INTRODUCTION

The Pennsylvania Housing Authorities Law, Act of May 28, 1937, P.L. 955 No. 265, as amended July 5, 2012, P.L.1093, No. 130 (Act 130), requires the Philadelphia Housing Authority (PHA) to prepare and submit a comprehensive written report each year. The law requires that the report address PHA's operations, administration, management, finances, legal affairs, housing production and development, and other related activities. The Act 130 report must be submitted to the following elected officials: the Secretary of Community and Economic Development; the Majority and Minority Leaders of the Senate; the Chair and Minority Chair of the Committee on Urban Affairs of the Senate; the Majority and Minority Leaders of the House of Representatives; the Chair and Minority Chair of the Committee on Urban Affairs of the House of Representatives; and, the Mayor of Philadelphia and the President of Council.

This Fiscal Year (FY) 2024 Act 130 Annual Report provides the information required pursuant to Act 130 for the period of April 1, 2023 through March 31, 2024, including the following:

- Chapter I provides information on PHA's organization, including a mission and vision statement, the current organizational structure and profiles of the executive management team and the PHA Board of Commissioners.
- Chapter II provides an update on major activities undertaken and progress made in FY 2024 in the areas of housing production and neighborhood development.
- Chapter III provides an update on major activities undertaken and progress made in FY 2024 in the areas of operations, management, and administration.
- Chapter IV provides an update on PHA legal matters for FY 2024.
- Chapter V and Appendix A provide information on agency finances, including the most recent audit report of PHA financial statements (FY 2023), completed by independent, licensed certified public accountants.
- Chapter VI summarizes PHA's planned activities for the next fiscal year (FY 2025) across all areas of the agency, as
 detailed in the Moving to Work (MTW) Annual Plan. A copy of the MTW Annual Plan, which was approved by HUD in
 March 2024, is included as Appendix B.

Note that this Report must be submitted by April 30 of each year and, prior to submission, requires approval by the PHA Board. As such, there may be variances between data reported herein and that reported by PHA to HUD or other stakeholders based on reconciliations performed after the Act 130 Report submission. This Act 130 Annual Report reflects PHA's continuing commitment to inform its stakeholders, partners, residents, staff, and the public about the mission, goals, and work the agency seeks to accomplish.

CHAPTER I - THE ORGANIZATION

Overview

Philadelphia Housing Authority (PHA) is the largest provider of affordable housing in the City of Philadelphia and the fourth largest public housing authority in the United States. PHA is one of a small number of public housing authorities in the country to be designated by the U.S. Department of Housing and Urban Development (HUD) as a Moving to Work (MTW) agency. MTW is a demonstration program authorized by Congress that provides PHA with regulatory and funding flexibility in the administration of the public housing (PH) and Housing Choice Voucher (HCV) programs.

Approximately 80,000 Philadelphia citizens live in apartments or houses owned or supported by PHA. These affordable units are located throughout the City in the form of conventional and scattered site public housing developments, Low Income Housing Tax Credit (LIHTC) developments, and properties provided with rental assistance through Housing Choice Vouchers. PHA also operates affordable homeownership programs that assist public housing residents and HCV participants to purchase their first homes.

PHA serves many of Philadelphia's lowest-income citizens. More than 90% of households have incomes that are less than 50% of Area Median Income (AMI), with the vast majority having incomes that are less than 30% of AMI. Seniors, children under the age of 18, and persons with disabilities comprise the majority of PHA residents. Almost all new admissions are for households with incomes less than 30% of AMI. Under federal law, rents paid by PHA residents and voucher participants are restricted based on household income. Given the very low average incomes of PHA residents, the agency relies almost entirely on federal subsidies for operating support. The Public Housing Operating Fund establishes a formula by which PHA, and other housing authorities receive funding for management and operations.

As of the Fiscal Year ending March 31, 2024, PHA's public housing portfolio is approximately 12,900 units. The size of the public housing portfolio varies from year-to-year to reflect changes to inventory including changes that result from adding new public housing and other units (including those built with local development partners) and from converting public housing units to project-based assistance through the Rental Assistance Demonstration (RAD) program as discussed below. PHA utilizes HUD's Capital Fund Program funding and other leveraged funds to address capital needs. However, although PHA provides a critical resource for those in greatest need, in recent decades, the federal government has divested from Public Housing, resulting in over a \$70 billion national backlog of unmet capital needs. PHA's backlog of unfunded capital and redevelopment needs within the public housing portfolio is currently estimated to exceed \$3.8 billion.

Over the course of the fiscal year, PHA continued to aggressively pursue and implement strategies to leverage its limited capital resources to preserve and revitalize the aging public housing inventory while catalyzing broader neighborhood redevelopment. A major element of PHA's ongoing efforts to preserve existing affordable units and to create new replacement units for non-viable housing involves the conversion of public housing units to long-term Section 8 project-based assistance either through HUD's RAD and/or Section 18 disposition programs. Through Section 18 dispositions, PHA is able to access tenant protection vouchers that can then be project-based, allowing for private equity to be raised to ensure preservation of converted public housing units. Through RAD conversions, PHA is able to generate additional private equity and other resources needed to preserve its existing aging housing stock while also collaborating with local organizations to develop new affordable housing units.

In addition to its inventory of public housing units, PHA provides rental subsidies under the HCV Program to approximately 21,000 low-income households who live in privately-owned housing. Vouchers are utilized to provide both tenant-based and project-based assistance (including RAD developments). A significant number of project-based units subsidized by PHA are owned by local non-profit agencies that serve special needs populations and provide supportive services for residents.

PHA's voucher programs include MTW tenant-based vouchers as well as special purpose vouchers authorized by HUD, such as the Veterans Affairs Supportive Housing Program (VASH), Family Unification Program (FUP), Single Room Occupancy (SRO), Moderate Rehabilitation (MOD), Foster Youth to Independence and Mainstream programs. In addition to serving veterans and their families, PHA has a major focus on serving homeless families and individuals including through the Emergency Housing Voucher program.

Given the enormous needs of PHA residents and HCV participants, PHA supports a broad range of supportive service programs designed to promote economic self-sufficiency for families, enhance the education and healthy development of young residents, and maximize the potential for independent living among seniors and people with disabilities. These efforts include direct services and partnership initiatives.

Despite ongoing challenges related to inadequate capital funding, PHA's financial position remains sound and continues to improve through prudent fiscal management, coupled with streamlining and cost reduction efforts undertaken over the past several years. As further detailed in Chapter V, PHA received a clean FY 2023 audit (the most recent period for which audited statements are available), and the Agency's Net Position continued to increase and become stronger, reflecting sound financial management. The strength of PHA's finances was further supported in November 2023 when S&P Global Ratings revised the outlook to positive from stable and affirmed its 'AA-' issuer credit rating (ICR) on PHA and its 'AA-' rating on the agency's series 2017 general revenue bonds.

Mission and Vision

PHA's mission is to open doors to affordable housing, economic opportunity and safe, sustainable communities to benefit Philadelphia residents with low incomes. To support accomplishment of this mission, PHA adopted a long-term Strategic Directions Plan that identifies twelve (12) strategic priorities:

- 1. Improve, preserve and expand the supply of affordable housing available to Philadelphia's residents with low incomes;
- 2. Achieve excellence in the provision of management and maintenance services to PHA residents;
- 3. Create safe communities in collaboration with neighborhood residents and law enforcement agencies;
- 4. Enhance resident well-being and independence through partnerships for employment, job training, education, health, and other evidence-based supportive services;
- 5. Improve access to quality housing choices and opportunity neighborhoods through the Housing Choice Voucher Program;
- 6. Incorporate energy conservation measures and sustainable practices throughout PHA operations;
- 7. Improve customer service, streamline operations, and create a business model that is data-driven and high-performing;
- 8. Conduct PHA business in an open and transparent manner that promotes accountability and access, ensures diversity, and adheres to the highest ethical standards;
- 9. Strengthen existing relationships and forge new public, private, and philanthropic partnerships to support PHA's strategic goals;
- 10. Make PHA an employer of choice with an accountable, diverse, trained, and productive workforce;
- 11. Ensure that PHA is a good neighbor and reliable community partner; and
- 12. Encourage innovation and promote PHA's financial health through ongoing participation in the Moving to Work Program.

The activities described in the body of this Report, as well as in the agency's MTW Annual Plans, all support PHA's strategic priorities.

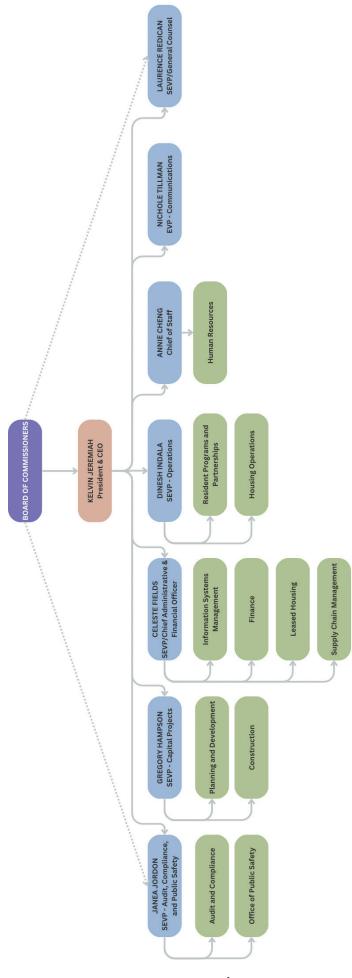

Organizational Structure

PHA was organized in 1937 under the laws of the Commonwealth of Pennsylvania to develop, acquire, lease, and operate affordable housing programs for low and moderate-income residents of the City of Philadelphia. A nine-member Board of Commissioners governs PHA, with monthly public meetings, approximately eleven times per year, convened to address PHA business.

PHA's President & CEO, Kelvin A. Jeremiah, reports to the Board and has full responsibility for leadership and management of all PHA operations.

PHA employs over 1,100 employees and is considered an industry leader in property development, acquisitions, and management of affordable housing. The current organizational structure is depicted below.

PHA ORGANIZATIONAL CHART

Executive Team Profiles

Kelvin A. Jeremiah, President & Chief Executive Officer

Kelvin A. Jeremiah has served as PHA's President & Chief Executive Officer since March 2013. As President & CEO, Mr. Jeremiah establishes a vision and provides strategic direction and leadership on all agency matters, reporting directly to the Board of Commissioners. He was appointed to the position after serving as the HUD-appointed Administrative Receiver and the Interim Executive Director, where he organized and directed a successful Recovery Plan that corrected major deficiencies in PHA's operations and governance and returned the agency to local control. Under his leadership, PHA has been reformed and transformed, returning to its core mission of creating and preserving affordable housing, and opening doors to opportunity for low-income families with children, seniors, and people with disabilities. He has directed efforts to rout out fraud and abuse and built a new administrative/management infrastructure that supports and rewards innovation, accountability, excellence, and high ethical standards. He reallocated resources to provide rental assistance to new families, streamlined operations to eliminate a long-standing structural deficit, and aggressively sought out and forged partnerships with community groups, non-profit and for-profit developers, philanthropies, and social service organizations.

Under Mr. Jeremiah's leadership, PHA is implementing a \$3.8 billion portfolio-wide asset management strategy and has built, funded or preserved thousands of affordable housing units. He directed PHA's successful efforts to secure three Choice Neighborhoods Implementation grants and three Choice Neighborhoods Planning grants. He has taken the lead in revitalizing Sharswood, one of Philadelphia's most distressed neighborhoods, including implementing a plan to build 1,200 mixed income units and consolidating all of PHA's administrative operations in a new headquarters built on Ridge Avenue. He led PHA's collaboration with the City to revitalize the North Central neighborhood through the Choice Neighborhoods Program. HUD Secretary Marcia Fudge visited North Central in 2022 to celebrate completion of the final housing phase. He has spearheaded PHA's efforts to preserve and expand affordable housing through the RAD program, while advancing an array of community development initiatives including the selection of four community-based partners to renovate vacant and distressed PHA properties in the Brewerytown neighborhood for sale to low and moderate-income Philadelphia households.

Mr. Jeremiah came to PHA after serving as Inspector General for the New York City Housing Authority, the nation's largest housing authority, with a portfolio of 178,000 units housing, over 450,000 residents, an HCV Program with nearly 100,000 participating families, and an operating budget of over \$3.5 billion.

Mr. Jeremiah received a Bachelor's degree in History/Business Administration from Pace University, a Master of Arts in American Social History from Rutgers University, and a Master of Public Administration from American International College, after emigrating from Grenada to the United States as a teenager. Mr. Jeremiah is a Certified Public Purchasing Official, a Certified Public Housing Management Specialist, a member of the Association of Inspectors General, and a member of the National Leased Housing Association Board.

Annie Cheng, Chief of Staff

Annie Cheng is Chief of Staff, reporting to PHA's President & CEO. She is responsible for directing and managing the Executive Office, overseeing Human Resources and coordinating the activities of the senior team. She acts on behalf of the President & CEO as representative and primary liaison to external and internal constituents. She has been with PHA since 2006, starting out as a technical aide for the HCV Program before serving as a Business Analyst for the Information Systems Management Department. As a Senior Management Specialist in the Strategic Planning Office, she led the department in tracking and ensuring completion of the PHA Recovery Plan, the development of MTW Plans and Reports, and the development of the Management Action Plan. Ms. Cheng received a B.S. in Management Information Systems from Drexel University.

Robert Clark, Vice President of Public Safety

Robert W. Clark is Vice President of Public Safety, reporting to the Senior Executive Vice President of Public Safety, Audit and Compliance. He is responsible for overseeing PHA's public safety initiatives and transforming the agency's former policing model to a new structure focused on crime prevention, diversion, social justice, and creating secure PHA neighborhoods through collaboration with residents. Mr. Clark has 35 years of local, federal and international law enforcement experience. In 1989, he began his career at the Youngstown Police Department. His varied experience eventually led him to the U.S. Department of Justice FBI field office in Los Angeles, CA where he served as Assistant Special Agent in Charge, managing an annual budget of more than \$25 million and leading more than 350 agents and task force officers from 10 agencies, focusing on gangs, violent crime, drug cartels and crimes against children.

Celeste Fields, Senior Executive Vice President/Chief Administrative & Financial Officer

Celeste Fields serves as Senior Executive President/Chief Administrative & Financial Officer for PHA, reporting to the President & CEO. She is responsible for providing strategic direction, leadership, coordination and oversight for administrative programs and activities of the agency, including Financial Management and Budget, Information Systems Management, Supply Chain Management, and Leased Housing. She develops, oversees and implements the Agency's \$563 million dollar budget and comprehensive strategies to promote the long-term financial strength and stability of the Agency. She currently serves as President of PhillySEEDS, Inc., a 501(c)(3) that supports PHA residents; Chairperson of the Philadelphia Asset & Property Management Corporation (PAPMC), a subsidiary of PHA; Chairperson of the Philadelphia Housing Authority Development Corporation (PHADC), a subsidiary of PHA; and as Chairperson of PHA's Pension Board. Ms. Fields has worked at PHA since 2000 and earned a Bachelor of Science Degree in Business Administration/Accounting from Drexel University.

Gregory Hampson, Senior Executive Vice President, Capital Projects

Gregory Hampson is Senior Executive Vice President of Capital Projects, reporting to the President & CEO. He oversees PHA's major housing construction, planning and capital projects, including overseeing third party contractors. He previously served as the Deputy Director of Conventional and Scattered Site Operations for the Housing Authority of Baltimore City. Prior to rejoining PHA in 2017 in his current role, he had worked at PHA overseeing its Development and Construction Department. Mr. Hampson has a B.S. in Electrical Engineering from Temple University and is in the process of obtaining his Master's Certificate as a Project Management Professional from George Washington University.

Faisal Hassan, Executive Vice President & Chief Technology Officer

Faisal Hassan is Executive Vice President & Chief Technology Officer, reporting to the Senior Executive Vice President/ Chief Administrative & Financial Officer. In this role, he directs and oversees the operations of PHA's Information Systems Management department, which provides software applications and networking support to the entire agency. Mr. Hassan has decades of experience in computer technology. He started out at PHA in 1998 as a system developer and advanced over time to his current position. During his PHA tenure, the agency developed and implemented an extensive array of IT projects, including local and wide area networks; PeopleSoft financial, human resources, payroll, supply chain and other applications; PeopleSoft CRM, which includes customer case management and work order/field services; a public housing application system that is used to manage housing applicants, customers, houses/units and occupancy; online reports that provide current financial and operation information for management; and numerous other applications and initiatives. Mr. Hassan has a Master of Science degree in Software Design from Temple University and a Bachelor of Science degree in Computer Science from Rowan University. He also has an Associate Certificate of Project Management from George Washington University.

Bret Holden, Executive Vice President, Leased Housing Department

Bret Holden is Executive Vice President of the Leased Housing Department, reporting to the Senior Executive Vice President/ Chief Administrative & Financial Officer. In this role, he oversees PHA's Housing Choice Voucher program, including tenant-based and project-based programs, the Housing Mobility Program and other related initiatives. He has worked at PHA since 2000 and was promoted to his current position from the Director of Leased Housing's Eligibility and Special Program Department. One of his major initiatives as Director was the lease-up of over 4,000 new housing opportunities as part of the Strategic Directions plan initiative launched by the President & CEO. Mr. Holden holds Bachelor's Degrees in Labor and Industrial Relations and Political Science from Penn State and Drexel University.

Makeeda Holley, Executive Vice President, Resident Programs and Partnerships

Makeeda Holley is Executive Vice President of Resident Programs and Partnerships, currently reporting to the Senior Executive Vice President for Operations. She directs and oversees PHA's supportive service program initiatives, designed to increase resident economic self-sufficiency, support youth educational attainment and career development, and maximize the potential for independent living among PHA senior and disabled residents. This includes overseeing both direct services and third-party programs that are provided under contracts with PHA. Prior to joining PHA in 2019, she worked for eight years at District 1199C, an affiliate of the National Union of Hospital and Health Care Employees, as the Director of Workforce Development. She managed the union's Training and Upgrading Fund with programs and class offerings based on the needs of both the healthcare industry and its employers. She is an adjunct faculty member at Jefferson University's School of Continuing and Professional Studies. Ms. Holley holds a Master of Science degree in Urban Policy Analysis and Management from the New School University in New York and a Bachelor of Science degree in Social Work from Temple University. She also has Labor Leadership Certification from Penn State University, an Ascending Leadership Certification for nonprofits from Bryn Mawr College, and has served as an Aspen Institute Sector Skills Fellow.

Dinesh Indala, Senior Executive Vice President, Housing Operations

Dinesh Indala is Senior Executive Vice President of Housing Operations, reporting to the President & CEO. He directs and oversees all property management and maintenance activities for PHA's public housing portfolio, including properties managed by PHA's PAPMC affiliate, and oversees the Resident Programs & Partnerships Division. He oversees more than 800 employees at housing developments throughout the City, including having responsibility for emergency and routine service orders, admissions and leasing, rent collections, recertifications, resident supportive services and other functions. Mr. Indala earned a B.S. in Mechanical Engineering from DEI University in Agra, India and an M.S. in Industrial Engineering/Quality & Reliability from Rutgers University. He is also Lean/6 Sigma certified by Villanova University.

Janea Jordon, Senior Executive Vice President, Public Safety, Audit and Compliance

Janea Jordon is Senior Executive Vice President of Public Safety, Audit and Compliance, reporting to PHA's President & CEO. In this role, she is tasked with leading the transformation of PHA's reimagined public safety office from a policing workforce model, to a public safety structure focused on crime prevention, diversion, social justice, and creating and sustaining secure, safe PHA neighborhoods through collaboration with myriad stakeholders, especially residents, who share PHA's goals for safe, crime free, respectful, inclusive and engaged communities. In addition, Ms. Jordon directs and oversees PHA's internal audits, investigations, and compliance-related activities. This includes Authority-wide efforts to identify and reduce risks, ensuring that policies, procedures, laws and regulations are followed throughout PHA, and safeguarding the efficient and effective use of resources. She also serves as the primary point of contact for all external audits and reviews. Ms. Jordon has worked at PHA since 2005, previously serving as the head of PHA's Quality Assurance Department and Deputy Director of Audit and Compliance. Ms. Jordon is a graduate of Spelman College and the Georgia Institute of Technology.

Laurence Redican, Esq., General Counsel and Chief Ethics Officer, Senior Executive Vice President, Office of the General Counsel

Laurence Redican serves as Senior Executive Vice President, General Counsel and Chief Ethics Officer of PHA, reporting to the President & CEO. He oversees and directs all PHA legal strategy and matters through the Office of General Counsel, where he supervises a team of PHA attorneys and directs the work of outside counsel. He serves as Secretary for the PHA Board of Commissioners, and also on the PHA Pension Board. He joined PHA as the Deputy General Counsel for Transactions, Regulatory, and Administrative Matters. Until 2011, he was the Deputy General Counsel of the New York City Housing Authority. Mr. Redican received his B.A. in History from the State University of New York at Binghamton and his J.D. from the St. John's University School of Law.

Nichole Tillman, Executive Vice President, Communications Department

Nichole Tillman is Executive Vice President of the Communications Department, reporting to the President & CEO. In this role, she designs, oversees and directs PHA's internal and external media and communication initiatives. She serves as Agency spokesperson, responsible for communicating PHA's messaging to employees and residents, stakeholders, and the media. She also serves as a member of the PHA Pension Board. She began her career as a book publicist in New York City, after which she became the first in-house publicist for USA WEEKEND Magazine. While serving as the Vice President of Publicity for the World Famous Harlem Globetrotters, she implemented over 200 publicity campaigns throughout the U.S. and abroad and secured multiple first-time national media appearances, along with traditional and trade media coverage. She has also created and directed partnerships with several major media companies, including Viacom, Disney, Paramount, and many others. Ms. Tillman is a graduate of Norfolk State University.

