converting Project or Covered Project, as applicable to the context.

Attachment 1B: Resident Provisions in Conversions of Assistance from Public Housing

environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development.

- 1. Legitimate Resident Organization.** A Project Owner must recognize legitimate resident organizations and give reasonable consideration to concerns raised by legitimate resident organizations. A resident organization is legitimate if it has been established by the residents of a Covered Project, meets regularly, operates democratically, is representative of all residents in the project, and is completely independent of the Project Owner, management, and their representatives.

In the absence of a legitimate resident organization at a Covered Project, HUD encourages the Project Owner and residents to work together to determine the most appropriate ways to foster a constructive working relationship, including supporting the formation of a legitimate resident organization. Residents are encouraged to contact the Project Owner directly with questions or concerns regarding issues related to their tenancy. Project Owners are also encouraged to actively engage residents in the absence of a resident organization.

- 2. Protected Activities.** Project Owners must allow residents and resident organizers to conduct the following activities related to the establishment or operation of a resident organization:
 - a. Distributing leaflets in lobby areas;
 - b. Placing leaflets at or under residents' doors;
 - c. Distributing leaflets in common areas;
 - d. Initiating contact with residents;
 - e. Conducting door-to-door surveys of residents to ascertain interest in establishing a resident organization and to offer information about resident organizations;
 - f. Posting information on bulletin boards;
 - g. Assisting resident to participate in resident organization activities;
 - h. Convening regularly scheduled resident organization meetings in a space on site and accessible to residents, in a manner that is fully independent of management representatives. In order to preserve the independence of resident organizations, management representatives may not attend such meetings unless invited by the resident organization to specific meetings to discuss a specific issue or issues; and
 - i. Formulating responses to Project Owner's requests for:
 - i. Rent increases;
 - ii. Partial payment of claims;
 - iii. The conversion from project-based paid utilities to resident-paid utilities;
 - iv. A reduction in resident utility allowances;
 - v. Major capital additions; and

Attachment 1B: Resident Provisions in Conversions of Assistance from Public Housing

vi. Prepayment of loans.

In addition to these activities, Project Owners must allow residents and resident organizers to conduct other reasonable activities related to the establishment or operation of a resident organization.

Project Owners shall not require residents and resident organizers to obtain prior permission before engaging in the activities permitted in this section.

- 3. Meeting Space.** Project Owners must reasonably make available the use of any community room or other available space appropriate for meetings that is part of the multifamily housing project when requested by:
- a.** Residents or a resident organization and used for activities related to the operation of the resident organization; or
 - b.** Residents seeking to establish a resident organization or collectively address issues related to their living environment.

Resident and resident organization meetings must be accessible to persons with disabilities, unless this is impractical for reasons beyond the organization's control. If the project has an accessible common area or areas, it will not be impractical to make organizational meetings accessible to persons with disabilities.

Project Owners may charge a reasonable, customary and usual fee, approved by the Secretary as may normally be imposed for the use of such facilities in accordance with procedures prescribed by the Secretary, for the use of meeting space. A PHA may waive this fee.

- 4. Resident Organizers.** A resident organizer is a resident or non-resident who assists residents in establishing and operating a resident organization, and who is not an employee or representative of current or prospective Project Owners, managers, or their agents.

Project Owners must allow resident organizers to assist residents in establishing and operating resident organizations.

- 5. Canvassing.** If a Covered Project has a consistently enforced, written policy against canvassing, then a non-resident resident organizer must be accompanied by a resident while on the property of the project.

Attachment 1B: Resident Provisions in Conversions of Assistance from Public Housing

If a project has a written policy favoring canvassing, any non-resident resident organizer must be afforded the same privileges and rights of access as other uninvited outside parties in the normal course of operations. If the project does not have a consistently enforced, written policy against canvassing, the project shall be treated as if it has a policy favoring canvassing.

A resident has the right not to be re-canvassed against his or her wishes regarding participation in a resident organization.

- 6. Funding.** Project Owners must provide \$25 per occupied unit annually for resident participation, of which at least \$15 per occupied unit shall be provided to the legitimate resident organization at the covered property.⁹⁹ These funds must be used for resident education, organizing around tenancy issues, and training activities. Project Owners must make resident participation funds available to residents for organizing activities in accordance with this Notice. Residents must make requests for these funds in writing to the Project Owner. These requests will be subject to approval by the Project Owner. Eligible use of funds are the same as those permitted under “Guidance on the use of Tenant Participation Funds,” Notice PIH 2013-21. The Department strongly encourages residents and Project Owners to resolve questions concerning specific uses of resident participation funds directly. If a dispute over funding arises the resident organization or Project Owner may refer any disputes over funding to the Contract Administrator for intervention only after documented efforts to at direct resolution have proven unsuccessful.

⁹⁹ Resident participation funding applies to all occupied units in the Covered Project as well as units which would have been occupied if not for temporary relocation.

SUBJECT: Rental Assistance Demonstration (RAD) Notice Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component – Public Housing Conversions.¹

SECTION 1. Purpose, Applicability and Major Provisions of this Notice

1.1. Purpose

This notice (Notice) provides PHAs,² Project Owners, and their RAD development partners with guidance regarding key fair housing and civil rights statutory and regulatory requirements, explains the situations in which HUD is requiring front-end fair housing and civil rights reviews, and provides information regarding the types of information that must be submitted to facilitate HUD’s review of certain fair housing and civil rights requirements in connection with public housing conversions under the First Component of RAD. This Notice also includes guidance

¹ While this Notice addresses fair housing and civil rights requirements and relocation requirements, the fair housing and civil rights requirements are not limited to relocation issues.

² Consistent with PIH Notice 2012-32 (HA) REV-2 (PIH 2012-32 (HA) REV-2) (the “RAD Notice”), this Notice uses the term “PHA” to refer to the owner of the project prior to the RAD conversion and “Project Owner” to refer to the owner of the project after the RAD conversion.

regarding key relocation statutory and regulatory requirements, and details relocation requirements under RAD. This Notice only applies to projects converting under the First Component of RAD; it does not apply to the Second Component of RAD.³

The RAD program was established as a tool for preserving and improving low-income housing stock. RAD is intended to facilitate reinvestment in or redevelopment of the long-term-affordable stock of HUD-assisted housing properties. RAD also provides mobility benefits for assisted residents of converted properties through the choice mobility option, allowing these households to access tenant-based Housing Choice Vouchers. In some cases, RAD can be a tool for transfer of rental assistance from distressed or poorly selected sites to new sites in high opportunity areas. In all cases, the objective is to better serve low-income residents and the broader community in complying with fair housing, other civil rights, and relocation laws.

This Notice provides PHAs and Project Owners with guidance relating to planning and implementing public housing (First Component) RAD conversions in a manner consistent with existing fair housing and other civil rights requirements, including, but not limited to, those associated with the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Executive Order 11063, Section 504 of the Rehabilitation Act of 1973, Titles II and III of the Americans with Disabilities Act, the Architectural Barriers Act of 1968, and their implementing regulations. Section 4 of this Notice summarizes key provisions of existing law applicable to RAD transactions.

To further compliance with these existing requirements, PIH 2012-32 (HA) REV-2, issued June 15, 2015 (the “RAD Notice”) established that specific PHA decisions and activities planned to be part of a First Component RAD conversion must be reviewed by HUD prior to implementation (the “front-end” fair housing and civil rights reviews). Through a front-end review of the enumerated PHA decisions, HUD seeks to assist PHAs and Project Owners in meeting their fair housing, other civil rights, and relocation obligations. Section 5 of this Notice explains the situations in which HUD is requiring front-end fair housing, other civil rights, and relocation reviews, details the procedures for HUD’s front-end review and the type of information that must be submitted for these reviews, and the timeframes for these reviews.

Finally, in Sections 6 and 7 this Notice provides PHAs and Project Owners with guidance regarding RAD program and other statutory and regulatory relocation assistance requirements when planning for or implementing resident moves as a result of a conversion of a public housing project under RAD. This guidance includes reiterated and new requirements, the corresponding required reviews, and explanation of the interaction between RAD relocation procedures and certain existing public housing requirements. PHAs and Project Owners implementing RAD transactions may be subject to (a) the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (URA),

³ Important fair housing, other civil rights, and relocation considerations apply also to the Second Component of RAD as provided in the RAD Notice. Participants in the Second Component of RAD must continue to comply with applicable fair housing, civil rights, and relocation statutes and regulations, and HUD may, at any time, initiate compliance or enforcement actions in connection with such requirements. The RAD Notice will continue as the primary source of information on fair housing and other civil rights requirements covering the Second Component of RAD without any change until further notice.

(b) the requirements of Section 104(d) of the Housing and Community Development Act of 1974 (Section 104(d)) if CDBG or HOME funds are included as part of the project, (c) fair housing and other civil rights considerations implicated by relocation activities, and (d) requirements for relocating residents under the RAD Notice.

1.2. PHA and Project Owner Responsibilities

This Notice explains RAD's front-end fair housing and other civil rights review requirements in greater detail than was provided in the RAD Notice and this Notice restates and revises RAD's relocation requirements. However, the fair housing, other civil rights, and relocation requirements that apply to RAD conversions are neither limited to those discussed in this Notice, nor to those specifically reviewed by HUD in the front-end review.

MEETING HUD'S PROCESS AND REVIEW REQUIREMENTS NEVER CONSTITUTES COMPLIANCE WITH SUCH LAWS. THE OBLIGATION TO COMPLY WITH APPLICABLE FAIR HOUSING, OTHER CIVIL RIGHTS, AND RELOCATION LAWS REMAINS WITH THE PHA AND PROJECT OWNER.

The fair housing and civil rights requirements that apply to RAD conversions are not limited to those discussed in this Notice. PHAs and Project Owners are responsible at all times for ensuring that their RAD activities (including those activities implemented by their agents, consultants, contractors, or other RAD team members) comply with all applicable fair housing and civil rights requirements. PHAs and Project Owners shall be accountable for all fair housing and civil rights compliance issues with respect to their RAD activities, whether those activities are undertaken directly or through agents, consultants, contractors, or other RAD team members. While HUD provides this non-exhaustive guidance to assist PHAs and Project Owners during transactions, complying with the requirements set forth in this Notice does not necessarily mean that they, or their agents or consultants, are in compliance with fair housing and civil rights requirements.⁴

This Notice is not intended to, and shall not be construed to, reduce or in any way limit the application of fair housing, other civil rights, and relocation laws and regulations to RAD transactions. For example, HUD's reliance on a PHA's certification that a site meets the site and neighborhood standards required by the RAD Notice is not a determination of compliance with the duty to affirmatively further fair housing or other fair housing and civil rights requirements. As another example, HUD's approval of a site for new construction does not, by itself, constitute a determination of the PHA's compliance with all provisions of Title VI and its duty to affirmatively further fair housing found in the Fair Housing Act and other fair housing and civil rights requirements, nor indicate HUD's approval of the PHA's or locality's overall housing strategy. HUD's approval of a RAD conversion after front-end review reflects only that the project may proceed through the RAD conversion process; it does not constitute a determination

⁴ The PHA's or Project Owner's agents, consultants, contractors, and other RAD team members may also have fair housing and other civil rights obligations (whether under this Notice or otherwise) and the forgoing does not, in any way, limit the independent obligation of any such parties to ensure their own compliance with applicable fair housing and other civil rights laws.

that the project is in compliance with applicable fair housing, civil rights, and relocation requirements.

HUD's approval of a front-end review submission is based on limited information and is intended to assist the PHA or Project Owner in meeting their fair housing, civil rights, and relocation obligations.⁵ The PHA is responsible for ensuring that its RAD conversion is consistent with its certification to affirmatively further fair housing and complies with applicable civil rights laws.⁶ The front-end reviews described in this Notice shall not be construed to limit other fair housing and civil rights investigations that HUD may conduct. HUD retains all compliance and enforcement authority.

HUD's determination that the PHA or Project Owner has failed to meet submission, certification, or approval requirements with respect to fair housing, other civil rights, or relocation requirements is grounds for terminating a Commitment to enter into a Housing Assistance Payments Contract (CHAP), denying the issuance of a RAD Conversion Commitment (RCC), or denying authority to convert under RAD.

1.3. Applicability

The content of this Notice should not be relied upon in carrying out any other activities funded under any other HUD program, except where specifically directed by HUD.

This Notice supplements the RAD Notice with respect to fair housing and civil rights requirements applicable to public housing properties converting under RAD and with respect to all matters related to the relocation of residents as a result of RAD public housing conversions. To the extent that there is a conflict between this Notice and the RAD Notice, this Notice shall govern. This Notice replaces and supersedes Notice H 2014-09/PIH 2014-17 (issued July 14, 2014).

Upon issuance, the terms of this Notice will apply to all projects that have applied for conversion of assistance under the First Component of RAD but have not yet converted. As this Notice provides guidance, clarification, and explanation regarding fair housing and civil rights requirements that are already applicable to RAD conversions, this Notice shall not affect any front-end civil rights approvals provided by HUD prior to the effective date of this Notice and otherwise shall be effective with respect to front-end civil rights approvals without exception. However, with respect to relocation activities for Converting Projects under the First Component where a PHA has already submitted a Financing Plan pursuant to the RAD Notice at the time of issuance of this Notice, and provided that the Financing Plan has been accepted for full review after initial screening for completeness, the PHA may, within sixty (60) days after issuance of this Notice, request (in writing uploaded to the RAD Resource Desk) to be governed by H 2014-

⁵ For example, the front-end review is specific to an individual site. A PHA that does not promote fair housing choice outside areas of minority concentration and continues to site affordable housing in minority concentrated areas may be in noncompliance with the duty to affirmatively further fair housing and other fair housing and civil rights obligations, even if the specific site is approved based on the information provided and pursuant to the front-end review of the PHA's site and neighborhood standards submission.

⁶ See 24 C.F.R. § 5.105 and, as applicable, 24 C.F.R. § 983.57(b)(2) or Appendix III of the RAD Notice.

09/PIH 2014-17. For such projects and where otherwise appropriate in cases of hardship as determined by HUD, HUD may apply the terms of H 2014-09/PIH 2014-17 with respect to relocation activities, but not with respect to fair housing and civil rights requirements.

RAD projects which have been awarded Choice Neighborhoods Implementation (CNI) grants are subject to the provisions of the applicable Choice Neighborhoods Notice of Funding Availability (NOFA) and grant agreement regarding site and neighborhood standards and are not subject to the RAD front-end civil rights transaction reviews described in this Notice. For properties being redeveloped with funding under a CNI grant, the relocation requirements set forth in this Notice are superseded by guidance regarding relocation included in the CNI NOFA. Permanent involuntary displacement of public housing or Section 8 assisted residents may not occur as a result of a Choice Neighborhood project's conversion of assistance.

1.4. Explanation of Major Provisions

This Notice adds to and revises pre-existing guidance related to fair housing, civil rights, and relocation (as contained in the RAD Notice and H 2014-09/PIH 2014-17) with respect to RAD transactions. Among the key provisions and changes are the following:

Fair Housing & Civil Rights

- Reaffirms the applicability of fair housing and civil rights requirements to all RAD-related activities (see, e.g., Section 3.3 and Section 4);
- Reiterates when HUD front-end civil rights review (originally outlined in the RAD Notice) is required in addition to the PHA's analysis and certification of compliance, to assist the PHA and Project Owner to comply with fair housing and civil rights requirements (see Section 5.3);
- Outlines certain conditions under which HUD will conduct a front-end review to determine whether the site is in an area of minority concentration relative to the site's housing market area (see Section 5.4(A));
- Provides guidance, for purposes of the RAD front-end civil rights review, on the concepts of "area of minority concentration" and "housing market area" that are reviewed when determining whether a site is in an area of minority concentration (see Section 5.4(B));
- Elaborates on specific information that HUD will consider, and that PHAs should provide evidence of, in order for a proposed site to meet the existing exceptions to permit new construction in an area of minority concentration, identifies presumptions for meeting the sufficient comparable opportunities exception and describes factors that HUD may consider in evaluating the overriding housing needs exception (see Section 5.4(C) and Section 5.4(D));
- Articulates issues that HUD will consider in completing the front-end civil rights review for transfers of assistance, including, for example, accessibility and minority concentration (see Section 5.5);
- Outlines the information to be submitted for HUD's front-end civil rights review of transactions where unit reductions, unit reconfigurations, or changes in occupancy are proposed (see Section 5.6);
- Identifies the situations where front-end civil rights reviews are required when changes in the accessibility features of a site are made (see Section 5.7(B)); and

- Prohibits the Project Owner of a Converted Project with a PBRA HAP contract from initiating any new leasing or marketing activities (other than leasing and outreach to households holding a right to return to the Covered Project), including the solicitation, distribution or acceptance of applications or development of a waiting list, until HUD has approved the Affirmative Fair Housing Marketing Plan (“AFHMP”) (see Section 5.8).

Relocation

- Requires PHAs or Project Owners to prepare a written relocation plan for all transactions that involve permanent relocation or temporary relocation anticipated to exceed 12 months (see Section 6.1);
- Requires PHAs to provide residents with a RAD Information Notice (RIN) in order to ensure that residents are informed of potential project plans and of their rights in connection with RAD prior to submission of the RAD application (see Section 6.6(A));
- Clarifies that the General Information Notice (GIN), when applicable, should be provided as soon as feasible and no later than 30 days following the issuance of the CHAP (see Section 6.6(B));
- Requires Project Owners to provide a notification of Return to the Covered Project, when applicable (see Section 6.6(F));
- Moves the date before which PHAs are prohibited from beginning any physical relocation earlier in the conversion process (specifically, from the date of Closing to the later of the effective date of the RCC and the expiration of the 30- or 90-day RAD Notice of Relocation period, as applicable) (see Section 6.8);
- Clarifies the specific requirements applicable to different types of relocation (e.g., moves within a property, temporary relocation of less than 12 months, etc.) (see, e.g., Section 6.4);
- Provides enhanced guidance on the right to return requirements, any offers of alternative housing options and the documentation that must be retained when tenants choose an alternative housing option and decline their right to return (see, e.g., Section 6.2 and Section 6.10);
- Describes how HUD has administratively implemented URA requirements and URA relocation assistance and payments for displaced persons, when applicable, to residents who choose to decline the right of return and, instead, choose voluntary permanent relocation (see, e.g., Section 6.4(C) through (F) and Section 6.10);
- Requires PHAs to maintain detailed data regarding each household that will be relocated, with key dates of notices and moves (see Section 6.9); and
- Identifies key fair housing and civil rights requirements applicable during relocation (see, e.g., Section 4).

1.5. Request for Public Comment

HUD acknowledges the complexity of the issues addressed in this Notice. This Notice is effective immediately upon issuance, but HUD also seeks comment from the public regarding the clarity and organization of the Notice and regarding areas where the policies and procedures described are unclear or ambiguous. HUD will consider whether changes in response to comments are justified and will implement any appropriate changes in a revision of this Notice. Please submit all comments to RAD@hud.gov within 30 days of the issuance of this Notice.

1.6. Paperwork Reduction Act

In accordance with the Paperwork Reduction Act (PRA), HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. OMB approved information collection forms will be posted on the RAD website and the Federal Register.

SECTION 2. Table of Contents

The contents of this Notice are divided into the following parts:

SECTION 1. Purpose, Applicability and Major Provisions of this Notice	1
1.1. Purpose.....	1
1.2. PHA and Project Owner Responsibilities	3
1.3. Applicability	4
1.4. Explanation of Major Provisions	5
1.5. Request for Public Comment	6

5.5. Front-End Civil Rights Review for RAD Transactions Involving Transfer of Assistance	32
A) Applicable Standards.....	32
B) Analysis of Transfers of Assistance	33
5.6. Front-End Civil Rights Review for RAD Transactions Involving Reduction in Number of Units, Changes in Bedroom Distribution of Units and Changes in Occupancy Requirements	34
A) Review of Reductions in the Number of Units, Reductions or Increases in the Number of UFAS Accessible Units or Changes in Bedroom Distribution	34
B) Review of Changes in Occupancy Type	36
5.7. Other Front-End Civil Rights Review for RAD Transactions	36
A) Conversions of Assistance in Which the Construction Schedule Indicates that Relocation is Likely to Exceed 12 Months.....	36

B)	Conversions of Assistance Involving New Construction or Substantial Alteration, as those terms are defined by Section 504.	36
C)	Remedial Agreements and Orders.....	37
5.8.	Affirmative Fair Housing Marketing Plan (AFHMP) Requirements for Projects Converting to PBRA Assistance	37
SECTION 6. RELOCATION REQUIREMENTS		38
6.1.	Planning	39
6.2.	Resident Right to Return.....	41
6.3.	Admissions and Continued Occupancy Requirements	43
6.4.	Types of Moves and Relocation.....	43
A)	Moves within the same building or complex of buildings	43
B)	Temporary relocation lasting one year or less.....	44
C)	Temporary relocation initially expected to last one year or less, but which extends beyond one year	44
D)	Temporary relocation anticipated to last more than one year	44
E)	Permanent moves in connection with a transfer of assistance.....	45
F)	Voluntary permanent relocation	46
6.5.	Initiation of Negotiations (ION) Date	46
6.6.	Resident Relocation Notification (Notices)	46
A)	RAD Information Notice.....	47
B)	General Information Notice (49 C.F.R. § 24.203(a))	48
C)	Notice of Intent to Acquire (49 C.F.R. § 24.203(d)).....	49
D)	RAD Notice of Relocation	49
E)	URA Notice of Relocation Eligibility – for residents whose temporary relocation exceeds one year (49 C.F.R. § 24.203(b)).....	52
F)	Notification of Return to the Covered Project.....	53
6.7.	Relocation Advisory Services	53
6.8.	Initiation of Relocation	54
6.9.	Records and Documentation; Resident Log	54
6.10.	Alternative Housing Options	56
A)	Requirements for Any Offer of Alternative Housing Options	56
B)	Assisted Housing Options as Alternatives	57
C)	Monetary Elements Associated With Alternative Housing Options.....	58
D)	Disclosure and Agreement to Alternative Housing Options	58
6.11.	Lump Sum Payments	60
SECTION 7. APPLICABILITY OF HCV AND PUBLIC HOUSING REQUIREMENTS.....		60
7.1.	HCV Waiting List Administration Unrelated to the RAD Transaction.....	60
7.2.	HCV Waiting List Administration Related to the RAD Transaction	61
7.3.	Public Housing Transfers Unrelated to the RAD Transaction.....	61
7.4.	Resident Initiated Public Housing Transfers Related to the RAD Transaction	62
7.5.	Public Housing as a Temporary Relocation Resource	62
7.6.	Terminations (Including Evictions) and End of Participation Unrelated to the RAD Transaction	63
7.7.	Right-Sizing	63

SECTION 3. Background

3.1. RAD Authority

RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Pub. L. No. 112-55, enacted November 18, 2011), as amended by the Consolidated Appropriations Act, 2014 (Public Law 113-76, enacted January 17, 2014), the Consolidated and Further Continuing Appropriations Act, 2015 (Public Law 113-235, enacted December 6, 2014), and the Division L, Title II, Section 237 of the Consolidated Appropriations Act (Public Law 114-113, enacted December 18, 2016), collectively and as it may be further amended from time to time, the “RAD Statute.” RAD allows certain eligible properties to convert assistance to long-term project-based Section 8 contracts and has two separate components. The First Component allows projects funded under the public housing program to convert their assistance to long-term, project-based Section 8 rental assistance contracts. Under this component of RAD, public housing agencies (PHAs) may choose between two different Section 8 housing assistance programs: project based vouchers (PBVs) or project-based rental assistance (PBRA). The “Second Component” of RAD allows owners of projects funded under the Rent Supplement (Rent Supp), Rental Assistance Payment (RAP), and Moderate Rehabilitation programs to convert certain units to PBV or PBRA Section 8 units following certain contract expirations or terminations. The RAD Statute is implemented by the RAD Notice.

3.2. Definitions

All capitalized terms defined in the RAD Notice, as amended, shall have the definitions ascribed to them therein unless otherwise specifically noted in this Notice.⁷ Pre-conversion projects whose assistance is converting from public housing to Section 8 under RAD are referred to in the RAD Notice and in this Notice as “Converting Projects.” Post-conversion projects are referred to in the RAD Notice and this Notice as “Covered Projects.”