Nnena Ukwa, Vice President, Finance

Nnena Ukwa is Vice President of Finance, reporting to the Senior Executive Vice President/Chief Administrative & Financial Officer. She oversees and directs PHA's accounting, bookkeeping, budget, and related financial operations. She has worked at PHA since 2005, starting as a Compliance Specialist and later promoted to Manager of Internal Audit. Before joining PHA, Ms. Ukwa worked for a public accounting firm for several years. Ms. Ukwa is a Certified Public Accountant, received a Bachelor of Science in Accounting degree from the University of Massachusetts and a Master of Business Administration in Finance degree from LaSalle University.

Dave Walsh, Executive Vice President, Supply Chain Management

Dave Walsh is Executive Vice President of Supply Chain Management, reporting to the Senior Executive Vice President/ Chief Administrative & Financial Officer. He oversees and directs PHA's procurement, contracts, contract administration, fleet, and warehouse operations. Prior to joining PHA in 2008, he worked as Senior Vice President of Purchasing and Operations for Computer Expressions, a Philadelphia manufacturer of computer accessories. He also worked at Cardinal Health in Swedesboro, NJ, an \$8.1 billion a year distributor of pharmaceuticals, where he was the Logistics Manager and was Lean/6 Sigma Project Sponsor certified. He began his career as an Officer with the U.S. Army (92A, Commander) spending six years specializing in maintenance, supply, and purchasing and contracting. Mr. Walsh has a B.A. in Fine Arts and Russian from Kutztown University.

Kimberly Woods, Executive Vice President, Human Resources

Kimberly Woods, Executive Vice President of Human Resources, joined PHA in December 2021, reporting to the Chief of Staff. She has broad oversight for all human resources functions, working to ensure a customer centric HR experience for the PHA community. The HR team is responsible for labor and employee relations administration, benefits plan design, communication and administration, compensation and classification management, performance management, employee engagement and retention initiatives, policies and procedures oversight and human resources compliance. Ms. Woods and the HR team ensure that the Agency's People strategies align with the organization's mission to open doors to affordable housing, economic opportunity and safe and sustainable communities to low income Philadelphia residents. Prior to joining PHA, she was the Associate Vice President for Strategic Human Resources at The College of New Jersey in Ewing, New Jersey. Ms. Woods graduated from Drexel University with a B.S. in Humanities and Social Sciences, Temple University with a Master of Science degree in Human Resources Management, is certified by the Human Resources Certification Institute as a Senior Professional in Human Resources (SPHR) and is certified by the Society for Human Resources Management as a Senior Certified Professional (SHRM-SCP).

Board of Commissioners Profiles

Chair Lynette M. Brown-Sow is a life-long Philadelphian who has dedicated her career to the organization, development, and wellness of communities, as a strategic consultant, change agent, and connector. She founded L.M. Brown Management Group LLC in 1980, served as Vice President of Marketing and Government Relations at the Community College of Philadelphia for over 22 years, and has held a number of government positions. Chair Brown-Sow serves on a several boards: The Philadelphia Tribune Co. Inc.; Philadelphia Parking Authority, chair; The Municipal Authority; NHS Enterprises, Inc.; and The Board of City Trusts, serving Girard College via her committee assignment. She is a member of the Forum for a Better Pennsylvania; has served as the Chair of the Board of Directors of The Consortium, a behavioral health-care organization that named its service center the Lynette M. Brown Center of Hope in recognition of her years of service; founded and chairs the Hardy Williams Education Fund, providing scholarships and support in law and social justice; and is a founder and Chair of Women of Destiny, developing pipelines of talent to the corporate and non-profit sectors by providing mentorship to professional women of color. Her political/civic positions include: managing Philadelphia Mayor Rendell's transition team in 1991 and then being appointed as Deputy Mayor of Administration; co-chairing Philadelphia Mayor Nutter's transition team in 2007; and serving as Vice Chair and Chair of the Philadelphia Zoning Board of Adjustment for 3 years during a city-wide code change.

Vice-Chair Herbert Wetzel retired in 2024 as the Executive Director of Housing and Community Development for the Philadelphia City Council, after many years of service in this position. He is also a founding member of the board of directors and former executive director of the Greater Germantown Housing Development Corporation. Mr. Wetzel has a long history of community development activities. During the past 20 years he established a small business in the Germantown section of Philadelphia to create neighborhood-based economic development; served as Director, Deputy Executive Director and, upon appointment by former Mayor John Street, Executive Director of the Philadelphia Redevelopment Authority; and has served as Vice-Chair on PHA's Board since 2013.

Leslie D. Callahan, PhD serves as pastor of St. Paul's Baptist Church in North Philadelphia. She received her Bachelor of Arts in Religion degree from Harvard/Radcliffe, her Master of Divinity degree from Union Theological Seminary in the City of New York and her PhD in Religion degree from Princeton University. Her research interests include religious history in the United States, particularly independent African American Christianity and Pentecostal studies.

Rev. Bonnie Camarda has served as the Director of Partnerships for The Salvation Army in Eastern Pennsylvania and Delaware since 1999, where she is at the heart of its initiatives to form fruitful partnerships with area business leaders, government leaders, prospective donors, fellow social service organizations, and, most importantly, individuals seeking spiritual guidance and hope. Her professional accomplishments and community involvement are truly one and the same and she has been recognized for her rare ability to reach across socioeconomic, gender, age, and cultural lines. Commissioner Camarda accompanied Governor Tom Wolf with a host of delegates from the Philadelphia area and Unidos Pa'PR to visit The Salvation Army in Puerto Rico to learn more about the long-term recovery of the island in the wake of Hurricane Maria. Upon her return, she received a Citation from the Philadelphia City Council as Honorary Puerto Rico Citizen of the Year in 2018, selected for her outstanding work for all Puerto Rican citizens recovering from Hurricane Maria, especially those transitioning to Philadelphia. Along with serving on the PHA Board, Commissioner Camarda is also a Board member of Esperanza, Philadelphia School Partnership, and Einstein Hospital.

Asia Coney is one of two Resident Commissioners who were elected in April of 2014 by PHA residents, pursuant to a process created under the Pennsylvania Housing Authorities Law, Act 130. Commissioner Coney is the President of PHA's Resident Advisory Board. A Philadelphia native, her dedicated community activism over many decades has included: advocating for public and assisted housing safety, greater resident input into PHA decision-making, and improvement of existing public housing conditions; conducting local and national workshops; ensuring compliance with federal and state directives regarding the quality of resident life; and working closely with PHA in its creation and implementation of resident programs. She has served on numerous City Boards, including the Redevelopment Authority and the Malt and Beverage Board, and was the Director of Tenant Support Services, Inc., which terminated operations in 2012. Her community activism has included the following marches: being one of two Chairs for the 1997 historic Million Woman March; Chair of the "Sistahs of the Million Woman March" in 2007; and serving as a key organizer of the 1997 Grays Ferry March, to reduce violence and race riots.

Belinda Mayo is a seasoned housing and community development professional with over 36 years of experience, devoted to public service-oriented functions with an emphasis on research, planning, the coordination of programs and services, training and the direction of urban housing policy. Commissioner Mayo served as the Director of Neighborhood Program Coordination and Community Development at the City of Philadelphia Office of Housing and Community Development from 1987 through 2016, responsible for the development and implementation of technical assistance programs for non-profit community-based development corporations, the review of nonprofit financial and organizational systems, project planning, feasibility and development, management of community-based service programs, and coordinating educational and job training programs for at risk youth and families transitioning from welfare-to-work. In 2016 Commissioner Mayo retired from her position with the City of Philadelphia but has remained actively engaged in the field of housing and community development as a member of the Board of Directors of the National Low Income Housing Coalition Leadership Council and a member of Oversight Board of Rebuild Philadelphia, an Advisory Board responsible for reviewing and providing guidance and feedback on the implementation and programmatic direction of the multi-million dollar fund for revitalizing city parks, libraries, and recreation centers throughout the City of Philadelphia.

Frederick S. Purnell, Sr. is the former Deputy Director for Housing and Community Development for the City of Philadelphia and former Executive Director of Wilmington Housing Authority, where he served for 16 years. He was also a key executive and a long time employee within PHA for several years. He has been instrumental in several multimillion dollar mixed income and low income developments and is a recognized leader in community development in this region. Commissioner Purnell is a native of Philadelphia and a graduate of Central High School and Pennsylvania State University. He has received several certifications, commendations, and board appointments relevant to housing and community development, and is a proud life member of Kappa Alpha Psi Fraternity, Inc. He is also a licensed realtor in the state of Delaware and resides in the Overbrook section of Philadelphia.

Ismail A. Shahid brings a strong background in innovation and finance to PHA, with extensive experience in accounting, management, and business. He is a founding partner of SUPRA Office Solutions, Inc., a national supplier of business, school and janitorial products, which is a Philadelphia-based, 100% minority-owned business that is certified MBE, DBE and as a HUBZone business. Commissioner Shahid is the company's Executive Vice President of Sales and Government Affairs, overseeing the company's community relations and customer support efforts. Further, he holds the same position and supervisory responsibilities with EMSCO Scientific Enterprises, Inc., an affiliate that sells laboratory supplies, equipment, and chemicals. A Philadelphia resident, Commissioner Shahid earned business law and accounting degrees from Pierce College. He serves on the boards of various non-profit organizations as well as that of the Delaware River Joint Toll Bridge Commission, as appointed by Governor Tom Wolf.

Ethel Wise is one of two Resident Commissioners who were elected in April of 2014 by PHA residents, pursuant to a process created under the Pennsylvania Housing Authorities Law, Act 130. Commissioner Wise is President of the Wilson Park Family Resident Council, a native of Philadelphia and has a personal history of involvement, community engagement and commitment to bettering the lives of those in public housing for over 40 years. As President of the PHA housing development at Martin Luther King for approximately 32 years, Commissioner Wise developed an effective job bank, a food bank and a town watch program that was recognized as one of the best in the country, and, in 1993, she received the Mayor's Community Service Award. Commissioner Wise also created and managed PHA's Lobby Monitor Program, which promoted resident safety and resident employment with a well-defined career path. She has been a leader in providing national and local training for Resident Councils on HUD regulations and also has served as a Democratic Party Committeewoman for the last 26 years.

CHAPTER II – HOUSING PRODUCTION & NEIGHBORHOOD DEVELOPMENT

PHA continued to collaborate with the City of Philadelphia and a broad array of neighborhood partners and other stakeholders to increase the supply of affordable housing, preserve existing affordable units, and revitalize and transform neighborhoods in and around distressed public housing developments. PHA's development efforts support its Strategic Plan and the goals established in the Assessment of Fair Housing Plan (AFH) jointly issued by the City and PHA and accepted by HUD in February 2017 (and further updated FY 2023). The AFH Plan goals emphasize a balanced approach to fair housing planning, one that encompasses: preservation of existing affordable housing resources; development of new affordable housing throughout the City including in low poverty areas; investments in distressed areas to remove barriers and expand opportunities related to education, job creation and transportation; expansion of PHA's HCV Mobility program to support movement of voucher holders to high opportunity areas in Philadelphia and beyond the city boundaries; enhancements to ongoing fair housing outreach, education and enforcement efforts; implementation of an ongoing local and regional dialogue and planning on fair housing issues; and, ongoing efforts to ensure that all citizens have open and fair access to information on housing programs and services.

PHA's approach incorporates three broad, interrelated strategies:

- **Preserving Public Housing** The majority of public housing in Philadelphia is now more than a half century old and requires substantial new investments or complete redevelopment. The scale of this preservation and redevelopment effort is daunting and is currently estimated to cost approximately \$3.8 billion to complete, which reflects a higher estimate than previously used based on increasing construction costs and project needs. Over time, PHA is working to reposition its entire public housing portfolio to project-based assistance in order to secure the funding needed to preserve and/or redevelop aging housing sites, as well as to provide a more secure and stable funding platform that is capable of sustaining affordable housing over the long-term.
- Developing New Affordable Housing Increasing the supply of affordable housing is of critical importance to
 the future of Philadelphia in light of rapidly increasing housing costs, neighborhood gentrification and other market
 factors that have created enormous housing cost burdens, increased evictions and exacerbated homelessness among
 low-income families and individuals. Through creative use of the financing tools discussed below, PHA is focused on
 expanding affordable housing production wherever feasible as part of public housing redevelopment, neighborhoodwide transformation or other partner or PHA-sponsored projects.
- **Expanding Long-Term Rental Assistance** Since 2013, PHA has continued to increase funding dedicated for long-term operating subsidy to newly developed or existing housing developments. While not a substitute for increasing the actual supply of housing, long-term rental assistance provided through the Unit Based Voucher program is a critically important component of PHA's efforts to reduce housing cost burdens for low-income renters.

In support of these interrelated strategies, PHA creatively utilizes MTW funding to fund and/or leverage other funding and all available financing and programmatic tools including:

- HUD's Rental Assistance Demonstration (RAD) Program RAD is a major component of PHA's efforts to reposition public housing and convert it to Section 8 project-based assistance. Under RAD, the right of existing residents to return to newly constructed or rehabilitated housing is guaranteed and one-for-one replacement of all public housing units is required. The RAD program also incorporates two important features which PHA utilizes to expand the supply of affordable housing: 1) "Faircloth to RAD" through which PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to project-based assistance; and 2) "Transfer of assistance" through which PHA is able to transfer subsidies from long-term, vacant and distressed public housing scattered site units to newly developed projects covered by project-based assistance contracts.
- Low Income Housing Tax Credits (LIHTC) and other tax credit programs authorized by the federal or state
 government which support private investments to finance RAD and/or other development activities conducted by PHA
 and its development partners.
- **Special Grant Programs** such as HUD's Choice Neighborhoods Planning and Implementation grants which provide funding to support the transformation of public housing developments into newly revitalized mixed-income communities with supportive services and neighborhood amenities. PHA also utilizes other grant funding to support the needs of special populations including, but not limited to, VASH, Mainstream, Emergency Housing Vouchers, Foster Youth to

Independence vouchers and others.

- **PHA's Unit Based Leasing and Development (UBV) Program**, which provides long-term operating funding to newly developed or existing housing developments. UBV funding ensures that rents are affordable for low-income families by capping tenants rent at 30% or less of adjusted household income. The UBV program subsidizes the difference between tenant rents and actual rental costs, which provides a stable and reliable source of funding to building owners. Many UBV developments are owned by mission-driven, neighborhood-based and other organizations that focus on special needs populations and provide on-site or nearby supportive services to tenants.
- **Tenant Protection Vouchers** provide replacement housing vouchers that can be project-based in connection with HUD Section 18 dispositions of public housing.

Summary highlights of PHA's ongoing affordable housing preservation and development initiatives are included below.

Sharswood/Blumberg

PHA is nearing completion of the Neighborhood Transformation Plan for Sharswood/Blumberg, which is the largest mixed-income, mixed-use redevelopment project underway in the City. Funded in part by a \$30 million Choice Neighborhoods grant from HUD, the original Plan called for development of 1,203 units of mixed-income housing, including affordable rentals and homeownership units. As of February 2024, a total of 1,051 units have been completed or are under construction in development phases undertaken directly by PHA or through developer partnerships. The final two homeownership phases totaling 171 units are nearing a construction start. Overall, 1,222 rental and homeownership units will be completed, exceeding the original Transformation Plan goal. Total development costs are over \$523 million in total housing investments, including \$143.6 million in LIHTC private equity, and Pennsylvania Housing Finance Agency (PHFA) has made three (3) awards of highly competitive 9% Tax Credits to PHA for this project.

The project has catalyzed Sharswood's revitalization, including development of the new \$52 million mixed used (retail and housing) Sharswood Ridge complex adjacent to PHA's new headquarters building. Developed with PHA's support by an MBE firm (Mosaic), Sharswood Ridge's first major tenant – a fresh foods Grocery Outlet – opened in July 2022 and celebrated a successful first year in 2023. This represents the first supermarket to be opened in the neighborhood in over 50 years. The remaining housing components of Sharswood Ridge were substantially completed in June 2023. Other neighborhood investments include the rehabilitation and repurposing of the Vaux School into a community facility with a high school operated by Big Picture Philadelphia, PHA's Workforce Center, PHA Section 3 Resource Center and other training programs and services; development of a new PHA headquarters building; and, numerous other neighborhood improvements. PHA also launched a new Youth and Family Center at the PHA Ridge Avenue headquarters in October 2022, which had its first full year of operations in 2023. As part of the CNI grant, PHA has directed and overseen implementation of an array of employment, health care, early childhood and other programs at Sharswood that have leveraged foundation, government, and other funding and resulted in extensive benefits to public housing and neighborhood residents.

Westpark Apartments

Following an intensive community engagement and planning process, PHA is undertaking the complete redevelopment of the 11+ acre, 327-unit Westpark Apartments public housing development into a mixed-income, mixed use neighborhood of choice with 1,000 housing units, of which six hundred will be targeted for households earning up to 60% of Area Median Income. In January 2023, the PHA Board approved the selection of development partners LMXD and MSquared (aka "Westpark Community Partners"). The plan, which was developed in consultation with the community and approved by the PHA Board in January 2023, involves substantial rehab of three (3) existing high-rise towers; new construction of a midrise building for seniors; and, development of low-rise apartment buildings and new family townhomes throughout the site and on an adjacent lot. Ground floor commercial spaces will be incorporated into the development plan along with extensive site reconfiguration, infrastructure improvements and a new gateway to Market Street.

In 2023, design work commenced and a 9% LIHTC application was submitted to PHFA for the first 325-unit phase. Progress was also made on a 4% LIHTC submission for Phase 1 and on 9% and 4% LIHTC applications for Phase 2 (675 units). PHA worked with the City and the development team to prepare a competitive \$50 million Choice Neighborhoods Implementation grant application (submitted to HUD in February 2024) that, if awarded, will leverage over \$500 million in housing, neighborhood improvements and supportive service funding.

Fairhill Apartments

The Fairhill Apartments plan involves the total redevelopment of this 264-unit public housing development. The two existing family high-rise towers will be preserved and rehabbed as 202 units of senior housing, while the remaining low-rise units will be demolished and replaced with 150 new townhomes at onsite and nearby off-site locations to be acquired by PHA. In addition to major reconfiguration of the site and street layout, the nearby Hartranft Community Center (for which ownership has transferred from the City to PHA) will be rehabilitated with a neighborhood swimming pool and other amenities. To date, PHA has completed design work for the first two phases; acquired the Community Center; begun the process of acquiring offsite properties; completed demolition on the existing low-rise units; selected a development contractor for Phase 2 (the Phase 1 development contractor was selected in 2022); and, submitted 4% LIHTC applications for both phases. PHA expects to close both transactions and commence construction later in 2024 subject to the award of tax credits.

Harrison Plaza

After a \$47.7 million substantial rehab utilizing 4% LIHTC, construction work on the Harrison Plaza Tower was fully completed and the building was reoccupied in early 2023. Building on this accomplishment, PHA applied for and, in September 2023, was awarded a competitive \$500,000 Choice Neighborhoods Planning Grant to develop a comprehensive transformation plan for Harrison Plaza's low-rise units and the surrounding Yorktown neighborhood.

Bartram Village

PHA's \$400 million Transformation Plan for Bartram Village received a major boost with HUD's 2023 award of a \$50 million Choice Neighborhoods Implementation grant. This milestone builds on the 9% LIHTC award for phase one. The original plan calls for the replacement of all five hundred distressed public housing units at on and offsite locations with 608 mixed income units; however, PHA is currently revising the plan to increase the overall number of housing units to up to 733 based on feedback from HUD. Design work on the first Bartram Village offsite phase was completed in 2023 and substantial progress made towards the planned July 2024 closing and subsequent construction start.

Preservation of LIHTC Public Housing Properties

PHA continued to reacquire ownership interests from equity investors in additional LIHTC developments as part of ongoing efforts to preserve and enhance its affordable housing portfolio. As existing LIHTC developments come to the end of their initial tax credit compliance periods, PHA has executed its option to exit the existing investors and reacquire full ownership, paving the way for future capital infusions and re-syndication to ensure long-term affordability. To date, PHA has reacquired ownership interests in eleven (11) LIHTC developments including: Millcreek I; LEB III; Richard Allen III; Cambridge Plaza I, II and III; Suffolk Manor; Mount Olivet; Tasker I; Germantown House; and, MLK IV. Four additional reacquisitions are in the planning stages including Tasker LP II, LEB LP II and Warnock I and II.

Citywide Development

PHA continued to be a catalyst and major funder for the expansion and preservation of affordable housing throughout the City in FY 2024. In addition to supporting conversions involving Faircloth to RAD and/or transfer of assistance, PHA provided long-term operating subsidies to over 4,980 housing units at 175 developments citywide through the UBV Program. PHA plans to expand UBV assistance to more than 1,380 additional units in the next fiscal year. The UBV Program subsidizes the difference between tenant rents and actual rental costs, which provides a stable and reliable source of funding to building owners and ensures long-term affordability for low-income residents. Many UBV developments are owned by mission-driven, neighborhood-based and other organizations that focus on special needs populations and provide on-site or nearby supportive services to tenants including CATCH, Project HOME, Liberty Resources, New Courtland, HACE, Nueva Esperanza, Women's Community Revitalization Project, Mission First Housing Group, HELP USA, Methodist Family Services, Human Good and many others.

Rental Assistance Demonstration

Given the significant capital needs of PHA's aging public housing portfolio and the size of its waiting list, PHA has continued to explore and implement creative strategies to preserve and expand affordable housing for Philadelphians in need. As noted above, through the Rental Assistance Demonstration program, PHA is able to convert existing public housing units to project-based assistance and to access additional housing subsidies available through the Faircloth Amendment to further its housing preservation and expansion goals. Through RAD conversion, PHA is able to access private equity (primarily through the Low Income Housing Tax Credit program) and other funds to invest in existing PHA developments as well as to leverage new funding to replace obsolete scattered site units and "transfer assistance" to other new developments.

The FY 2025 MTW Annual Plan included in Appendix B of the Act 130 Report provides additional information on PHA's plans to convert existing public housing units to project-based assistance through the RAD program, and to transfer public housing assistance from vacant, non-viable scattered site units to new developments that will be subsidized through long-term project-

based assistance contracts. PHA also plans to continue to utilize HUD's "Faircloth to RAD" initiative to expand the supply of affordable housing. Under this initiative, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program.