3.3. Applicable Legal Authorities

Appendix I to this Notice identifies key legal authorities with respect to fair housing, civil rights, and resident relocation. Part 2 of Appendix I provides greater detail regarding federal accessibility requirements set forth in three of the legal authorities described in Appendix I,

⁷ Many of the fair housing and civil rights concepts used throughout this Notice are terms of art that are defined in applicable statutes and regulations identified in Appendix I of this Notice, while others have been developed through judicial interpretation. PHAs and Project Owners should familiarize themselves with these terms of art and should consult 42 U.S.C. § 3602 (Fair Housing Act); 24 C.F.R. §§ 5.152-100.20 (Fair Housing Act); 42 U.S.C. §§ 2000d-2000d-4a (Title VI of the Civil Rights Act of 1964); 24 C.F.R. § 1.2 (Title VI); 29 U.S.C. § 705 (Rehabilitation Act); 24 C.F.R. § 8.3 (Section 504); 42 U.S.C. §§ 12102, 12132, 12181 (Americans with Disabilities Act (ADA)); 28 C.F.R. § 35.104 (Title II of the ADA); and 28 C.F.R. § 36.104 (Title III of the ADA). In addition, many of the relocation concepts are terms of art that are defined in 42 U.S.C. § 4601 *et seq.* (Uniform Relocation Act (URA)), Section 104(d) of the Housing and Community Development Act of 1974 codified at 42 U.S.C. § 5304(d), and their implementing regulations at 49 C.F.R Part 24 and 24 C.F.R. Part 42 subpart C.

Part 1. PHAs and Project Owners must be familiar with these legal authorities and must evaluate, based on the facts of their situation, which legal authorities are applicable in which situations. **Failure to comply with any legal authority as applicable to the PHA's or Project Owner's actions or inactions may result in liability under such authority.** Appendix I does not attempt to provide a complete and exhaustive explanation of the legal authorities, nor to fully inventory the situations in which each legal authority is applicable. Instead, Appendix I is an overview intended to serve as a general introduction or reminder for PHAs and Project Owners of these fair housing, other civil rights, and relocation authorities and to facilitate their identification of appropriate topics for further research or expert counsel. The recitation of these legal authorities neither expands nor diminishes their applicability to the PHA's and Project Owner's activities in connection with their RAD conversion.

The RAD Statute authorizes the Secretary of HUD to waive or specify alternative requirements for certain provisions of law, except for requirements related to, among others, fair housing and nondiscrimination.⁸ In addition to the general application of various federal statutes and their implementing regulations as discussed in Appendix I, below, HUD regulations at 24 C.F.R. § 5.105 apply such authorities to all HUD programs, including RAD.

3.4. Further Information

Because each RAD proposal varies in its scope, this Notice may not address each PHA's or Project Owner's specific circumstances. PHAs and Project Owners should carefully review the laws, regulations, notices, and guidance material referenced in this Notice. Any questions related to the administration of the RAD program should be referred to the appropriate RAD Transaction Manager (TM) or may be emailed to rad@hud.gov.

SECTION 4. Generally Applicable Fair Housing and Civil Rights Requirements Relevant Throughout the RAD Conversion Process

This Section provides a summary overview of key principles regarding program implementation and an overview of generally applicable fair housing and civil rights requirements. Appendix I identifies the key legal authorities from which these principles are derived. These key principals, together and with the legal authorities identified in Appendix I, frame the PHA's efforts to implement a RAD conversion. In some cases, these requirements are particularly relevant to the process of planning the RAD conversion, while in others they have particular relevance for the structure of the RAD transaction itself, and in yet other cases, both. Elements of RAD transactions that have civil rights implications include, but are not limited to, transfers of assistance, temporary and permanent relocation, demolition, site selection, new construction, occupancy policies, changes in unit configuration, increases or reductions in units, waiting list administration policies, policies regarding return of temporarily relocated tenants, substantial rehabilitation or alteration, program accessibility, tenant selection policies and priority transfers, providing information to and communicating with persons with Limited English Proficiency (LEP) and persons with disabilities, reasonable accommodation policies, and Affirmative Fair

⁸ See Pub. L. No. 112-55, as amended.

Housing Marketing Plans (AFHMPs). All PHAs must consider civil rights when structuring these and other elements of their RAD transaction.

RAD transactions are governed by the same civil rights authorities that govern HUD-assisted activities generally.⁹ Converting Projects are subject to civil rights and equal opportunity requirements under the public housing regulations, and Covered Projects are subject to civil rights and equal opportunity requirements under the PBV regulations or the PBRA regulations, as applicable.¹⁰ As described further below, the Fair Housing Act prohibits discrimination in housing¹¹ and requires all federal executive departments and agencies to “administer their programs and activities relating to housing and urban development ... in a manner affirmatively to further” fair housing.¹² In addition, all programs or activities receiving Federal financial assistance are subject to Title VI of the Civil Rights Act of 1964 forbidding discrimination on the basis of race, color, and national origin¹³ and Section 504 of the Rehabilitation Act of 1973, which forbids discrimination on the basis of disability and requires that programs or activities receiving Federal financial assistance make such programs or activities “when viewed in its entirety” readily accessible to persons with disabilities and make reasonable accommodation to the needs of persons with disabilities.¹⁴ RAD transactions are also subject, as applicable, to the requirements of Titles II and III of the Americans with Disabilities Act, Executive Order 11063, and HUD regulations at 24 C.F.R. part 107. Thus, as with the administration of all HUD programs and all HUD-assisted activities, fair housing and civil rights issues must be considered in the administration of the RAD program. PHAs must not implement actions and policies that may have a discriminatory effect on the basis of race, color, sex, national origin, religion, disability, or familial status or that may impede, obstruct, prevent, or undermine efforts to affirmatively further fair housing.¹⁵ Note, in particular, the following requirements:

- **Affirmatively Furthering Fair Housing (AFFH):** The Fair Housing Act requires that HUD administer its programs and activities in a manner that affirmatively furthers the purposes of the Fair Housing Act. The Fair Housing Act not only prohibits discrimination but, in conjunction with other statutes, directs HUD’s recipients, including PHAs, to take significant actions to overcome historic patterns of segregation, achieve truly balanced and integrated living patterns, promote fair housing choice, and foster inclusive communities that are free from discrimination. Through various statutes, regulations, and executive orders, PHAs must take various actions in accordance and in conjunction with their Fair Housing Act obligation to affirmatively further fair housing. For example, under regulations implementing the United States Housing Act of 1937 (the Act), HUD recipients must, among other requirements, certify that they will affirmatively further fair housing. In addition, under HUD’s Affirmatively Furthering Fair Housing (AFFH) rule promulgated July 16, 2015, PHAs must periodically conduct an Assessment

⁹ See 24 C.F.R. § 5.105.

¹⁰ See, e.g., 24 C.F.R. §§ 880.601, 881.601 and 983.8 for civil rights related regulations applicable to PBV and PBRA transactions.

¹¹ See 42 U.S.C. §§ 3601 *et seq.*, and HUD regulations in 24 C.F.R. part 100

¹² 42 U.S.C. § 3608(d) and (e).

¹³ See 42 U.S.C. §§ 2000d *et seq.*, and HUD regulations in 24 C.F.R. part 1.

¹⁴ See 29 U.S.C. §§ 701 *et seq.*, and HUD regulations in 24 C.F.R. part 8.

¹⁵ See 24 C.F.R. part 1 and part 100 subpart G.

of Fair Housing (AFH) as set out by the rule, either individually or in collaboration with other program participants.¹⁶ Under the AFFH rule, in order to develop a successful affirmatively furthering fair housing strategy, the PHA must assess the elements and factors that cause, increase, contribute to, maintain, or perpetuate segregation, racially or ethnically concentrated areas of poverty, significant disparities in access to opportunity, and disproportionate housing needs. PHAs must ensure that their activities in connection with a RAD conversion are consistent with their AFH, including any applicable joint or regional AFH in which they are a joint participant, and with any applicable Analysis of Impediments to Fair Housing Choice (AI), Fair Housing Equity Assessment, PHA 5-Year Plan, PHA Annual Plan, Moving to Work (MTW) Plan, or related planning documents and other regulatory and programmatic requirements implementing the obligation to affirmatively further fair housing to which they are a party.¹⁷

- Nondiscriminatory Site Selection:** HUD’s site and neighborhood standards require that the proposed site is suitable from the standpoint of facilitating and furthering full compliance with the applicable provision of Title VI of the Civil Rights Act, the Fair Housing Act, Executive Order 11063, and Department regulations implementing these authorities. The site must meet the Section 504 site selection requirements in 24 C.F.R. § 8.4(b)(5). Additional provisions appear in 24 C.F.R. § 983.57(b) of the PBV rules and, for PBRA, in Appendix III of the RAD Notice. HUD’s Title VI regulation specifically prohibits site selection that has the “purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination” on the basis of race, color, or national origin.¹⁸ The Title VI regulations also impose an obligation on the part of an applicant or recipient of HUD financial assistance to take actions to overcome the effect of prior discrimination or conditions that limit participation by persons of a particular race, color, or national origin.¹⁹ In addition, HUD’s Section 504 regulation prohibits recipients from selecting sites the purpose or effect of which would (1) exclude qualified individuals with disabilities from or deny them the benefit of a program or activity, or otherwise subject them to discrimination; or (2) defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with disabilities.²⁰ ADA regulations likewise prohibit site selections that have the purpose or effect of excluding individuals with disabilities (including members of the public with disabilities), denying them benefits, or subjecting them to discrimination.²¹ Finally, the Fair Housing Act prohibits discriminatory site selection, including perpetuation of segregation in transfers of assistance and new construction.
- Meaningful Access for Persons with Limited English Proficiency (LEP):** The PHA or Project Owner is required to take reasonable steps to ensure (a) they provide meaningful access to programs and activities for persons who have a limited ability to read, speak, or understand English; (b) any person with LEP who will be temporarily relocated or

¹⁶ 24 C.F.R. § 5.150 *et seq.*

¹⁷ See 24 C.F.R. § 5.150 *et seq.* and 24 C.F.R. §§ 91.225, 91.325, or 91.425.

¹⁸ See 24 C.F.R. § 1.4(b)(3).

¹⁹ See 24 C.F.R. § 1.4(b)(6).

²⁰ See 24 C.F.R. § 8.4(b)(5).

²¹ See 28 C.F.R. § 35.130(b)(4); 28 C.F.R. § 36.301.

permanently displaced has meaningful access to any public meetings regarding the project; and (c) they provide meaningful access to LEP persons to any information provided to residents including, but not limited to, any relocation notices. Generally, the PHA or Project Owner will be responsible for providing oral interpreters at meetings, including ensuring their competence, and covering any associated translation and interpretation costs.²²

- **Effective Communication for Persons with Disabilities:** Communications and materials must be provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 (24 C.F.R. § 8.6) and with 49 C.F.R. § 24.5, and as applicable, the Americans with Disabilities Act. This includes ensuring that, unless such actions would result in undue financial and administrative burdens or fundamental alterations, notices and resident meetings are provided in appropriate alternative formats as needed, e.g., Braille, audio, large type, accessible electronic communications, assistive listening devices, and sign language interpreters. Even in cases where the proposed actions may result in undue financial and administrative burdens or fundamental alterations, certain actions must still be taken. Specifically, appropriate auxiliary aids and services that would not result in such undue burdens or fundamental alterations must still be provided to ensure effective communication.
- **Accessible Meeting Facilities for Persons with Disabilities:** Pursuant to regulations implementing Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as applicable, all programs and activities must be held in accessible locations unless doing so would result in an undue financial and administrative burden on the PHA and/or Project Owner, in which case the PHA or Project Owner must take any action that would not result in such undue burden but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity, e.g., briefings at an alternate accessible site or in-home briefing.²³ Individuals with disabilities must receive services in the most integrated setting appropriate to their needs. The most integrated setting appropriate to the needs of qualified individuals with disabilities is a setting that enables individuals with disabilities to interact with persons without disabilities to the fullest extent possible.²⁴

²² For more information about LEP obligations, see HUD's Limited English Proficiency (LEP) Frequently Asked Questions guidance at

http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/promotingfh/lep-faq#q26.

²³ In selecting locations for consultation with residents, the PHA and/or Project Owner shall be guided by the goal of maximizing participation in an integrated setting so that residents with disabilities and residents without disabilities may hear and consider each other's views. Priority shall be given to using on-site accessible locations (including, e.g., TV rooms or informal gathering places), even if doing so may require multiple sessions with smaller groups of residents. In addition, Title III of the Americans with Disabilities Act requires private entities that operate places of public accommodation, including social service establishments, leasing offices of private housing developments, and certain private housing providers, to comply with certain physical accessibility requirements which are similar to the requirements under Section 504 and Title II.

²⁴ See 28 C.F.R. part 35, Appendix B.

- **Accessibility for Persons with Disabilities Throughout the Planning and Implementation Process:** A number of accessibility requirements, including but not limited to site selection, apply to all RAD conversions, as they do to the PHA's activities regardless of the PHA's participation in RAD.²⁵ PHAs and Project Owners should also be aware that state or local laws, regulations, and codes may contain greater accessibility requirements. This Notice provides, in Appendix I, Part 2, an overview of accessibility requirements under existing law. The information in Appendix I, Part 2 is intended to assist with the PHA's or Project Owner's compliance with accessibility requirements. PHAs and Project Owners must review Appendix I, Part 2 early-on in planning for the RAD transaction. PHAs and Project Owners may determine that it is most efficient to address accessibility matters early in the project planning. In addition, PHAs and Project Owners must evaluate, throughout the transaction and based on the facts of their situation, which requirements are applicable in which situations to ensure they appropriately address accessibility requirements. PHAs and Project Owners are responsible for ensuring that the architectural drawings and construction comply with the PHA's and Project Owner's obligations and all Federal civil rights requirements, including accessibility requirements under the Fair Housing Act, Section 504, and the ADA.

Accessibility requirements also apply during all stages of a RAD transaction, including during relocation. Existing information (e.g., resident characteristics forms, including identification of the need for accessible unit features; records of approved reasonable accommodations; and records of the presence of accessible unit features) and the residents themselves should be consulted throughout the process of developing and implementing a RAD conversion. Related activities include, but are not limited to:

- Identifying and maintaining existing and pending reasonable accommodations, including the need for larger units to accommodate live-in aides or special equipment;
- Determining what direct services may be needed as a reasonable accommodation (e.g., packing, moving, identification of temporary housing);
- Identifying accessible unit features and assuring that temporary or permanent replacement housing contains comparable features;
- Budgeting appropriately to ensure that reasonable accommodations are addressed.

For more information about compliance with accessibility requirements, the PHA or Project Owner should refer to appropriate notices concerning civil rights requirements and may contact HUD's Office of Fair Housing and Equal Opportunity in either the Washington, D.C. or applicable field offices for more specific guidance. For additional, non-exhaustive guidance on providing relocation assistance to persons with disabilities, see Exhibit 3-1 in HUD Handbook 1378.

²⁵ For more detailed information on these laws and their requirements, see PIH Notice 2010-26, issued July 26, 2010 (available at <http://www.hud.gov/offices/pih/publications/notices/10/pih2010-26.pdf>). While this notice has an expiration date in 2011, because the notice summarizes and discusses regulatory requirements, the information in the notice provides helpful guidance.

- Reasonable Accommodations in Rules, Policies, Practices and Services:** Under the Fair Housing Act, the PHA or Project Owner must make reasonable accommodations in rules, policies, practices, and services when such accommodations may be necessary to afford a person with a disability an equal opportunity to use and enjoy a dwelling.²⁶ Under Section 504, the PHA or Project Owner must also make reasonable accommodations to residents with disabilities, which may include providing and paying for structural modifications to dwelling units and public or common use areas. Titles II and III of the ADA provide similar requirements. Common examples of reasonable accommodations that may occur during relocation are permitting an individual with a disability to relocate near public transportation, providing a unit larger than otherwise permitted for a live-in aide, and making exceptions to no-animal rules for assistance and service animals. Accommodations generally need not be made where providing such an accommodation would be an undue financial and administrative burden or a fundamental alteration of the nature of the service. However, reasonable accommodations must be made to the extent the accommodation does not impose an undue financial and administrative burden or a fundamental alteration of the nature of the service. Reasonable accommodations must follow the individual with the disability throughout the RAD process, including during relocation. Furthermore, PHAs and Project Owners may be required to provide particular reasonable accommodations during relocation, such as assistance moving household items.²⁷
- Physical Changes to Dwelling Units, Public and Common Use Areas and Other Facilities for Accessibility:** Under the Fair Housing Act, the PHA or Project Owner may be required to permit reasonable modifications. A reasonable modification is a structural change made to existing premises, occupied or to be occupied by a person with a disability, in order to afford such person full enjoyment of the premises. Reasonable modifications can include structural changes to interiors and exteriors of dwellings and to common and public use areas. A request for a reasonable modification may be made at any time during the tenancy. When relocating an individual with a disability who has such modifications in their dwelling unit or public and common use areas because of the individual's disability, regardless of who made them, the PHA or Project Owner has an obligation to provide and pay for such modification in the new dwelling. When considering requests by individuals with disabilities for structural changes to units or public and common use areas, PHAs and Project Owners should take particular note that they may be required to make and pay for such structural modifications as reasonable

²⁶ For additional information regarding reasonable accommodations under the Fair Housing Act, *see* the Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act (May 17, 2004), at <http://www.hud.gov/offices/fheo/library/hud DOJstatement.pdf>.

²⁷ *See* 49 C.F.R. part 24, Appendix A, § 24.2(a)(8)(vii), which states that under the URA, "Reasonable accommodation of a displaced person with a disability at the replacement dwelling means the Agency is required to address persons with a physical impairment that substantially limits one or more of the major life activities. In these situations, reasonable accommodation should include the following at a minimum: Doors of adequate width; ramps or other assistance devices to traverse stairs and access bathtubs, shower stalls, toilets and sinks; storage cabinets, vanities, sink and mirrors at appropriate heights. Kitchen accommodations will include sinks and storage cabinets built at appropriate heights for access. The Agency shall also consider other items that may be necessary, such as physical modification to a unit, based on the displaced person's needs."

accommodations under Section 504 and because of similar requirements under the ADA even though the Fair Housing Act may only require the owner to allow such changes to be made and paid for by the individual with a disability. Before determining that they are not required to make or pay for structural changes, PHAs and Project Owners are encouraged to consider carefully their obligations under each applicable statute.

SECTION 5. Application of Key Fair Housing and Civil Rights Requirements to RAD Transactions

The generally applicable fair housing and other civil rights requirements described above, and in Appendix I, apply throughout the planning and implementation of a RAD transaction and the PHA is responsible for ensuring compliance with these requirements. As key requirements may be misunderstood, the RAD program has established specific additional procedures to assist RAD participants to ensure they comply with the applicable requirements. Specifically, the RAD Notice established a civil rights eligibility review and criteria for front-end civil rights reviews.

This Section elaborates on these requirements from the RAD Notice. The front-end review procedures described below establish procedures and criteria for the supplemental front-end review and technical assistance, criteria which are specific to the RAD program. Criteria for this supplemental front-end review are informed by, but not the same as, fair housing or civil rights rules and policies generally.

This Section is organized to loosely follow the stages of a RAD conversion transaction, beginning with RAD eligibility and continuing through site selection, transfer of assistance, unit design requirements and marketing. In addition, this Section describes the timing and procedures for submitting data and documents to HUD so that HUD may complete its front-end review. The submission procedures are also designed to serve as a tool for PHAs to identify issues of potential concern at appropriate stages of the RAD conversion and as a tool for HUD to identify potential needs for technical assistance.

5.1. RAD Eligibility Review

To be eligible for RAD, the PHA must meet all eligibility requirements set forth in Section 1.3 of the RAD Notice, including the civil rights threshold requirements found at Section 1.3.G of the RAD Notice. A PHA must not have a charge, cause determination, lawsuit, or letter of findings, referenced in Section 1.3.G of the RAD Notice, against the PHA itself, its transferees, proposed development partners, or sub-recipients that has not been resolved, or is not in the process of being resolved, to HUD's satisfaction. This determination shall be made prior to issuance of the CHAP.

The CHAP may be revoked by HUD if HUD determines that the terms of the conversion would be inconsistent with fair housing and civil rights laws or a fair housing or civil rights court order, settlement agreement, or voluntary compliance agreement. HUD may terminate a CHAP or RCC if it determines that the terms of the conversion would be inconsistent with fair housing or civil rights laws or is inconsistent with, would hinder, or would delay satisfaction of a fair housing or civil rights court order, settlement agreement, or voluntary compliance agreement.

HUD may terminate an approval to proceed with a RAD conversion if it determines that the terms of the conversion would be inconsistent with fair housing or civil rights laws or a fair housing or civil rights court order, settlement agreement, or voluntary compliance agreement.

5.2. PHA's Proposed Site Selection and Certification

For all RAD conversions, the PHA must comply with all applicable site selection requirements as set forth in this Notice and the RAD Notice and in accordance with any additional applicable published guidance provided by HUD. As set forth in the RAD Notice, conversions of assistance to PBV involving new construction, whether on a new site or on a current site, are subject to the site selection standards set forth in 24 C.F.R. § 983.57(a), (b), (c) and (e), but excluding 24 C.F.R. § 983.57(b)(1) and (c)(2). All other conversions to PBV, including transfers of assistance to an existing property other than the Converting Project, are subject to the standards set forth in 24 C.F.R. § 983.57(a), (b), (c) and (d), but excluding 24 C.F.R. § 983.57(b)(1) and (c)(2).²⁸ Site selection requirements set forth at Appendix III of the RAD Notice apply to RAD conversions to PBRA assistance, as does the requirement not to place housing in neighborhoods with highly concentrated poverty based on the criteria formulated for transfers under Section 8(bb) of the United States Housing Act of 1937.²⁹ PBV and PBRA site selection must also be consistent with the requirements of the Fair Housing Act, Title VI, Section 504, the ADA and their implementing regulations.

It is the PHA's responsibility to ensure that the site selection complies with all applicable site selection requirements, including the requirements of this Notice and the RAD Notice. Pursuant to the RAD Notice, the PHA must certify with the submission of its Annual Plan, Significant Amendment to its Annual Plan, or MTW Plan that it complies with the applicable site selection requirements and must maintain records of its analysis and the data relied upon in making its determination of compliance. The PHA must also determine and subsequently state in the certification that the site is "suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, and HUD regulations issued pursuant thereto."³⁰ Although this Notice provides detail regarding certain civil rights-related site and neighborhood standards, PHAs must certify compliance with all applicable site and neighborhood standards.³¹

The PHA must also certify that, in conducting its review of site selection for the proposed project, the PHA completed a review with respect to accessibility for persons with disabilities and that the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA. The site and neighborhood standards for PBV and PBRA require the site to be "suitable from the standpoint of facilitating and furthering full compliance with" the Fair Housing Act and require the site to meet the Section 504 site selection

²⁸ See the provisions of Section 1.6.A.4 of the RAD Notice.

²⁹ 42 U.S.C. § 1437f(bb).

³⁰ For RAD conversions to PBRA, the RAD Notice uses the term "the site and neighborhood is suitable," rather than "the site is suitable." See Appendix III of the RAD Notice, paragraph (a).

³¹ See 24 C.F.R. § 983.57 and the RAD Notice at Section 1.4(A)(7)

requirements described in 24 C.F.R. § 8.4(b)(5).³² The Fair Housing Act, as implemented at 24 C.F.R. § 100.205, requires “covered multifamily dwellings” built for first occupancy after March 13, 1991, to contain accessible design features. HUD’s Section 504 regulations at 24 C.F.R. § 8.4(b)(5) require that, in determining the site or location of a federally assisted facility, an applicant for assistance or recipient may not make selections the purpose or effect of which would: (i) exclude qualified individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from HUD, or (ii) defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with disabilities. Title II of the ADA contains a similar requirement that a public entity, such as the PHA, may not, in determining the site or location of a facility, make selections (i) that have the effect of excluding individuals with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination; or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the service, program, or activity with respect to individuals with disabilities.³³ Factors relevant to a site review under these standards may include, among others:

- Site features, such as inaccessible slopes in routes, lack of accessible sidewalks, curb ramps, accessible parking spaces, and placement of dumpsters or other physical features that would impede access to and movement within the site;
- Building features, such as inaccessible building entrances, other methods of ingress and egress, public and common use areas (e.g., the rental office, parking areas, mail areas, trash areas, community rooms, shared use toilet rooms, laundry facilities and walkways inside and outside that connect these public and common use areas to units), and barriers to access by members of the public; and
- Lack of accessible transit or para-transit and accessible public sidewalks and accessible transportation stops.

When such conditions are present at the site and would exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination, or would defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to individuals with disabilities, the site must not be selected unless the proposal includes remediation of the barriers to achieve compliance with accessibility requirements (including identification and remediation of any nonconforming design and construction conditions in “covered multifamily dwellings” under the Fair Housing Act). Remediation of the barriers may include, for example, physical accessibility improvements to the site, arrangements for access to accessible supportive services, or reasonable accommodations for current or prospective residents with disabilities, including members of the public. The Financing Plan submitted to HUD must describe and document resources sufficient to pay for the remediation of accessibility barriers.³⁴

³² See 24 C.F.R. § 983.57(b)(2) (PBV conversions); *see also*, Appendix III (a) of the RAD Notice (PBRA conversions).

³³ See 28 C.F.R. § 35.130(b)(4).

³⁴ In conducting its review prior to certification, and in preparing for the certification, PHAs and Project Owners may find it useful to consult with their local or regional FHEO office, the United States Access Board, local or state

While all PHAs must certify their compliance with applicable site selection requirements as described in this Section, some RAD transactions will also be subject to a front-end review of the site selection. For transactions involving activities that present site selection issues of greater complexity, as described in Sections 5.3 through 5.5 below, front-end review will allow HUD's Office of Fair Housing and Equal Opportunity (FHEO) to assist the PHA to consider relevant laws and regulations while completing its site selection review and certification.

5.3. RAD Front-End Civil Rights Transaction Review

Fair Housing Act and other civil rights issues may arise throughout a RAD transaction. Under the Fair Housing Act, an assessment of site suitability includes an analysis of the impact that the siting of the project would have on patterns of segregation for protected classes. The Fair Housing Act is of particular importance when a RAD proposal concerns site selection for new construction or reconfiguration of housing on the original public housing site – for example, the unit size distribution (e.g., conversion of larger bedroom size units to one-bedroom units, which may have an adverse impact on housing opportunities for families with children) or a reduction in the number or distribution of accessible units (which may have an adverse impact on housing opportunities for persons with disabilities). RAD conversions involving new construction must also comply with the Fair Housing Act's accessibility requirements.

Compliance with all applicable fair housing and civil rights requirements is the responsibility of both the PHA and the Project Owner. However, to assist with compliance, HUD's Office of Fair Housing and Equal Opportunity (FHEO) will conduct a front-end civil rights review of project proposals containing activities identified as particularly at risk of violating applicable fair housing and civil rights laws. The activities that must be submitted for front-end civil rights review are listed in Section 5.3(A), below.

A) Activities Subject to Front-End Civil Rights Review

All RAD conversions that include one or more of the activities listed below (Sections 5.3(A)(1) through 5.3(A)(9)) are subject to a front-end review for compliance with certain civil rights and fair housing requirements. The specific items that HUD will review in the front-end review will depend on which activities are involved in the specific transaction. A RAD conversion may not include one of the activities below without prior written approval from HUD. All Financing Plans must include evidence that the PHA has secured written approval from HUD for any of the following activities that are included in its RAD conversion:

- (1) Conversions of assistance involving new construction, whether on a new site or on a current site, in an area of minority concentration. Front-end review of this activity shall be pursuant to Section 5.4(B), below and, in addition, the PHA shall

architectural access board or other accessibility authority for information on accessibility standards. Other sources of information on accessibility requirements may include protection and advocacy organizations or independent living centers. In addition, the non-HUD resources may provide advice on how to assess accessibility needs and formulate physical accessibility strategies.

certify in its Annual Plan compliance with site and neighborhood standards applicable to new construction as described in Section 5.2.

- (2) Transfers of assistance where all or a portion of the Converting Project's assistance is transferred to a new site(s) (either new construction or to an existing project) as part of the subject transaction. Front-end review of this activity shall be pursuant to Section 5.5(B), below and, in addition, the PHA shall certify in its Annual Plan compliance with site and neighborhood standards applicable to existing housing as described in Section 5.2.
- (3) Conversions of assistance where the total number of units in the Covered Project is less than the original number of units in the Converting Project (this includes de minimis reductions). Front-end review of this activity shall be pursuant to Section 5.6.
- (4) Conversions of assistance where the Covered Project's unit configuration is different from the unit configuration of the Converting Project. Front-end review of this activity shall be pursuant to Section 5.6.
- (5) Conversions involving a change in occupancy, where the Covered Project serves a different population from the one served by the Converting Project (e.g., when a Converting Project serves families but the Covered Project is subject to an elderly preference or introduction of restrictions or preferences based on age or disability that will change the occupancy of the property). Front-end review of this activity shall be pursuant to Section 5.6.
- (6) Conversions of assistance in which the construction schedule indicates that relocation is likely to exceed 12 months. Front-end review of this activity shall be pursuant to Section 5.7(A).
- (7) Conversions of assistance involving new construction or substantial alteration,³⁵ as those terms are defined in Section 504 of the Rehabilitation Act of 1973. Front-end review of this activity shall be pursuant to Section 5.7(B).
- (8) Conversions of assistance involving a Converting Project subject to a Voluntary Compliance Agreement or Conciliation Agreement with HUD or a Consent Decree or Settlement Agreement with the U.S. Department of Justice or HUD, or where the PHA is subject to such an agreement affecting its entire housing portfolio or otherwise related to the Converting Project. Front-end review of this activity shall be pursuant to Section 5.7(C).

³⁵ Section 504 defines substantial alteration of a housing project as alterations where a housing project has 15 or more units, and the rehabilitation costs will be 75% or more of the replacement cost of the completed facility. *See* 24 C.F.R. § 8.23 (a).

- (9) Conversions of assistance where HUD has identified potential fair housing and civil rights concerns or a history of such concerns. Front-end review of this activity shall be pursuant to Section 5.7(C).

PHAs should note that a proposed RAD conversion may trigger front-end review regarding more than one of the activities listed in subsections (1) through (9) of this Section. For example, depending on the details of the proposal, a new construction on-site project could require review under subsections (1), (3), (4), (5), (6), and (7), or could require review under only subsections (1) and (7).

As part of HUD's review of these elements of the RAD conversion plans, HUD may require that PHAs that are carrying out portfolio or multi-phased conversions provide information on their conversion plans for other projects or subsequent phases to ensure that the overall plans for RAD conversion are consistent with civil rights and fair housing.

B) Fair Housing, Civil Rights, and Relocation Checklist

In connection with HUD's front-end fair housing and civil rights and relocation reviews described in this Section 5 and in Section 6, HUD is requiring submission of a Fair Housing, Civil Rights, and Relocation Checklist (the "Checklist"). The Checklist will facilitate the PHAs' and Project Owners' submission of necessary information to complete these reviews.³⁶ HUD anticipates that a revised Checklist, when available following Paperwork Reduction Act approval, will be separated into parts which can be submitted incrementally as the PHA and Project Owner develop the RAD transaction plans, with different elements of the Checklist applicable at different stages of the transaction planning process. For example, submissions regarding site selection for a RAD transaction involving new construction may occur well before submissions regarding a proposal to change the unit configuration.

The Checklist will outline the minimum information or documentation which HUD will need in order to review each part of the Checklist. After HUD's initial review of any portion of the Checklist, HUD may determine that the data provided in the Checklist is insufficient for HUD to complete its review, in which case HUD may require the PHA or Project Owner to provide supplemental information. The PHA should submit each part as early as possible once the information covered in the applicable part is known. All information specified in the applicable

³⁶ The Checklist is available at www.hud.gov/rad. As of the publication of this Notice, references to the Checklist refer to the existing FHEO Accessibility and Relocation Plan Checklist under OMB Approval 2577-0276. The PHA shall use the existing Checklist to provide information related to demonstrating compliance with fair housing, other civil rights, and relocation requirements (including accessibility requirements) and, as necessary, may require additional materials for HUD to complete its review, which the PHA may provide in such form as the PHA determines appropriate. Also at www.hud.gov/rad, HUD has provided a listing of information that, depending on the circumstances, HUD may require to complete different components of its front-end review. The Checklist is being revised to fully capture the submission requirements described in this Notice. The revised Checklist will be subject to Paperwork Reduction Act approval and will be posted at the website listed above when available for use.

part of the Checklist must be submitted to HUD for HUD to begin its civil rights review – partial submissions of any applicable part of the Checklist will not be accepted.³⁷

C) Timing of Front-End Review Submissions

PHAs and Project Owners are encouraged to submit applicable portions of the Checklist and information associated with a particular activity subject to front-end review as early as possible in the development of their plans. The PHA must ensure that HUD has approved all applicable parts of the Checklist prior to submission of the Financing Plan. Upon request from the PHA, HUD may, at HUD's sole discretion, permit submission of the Financing Plan prior to receipt of approval of the applicable parts of the Checklist and conditioned upon subsequent receipt of such approvals, in which event the PHA and Project Owner may proceed at their own risk.

Early approval of the site of the Covered Project is critical for RAD transaction proposals subject to front-end civil rights review involving site selection standards, specifically new construction in areas of minority concentration (see Section 5.3(A)(1)) and transfers of assistance (see Section 5.3(A)(2)). The PHA must conduct its own assessment of the site during the early stages of planning its RAD transaction. The guidance in this Notice and the Checklist are tools intended to assist the PHA in conducting its own assessment of the site.

The PHA must provide HUD with the Checklist and backup information sufficient for HUD to review the site with respect to the applicable standards. The site selection information should be provided to HUD no later than ninety (90) days following the issuance of the CHAP or, if the CHAP has already been issued as of the publication of this Notice, within ninety (90) days following publication of this Notice. In the event of a change in plans for the Converting Project that would require a front-end review of the site selection standards, the PHA must provide the Checklist and backup documentation within sixty (60) days of the change in plans. PHAs are strongly encouraged to provide front-end review submissions and secure HUD approval prior to applying for LIHTCs or taking action the reversal of which (in the event of non-approval of the site) would be detrimental to the PHA or the Project Owner. PHAs are also encouraged to contact FHEO for technical assistance prior to submission of these materials.

All PHAs shall submit a certification consistent with the requirements of Section 5.2, above. This certification may be prepared specifically in connection with the Checklist or as part of the PHA Annual Plan or Significant Amendment. However, HUD will not consider a submission complete for front-end civil rights review without this certification. All RAD conversions must submit the PHA certification described in Section 5.2 no later than at the time of submission of the Financing Plan.

D) Completion of HUD's Front-End Review

HUD will not approve a RAD conversion if HUD determines that the conversion would operate to discriminate in violation of applicable fair housing and civil rights laws. HUD will not approve proposals that have the purpose, intent, or effect of discriminating on the basis of

³⁷ The Checklist refers to the existing FHEO Accessibility and Relocation Checklist until a revised Checklist is approved for use pursuant to the Paperwork Reduction Act.

protected class (*i.e.*, race, color, national origin, religion, sex, disability, and familial status). If HUD does not approve a proposed activity based on a front-end review, then it will provide a written description of concerns or deficiencies. The PHA may resubmit the front-end review materials with a changed proposal and/or with additional information addressing HUD's concerns and any deficiencies in the proposal or the submission.

In some circumstances, a special condition to the transaction's RCC will be necessary to ensure that a RAD transaction conforms to fair housing and civil rights requirements. Special conditions to the RCC reflect the conditions necessary in order to complete the RAD conversion. For example, if there is an outstanding remedial agreement or order requiring particular development activities or operating policies to correct a violation of a fair housing or other civil rights requirement, the RCC generally will condition participation in RAD upon agreement by the PHA or the Project Owner, as applicable, to comply with the provisions of such agreements or orders after conversion.

5.4. Front-End Civil Rights Review for RAD Transactions Involving New Construction

A) Conditions Triggering Review

If the proposed project is located in an area of minority concentration, the new site may be approved only if it falls under a permitted exception and meets the other site selection requirements described in Section 5.2. Under the PBV and PBRA site and neighborhood standards, HUD may approve new construction in an area of minority concentration, consistent with the regulatory requirements cited above, only if:

- a. Sufficient, comparable housing opportunities for minority families in the income range to be served by the proposed project exist outside areas of minority concentration; or
- b. The project is necessary to meet overriding housing needs that cannot be met in that housing market area.³⁸

As described in the RAD Notice and in Section 5.3(A) of this Notice, above, HUD will conduct a front-end civil rights review of the PHA's proposed site in certain circumstances. This Notice specifies that for conversions of assistance involving new construction where there are indications that the site may be located in an area of minority concentration per the criteria in subsections (i), (ii), or (iii), below (whether the construction is located on the existing public housing site or on a new site), HUD will conduct a front-end civil rights review of the site to determine whether the site is in an area of minority concentration and, if so, whether it meets one of the exceptions that would allow for new construction in an area of minority concentration.

The PHA shall submit for HUD front-end review the PHA's findings, together with backup documentation, regarding site selection when the site meets any of the following criteria:

- i. The PHA self-identifies the area of the site as an area of minority concentration,

³⁸ 24 C.F.R. § 983.57(e)(3) and Appendix III of the RAD Notice, paragraph (e).

- ii. The census tract of the site meets the extent of minority concentration described in Section 5.4(B)(1), below, or
- iii. An area comprised of the census tract of the site together with all adjacent census tracts, analyzed as a whole, meets the extent of minority concentration described in Section 5.4(B)(1), below.

If any of these three criteria is applicable, HUD will conduct a review to determine whether the site is in an area of minority concentration and, if applicable, whether the proposed site fits one of the exceptions permitting new construction in an area of minority concentration described in this Section 5.4. A proposed RAD transaction which does not meet one of these triggers must still be evaluated by the PHA and the PHA must certify compliance with the site selection requirements as described in Section 5.2, above.

A PHA seeking to undertake new construction must receive written approval from HUD of any site selection subject to front-end review prior to entering into any construction contract for that new construction.

B) Analysis of Areas of Minority Concentration

This Section sets forth the methodology that HUD will use in the analysis of the extent of minority concentration, the area of the site, and the housing market area for purposes of the RAD front-end civil rights review. As noted below, this analysis is fact specific and PHAs may submit documentation to inform HUD's analysis in cases where there is strong evidence that an alternative methodology would be more appropriate.

- (1) For purposes of RAD, a site is considered to be in an area of minority concentration when either (i) the percentage of persons of a particular racial or ethnic minority within the area of the site is at least 20 percentage points higher than the percentage of that minority group in the housing market area as a whole or (ii) the total percentage of minority persons within the area of the site is at least 20 points higher than the total percentage of minorities in the housing market area as a whole.³⁹
- (2) For purposes of RAD, the analysis of an area of minority concentration will use census tracts to approximate the "area" of the site but the analysis may consider alternate proposed geographies instead of the census tract in instances where there is strong evidence that such geography is more appropriate. Strong evidence that an alternative geography is more appropriate includes: (i) that the site is close to the edge of the census tract, (ii) that the population of the census tract is heavily influenced by the size of the Converting Project, or (iii) that the local community

³⁹ The percentage of minorities shall be calculated by subtracting the percentage of White Non-Hispanic persons in the relevant area from 100%. The analysis shall be based on the most recently available decennial census data found at http://factfinder.census.gov/faces/tableservices/jsf/pages/productview.xhtml?pid=DEC_10_DP_DPDP1&src=pt. However, if such data is more than five years old, and if either the PHA or HUD requests the use of more recent data based on such party's awareness of significant and material shifts in the demographics of the relevant area in the intervening years, the analysis shall be based on the most recent American Communities Survey data.

understanding of the immediate neighborhood dictates a different boundary. Local community understanding of the immediate neighborhood is often informed by factors such as patterns of housing stock (such as different residential densities in different areas or differential housing prices for similar properties), community facilities and amenities (such as schools and commercial areas) or major geographic barriers (such as rivers or interstate highways), among other factors.⁴⁰ HUD will determine the site's "area" using the best available evidence and following the legal standards set forth in applicable case law.

- (3) For purposes of the RAD analysis under this Section 5.4, a "housing market area" is the geographic region from which it is likely that residents of housing at the proposed site would be drawn for a given multifamily housing project. A housing market area generally corresponds to, as applicable: (i) the Metropolitan Statistical Area (MetroSA); (ii) the Micropolitan Statistical Area (MicroSA); or (iii) if the site is in neither a MetroSA nor a MicroSA, either (x) the county or statistically equivalent area, or (y) the PHA's service area, whichever is larger.⁴¹ The analysis may consider a larger or smaller housing market area in instances where there is strong evidence that such housing market area is more appropriate. Strong evidence that an alternative housing market area is more appropriate may include factors such as regional employment centers and commuting patterns serving such employment centers. A PHA seeking to use an alternative housing market area must consult with HUD and establish to HUD's satisfaction that the methodology for identifying and documenting the alternative housing market area is warranted and sound.

C) The Sufficient Comparable Opportunities Exception

As required by the RAD Notice and noted in Section 5.4(A), one of the exceptions under which the site and neighborhood standards permit new construction in areas of minority concentration is if sufficient, comparable housing opportunities for low-income minority families exist outside areas of minority concentration. This section clarifies HUD's procedures for assessing comparable housing opportunities and evaluating how the proposed new construction will impact the balance of housing choices within and outside areas of minority concentration. It also includes a list of the information PHAs should submit to inform HUD's assessment of relevant factors, and key considerations guiding HUD's analysis of each factor.

Under the governing PBV and PBRA requirements, units are considered comparable opportunities if they are the same household type (e.g., elderly, disabled, family, large family), tenure type (owner, renter), require approximately the same total tenant payment toward rent,

⁴⁰ For further explanation, see, e.g., *King v. Harris*, 464 F.Supp.827, 839-41 (E.D.N.Y. 1979).

⁴¹ Items (i) and (ii) are consistent with a Core Based Statistical Area as defined by the Office of Management and Budget. For reference, a Core Based Statistical Area consists of the county or counties or equivalent entities associated with at least one core (urbanized area or urban cluster) of at least 10,000 population, plus adjacent counties having a high degree of social and economic integration with the core as measured through commuting ties with the counties associated with the core.

serve the same income group, are located in the same housing market area, and are in standard condition.⁴²

It is important to note that the sufficient comparable housing opportunities exception “does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year, that, over a period of several years, will approach an appropriate balance of housing choices within and outside areas of minority concentration. An appropriate balance in any jurisdiction must be determined in light of local conditions affecting the range of housing choices available for low-income minority families and in relation to the racial mix of the locality’s population.”⁴³

HUD will assess “the overall impact of HUD-assisted housing on the availability of housing choices for low-income minority families in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with other factors relevant to housing choice.”⁴⁴ Under this exception, it is not sufficient for one factor to be present, nor is it required that all factors be present, as the analysis must consider all relevant facts and evaluate the totality of the circumstances.

- “A significant number of assisted housing units are available outside areas of minority concentration.”⁴⁵ While HUD must consider all factors relevant to housing choice, 30% or more of deeply subsidized housing units for very low-income persons would be a significant number. To facilitate HUD’s consideration of this factor, a PHA should provide the number, occupancy type, and location of all comparable assisted units.⁴⁶
- “There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.”⁴⁷ To facilitate HUD’s consideration of this factor, a PHA should provide the name and location of assisted housing projects constructed or rehabilitated in the PHA’s jurisdiction in the past 10 years and the demographic characteristics of the residents of each of these projects;
- “There are racially integrated neighborhoods in the locality.”⁴⁸ To facilitate HUD’s consideration of this factor, a PHA should provide the name and census tracts where these racially integrated neighborhoods are located. In general, HUD will consider a neighborhood racially integrated if the neighborhood does not have a high concentration of persons of a particular race or ethnicity when compared to the housing market area in which the neighborhood is located.

⁴² See 24 C.F.R. § 983.57(e)(3)(iv) and Appendix III of the RAD Notice, paragraph (e)(1)(A).

⁴³ 24 C.F.R. § 983.57(e)(3)(iii); see also Appendix III of the RAD Notice, paragraph (e)(1).

⁴⁴ 24 C.F.R. § 983.57(e)(3)(v); see also Appendix III of the RAD Notice, paragraph (e)(1)(B).

⁴⁵ 24 C.F.R. § 983.57(e)(3)(v)(A) and Appendix III of the RAD Notice, paragraph (e)(1)(B)(i).

⁴⁶ Note that this factor is in reference to comparable assisted units that may or may not be in the PHA’s portfolio. The presumption stated at the end of this Section (i.e., that sufficient comparable opportunities exist if at least 50% of the comparable hard units in the PHA’s portfolio, including PBV developments using the PHA’s subsidy, are outside areas of minority concentration) is focused on units within the PHA’s portfolio.

⁴⁷ 24 C.F.R. § 983.57(e)(3)(v)(B) and Appendix III of the RAD Notice, paragraph (e)(1)(B)(ii).

⁴⁸ 24 C.F.R. § 983.57(e)(3)(v)(C) and Appendix III of the RAD Notice, paragraph (e)(1)(B)(iii).

- “Programs are operated by the locality to assist minority families that wish to find housing outside areas of minority concentration.”⁴⁹ Such programs may include measures such as increasing payment standards in excess of 110% of FMR or the use of Small Area FMRs, including in setting exception rents, or reservation of a percentage of HCVs dedicated to support choice mobility selections or implementation of proven mobility counseling and supports for residents, provided the PHA provides sufficient evidence that it will continue such measures. To facilitate HUD’s consideration of this factor, a PHA should provide the names of the applicable program(s); the entity responsible for implementing the program(s) (e.g., city, county, state government); and any information demonstrating that the program(s) has been successful or predictably will achieve success in assisting persons who wish to move to non-concentrated areas.
- “Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.”⁵⁰ To facilitate HUD’s consideration of this factor, a PHA should provide the names of the applicable activity(s); the entity responsible for implementing the activity(s) (e.g., city, county, state government); and any information demonstrating that the activity(s) has been successful in expanding choice for minority families outside of areas of minority concentration;
- “A significant proportion of minority households has been successful in finding units in non-minority areas under the tenant-based assistance programs” (e.g., the Housing Choice Voucher programs).⁵¹ To facilitate HUD’s consideration of this factor, a PHA should provide the number of minority households receiving Housing Choice Vouchers; the number of minority households using HCVs in non-minority areas; and the non-minority census tracts where the HCVs are being used. While each local situation is distinct and HUD must consider all factors relevant to housing choice, 30% or more of new leases signed by minority heads of household using HCVs located in non-minority areas over a period greater than three years prior to the date of HUD’s analysis would be a significant proportion.
- “Comparable housing opportunities have been made available outside areas of minority concentration through other programs.”⁵² To facilitate HUD’s consideration of this factor, a PHA should describe the opportunities that have been made available, the location of those opportunities, and the number of minority families that have benefitted from the program in recent years. Such programs could include choice mobility strategies, acquisition strategies to acquire and add to the PHA’s portfolio existing apartments in high opportunity areas and transfers of assistance to high opportunity areas.

HUD may consider evidence based on a reliable housing market analysis in evaluating the foregoing factors, along with other factors relevant to housing choice. In the event HUD

⁵⁰ 24 C.F.R. § 983.57(e)(3)(v)(E); *see also* Appendix III of the RAD Notice, paragraph (e)(1)(B)(v).

⁵¹ 24 C.F.R. § 983.57(e)(3)(v)(F); *see also* Appendix III of the RAD Notice, paragraph (e)(1)(B)(vi).

⁵² 24 C.F.R. § 983.57(e)(3)(v)(G) and Appendix III of the RAD Notice, paragraph (e)(1)(B)(vii).

determines such an analysis would assist in this evaluation, HUD will consult with appropriate parties to establish or accept an appropriate methodology for such an analysis to address HUD's civil rights concerns and to ensure appropriate independence between the analyst and the PHA or Project Owner commissioning and paying for the study.

Absent information to the contrary, for purposes of HUD's front-end review of the PHA's analysis, HUD will apply a presumption that sufficient comparable opportunities exist if at least 50% of the comparable hard units in the PHA's portfolio, including PBV developments using the PHA's subsidy, are outside areas of minority concentration.⁵³ The PHA's portfolio includes all public housing, PBV and PBRA hard units (including those developed under HOPE VI or Choice Neighborhoods) controlled by the PHA and its instrumentalities or funded using PHA-controlled subsidy. Upon adequate documentation of this presumption, the PHA need not provide additional documentation for HUD's front-end review of the sufficient comparable opportunities exception. This presumption may be rebutted by information to the contrary, including information regarding the preceding factors. In assessing whether sufficient comparable opportunities exist when the presumption does not apply, HUD will consider the factors listed above.