For informational purposes, the table below lists the housing developments that PHA has converted through RAD as of the close of FY 2024, including transfer of assistance developments. As noted, PHA has converted 2,162 units at 34 multifamily sites including existing public housing developments, new transfer of assistance and Faircloth to RAD sites. This figure reflects a revision to the unit/site counts reported in the FY 2023 report. Over 4,400 additional RAD units are in the planning stage. Actual timetables for conversion and/or PHA's decision to proceed with conversion may vary from the information included in the MTW Plan, depending on various factors including project feasibility determinations, project financing, timetables for HUD and other approvals and other factors.

Property Name	RAD Units	Description
Blumberg Phase I	51	Transfer of Assistance
2415 N. Broad	88	Transfer of Assistance
St John Neumann Place II	52	Transfer of Assistance
H.E.L.P Philadelphia V	37	Transfer of Assistance
New Courtland at St. Bartholomew	42	Transfer of Assistance

Affordable Homeownership

PHA continued to implement first-time affordable homeownership initiatives to expand housing choice and increase the number of first time, low-income homebuyers. The Opening Doors to Affordable Homeownership initiative consolidates PHA's existing Section 5h Homeownership Program, Housing Choice Voucher (HCV) Homeownership Program, other new development homeownership initiatives and homeownership readiness and counseling support under the management of PHA's Homeownership Unit. It expands PHA's existing programs to incorporate new types of assistance including lease-purchase and down payment assistance options.

Under the existing Section 5h program, PHA assists current public housing residents of scattered site units to purchase their own units. To date, **254** residents have purchased their scattered site units under this program. Under the existing HCV Homeownership program, current voucher participants may utilize their voucher assistance to purchase homes and then receive monthly Housing Assistance Payments to support housing costs for up to a fifteen (15) or thirty (30) year period. To date, PHA has assisted **756** HCV participants to purchase their first homes.

Cumulatively, PHA has developed and sold over 300 new homeownership units that were developed as part of HOPE VI, mixed finance and other major revitalization initiatives. PHA also worked with over **1,000** residents to complete homeownership counseling courses in partnership with HUD-approved housing counseling agencies.

Homeownership Sales: FY 2022-23

Program	Households
Section 5h	11
HCV Homeownership	16
Other	12
Total	39

PHA continued to partner with Crowdcopia, DKJ Construction, Nicetown CDC, and Townes Mechanical to renovate 25 vacant and distressed scattered site homes in the City's 4th Councilmanic District and create affordable homeownership opportunities for low and moderate-income households. Ten (10) of these units' renovations are in progress. This is in addition to a similar program in the Brewerytown neighborhood, for which PHA is actively working on the transfer of properties to be rehabilitated. The PHA scattered site houses rehabbed through this partnership will be sold to households with incomes at or below 80% of Area Median Income, with first opportunity to buy going to participants in PHA's Opening Doors to Homeownership program.

CHAPTER III - OPERATIONS, MANAGEMENT & ADMINISTRATION

Public Housing Operations

The Operations Department provides housing management, maintenance, admissions, and leasing services for PHA's portfolio of public housing units and PHA-owned project-based developments (i.e., those developments including RAD conversions subsidized through the Housing Choice Voucher program).

The public housing inventory includes affordable rental units for families, seniors, and persons with disabilities, located throughout the City in conventional public housing developments; Low Income Housing Tax Credit (LIHTC) developments managed by the Philadelphia Asset and Property Management Corporation (PAPMC); and developments operated by Alternate Management Entities (AME) under contract to PHA. Approximately 3,900 of PHA's public housing units are "scattered sites," i.e., housing units located in single family homes or multi-unit buildings. PHA operates one of the largest scattered site public housing programs in the country. A significant portion of PHA's portfolio is aging and deteriorating. More than 75% of all PHA units were built over 40 years ago and over 55% were built 60 or more years ago. The backlog of unfunded capital needs continues to grow each year, creating enormous maintenance challenges for PHA (see Chapter II discussion of PHA initiatives to preserve the existing portfolio through conversion under the RAD program and other approaches).

As of the end of FY 2024, PHA's actual public housing inventory is approximately 12,900 units. The public housing inventory varies from year to year as a result of public housing units being converted to long-term project-based assistance under the RAD program, new public housing units being added to inventory, and other factors.

PHA maintains waiting lists for the public housing, PAPMC and PHA-owned project-based developments. Waiting lists are administered in accordance with the Public Housing Admissions and Continued Occupancy Policy (ACOP) and site-based Tenant Selection Plans (for PAPMC-managed units and PHA-owned project-based developments), as applicable. Administration of site-based waiting lists for the Conventional and Scattered Site program areas is managed by the Public Housing Admissions Department. PHA operates its waiting lists in a nondiscriminatory manner that seeks to avoid unintended discriminatory effects. PHA affirmatively markets its sites in a variety of venues and periodicals to ensure that the public is aware of the availability of PHA housing. PHA treats all applicants in a non-discriminatory manner.

Leased Housing

PHA's Leased Housing Department administers rental subsidies under the Housing Choice Voucher (HCV) Program to low-income households who live in privately owned housing. Vouchers are utilized to provide both tenant-based and project-based assistance (including RAD developments noted above). Many project-based units subsidized by PHA are owned by local non-profit agencies that serve special needs populations and provide supportive services for residents. The table below summarizes households served by program type during this reporting period.

Voucher Program Households Served: FY 2024

Voucher Type	Households Served FY 2024*
MTW	16,768
Mainstream	433
VASH	708
Mod Rehab	107
SRO	240
RAD	1733
FUP/FYI	151
EHV	745
Total	20,844

^{*}The number of households served in this table is calculated by dividing actual unit months leased by 12. Thus, the actual number of individual households served during the year is higher than shown, i.e., two households that were each subsidized for 6 months will count as only one household in the above table.

As described more fully in Chapter II, PHA continued to be a catalyst and major funder for the expansion and preservation of affordable housing throughout the City in FY 2024 through its UBV Program. Other significant activities of PHA's Leased Housing Department in FY 2024 include:

- In partnership with local Continuum of Care agencies, PHA continued to provide services to Philadelphia's homeless population through leasing of emergency housing vouchers (EHVs) awarded by HUD to approximately 854 households.
- PHA opened the HCV waiting list in January 2023 for the first time in 13 years and accepted over 36,000 applications
 to establish a waitlist of 10,000 applications through a lottery system. HCV began pulling applicants in April 2023, and
 to date has pulled over 2,000 applicants from the new HCV waitlist and over 500 applicants have leased their first HCV
 unit during FY 2024.
- PHA received a new award of seventy-five (75) Foster Youth to Independence vouchers, adding to the fifty (50) vouchers previously awarded to PHA under this program. The FYI program serves youth under the age of 25 with a history of child welfare involvement for up to 36 months.
- PHA continued its partnership with the Department of Veteran's Affairs (VA) to serve veterans through the Veterans Administration Supportive Housing Program (VASH) program. The program provides rental assistance for homeless veterans through HUD funding, and offers case management and clinical services through the VA. In FY 2024, PHA was awarded one hundred (100) additional VASH vouchers, increasing the overall total number of veterans households to be served to 944.
- PHA continued to implement a series of financial incentives designed to increase the number of housing options for PHA's
 voucher holders, recruit new landlords to participate and encourage existing landlords to expand their HCV portfolio.
 Special incentives were also made available to landlords who rent units to EHV participants and/or lease units in qualified
 opportunity areas to voucher holders participating in PHA's Housing Opportunity Program (HOP). PHA also continued to
 implement an Owner Assurance Fund to reimburse property owners for damages beyond normal wear and tear.
- PHA continued to implement HCV payment standards that are based on Small Area Fair Market Rents (SAFMRs) published by HUD. Over time, adoption of SAFMRs is projected to assist HCV program participants to move from areas with high concentrations of poverty to higher opportunity areas that have better access to jobs, education and other services. SAFMR-based payment standards were introduced in 2018 and most recently updated in October 2023.
- PHA continued to implement the Second Chance Housing Choice Voucher Pilot Program. The policy permits the provision
 of up to thirty (30) tenant-based vouchers for active participants in good standing with PHA's partner agency, the
 Eastern District Federal Court Supervision to Aid Reentry (STAR) Program. Housing voucher assistance is available to the
 participants for a period of up to two years, at which point the objective is for participants to transition off the program.
 18 Second Chance participants had their rent subsidized through the program in FY 2024.
- PHA's HOP initiative continued to help voucher families move to higher opportunity areas. Program participants are
 provided with housing search, supportive services and other assistance to help make a successful transition. In FY 2024,
 HOP assisted 62 HCV participants lease homes in opportunity areas.

Public Safety

The PHA Office of Public Safety (OPS) is responsible for public safety at PHA developments and facilities. This model is intended to provide "above baseline" policing services to PHA developments. In addition to deploying trained Public Safety Officers to PHA community events, administrative buildings, and resident activities, the OPS manages private security contractors and collaborates with the Philadelphia Police Department (PPD) and other local, state, and federal law enforcement agencies to ensure coordination of investigatory and enforcement actions.

Officers and civilian staff work closely with PHA's resident leadership to ensure that resident priorities and concerns are addressed, including participating in monthly Resident Roundtable meetings and attending community meetings at PHA developments throughout the year.

The number of Part 1 Crimes, which are crimes that are rated as the most serious as well as the most likely to be reported, fell from 357 in 2022 to 339 in 2023, a decrease of 5%. This includes a 2.9% (172 to 167) decrease in violent crime from 2022 to 2023. PHA continues to work closely with PPD and other local law enforcement agencies – and to engage residents and the community at large – to implement strategies to break the cycle of violence that impacts Philadelphia's neighborhoods and increase safety for PHA residents.

OPS has directed and engaged in an on-going effort to create a collaborative and working relationship with the PPD, all in an effort to share information and utilize technology that will serve to reduce crime and violence and improve the quality of life in PHA developments and for PHA residents. Similarly, OPS has strengthened the partnership with the Temple University Police Department, which has allowed for the sharing of information and operational and intelligence systems. This coordination is instrumental in helping PHA's focused efforts in curtailing crime. Further, OPS representatives attend weekly Group Violence Intervention (GVI) Meetings, where group violence crime patterns from all areas, including PHA developments, are discussed, as well as any additional information regarding the investigation of particular crimes committed, and custom notifications made, during the period being reviewed.

OPS has also worked in coordination with the United States Attorney's Office, the Federal Bureau of Investigation and the Drug Enforcement Administration, on an initiative to identify and target drug activity and violent crime in the PHA Housing Developments. OPS maintains the assignment of an OPS representative at the Regional Fusion Center, which includes the Delaware Valley Intelligence Center and Real-time Crime Center. This helps foster exchanges of information, improves communications between OPS and its law enforcement partners, and strengthens existing relationships. OPS has maintained the Police Advisory Board, led by the Vice President of OPS, and comprised of other OPS employees, including the FOHP President, Office of Audit and Compliance, and PHA Resident Leaders, who meet quarterly for the review of OPS initiatives, and measurement of progress and impact.

OPS collaborates with other PHA divisions and resident leadership on a variety of resident programs designed to provide positive youth programming, promote anti-violence measures, connect residents with trauma-informed resources to counteract the negative effects of violence in PHA communities, and create partnership and opportunities to reduce criminal activities of at-risk residents. As examples, see Resident Programs & Partnerships narrative below for information on the Diversionary Initiative and the Resident Advisory Board's Anti-Violence initiative.

OPS has instituted a site-based program that involves Public Safety Officers (PSO's) that are stationed within specific developments. This allows for these site-based Officers to provide above based-lined services, and foster proactive engagements and relationships among the managers, residents and resident leaders within the developments while enacting initiatives and strategies to reduce crime and violence and improve the quality of life, through collaborative partnerships. One of the initiatives that OPS is directing, in order to provide these above base line services, is to proactively engage in the Park and Walk strategy which follows a community-based policing model. The PSOs will be directed to park their vehicles and walk around the developments, while proactively engaging with the residents and staff. This strategy will allow a focus on specific sites that have high rates of violence, crime and quality of life issues. PSOs will engage with residents, community partners and other PHA Departments, to ensure residents have access to programs, resources and partnerships that will all work collaboratively to reduce crime and violence and improve the quality of life in their respective communities.

PHA continues to invest and expand its Closed-Circuit Television (CCTV) Safety Monitoring System. There are more than eleven hundred (1100) cameras across all PHA developments. Currently OPS is working proactively to identify gaps within the current camera system infrastructure; identifying such gaps will allow OPS to work closely with the Information Systems Management Department (ISM) to install additional cameras subsequently providing for a much wider range of coverage. Video is monitored and recorded for later utilization, as needed. The main goal is to establish a CCTV presence in both community and management areas allowing for surveillance of developments to monitor the occurrence of crime and violence, and other issues that impact the quality of life. The OPS Command Center also strives to utilize its network of CCTV to assist in investigations of criminal activity within the community. The OPS communications center was designed and constructed utilizing state of the art technology and broadcast consoles to enhance radio room capabilities with respect to communication with OPS officers and PHA residents.

Audit and Compliance

The Office of Audit and Compliance (OAC) conducts internal audits, investigations, and compliance-related activities on an agency-wide basis. OAC works to identify and reduce risks, ensure that approved policies and procedures and applicable laws and regulations are followed throughout PHA, and safeguard the efficient and effective use of resources.

The following is a summary of OAC's internal organization and results achieved in FY 2024 (through February 28, 2024):

- The *Investigations Unit* investigates allegations of fraud, corruption, official misconduct, conflicts of interest, abuse of authority and other criminal offenses with respect to employees, residents and persons or entities doing business with PHA. Throughout the year, the Investigations Unit received 367 complaints, which ultimately led to the investigation of 189 cases uncovering \$773,439 in fraud. Furthermore, PHA was awarded restitution or entered into repayment agreements in the sum of \$225,806. Finally, OAC collected \$140,807 from repayment agreements for funds owed to PHA that would have otherwise gone uncollected. To date, OAC has collected over \$1.7 million in fraud recoveries, and plans to continue in its fraud prevention and collection efforts.
- The Internal Audit and Compliance Department assists PHA's management and the Board of Commissioners, through the Audit Committee, by determining the effectiveness of PHA's internal control systems. By conducting risk-based audits and reviews, PHA's Audit and Compliance functions provide reasonable assurance regarding compliance with laws, regulations, policies, and procedures; achievement of business objectives; reliability of financial and management reporting; and, safeguarding of assets. In FY 2024, OAC ensured PHA's efficient and transparent cooperation with and response to PHA's independent audit, Regional HUD Office, and the HUD Office of Inspector General inquiries and surveys. Internally, this department completed 7 internal audits & reviews, 12 Property Management Site Based Quality Assurance reviews (SBQAR), 12 Maintenance SBQARs, 3 HCV file reviews, 2 PHA Admissions reviews, and Housing Quality Standards (HQS) Quality Control inspections of 5% of all inspections completed by the Leased Housing Department, and a host of other compliance-related activities to support efficient operations at PHA.
- The Wage Compliance Unit continued to work closely with PHA construction contractors to ensure that employees are
 paid federally mandated wages while continuing to contribute to the construction and maintenance of affordable housing
 in the City of Philadelphia. The Wage Compliance Unit monitored and reviewed Certified Payroll Records and conducted
 HUD-11 interviews on 22 federally funded projects with a total budget value of approximately \$344 million.
- The Section 3 Compliance Unit performed the necessary monitoring of PHA's Section 3 efforts to ensure that vendors who contract with PHA complete their HUD-mandated Section 3 obligations. In addition, PHA continued to update and enhance internal systems based on HUD's revised Section 3 regulation. The Section 3 Compliance Unit collaborated with PHA's ISM Department, the Office of Human Resources, and the Supply Chain Department to create an updated Section 3 Vendor Portal, implemented an updated process to ensure that all PHA labor hours are appropriately categorized and tracked, and updated PHA contract verbiage to include necessary Section 3 language. Lastly, the Section 3 Unit also continued to monitor PHA legacy contracts to ensure compliance with the previous Section 3 rule. A total of 200 active contracts were monitored including 98 legacy contracts that followed the previous Section 3 Rule.

Resident Programs & Partnerships

The Resident Programs & Partnerships (RPP) Department develops and implements a wide range of programs to respond to the supportive, employment, training and general needs of PHA residents. The overall goals are to support work-able residents in achieving economic self-sufficiency, assist youth in PHA, and collaborate with local educational institutions, social service agencies, health care providers and other stakeholders, to implement place-based and citywide resident programs.

RPP staff work closely with PHA's resident leadership to provide technical support to citywide and local resident organizations, including the Resident Advisory Board (RAB). PHA meets regularly with resident leaders to ensure continuous communications and input, including organizing monthly Resident Roundtables to discuss PHA initiatives and topics of interest, and monthly Pre-Board Meetings to review and discuss matters scheduled to come before the PHA Board.

Over the course of FY 2024, PHA continued to enhance and implement a comprehensive array of resident education, employment, homeownership, supportive service and other programs.

Workforce Development Center

PHA's Workforce Development Center helps prepare residents for employment success along a career pathway, whether they are just starting out, looking to move into a better-paying position, or returning to the workforce after an absence. Over 250 residents received services and referrals through the Workforce Center this year, including participation in virtual, in-person or phone-based workshops, orientations and seminars this year, with topics including Intro to Section 3, Homeownership Seminars, Hiring Events and Job/Career Fairs. The Workforce Center is also a valuable resource for other PHA/RPP staff and resident leaders, with Workforce Navigators receiving hundreds of referrals from these sources and enrolling approximately 90 residents in programming with partners including College Unbound, Per Scholas, Temple University, PACareerLink®, Philadelphia OIC, CVS, Philabundance, Duke's Barber Co, Condensed Curriculum, and more to continue throughout FY 2025.

Job Training and Adult Education Programs

Workforce Navigators draw on a wide range of resources to help residents achieve their employment goals including connecting residents with PHA approved job training and adult education partners listed in the chart below.

Partner	Program
Temple University	GED®/HiSET, Community Health Worker
Beyond Literacy	GED®/HiSET
Philadelphia OIC	HiSET, Culinary, Phlebotomy, Medical Assistant.
CareerLink	Job Training (various)
Philabundance	Culinary Arts Training
CVS	Pharmacy Technician, Phlebotomy
Samuel Staten Sr. Pre-Apprenticeship	Pre-Apprenticeship
College Unbound	Bachelor's Degree Completion
Per Scholas	Tech Career Training
PA Horticulture Society	Landscape Maintenance & Tree Care
Condensed Curriculum Inc.	Phlebotomy & Pharmacy Tech. Training
Zipcar, SEPTA	Transportation Assistance

Approximately 100 PHA residents were involved in these and other partner programs during the year. Overall, PHA is experiencing an approximate 50% completion rate for residents enrolled in workforce and education programming. Additional support is provided to those who may require more time to accomplish their goals. PHA continuously evaluates its partnerships and approaches with the objective of improving outcomes and increasing success rates.

Section 3 Resource Center & Entrepreneurial Fellowship

The Section 3 Resource Center and Section 3 Entrepreneurial Fellowship are two of RPP's most impactful initiatives to better-connect residents with employment/business opportunities with PHA and contractors. Since 2021, the Section 3 Resource Center has partnered with the RAB to offer a PHA Entrepreneurship Fellowship, providing small cohorts of resident business owners with individualized attention during a six-month entrepreneurship pathway to starting, creating, building, or sustaining their business model/plan.

All five Fellowship cohorts have been at full capacity and over 40 resident entrepreneurs have already completed the program, including 14 Cohort 5 fellows completing the program in FY 2024; all Cohort 5 fellows acquired an EIN and registered as a PHA vendor. Throughout the program, PHA has distributed more than \$190,000 in grant funds to resident-owned businesses, in addition to over \$20,000 in payments received by participating business as PHA vendors at various events. Three of our five "Entrepreneur in Residence" fellows have completed the 12-month advanced program, with over \$109,990 disbursed to advanced fellows for business purchases in FY 2024, alongside an additional \$5,000 in grant funding.

Section 3 Job Bank

The Section 3 Job Bank also remains a popular and productive source of economic opportunity for residents. PHA has posted 155 positions in the job bank, with 102 being from PHA contractors. Section 3 candidates have filled 181 of those positions to date, with 1,822 total referrals from the Section 3 Resource Center.

Choice Neighborhoods Social & Human Services

RPP leads the "People Teams" providing case management, service coordination and social, educational, employment and health services to residents of PHA's Kingsessing-Bartram Village and Sharswood-Blumberg Choice Neighborhoods. During FY 24, the Sharswood Choice "People Team" provided outreach, case management and/or service coordination to over 90% of target households. Programming has addressed needs related to accessing rental assistance; workforce and homeownership interest; enrichment activities for youth, families, and seniors; legal resources for expungement and information regarding eviction prevention; winter clothing needs; and COVID-19 vaccinations. FY 2024 also saw ongoing service provision to over 200 households through the North Central-Norris Choice Social Services Endowment phase, and two additional CNI projects were added to the team's caseload later in the year: Bartram Village in Southwest Philadelphia (implementation) and Harrison Plaza in North Philadelphia (planning).

The Vaux Community building, a former public school purchased by PHA and converted to a HUD-designated EnVision Center, is the center of RPP's social services "People Plan" for Sharswood-Blumberg residents. In addition to PHA's People Team, the building hosts a larger number of partners and in FY 2024 added an indoor farming and food entrepreneurship start-up and a trauma counseling agency, while a new federally-qualified health center took over operation of a health clinic serving both PHA residents and the larger Sharswood community. PHA also supports the operation of a new high school offering an innovative project-based, work-based learning curriculum out of the Vaux Community Building, Vaux Big Picture High School (BPHS), providing resources and below-market rent to help ensure that BPHS students retain access to high-quality academic enrichment and hands-on learning programming. The third Vaux BPHS graduating class was celebrated this year, with an 87% on-time graduation rate that remains significantly higher than the School District-wide rate.