Absent information to the contrary, for purposes of HUD's front-end review of the PHA's analysis, HUD will apply a presumption that sufficient comparable opportunities exist if a set of RAD conversions from a single public housing property, individually or in a combination of transactions, will result in the creation of as many similarly-affordable housing units outside areas of minority concentration as are constructed on the original public housing site. To evaluate the creation of similarly-affordable units, HUD will compare (i) the number of affordable units that will be redeveloped on site, to (ii) the number of similarly-affordable housing units that will be created through new construction, imposition of new long-term affordability restrictions or transfer of RAD assistance to one or more sites outside areas of minority concentration.⁵⁴ Similarly-affordable shall mean RAD units compared to RAD units and LIHTC/non-RAD units compared to LIHTC/non-RAD units. The newly created similarly-affordable units must be owned, controlled, sponsored, under common ownership, control or sponsorship, or financially supported by the PHA or by an entity with a managing ownership interest in the Project Owner. When a PHA seeks to claim this exception, HUD prefers that the transaction creating the similarly-affordable units on the site outside areas of minority concentration close (with an immediate or delayed HAP effective date, if applicable) prior to the closing of the RAD conversion in the area of minority concentration. However, if the PHA determines that such a sequence is not reasonably possible, unless otherwise approved by HUD the PHA must provide evidence to HUD that the transfer of assistance to a site outside areas of

⁵³ When determining the percentage of units outside of areas of minority concentration, the PHA must include the number of units planned at the proposed site in its calculations. While not required, PHAs or Project Owners may assist HUD in consideration of this presumption by submitting to HUD a map produced by the Affirmatively Furthering Fair Housing Data and Mapping Tool ("AFFH-T"), as may be available on the HUD website from time to time, showing the location of publicly assisted housing.

⁵⁴ For example, if the PHA proposes to build 25 RAD units, 20 non-RAD LIHTC units and 15 unrestricted units on-site, such a plan could be acceptable if paired with creation of 15 RAD units at one site and 10 RAD units plus 20 non-RAD LIHTC units at a second site. The 15 unrestricted units in the minority concentrated area are not part of the analysis as they are not affordable units.

minority concentration is highly likely to occur and the PHA must contractually agree with HUD to create such units. Evidence that the transfer is highly likely to occur must include:

- The project name and property address of the site of the similarly-affordable units to be created,
- The census tract and data to confirm that it is not in an area of minority concentration,
- Evidence of site control,
- Evidence of zoning to permit construction of the similarly-affordable units if the affordable units are to be created through new construction,
- A reasonable and feasible sources and uses statement for the transaction, and
- Evidence of financing commitments exceeding 90% of the necessary sources to complete the transaction. Evidence of financing commitments must include an LIHTC allocation if the use of LIHTCs is projected.

D) The Overriding Housing Needs Exception

As noted in Section 5.4(A), the second exception under which the site and neighborhood standards permit new construction in areas of minority concentration is if the project is necessary to meet overriding housing needs that cannot be met in that housing market area. The new construction site selection standards under RAD⁵⁵ outline two examples of circumstances, consistent with fair housing and other civil rights objectives, that would permit the application of the overriding housing needs exception: (1) when the site is “an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood;” or (2) when the site is “located in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a “revitalizing area”).”⁵⁶

(1) Establishing that a Site is an Integral Part of an Overall Local Strategy for the Preservation or Restoration of the Immediate Neighborhood

To establish that a site is an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood, a PHA must document that the locality has a demonstrated commitment to revitalization that includes or is in addition to the RAD conversion, as demonstrated by the following:

- i. The site is located in a defined geographic area that is the subject of an official, currently operational and realistically achievable plan for the improvement or revitalization of the immediate neighborhood (which plan may include areas beyond the immediate neighborhood); and
- ii. The Covered Project conforms to, and the site is integral to, the goals, strategies, and objectives of the improvement or revitalization plan.

⁵⁵ See 24 C.F.R. § 983.57(e)(2) for PBV transactions and paragraph (e) of Appendix III of the RAD Notice for PBRA transactions.

⁵⁶ 24 C.F.R. § 983.57(e)(3)(vi); *see also* Appendix III of the RAD Notice, paragraph (e)(1)(B)(viii)(2). In demonstrating an overriding housing need, the “neighborhood” is determined in each situation based on the overall facts and circumstances and cannot be mechanically determined. The “immediate neighborhood” is generally a smaller geographic area than the “neighborhood.”

In determining whether such an official, currently operational and realistically achievable plan for the improvement or revitalization of the area exists, HUD will consider relevant factors including, for example, whether:

- The strategy itself, or a plan supporting the strategy, has been enacted, adopted, or ratified by a municipal, county, or state legislative body;
- There has been progress to implement the plan, or the strategy as a whole.⁵⁷
- The plan or strategy as a whole, or the elements applicable to the Covered Project, are consistent with the jurisdiction's land use or zoning code, development regulations, or other official body of laws or rules;
- Strategies or activities under the plan are incorporated in current public, quasi-public agency or major institutional work plans;
- The plan, or the strategy as a whole, includes objectives and initiatives related to the preservation or restoration of a geography larger than the Converting Project and any associated public housing site;
- A jurisdiction has published solicitations or incentives for development projects in the improvement or revitalization area;
- The plan is incorporated in the applicable jurisdiction's Consolidated Plan or other comprehensive community development plan;
- A jurisdiction has explicitly designated the geographic area for improvement or revitalization (e.g., Business Improvement District; Enterprise Zone designation; Promise Zone designation; Choice Neighborhoods designation);
- An implementing agency has retained a construction firm to break ground on the improvement or revitalization; and/or
- An implementing agency has secured financing, such as the issuance of bonds or final approval for tax increment financing.

(2) Establishing that the Site is Located in a “Revitalizing Area”

Evidence that the site is located in a revitalizing area experiencing significant private investment that is demonstrably improving the economic character of the area is also an example of a site which meets an overriding housing need. HUD will consider all relevant factors in making a determination that the site is located in a “revitalizing area” but in particular will consider whether:

- i. The neighborhood has demonstrated signs of revitalization, through indicators such as low or declining census tract poverty rates, low or declining violent crime rates or evidence of high or increased educational opportunity, high or increasing median

⁵⁷ Indicators of progress should be appropriate to the amount of time since the plan or strategy was developed and there must be a reasonable, supportable expectation that the plan will continue to be implemented. For example, if a plan was launched 3-4 years prior and the initial steps of the plan required implementation of an initiative (such as real estate development) which has a long pre-development planning period, HUD may consider whether there has been activity to seek land development approvals or to develop construction drawings or to secure funding commitments or other activities providing evidence that one or more material elements of the plan or strategy are actually being implemented.

- household income, high or increasing homeownership rates and/or high or increased employment; and
- ii. There is high private and public investment in retail, commercial, or housing development that has occurred or will imminently occur in the area which may include, among other considerations:
 - Evidence of new or improved retail centers, grocery stores, pharmacies, healthcare facilities, community centers, educational and recreational facilities, municipal services, and transportation serving the neighborhood;
 - Evidence of private and public investment or housing development that has occurred or will imminently occur in the area;
 - Evidence of economic conditions that are impacting the preservation of affordable housing in the neighborhood, including indicators of gentrification such as housing costs rising more sharply in the neighborhood than in the jurisdiction overall, accelerated rates of homeownership in the neighborhood, and disproportionate depletion of larger dwellings for families with children.

(3) Circumstances in Which an Overriding Housing Needs Exception Does Not Apply

A PHA cannot establish that a site meets the overriding housing needs exception if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.⁵⁸ For example, the overriding housing needs exception may not be applied if the reason that the project cannot be sited outside of an area of minority concentration is due to community opposition to the project based on the actual or perceived protected characteristics of the residents or prospective residents of the project. In addition, a recipient may not exclusively rely on this exception as a means of siting projects without creating housing opportunities outside of areas of minority concentration or without preserving existing housing outside of areas of minority concentration.

5.5. Front-End Civil Rights Review for RAD Transactions Involving Transfer of Assistance

A) *Applicable Standards*

Transfers of assistance are subject to the site selection standards for existing or rehabilitated housing set forth in 24 C.F.R. § 983.57(a)-(d), with the exception of 24 C.F.R. § 983.57(b)(1) and (c)(2), for PBV conversions and Appendix III of the RAD Notice for PBRA conversions. All transfers of assistance to a new site(s) are subject to front-end review by HUD, as required by the RAD Notice and noted in Section 5.3(A)(2) of this Notice. Conversions involving a transfer of assistance may also involve one or more of the other activities which trigger front-end review as described in Section 5.3(A). In transfers of assistance involving any of these activities, HUD

⁵⁸ 24 C.F.R. § 983.57(e)(3)(vi) and Appendix III of the RAD Notice, paragraph (e)(2). The PBRA site and neighborhood standards use the phrase “on the basis of race, color, creed, sex or national origin.” See Appendix III of the RAD Notice.

will conduct a front-end review based on the requirements applicable to each activity. A PHA must submit documentation for the front-end civil rights review of each specific activity as required by the relevant sections of this Notice.

B) Analysis of Transfers of Assistance

Through the front-end review of transfers of assistance by FHEO, HUD seeks to assist the PHA in avoiding discrimination on the basis of race, color, national origin, religion, sex, disability or familial status. The front-end review of transfers of assistance will apply the site selection standards for existing/rehabilitated housing.⁵⁹ This review shall consider:

- (1) The accessibility of the proposed site for persons with disabilities;
- (2) The ability of the RAD conversion to remediate accessibility concerns;
- (3) Whether the transfer of assistance would result in assisted units being located in an area where the total percentage of minority persons is significantly higher than the total percentage of minority persons in the area of the original public housing site or in an area where the percentage of persons of a particular racial or ethnic minority is significantly higher than the percentage of that minority group in the area of the original public housing site.⁶⁰ For purposes of this analysis, HUD will examine the minority concentration of:
 - (a) the census tract of the original public housing site compared to the census tract of the proposed site; and
 - (b) an area comprised of the census tract of the original public housing site together with all adjacent census tracts compared to an area comprised of the census tract of the proposed site together with all adjacent census tracts.
- (4) Whether the site selection has the purpose or effect of:
 - (a) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under the RAD program or the applicable rental assistance program;
 - (b) Excluding qualified individuals with disabilities from or denying them the benefit of the RAD program or the applicable rental assistance program, or otherwise subjecting them to discrimination;
 - (c) Defeating or substantially impairing the accomplishment of the objectives of the RAD program or the applicable rental assistance program with respect to qualified individuals with disabilities; and

⁵⁹ 24 C.F.R. § 983.57(d) and Appendix III of the RAD Notice, paragraphs (a) through (d). The site selection standards for existing/rehabilitated housing do not apply the minority concentration test used for new construction found at 24 C.F.R. § 983.57(e)(3) and Appendix III of the RAD Notice, paragraph (e).

⁶⁰ While this review is not explicitly called out in 24 C.F.R. § 983.57(d) and Appendix III of the RAD Notice, it is derived from HUD's and the PHA's obligations to comply with civil rights laws and regulations, including those referenced in 24 C.F.R. § 983.57(b)(2) and Appendix III of the RAD Notice.

- (d) Excluding individuals with disabilities (including members of the public with disabilities), denying them benefits or subjecting them to discrimination.

Under the RAD Notice, there are other standards for review of a transfer of assistance which are not examined as part of the front-end civil rights review but are examined as part of the RAD Financing Plan review (e.g., criteria formulated for transfers under Section 8(bb) of the United States Housing Act of 1937 regarding neighborhoods with highly concentrated poverty). Identification of considerations for the front-end review do not preclude review by HUD of all standards referenced in the RAD Notice.

5.6. Front-End Civil Rights Review for RAD Transactions Involving Reduction in Number of Units, Changes in Bedroom Distribution of Units and Changes in Occupancy Requirements

The RAD Notice allows PHAs to reduce the number of units, change the bedroom distribution of units, or change the occupancy of projects as part of their RAD conversion.⁶¹ However, the RAD Notice also provides that such changes (including de minimis changes) must undergo a front-end civil rights review and receive approval from HUD prior to submission of the Financing Plan. The Checklist will require data for review along with an explanation, backed by sufficient evidence, of how the PHA determined that the proposed change will not result in discrimination on the basis of race, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation, gender identity or marital status.⁶²

A) Review of Reductions in the Number of Units, Reductions or Increases in the Number of UFAS Accessible Units or Changes in Bedroom Distribution

This Section describes the considerations relevant to a front-end review of reductions in units, changes in the number of UFAS accessible units or changes in bedroom distribution. Such changes must not be the result of an intentional effort to discriminate against members of a protected class. For example, reductions or changes, including reductions in UFAS accessible units or which would impede residents with disabilities from having live-in aides, that intended to exclude persons with disabilities would be unlawful discrimination because of a disability.

⁶¹ See Sections 1.4.A.4 and 1.4.A.10 of the RAD Notice.

⁶² Reductions in the number of units, changes in the bedroom distribution of units, or changes in occupancy violate the Fair Housing Act (the Act) if they have a discriminatory effect on the basis of race, color, national origin, religion, sex, disability, or familial status. Unlawful housing discrimination may be established by a policy's or practice's discriminatory intent or by its discriminatory effect, even if not motivated by discriminatory intent, consistent with the standards outlined in 24 C.F.R. § 100.500. A policy or practice can have an unjustified discriminatory effect, even when the provider had no intent to discriminate. Under this standard, a facially-neutral policy or practice that has a discriminatory effect violates the Act if it is not supported by a legally sufficient justification. In addition, the policy or practice violates the Act if the housing developer or provider intentionally discriminates, including for example, by reducing the number of bedrooms with the intent of limiting families with children. Furthermore, the policy or practice may also violate the Act where it creates, increases, reinforces, or perpetuates segregated housing patterns because of race, color, religion, sex, handicap, familial status, or national origin. In addition, any changes must conform with the Equal Access rule requirement that determinations of eligibility for housing that is assisted by HUD or subject to a mortgage insured by the FHA shall be made in accordance with program eligibility requirements, and the housing must be made available, without regard to actual or perceived sexual orientation, gender identity or marital status. 24 C.F.R. § 5.105(a)(2).

Similarly, replacing larger units with smaller units so as to exclude families with children would be unlawful discrimination because of familial status.

Additionally, reductions in units or changes in bedroom distribution must not have an unjustified discriminatory effect on members of a protected class. For example, a reduction in units could have a discriminatory impact if it excludes members of a particular race or religion. Reductions or changes that have a disparate impact on a protected class are unlawful under the Fair Housing Act if they are not necessary to achieve a substantial, legitimate, nondiscriminatory interest of the developer or housing provider, or if such interest could be served by another practice that has a less discriminatory effect.

The RAD Notice allows for a de minimis reduction in units at Converting Projects, which includes both a small number of units as well as the reduction of certain units that have been vacant for 24 months prior to application, that are being or will be used for social service delivery, or efficiencies that will be reconfigured to one-bedroom units.⁶³ In addition, a PHA converting multiple properties can consolidate the de minimis reductions derived from multiple properties at a small number of sites. The RAD Notice also allows for changes in bedroom distribution. Such de minimis reductions are still subject to front end civil rights review and applicable fair housing and civil rights laws.

HUD shall conduct a front-end civil rights review if the plan for a Converting Project results in:

- A reduction in the number of dwelling units in any of the following categories: (i) units with two bedrooms, (ii) units with three bedrooms or (iii) units with four or more bedrooms.
- A reduction in the number of UFAS accessible units;
- An increase in the number of UFAS accessible units for persons with mobility impairments beyond 10% of the units in the Covered Project or 1 unit, whichever is greater.
- An increase in the number of UFAS accessible units for persons with vision and hearing impairments beyond 4% of the units in the Covered Project or 1 unit, whichever is greater.

When a Converting Project is subject to a front-end civil rights review under this subsection, the PHA shall submit to HUD the relevant part of the Checklist together with a justification which must demonstrate that the changes are not the result of discriminatory intent and will not have a discriminatory effect on members of protected classes, particularly families with children and individuals with disabilities. Relevant data for this analysis of the proposed change at the project may include the PHA's overall affordable housing stock, the demand for affordable housing in the market as evidenced by information such as the overall jurisdiction and regional demographic data available from the AFFH Data and Mapping Tool (e.g., both basic demographic and disproportionate housing needs data), the PHA's waiting list or a reliable market study of households seeking assisted housing, compared to the relative proportions of

⁶³ See Section 1.4.A.4 of the RAD Notice.

units serving any particular household type in the proposed project, the PHA's total housing stock or all assisted housing in the area.

For any increase in UFAS units subject to front-end review, HUD will assess indicators of local need (see Section 5.7(B), below) and whether the change would operate to concentrate individuals with disabilities in a particular property or to exclude individuals with certain types of disabilities from a particular property.

B) Review of Changes in Occupancy Type

RAD conversions that result in the implementation of an admissions preference (e.g., residency preferences or restrictions) at the Covered Project that would alter the occupancy of the property (e.g., family units converting to elderly units, elderly/disabled units converting to elderly only units) are subject to a front-end civil rights review by HUD pursuant to the RAD Notice and Section 5.3(A). A PHA must demonstrate that the proposed change in occupancy type is consistent with the demand for affordable housing in its jurisdiction as demonstrated by factors such as the demographics of its current occupancy, the demographics of its waiting list or a market study. Such preferences, restrictions, or geographic residency preferences must be reflected in a PBRA project's Affirmative Fair Housing Marketing Plan (AFHMP) or, for a PBV project, the PHA's Administrative Plan.

5.7. Other Front-End Civil Rights Review for RAD Transactions

A) Conversions of Assistance in Which the Construction Schedule Indicates that Relocation is Likely to Exceed 12 Months.

The front end civil rights review shall focus on whether the relocation will result in discrimination on the basis of race, color, national origin, religion, sex, disability, and familial status, based primarily, but not exclusively, on the data required in the Checklist.

B) Conversions of Assistance Involving New Construction or Substantial Alteration, as those terms are defined by Section 504.

While the PHA is responsible for compliance with all requirements described in Section 4, above and in this subsection, the front-end review will be conducted based on a review of the Checklist and shall include confirming the provision of any required accessible units and confirming the PHA is applying the appropriate accessibility standards. HUD will require the PHA to provide information regarding the provision of at least the minimum number of units accessible for persons with mobility impairments and units accessible for persons with hearing and vision impairments as required by applicable law (generally 5% of units accessible for persons with mobility impairments and an additional 2% of units accessible for persons with hearing and vision impairments). For purposes of establishing an upper threshold of accessible units below which RAD front-end review will not be required, HUD will accept that up to 10% of units accessible for persons with mobility impairments and up to 4% of units accessible for persons with hearing and vision impairments is consistent with local need, without further review, absent information to the contrary. HUD will consider a PHA's request for higher percentages based, to HUD's satisfaction, on reliable indicators of local need, such as census data or other available current data. HUD is available to assist PHAs in determining appropriate indicators of local

need for units with accessible features. The RAD conversion scope of work submitted with the Financing Plan must reflect the construction or retrofitting of residential units and public and common use areas to comply with all applicable accessibility requirements.

C) Remedial Agreements and Orders.

Front-end review in situations where the Converting Project or PHA is subject to enforcement actions or binding voluntary compliance agreements, settlement agreements, conciliation agreements, or consent decrees or orders of the nature described in Sections 5.3(A)(8) and 5.3(A)(9) shall be conducted on a case-by-case basis as appropriate to the specific situation.

5.8. Affirmative Fair Housing Marketing Plan (AFHMP) Requirements for Projects Converting to PBRA Assistance

For all projects converting to PBRA assistance, a PHA or Project Owner must complete form HUD-935.2A, the Affirmative Fair Housing Marketing Plan (AFHMP) - Multifamily Housing, and submit it to HUD for approval with the RAD Financing Plan.⁶⁴ Affirmative Fair Housing Marketing requirements are designed to achieve a condition in which individuals of similar income levels in the same housing market area have similar housing choices available to them regardless of their race, color, national origin, religion, sex, disability, or familial status.⁶⁵ They are also a means to carry out the mandate of Section 808(e)(5) of the Fair Housing Act that HUD administer its programs and activities in a manner to affirmatively further fair housing. These requirements mandate that PHAs or Project Owners identify groups that are least likely to apply for upcoming housing opportunities and to implement special marketing and outreach activities to ensure that these groups are aware of these opportunities.

The AFHMP must be submitted to HUD with the Financing Plan. A separate AFHMP is required for each distinct PBRA HAP contract. The PHA must submit an AFHMP even if the project has an existing waiting list and is not accepting new applicants. The PHA or Project Owner should consult the instructions in the form HUD 935.2A and HUD's Implementing Affirmative Fair Housing Marketing Requirements Handbook (HUD Handbook 8025.1) for guidance on completing the AFHMP and carrying out an affirmative marketing program. The Handbook provides a detailed resource on the content of the AFHMP, which includes marketing activities, residency preferences, and staff training.

When submitting an AFHMP for HUD approval, the PHA or Project Owner must ensure that the occupancy designation and any residency preferences are consistent with the PHA Plan or Significant Amendment to the PHA Plan, that such designation and preferences are consistent with the Checklist submitted to HUD and that the AFHMP includes affirmative marketing

⁶⁴ The most recent version of the AFHMP is HUD Form 935.2A, OMB Approval Number 2529-0013. *See* 24 C.F.R. § 880.601(a)(2) and 24 C.F.R. § 200.615; *see also* Section 10.8 of the Multifamily Accelerated Processing (MAP) Guide. The PHA or its management agent should consult the instructions in the form HUD 935.2A and HUD's Implementing Affirmative Fair Housing Marketing Requirements Handbook (HUD Handbook 8025.1) for guidance on completing the AFHMP and carrying out an affirmative marketing program. The Handbook provides a detailed resource on the content of the AFHMP, which includes marketing activities, residency preferences, and staff training.

⁶⁵ *See* 24 C.F.R. § 200.610.

activities that are consistent with its occupancy designation and the populations identified as least likely to apply. Any subsequent changes to occupancy designation or residency preferences shall be proposed, submitted and reviewed in accordance with standard PBRA requirements. If a PHA or Project Owner plans to adopt any local or residency preferences, the Project Owner must submit its Tenant Selection Plan along with the AFHMP (see HUD Handbook 4350.3, page 4-4).

The Multifamily Housing Office of Asset Management and Portfolio Oversight and the Office of Fair Housing and Equal Opportunity (“FHEO”) review the AFHMP. FHEO issues HUD’s official letter of approval or disapproval. Disapproval letters will specify the reason a plan was rejected and the revisions required. The PHA or Project Owner must make the required changes and resubmit a corrected plan to HUD for approval.

The PBRA contract becomes effective on the first day of a month, following closing. Approval of the AFHMP is not a condition to closing of the RAD conversion. When the project is preparing to accept applications, it must follow its approved AFHMP to ensure that groups least likely to apply are aware of the housing opportunities. The Project Owner is responsible for ensuring that the AFHMP is in place throughout the life of any FHA mortgage or PBRA contract. The Project Owner may not market or lease any unit not occupied by a household exercising its right to remain in or return to the Covered Project prior to approval of the AFHMP. Marketing or leasing includes the solicitation, distribution or acceptance of applications or development of a waiting list.

SECTION 6. RELOCATION REQUIREMENTS

In some cases, as explained in this Section, the activities associated with the RAD transaction may require the relocation of residents. In the event of acquisition, demolition, construction or rehabilitation activities performed in connection with a RAD conversion, the PHA and/or Project Owner⁶⁶ should plan such activities to reasonably minimize any disruption to residents’ lives, to ensure that residents are not exposed to unsafe living conditions and to comply with applicable relocation, fair housing and civil rights requirements. As discussed in Section 6.1, below, a written relocation plan is required in some circumstances and strongly encouraged for any conversion resulting in resident moves or relocation. Further, the obligations due to relocating residents under RAD are broader than URA relocation assistance and payments and RAD specifies requirements which are more protective of residents than standard URA requirements, including additional notices (see Section 6.6) and a right to return (see Section 6.2). This Notice requires that certain information be provided to all households, beginning prior to submission of the RAD application.