Jobs Plus Program

Jobs Plus Wilson Park is halfway through its four-year implementation period as of December 31,

2023. Through its first two years of implementation, the Jobs Plus team assisted 260 residents, enrolling 225 of them in the Jobs Plus Earned Income Disregard (JPEID) rent incentive – so far, residents have saved over \$45,000 through JPEID. With support from Jobs Plus staff, the site-wide employment rate has also risen from 26% to just 33%.

Family Self-Sufficiency (FSS) Program

FSS is an important initiative of the RPP, allowing PHA residents to build a financial savings account based on their household's annual earned income. There are 553 active families in the FSS program, following an enrollment moratorium as PHA worked to enact new HUD rules and develop a new, simpler and more equitable FSS model. This new model – launched towards the end of FY 2024 – provides an array of rewards for working families at all income levels. With new model implementation underway, PHA plans to lift the FSS enrollment moratorium in April 2024 to expand participation in the program to more PHA households.

Resident Opportunity & Self-Sufficiency (ROSS) Program

RPP's ROSS Service Coordinators currently serve nine sites – Johnson Homes and Raymond Rosen Manor in North Philadelphia; Hill Creek, Oxford Village and Whitehall in Northeast Philadelphia; and, Bartram Village, West Park Plaza, Arch Homes and Haddington Homes in West and Southwest Philadelphia. The three ROSS Service Coordinators supported nearly 250 households during FY2024, and they navigated the end of one three-year grant period and launched another.

Diversionary Initiative

The RPP Diversionary Team responds to violence and trauma-impacted PHA residents, managing referrals from the PHA Office of Public Safety (OPS) and working to insulate PHA's residents with resources and outlets to address violence and trauma. The Diversionary team's core mission is to connect residents with trauma-informed resources to counteract the negative effects of violence in PHA communities and create partnerships and opportunities to reduce criminal activities of at risk residents. During FY 2024, Diversionary staff accepted 111 referrals from OPS while closing 354 of 446 total cases; the majority of cases still open are recent referrals, received after January 1 and currently being addressed. Cases included emergency transfer paperwork assistance, domestic violence, victim services, educational and employment support, emergency needs, maintenance assistance, therapy and more.

During FY 2024, the Diversionary Team also developed a year round fitness and nutrition program for at-risk youth at the Lucien E. Blackwell Community Center, collaborated with Resident Councils to partner with The City of Philadelphia to begin providing Naloxone (Narcan) overdose reversal training for resident leaders in an effort to prevent opioid overdoses in PHA communities.

Social Services

The Social Services team functions as an intervention resource providing guidance and direction for social service initiatives surrounding emotional and behavioral health issues. The team manages referral and self-sufficiency services for Philadelphia Asset & Property Management Corporation (PAPMC) and public housing sites – as well as Housing Choice Voucher (HCV) residents who need their support – and partners with agencies to negotiate affordable services for residents. Social Services recorded over 245 new cases during FY 2024, making over 150 referrals to much-needed partner services. Other services provided directly to families included legal support, mental/behavioral health interventions, cleaning, food security assistance, Furniture Bank services, and rental assistance for 30 PHA families.

Senior Programming

RPP's Senior Programs & Services Team continues to operate programming, provide wellness checks and distribute meals at 19 senior sites across all of Philadelphia. Monthly workshops are offered in an effort to bring awareness around health, wellness, fitness, nutrition, exercise, and diabetes education. Many social activities have been created to allow PHA seniors to engage peers in enjoyable activities and stimulate brain functioning. The Senior Team wrapped FY 2024 with Martin Luther King Day celebration, a Black History workshop, and Valentine Day dance, and administers other programming to increase

senior residents' quality of life including the Mother's Day Luncheon, Father's Day Luncheon, Health Fair, Jazz on the Rooftop at Plymouth Hall, Senior Prom, Thanksgiving luncheon, and Christmas tree lightings at all senior sites.

Youth Enrichment Programming

PHA's youth programs help youth (ages 5-18) develop the education, motivation, self-confidence and work skills necessary to succeed in life. These youth programs embody teamwork, self-discipline, determination, commitment, dedication, ambition and responsibility. PHA believes that youth are a valuable and underutilized resource in our society, and that given the opportunity, youth can and will take responsibility for themselves and their communities. FY 2024 youth initiatives included:

• Youth & Family Center: Conveniently located next to Admissions on the ground floor of PHA Headquarters, the Youth & Family Center brings all of PHA's programs for expecting parents and young people ages 0 through post-secondary under one roof. The Center employs specialized staff focused on Early Childhood Education (ECE) and Family Enrichment, and sponsors out-of-school time programming across PHA's family sites. The Center is also in the second year of administering a three-year Kinship Care Coordination grant from the William Penn Foundation, piloting a program serving PHA grandparents raising their grandchildren, with supplementing funds from the Brookdale Foundation.

The Youth & Family Center has taken a leading role in PHA efforts to break cycle of intergenerational poverty by making sure that resident youth are prepared to transition into some form of post-secondary education and are college-ready if they choose the route of pursuing a two- or four-year degree. In FY 2024, college readiness events for PHA youth included a "Trunk Party" event to make sure first-generation college students left for school equipped with supplies for success, as well as eight college tours and many more workshops on financial aid, and connections to Philly SEEDS and other scholarship opportunities.

Supporting children of all ages, the Youth & Family Center has also been named as a partner site in the joint HUD-National Book Foundation "Book Rich Environments" initiative, which saw major publishers donate over 30,000 books to PHA families during 2023, with nearly as many again promised by mid-2024. Through the Center, PHA also provided over 620 school-age residents with book bags and school supplies in late summer, while over 380 children in 145 families benefitted from PHA's annual holiday toy drive and giveaway.

- Afterschool Programs: Afterschool programs were administered at five PHA family sites Bartram Village, Johnson Homes, Norris/North Central, Richard Allen/Cambridge and Wilson Park serving 195 residents ages 5-18 who are active K-12 students. Programming runs Monday through Friday, for three hours each day. The four standards of PHA programs are: homework assistance, recreation, services learning projects and community service.
- **Mighty Writers:** This program operates at three PHA sites in North and West Philadelphia and engages youth through writing and programming to encourage critical and creative thinking. These programs include writing workshops focused on a range of topics, poetry, comic book development, college essay writing, and more. During FY 2024, Mighty Writers was funded by a William Penn Foundation subgrant through RPP to offer full-day summer camps at PHA facilities in North (Sharswood) and West (Mantua) Philadelphia 125 youth ages 7-14 took advantage of this free opportunity during the summer of 2023. Mighty Writers has also, in collaboration with residents of Lucien E. Blackwell Homes in West Philadelphia, built a youth-led community garden on the site of a community center operated jointly by the City and PHA.
- **Summer Youth WorkReady:** In partnership with the Philadelphia Youth Network, PHA places high school youth in management offices, administrative offices and within PHA summer camps. Youth work 20 hours per week and participate in professional development. The program served over 50 youth last summer.
- Lucien E. Blackwell Center: RPP continued to administer the programming at the Lucien E. Blackwell Community Center in partnership with resident leaders and the City of Philadelphia Department of Parks & Recreation.
- P**HA Youth Ambassadors:** 10 PHA youth participate in weekly programming organized by the Resident Advisory Board. Youth volunteer at PHA events and support initiatives at sites including recruiting other youth for employment, and programming.
- **President's Circle:** The President's Circle is a team of 10-15 high school and middle school students who work closely with PHA's Youth Programming Team and senior staff to integrate "youth voices" into PHA's program designs and strategies.

RAB Anti-Violence Initiative

PHA and the City of Philadelphia jointly support the Resident Advisory Board's Anti-Violence Initiative, through which RAB staff connect older youth, especially young men, who are involved or at risk of involvement in gun violence with trauma-informed counseling, group therapy, life skills, and job training. Developments targeted by this initiative include Bartram Village in Southwest Philadelphia; Richard Allen, Raymond Rosen, Strawberry Mansion and Gordon Street in North Philadelphia; and Wilson Park in South Philadelphia. In its first series of site-based cohorts, which concluded during FY 2024, RAB enrolled 120 young men, all at high risk of involvement in community violence; approximately 70% of participants completed all phases.

PHA Cares

Temple University's Lenfest Center for Community Partnerships, Temple University Hospital, Drexel University and Greater Philadelphia Health Action (GPHA) administered the "PHA Cares" Initiative with RPP support in FY 2024. PHA Cares Community Health Workers (CHWs) connected with 2,417 unique residents through wellness check-in calls and in-person visits; CHWs also served residents via food distribution efforts, virtual chats, in-person and virtual workshops, community meetings, and door-to-door canvassing efforts. PHA Cares focused efforts at the following PHA sites: Lucien E. Blackwell Homes, Angela's Court, and Mantua Square Homes in West Philadelphia; Abbottsford, Germantown House, Johnson Homes, Norris Homes, Raymond Rosen, Richard Allen, Sharswood-Blumberg and Suffolk Manor in North Philadelphia; and, Wilson Park and Bartram Village in South and Southwest.

Human Resources

Through strategic partnerships and collaboration, the office of Human Resources (HR) recruits, develops and endeavors to retain a high performing and diverse workforce, while fostering a healthy, safe, and productive environment for employees, with the goal of maximizing everyone's potential. In FY 2024, HR worked diligently to anticipate the needs of PHA employees, thereby developing proactive measures, and delivered a myriad of timely and relevant programs to the workforce.

Recruitment and Hiring

HR coordinated and facilitated over 400 recruitment efforts and hired over 200 employees during the fiscal year. Of the 247 new employees, 97 qualify as Section 3 employees per HUD's definition. Of 97 Section 3 designated new employees, 15 are also PHA residents.

The First Year Experience

The First Year Experience was designed to augment the interactive onboarding process that was implemented a year ago. Under the program, during an employee's first year as a PHA employee, HR provides ongoing support, education, information and engagement throughout the first year of employment. Information gleaned through this process will be utilized to improve and enhance, or validate, internal procedures associated with employee/supervisor/organization interactions during the first year of employment. The program includes periodic outreach via survey, HR direct contact, tips for success at PHA, information on whom to call, how to's for certain processes, and even provides an explanation for PHA's frequently used acronyms and housing terms. The goals of the program are to reduce early tenure turnover, to improve the sense of belonging as new employees become acquainted with PHA norms, to shorten the time to learn the PHA culture, and to validate each employee's decision to join PHA.

Recruitment Events Attended by HR Professionals

HR regularly engaged with PHA communities including attending numerous career fairs through which HR endeavored to create excitement and enthusiasm about the prospect of applicants joining the PHA workforce.

Recruitment and Interviewing Training

The HR team planned, developed and implemented a training program for hiring managers and interview committees. The series was created in response to requests from several hiring managers, to ensure that participants in the interviewing and selection process know what is appropriate during the recruitment effort, and to cultivate enterprise-wide consistency in recruiting, interviewing and job candidate selection.

Learning and Professional Development

Over the past year, HR began building the foundation for a robust learning and development (training) organization with a significant increase in the number and types of training being delivered. Both on-site and virtual delivery methods were enlisted, and the majority of classes were facilitated by members of PHA's HR staff. The total training hours for the year (length of time for a training course x the number of participants) for 17 programs, many of which were presented repeatedly to capture all members of the target audience, was over 12,300 hours.

In addition, HR successfully expanded eligible employees' access to discounted tuition and associated fees via the implementation of new educational partnerships with colleges and universities (including a partnership with a Technical College, the target population being maintenance operations employees).

Due to this effort, along with a focused strategy, a well-honed communication campaign and on-site educational partner engagement, PHA saw a +200% increase of education assistance program participation, year over year. In addition to delivering educational choice to the PHA workforce, many of the colleges and universities offer family discounts to PHA employees' spouses and child dependents.

Education Partners

Accredited College & University Partnerships (Highlights Denote New Partnerships)
Alvernia University
Chestnut Hill College
College Unbound
Community College of Philadelphia
DeVry University
Drexel University
Eastern University
Holy Family University
Kutztown University
Lincoln University (School of Adult & Continuing Education)
Orleans Technical College
Peirce College
St. Joseph's University
University of Cincinnati (Online)
Widener University

Benefits Administration

HR implemented Retirement Planning Seminars to assist employees to proactively plan for impending retirement, and also communicate the importance of retirement considerations even for those who are years away from leaving the workforce.

Labor Relations Administration

To enhance fluency related to PHA's collective bargaining agreements for supervisors, managers and other business unit leaders, HR delivered subject matter expert led sessions during which the provisions of various labor contracts, and how to interpret contract language, were presented and discussed. PHA's "people managers" left each module armed with vital information that would enable them to be more successful in their position as they navigate the interplay between the employees' union, the supervisor and the human resources professional.

Supply Chain

PHA's Supply Chain Management Department oversees all purchasing, contracting and logistics functions. PHA actively encourages the involvement of Minority Business Enterprises/Women-Owned Business Enterprises (MBE/WBE) and Philadelphia-based businesses and ensures compliance with HUD's Section 3 requirements related to hiring and contracting eligible businesses and residents.

In FY 2024, PHA achieved an MBE participation rate of 36% and a WBE participation rate of 13%. Philadelphia businesses and organizations received 17.2% of the total PHA contracted procurement spend of \$165.0 million. In terms of disbursements, Philadelphia-based vendors received \$100.9 million out of total disbursements of \$254.1 million or 39.7%.

PHA continued to work closely with Chambers of Commerce to outreach to local vendors. PHA also continued to work with the City's Procurement Department and Department of Sustainability and the School District's Procurement Department to share MBE/WBE lists and contract information. In FY2024, PHA also continued the use of Bonfire Strategic Sourcing software to digitize the sourcing process, improve transparency and expand outreach for all RFPs and IFBs.

Information Systems

The Information Systems Management (ISM) Department is responsible for the design and management of PHA's software, network, and technology support functions. Major projects undertaken by ISM in FY 2024 included:

- Deployed a new PHA website after collaborating with both internal PHA departments and external vendors to rebrand and modernize it using an updated platform.
- Implemented Oracle Content Management for invoice tracking and provided staff training. Migrated over a decade's worth of physical invoices from a retired system into the new Oracle Document Management as part of this project, which allows PHA to receive and process vendor invoices online.
- Developed lead case management, online storage database and Lead Disclosure automation for pre-1978 housing stock in compliance with HUD and City regulations.
- Supported the public housing waiting list update process including enhancing and expanding online applications to gather required information from applicants.
- Upgraded the PHA enterprise firewall and established a secondary firewall for the disaster recovery site at Wilson Park.
- Upgraded current version of electronic tripsheet and service order scheduling for new requirements. Trained and distributed over 400 iPads for electronic tripsheets to maintenance staff.
- Created a case management system for applicants and residents to request an Informal Hearing to review the findings.
- Improved Section 3 and Target Section 3 workers system based on updated HUD requirements.

CHAPTER IV- LEGAL

PHA's Office of General Counsel (OGC) is responsible for ensuring that PHA receives the highest standard of legal representation. The department provides legal advice on a wide range of matters, including: interpreting applicable federal, state, and local laws, including HUD's rules and regulations; reporting to HUD and the Board of Commissioners; representing PHA in legal disputes and litigation; handling Pennsylvania Right-to-Know Law requests; providing administrative hearings for both residents and employees; counseling other departments on corporate, real estate, labor and employment, and regulatory compliance matters; closing development and financing transactions; administering the Boards and Managers of PHA's controlled entities and the PHA Board; managing outside counsel; being responsible for records management guidance; and advising on ethics matters. OGC also manages PHA's insurance and risk management functions.

Over the past fiscal year, the OGC successfully advanced many essential business matters for the housing authority. The following are some highlights of PHA's legal affairs in FY 2024:

Rental Assistance Demonstration (RAD)

The RAD program is critical to PHA's capital redevelopment program and financial viability. OGC's efforts were integral to completing the financing of several RAD transactions including new phases of the Sharswood/Blumberg transformation and the two final transfers of assistance; bringing the total to 22 transactions. In addition, OGC led another round of procurement for third parties to develop affordable housing based on the new Faircloth to RAD option; and are preparing for the RAD closing as the two earliest of these types of transaction near construction completion.

Philadelphia Community Land Trust

As noted in prior Act 130 Reports, in FY 2021, OGC successfully negotiated the peaceful closure of the homeless encampment next to PHA's Headquarters on Ridge Avenue. During FY 2022, OGC continued to work with encampment leaders on homelessness and related issues including the creation of the Philadelphia Community Land Trust (PCLT). Two scattered-site RAD units on Westmont Street in Strawberry Mansion, whose assistance had been transferred to other affordable housing developments, were transferred to the PCLT. In FY 2024, OGC transferred six (6) additional properties and requested transfer authorization for eight (8) more. PHA and the Land Trust are continuing negotiations to identify additional transfers.

Affordable Housing Partnerships

OGC continues to identify opportunities to transfer properties to new and existing partners who can repurpose vacant properties for affordable housing purposes; and continued to work closely with various HUD departments to obtain required approvals. In FY 2024, OGC transferred 44 vacant properties to over 10 unique partners to rehab or develop homes to be sold to low income buyers. These efforts are part of a broader strategy to reposition PHA's large portfolio of scattered sites.

Demolition and Disposition Authorization

OGC obtained demolition or disposition approval under Section 18 for four (4) major PHA initiatives in FY 2024. These include demolition approval for 2012 Chestnut Street and three (3) separate disposition approvals totaling over 350 individual parcels in Sharswood to support two homeownership efforts and one rental phase.

ACOP/Admin Plan Updates

OGC completed two revisions of the Public Housing Admissions and Continued Occupancy Policy (ACOP) and Housing Choice Voucher Administrative Plan (Admin Plan) and provided guidance to departments for enhanced compliance with policies, procedures, laws and regulations, including in the areas of procurement, PHA's utility allowance program, admissions and wait lists, continued occupancy and family unification for individuals impacted by the criminal justice system and reasonable accommodations.

Litigation

From time to time claims are asserted against PHA and in some cases, lawsuits have been initiated. PHA is defending and will defend vigorously each of these actions. PHA may become liable if these claims are reduced to judgment or otherwise settled in a manner requiring payment by the agency. Claims against PHA are paid out of (1) insurance and, if judgments or settlements exceed insurance limits, (2) General Revenues of PHA.

During FY2022, there was a fire at 869 N. 23rd Street, for which PHA was placed on notice of several claims for wrongful death, bodily injury and property damage. In March 2023, several lawsuits related to the fire were filed in the Philadelphia County Court of Common Pleas. In January 2024, additional lawsuits related to the fire alleging federal civil rights claims were filed in federal district court. PHA does not believe it has any civil liability for these various claims and will continue to vigorously defend the lawsuits.

PHA's litigation team also worked together with the Operations Department and in partnership with the City of Philadelphia and Resident Advisory Board to conduct in-person eviction diversion programs at PHA developments, where tenants are encouraged to enter into repayment agreements and avoid eviction proceedings. The team also continued to manage lawsuits and HUD reporting requirements.

Risk Management

The Risk Management Division's loss control initiatives have continued to save PHA funds and enhance the safety of PHA's employees and residents, by providing training in areas such as defensive driving, ladder safety, lifting, slips and falls, and fire safety. Risk Management also worked to limit insurance premium increases while renewing PHA's insurance programs in a very challenging market.

Grievance Hearings and Right-to-Know Law Requests

PHA continued with virtual hearings for public housing residents, as this process was initiated during the height of the pandemic and remains the safest and most convenient for residents and PHA staff. It also had a number of successful appeals in cases under the Pennsylvania Right-to-Know Law, protecting various records and home addresses of PHA residents/HCV program participants as well as clarifying sections of the law.

CHAPTER V - FINANCE

PHA's financial position remains sound through prudent fiscal management, streamlining and cost reduction efforts undertaken over the past several years. PHA received a clean FY 2023 audit (the most recent period for which audited statements are available), and the Agency's Net Position continued to increase and become stronger, reflecting sound financial management. The strength of PHA's finances was further supported in November 2023 when S&P Global Ratings revised the outlook to positive from stable and affirmed its 'AA-' issuer credit rating (ICR) on PHA and its 'AA-' rating on the agency's series 2017 general revenue bonds. The outlook revision reflects S&P's opinion of a sustained improvement of PHA's financial performance and extremely strong management and governance.

Comparing FY 2016 to FY 2023, PHA had a 47.4% increase in Total Assets and a 53.6% or \$532.0 million increase in Net Position. Over this same period, PHA also increased total Operating Revenues by 30.6%, or \$121.1 million and increased Net Operating Income, after depreciation, by 339.1% or \$100.8 million.

PHA continued to reacquire ownership interests from equity investors in Low Income Housing Tax Credit (LIHTC) developments as part of ongoing efforts to preserve and enhance its affordable housing portfolio. The eleven (11) acquisitions to date enable PHA to better plan for future capital infusions and re-syndications, which will put these developments on stronger financial footing and preserve them as long-term affordable housing for generations to come.

Over the course of the fiscal year, PHA successfully secured additional funding including \$50 million in Choice Neighborhoods Implementation grant funding for Bartram Village; \$500,000 in Choice Neighborhoods Planning grant funding for Harrison Plaza Low-Rise/Yorktown; \$1.2 million in HUD Lead Based Paint Capital program funding for Abbottsford and Raymond Rosen; \$741,713 in HUD Family Self Sufficiency Coordinator funding; \$745,000 to support an additional 100 VASH vouchers; and, \$735,030 to support seventy-five additional Foster Youth to Independence vouchers. To date, PHA has secured a record six (6) Choice Neighborhood Initiative grants, including three implementation grants totaling over \$110M.

Appendix A includes the most recent independent audited Financial Report available for PHA, which covers Fiscal Year 2023.

Pennsylvania State law requires that all general-purpose local governments and component units publish a complete set of financial statements, presented in conformity with generally accepted accounting principles in the U.S. (GAAP) and audited in accordance with generally accepted auditing standards (GAAS) by a firm of licensed certified public accountants. RSM US LLP, audited PHA's financial statements to complete a Comprehensive Annual Financial Report of PHA for the fiscal year ended March 31, 2023.