Any resident who moves as a direct result of acquisition, rehabilitation or demolition for an activity or series of activities associated with a RAD conversion may, depending on the circumstances and length of time of the relocation, be eligible for relocation assistance and payments under the URA. Additionally, Section 104(d) relocation and one-for-one replacement

⁶⁶ Under the URA, the term “displacing agency” refers to the agency or person that carries out a program or project which will cause a resident to become a displaced person. Projects vary and, for any specific task described in this Notice, the displacing agency may be either the PHA or the Project Owner, as determined by the allocation of roles and responsibilities between the PHA and Project Owner.

housing requirements may also apply when CDBG- or HOME-funds are used in connection with a RAD conversion. The applicability of the URA or Section 104(d) to RAD conversions is fact-specific, which must be determined in accordance with the applicable URA and Section 104(d) regulations.⁶⁷

Eligibility for specific protections under this Notice applies to any person residing in a Converting Project who is legally on the public housing lease, has submitted an application to be added to an existing lease, or is otherwise in lawful occupancy at the time of the issuance of the CHAP and at any time thereafter until conversion of assistance under RAD. All such residents of a Converting Project have a right to return and are eligible for relocation protections and assistance as provided by this Notice. The eligibility criteria set forth in this paragraph apply to the protections under this Notice regardless of whether residents or household members meet the statutory and regulatory requirements for eligibility under URA.⁶⁸

6.1. Planning

If there is a possibility that residents will be relocated as a result of acquisition, demolition, or rehabilitation for a Converting Project, PHAs must undertake a planning process in conformance with the URA statutory and regulatory requirements in order to minimize the adverse impact of relocation (*see* 49 § C.F.R. 24.205). PHAs must also ensure that their relocation planning is conducted in compliance with applicable fair housing and civil rights requirements.

The PHA shall prepare a written relocation plan if the RAD conversion involves permanent relocation (including, without limitation, a move in connection with a transfer of assistance) or temporary relocation anticipated to last longer than one year. While a written relocation plan is not required for temporary relocation lasting one year or less, HUD strongly encourages PHAs, in consultation with any applicable Project Owners, to prepare a written relocation plan for all RAD conversions to establish their relocation process clearly and in sufficient detail to permit consistent implementation of the relocation process and accurate communication to the residents. Appendix II contains recommended elements of a relocation plan.

During the planning stages of a RAD transaction and based on the results of this planning process, a PHA must submit applicable portions of the Checklist described in Section 5.3(B) to HUD, together with any required backup documentation, as early as possible once the information covered in the applicable part is known.⁶⁹ All parts of the Checklist must be submitted to HUD prior to submission of the Financing Plan. The Checklist will allow HUD to assist the PHA to comply, and to evaluate the PHA's compliance, with relocation requirements, including civil rights requirements related to relocation.

⁶⁷ 42 U.S.C. § 4601 *et seq.*, 42 U.S.C. § 5304(d), and their implementing regulations at 49 C.F.R Part 24 and 24 C.F.R. Part 42 subpart C.

⁶⁸ A nonexclusive listing of persons who do not qualify as displaced persons under URA is at 49 C.F.R. 24.2(a)(9)(ii). See also, Paragraph 1-4(J) of HUD Handbook 1378. See Section 6.5 of this Notice for discussion of the date of "initiation of negotiations."

⁶⁹ The Checklist refers to the existing FHEO Accessibility and Relocation Checklist until a revised Checklist is approved for use pursuant to the Paperwork Reduction Act.

The following presents a general sequencing of relocation planning activities within the RAD conversion process for informational and planning purposes only. Specific requirements are set forth in the provisions of this Notice.

Stage	Activities
1. Prior to submission of RAD application	<ul style="list-style-type: none"> • Determine potential need for relocation in connection with proposed conversion plans. • Meet with residents to discuss proposed conversion plans, communicate right to return, and solicit feedback. • Provide the <i>RAD Information Notice</i> (RIN) to residents as described in Section 6.6(A) of this Notice.
2. After submission of RAD application	<ul style="list-style-type: none"> • Assess the need for relocation planning in connection with proposed conversion plans. Determine if technical assistance would be beneficial to ensuring compliance with relocation requirements. • Survey residents to inform relocation planning and relocation process. • Develop a relocation plan (see Appendix II for recommended content). • Prepare Significant Amendment to PHA Plan and engage with the Resident Advisory Board, residents and the public regarding Plan amendment.⁷⁰
3. Following issuance of the CHAP, or earlier if warranted	<ul style="list-style-type: none"> • Provide the <i>General Information Notice</i> (GIN) to residents when the project involves acquisition, rehabilitation, or demolition as described in Section 6.6(B) of this Notice and relocation may be required.
4. While preparing Financing Plan	<ul style="list-style-type: none"> • Discuss the outlines of the conversion plans and their impact on relocation with the HUD transaction manager. • Refine the plan for relocation and integrate the construction schedule into the relocation strategy; seek to minimize off-site or disruptive relocation activities. • Identify relocation housing options . • Budget for relocation expenses and for compliance with accessibility requirements. • Submit the Checklist and, where applicable, the relocation plan. • If the conversion involves acquisition, at the discretion of the Project Owner issue Notice of Intent to Acquire (NOIA). • If a NOIA is issued, at the discretion of the Project Owner provide residents with appropriate relocation notices as

⁷⁰ Alternatively, the PHA may submit a new PHA Five-Year or Annual Plan, especially if it is on schedule to do so. Under any scenario, the PHA must consult with the Resident Advisory Board and undertake the community participation process.

Stage	Activities
	described in Section 6.6(C) through 6.6(E) of this Notice at this time.
5. From RAD Conversion Commitment (RCC) to Closing	<ul style="list-style-type: none"> • Meet with residents to describe approved conversion plans and discuss required relocation. • The effective date of the RCC marks the date of “Initiation of Negotiations” (ION), as defined in the URA (49 § C.F.R. 24.2(a)(15)). • If no NOIA was provided while preparing the Financing Plan, provide residents with appropriate relocation notices as described in Section 6.6(C) through 6.6(E) of this Notice. • Resident relocation may begin following the effective date of the RCC, subject to applicable notice requirements.
6. Post-Closing	<ul style="list-style-type: none"> • Ongoing implementation of relocation • Notify the residents regarding return to the Covered Project as described in Section 6.6(F) of this Notice • Implementation of the residents’ right to return

6.2. Resident Right to Return

Any public housing or Section 8 assisted resident that may need to be relocated temporarily to facilitate rehabilitation or construction has a right to return to an assisted unit at the Covered Project once rehabilitation or construction is complete.⁷¹ Permanent involuntary displacement of public housing or Section 8 assisted residents may not occur as a result of a project’s conversion of assistance. The Project Owner satisfies the RAD right to return to a Covered Project if the Project Owner offers the resident household either: a) a unit in the Covered Project in which the household is not under-housed; or b) a unit in the Covered Project which provides the same major features as the resident’s unit in the Converting Project prior to the implementation of the RAD conversion. In the case of a transfer of assistance to a new site, residents of the Converting Project have the right to reside in an assisted unit meeting the requirements set forth in this paragraph at the Covered Project (the new site) once the Covered Project is ready for occupancy in accordance with applicable PBV or PBRA requirements.

If proposed plans for a Converting Project would preclude a resident from returning to the Covered Project, the resident must be given an opportunity to comment and/or object to such plans. Examples of project plans that may preclude a resident from returning to the Covered Project include, but are not limited to:

- Changes in bedroom distribution which decrease the size of units such that the resident would be under-housed;⁷²

⁷¹ The right to return is not a right to any specific unit in the Covered Project. Tenancies other than public housing or Section 8 assisted residents (such as commercial tenants) do not hold a right to return and are subject to standard relocation requirements applicable to such tenants under the URA.

⁷² See the RAD Notice for a description of the procedures that must be undertaken if a resident is over-housed.

- Where a) the PHA is reducing the number of assisted units at a property (if authorized to do so under Section 1.5.B of the RAD Notice) and b) the resident cannot be accommodated in the remaining assisted units;
- The imposition of income eligibility requirements, such as those associated with LIHTC or other program financing, under which the current resident may not be eligible;⁷³ and
- Failure to provide reasonable accommodation to an individual with disabilities, in violation of applicable law, which reasonable accommodation may include installation of accessibility features that are needed by the individual with disabilities.⁷⁴

If the resident who would be precluded from returning to the Covered Project objects to such plans, the PHA must alter the project plans to accommodate the resident's right to return to the Covered Project.

If the resident who would be precluded from returning to the Covered Project prefers to voluntarily and permanently relocate rather than object to the project plans, the PHA must secure informed, written consent to a voluntary permanent relocation in lieu of returning to the Covered Project and must otherwise comply with all the provisions of Section 6.10, below, regarding alternative housing options. The PHA cannot employ any tactics to pressure residents into relinquishing their right to return or accepting alternative housing options. A PHA may not terminate a resident's lease if the PHA fails to obtain the resident's consent and the resident seeks to exercise the right to return.

In the case of a multi-phase transaction, the resident has a right to return to the Covered Project or to other converted phases of the property which have converted and are available for occupancy at the time the resident is eligible to exercise the right to return. A relocated resident should get the benefit of improvements facilitated by the resident's relocation and conversion and completion of future phases cannot be assured. In most cases, this means that the resident's right to return must be accommodated within the Covered Project associated with resident's original unit. However, in those cases where improvements to multiple phases of a site are occurring simultaneously, the PHA or Project Owner may treat multiple Covered Projects on the same site as one for purposes of the right to return. If the PHA or Project Owner seeks to have the resident exercise the right of return at a future phase, the PHA or Project Owner would need to secure the resident's consent to such plan as an alternative housing option pursuant to Section 6.10, below.

In implementing the right of return, the Project Owner shall comply with all applicable fair housing laws and implementing regulations, including, but not limited to, the Fair Housing Act,

⁷³ In these cases, a PHA may elect to exclude some units from the applicable financing program, for example, claiming LIHTC for a subset of the units and not claiming tax credits in connection with the units occupied by households over the LIHTC maximum eligibility of 60% of AMI.

⁷⁴ Refer to the Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Modifications Under the Fair Housing Act (March 5, 2008), at http://www.hud.gov/offices/fheo/disabilities/reasonable_modifications_mar08.pdf for additional detail regarding applicable standards for reasonable accommodations and accessibility features which must be provided. If the resident has paid for installation of accessibility features in the resident's prior unit, the PHA or Project Owner shall pay for the installation of comparable features in the new unit. Violations of law may also result in other sanctions.

Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, and Titles II and III of the Americans with Disabilities Act.

6.3. Admissions and Continued Occupancy Requirements

Resident households may not be denied relocation housing or the right to return based on rescreening, income eligibility, or income targeting. PHAs may only offer housing options with screening, income eligibility or income targeting requirements if the impacted residents meet the admission and occupancy policies applicable to such housing. However, whether or not in a temporary relocation situation, the household remains subject to the applicable program policies regarding continued occupancy of an assisted unit by an incumbent resident of the unit.

6.4. Types of Moves and Relocation

Any time project plans require a resident to move from their current unit, the resident is eligible for assistance as described in this Notice. Assistance may vary depending on the options provided to residents, whether the relocation is temporary or permanent and, if applicable, the length of time the resident is in temporary accommodations.⁷⁵ In all circumstances, the move or relocation must be in compliance with applicable requirements of this Notice and consistent with applicable fair housing and civil rights requirements. Each type of move is discussed below.

A) Moves within the same building or complex of buildings⁷⁶

Temporary or permanent moves within the same building or complex of buildings may be appropriate given the extent of work to be completed to permit phasing of rehabilitation or construction. Moves within the same building or complex of buildings are not considered relocation under RAD and a tenant generally does not become displaced under the URA. Whether permanent (i.e., the tenant will move to and remain in an alternative unit) or temporary (i.e., the tenant will move to another unit and return to their original unit), the PHA or Project Owner must reimburse residents for all reasonable out-of-pocket expenses incurred in connection with any move and all other terms and conditions of the move(s) must be reasonable.⁷⁷ The final move must be to a unit which satisfies the right to return requirements specified in Section 6.2 of this Notice.

⁷⁵ PHAs should note that the definitions of “permanent” vary between the URA and RAD. For example, “permanent displacement” under the URA includes moves from the original building or complex of buildings lasting more than one year. The RAD Notice, meanwhile, considers “permanent relocation” to be separation from the RAD-assisted unit upon completion of the conversion and any associated rehabilitation and construction. The duration of a temporary move may exceed one year. In the case of a transfer of assistance, it is not permanent relocation under RAD when the resident must move from the original complex of buildings to the destination site in order to retain occupancy of the RAD-assisted unit.

⁷⁶ An example of relocation within the same building or complex of buildings would be if one floor of a multi-story building is vacant, and the PHA is moving residents from another floor to the vacant units.

⁷⁷ Failure to reimburse residents for moving or other out-of-pocket expenses and any other terms and conditions of the move which may be unreasonable may result in the resident becoming a displaced person under the URA if the resident subsequently moves from the property.

B) Temporary relocation lasting one year or less

If a resident is required to relocate temporarily, to a unit not in the same building or complex of buildings, for a period not expected to exceed one year in connection with the RAD conversion, the resident's temporarily occupied housing must be decent, safe, and sanitary and the resident must be reimbursed for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation. These expenses include, but are not limited to, moving expenses, increased housing costs (e.g., rent and utilities), meals if the temporary housing lacks cooking facilities (e.g., during a short hotel stay, whether or not on an emergency basis) and other applicable expenses.⁷⁸

C) Temporary relocation initially expected to last one year or less, but which extends beyond one year

In the event that a resident has been temporarily relocated, to a unit not in the same building or complex of buildings, for a period which was anticipated to last one year or less but the temporary relocation in fact exceeds one year, the resident qualifies as a "displaced person" under the URA and as a result immediately becomes eligible for all permanent relocation assistance and payments as a "displaced person" under the URA, including notice pursuant to Section 6.6(E). This assistance would be in addition to any assistance the person has already received for temporary relocation, and may not be reduced by the amount of any temporary relocation assistance.

In such event, the PHA or Project Owner shall offer the resident the opportunity to choose to voluntarily permanently relocate with the offered URA assistance or to choose to remain temporarily relocated based on updated information from the PHA or Project Owner about when they can return to the completed RAD unit. The PHA or Project Owner must present this opportunity to the resident when the temporary relocation extends beyond one year and each time thereafter that the temporary relocation extends beyond the previously anticipated duration. In presenting such opportunity, the PHA or Project Owner must inform the resident in writing that his or her acceptance of voluntary permanent relocation, with the associated assistance, would terminate the resident's right to return to the Covered Project. The PHA or Project Owner must provide the resident with at least 30 days to decide whether to remain in temporary relocation status or to voluntarily relocate permanently.

D) Temporary relocation anticipated to last more than one year

When the PHA anticipates that the temporary relocation, to a unit not in the same building or complex of buildings, will last more than one year, but the resident is retaining the resident's right to return to the Covered Project, the resident is considered temporarily relocated under RAD and is eligible to receive applicable temporary relocation assistance and payments. Under the URA, the resident becomes eligible to receive applicable relocation assistance and payments as a "displaced person" when the temporary relocation period exceeds one year and each time thereafter that the temporary relocation extends beyond the previously anticipated duration, at

⁷⁸ HUD Handbook 1378, Chapter 2, Section 2-7 governs activities subject to URA requirements and informs, but is not binding upon, any RAD activities not governed by the URA. PHAs may also refer to HUD Form 40030.

which time the PHA or Project Owner shall offer the resident the opportunity to choose to voluntarily permanently relocate or to remain temporarily relocated, as described in Section 6.4(C), above.

In order to allow residents to make the election earlier than required under the URA (thereby avoiding a year in temporary relocation housing prior to electing voluntary permanent relocation), if the PHA or Project Owner anticipates that temporary relocation will last more than one year, the PHA or Project Owner shall provide the resident with an initial option to (a) be temporarily relocated, retain the right to return to the Covered Project when a unit becomes available and receive assistance, including temporary housing and reimbursement for all reasonable out-of-pocket expenses associated with the temporary relocation, or (b) accept RAD voluntary permanent relocation assistance and payments equivalent to what a “displaced person” would receive under the URA. The PHA or Project Owner must inform the resident in writing that his or her acceptance of voluntary permanent relocation, with the associated assistance, would terminate the resident’s right to return to the Covered Project. The PHA or Project Owner must provide the resident with at least 30 days to decide whether to remain in temporary relocation status or to voluntarily relocate permanently.

E) Permanent moves in connection with a transfer of assistance

In cases solely involving a transfer of assistance to a new site, resident relocation from the Converting Project to the Covered Project is not, by itself, generally considered involuntary permanent relocation under RAD. However, the URA and/or Section 104(d) is likely to apply in most cases. In cases of a transfer of assistance to a new site where it has also been determined that the URA and/or Section 104(d) apply to the transfer of assistance, residents may be eligible for all permanent relocation assistance and payments for eligible displaced persons under the URA and/or Section 104(d). If the URA applies to a move of this type, the PHA or Project Owner must make available at least one, and when possible, three or more comparable replacement dwellings pursuant to 49 C.F.R. § 24.204(a). However, provided the transfer of assistance unit meets the URA definition of a comparable replacement dwelling pursuant to 49 C.F.R. § 24.2(a)(6), that unit could in fact represent the most comparable replacement dwelling as determined by the agency for purposes of calculating a replacement housing payment, if any, under 49 C.F.R. § 24.402.

Whether or not the URA and/or Section 104(d) apply, under RAD the residents are entitled to relocation assistance and payments, including counseling in preparation for the relocation, written notices of the relocation (including a 90-day RAD Notice of Relocation), and reimbursement for all reasonable out-of-pocket expenses, including moving expenses, incurred in connection with the move. It should be noted that the RAD relocation assistance and payments provided to transferring residents in this paragraph differ from those required under the URA and/or Section 104(d) as described above. Where both frameworks apply, the residents must receive the more extensive protections offered under either framework.

If HUD determines that the distance from the Converting Project to the site of the Covered Project is significant and the resident could not reasonably be required to move to the new site, then HUD will require the PHA to adjust project plans to accommodate the resident in an assisted unit (e.g., a public housing unit, some other project-based Section 8 unit or a market unit

with a housing choice voucher) within a reasonable distance of the site of the Converting Project. HUD will evaluate whether this requirement applies on a case by case basis, considering whether the distance would impose a significant burden on residents' access to existing employment, transportation options, schooling or other critical services. Accommodating the resident may also be satisfied by the resident's consent to an alternative housing option pursuant to Section 6.10. The requirement set forth in this paragraph is in addition to all protections, including, for example, the offer of comparable replacement dwellings, which are required in all instances where a transfer of assistance is subject to the URA and/or Section 104(d).

F) Voluntary permanent relocation

A resident may elect to relinquish their right of return and consent to voluntary permanent relocation pursuant to an alternative housing option offered and accepted according to the procedures described in Section 6.10, which Section specifies protections to ensure the resident's decision is fully informed. By selecting voluntary permanent relocation, the resident is electing to receive RAD permanent relocation assistance and payments which are equivalent to the relocation payments and assistance required to be provided to a "displaced person" pursuant to the regulations implementing the URA.

6.5. Initiation of Negotiations (ION) Date

Eligibility for URA relocation assistance is effective on the date of initiation of negotiations (ION) (49 C.F.R. § 24.2(a)(15)). For Converting Projects, the ION date is the effective date of the RCC. The ION date is also typically the date when PHAs can begin to issue RAD Notices of Relocation (except in the case of acquisitions when the PHA can issue a Notice of Intent to Acquire and RAD Notices of Relocation prior to the ION date). Any person who is in lawful occupancy on the ION date is presumed to be entitled to relocation payments and other assistance.

PHAs and Project Owners should note that prior to the ION date, a resident may be eligible as a displaced person for permanent relocation assistance and payments under the URA if HUD determines, after analyzing the facts, that the resident's move was a direct result of the project. However, resident moves taken contrary to specific instructions from the PHA or Project Owner (for example, contrary to instructions not to move if contained in a General Information Notice) are generally not eligible as a displaced person under the URA.

6.6. Resident Relocation Notification (Notices)

PHAs and Project Owners are encouraged to communicate regularly with the residents regarding project plans and, if applicable, the resulting plans for relocation. When residents may be relocated for any time period (including, without limitation, a move in connection with a transfer of assistance), written notice must be provided to the resident heads of households, including the notices listed below as applicable.⁷⁹ PHAs and Project Owners are also encouraged to provide

⁷⁹ The notices required under Sections 6.6(B) through 6.6(E) must be delivered in accordance with URA resident notification requirements, including the requirement that the notice be personally served or delivered by certified or registered first class mail return receipt requested. All notices must be delivered to each household (i.e., posting in

additional relocation notices and updates for the residents' benefit as appropriate for the specific situation.

To ensure that all residents understand their rights and responsibilities and the assistance available to them, consistent with URA requirements at 49 C.F.R. § 24.5 and civil rights requirements, PHAs and Project Owners must ensure effective communication with individuals with disabilities, including through the provision of appropriate auxiliary aids and services, such as interpreters and alternative format materials. Similarly, PHAs and Project Owners are required to take reasonable steps to ensure meaningful access for LEP persons in written and oral materials. Each notice shall indicate the name and telephone number of a person to contact with questions or for other needed help and shall include the number for the telecommunication device for the deaf (TDD) or other appropriate communication device, if applicable, pursuant to 24 C.F.R. §8.6(a)(2).

The purpose of these notifications is to ensure that residents are informed of their potential rights and, if they are to be relocated, of the relocation assistance available to them. Two initial notices launch this effort and provide critical information regarding residents' rights. The first, the RAD Information Notice, is to be provided at the very beginning of the RAD conversion planning process in order to ensure residents understand their rights, to provide basic program information and to facilitate residents' engagement with the PHA regarding project plans. The GIN, meanwhile, provides information specifically related to protections the URA provides to impacted residents. Subsequent notices provide more detailed information regarding relocation activities specific to the household, including tailored information regarding eligibility and timelines for relocation.

PHAs should note that a resident move undertaken as a direct result of the project may be eligible to receive relocation assistance and payments under the URA even though the PHA has not yet issued notices to them. Sample notices which may be used as-is or modified to fit the peculiarities of each situation are provided on the RAD website at www.hud.gov/rad.

A) RAD Information Notice

The RAD Information Notice is to be provided to residents at the very beginning of the RAD conversion planning process in order to convey general written information on potential project plans and residents' basic rights under RAD, and to facilitate residents' engagement with the PHA regarding the proposed RAD conversion. The PHA shall provide a RAD Information Notice to all residents of a Converting Project prior to the first of the two meetings with residents required by the RAD Notice, Section 1.8.2, and before submitting a RAD Application. This RAD Information Notice shall be provided without regard to whether the PHA anticipates any relocation of residents in connection with the RAD conversion. The RAD Information Notice must do the following:

common areas is insufficient) and methods of delivery (e.g., certified mail, U.S. mail, or hand delivery) must be documented in the PHA's or Project Owner's files.

- Provide a general description of the conversion transaction (e.g., the Converting Project, whether the PHA anticipates any new construction or transfer of assistance, whether the PHA anticipates partnering with a developer or other entity to implement the transaction);
- Inform the resident that the early conceptual plans are likely to change as the PHA gathers more information, including, among other items, resident opinions, analysis of the capital needs of the property and financing options;
- Inform the resident that the household has a right to remain in the unit or, if any relocation is required, a right to return to an assisted unit in the Covered Project (which may be at the new site in the case of a transfer of assistance);
- Inform the resident that they will not be subject to any rescreening as a result of the conversion;
- Inform the resident that the household cannot be required to move permanently without the resident's consent, except in the case of a transfer of assistance when the resident may be required to move a reasonable distance, as determined by HUD, in order to follow the assisted unit;
- Inform the resident that if any relocation is involved in the transaction, the resident is entitled to relocation protections under the requirements of the RAD program and, in some circumstances, the requirements of the URA, which protections may include advance written notice of any move, advisory services, payment(s) and other assistance as applicable to the situation;
- Inform the resident that any resident-initiated move from the Converting Project could put any future relocation payment(s) and assistance at risk and instruct the resident not to move from the Converting Project; and
- Inform the resident that the RAD transaction will be completed consistent with fair housing and civil rights requirements, and provide contact information to process reasonable accommodation requests for residents with disabilities during the relocation.

B) General Information Notice (49 C.F.R. § 24.203(a))

The purpose of the General Information Notice (GIN) is to provide information about URA protections to individuals who may be displaced as a result of federally-assisted projects involving acquisition, rehabilitation or demolition. A GIN provides a general description of the project, the activities planned, and the relocation assistance that may become available.