The report contained management's representations concerning PHA's finances. Consequently, management assumes full responsibility for the completeness and reliability of all information presented therein. To provide a reasonable basis for making these representations, management of PHA has established a comprehensive internal control framework that is intended to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of PHA's financial statements, in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, PHA's comprehensive framework of internal controls is designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement.

The goal of the independent audit was to provide reasonable assurance that the financial statements of PHA for the fiscal year ended March 31, 2023 are free of material misstatement. The independent audit involved examining on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that PHA's financial statements for the fiscal year ended March 31, 2023 are fairly presented in conformity with GAAP.

CHAPTER VI – PLANNED INITIATIVES FOR FY 2023

For informational purposes, PHA incorporates summaries of planned major activities and initiatives for the next fiscal year as part of the Act 130 Report. As noted, PHA is a Moving to Work (MTW) agency. PHA's MTW Annual Plan for Fiscal Year 2025 is incorporated in its entirety as Appendix B of this Act 130 Report. This chapter provides a summary of PHA's major planned initiatives for FY 2025 as further described in the MTW Annual Plan.

Background on MTW

Moving to Work is a demonstration program authorized by Congress, through which PHA and other participating agencies have the flexibility to waive certain statutes and HUD regulations to design and test approaches for providing housing assistance that address one or more of the following statutory objectives:

- Reduce cost and achieve greater cost effectiveness in federal expenditures;
- Give incentives to families with children whose heads of household are either working, seeking work, or are participating
 in job training, educational or other programs that assist in obtaining employment and becoming economically selfsufficient; and
- Increase housing choices for low-income families.

Through MTW, PHA is able to waive certain HUD regulations and provisions of the U.S. Housing Act of 1937 and to combine its major HUD funding sources into a single MTW Block Grant that can be used flexibly for purposes authorized under the MTW Agreement. In February 2024, Congress authorized an extension of PHA's (and other legacy MTW agencies) MTW Agreements until 2038.

PHA posts the MTW Annual Plans on its website and provides opportunities for resident and general public input before finalizing each Annual Plan. MTW Annual Plans are subject to HUD approval. The FY 2025 MTW Annual Plan was approved by HUD in March 2024. PHA's MTW Annual Reports are published ninety days after the end of each fiscal year. Thus, the MTW Annual Report for FY 2024 will be available for review on or after June 30, 2024.

Summary of Initiatives Planned for FY 2025

The following narrative, prepared in December 2023, provides a summary of PHA's planned MTW initiatives for the next fiscal year. PHA will implement a coordinated, comprehensive program of capital improvements, housing and neighborhood development activities, maintenance and management initiatives, and resident supportive services in FY 2025. As PHA's funding for the fiscal year is unknown as of the publication date, the activities described may be modified based on actual funding levels. Highlights of PHA's planned MTW activities include:

PHA will utilize MTW funding and programmatic flexibility to accelerate and expand an ambitious development program designed to preserve and expand the supply of affordable housing in Philadelphia. PHA's approach incorporates three broad, interrelated strategies:

- **Repositioning Public Housing** The majority of public housing units in Philadelphia are more than a half century old and many scattered site units were built more than a century ago. As such, the public housing portfolio requires substantial new investments or complete redevelopment in order to provide quality housing for current and future residents. Over the next several years and building on the work completed over the past 10 years PHA will continue to reposition the public housing portfolio to project-based assistance in order to secure the funding needed to preserve and/or redevelop aging housing sites, as well as to provide a more secure and stable funding platform that is capable of sustaining affordable housing over the long-term.
- Developing New Affordable Housing Increasing the supply of affordable housing is of critical importance to the
 future of Philadelphia in light of rapidly increasing housing costs, neighborhood gentrification and other market factors
 that have created enormous housing cost burdens, increased evictions and exacerbated homelessness among low-income
 families and individuals. Through the Faircloth to RAD program and creative use of the financing tools discussed below,
 PHA is focused on expanding affordable housing production wherever feasible as part of public housing redevelopment,
 neighborhood-wide transformation or other partner or PHA-sponsored projects.

• **Expanding Long-Term Rental Assistance** – Since 2013, PHA has significantly increased funding for long-term operating subsidies to newly developed or existing housing developments. Long-term rental assistance provided through the Unit Based Voucher program (see below) is a critically important component of PHA's efforts to preserve and expand affordable housing and reduce housing cost burdens for low-income renters.

In support of these interrelated strategies, PHA creatively utilizes MTW funding to leverage other funding and all available financing and programmatic tools including:

- HUD's Rental Assistance Demonstration (RAD) Program RAD is a significant component of PHA's efforts to reposition public housing and convert it to Section 8 project-based assistance. Under RAD, the right of existing residents to return to newly constructed or rehabilitated housing is guaranteed and one-for-one replacement of all public housing units is required. The RAD program also incorporates two important features which PHA utilizes to expand the supply of affordable housing: 1) "Faircloth to RAD" through which PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to project-based assistance; and 2) "Transfer of assistance" through which PHA is able to transfer subsidies from long-term, vacant and distressed public housing scattered site units to newly developed projects covered by project-based assistance contracts. PHA has closed on 2,162 units under RAD through FY 2024, with an additional 4,474 in the active planning stages for FY 2025 and beyond.
- Low Income Housing Tax Credits (LIHTC) through the Pennsylvania Housing Finance Agency (PHFA) and other tax credit programs authorized by the federal or state government which support private investments to finance RAD and/or other development activities conducted by PHA and its development partners. Since 2013, PHA development projects have received 16 LIHTC awards that generated \$222.5 million in private funding to construct 1,338 affordable units.
- **Special Grant Programs** such as HUD's Choice Neighborhoods Planning and Implementation (CNI) grants which provide funding to support the transformation of public housing developments into newly revitalized mixed-income communities with supportive services and neighborhood amenities. With the FY 2024 CNI awards to PHA of \$50 million to partially fund the Bartram Village redevelopment and \$500,000 to support the Harrison Plaza neighborhood planning effort, PHA has received a total of 3 CNI Implementation and 3 CNI Planning grants.
- **PHA's Unit Based Leasing and Development (UBV) Program**, which currently provides long-term operating funding to more than 5,000 newly developed or existing housing developments. UBV funding ensures that rents are affordable for low-income families by capping tenants rent at 30% or less of adjusted household income. The UBV program subsidizes the difference between tenant rents and actual rental costs, which provides a stable and reliable source of funding to building owners. Many UBV developments are owned by mission-driven, neighborhood-based and other organizations that focus on special needs populations and provide on-site or nearby supportive services to tenants.
- **Tenant Protection Vouchers** provide replacement housing vouchers that can be project-based in connection with HUD Section 18 dispositions of public housing.

Subject to approval by the PHA Board of Commissioners, PHA selects projects for the RAD and UBV programs through competitive procurements and plans to issue additional Requests for Proposals and select additional developer proposals in FY 2025 and subsequent years.

Of note, PHA's development activities create jobs for public housing and other local residents and help drive the local and regional economies. A June 2023 economic impact analysis conducted by ESI/Econsult Solutions concluded, "From 2023 through 2029, PHA's anticipated capital investments ... will generate a significant cumulative impact on the local and Commonwealth economies. Locally, capital investments from PHA's planned developments are estimated to produce nearly \$5.2 billion in cumulative economic impact, supporting more than 4,400 FTE job-years and nearly \$1.8 billion in employee compensation in Philadelphia. Statewide, these investments are projected to produce a total of roughly \$6.2 billion in cumulative economic impact, supporting 4,900 FTE job-years and \$2.1 million in employee compensation during the period of construction."

Summary highlights of PHA's planned affordable housing preservation and development initiatives are included below. Note that unit counts, financing sources and development timetables are subject to change based on planning activities, interest rates, funding availability, regulatory agency approvals and other factors. Therefore, there may be variances from year to year in the information provided in the Annual Plan.

Site/Program	Description	FY 2025 Planned Activity
Sharswood/ Blumberg	The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. Funded in part by a \$30 million HUD grant, the Plan calls for development of over 1,200 units of mixed-income housing, including affordable rentals and homeownership units. As of October 2023, 369 rental units have been completed. An additional 552 rental units and 240 homeownership units are currently under construction or will be under construction by the end of FY 2024. In addition to this housing activity, construction and occupancy of the new PHA Headquarters Building was completed in January 2019, and PHA launched a new Youth and Family Center on the ground floor in October 2022. A new fresh food supermarket and mixed-used retail center opened in FY 2024 adjacent to PHA Headquarters. Also, the nearby Vaux Community Building was substantially rehabilitated and is now the site of PHA's Workforce Center, a Section 3 Resource Center, a neighborhood high school, a CVS training facility, resident business incubator and other community services.	PHA projects that all planned housing and homeownership units will be completed or substantially completed in FY 2025. PHA will also continue to support after school and supportive service programming for low-income youth attending the Big Picture Philadelphia High School located in the Vaux Community Building.
Fairhill Apartments	Fairhill Apartments is a distressed 264-unit public housing development from which all residents have been successfully relocated. PHA's master plan for the site involves demolishing and replacing all of the low-rise units with 65 new-construction townhomes, rehabilitating both towers into senior preference housing, building a new public street to reconnect the site to the surrounding neighborhood and creating two community spaces. Phase III includes an off-site phase for which PHA has acquired vacant parcels on the surrounding blocks to build 85 additional new construction townhomes, including 10 affordable homeownership units. PHA's plans for FY 2024 include commencing demolition on Phase 1 and applying for LIHTC awards for Phases 1 and 2.	PHA projects that financing plans will be finalized for Phases 1 and 2, demolition will be substantially completed and construction activity will commence.
Westpark Apartments	Following an intensive community engagement and planning process, PHA is undertaking the complete redevelopment of the 11+ acre, 327-unit West Park Apartments public housing development into a mixed-income, mixed use neighborhood of choice. In FY 2024, PHA's Board approved the selection of development partners LMXD and MSquared and overall plan to develop a total of 1,000 mixed-income units, including renovation of three existing tower buildings and development of ground floor commercial spaces. Extensive site reconfiguration and infrastructure improvements will be done. PHA may apply for a CNI Implementation grant for West Park in FY 2024.	PHA will continue to plan for the redevelopment financing and design and anticipates that the first phase of construction will commence in late FY 2025.

Bartram Village	PHA is working with the community and development partner, Pennrose Properties, to implement a Choice Neighborhoods Transformation Plan for Bartram Village, which will replace the existing 500 distressed units with over 600 mixed-income rental and affordable homeownership units on-site and at a nearby offsite parcel. A series of targeted neighborhood improvements, economic development and resident supportive services will be implemented in tandem with the housing development program. In FY 2024, HUD awarded a \$50 million Choice Neighborhoods Implementation to the project, and the Pennsylvania Housing Finance Agency awarded a 9% LIHTC for offsite Phase 1.	PHA anticipates that the first phase of construction at Bartram will commence in FY 2025 and that Phase 2 financing will be finalized.
Harrison Plaza	PHA completed the redevelopment of the existing Harrison Plaza tower into a senior preference building in FY 2024. The building was converted to PBV under the RAD program and has been fully reoccupied. This milestone represents the first phase of a redevelopment plan for the entire Harrison Plaza site. HUD awarded PHA a \$500,000 Choice Neighborhoods Planning Grant in FY 2024 to support development a comprehensive Transformation Plan for Harrison Plaza and the surrounding Yorktown neighborhood.	In FY 2025, PHA will continue the planning process for redevelopment of Harrison Plaza and the surrounding Yorktown neighborhood and identify a development partner. PHA also plans to apply for financing for the first phase of redevelopment.
Norris/ North Central	Working with the City of Philadelphia, residents and community partners, PHA completed the Choice Neighborhoods-funded Transformation Plan for Norris/North Central in FY 2023. The plan resulted in extensive community improvements and construction of 272 affordable rental and 30 homeownership units. All homeownership units have been sold.	In FY 2025, PHA will continue to firm up plans to develop a remaining parcel of the former Norris Homes into a mixeduse development and/or homeownership, possibly in partnership with a third party developer. PHA will also continue as People Lead for the final year of Choice endowmentfunded service activities that benefit residents.
Rental Assistance Demonstration	Through RAD, PHA is able to convert public housing assistance to project-based assistance and to expand assistance through Faircloth to RAD. Overall, PHA projects that 2,162 units at existing public housing sites, new transfer of assistance and Faircloth to RAD sites will have closed under the RAD program by the end of FY 2024.	PHA plans to undertake RAD conversion of at least an additional 4,474 public housing units in FY 2025 and future years.
Public Housing Development	Working with partners, PHA continues to support the development of new public housing units. Most or all of these newly developed units will convert to project-based assistance through Faircloth to RAD at the time of completion or later.	PHA will continue to collaborate with partners to develop 12 new public housing developments with a total of 555 units.
Unit Based Vouchers (UBV)	The UBV program provides long-term, project-based rental assistance for low-income households. UBV developments include both new and existing buildings, and many serve special needs populations and provide supportive services.	PHA plans to enter into UBV contracts for an additional 1,380 units in FY 2025, which includes planned RAD conversions and other development initiatives. On an ongoing basis, PHA plans to provide UBV subsidies to approximately 5,243 affordable housing units. In addition to utilizing MTW funding, PHA incorporates MTW flexibility in admissions, continued occupancy and other areas.

Scattered Sites	PHA's preservation strategy includes the conversion of approximately 3,700 scattered site public housing units to the PBV program in tandem with performing unit repairs and upgrades to improve conditions and ensure long-term viability. The first phase involves approximately 1,200 units in AMPS 901, 902 and 903 for which PHA plans to request HUD approval for a Section 18 disposition, RAD conversion and/or RAD/Section 18 blend. Following HUD approval, PHA will transfer ownership to a PHA affiliate; apply for HUD Tenant Protection Vouchers (TPV) as applicable; and, convert to one or more long-term Section 8 Housing Assistance Payments contracts.	PHA plans to request HUD approval for a Section 18 disposition, RAD conversion and/or RAD/Section 18 blend for the first phase of scattered sites units in late FY 2024 or early FY 2025, subject to Board approval. Second phase approval(s) will proceed in late FY 2025.
-----------------	--	---

• Workforce Development, Youth Development & Other Supportive Services—In FY 2025, PHA plans to expand the services and support available to PHA children and their families, including programs to assist families with small children with enrolling them in early childhood education programs and a whole family enrichment program. PHA will also expand job readiness programs, through support for resume writing and interview preparation. Leveraging the success of its Entrepreneurial Fellowship Program, PHA will begin to provide continued support to fellowship participants following their graduation.

PHA will continue to provide services to support the full range of families' needs, from early childhood development to supportive services for the elderly. PHA will work directly with residents through the Resident Programs and Partnerships (RPP) Division and their Workforce Center, Section 3 Resource Center and Job Bank, and recently opened the Youth and Family Center, a drop-in center offering a weekly schedule of partner programs and events. PHA will continue to collaborate with long-term partners, including the William Penn Foundation and Temple University, and leverage MTW funding flexibility to expand the programming and support available to PHA families. A summary of PHA's MTW and Non-MTW funded resident services programs is included in the Annual Plan.

- **Sponsor-Based Shared Housing Pilot** In FY 2025, PHA will continue providing housing opportunities for homeless individuals and other hard to serve special populations, building on and enhancing the ongoing collaboration between the City and PHA to reduce homelessness through the "Blueprint to End Homelessness" initiative. PHA will also offer housing options to eligible low-income students in partnership with the Community College of Philadelphia (CCP). In total, PHA anticipates that this pilot program will provide 41 housing opportunities, which includes 35 units made available through the partnership with the City and six (6) units through the CCP partnership.
- HCV Mobility Program The overall goal of PHA's Mobility Program is to encourage voucher holders to find housing
 and jobs in areas that provide higher economic, educational, and social mobility opportunities both within and outside
 of the City of Philadelphia. Due to the program's success, PHA will use MTW funding to continue and expand the pilot
 program. Mobility Counselors will continue to provide a broad range of supportive services and housing counseling
 to voucher-holders and conduct landlord outreach in order to promote the successful transition of families to higher
 opportunity areas.
- **Homeownership** Through the MTW Opening Doors to Affordable Homeownership Program (ODAHP), PHA consolidates the existing Section 5h and HCV Homeownership programs with new homeownership initiatives that provide additional financing support for first-time homeowners. Soft-second mortgage and down payment assistance will be offered to eligible participants, in addition to homeownership counseling and support. In FY 2025, PHA will complete the second cohort of home renovations through its partnership with Jumpstart Philly, where local developers receive training and financial support to renovate scattered site Public Housing units. This partnership will encourage equitable development and provide additional homeownership opportunities for low-income families. Overall, PHA projects that 60 low-income households will become first time homebuyers in FY 2025.
- **Second Chance Initiative** PHA expanded the Second Chance program in FY 2024, making 20 additional vouchers available to formerly incarcerated returning citizens that are active participants in good standing with the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and Mayor's Office of Reintegration Services (RISE) Program. PHA anticipates serving up to 30 returning citizens, who will receive housing assistance and supportive services through the program in FY 2025. PHA will also continue to provide for extensions to the two-year program term for STAR/RISE participants.

- Partnership with Civic Coalition to Save Lives PHA will implement a new initiative in partnership with the Civic Coalition to Save Lives to provide housing stability to victims of, and those at risk of, gun violence. PHA will make available up to 30 housing opportunities for qualified participants referred by the Coalition, which will be either Public Housing units or Housing Choice Vouchers. PHA will provide a limited local preference for Public Housing and the HCV program for applicants who are victims of, or at risk of, gun violence and their families as well as individuals who have lost their homes or were displaced due to gun violence. The Coalition, or their designee, will refer qualified applicants to PHA. PHA and/or partnering service providers will provide supportive services to families housed under this initiative, including counseling, trauma-informed care, legal assistance, among other supports.
- Family Self-Sufficiency In FY 2025, PHA will implement a revised local FSS model, the PHA Advantage FSS program, which incorporates a revised escrow model and financial incentives for education and job training. To encourage broader participation in FSS, PHA will utilize a revised escrow model, in which monthly escrow credits are determined by earned income, rather than the change in their Total Tenant Payment (TTP). To incentivize completion of interim goals, PHA will provide financial incentives for participants who meet interim goals related to education and job training. PHA will also provide financial incentives to graduating families to encourage homeownership and transition to self-sufficiency. In FY 2025, PHA anticipates adding 60 new families to the MTW FSS program, bringing the total number of families served to 600.
- Rent Simplification and Program Streamlining Initiatives PHA will continue to implement previously approved MTW initiatives that simplify program administration and provide incentives for economic self-sufficiency. To increase utilization and address barriers to leasing, PHA will establish payment standard amounts for tenant-based vouchers of up to 120% of the applicable Fair Market Rent (FMR) and permit an increase in the payment standard to be applied at any time after the effective date of the increase. To support leasing in opportunity neighborhoods, PHA will establish exception payment standards which exceed 120% of the FMR.

APPENDIX A

ANNUAL AUDITED FINANCIAL REPORT

The Act 130 Report is due on April 30 of each year for PHA's prior fiscal year ending on March 31. The following report is for the most recently completed audit period (Fiscal Year 2023). Audited financial reports for FY 2024 will be available later in calendar year 2024 and will be incorporated into the FY 2025 Act 130 Report.

PHILADELPHIA HOUSING AUTHORITY ANNUAL FINANCIAL REPORT TRANSMITTAL LETTER (UNAUDITED)

September 29, 2023

To the Board of Commissioners, Citizens, and Clients of the Philadelphia Housing Authority:

We are pleased to present the Philadelphia Housing Authority ("PHA" or the "Authority") Annual Comprehensive Financial Report for the fiscal year ended March 31, 2023. This report was prepared by PHA's finance staff and financial statements have been audited by RSM US LLP, a firm of licensed certified public accountants.

Pennsylvania State law requires that all general-purpose local governments and component units publish a complete set of financial statements presented in conformity with Accounting Principles Generally Accepted in the United States of America ("GAAP") and audited in accordance with Generally Accepted Auditing Standards ("GAAS") by a firm of licensed certified public accountants.

This report consists of management's representations concerning the finances of PHA. Consequently, management assumes full responsibility for the completeness and reliability of all information presented in this report. To provide a reasonable basis for making these representations, PHA management established a comprehensive internal control framework that is designed both to protect the Authority's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of PHA's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, PHA's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The goal of the independent audit was to provide reasonable assurance that PHA's financial statements for the fiscal year ended March 31, 2023, are free of material misstatement.

The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that PHA's financial statements for the fiscal year ended March 31, 2023, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of PHA was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies.

The regulations governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the Authority's internal controls and compliance, with special emphasis on internal controls, legal requirements and compliance involving the administration of federal awards. These reports are available in the Single Audit Section of PHA's Financial Report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis ("MD&A"). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. PHA's MD&A can be found beginning on page 15.

Profile and Background of the Philadelphia Housing Authority

PHA, created in 1937 pursuant to the Pennsylvania Housing Authorities Law, is the fourth largest housing authority in the country with conventional units and the largest scattered site inventory.

In FY 2023, PHA provided housing to approximately 11,487 low-income households in public housing developments and scattered sites units in the City of Philadelphia. Through the Housing Choice Voucher Program ("HCVP" or "HCV"), which also includes former public housing units that have been converted to project-based assistance under the Rental Assistance Demonstration program ("RAD"), PHA assisted approximately 20,035 low-income households in locating and renting housing in privately owned properties. The number of households served by PHA varies over time based on various factors including occupancy of new developments; redevelopment, including demolition, disposition, construction, and relocation timetables, award of new special purpose and/or other voucher allocations, lease up success rates, and other factors.

The federal government exerts a major influence on the nation's housing and development activity, a role that has its roots in the 1930s. Over the past 80+ years, the Federal Government has developed a variety of programs and policies to support housing production, revitalize cities, and expand housing opportunities for low- and moderate-income homebuyers and renters.