A GIN shall be provided to any person scheduled to be displaced *as soon as feasible* based on the facts of the situation. In certain instances, such as when the PHA knows that a project will involve acquisition, rehabilitation or demolition, “as soon as feasible” may be simultaneous with issuance of the RAD Information Notice. For any RAD conversion involving acquisition, rehabilitation or demolition, “as soon as feasible” shall be no later than 30 days following the issuance of the CHAP. In instances where acquisition, rehabilitation or demolition is not anticipated at the time of the CHAP but project plans change to include such activities, pursuant to this Notice the PHA shall provide the GIN as soon as feasible following the change in project plans.

For RAD, the GIN must do at least the following:

- Inform the resident that he or she may be displaced for the project and generally describe the relocation payment(s) for which the resident may be eligible, the basic conditions of eligibility, and the procedures for obtaining the payment(s);
- Inform the resident that, if he or she qualifies for relocation assistance as a displaced person under the URA, he or she will be given reasonable relocation advisory services, including referrals to replacement properties, help in filing payment claims, and other necessary assistance to help the displaced resident successfully relocate;
- Inform the resident that, if he or she qualifies for relocation assistance as a displaced person under the URA, he or she will not be required to move without 90 days advance written notice;
- Inform the resident that, if he or she qualifies for relocation assistance as a displaced person under the URA, he or she cannot be required to move permanently unless at least one comparable replacement dwelling has been made available;
- Inform the resident that any person who is an alien not lawfully present in the United States is ineligible for relocation advisory services and relocation payments, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child (see 49 C.F.R. § 24.208(h) for additional information);
- Describe the resident's right to appeal the PHA's determination as to a resident's eligibility for URA assistance; and
- Inform the resident that the RAD transaction will be completed consistent with fair housing and civil rights requirements, and provide contact information to process reasonable accommodation requests for residents with disabilities during the relocation.

Because of the potential confusion caused by evolving policy directions in the RAD program regarding delivery of the GIN, for actions taken prior to the issuance of this Notice, HUD will consider the facts and circumstances of each conversion, with emphasis on the underlying URA requirements, in monitoring and enforcing a PHA's compliance with this requirement.

C) Notice of Intent to Acquire (49 C.F.R. § 24.203(d))

For conversions involving acquisition, the Project Owner (the "acquiring agency") may provide to residents of the Converting Project a Notice of Intent to Acquire (NOIA).⁸⁰ The NOIA may be provided no earlier than 90 days prior to the PHA's reasonable estimate of the date of submission of a complete Financing Plan. While eligibility for URA relocation assistance is generally effective on the effective date of the RCC (the ION date), a prior issuance of a NOIA establishes a resident's eligibility for relocation assistance and payments on the date of issuance of the NOIA and prior to the ION date.

D) RAD Notice of Relocation

If a resident will be relocated to facilitate the RAD conversion, the PHA shall provide written notice of such relocation by means of a RAD Notice of Relocation. The RAD Notice of

⁸⁰ Acquisition includes a new ownership entity's purchase of the Covered Project from the PHA, such as a purchase by a single purpose entity, an affiliate or a low-income housing tax credit ownership entity.

Relocation may not be issued until: 1) the effective date of the RCC (the ION date) if the conversion does not involve acquisition; or 2) the earlier of the issuance of the Notice of Intent to Acquire (see Section 6.6(C)) or the effective date of the RCC (the ION date) if the conversion involves acquisition. Prior to issuance of the RAD Notice of Relocation, PHAs and Project Owners should meet with each resident household to provide preliminary relocation advisory services and to determine their needs and preferences.⁸¹

A RAD Notice of Relocation is not required for residents who will not be relocated. As a best practice, PHAs or Project Owners should notify residents that they are not being relocated once that determination has been made if they were previously informed by the GIN and/or by other methods that relocation was a possibility.⁸²

A RAD Notice of Relocation shall provide either: 1) 30-days' notice to residents who will be relocated for twelve months or less; or 2) 90-days' notice to residents who will be relocated for more than twelve months.⁸³ The RAD Notice of Relocation must conform to the following requirements:

- (1) The notice must state the anticipated duration of the resident's relocation.
- (2) The notice must specify which entity (the PHA or the Project Owner) is primarily responsible for management of the resident's relocation and for compliance with the relocation obligations during different periods of time (i.e., before vs. after Closing).
- (3) For residents who will be relocated for twelve months or less:
 - The PHA or Project Owner must provide this notice a minimum of 30 days prior to relocation.⁸⁴ PHAs or Project Owners may deem it appropriate to provide longer notice periods for persons who will be temporarily relocated

⁸¹ PHAs and Project Owners should note the URA relocation advisory services requirement for personal interviews. See Section 6.7 of this Notice. In sequencing the RAD Notice of Relocation, PHAs and Project Owners wishing to offer alternative housing options pursuant to Section 6.10 should also note the additional complexity in the timeline of notices. Pursuant to Section 6.10(D), the resident can consent to an alternative housing option only after issuance of the NOIA or the effective date of the RCC and 30 days after presentation of the alternative housing options. In some cases, for example, when the resident would not otherwise be relocated for over twelve months, the RAD Notice of Relocation must include both the information described in Section 6.6(D)(3) and the information in Section 6.6(D)(4). The PHA or Project Owner should consider discussing the alternative housing options prior to issuing the RAD Notice of Relocation so that the RAD Notice of Relocation can be tailored to the resident's situation.

⁸² The RAD program does not require a "notice of non-displacement," which HUD relocation policy generally uses for this purpose.

⁸³ The 90-day notice is required for residents relocated for more than twelve months, whether or not they intend to return to the Covered Project and whether or not they are eligible for assistance and payments as a displaced person under URA. Recipients of the 90-day notice would include those residents who have voluntarily accepted a permanent relocation option as well as those residents who are relocated within the same building or complex of buildings.

⁸⁴ Note that residents may elect to move to the relocation housing before the 30 days have elapsed. However, a PHA may not require a resident to move prior to this time.

for an extended period of time (over 6 months), or if necessary due to personal needs or circumstances.

- The notice must explain that the PHA or Project Owner will reimburse the resident for all reasonable out-of-pocket expenses incurred in connection with any temporary move (including, but not limited to, increased housing costs and moving costs).
- The notice must explain the reasonable terms and conditions under which the resident may exercise the right to return to lease and occupy a unit in the Covered Project.

(4) For residents who will be relocated for more than twelve months, including for residents who may wish to voluntarily accept a permanent relocation option:

- The PHA or Project Owner must provide this notice a minimum of 90 days prior to relocation of residents.⁸⁵
- The notice must offer the choice to be temporarily relocated, thereby preserving the resident's right to return, or the choice to be voluntarily permanently relocated pursuant to the procedures set forth in Section 6.10, together with guidance that the resident has at least thirty (30) days to consider the choice.
- For residents who voluntarily elect to be permanently relocated, the 90-day notice period may only begin once the PHA or Project Owner has made available at least one comparable replacement dwelling consistent with 49 C.F.R. § 24.204(a).⁸⁶
- The notice must describe the available relocation assistance, the estimated amount of assistance based on the individual circumstances and needs, and the procedures for obtaining the assistance. The notice must be specific to the resident and his or her situation so that the resident will have a clear understanding of the type and amount of payments and/or other assistance the resident household may be entitled to claim.
- The notice must comply with all requirements for a URA Notice of Relocation Eligibility as described in 49 C.F.R. § 24.203(b).

(5) The notice must inform the resident that the relocation will be completed consistent with fair housing and civil rights requirements, and it must provide contact information to process reasonable accommodation requests for residents with disabilities during the relocation.

For short-term relocations, the RAD Notice of Relocation may also contain the information required in the Notice of Return to the Covered Project (see Section 6.6(F)).

⁸⁵ Note that residents may elect to move to the relocation housing before the 90 days have elapsed. However, a PHA may not compel a resident to move prior to this time.

⁸⁶ PHAs should note that URA regulations also require, where possible, that three or more comparable replacement dwellings be made available before a resident is required to move from his or her unit.

E) URA Notice of Relocation Eligibility – for residents whose temporary relocation exceeds one year (49 C.F.R. § 24.203(b))

After a resident has been temporarily relocated for one year, notwithstanding a prior issuance of a RAD Notice of Relocation, the PHA or Project Owner must provide an additional notice: the notice of relocation eligibility in accordance with URA requirements (“URA Notice of Relocation Eligibility”). The URA Notice of Relocation Eligibility is not required if the resident has already accepted permanent relocation assistance.⁸⁷

The URA Notice of Relocation Eligibility must conform to URA requirements as set forth in 49 C.F.R. part 24 and shall:

- Provide current information as to when it is anticipated that the resident will be able to return to the Covered Project.
- Give the resident the choice to remain temporarily relocated based upon the updated information or to accept permanent URA relocation assistance at that time instead of exercising the right to return at a later time.

If the resident chooses to accept permanent URA relocation assistance and this choice requires the resident to move out of their temporary relocation housing, the URA requires that the PHA or Project Owner make available at least one, and when possible, three or more comparable replacement dwellings pursuant to 49 C.F.R. § 24.204(a), which comparability analysis is in reference to the resident’s original unit. The URA further requires that the resident receive 90 days’ advance written notice of the earliest date they will be required to move pursuant to 49 C.F.R. § 24.203(c).

⁸⁷ To illustrate, consider the following examples.

- Example 1: The household is expected to be relocated for 11 months. The resident would receive a RAD Notice of Relocation offering only temporary relocation. Construction delays result in the extension of the relocation such that, in fact, it exceeds 12 months. When the temporary relocation exceeds 12 months, the resident must receive a URA Notice of Relocation Eligibility offering a choice between continuation in temporary relocation status and permanent relocation.
- Example 2: The household is expected to be relocated for 14 months. The resident would receive a RAD Notice of Relocation offering a choice between temporary relocation status and permanent relocation. If the household elects temporary relocation, the URA Notice of Relocation Eligibility is required as an additional notice following twelve months in temporary relocation status.
- Example 3: The household is expected to be relocated for 14 months. The resident would receive a RAD Notice of Relocation offering a choice between temporary relocation status and permanent relocation. If the household elects permanent relocation, the URA Notice of Relocation Eligibility is not required.
- Example 4: The household can be accommodated with temporary relocation of 3 months, but has been offered and seeks to accept permanent relocation pursuant to an alternative housing option. This resident would receive a RAD Notice of Relocation under Section 6.6(D)(4) offering a choice between temporary relocation status (the default option) and permanent relocation (the alternative housing option), instead of the RAD Notice of Relocation under Section 6.6(D)(3) which would be expected absent a permanent relocation option. The URA Notice of Relocation Eligibility is not required in either case because a temporary relocation exceeding 12 months was never anticipated nor experienced.

F) Notification of Return to the Covered Project

With respect to all temporary relocations, the PHA or Project Owner must notify the resident in writing reasonably in advance of the resident's expected return to the Covered Project, informing the resident of:

- The entity (the PHA or the Project Owner) with primary responsibility for managing the resident's relocation;
- The address of the resident's assigned unit in the Covered Project and, if different from the resident's original unit, information regarding the size and amenities of the unit;
- The date of the resident's return to the Covered Project or, if the precise date is not available, a reasonable estimate of the date which shall be supplemented with reasonable additional notice providing the precise date;
- That the PHA or Project Owner will reimburse the resident for all reasonable out-of-pocket expenses incurred in connection with the return relocation; and
- The resident's options and the implications of those options if the resident determines that he or she does not want to return to the Covered Project and wants to decline the right of return.⁸⁸

Reasonable advance notice shall be 15% of the duration of the resident's temporary relocation or 90 days, whichever is less. For short-term relocations, the PHA or Project Owner may include this information within the RAD Notice of Relocation.

6.7. Relocation Advisory Services

Throughout the relocation planning process, the PHA and Project Owner should be in communication with the residents regarding the evolving plans for relocation. Notwithstanding this best practice, certain relocation advisory services, described below, are required by the URA.

The URA regulations require the PHA or Project Owner to carry out a relocation assistance advisory program that includes specific services determined to be appropriate to residential or nonresidential displacements. The specific advisory services to be provided, as determined to be appropriate, are outlined at 49 C.F.R. § 24.205(c). For residential displacement under the URA, a personal interview is required for each displaced resident household to determine the relocation needs and preferences of each resident to be displaced. The resident household shall be provided an explanation of the relocation payments and other assistance for which the resident may be eligible, the related eligibility requirements, and the procedures for obtaining such assistance. Advisory counseling must also inform residents of their fair housing rights and be carried out in

⁸⁸ If the resident declines to return to the Covered Project upon completion of the period of temporary relocation, the resident shall be considered to have voluntarily moved out of the property, without the benefit of further relocation assistance. For example, a PHA or Project Owner may have rented a market-rate apartment as a temporary relocation resource for a six-month period. In such a situation, the resident may decline to return to the Covered Project and choose to remain in the market-rate apartment at the expiration of the six-month period, but shall not be eligible for any further relocation assistance and payments (including rent differential payments) under this Notice, the URA or Section 104(d), if applicable, in connection with the resident's decision to remain in the temporary housing and not return to the Covered Project.

a manner that satisfies the requirements of Title VI of the Civil Rights Act of 1964, the Fair Housing Act, and Executive Order 11063 (49 C.F.R. § 24.205(c)(1)).⁸⁹ Such advisory services under the URA may include counseling to ensure that residents affected by the project understand their rights and responsibilities and the assistance available to them (49 C.F.R. § 24.205(c)). In addition, the PHA or Project Owner should inform residents that if they believe they have experienced unlawful discrimination, they may contact HUD at 1-800-669-9777 (Voice) or 1-800-927-9275 (TDD) or at <http://www.hud.gov>.

6.8. Initiation of Relocation

PHAs and Project Owners **may not initiate any involuntary physical relocation until both the RCC is in effect and the applicable RAD Notice of Relocation period has expired** (i.e., after either 30 or 90 days' notice as applicable depending on nature of the relocation, as described above). This prohibition applies to all types of RAD transactions, regardless of whether the RAD Notice of Relocation is provided after issuance of a NOIA (for conversions involving acquisition) or following the effective date of the RCC (for all other conversions). PHAs are advised to account for the required 30-day or 90-day written notice periods in their planning process, to ensure that notices which satisfy all applicable requirements are issued prior to taking any action to initiate relocation.

Neither involuntary nor voluntary relocation for the project shall take place prior to the effective date of the RCC, unless moves are authorized under Section 7, below ("Applicability of HCV and Public Housing Requirements") or unless HUD provides explicit approval which will only be provided in extraordinary circumstances. The PHA must wait until the RAD Notice of Relocation period has expired before it may initiate any involuntary relocation. However, a resident may request to move voluntarily, and the PHA may honor a resident's request to move, before the applicable 30-day or 90-day period has elapsed, provided that the PHA may not take any action to encourage or coerce a resident to make such a request. If a resident has elected an alternative housing option, PHAs are advised to ensure that any consent to voluntary permanent relocation does not expire prior to the date of the relocation, as described in Section 6.10.

HUD may use administrative data to identify and investigate projects where relocation may be occurring prior to RCC.

6.9. Records and Documentation; Resident Log

HUD may request from the PHA or Project Owner written records and documentation in order to evidence the PHA's and/or Project Owner's compliance, as applicable, with this Notice and the URA.⁹⁰ HUD may request to review some or all of such records in the event of compliance

⁸⁹ For example, under fair housing and civil rights laws, the PHA and Project Owner may be required to inform residents about and provide reasonable accommodations for individuals with disabilities, such as search assistance; take appropriate steps to ensure effective communication with individuals with disabilities, such as through the provision of auxiliary aids and services, such as interpreters and alternate format documents; provide advisory counseling services in accessible locations and in an accessible manner for individuals with disabilities; and take reasonable steps to ensure meaningful access for LEP persons. See Section 4 of this Notice for more information on these requirements.

⁹⁰ Chapter 6 of HUD Handbook 1378 includes guidance on URA recordkeeping requirements.

concerns, in the event a project is identified for additional review based on administrative data, in the event of audits for purposes of monitoring the RAD program as a whole, upon selection of a random sample of projects and/or at other times at HUD's sole discretion. The records shall include resident files for all households relocated in connection with RAD and a resident log as described in this Section.

As part of such written record, the PHA or Project Owner must maintain data sufficient to deliver to HUD a resident log of every household that resides at the Converting Project at the time of the first required resident meeting on the proposed conversion pursuant to Section 1.8 of the RAD Notice (the "First Resident Meeting") and of every household that moves into the Converting Project after the First Resident Meeting and before the conversion of assistance under RAD. If any relocation is required, the log shall track resident status through completion of rehabilitation and construction, including re-occupancy after relocation. The resident log must include, but need not be limited to, the following information:

- Name of head of household
- PHA's resident identification number and/or the last four digits of the head-of-household's Social Security Number
- The head of household's race and ethnicity as reported on the HUD Form 50058 or the HUD Form 50058 MTW (the "Form 50058"). For purposes of the resident log, all references to the Form 50058 shall be to the form most recently prepared at the time of the First Resident Meeting or, for residents who moved in after the First Resident Meeting, the form most prepared at the time of the resident's initial occupancy.
- A Yes/No indication if there is any household member reported as having a disability on the Form 50058.
- A Yes/No indication if there is any household member reported as under the age of 18 on the effective date of action of the Form 50058;
- The household's relevant unit address, unit size and household size at the following times:
 - The time of the First Resident Meeting or the time of a resident's initial occupancy if after the First Resident Meeting
 - The time of the issuance of the CHAP or the time of a resident's initial occupancy if after the issuance of the CHAP
 - Proximate and prior to the PHA or Project Owner having authority to initiate involuntary relocation activities (i.e., at the time of issuance of the RCC unless otherwise approved by HUD upon extraordinary circumstances)
 - Completion of the relocation process following construction or rehabilitation and with return of all households exercising the right of return
- The household's residence status at the time of issuance of the RCC (e.g., in residence at the Converting Project, transferred to other public housing, moved out, evicted or other with explanation)
- The household's residence status upon completion of re-occupancy (e.g., in residence at the Covered Project/never relocated, in residence at the Covered Project/temporarily relocated and returned, transferred to other public housing, moved out, evicted, permanently relocated or other with explanation)
- The following dates for each resident household, as applicable:
 - Date of the RAD Information Notice

- Date of the GIN
- Date of the CHAP
- Date of NOIA
- Date of RAD Notice of Relocation
- Date of URA Notice of Relocation Eligibility
- Date of most recent consent to voluntary permanent relocation⁹¹
- Date of relocation away from the Converting Project or Covered Project
- Dates of any intermediate relocation moves
- Date of return to the Covered Project or to the household's post-closing permanent address.⁹²
- The following information for each resident household, as applicable:
 - The type of move (e.g., the types identified in Section 6.4, above)
 - The form of any temporary relocation housing (e.g., hotel, assisted housing, market-rate housing)
 - The address and unit size of any temporary relocation housing
 - Whether alternative housing options were offered consistent with Section 6.10, below
 - Any material terms of any selected alternative housing options
 - The type and amount of any payments for
 - Moving expenses to residents and to third parties
 - Residents' out-of-pocket expenses
 - Rent differential payments or other payments for temporary or permanent rental assistance, together with the rent and utilities (if applicable) that were the basis for the calculations
 - Any other relocation-related compensation or assistance

6.10. Alternative Housing Options

Under the RAD Notice, “involuntary permanent relocation” is prohibited and each resident must be able to exercise his or her right of return to the Covered Project. A PHA or Project Owner is permitted to offer a resident alternative housing options when a resident is considering his or her future housing plans, provided that at all times prior to the resident's decision, the PHA and Project Owner preserve the resident's ability to exercise his or her right of return to the Covered Project.

A) Requirements for Any Offer of Alternative Housing Options

All residents who are similarly situated must be given the same offer of alternative housing options. If the PHA or Project Owner seeks to limit the number of households that accept the

⁹¹ The most recent consent must be within 180 days of the actual relocation date, as discussed in Section 6.10(D).

⁹² In the case of voluntary permanent relocation, the date of “return” may be the same as the date of relocation away from the Converting Project.

offer of alternative housing options, the PHA or Project Owner shall determine a fair and reasonable method for selection among similarly situated residents.⁹³

In connection with any offer and acceptance of alternative housing options, the PHA or Project Owner must ensure that the residents' decisions are: 1) fully informed; 2) voluntary; and 3) carefully documented. Any alternative housing option must include, at a minimum, all relocation assistance and payments required under this Notice, the URA and Section 104(d), as applicable, and may include other elements. Funds administered by HUD may not be used to pay any monetary elements not required under this Notice, the URA or Section 104(d).

Acceptance of an alternative housing option is considered voluntary permanent relocation and the accompanying RAD relocation assistance and payments for which the resident may be eligible must be administered in accordance with all requirements for an eligible displaced person under the URA and its implementing regulations and, where applicable, Section 104(d) and its implementing regulations.

PHAs may not propose or request that a displaced person waive rights or entitlements to relocation assistance under the URA or Section 104(d). The PHA must provide a written notice of URA or Section 104(d) relocation assistance and payments for which the resident may be eligible so that the resident may make an informed housing choice. The resident must be provided at least thirty (30) days to consider the offer of voluntary permanent relocation and the resident's acceptance of the PHA's offer of voluntary permanent relocation must be in writing signed by the head of the household for that unit.

B) Assisted Housing Options as Alternatives

Alternative housing option packages may include a variety of housing options and PHAs and Project Owners shall take particular care to ensure program compliance with the regulations applicable to the alternative housing options. Examples of alternative housing options may include:

- Transfers to public housing
- Admission to other affordable housing properties subject to the program rules applicable to such properties
- Housing Choice Vouchers (HCVs) subject to standard HCV program administration requirements. PHAs must operate their HCV programs, including any HCVs offered as an alternative housing option, in accordance with their approved policies as documented in their Section 8 Administrative Plan and HUD regulations at 24 C.F.R. part 982. Any offer of an HCV as an alternative housing option must be made consistent with the

⁹³ For example, if the RAD conversion is financed by LIHTC and a few residents would not meet LIHTC program requirements, the PHA and Project Owner may want to offer these household alternative voluntary permanent relocation options. However, they must offer the same alternative housing options to all such households. As a second example, if the PHA and Project Owner seek to create two on-site vacancies of a particular unit size in order to facilitate temporary relocation on-site, the PHA may offer an alternative housing option of a housing choice voucher to all residents of applicably sized units (assuming that to do so is consistent with the PHA's voucher administration policies), and conduct a lottery to select the two households which will receive the vouchers.

PHA's admission preferences and other applicable policies and procedures set forth in the Section 8 Administrative Plan.

- Homeownership programs subject to the applicable program rules
- Other options as may be identified by the PHA and/or Project Owner

C) Monetary Elements Associated With Alternative Housing Options

A PHA or a Project Owner may include a monetary element in an alternative housing option package, provided that:

- Any monetary element associated with the alternative housing option shall be completely distinct from and in addition to any required RAD, URA or Section 104(d) relocation payments and benefits for which the resident is eligible ("Required Relocation Payments").
- No funds administered by HUD may be used to pay for any monetary element associated with the alternative housing option other than Required Relocation Payments.
- Any monetary element associated with the alternative housing option other than Required Relocation Payments must be the same amount offered to all similarly situated households.⁹⁴
- Any alternative housing option package must comply fully with the disclosure and agreement provisions of this Notice.

D) Disclosure and Agreement to Alternative Housing Options

In providing an offer of alternative housing options to a resident, the PHA or Project Owner must inform the resident in writing of: a) his or her right to return;⁹⁵ b) his or her right to comment on and/or object to plans which would preclude the resident from returning to the Covered Project; c) the requirement that if the resident objects to such plans, the PHA or Project Owner must alter the project plans to accommodate the resident in the Covered Project; and d) a description of both the housing option(s) and benefits associated with the right of return and the alternative housing options and benefits being offered. In the description of the available housing options and benefits, the PHA or Project Owner shall include a description of any temporary housing options associated exercising the right of return and a description of any permanent alternative housing options as well as a reasonable estimate of the financial implications of all temporary and permanent options on the resident long-term.

⁹⁴ Monetary payments other than Required Relocation Payments are considered "temporary, nonrecurring or sporadic income" pursuant to 24 C.F.R. § 5.609(c)(9) and consequently are excluded from income for purposes of eligibility and assistance calculations under certain HUD programs. Residents should be reminded that monetary payments other than URA relocation payments may be taxable under the Internal Revenue Code, that monetary payments, including required relocation payments, may affect residents' eligibility for other assistance programs and that the resident should seek knowledgeable guidance on these matters, including guidance on the taxation of monetary payments under state law.