PHA provides low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the U.S. Department of Housing and Urban Development ("HUD") and other federal agencies. The following major federal housing laws constitute the primary regulatory framework within which PHA provides subsidized housing in accordance with current HUD regulations:

- The National Housing Act, passed in 1934, was the first landmark housing law of the New Deal era. It created the Federal Housing Administration ("FHA"), whose mission was to stimulate housing activity by insuring mortgages made by private lenders.
- The United States Housing Act of 1937 created the public housing program. Like the National Housing Act, the U.S. Housing Act has been amended many times, including a comprehensive revision in 1974.
- In the Housing Act of 1949, Congress established a national housing policy with three objectives: (1) eliminating housing shortages through housing production and related community development, (2) clearing slums and blighted areas, and (3) achieving the goal of "a decent home and a suitable living environment for every American family."
- In 1965, Congress passed a law to create the U.S. Department of Housing and Urban Development. In addition, closely related legislation was passed in 1965, which created the rent supplement program to subsidize the rents of low-income households in private housing.
- One of the landmark housing laws of the post-World War II era, the Housing and Urban Development Act of 1968 created two major subsidy programs, the Section 235 home purchase program, and the Section 236 rent subsidy program.
- The Housing and Community Development Act of 1974 rewrote the United States Housing
 Act of 1937, revising the public housing program and creating the Section 8 rent subsidy
 program. Under Section 8, low-income tenants pay a fixed portion of their income for rent
 in privately owned housing and HUD covers the difference between the tenant payment
 and the fair market rent for the unit.

- The Housing and Community Development Act of 1987 made several changes to the public housing program. These included converting development funding from loans supported by annual contract payments to up-front grants, requiring public housing authorities to submit comprehensive plans to receive modernization funds, and adding provisions for resident management and ownership. For Section 8, the 1987 Act made vouchers a permanent program, rather than a demonstration: provided portability for certificates and vouchers, allowing families to take their subsidies with them if they moved within the same or a contiguous metropolitan area; and authorized PHAs commit up to fifteen (15%) percent of their certificate funding to specific projects.
- The National Affordable Housing Act of 1990 created the Homeownership and Opportunity for People Everywhere program, which was designed to encourage the use of government-owned or government-financed housing for low-income home ownership.
- For public housing, the Housing and Community Development Act of 1992 included provisions to reduce vacancies and improve severely depressed projects. The Section 8 provisions included authorization to use vouchers or certificates for home ownership, and a Moving to Opportunity demonstration program to help families living in subsidized projects to move out of areas with high concentrations of poverty, and into areas offering greater opportunities for employment, education, and lower poverty.
- Public housing reform is represented through the Quality Housing and Work Responsibility
 Act of 1998 ("QHWRA"). QHWRA was signed into law in 1998 and is found in Title V of
 HUD's FY1999 appropriations act (P.I. 105-276). QHWRA's goals include:
 - Reducing the concentration of poverty in public housing;
 - o Protecting access to housing assistance for the poorest families;
 - Supporting families making the transition from welfare to work;
 - Raising performance standards for public housing agencies, and rewarding high performance;
 - Transforming the public housing stock through new policies and procedures for demolition and replacement and mixed-finance projects, and through authorizing the HOPE VI revitalization program;
 - Merging and reforming the Section 8 certificate and voucher programs, and allowing public housing agencies to implement a Section 8 homeownership program; and
 - HUD management reform efficiencies through deregulation and streamlining and program consolidation.

Under QHWRA and, where applicable, the Moving to Work ("MTW") Agreement between PHA and HUD as further described below, PHA has established a system of site-based waiting lists, consistent with all applicable civil rights and fair housing laws. PHA has set a minimum monthly rent of \$50 for residents in public housing, the HCVP and Moderate Rehabilitation developments. Exceptions to payment of minimum rent may be made by the PHA for families in hardship circumstances.

QHWRA also allows PHA to terminate the leases of residents of public housing and tenant-based HCVP assistance and be subject to expedited eviction (after an expedited grievance process) for violent or drug-related criminal activity and felony convictions.

- The Housing Opportunities through Modernization Act ("HOTMA") was signed into law in 2016. HOTMA amends the United States Housing Act of 1937 and other housing laws to modify the public housing, Housing Choice Voucher, and other federal housing programs. HOTMA includes a combination of provisions that became effective upon the law's signing and other provisions that require HUD to first issue a notice or regulation before becoming effective.
- Congress has dealt with substantive housing issues in other legislation, including a number of significant housing and development programs created through tax legislation, such as:

 (1) the mortgage revenue bond and mortgage credit certificate programs, to provide subsidized financing for first-time home buyers;
 (2) the low income housing tax credit ("LIHTC") program, which has become the nation's major low income housing production program;
 and
 (3) the empowerment zone and enterprise community program, which provides tax incentives to encourage development in distressed urban and rural areas.
- In Fiscal Year 2020, Congress passed the Coronavirus Aid, Relief and Economic Security ("CARES") Act which provides supplemental funding for public housing and HCVP, along with broad authority to the Secretary of HUD to waive program regulations in response to the COVID-19 pandemic. HUD has issued notices and guidance related to the implementation of allowable CARES Act waivers, and PHA subsequently implemented allowable waivers in accordance with HUD requirements and its MTW Agreement.
- The American Rescue Plan Act of 2021 ("ARPA") includes a number of provisions, to be administered by HUD and other agencies, to provide immediate and direct relief to help people remain stably housed during the pandemic including funding for Emergency Housing Vouchers for individuals and families who are experiencing homelessness or at risk of homelessness. PHA received an allocation of 863 Emergency Housing Vouchers through ARPA.

Governing Body

Pursuant to Pennsylvania state law, the PHA Board of Commissioners consists of nine (9) members nominated by the Mayor of Philadelphia, subject to approval by the City Council. Two of the Commissioners are PHA residents. The Commissioners serve terms concurrent with the appointing Mayor. Prior to their seating, all Board members are required to complete extensive training from PHA, including sessions on public housing management, Ethical Conduct, Conflict of Interest, Equal Employment Opportunity, and the Fair Housing Act. The Board provides policy guidance and oversight of PHA's operations. As of March 31, 2023, the Board consisted of nine (9) Commissioners.

The members of PHA's Board of Commissioners for the fiscal year ended March 31, 2023, were:

- 1) Lynette M. Brown-Sow Board Chair Former Vice President of Marketing and Government Relations for Community College of Philadelphia;
- 2) **Herbert Wetzel Board Vice Chair** Executive Director of Housing and Community Development for City Council;
- 3) Leslie D. Callahan, PhD Pastor of St. Paul's Baptist Church in North Philadelphia;
- 4) **Rev. Bonnie Camarda** Director of Partnerships for the Salvation Army of Eastern Pennsylvania and Delaware;
- 5) Asia Coney President of PHA's Resident Advisory Board;
- 6) **Belinda Mayo** Former Director of Neighborhood Program Coordination and Community Development at the City of Philadelphia Office of Housing and Community Development from 1987 through 2016;

- 7) *Frederick* S. *Purnell*, *Sr.* Former Deputy Director for Housing and Community Development for the City of Philadelphia;
- 8) *Ismail A. Shahid* Founding partner of SUPRA Office Solutions, Inc., a Philadelphia-based, national supplier which is certified MBE, DBE and as a HUBZone business; and
- 9) Ethel Wise President of the Wilson Park Family Resident Council.

Major Program Areas

PHA's largest programs as described in the accompanying financial statements are:

1. Low-Rent Housing Program (Public Housing)

This program provides low-rent housing to qualified residents of the City of Philadelphia. All units are owned by PHA - or by PHA affiliates or Alternative Management Entities, subject to the terms and conditions of property-specific Regulatory and Operating Agreements between PHA and the owner(s) and were purchased with financing arranged or provided through HUD. The operations of the public housing program are subsidized by HUD through Annual Contributions Contract(s). Under PHA's MTW Agreement, public housing operating and capital funding are eligible for funding and programmatic flexibility. Some public housing units receive LIHTCs and are also subject to the program's applicable regulations. Under the RAD Program authorized by Congress and implemented by HUD, PHA is in the process of converting a significant portion of its public housing portfolio to Section 8 project-based assistance. This conversion process will continue to take place over the next several years.

2. Housing Choice Voucher Program

HCVP (also referred to as Section 8) provides rental subsidies for low-income families residing in housing owned by private, not-for-profit or public property owners. Under PHA's MTW Agreement, the majority of PHA's HCVP vouchers are eligible for funding and programmatic flexibility, provided that special purpose voucher programs are subject to applicable HUD guidance on the use of MTW flexibility. Programs under the HCVP umbrella include Tenant-Based, Project Unit Based, units that have been converted from public housing to project-based assistance under the RAD Program, SRO for the Homeless, Moderate Rehabilitation and Special Purpose Vouchers such as the Veterans Administration Supportive Housing ("VASH"), Mainstream, Family Unification Program and Emergency Housing Vouchers.

Moving To Work

PHA has been a participant in the MTW program since 2001. The current MTW Agreement between HUD and PHA extends through FY 2028. MTW is a national demonstration program by Congress that allows a limited number of Public Housing Authorities to combine Public Housing Operating Fund, Capital Fund and HCVP funds into a Block Grant and to waive certain regulations and statutes subject to HUD approval. The MTW Agreement also defines the formulas relevant to PHA's eligibility for Public Housing Operating Fund, Capital Fund and HCVP funds.

Activities that utilize MTW flexibility must promote one or more of the MTW statutory objectives, which can be summarized as expanding housing choice, reducing cost and promoting efficiency in the administration of federal programs and/or encouraging economic self-sufficiency of families with children.

PHA is required to prepare and submit an MTW Annual Plan and Annual Report each year for HUD's review and approval (Plans) or acceptance (Reports). The Annual Plan provides detailed information on the MTW activities and initiatives which PHA plans to undertake during the upcoming fiscal year, while the Annual Report summarizes actual progress made in the prior fiscal year. The Annual Plan process takes into consideration the policy, operational and financial issues that impact PHA including planned capital expenditures, proposed demolition, or disposition activity, proposed new public housing and Project Based Voucher units, MTW Sources and Uses, and other relevant information. The Annual Plan process includes opportunities for resident and general public input. PHA's Board approves the Annual Plan and Annual Report each year prior to submission to HUD. The format of the MTW Annual Plan and Annual Report is defined by HUD. Periodically, PHA may prepare and submit Amendments to the MTW Annual Plan, which are subject to the resident and public review and Board approval requirements established by HUD.

FY 2023 Major Accomplishments and Program Highlights

Below are selected highlights of PHA's FY 2023 major accomplishments and milestones that demonstrate the agency's continued commitment to its mission and strategic goals:

Sharswood/Blumberg

The Choice Neighborhoods Transformation Plan for Sharswood/Blumberg is the largest mixed-income, mixed-use redevelopment project underway in the City of Philadelphia. Funded in part by a \$30 million HUD Choice Neighborhoods Implementation grant, the Plan calls for the development of 1,203 units of mixed-income housing, including affordable rental and homeownership units. To date, a total of 457 housing units have been completed and an additional 745 are under construction or near closing in development phases undertaken by PHA or through development partnerships overseen by PHA. The redevelopment project has catalyzed a broader neighborhood revitalization, including the development of the new \$52 million mixed-use (retail and housing) Sharswood Ridge complex adjacent to PHA's headquarters. Sharswood Ridge's first major tenant, a fresh foods grocery outlet, opened its doors in FY 2023, the first supermarket to open in the neighborhood in over 50 years.

North Central/Norris

In FY 2023, the Choice Neighborhood Transformation Plan for North Central/Norris was successfully completed in collaboration with the City, resulting in extensive community improvements and construction of 272 rental, 30 homeownership units, and a community center. PHA is developing plans for additional housing units on the former public housing site. PHA will continue to collaborate with the City on the final grant close-out and serve as People Lead Partner, including overseeing endowment-funded service activities for Norris residents.

West Park Apartments

PHA is undertaking the complete redevelopment of West Park Apartments, an 11-acre, 327-unit Public Housing development. In FY 2023, PHA continued to plan for the redevelopment financing and design, finalizing the overall \$450 million plan to develop 1,000 mixed-income units, selecting development partners, and relocating current residents. The plan, which was developed in consultation with the community and approved by the PHA Board in January 2023, will include the substantial rehab of three (3) existing high-rise towers; new construction of a midrise building for seniors; and development of low-rise apartment buildings and new family townhomes throughout the site and on an adjacent lot. Ground floor commercial spaces will be incorporated into the development plan along with extensive site reconfiguration, infrastructure improvements and a new gateway to Market Street. PHA anticipates that the first phase of construction will begin in FY 2024.

Bartram Village/Kingsessing

PHA's Transformation Plan for Bartram Village/Kingsessing envisions the development of 608 mixed income units, including 500 Public Housing replacement units and a series of innovative neighborhood improvements and supportive services activities. In FY 2023, PHA's planned redevelopment achieved a major milestone with PHFA's award of 9% Low Income Housing Tax Credits for the first off-site construction phase. PHA anticipates that closing on the first phase will occur in FY 2024.

Fairhill Apartments

PHA continued to plan for the complete redevelopment of the Fairhill Apartments Public Housing development in multiple on and off-site phases. The redevelopment plan calls for one-for-one replacement of the existing 264 housing units plus 100 additional units; reconfiguration of streets; demolition of low-rise buildings; rehabilitation of two tower buildings as senior housing; development of replacement family units on and off-site; and rehabilitation of a nearby community center. In FY 2023, PHA moved forward with plans to acquire approximately 100 off-site parcels. PHA anticipates that construction of the first phase will commence in FY 2024.

Rental Assistance Demonstration

The RAD program allows PHA to leverage MTW Block Grant, private and other capital sources through conversion of public housing subsidies to long-term project-based assistance. RAD is a critically important component of PHA's efforts to secure new capital resources necessary for the long-term preservation of PHA's existing multifamily public housing portfolio. RAD also supports PHA's efforts to transfer subsidies from distressed, vacant scattered site public housing units to newly developed affordable housing. To date, PHA has closed on approximately 1,970 rental units in 30 multifamily developments sponsored by PHA and partner organizations that will serve veterans, seniors, formerly homeless families, and other underserved, diverse populations while also helping to catalyze additional public and private sector investments into neighborhoods. Total development costs exceed \$685 million, including over \$303 million in private equity.

The conversion of Harrison Senior Tower, which was completed in FY 2023, illustrates how RAD has enabled PHA to preserve aging housing stock by leveraging financial resources to renovate and improve the quality of life for its residents. The Tower, a 67-year-old building in need of costly repairs, has been transformed into a high-quality senior community which provides residents with unit and community amenities to allow them to age comfortably, including grab bars and other life safety unit features and building amenities such as a community room with an outdoor patio and health screening room.

Public Housing Development

PHA is one of the few agencies nationwide to continue to develop public housing units in collaboration with well-qualified, primarily mission-driven housing partners. This activity allows PHA to tap into existing, but unused, public housing Annual Contributions Contract authority to help spur the development of new affordable housing. Some or all of these new Public Housing developments may be converted to project-based assistance prior to, or immediately following, occupancy under the Faircloth-to-RAD initiative.

Citywide Development

Utilizing its MTW flexibility, PHA continued to serve as a catalyst and major funder for housing and neighborhood development throughout the City, working directly through its PHADC affiliate and in partnership with a diverse group of development partners, including community-based organizations. In FY 2023, PHA provided long-term subsidy to over 4,450 housing units at 160 developments throughout the city through the Unit Based Voucher ("UBV") program. UBV is increasingly a major catalyst for new affordable development in Philadelphia, as it provides long-term operating supports necessary to ensure that rents are affordable to households with incomes at or below 50% of Area Median Income.

Affordable Homeownership

PHA operates a broad array of first-time affordable homeownership initiatives designed to expand housing choice and increase the number of first time, low-income homebuyers. A total of 46 PHA-assisted families became new homeowners in FY 2023. To further equitable development efforts and increase affordable homeownership opportunities for PHA families, PHA expanded its partnership with Jumpstart Philly to support local aspiring developers and renovate vacant and distressed scattered site units for homeownership. In FY 2023, developers completed renovations on the first 10 scattered site units, which were sold to qualifying low-income families.

Blueprint to End Homelessness Initiative

PHA continued providing housing opportunities for homeless individuals and other hard to serve special populations, building on and enhancing the ongoing collaboration between the City and PHA to reduce homelessness through the "Blueprint to End Homelessness" initiative.

Sponsor Based Shared Housing Pilot

PHA provided housing opportunities to 73 individuals in 41 units through partnerships with the City, which serves homeless and other hard to serve populations, and the Community College of Philadelphia ("CCP"), which serves low-income, at-risk CCP students.

Leased Housing

Including households living in UBV developments, PHA provided rental subsidies to over 20,000 low-income households consisting of families with children, seniors, and people with disabilities through its focal Leased Housing Program.

Voucher Mobility

PHA started the Housing Opportunity Program in August 2013 to assist voucher holders in locating units and prospective property owners in opportunity neighborhoods within and outside of Philadelphia. The program provides participants with a broad range of supportive services, housing counseling, and other support for their successful transition to higher opportunity neighborhoods. As a result of these efforts, 11 families successfully leased up in high-opportunity neighborhoods through support from the HOP program in FY 2023.

Veterans Administration Supportive Housing

PHA continued its partnership with the Department of Veteran's Affairs ("VA") to serve veterans through the Veterans Administration Supportive Housing Program. The program provides rental assistance for homeless veterans through HUD funding, and offers case management and clinical services through the VA. An additional allocation of VASH vouchers allowed PHA to serve 688 veterans in FY 2023.

Mainstream Vouchers

In FY 2023, PHA provided housing assistance to 394 non-elderly persons with disabilities with Mainstream vouchers. PHA continued its partnerships with the City of Philadelphia Office of Homeless Services and Liberty Resources to provide case management and support for Mainstream voucher holders.

Foster Youth to Independence Vouchers

PHA worked in collaboration with the Philadelphia Department of Human Services to administer Foster Youth to Independence vouchers. As of the end of FY 2023, PHA was providing housing assistance to 59 individuals under the age of 25 who were homeless or at-risk of homelessness and who have a history of involvement in the child welfare system.

Emergency Housing Vouchers

PHA continued to provide housing assistance to families experiencing or at-risk of homelessness, including those fleeing domestic violence, through the Emergency Housing Voucher (EHV) program. PHA partners with the Philadelphia Office of Homeless Services for the Philadelphia Continuum of Care (CoC), which has committed to providing applicant referrals, housing search and other services to EHV voucher holders. As of the end of FY 2023, PHA was serving 562 families through the EHV program.

Resident Supportive Service Programs

PHA utilized MTW Block Grant and other partner-leveraged funds to support a wide range of workforce development, adult and youth education, financial literacy, senior service, health care and other programs and services to meet the needs of PHA residents. PHA works directly with residents through the Resident Programs and Partnerships Division and their Workforce Center, Section 3 Resource Center and Job Bank, and the Youth and Family Center, which opened its doors in FY 2023. PHA also continued to collaborate with a network of partners, who have demonstrated a long-standing commitment to serving PHA's residents.

Factors Affecting Financial Condition

Laws, Regulations and Federal Examinations: PHA is subject to a number of laws and regulations. PHA's funding is substantially determined by annual Congressional appropriations. Material portions of PHA's grant revenue and other financial resources are dependent on Congressional appropriations and contingent on PHA's compliance with applicable laws and regulations. PHA is subject to examinations made by federal and state authorities who determine compliance with terms, conditions, laws, and regulations governing other grants awarded to PHA in the current and prior years. The statuses of such examinations are monitored by HUD.

PHA is subject to examination by federal oversight agencies, including HUD, who determines compliance with terms, conditions, laws, and regulations governing grants given to PHA in the current and prior years. These examinations may result in the recapture of funds by federal grantors and/or beneficiaries.

Cash Management Policies and Practices: PHA is subject to applicable cash management policies issued by HUD. HUD requires housing authorities to invest excess funds in obligations of the United States, certificates of deposit or any other federally insured investment. HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC/FSLIC insurance for the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security deposits. Obligations furnished as security must be held by PHA or with an unaffiliated bank or trust company for the account of PHA.

It is PHA's policy to maintain collateralization in accordance with the requirements of both HUD and the Commonwealth of Pennsylvania. The three custodial credit risk categories defined by HUD are as follows:

- 1) Insured or collateralized with securities held by the Authority or by its agent (correspondent bank or Federal Reserve Bank) in the Authority's name;
- 2) Collateralized with securities held by the pledging financial institution, trust department, or agent in the Authority's name; and
- 3) Uncollateralized or collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the Authority's name.

In FY 2023, all of PHA's cash and investments were held in risk category number 1 above.

Risk Management: Prior to April 1, 1999, PHA was self-insured for personal injury claims. Beginning April 1, 1999, PHA purchased commercial policies for personal injury coverage. Asserted and unasserted claims are accrued based on PHA's experience, and advice of an independent claims manager. Although management believes that adequate accruals have been established, the ultimate liability that may result from asserted and unasserted claims could differ materially from estimated amounts. However, most of these claims are insured and management believes PHA's liability is limited to the deductible amounts under the policies.

Contributions by Federal Agencies: PHA received the majority of its FY 2023 revenues from HUD. If in the future, the amount of revenues received from HUD falls below critical levels, PHA's operating reserves could be adversely affected.

Annual contributions contracts provide that HUD shall have the right to audit records of public housing authorities. Accordingly, the final determination of PHA's financing and contribution status for the annual contribution contracts is the responsibility of HUD based upon financial reports submitted by PHA.

In closing, I would like to express my deep appreciation to PHA's Board of Commissioners, Mayor James Kenney, the Philadelphia City Council and Council President Darrell Clarke, PHA's staff and clients for their unfailing support for maintaining the highest standards of professionalism in the management of the Authority's finances and operations.

pectfully Subplitted,

Kelvin A. Jeremiałi

Independent Auditor's Report

Board of Commissioners Philadelphia Housing Authority

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the business-type activities, the aggregate discretely presented component units, and the aggregate remaining fund information of the Philadelphia Housing Authority (PHA), a component unit of the City of Philadelphia, Pennsylvania as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise the Philadelphia Housing Authority's basic financial statements as listed in the table of contents.

In our opinion, based on our report and the reports of other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, the aggregate discretely presented component units, and the aggregate remaining fund information of the Philadelphia Housing Authority, as of March 31, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the Philadelphia Housing Authority Retirement Income Plan. which is shown as a Fiduciary Fund Type – Pension Trust Fund as of and for the year ended October 31, 2022. We did not audit the financial statements of the aggregate discretely presented component units as of and for the year ended December 31, 2022. Those statements were audited by other auditors whose reports thereon have been furnished to us, and our opinions, insofar as it relates to the amounts included for such component units, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the discretely presented component units were not audited in accordance with Government Auditing Standards, except for the following entities: 1952 Allegheny Associates Limited Partnership, Casa Indiana LLC, Francis House on Fairmount, L.P., Mantua Phase II, L.P., St. Francis Villa Senior Housing, L.P., St. Ignatius Senior Housing I, L.P., St. Ignatius Senior Housing II, L.P., Spring Garden Development Associates, L.P., Uni-Penn Housing Partnership II, Nicole Hines Limited Partnership, St. Rita Place Senior Housing L.P. and Mamie Nichols Limited Partnership.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Philadelphia Housing Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 22 to the financial statements, there was a change in reporting entity and restatement for a discretely presented component unit that became a blended component unit during the year March 31, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Philadelphia Housing Authority's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Philadelphia Housing Authority's internal control. Accordingly, no such opinion is
 expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
raise substantial doubt about the Philadelphia Housing Authority's ability to continue as a going
concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 15 through 23 and schedule of changes in net position liability and related ratios and schedule of plan contributions on pages 95 through 96 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Philadelphia Housing Authority's basic financial statements. The accompanying financial data schedule on pages 103 to 152, as well as other supplementary information shown on pages 97 to 102 and pages 153 to 170, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the City of Philadelphia Subrecipient Audit Guide are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, based on our report and the reports of other auditors, the supplemental schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the transmittal letter but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2023, on our consideration of the Philadelphia Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Philadelphia Housing Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Philadelphia Housing Authority's internal control over financial reporting and compliance.

RSM US LLP

Philadelphia, Pennsylvania September 29, 2023

Overview

Philadelphia Housing Authority ("PHA" or the "Authority") is a component unit of the City of Philadelphia. As management of the PHA, we offer readers of the PHA's financial statements this narrative overview and analysis of the financial activities of the PHA for the fiscal year ended March 31, 2023. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages 1 through 15 of this report, as well as the financial statements that follow this section. All amounts, unless otherwise indicated, are expressed in millions of dollars.

Financial Highlights

PHA's financial position remained strong with a net position of \$1.525 billion at March 31, 2023.

- Total assets and deferred outflows exceeded total liabilities (net position) at March 31, 2023, by \$1.525 billion compared to \$1.425 billion in FYE 2022. Of this amount, \$887.8 million is unrestricted net position, which includes \$445.9 million of mortgages receivable from PHA's discretely presented component units and third-party non-profit entities. The remaining unrestricted net position of \$441.9 million may be used to meet PHA's ongoing obligations to clients and creditors.
- PHA's FYE 2023 total net position increased by \$99.4 million vs FYE 2022.
- Total liabilities of \$189.9 million increased by \$63.3 million compared to FYE 2022 representing a 49.9% increase.
- Total operating revenue for FYE 2023 was \$516.7 million versus \$490.5 million in FYE 2022, representing an increase of \$26.2 million from the prior fiscal year. Total operating revenue was \$108.1 million more than operating expenses (excluding depreciation) compared to \$127.4 million in FY 2022.
- Total operating expenses for FYE 2023 increased by \$45.5 million or by 12.5% compared to FYE 2022.

Overview of the Financial Statements

This discussion and analyses are intended to serve as an introduction to the PHA's basic financial statements. The PHA's basic financial statements are comprised of three components: 1) agency-wide financial statements, 2) fiduciary fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

The *agency-wide financial statements* are designed to provide readers with a broad overview of PHA's finances, in a manner similar to a private-sector business. The statement of net position presents information on all PHA's assets and deferred outflows, and liabilities and deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of PHA is improving or deteriorating. The statement of revenues, expenses, and changes in net position presents information showing how PHA's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., authorized but uncollected grant revenue and earned but unused vacation leave).

The agency-wide financial statements include not only PHA itself (known as the primary government), but also legally separate non-profit agencies for which PHA is financially accountable, as described in the accompanying notes to the financial statements.

The Authority's Statement of Net Position FYE 2023 includes recognition of leases receivable and right-to-use assets and liabilities according to the required implementation of GASB 87. Footnote 8 discloses the leases receivables and right-to-use assets recognized in the Statement of Net Position.

Fiduciary fund financial statements are included to provide information on PHA's employees' pension plan. PHA is the trustee, or fiduciary, of the employees' pension plan. The fiduciary activities are reported in the Statement of Fiduciary Net Position. The assets of the fiduciary fund are not available to support PHA' operations.

Overview of the Financial Statements (Continued)

Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements and can be found on pages 30 through 94 of this report.

The supplemental statements that support the agency-wide financial statements are the combining statement of net position. *The combining statement of net position* presents PHA's financial statements by program activity. A program is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. PHA, like other public housing authorities, uses program accounting to ensure and demonstrate compliance with finance-related legal requirements.

All PHA's programs are considered to be enterprise funds for financial reporting purposes. Normally, an enterprise fund is used to report any activity for which a fee is charged to external users for goods or services. In accordance with Accounting Principles Generally Accepted in the United States of America ("GAAP"), enterprise funds may also be used by all governmental entities, such as PHA, that were using traditional not-for-profit accounting as of the date of adoption of Governmental Accounting Standards Board ("GASB") Statement No. 34 Basic Financial Statements-And Management's Discussion and Analysis-For State and Local Governments (June 1999), even if their activities do not otherwise meet the criteria for using an enterprise fund. In practice, enterprise funds frequently are used to account for activities whose costs are only partially funded by fees and charges. Enterprise funds are considered useful in such instances because they focus attention on the cost of providing services, and they serve to highlight the portion of that cost being borne by taxpayers, which in the case of PHA take the form of federal grant contributions.

In addition to the basic financial statements and accompanying notes, this report also presents certain required and other supplementary information. The combining statement of net position and other supplementary information can be found beginning on page 153 of this report.

Agency-wide Financial Analysis

Net position. As noted earlier, net position may serve over time as a useful indicator of an agency's financial position. In the case of PHA, assets exceeded liabilities by \$1.525 billion at March 31, 2023. The combined net position of PHA increased by \$99.4 million in FY 2023 compared to FY 2022. FY2022 balances were restated to include the FY2022 balances of a blended component unit as described in footnotes 18 and 21 of the financial statements. The following table shows a summary of changes from the prior year amounts:

Philadelphia Housing Authority A Component Unit of the City of Philadelphia Net Position as of March 31

			Increase/(De	ecrease)
		FY2022	Dollar	Percent
	FY2023	(Restated)	Variance	Variance
Assets				
Cash and Investments	\$ 263,288,397	\$ 241,012,632	\$ 22,275,765	9.2%
Accounts Receivable	304,173,161	238,496,006	65,677,155	27.5%
Other Current Assets	2,738,631	2,597,986	140,645	5.4%
Total Current Assets	570,200,189	482,106,624	88,093,565	18.3%
Net Program Loans Receivable	445,932,541	416,201,016	29,731,525	7.1%
Restricted Investments	1,294,087	950,593	343,494	36.1%
Capital Assets	665,044,350	660,557,837	4,486,513	0.7%
Other Assets	11,812,277	9,901,856	1,910,421	19.3%
Total Noncurrent Assets	1,124,083,255	1,087,611,302	36,471,953	3.4%
Total Assets	1,694,283,444	1,569,717,926	124,565,518	7.9%

Statement of Revenues, Expenses and Changes in Net Position. The statement shows the sources of PHA's changes in net position as they arise through its various programs and functions. A condensed Statement of Revenues, Expenses and Changes in Net Position comparing FY2023 vs FY2022 is shown in the table below.

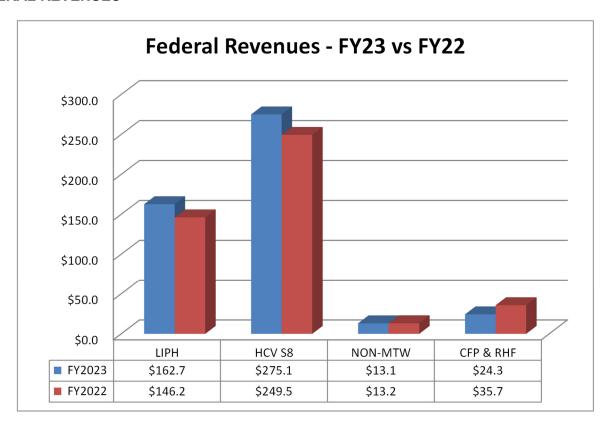

Philadelphia Housing Authority A Component Unit of the City of Philadelphia Statements of Revenues, Expenses and Changes in Net Position for the years ended March 31

Increase/(Decrease) FY2022 Dollar Percent FY2023 (Restated) Variance Variance Revenue Program Revenue: Charges for Services \$ 34,422,164 \$ 33,335,083 1,087,081 3.3% Federal Revenue 475,101,721 444,534,130 6.9% 30,567,591 Other Income 7,221,777 12,646,400 (5,424,623)(42.9%)26,230,049 5.3% **Total Operating Revenue** 516,745,662 490,515,613 **Expenses** Direct 333,292,374 301,800,938 31,491,436 10.4% 22.8% Administrative 75,353,651 61,347,130 14,006,521 Total Operating Expenses before Depreciation 408,646,025 363,148,068 45,497,957 12.5% Depreciation 7.4% 37,023,106 34,463,259 2,559,847 48,057,804 12.1% **Total Operating Expenses** 445,669,131 397,611,327 (21,827,755)(23.5%)**Operating Income** 71,076,531 92,904,286 Net Nonoperating Revenue 16.672.212 8.002.887 8.669.325 108.3% Capital Subsidies 11,651,720 11,613,116 38,604 0.3% 99,400,463 \$ 112,520,289 (11.7%)**Change in Net Position** (13,119,826)

Federal Revenue includes the annual operating subsidies and capital grants made available by the U.S. Department of Housing and Urban Development ("HUD"), along with grants received from other Federal sources and federal grants passed through the Commonwealth of Pennsylvania. Federal Revenue increased by \$30.6.

Direct expenses amounted to **\$333.3** *million*, representing a year-to-year increase of about **\$31.5** *million*. Administrative expenses totaled **\$75.4** *million*, which is an increase of approximately **\$14.0** or 22.8% from the prior fiscal year.

FEDERAL REVENUES

NOTES ON FEDERAL REVENUES

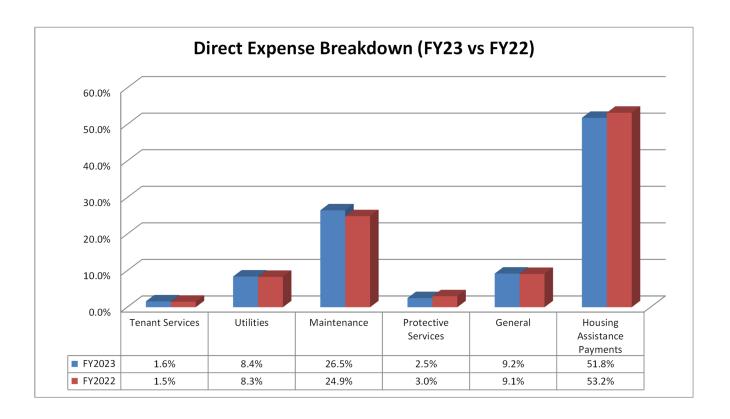

- Low Income Public Housing (LIPH) PHA recognized LIPH revenues based on the actual cash subsidy
 provided by HUD. The increase or decrease in the year-to-year LIPH revenue is mainly driven by HUD
 approved cash subsidies to PHA.
- Housing Choice Voucher Program/Section 8 (HCV S8) PHA recognized HCV S8 revenues based on HUD's obligated funds as supported by the Annual Contribution Contract (ACC). The increase in HCV S8 revenue is due to increases in funding from HUD due to higher estimated Housing Assistance Payments.
 - PHA, as a HUD designated MTW Agency, recognized 100% of the HCV S8 revenue as supported by ACC. Under the MTW Agreement, PHA has the flexibility to combine Federal funds from the Public Housing Operating and Modernization programs and HCV program into a "block grant" to help PHA better meet the purposes of the demonstration and the needs of their communities. In addition, PHA is permitted to combine its Public Housing Operating funds, Capital funds, and HCV funds and use these funds interchangeably.
- Non-MTW This revenue source mainly consists of Mainstream, Moderate Rehabilitation and Single Room
 Occupancy programs and other resident services grants.
- Capital Fund Program (CFP) / Replacement Housing Factor (RHF) PHA recognizes revenue from the HUD Capital Fund Program utilized for activity that was not added to PHA's capital assets, including notes receivable for development sites, expendable equipment purchases, tenant relocation, and program management salaries and benefits.

DIRECT EXPENSE

					Increase (Decrease)		
	FY2023	% of Direct Expenses	FY2022 (Restated)	Direct Expenses		Dollar Variance	Percent Variance
	-	,	, , , , , , , , , , , , , , , , , , , ,	,			
Tenant Services	\$ 5,349,224	1.6%	\$ 4,611,945	1.5%	\$	737,279	16.0%
Utilities	27,976,164	8.4%	25,130,008	8.3%		2,846,156	11.3%
Maintenance	88,471,057	26.5%	75,120,065	24.9%		13,350,992	17.8%
Protective Services	8,230,099	2.5%	9,065,646	3.0%		(835,547)	(9.2%)
General	30,620,823	9.2%	27,333,771	9.1%		3,287,052	12.0%
Housing Assistance Payments	172,645,007	51.8%	160,539,503	53.3%		12,105,504	7.5%
Total direct expenses	\$ 333,292,374	100.0%	\$ 301,800,938	100.1%	\$	31,491,436	10.4%

NOTES ON DIRECT EXPENSE

- Tenant services increased by approximately \$737.3 thousand or 16.0%. This growth can be attributed mainly to increased Tenant Support Services, which rose by \$884.1 thousand.
- Utilities experienced a rise of \$2.8 million or 11.3% primarily due to the addition of more units into the program.
- Maintenance saw an increase of \$13.5 million or 17.8% mainly because of higher costs for ordinary maintenance and operations contracts.
- Protective Services decreased by \$835.5 thousand or 9.2%, primarily due to reductions in labor and other contract-related expenses.
- General expenses went up by \$3.3 million or 12% largely due to increases in newly subsidized PHA component units.
- Housing Assistance Payments (HAP) expenses increased by \$12.1 million or 7. 5% as a result of higher utilization rates.

NOTES ON THE DIRECT EXPENSE RATIO CHANGES

- o **Tenant Services** experienced a slight increase in FY2023 due to contributions from various grants.
- o In FY2023, **Utilities** increased compared to FY2022 as a percentage of total direct expenses, primarily because additional units were added to the program.
- Maintenance costs, as a percentage of the total direct cost, rose in FY2023 when compared to FY2022.
- o This increase can be attributed to higher maintenance contract expenses.
- o **Protective Services** saw a slight decrease in FY2023 and accounted for 2.5% of the total direct cost. This decline can be attributed to reductions in labor and other contract costs.
- General Expenses decreased as a percentage of the total direct expense from FY2022 to FY2023. Even
 though there was an overall increase in general expenses, this rise was offset by increases in other
 expenditures resulting in lower direct expenses.
- Housing Assistance Payments (HAP) also decreased as a percentage of total direct expenses from FY2022 to FY2023. While HAP expenses increased, the overall increase in other expenses influenced the decrease in direct expense percentage.

Capital Assets. Capital Assets include land, buildings and improvements, equipment, and construction in progress. At March 31, 2023, total capital assets totaled **\$1.895 billion**. The Authority's total capital assets increased by **\$35.9 million or 1.9%** compared to the prior year. Capital acquisitions totaled **\$42 million**. Note 7 to the Authority's financial statements provides additional detail regarding changes in capital assets.

Long-term Debt and Other Long-term Liabilities. Long-term debt and other long-term liabilities as of March 31, 2023, compared with March 31, 2022, are depicted in the following schedule.

Philadelphia Housing Authority A Component Unit of the City of Philadelphia Long-term Debt and Other Long-term Liabilities as of March 31 (In Millions of Dollars)

						Increase/(D	ecrease)
			F	/2022	D	ollar	Percent
	F	Y2023	(Re	stated)	Va	riance	Variance
Compensated Absences	\$	4.0	\$	3.9	\$	0.1	2.6%
Lease Obligations		15.4		3.4		12.0	352.9%
Long-term Debt		28.2		28.9		(0.7)	(2.4%)
Self Insurance and Other Cla	im	2.4		2.4		0.0	0.0%
Net Pension Liability		82.9		41.0		41.9	102.2%
Other		2.4		2.2		0.2	9.1%
Total	\$	135.3	\$	81.8	\$	53.5	65.4%

The increase in the Long-Term Debt of \$53.5 million pertains to an increase mainly in net pension liability. Net pension liability represents the unfunded pension liability recognized in compliance with *GASB Statement 68, Accounting and Financial Reporting for Pensions-An Amendment of GASB Statement No. 27.* Notes 8 ,11, 12, 13, 14 and 16 to the Authority's financial statements provide additional detail regarding the changes in debt, other long-term liability, net pension liability and compensated absences.

Request for Information

This financial report is designed to provide a general overview of the Authority's finances for all those with an interest in the Authority's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Senior Executive Vice President/Chief Administrative & Financial Officer, 2013 Ridge Avenue, Philadelphia, PA 19121.

Note 1. Organization and the Agency

Philadelphia Housing Authority ("PHA" or the "Authority") is the local housing authority established under Pennsylvania law to provide public housing and related services for the City. PHA receives subsidies primarily for public housing operations, modernization, and rental assistance programs from the federal government. The U.S. Department of Housing and Urban Development (HUD) is the federal oversight entity for all public housing authorities and has the responsibility of allocating federal subsidies to housing authorities, including PHA. PHA owns and/or operates approximately 12,500 family and elderly public housing units in more than 80 developments and/or Asset Management Projects ("AMPs") and administers approximately 20,500 housing choice vouchers. The numbers of units owned/operated, vouchers administered, and households served by PHA vary over time based on numerous factors including occupancy of new developments; redevelopment, including demolition, disposition, construction, and relocation timetables; award of new special purpose and/or other voucher allocations; lease up success rates; and other factors.

To meet its operating expenditures, PHA receives subsidies, primarily from HUD, in the form of annual grants for operating assistance, contributions for capital and reimbursement of expenditures incurred for certain federal housing programs, and/or debt service payments. Subsidies are established through Federal Congressional Appropriations processes, which establish amounts to be funded by HUD. From time to time, PHA receives additional special purpose grants from HUD and/or other granter agencies that are generally awarded on a competitive basis.

PHA is governed by a nine-member Board of Commissioners (the Board) whose composition is defined by legislation approved by the Pennsylvania Legislature and signed into law by the Governor in July 2012. Under current Pennsylvania law, PHA Board Members are appointed by the Mayor of Philadelphia, subject to the approval of the Philadelphia City Council. The Board members serve terms concurrent with the appointing Mayor. The Board appoints the President and Chief Executive Officer (CEO) (the office formerly known as Executive Director) to oversee and direct all of PHA operations. In March 2013, following a national search, the Board appointed Kelvin A. Jeremiah as PHA's President and CEO.

Note 2. Summary of Significant Accounting Policies

Reporting Entity

PHA is a component unit of the City due to a change in the Pennsylvania Housing Authorities law, under the following criteria: The Mayor of Philadelphia can remove a majority of PHA's Board without cause. The City is not financially accountable for the operations of PHA, has no responsibility to fund its deficits or receive its surpluses, and has not guaranteed PHA's debt. The Mayor of the City appoints, subject to City Council approval, seven of PHA's nine commissioners. The remaining two members are PHA residents who are chosen in a process agreed to by the Mayor, the City Council President, and PHA's President and CEO.

In evaluating how to define PHA for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the financial reporting entity was made by applying the criteria set forth by the Governmental Accounting Standards Board (GASB) in GASB Statements No. 14, The Financial Reporting Entity, as amended by GASB Statement No. 39, Determining Whether Certain Organizations are Component Units, and GASB Statement No. 61, The Financial Reporting Entity: Omnibus - An Amendment of GASB Statements No. 14 and No. 34. Blended component units, although legally separate entities, are in-substance part of the government's operations. Each discretely presented component unit would be or is reported in a separate column in the financial statements to emphasize that it is legally separate from the primary government. All component units issue financial reports.

Note 2. Summary of Significant Accounting Policies (Continued)

Reporting Entity (Continued)

One significant criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The ability to exercise oversight responsibility includes, but is not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters.

PHA's financial statements include 23 blended component units pursuant to GASB's criteria. These are legally separate entities for which PHA has operational responsibility and are controlled by PHA. There is a financial benefit/burden relationship between PHA, and the component units and the services provided are entirely or almost entirely to the benefit of PHA. The blended component units are fully described in Note 19.

PHA's financial statements also include 45 discrete component units which consist of Limited Partnerships, Limited Liability Corporations and Alternate Managed Entities and are fully described in Note 19. The discrete component units follow the Financial Accounting Standards Board (FASB) pronouncements.

15 blended and most of the discrete component units are reported on a three-month time lag as of December 31, 2022. The blended component units and discretely presented units are listed in Note 19. The component units also issue stand-alone financial reports. These reports can be obtained from the office of the Senior Executive Vice President/Chief Administrative and Financial Officer of the Authority located at 2013 Ridge Avenue, Philadelphia, PA 19121.

PHA's financial statements also includes the fiduciary fund type – pension trust fund for the Philadelphia Housing Authority Retirement Income Plan (the Plan). The Plan is reported as of October 31, 2022.

Description of Financial Statements

The basic financial statements include the accounts of PHA ("primary government"), the fiduciary fund type – pension trust fund and PHA's discretely presented component units.