⁹⁵ In the case of a transfer of assistance to a new site a significant distance from the Converting Project as described in Section 6.4(E), the resident shall be informed of the resident's right to return to the Covered Project at the new site and of the resident's right to an assisted unit within a reasonable distance of the site of the Converting Project, as described in Section 6.4(E).

The written notification may request written consent from the resident to exercise the alternative housing option and receive permanent relocation assistance and payments pursuant to RAD, the URA and/or Section 104(d), as applicable, in addition to any benefits associated with the alternative housing option. As part of any voluntary consent, the resident head of household must acknowledge in writing that acceptance of such assistance terminates the resident's right to return to the Covered Project. In order to ensure that the resident has sufficient time to seek advice and consider the alternative housing options, any consent to an alternative housing option executed within 30 days of the written presentation of the options shall be invalid.

Any offer of alternative housing options must be made in writing and the acceptance of the alternative must be voluntary and in writing. The offer of an alternative housing option must contain the following elements:

- The resident is informed of his or her right to return to the Covered Project and that neither the PHA nor the Project Owner can compel the resident to relinquish his or her right to return. The offer of alternative housing options must clearly state that acceptance of any alternative would relinquish the resident's right to return to the Covered Project.
- The offer of an alternative housing option must be accompanied by identification of comparable housing units which the resident may use to understand the nature of housing options available to them and the rent and estimated utility costs associated with such housing options. This information must also be accompanied by a reasonable estimate of any replacement housing payment or "gap payment" for which the resident may be eligible.
- The offer of an alternative housing option must be accompanied by information regarding moving payments and assistance that would be available if the resident exercises the right of return and if the resident accepts the alternative housing option.
- Residents must be offered advisory assistance to consider their options.
- To be fully informed, the offer must outline the implications and benefits of each alternative housing option being made available (i.e., of accepting each alternative housing option as compared to exercising his or her right to return) as well as a reasonable estimate of when the resident's relocation might occur. Implications and benefits include payment amounts, differences in rent calculations, differences in program rules, housing location, and potential long-term implications such as household housing expenses multiple years in the future.
- To be fully voluntary, the resident must have at least thirty (30) days following delivery of the written offer to consider their options. LEP persons must be provided a written translation of the offer and oral interpretation of any meetings or counseling in the appropriate language. In addition, PHAs must comply with their obligation to ensure effective communication with persons with disabilities.
- The resident cannot be asked to make a decision which will be implemented at a distant future time. Consequently, the resident may not provide written consent to an alternative housing option (and consequently, consent to voluntary permanent relocation) until after

the earlier of issuance of the NOIA or the effective date of the RCC.⁹⁶ If a resident signs a written consent to accept an alternative housing option, that written consent is valid for 180 days. If relocation (after the applicable notice periods) has not occurred within this 180 day period, then the PHA or Project Owner must secure a new consent to accept an alternative housing option. New relocation notices are generally not required.

- The acceptance must be in writing signed by the resident head of household, including a certification of facts to document that the household is relinquishing its right to return and that the decision and the acceptance of the alternative housing option was fully informed and voluntary.
- Residents accepting alternative housing options to relinquish their right to return will be considered to have voluntarily and permanently relocated. Such residents are to be provided applicable RAD, URA and/or Section 104(d) relocation assistance and payments.

The information included with the offer of alternative housing options is to aid the resident in making decisions regarding the desirability of the alternative housing options and neither satisfies nor replaces the relocation notices and information required to be provided to residents pursuant to this Notice, the URA or Section 104(d).

While HUD does not require PHAs to submit documentation of alternative housing options offered to residents or the residents' elections, PHAs must keep auditable written records of such consultation and decisions. HUD may request this documentation at any time, including as part of a review of the Checklist or if relocation concerns arise.

6.11. Lump Sum Payments

PHAs and Project Owners should note that certain relocation payments to displaced residential tenants may be subject to 42 USC § 3537c ("Prohibition of Lump-Sum Payments") and must be disbursed in installments. The PHA or Project Owner may determine the frequency of the disbursements which must be made in installments. Handbook 1378, Chapter 3-7(D) provides guidance on the manner and frequency of disbursing payments subject to this requirement.

Any monetary element beyond Required Relocation Payments which may be associated with an alternative housing option described in Section 6.10, above, is not relocation assistance and is therefore not subject to the requirements regarding lump sum payments.

SECTION 7. APPLICABILITY OF HCV AND PUBLIC HOUSING REQUIREMENTS

7.1. HCV Waiting List Administration Unrelated to the RAD Transaction

From time to time, a resident of a Converting Project may place themselves on the PHA's waiting list for HCVs independent of any planned RAD transaction. With respect to residents of a Converting Project prior to the effective date of the HAP contract, PHAs should continue to

⁹⁶ The PHA and Project Owner should note that securing resident consent to an alternative housing option may delay the issuance of the RAD Notice of Relocation. The RAD Notice of Relocation must be specific to whether the resident will be temporarily or permanently relocated.

administer their HCV waiting list in accordance with their Section 8 Administrative Plans. Residents who rise to the top of the HCV waiting list independent of any preference for relocating RAD residents or other RAD provisions and accept an HCV are not considered to be relocated as a result of the RAD conversion. Standard administration of the PHA's HCV waiting list is not considered relocation.

7.2. HCV Waiting List Administration Related to the RAD Transaction

From time to time, a PHA may wish to use HCV resources as a relocation option in connection with a RAD transaction. In order to do so, a PHA must modify its Section 8 Administrative Plan to provide a preference for relocating RAD residents and the PHA is subject to Section 6.8 of this Notice relating to initiation of relocation. Further, if a PHA provides a preference for relocating RAD residents, the PHA must be explicit regarding the nature of the HCV as a relocation resource. If the PHA anticipates using the HCV as a temporary relocation resource, the PHA must recognize that it cannot rescind an HCV once issued to the resident (i.e., the family would have to voluntarily relinquish their voucher and may choose to remain in the HCV program indefinitely). The PHA must also provide a preference for admission to the Covered Project in order to satisfy the right to return. Alternatively, if the PHA anticipates using the HCV as a voluntary permanent relocation resources, the PHA must comply with the alternative housing options provisions of Section 6.10.⁹⁷

7.3. Public Housing Transfers Unrelated to the RAD Transaction

From time to time, a resident of a Converting Project may request a transfer to another public housing property independent of any planned RAD transaction. With respect to residents of a Converting Project prior to the effective date of the HAP contract, PHAs must continue to administer their admissions and occupancy procedures as adopted. Any prohibitions in this Notice on implementing relocation do not apply to residents requesting public housing transfers, moves pursuant to the Violence Against Women Act (VAWA)⁹⁸ or reasonable accommodation moves. Standard administration of the PHA's admissions and occupancy policy is not considered relocation.⁹⁹ Transfers not undertaken for the RAD project are not subject to URA. However, it is recommended that the PHA document the transfer carefully, including an acknowledgement by the resident that the transfer is not undertaken for the RAD project, is not

⁹⁷ PHAs and Project Owners should note that while in most cases, there is no rent differential between the tenant paid rent in a public housing unit and in an HCV, there are some situations (such as flat rent households) where a difference does exist. Rental assistance payments under the URA are required if there is a difference between these two amounts.

⁹⁸ Title IV, section 40001-40703.

⁹⁹ Standard administration of the PHA's admissions and occupancy policy is permitted. However, HUD is sensitive to concerns that discussion of the planned RAD conversion and construction activities may cause residents to perceive a pressure to transfer without the counseling and moving assistance which would be available were the household to wait until relocation. If relocation at the Converting Project is planned, PHAs are strongly advised to document any such transfers carefully and to provide any households moving under standard admissions and occupancy policies with additional notices referencing the assistance and payments which would be available if the household were to remain in place until the relocation plan is implemented.

subject to URA requirements and that the resident is moving notwithstanding the guidance in the GIN or other relocation guidance from the PHA.

7.4. Resident Initiated Public Housing Transfers Related to the RAD Transaction

Pursuant to Section 1.8 of the RAD Notice, households in the Converting Project who do not want to transition to the Section 8 program may be offered, if available, the opportunity to move to other public housing owned by the PHA. Such move shall be implemented as a transfer and shall be prioritized equivalent to a “demolition, disposition, revitalization or rehabilitation transfer” as described in Section 11.2 of the applicable Public Housing Occupancy Guidebook. Transfers for this purpose do not require any modification to the PHA’s admissions and occupancy policy and may occur at any time pursuant to the PHA’s admissions and occupancy policy. Transfers for this purpose, while initiated by the resident, are the result of the PHA-initiated RAD transaction and the PHA must bear the reasonable costs of transfer. The reasonable cost of the transfer includes not just the cost of packing, moving, and unloading, but also the cost of disconnecting and reconnecting any existing resident-paid services such as telephone and cable television. The PHA must also document that the resident’s transfer request is fully informed and fully voluntary, which documentation must include an acknowledgement by the resident that the transfer is not undertaken at the request of the PHA or under pressure from the PHA, that the resident is moving notwithstanding the guidance in the GIN or other relocation guidance from the PHA and that the resident is withdrawing from participation in the RAD program and consequently losing rights, including the right to return, which accrue to residents participating in the RAD program. A public housing resident who voluntarily seeks a public housing transfer is generally not considered to be displaced under the URA or Section 104(d), where applicable.

7.5. Public Housing as a Temporary Relocation Resource

PHAs and Project Owners may wish to mitigate the relocation budget associated with the RAD conversion by using units within the PHA’s portfolio as relocation resources. In light of its mission to serve as many low-income households as possible, including its need to accommodate emergency transfers (such as moves pursuant to VAWA), the PHA should minimize the use of the public housing units not converting under RAD for temporary relocation of RAD impacted residents. HUD has a strong preference that the PHA use the units within the PHA’s Converting Projects as a temporary relocation resource prior to using units in the remainder of the PHA’s public housing portfolio. PHAs may elect not to lease units within the Converting Projects or, if necessary, the remainder of its portfolio, for this purpose only to the extent reasonably necessary to facilitate construction or rehabilitation.

Upon the effective date of the HAP contract (usually also the effective date of the RAD conversion), each resident of a Covered Project becomes a participant in the Section 8 program and is no longer part of the public housing program. A PHA may use public housing as a temporary relocation resource if approved by HUD, which approval shall depend on the proposed structure. PHAs wishing to use public housing units as a temporary relocation resource must consult with HUD’s Office of Public and Indian Housing (PIH) prior to the formal request for HUD approval. It is unlikely that HUD would approve a request to use public housing units

as a relocation resource for a period exceeding one year after the effective date of the HAP contract.

If HUD grants approval, HUD shall provide alternative requirements regarding PIH Information Center (PIC) documentation of the occupancy of these temporary relocation resources. PHAs must follow any guidance or instructions regarding treatment of the public housing units in HUD's data systems as may be provided from time to time.

PHAs and Project Owners should note that, absent written approval, if a resident seeks to occupy a public housing unit after the effective date of the HAP contract, the resident would need to be readmitted to public housing in a manner consistent with the waitlist and admissions policies and must exit the Section 8 program.

7.6. Terminations (Including Evictions) and End of Participation Unrelated to the RAD Transaction

Public housing program requirements related to continued occupancy and termination, including rules on grievances and related hearings, remain in effect until the effective date of a new PBV or PBRA HAP contract. If a resident is evicted in accordance with applicable state and local law and the eviction is not undertaken for the purpose of evading the obligation to make available RAD relocation and URA payments and other assistance, the resident is generally not entitled to relocation assistance and payments under this Notice or the URA (49 C.F.R. § 24.206). If a resident voluntarily ends his or her participation in the public housing program, in the absence of evidence that the end of participation was induced by the PHA for the purpose of evading the obligation to make available RAD relocation and URA payments and other assistance, the resident is generally not entitled to relocation assistance and payments under this Notice or the URA.

7.7. Right-Sizing

Public housing, PBV and PBRA requirements mandate that, upon the availability of a unit which is appropriate for the household size, the PHA or Project Owner must transfer a household that is under- or over-housed into the unit appropriate to the household's size. However, accommodating all residents pursuant to the right of return has primacy over right-sizing requirements and may, in some cases, require temporarily over-housing households. In such circumstances, the PHA or Project Owner shall subsequently transfer the household to an appropriate size unit when available, as is required by the applicable program regulation. Such actions shall be governed by the applicable program regulation and shall not be considered relocation under this Notice.

Housing

APPENDIX I: Applicable Legal Authorities

APPENDIX II: Recommended Relocation Plan Contents

APPENDIX I: Applicable Legal Authorities

Part 1

This Appendix to the Notice identifies key legal authorities with respect to fair housing, civil rights, and resident relocation. This Appendix is not exhaustive of applicable legal authorities, which authorities may also include other Federal statutes, regulations and Executive Orders, and civil rights provisions related to other programs (including funding programs) associated with the RAD transaction.

Fair Housing Act (Title VIII of the Civil Rights Act of 1968, as amended)

The Fair Housing Act, 42 U.S.C. § 3601 et seq., and its implementing regulations, 24 C.F.R. part 100, prohibit discrimination in the sale, rental, and financing of dwellings, and in other housing-related transactions, based on race, color, national origin, religion, sex, disability, or familial status. The Fair Housing Act applies to for-sale and rental housing, whether the housing is privately or publicly funded, including housing supported by tax credits. Single family homes, condominiums, apartment buildings, time-shares, dormitories, transitional housing, homeless shelters that are used as a residence, student housing, assisted living housing, and other types of housing are all covered by the Fair Housing Act.

Among its substantive provisions, the Fair Housing Act requires “covered multifamily dwellings,” designed and constructed for first occupancy after March 13, 1991, to be readily accessible to and usable by persons with disabilities. In buildings with four or more dwelling units and at least one elevator, all dwelling units and all public and common use areas are subject to the Act’s design and construction requirements. In buildings with four or more dwelling units and no elevator, all ground floor units and public and common use areas are subject to the Act’s design and construction requirements.¹⁰⁰ In addition, the Fair Housing Act requires that housing providers make reasonable accommodations in rules, policies, and services, when such accommodations may be necessary to afford a person with a disability equal opportunity to use and enjoy a dwelling unit, including public and common use areas, and that housing providers permit reasonable modifications of existing premises for persons with disabilities.

The Fair Housing Act also requires HUD to administer HUD programs and activities in a manner that affirmatively furthers fair housing (42 U.S.C. § 3608(e)(5)). HUD’s affirmatively furthering fair housing (“AFFH”) rule in 24 C.F.R. §§ 5.150-5.180 will apply to PHAs (except for qualified PHAs) for the PHA’s fiscal year that begins on or after January 1, 2018 for which a new 5-year plan is due, as provided in 24 C.F.R. § 903.5. The affirmatively furthering fair housing regulations will apply to qualified PHAs, for the PHA’s fiscal year that begins on or after January 1, 2019 for which a new 5-year plan is due, as provided in 24 C.F.R. § 903.5.¹⁰¹

¹⁰⁰ See 42 U.S.C. § 3604(f)(3)(c) and 24 C.F.R. § 100.205.

¹⁰¹ For purposes of the AFFH rule, “[a]ffirmatively furthering fair housing means taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing under the AFFH rule means taking meaningful actions that, taken together, address

Additional detail and discussion of the interplay between the Fair Housing Act, Section 504, and Titles II or III of the Americans with Disabilities Act as these authorities relate to accessibility requirements is described in Part 2 of this Appendix.

United States Housing Act of 1937 (1937 Act)

The United States Housing Act of 1937 (1937 Act) (42 U.S.C. § 1437c-1(d)(15)) requires PHAs to submit a 5-year plan and an Annual Plan. Pursuant to HUD regulations, the Annual Plan includes a certification by the PHA that the PHA will affirmatively further fair housing.

Title VI of the Civil Rights Act of 1964

Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*) and HUD's implementing regulation (24 C.F.R. part 1) prohibit recipients of Federal financial assistance from discriminating, excluding from participation, or denying benefits to, any person on the basis of race, color, or national origin. In addition, Title VI regulations prohibit HUD recipients of Federal financial assistance from utilizing criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin (24 C.F.R. § 1.4(b)(2)(i)). When determining the site or location of housing, recipients may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination on the ground of race, color, or national origin (24 C.F.R. § 1.4(b)(3)). An applicant or recipient of HUD financial assistance also has an obligation to take reasonable action to remove or overcome the consequences of prior discriminatory practices regardless of whether the recipient engaged in discriminatory conduct (24 C.F.R. § 1.4(b)(6)).

Recipients of Federal financial assistance are required to take reasonable steps to ensure meaningful access to their programs and activities for persons who have limited ability to read, speak, or understand English – i.e., individuals who have limited English proficiency (LEP). This includes oral and written communications during relocation and throughout a RAD transaction. Such language assistance may include, but is not limited to, providing written translation of notices regarding the plans for the project and relocation and oral interpretation at meetings. Otherwise, LEP persons may be denied participation in, and the benefit of, the recipients' program or activity. On January 22, 2007, HUD issued "Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons" (LEP Guidance), available at: http://www.lep.gov/guidance/HUD_guidance_Jan07.pdf.¹⁰²

significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws." 24 C.F.R. § 5.150. Meaningful actions means significant actions that are designed and can be reasonably expected to achieve a material positive change that affirmatively furthers fair housing by, for example, increasing fair housing choice or decreasing disparities in access to opportunity. See 24 C.F.R. § 5.152.

¹⁰² See also Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, which requires recipients of Federal financial assistance to take reasonable steps to provide meaningful access to

Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973 provides: “No otherwise qualified individual with a disability in the United States ... shall, solely by reason of her or his disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, service or activity receiving Federal financial assistance.”¹⁰³

Among other things, HUD’s regulations implementing Section 504 (in 24 C.F.R. part 8) prohibit recipients of Federal financial assistance, in determining the site or location of a facility receiving such assistance, from making site selections the purpose or effect of which would (1) exclude qualified individuals with disabilities from or deny them the benefits of a program or activity, or otherwise subject them to discrimination; or (2) defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with disabilities.¹⁰⁴ These prohibitions apply to both determining the site of permanent facilities and a site for relocation of residents.

Furthermore, HUD’s implementing regulations prohibit discrimination, the denial of benefits, or the exclusion of participation of individuals with disabilities from the programs or activities of recipients of federal financial assistance because a recipient’s facilities are inaccessible. Such recipients must provide qualified individuals with disabilities with program access, which may require modification of architectural features of facilities in RAD transactions for individuals with disabilities to have access to the program. Certain architectural specifications apply to facilities that are altered or newly constructed with HUD financial assistance, such as facilities where assistance is transferred and facilities used as temporary or permanent relocation sites for residents of a project undergoing a RAD conversion. If alterations are made to a housing facility, the alterations to dwelling units in the facility are required, to the maximum extent feasible (i.e., if doing so would not impose undue financial and administrative burdens on the operation of the project), to be made readily accessible to and usable by individuals with disabilities. If alterations taken to a development that has 15 or more units and the cost of the alterations is 75% or more of the replacement cost of the completed facility (except when it requires removal of structural load-bearing members), or if the facility is newly constructed, then a minimum of 5% of the total dwelling units, or at least one unit in a development, whichever is greater, must be made accessible for persons with mobility impairments. An additional 2% of the units, but not less than one unit, in a development must be accessible for persons with hearing and vision impairments.

In addition, regulations implementing Section 504 require recipients to make reasonable accommodations for persons with disabilities. A reasonable accommodation is a change, adaptation, or modification to a policy, program, service, or workplace which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Section 504 also includes effective communication requirements, such as

their programs and activities for LEP persons. E.O. 13166 directs all Federal agencies, including HUD, to issue guidance to help recipients of Federal financial assistance in providing such meaningful access to their programs.

¹⁰³ 29 U.S.C. § 794. HUD’s Section 504 regulation that applies to recipients of Federal financial assistance, including PHAs and Project Owners, is located at 24 C.F.R. part 8.

¹⁰⁴ 24 C.F.R. § 8.4(b)(5).

providing interpreters and alternate format documents (e.g., Braille, large print, accessible electronic communications) for persons with disabilities.

Additional detail and discussion of the interplay between Section 504, the Fair Housing Act, and Titles II or III of the Americans with Disabilities Act as these authorities relate to accessibility requirements is described in Part 2 of this Appendix.

Titles II and III of the Americans with Disabilities Act

Title II of the Americans with Disabilities Act (ADA) prohibits discrimination on the basis of disability in all services, programs, and activities provided or made available by public entities. Title II of the ADA applies to housing developed or operated by state and local governments, which includes a PHA. Title III of the ADA prohibits discrimination on the basis of disability by public accommodations and requires places of public accommodation and commercial facilities to be designed, constructed, and altered in compliance with established accessibility standards. For example, Title III applies to rental offices, sales offices, homeless shelters, hotels and motels, and commercial spaces associated with housing, such as daycare centers, social service offices, and sales and retail establishments. Titles II or III also will generally apply to community spaces and facilities, such as neighborhood networks, to computer centers (including the computers in the centers), and to transportation services and conveyances provided by PHAs and Project Owners.

Additional detail and discussion of the interplay between Titles II and III of the Americans with Disabilities Act, the Fair Housing Act, and Section 504 of the Rehabilitation Act as these authorities relate to accessibility requirements is described in Part 2 of this Appendix.

Section 109

Section 109 of the Housing and Community Development Act of 1974 (HCDA of 1974), Title I, prohibits discrimination on the basis of race, color, national origin, disability, age, religion, and sex in Community Development Block Grant (CDBG) programs and activities. Section 109 applies to RAD projects that receive CDBG or other assistance under Title I of the HCDA of 1974.

In addition to its responsibility for enforcing other Federal statutes prohibiting discrimination in housing, HUD has a statutory obligation under Section 109 to ensure that individuals are not subjected to discrimination on the basis of race, color, national origin, disability, age, religion, or sex by recipients of CDBG funds. Section 109 charges HUD with enforcing the right of individuals to live in CDBG-funded housing and participate covered programs and activities free from such discrimination. However, this additional statutory authority only applies to programs authorized under Title I of the HCDA of 1974, such as CDBG and programs, such as Section 108 loan guarantees and the Historically Black Colleges and Universities program.

Equal Access to HUD-assisted or HUD-insured Housing

HUD requires its housing programs to be open to all eligible individuals and families regardless of sexual orientation, gender identity or marital status. HUD recipients and subrecipients must comply with 24 C.F.R. § 5.105(a)(2) when determining eligibility for housing assisted with HUD

funds or subject to an FHA-insured mortgage, and when making such housing available. This includes making eligibility determinations and making housing available regardless of actual or perceived sexual orientation, gender identity, or marital status, and prohibiting inquiries about sexual orientation or gender identity for the purpose of making eligibility determinations or making housing available. Applicants are encouraged to become familiar with these requirements, HUD's definitions of sexual orientation and gender identity at 24 C.F.R. § 5.100, clarifications to HUD's definition of family at 24 C.F.R. § 5.403, and other regulatory changes made through HUD's Equal Access Rule, published in the Federal Register at 77 FR 5662 (Feb. 3, 2012).

Section 3: Economic Opportunities for Low- and Very Low-income Persons.

Certain HUD programs require recipients of assistance to comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. § 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects), and the HUD regulations at 24 C.F.R. part 135. The regulations at 24 C.F.R. part 135 implementing Section 3 ensure, to the greatest extent feasible, that training, employment, contracting and other economic opportunities be directed to low- and very low-income persons, especially recipients of government assistance for housing, and to businesses that provide economic opportunities to low- and very low-income persons where proposed project is located. Recipients of funds covered by Section 3 must comply with 24 C.F.R. part 135, particularly subpart B-Economic Opportunities for Section 3 residents and Section 3 Business Concerns, and Subpart E-Reporting and Recordkeeping. HUD encourages recipients to search the national Section 3 Business Registry to find local businesses that prioritize hiring Section 3 residents.

Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, 42 USC § 4601 *et seq.* (URA) is a Federal law that establishes minimum standards for programs or projects receiving Federal financial assistance that include the acquisition of real property (real estate) and/or displace persons from their homes, businesses, or farms as a result of acquisition, rehabilitation, or demolition.¹⁰⁵ The URA implementing Federal regulations can be found at 49 C.F.R. part 24. Project-Based Voucher (PBV) and Project-Based Rental Assistance (PBRA) are considered Federal financial assistance for purposes of the URA. As a result, the URA will apply to acquisitions of real property and relocation of persons from real property that occur as a direct result of acquisition, rehabilitation or demolition for a project that involves conversion of assistance to PBV or PBRA programs under RAD.

¹⁰⁵ For additional guidance, see HUD Handbook 1378 Tenant Assistance, Relocation, and Real Property Acquisition), available at: http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/library/relocation/policyandguidance/handbook1378.

Section 104(d) of the Housing and Community Development Act of 1974

Section 104(d) of the Housing and Community Development Act of 1974, as amended, 42 USC § 5304(d), (Section 104(d)), is a Federal law that applies when a lower-income dwelling is demolished or converted (as conversion is defined in accordance with 24 C.F.R. § 42.305) to a use other than lower-income housing in connection with a Community Development Block Grant Program (CDBG) or HOME Investment Partnerships Program (HOME) funded activity. Under Section 104(d), a lower-income person is considered displaced and, therefore eligible for Section 104(d) relocation assistance if the person permanently moves from real property or permanently moves personal property from real property as a direct result of the demolition or conversion of a lower-income dwelling to a use other than lower-income dwelling unit in connection with a CDBG or HOME funded activity. The Section 104(d) one-for-one replacement housing requirements may apply with respect to occupied and vacant occupiable lower-income dwelling units that are demolished or converted to a use other than lower-income dwelling units in connection with CDBG or HOME funded activity. Section 104(d) implementing regulations can be found at 24 C.F.R. part 42, Subpart C. Additional HUD policy and guidance for Section 104(d) is available in HUD Handbook 1378, Chapter 7.

Part 2 – Accessibility Requirements

Federal accessibility requirements apply to all RAD projects – whether they include new construction, alterations, or existing facilities. Applicable laws include, but are not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act, and Titles II or III of the Americans with Disabilities Act (ADA). A PHA or Project Owner must comply with each law that applies to its project and with the requirement that provides the most accessibility when two or more laws apply. All three laws include new construction requirements. Substantial alterations, additions, rehabilitation and existing facilities must be in compliance with applicable requirements of Section 504 and the ADA.¹⁰⁶ All three laws may also require reasonable accommodations or modifications.

Accessibility Requirements for New Construction

The Fair Housing Act requires all “covered multifamily dwellings” designed and constructed for first occupancy after March 13, 1991, to be readily accessible to and usable by persons with disabilities. In buildings with four or more dwelling units and at least one elevator, all dwelling units and all public and common use areas must meet the Fair Housing Act’s design and construction requirements. In buildings with four or more dwelling units and no elevator, all ground floor units and public and common use areas must meet the Fair Housing Act’s design and construction requirements. The Fair Housing Act requires that all covered multifamily dwellings be designed and constructed so that public and common use areas are readily accessible to and usable by persons with disabilities; all doors are sufficiently wide to allow passage by persons using wheelchairs; all units contain accessible routes into and through the dwelling unit; light switches, electrical outlets, thermostats, and other environmental controls are in accessible locations; reinforcements are installed in bathroom walls to allow later installation

¹⁰⁶See 24 C.F.R. § 100.205 (Fair Housing Act) and 24 C.F.R. §§ 8.22 and 8.23 (Section 504). See also 28 C.F.R. § 35.151(b) and 28 C.F.R. part 36 (ADA Titles II and III regulations, respectively).

of grab bars; and kitchens and bathrooms are usable such that a person in a wheelchair can maneuver about the space.¹⁰⁷ These design and construction requirements apply whether the housing is privately or publicly funded, including housing supported by tax credits.¹⁰⁸

New construction of a multifamily housing project containing five or more dwelling units is also subject to physical accessibility requirements under Section 504. Under Section 504, a “project” includes all residential and appurtenant structures, equipment, roads, walks, and parking lots which are covered by a single contract or application for Federal financial assistance, or are treated as a whole for processing purposes, whether or not they are located on a single site.¹⁰⁹ The accessibility standards for new construction under Section 504 are the Uniform Federal Accessibility Standards (UFAS).¹¹⁰ HUD recipients may also use the 2010 ADA Standards for Accessible Design under title II of the ADA, except for certain specific identified provisions, as detailed in HUD’s Notice on “Instructions for use of alternative accessibility standard,” published in the Federal Register on May 23, 2014 (“Deeming Notice”). This option exists until HUD formally revises its Section 504 regulation to adopt an updated accessibility standard. Refer to HUD’s Deeming Notice for more information.

Section 504 also requires that a minimum of 5% of the total dwelling units or at least one unit, whichever is greater, is required to be accessible for persons with mobility impairments. An additional 2% of the total dwelling units or at least one unit, whichever is greater, is required to be accessible for persons with vision and hearing impairments.¹¹¹ HUD may prescribe a higher percentage or number of units upon request by any affected recipient or by any State or local government or agency based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data, or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without disabilities.¹¹²

Title II of the ADA prohibits discrimination on the basis of disability in all services, programs, and activities provided or made available by public entities. Title II of the ADA applies to housing programs, including housing developed or operated by state and local governments, which includes PHAs. Title III of the ADA prohibits discrimination on the basis of disability by public accommodations, including rental offices, and requires places of public accommodation and commercial facilities to be designed, constructed, and altered in compliance with established accessibility standards. All newly constructed or altered facilities, including facilities altered to

¹⁰⁷ See 24 C.F.R. § 100.205.

¹⁰⁸ For more information about the design and construction provisions of the Fair Housing Act, see www.fairhousingfirst.org. See also the Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Accessibility (Design and Construction) Requirements for Covered Multifamily Dwellings Under the Fair Housing Act (April 30, 2013), available at: www.hud.gov/offices/fheo/library/hudjointstatement.pdf.

¹⁰⁹ See 24 C.F.R. § 8.3.

¹¹⁰ The UFAS are available at <https://www.access-board.gov/guidelines-and-standards/buildings-and-sites/about-the-aba-standards/ufas>). See also 24 C.F.R. § 8.32.

¹¹¹ See 24 C.F.R. § 8.22.

¹¹² See HUD regulation at 24 C.F.R. § 8.22(c).

comply with program access and readily achievable barrier removal obligations that exist under Titles II or III of the ADA, must comply with the U.S. Department of Justice's ADA architectural accessibility standards as described in the following U.S. Department of Justice Technical Assistance document ADA Requirements, Effective Date/Compliance Date (Feb. 2011), http://www.ada.gov/revised_effective_dates-2010.htm.

Accessibility Requirements for Alterations

If a building was constructed for first occupancy after March 13, 1991, the building must be in compliance with, and all alterations must maintain the building's accessible features so that the building continues to meet, the Fair Housing Act's accessibility requirements. In addition, without regard to the date of construction for first occupancy, certain alterations may be required under the Fair Housing Act if requested by a resident as a reasonable accommodation or modification or otherwise required to remediate accessibility deficiencies in the design and construction of the building.

Under HUD's Section 504 regulation, alterations include any structural change in a facility or a change to its permanent fixtures or equipment. If alterations are undertaken to a project that has fifteen or more units and the cost of the alterations is 75% or more of the replacement cost of the completed facility, this qualifies as "substantial alterations," in which the new construction provisions of 24 C.F.R. § 8.22 apply.¹¹³

When alterations are made that do not qualify as substantial alterations, alterations to dwelling units in a multifamily housing project shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with disabilities.¹¹⁴ If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once 5% of the dwelling units in a housing project are readily accessible to and usable by individuals with mobility impairments, no additional elements of dwelling units or entire dwelling units are required to be accessible under this provision. However, alterations to meet ongoing accessibility needs are always required, for example, in response to a reasonable accommodation request. Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with disabilities. For purposes of this paragraph, the phrase "to the maximum extent feasible" shall not be interpreted as requiring that a recipient (including a PHA) make a dwelling unit, common area, facility or element thereof accessible if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.¹¹⁵

All altered facilities covered by Titles II or III of the ADA must be altered in accordance with the U.S. Department of Justice's 2010 ADA Standards for Accessible Design and applicable ADA

¹¹³ See 24 C.F.R. § 8.23(a). The sole exception is that load bearing structural members are not required to be removed or altered.

¹¹⁴ HUD may require a higher number or percentage of accessible units pursuant to 24 C.F.R. § 8.22(c) and 24 C.F.R. § 8.23(b)(2).

¹¹⁵ 24 C.F.R. § 8.23(b).

regulations, unless subject to certain safe harbors identified in the 2010 ADA revised regulations for Titles II and III, as applicable.¹¹⁶

HUD will consider on a case-by-case basis a PHA's request to undertake limited new construction on the site of a Covered Project undergoing rehabilitation to comply with accessibility requirements on the site.

Additional Accessibility Requirements for Both New Construction and Alterations

Accessible units must be distributed throughout projects and sites and be available in a sufficient range of sizes and amenities so that a qualified individual with disabilities' choice of living arrangements is, as a whole, comparable to that of other persons eligible under the same program.¹¹⁷ This provision shall not be construed to require provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade.

PHAs are encouraged to use universal design principles, visitability principles and active design guidelines in planning new construction or retrofit work, wherever feasible. However, adherence to universal design principles does not replace compliance with the accessibility requirements of Section 504, the ADA and the Fair Housing Act.

Program Accessibility Requirements

Under Section 504, recipients must operate each existing housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is accessible to and usable by individuals with disabilities. Title II of the ADA also includes a program access requirement, while Title III of the ADA requires readily achievable barrier removal.¹¹⁸ Further, Section 504, the Fair Housing Act, and the ADA require that reasonable accommodations/modifications be granted to address disability-related needs of individuals with disabilities.¹¹⁹

¹¹⁶ See <http://www.ada.gov/regs2010/2010ADASTandards/2010ADASTandards.htm>.

¹¹⁷ See 24 C.F.R. §§ 8.26 and 8.27.

¹¹⁸ See 28 C.F.R. § 35.150; 28 C.F.R. § 36.304.

¹¹⁹ For more information on reasonable accommodations, see the HUD/DOJ Joint Statement on Reasonable Accommodations Under the Fair Housing Act at <http://portal.hud.gov/hudportal/documents/huddoc?id=JOINTSTATEMENT.PDF>. While this joint statement focuses on the Fair Housing Act, the principles discussed in the statement generally apply to requests for reasonable accommodation under Section 504, except, for purposes of Section 504, HUD recipients are required to provide and pay for structural modifications as a reasonable accommodation.

APPENDIX II: Recommended Relocation Plan Contents

While RAD mandates written relocation plans only for projects which involve permanent relocation (including, without limitation, a move in connection with a transfer of assistance) or temporary relocation anticipated to last longer than one year, HUD strongly encourages PHAs to document their relocation planning process and procedures in a written relocation plan. The following provides suggested content for required and recommended relocation plans. In the case of any discrepancy between this description of the recommended relocation plan contents and the provisions of the Notice to which this Appendix is attached or any applicable laws or regulations with respect to the URA or Section 104(d), the provisions of the Notice or applicable laws and regulations shall govern.

The basic elements of the relocation plan include:

- A general description of the project and project elements that may create relocation needs;
- Information on residents of the project and eligibility for relocation assistance and payments;
- Information regarding how the project will address the RAD right to return requirements and the project's re-occupancy policies;
- A detailed discussion of plans for temporary relocation assistance;
- A detailed discussion of any transfer of assistance;
- A detailed discussion of any offers of alternative housing options and plans for voluntary permanent relocation assistance;
- A detailed discussion of compliance with fair housing and civil rights requirements, including accessibility requirements;
- The relocation budget; and
- The appeals process.

The plan as a whole should discuss the specific steps to be taken to minimize the adverse impacts of relocation on the residents.

I. Project Summary

The Relocation Plan should provide a general description of the property (e.g., year built, location, number of units, configuration, resident population served). The project summary should also identify the nature of the activities to be undertaken, including acquisition, demolition, rehabilitation, and construction activities and additional detail regarding the project scope (e.g., gut rehab, systems replacement, modest in-unit renovations, transfer of assistance). The project summary should also discuss how any construction activities are to be implemented (i.e., vacate the property entirely, vacate specific floors or buildings, rehabilitation with residents in place). The summary should also discuss the overall theory of relocation, for example, whether a few households will be relocated off-site and the vacant units will be used as temporary housing before other households move back to their original units (a "hoteling" approach), or whether the vacant units will be permanently occupied, with the residents vacating other units to be renovated (a "domino" approach).

The relocation plan should also identify the funding sources which may trigger relocation requirements, with particular attention to the potential presence of HOME or CDBG funds which may trigger Section 104(d) requirements.

II. Project Occupancy

The Relocation Plan should provide information on occupancy of the property including the number of residents, their household type (family, elderly), any non-residential (commercial) occupants, and should identify how any routine needs (such as continuation of utilities such as telephone service) and civil rights compliance issues (for example, limited English proficiency, disabilities, reasonable accommodations and unit modifications that have been or may be necessary) shall be identified and addressed. The Relocation Plan may specify the community meetings, interviews and/or other processes that will be undertaken to assess the residents' needs.

The Relocation Plan should also address eligibility for relocation assistance and payments, applying the rules of the Notice to the particularities of the project.

III. Resident Return and Re-occupancy Policies

The Plan should address how the project will honor the RAD right to return requirements and the “no re-screening upon conversion” policy. With respect to residents who will be temporarily relocated, the Plan should include the methodology that will be used to determine the sequence in which residents will re-occupy units at the project after rehabilitation, demolition, and/or construction is completed, and to determine how residents are matched with units if the residents are not able to return to their original unit. For example, if units will come online in stages, the plan should outline how the PHA or Project Owner will determine when each resident will return to the property.

IV. Temporary Relocation Assistance

The plan should detail the temporary housing resources to be used, the anticipated duration of temporary relocations, notices to be provided and the temporary relocation assistance the PHA or Project Owner will provide for residents (Paragraph 2-7 of HUD Handbook 1378). Topics to be addressed in the Plan include:

- Temporary Housing Resources. The Plan should identify the nature and availability of the temporary housing resources the PHA or Project Owner anticipates using. On-site resources are generally preferred. However, in some cases, PHAs or Project Owners may need to use hotel rooms for short-term relocations, or market-rate apartments. If the PHA or Project Owner anticipates using other assisted housing resources (such as HCVs, public housing or other properties with regulatory restrictions), the PHA or Project Owner should take particular care to address regulatory issues.
- Allocation of Temporary Relocation Resources. The Plan should describe a fair and reasonable methodology for allocating temporary relocation housing to residents on a nondiscriminatory basis.
- Duration of Temporary Relocation. In the event that the Plan includes relocation which is anticipated to exceed one year, it should detail the requirements which apply to those

residents (such as the issuance of a *Notice of Relocation* to the resident covering eligibility for URA relocation assistance, the offer of permanent relocation assistance and payments at URA levels and, if conditions warrant, the subsequent issuance of a *Notice of Eligibility*) as distinct from requirements that apply to residents who are not relocated for more than one year.

- Packing and Moving Assistance. The Plan should address how the PHA or Project Owner intends to provide or reimburse for packing and moving services and expenses. Considerations the Plan may want to address include:
 - Instructions and supplies (e.g., boxes, markers, tape) to be provided if residents prefer to pack their own personal possessions and items of value;
 - Assistance in packing to be provided if residents need assistance or prefer not to pack their personal possessions;
 - Guidance on how residents request to pack their own possessions or to receive packing assistance; and
 - How the PHA or Project Owner intends to provide or reimburse for moving services and expenses. The PHA or Project Owner can choose to do one or more of the following:
 - Undertake the moves itself, using employees of the PHA or Project Owner or “force account labor”¹²⁰
 - Use a contractor or moving company
 - Reimburse residents for all actual, reasonable and necessary moving expenses.
- Storage. The Plan should address whether storage of the resident’s personal property is necessary and the arrangements for such storage.
- Damage or Loss. The Plan should address Insurance for the replacement value of the property in connection with the move and necessary storage and/or the replacement value of property lost, stolen, or damaged in the process of moving (not through the fault or negligence of the displaced person, his or her agent, or employee) where insurance covering such loss, theft, or damage is not reasonably available.
- Out-of-Pocket Expenses. The nature of out of pocket expenses vary based on the nature of the temporary relocation moves. For example, hotel stays or in-place renovation may trigger the need for reimbursement of meals while a kitchen is unavailable. The Plan should outline the anticipated out-of-pocket expenses and the PHA’s or Project Owner’s plans and budget with respect to these expenses.
- Leasing Arrangements. The Plan should address whether the resident will have a direct lease or other contractual relationship with the owner of the temporary relocation resource or whether the PHA or Project Owner will hold the lease and the resident will maintain a contractual relationship with the PHA or Project Owner.
- Utility Costs. The Plan should address whether residents will need to disconnect and reconnect necessary utilities and, if so, how the PHA or Project Owner anticipates managing this process and any associated expenses. Necessary utilities may include telephone, cable service, Internet access or other items. The Plan should address payment of utility deposits, if required at the temporary relocation housing (HUD Handbook 1378, paragraph 2-7(A)(3)).

¹²⁰ Defined at 24 C.F.R. 905.108.

- Reasonable Accommodations. The plan should address whether residents with disabilities will require reasonable accommodations during temporary relocation and, if so, how the PHA or Project Owner anticipates ensuring the provision of reasonable accommodations and any associated expenses. Reasonable accommodations may include, among other items, the provision of transportation assistance, relocation to locations which are physically accessible and located near public transportation, and modifications to policies to allow individuals with disabilities to reside with a live-in aide.

V. Transfer of Assistance

Relocation planning in the context of transfer of assistance is particularly complex. The PHA should address how RAD, URA and Section 104(d) requirements each apply, as the same activity may be treated differently under each regulatory framework. The Plan should specifically outline the PHA's procedures to ensure that the applicable requirements are applied to each situation appropriately. The Plan should also address whether relocation is required for any businesses or residents at the destination site. Finally, the Plan should address whether two moves – from the public housing site to an intermediate site and then to the transfer of assistance site – are necessary while the Covered Project is being constructed or rehabilitated.

VI. Alternative Housing Options and Voluntary Permanent Relocation Assistance

If the PHA or Project Owner seeks to offer alternative housing options, the Plan should identify those options and the manner in which they are presented to residents for decision. The plan should also outline the counseling the PHA or Project Owner will provide to assist the residents in determining what options may be available and the financial implications of those options, for example,

1. Discussion of whether units available in the market (either in the affordable market or the unrestricted market) will meet the financial and dwelling requirements of relocated residents;
2. The general area or location of unit(s);
3. Where applicable, the accessibility of such units for individuals with disabilities;
4. Criteria for receiving relocation assistance; and
5. Any other information that might benefit residents in their consideration of housing choices.

The Plan should identify how the PHA or Project Owner will work with any residents who have elected voluntary permanent relocation. The Plan should further include a description of the permanent relocation assistance the PHA or Project Owner will provide to such residents. Topics to be addressed in the Plan include:

- Replacement Housing. The Plan should address the availability of comparable replacement housing, the notices to be provided and the provisions to ensure that appropriate accessibility features are available in compliance with applicable laws and regulations.

- Fair housing considerations. The Plan should address referrals to housing not located in areas of minority concentration and compliance with requirements regarding accessible housing for persons with disabilities. The Plan should address how the PHA or Project Owner will determine if residents have paid for the acquisition and/or installation of accessible features in the housing from which they are being relocated and how the PHA or Project Owner will ensure that the replacement housing contains required and comparable accessible features or that the resident is appropriately compensated for the cost of acquiring and/or installing required and comparable accessible features.
- Packing and Moving Assistance. The Plan should address how the PHA or Project Owner intends to provide or reimburse for packing and moving services and expenses. Considerations the Plan may want to address include:
 - Instructions and supplies (e.g., boxes, markers, tape) to be provided if residents prefer to pack their own personal possessions and items of value;
 - Assistance in packing to be provided if residents need assistance or prefer not to pack their personal possessions;
 - Guidance on how residents request to pack their own possessions or to receive packing assistance; and
 - How the PHA or Project Owner intends to provide or reimburse for moving services and expenses consistent with 49 C.F.R. § 24.301 or, at the resident's option, 49 C.F.R. § 24.302.
- Storage. The Plan should address whether storage of the resident's personal property is necessary and the arrangements for such storage. See 49 C.F.R. § 24.301(g)(4).
- Damage or Loss. The Plan should address Insurance for the replacement value of the property in connection with the move and necessary storage and/or the replacement value of property lost, stolen, or damaged in the process of moving (not through the fault or negligence of the displaced person, his or her agent, or employee) where insurance covering such loss, theft, or damage is not reasonably available.
- Dislocation Allowance. The Plan should address when the resident is entitled to a dislocation allowance and the amount of such dislocation allowance, consistent with the URA Fixed Residential Moving Cost Schedule available at: www.fhwa.dot.gov/real_estate/uniform_act/relocation/moving_cost_schedule.cfm.
- Appliances. The Plan should address disconnecting, dismantling, removing, reassembling, and reinstalling relocated household appliances and other personal property.
- Security Deposits and Utility Costs. The Plan should address how the PHA or Project Owner anticipates managing transfer of utility arrangements, security deposits and any associated expenses. Utilities may include telephone, cable service, Internet access or other items that may have been in place in the resident's original home. See 49 C.F.R. § 24.301(h)(12).
- Replacement Housing Payment. The Plan should address the circumstances in which displaced residents may be entitled to a replacement housing payment (RHP) to cover the

increase, if any, in monthly housing costs for a 42-month period pursuant to URA requirements or a 60-month period pursuant to Section 104(d).¹²¹

VII. Relocation Budget

Based on the results of the planning process, the PHA or Project Owner should create a relocation budget that includes the following six components:

- 1) The cost of administering the plan and providing assistance and counseling.
- 2) Reasonable moving expenses for a person with disabilities, which may include the cost of moving assistive equipment that is the personal property of the residents, the furnishings and personal belonging of a live-in aide, and/or other reasonable accommodations (HUD Handbook 1378, Paragraph 3-2).
- 3) The cost of the physical move of the residents' belongings. (It is suggested that the move costs be broken down by average cost per move type multiplied by the number of moves.) This physical move cost total should be based on the move scenarios anticipated or projected by the resident survey. The move costs should consider:

For temporary relocation moves:

- Number and cost of two-way moves (i.e., a move to another unit and then a return move) within the same building/complex.
- Number and cost of two-way moves to a unit not in the same building/complex

For permanent moves:

- Number and cost of one-time moves into another unit in the same building/complex.
 - Number and cost of one permanent move to a unit not within the same building/complex
 - Any required dislocation allowance
- 4) The estimated cost of projected increases in monthly housing costs and other expenses for temporary relocation (if applicable).
 - 5) The estimated cost of projected replacement housing payments (RHP) (42-month period for URA or 60-month period if Section 104(d) applies).
 - 6) Contingency costs estimated for carrying out the relocation process necessary to complete the proposed project.

¹²¹ See also, CPD Notice 2014-09 "Effective Date of Moving Ahead for Progress in the 21st Century Act (MAP-21) Changes to Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) Payment Limits and Replacement Housing Payment Eligibility Criteria."

VIII. Written and Oral Communications with Individuals with Disabilities and LEP Persons and Use of Accessible Meeting Locations

The Plan should identify how the PHA or Project Owner will take appropriate steps to ensure effective communication with residents and other individuals with disabilities involved in the relocation, such as through the provision of sign language and other interpreters and large print, Braille, accessible electronic, and other alternate format written communications. The Plan should identify the measures to be taken to ensure the most integrated meeting settings appropriate to individuals with disabilities. The Plan should identify how the PHA or Project Owner will ensure meaningful access for LEP persons, such as through written materials and oral communications provided in languages other than English.

IX. Appeal Process

The Plan should specify the procedures to be followed if a resident disagrees with the PHA's or Project Owner's decision as to the resident's eligibility to receive relocation assistance, the amount of a relocation payment, or the adequacy of a comparable replacement dwelling offered to a resident. These procedures should include the process for filing a written appeal to the displacing agency and the specific appeal procedures to be followed consistent with 49 C.F.R. 24.10 (and 24 C.F.R. § 42.390 if Section 104(d) is involved).

X. Certification

The Plan should contain a certification of compliance with this Notice (or H 2014-09/PIH 2014-17, if applicable), the URA, fair housing and civil rights requirements and, if applicable, Section 104(d).

Technical Assistance

For detailed technical assistance regarding the contents or provisions of a written relocation plan, the PHA or Project Owner should direct questions to their RAD Transaction Manager or email rad@hud.gov.