All PHA's programs are accounted for as a single enterprise fund, which is a type of proprietary fund. Enterprise funds are used to report any activity for which a fee is charged to external users for goods or services. The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position, and cash flows. The generally accepted accounting principles ("GAAP") promulgated by the GASB for a proprietary fund are similar to businesses in the private sector.

The notes to the financial statements are an integral part of the financial statements.

Basis of Accounting

Proprietary funds and fiduciary funds are presented on the accrual basis of accounting. Non-exchange revenues, including intergovernmental grants and subsidies, are reported when all eligibility requirements have been met. Fees and charges and other exchange revenues are recognized when earned and expenses are recognized when incurred.

Federal Programs

Grant programs are subject to financial and compliance audits by the grantors or their representatives. Management believes PHA's potential future liability for disallowances resulting from these audits will not have an adverse impact on the financial statements of PHA.

Note 2. Summary of Significant Accounting Policies (Continued)

Federal Programs (Continued)

PHA received approximately 92% of its fiscal 2023 operating subsidies from HUD under the Low-Rent Housing and Section 8 Programs. Descriptions of the primary PHA programs follow:

<u>Low-Rent Housing Program</u>: This program provides low-rent housing to qualified residents of the City. All units are owned and operated by PHA and were purchased with financing arranged or provided through HUD. The operations of the program are subsidized by HUD through Annual Contributions Contract W-55. Operating subsidy contributions for the year ended March 31, 2023, were \$162,732,505 and are included in operating subsidies in the statement of revenues, expenses, and changes in net position.

<u>Section 8 Programs</u>: The Section 8 Programs - Housing Choice Voucher Programs (HCVP) - include Moving to Work (MTW), Substantial Rehabilitation, Moderate Rehabilitation, Project Based, Rental Assistance Demonstration (RAD), Rental Vouchers, and Single Room Occupancy programs. These programs were authorized by Section 8 of the National Housing Act and provide housing assistance payments to private, not-for-profit, or public landlords to subsidize rentals for low-income persons. HUD contributions for Section 8 programs under Annual Contributions Contract P-4601 are included in operating subsidies in the statement of revenues, expenses and changes in net position as follows:

Housing Choice Voucher Program		\$ 275,090,762
Mainstream		5,450,344
Moderate Rehabilitation		1,535,470
Single Room Occupancy	_	1,343,192
	_	\$ 283,419,768

<u>Moving-to-Work Program</u>: The MTW Demonstration Program is focused on helping families achieve self-sufficiency and on improving and increasing the stock of quality affordable housing throughout the City. It furnishes convenient and comprehensive services to families to assist them in reaching their full potential, with an emphasis on education, job training and placement, self-sufficiency, and preparation for homeownership. In addition, MTW promotes the revitalization of neighborhoods where MTW and MTW-eligible families live.

<u>Substantial Rehabilitation Program</u>: The Section 8 Substantial Rehabilitation programs allow for construction of low-income housing units to be subsidized for a contracted period. Both for-profit and not-for-profit developers may provide low-income housing under this program. Developers must obtain their own financing and HUD subsidizes rents once the units are occupied.

<u>Moderate Rehabilitation Program</u>: This program provides for the rehabilitation of housing units, which then must be rented to low-income individuals for a contracted period. Both for-profit and not-for-profit developers may participate in this program. Under this program, developers must obtain their own rehabilitation financing and then HUD subsidizes rents, once the units are occupied, in such amounts sufficient to cover the developer's debt service payments on the financing.

Note 2. Summary of Significant Accounting Policies (Continued)

Federal Programs (Continued)

<u>Housing Choice Voucher Program</u>: This program allows for existing privately-owned housing units to be used for low-income housing. This program assists low-income families and persons to find and lease a house or apartment. After inspecting the unit, PHA assists the resident in negotiating a lease under HUD rules and regulations for the program. The resident pays a share of the rent according to HUD guidelines, and the remainder is subsidized by PHA through HUD funding.

PHA earns a fee from HUD for administering the HCVP. This fund accounts for the revenues and expenses associated with providing administrative services.

In addition to the above primary programs, PHA administers the following:

- Senior Program
- o Summer Food Program
- o Congregate Housing Services Program
- Summer Youth Program
- Homeownership
- Nursing Home Assistance
- Jobs-Plus Pilot Initiative
- o Juvenile Re-entry Assistance Program
- o Resident Opportunity and Supportive Services
- Family Self-Sufficiency
- o Choice Neighborhood Initiatives
- o Lead-Based Paint CFP Grant

Budgets

Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a "project" basis. Budgets are subject to approval by PHA's Board.

Cash and Cash Equivalents

PHA considers all securities when purchased, including certificates of deposit and short-term investments, with original maturities of three months or less to be cash equivalents. Portions of PHA's cash, cash equivalents and investments are restricted by "use" limitations externally imposed by creditors, funding source agreements, or other legal or regulatory requirements.

Investments

Investments are accounted for at either amortized cost or at fair value, which is the price that would be received to sell the investment in an orderly transaction between market participants at the measurement date. The fair value of actively traded securities is determined by the reported market value of securities and mutual funds trading on national exchanges. The values of securities not actively traded are based on observable inputs of similar financial instruments or on the fair value of the underlying assets. Realized gains and losses are determined by the specific-identification method. Accrued income from investments is recorded as earned, since it is both measurable and available. Investment transactions are recorded on the settlement date.

Note 2. Summary of Significant Accounting Policies (Continued)

Capital Assets

Capital assets include land, structures and equipment recorded at cost and are comprised of initial development costs, property betterments and additions, and modernization program costs. Donated capital assets are recorded at their estimated acquisition value at the date of the donation. Assets capitalized generally have an original cost of five hundred dollars (\$500) or more, and a useful life in excess of one year. PHA depreciates these assets over their estimated useful lives using the straight-line method of depreciation. The useful lives are as follows:

Buildings 40 years
Building improvements 15 years
Roofs 10 years
Heavy equipment 7 years
Automobiles 5 years
Equipment 5 years
Computer equipment 3 years

Maintenance and Repairs

Maintenance and repair costs considered necessary to maintain facilities in good operating condition are charged to operations as incurred.

Impairment of Long-Lived Assets

PHA and its component units review events or circumstances affecting their capital assets that may indicate a significant or unexpected decline in capital assets may have occurred. These events or circumstances affecting their capital assets, once identified by PHA and its component units, are tested to determine if the related capital assets are impaired. Accordingly, for assets determined to be impaired, as having a significant and unexpected decline in estimated service utility, PHA and its component units use various methods to measure impairment based on the type of impairment. There were no matters identified during the fiscal year ended March 31, 2023, that were deemed to trigger an impairment.

Accounts Receivable

Management reviews the collectability of all accounts receivable on a periodic basis. An allowance for doubtful accounts has been established based on the history of past write-offs and collections, and current credit conditions. PHA recognizes grants receivable due from funding agencies, both federal grants and non-federal grants, as grant funding is earned by PHA. Portions of notes receivable due within the subsequent accounting period are recognized as current receivables. PHA's receivables include amounts due from PHA affiliates, including discretely presented component units, for developers' fees earned and receivables for expense reimbursements due to PHA. PHA recognizes receivables for interest earned on cash and investment accounts not received from PHAs' banks.

Leases (As Leasor)

At the commencement of a lease, PHA initially measures the lease receivable at the present value of payments expected to be received during the lease term. The deferred inflow of resources is initially measured as the initial amount of the lease receivable.

Leases (As Lessee)

PHA recognizes a lease obligation and an intangible right to use lease asset (lease asset) for a noncancellable lease in the financial statements.

Equity Interest in Component Units

PHA recognizes an asset for capital contributions made to component units. PHAs' equity interest in component units is recognized at the payment and amount of PHAs' capital contribution.

Note 2. Summary of Significant Accounting Policies (Continued)

Unearned Revenue

PHA recognized cash receipt payment received in advanced as unearned revenue. PHA's unearned revenue consists primarily of grant funding advances received from Federal and non-federal funding sources and tenant rental payments received in advance.

Compensated Absences

A liability is recorded for compensated absences attributable to services already rendered and not contingent on a specific event outside the control of PHA and its employees, as employees earn the right to the benefits. Compensated absences that relate to future services or that are contingent on a specific event outside the control of PHA and its employees are accounted for in the period in which such services are rendered or in which such events take place.

Pension Liability

The net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension are recorded from information provided by the Philadelphia Housing Authority Retirement Income Plan financial statements.

Income Taxes

PHA is a Pennsylvania municipal authority and, as such, is exempt from income taxes and other state and local taxes. PHA believes it has not engaged in any activities for which its tax-exempt status would not be sustained under Internal Revenue Service (IRS) examination or that would require filing of an income tax return for unrelated business income taxes.

Bond Premium Amortization

Bond premiums recognized by PHA are amortized based on the straight-line method over the life of the bond.

Use of Restricted Assets

When both restricted and unrestricted resources are available for a particular restricted use, it is PHA's policy to use restricted resources first, and then unrestricted resources as needed.

Net Position Classifications

Net position is reported in four components:

- a. Net investment in capital assets Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. **Restricted grants and donations** Consist of net position restricted to specific program services to be provided by PHA by agreement with either a grantor or contributor.
- c. Restricted reserves Consists of net position restricted to specific properties' operations, debt service or capital improvement uses by (1) agreements with external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.
- d. **Unrestricted** All other net position that does not meet the definition of "restricted" or "net investment in capital assets". In instances where unrestricted or restricted resources may be used to fund expenditure, the Authority will initially use restricted assets.

Revenue Recognition

Revenue is recognized by PHA in the period earned. Tenant revenues are recognized each period tenants occupy units. Grant revenues are recognized as earned through grant expenditures or earned by agreement. Other revenues are recognized as services are provided by PHA.

Note 2. Summary of Significant Accounting Policies (Continued)

Operating Revenues and Expenses

PHA defines operating revenues as income derived from operating subsidies, from charges to residents and others for services provided, and in the management of PHA assets. Operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. PHA classifies other revenues and expenses as non-operating.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Standards Adopted

GASB Statement No. 87 ("GASB 87"), Leases, was issued in June 2017 to improve accounting and finance reporting for leases by governments. This Statement increases the usefulness of government financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. PHA recognized leases receivables and right to use assets and liabilities that are described in Note 8.

GASB Statement No. 91 ("GASB 91"), The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. This Statement clarifies the existing definition of a conduit debt obligation; establishing that a conduit debt obligation is not a liability of the issuer; establishing standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improving required note disclosures. The adoption of this standard had no impact on PHA's current year financial statements.

GASB Statement No. 97 ("GASB 97"), Certain Component Unit Criteria, and Accounting and Financial Reporting for IRS 457, was issued in June 2020. The primary objectives of this Statement are related to the reporting of fiduciary component units and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans. The adoption of this standard had no impact on PHA's current year financial statements.

GASB Statement No. 98 ("GASB 98"), The Annual Comprehensive Financial Report, was issued in October 2021. This Statement establishes the term annual comprehensive financial report and its acronym ACFR. That new term and acronym replace instances of comprehensive annual financial report and its acronym in generally accepted accounting principles for state and local governments. The adoption of this standard had no impact on PHA's current year financial statements.

Accounting Standards Issued But Not Yet Adopted

GASB Statement No. 92, *Omnibus 2020,* will be effective for PHA for the year ending March 31, 2024. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements.

Note 2. Summary of Significant Accounting Policies (Continued)

Accounting Standards Issued But Not Yet Adopted (Continued)

GASB Statement No. 94, *Public-Private and Public-Private Partnerships and Availability Payment Arrangements* will be effective for PHA for the year ending March 31, 2024. The requirements of this Statement will improve financial reporting by establishing the definitions of public-private and public-public partnership agreements (PPPs) and availability payment arrangements (APAs) and providing uniform guidance on accounting and financial reporting for transactions that meet those requirements.

GASB Statement No. 96, Subscription-Based Information Technology Arrangements (SBITAs), was issued in March 2020. This statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements for government end-users. GASB 96 is effective for PHA for the year ending March 31, 2024.

GASB Statement No. 99, *Omnibus 2022,* was issued in April 2022. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. The requirements related to extension of the use of LIBOR, accounting for SNAP distributions, disclosures of nonmonetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in Statement 34, as amended, and terminology updates related to Statement 53 and Statement 63 are effective upon issuance. Requirements related to leases, PPPs, and SBITAs are effective for PHA for the year ending March 31, 2024. Requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement 53 for PHA for the year ending March 31, 2025.

GASB Statement No. 100, Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62, was issued in June 2022. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. GASB 100 is effective for PHA for the year ending March 31, 2025.

GASB Statement No. 101, *Compensated Absences,* was issued in June 2022. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. GASB 101 is effective for PHA for the year ending March 31, 2025.

PHA's management is currently evaluating these new standards to determine what impact they will have on the Authority.

Note 3. Cash and Cash Equivalents and Restricted Investments

PHA's investment policies are designed to ensure compliance with federal and state regulations including, but not limited to requirements set forth by HUD and Commonwealth of Pennsylvania (Commonwealth) guidelines (The Pennsylvania Public Funds Act). These policies restrict PHA's investments to obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities. PHA's current investment strategy involves consideration of the basic risks of fixed income investing, including interest rate risk, market risk, credit risk and re-investment risk. In managing these risks, the primary factors considered are safety of principal, yield, liquidity, maturity, and administrative costs.

All investments are held in secured custody accounts in the name of PHA. All investments are publicly traded, and the fair value was based on published quoted values or quoted values of similar securities.

Note 3. Cash and Cash Equivalents and Restricted Investments (Continued)

It is PHA's policy to maintain a tri-party collateralization arrangement in accordance with the requirements of both HUD and the Commonwealth.

HUD defines three custodial credit risk categories for deposits as follows:

- (1) Insured or collateralized with securities held by the entity or by its agent (correspondent bank or Federal Reserve Bank) in the entity's name.
- (2) Collateralized with securities held by the pledging financial institution, trust department or agent in the entity's name.
- (3) Uncollateralized or collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the entity's name.

Philly Seeds, Inc., a blended component unit, is a nonprofit corporation that does not receive federal funding. Philly Seeds follows PHA's investment strategies but is not restricted to investing in obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities.

At March 31, 2023, cash, cash equivalents and investments consisted of the following:

	Carrying Amount				
Primary government - cash and cash equivalents:					
Money market funds - government obligations	\$	237,231,305			
Money market funds - banks		1,446,764			
Demand deposits		18,817,397			
Worker's compensation escrow fund held by third-party		5,790,904			
Petty cash		2,027			
Total cash and cash equivalents		263,288,397			
Primary government - restricted investments:					
Philly Seeds - mutual funds		851,640			
Philly Seeds - exchange-traded funds		442,447			
Total restricted investments		1,294,087			
Total cash, cash equivalents and restricted investments	\$	264,582,484			

Reconciliation of detail to statement of net position:

	Primary Government			Component Units		
Cash and cash equivalents	\$	228,375,524	\$	10,554,844		
Restricted cash and cash equivalents		34,912,873		63,292,540		
Restricted investments		1,294,087		-		
	\$	264,582,484	\$	73,847,384		

Dicoroto

Note 3. Cash and Cash Equivalents and Investments (Continued)

Unrestricted cash and cash equivalents consist mainly of demand deposits which are earmarked towards the funding of certain liabilities and future obligations and used for day-to-day operations. All funds on deposit are FDIC insured up to \$250,000 per institution or are fully collateralized in accordance with guidance recommended by HUD. Depository accounts maintaining federal funds are fully collateralized by Treasury and/or Federal Agency securities.

Securities are held with a third-party custodian financial institution. The collateral for the securities must be held in an account separate and apart from the assets of the financial institution.

Restricted cash, cash equivalents and investments at March 31, 2023 pertain to the following:

	Primary overnment	Discrete Component Units
Restricted cash and cash equivalents:		
Annual Contributions Contract (ACC) transition reserves	\$ -	\$ 2,693,768
Affordability reserves	4,602,798	425,069
Bond debt service reserves	1,212,413	-
Bond proceeds	-	-
Cash collateral reserves	-	26,509,826
Choice Neighborhood Initiatives (CNI) endowment	1,274,270	-
Development cash	-	532,588
Donor restricted - scholarships / workforce training program	472,993	-
Family Self-Sufficiency (FSS) escrow deposits	1,953,410	-
Emergency housing vouchers - unearned service fees	980,093	-
Grant advances - Other grants	4,228,774	-
Housing assistance payments reserves	498,990	-
Investment equity / capital reserves	-	789,679
Mortgage escrow deposit	-	37,734
Operating reserves	3,384,717	8,361,879
Real estate tax and insurance escrows	-	982,903
Replacement reserves	8,665,858	14,451,358
Resident security deposits	846,284	559,223
Re-tenanting reserve	-	273,800
Revenue deficit reserve	-	-
Supportive service reserves	-	2,962,707
Transformation / operating subsidy reserves	977,080	4,528,206
Worker's compensation escrow fund held by third party	5,790,904	-
Other reserves	24,289	183,800
	 34,912,873	63,292,540
Investments		
Donor restricted - scholarships / workforce training program	1,294,087	_
Bonor roomator of the program	 1,294,087	
Total restricted cash, cash equivalents and investments	\$ 36,206,960	\$ 63,292,540

Note 3. Cash and Cash Equivalents and Investments (Continued)

Total bank balances for primary government and component units as of March 31, 2023, were \$16.3 million and \$23.4 million, respectively.

Additional information about PHA's investment portfolio is presented below:

	<u>Amount</u>	Maturity 0 - 12 Months	Rating S&P	Moody
First American Government Obligations Fund Wells Fargo - Executive Health Protection Plan	\$ 237,231,305 1,446,764	\$ 237,231,305 1,446,764	N/A N/A	N/A N/A
·	\$ 238,678,069	\$ 238,678,069		
	Cost	Fair Value		
Mutual funds	\$ 704,151	\$ 851,640		
Exchange-traded funds	 720,224	442,447		
	\$ 1,424,375	\$ 1,294,087		

The First American Government Obligations Fund invests primarily in short-term, high quality fixed-income securities such as U.S. Government Agency debt, U.S. Government Agency repurchase agreements, U.S. Treasury debt and U.S. Treasury repurchase agreements. The First American Government Obligations Fund is managed to meet the requirements of external investment pools as amended by *GASB* 79. It can be reasonably expected to have a fair value that will be unaffected by interest rate changes. As such, the government obligations fund uses amortized cost to approximate fair value.

Credit Risk

Credit risk is defined as the risk associated with an issuer of an investment who may not fulfill its obligation to the holder of the investment. PHA's policy is to mitigate this credit risk by investing only in approved securities rated in the highest category of at least one of the following three national rating agencies (Standard & Poor's, Moody's, and Fitch).

Concentration of Credit Risk

PHA's policy is to mitigate concentration risk by permitting no more than 10 percent of the operating portfolio value to be invested in securities issued by a single entity. This limit shall not apply to cash or cash equivalents, or investments guaranteed by the full faith and credit of the United States of America. PHA strives to invest only in AA and AAA rated Federal Agency and/or U.S. Treasury securities. Therefore, PHA's policy does not place a limit on investments with any one issuer. PHA's demand deposits are maintained in fully collateralized money market and interest-bearing accounts. Consequently, PHA does not limit deposits to any one bank. Nevertheless, PHA strives to diversify holdings in cash and cash equivalents, whenever possible, to further minimize any potential concentration of credit risk.

Interest Rate Risk

Interest rate risk is the risk that changes in interest will adversely affect the fair value of PHA's investment portfolio. In accordance with PHA's investment policy, interest rate risk is mitigated by investing mostly in U.S. Treasury securities, or securities issued by the U.S. Government and their instrumentalities. To further mitigate this risk, the PHA ensures at least 40% of its aggregate portfolio matures within one year.

Custodial Credit Risk for Cash and Cash Equivalents and Investments

Custodial credit risk is contingent on the health of a depository financial institution. In the event of the failure of a depository financial institution that holds PHA funds or investments, PHA may not be able to recover its deposits, or be able to recover collateral securities that are in the possession of an outside party. PHA's policy is to mitigate the risk by monitoring the financial stability of such depository banks and trust agents holding said collateral.

Note 3. Cash and Cash Equivalents and Investments (Continued)

Custodial Credit Risk for Cash and Cash Equivalents and Investments (Continued)

In order to protect against this risk, PHA prohibits custodial banks from holding securities purchased for the PHA and purchasing such securities from brokers or dealers related to the custodial bank, unless a provision to the contrary is negotiated with and agreed to by PHA as part of a credit or borrowing program. The custodial risk for investment is the risk that, in the event of the failure of the counter party (e.g., broker/dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party.

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment or deposit. The Plan mitigates foreign currency risk by requiring the portfolio to be broadly diversified by number of holdings, by geographic location and across industry sectors. Based on the Plan's investment policy, the impact of foreign currency risk is minimal.

Restricted Funds

PHA and component units maintain funds that are restricted in use either by contractual agreement or at the specific direction of HUD. Some of these restricted funds are held by third-party trustees. These restricted funds are available for disbursement for their intended uses. The Philly Seed endowment fund of approximately \$1.3 million is for scholarships to PHA residents.

Fiduciary Fund

The fair value of the Plan's investments by fund manager, including short-term investments of \$259,652 for 2023, included in cash and cash equivalents on the Statement of Fiduciary Net Position are as follows:

Cash and Cash Equivalents	\$ 259,652
Investments	
Equity Fund Managers:	
Barrow Asset Management	9,925,801
Chartwell Investments	9,187,280
Grantham Mayo Van Otterloo & Co., LLC	16,901,557
Income Research and Management	37,176,213
Morgan Stanley Funds	20,618,114

Note 3. Cash and Cash Equivalents and Investments (Continued)

Method Used to Value Investments

Investments are reported at fair value based on quoted market prices. Short-term investments are reported at amortized cost, which approximates fair value. Securities traded on national or international exchanges are valued at the last reported sales price at current exchange rates. All plan assets are managed by outside fund managers.

Deposits and Investments

Accounting standards require that deposits and investment risks that have a potential for loss be disclosed. These investments and deposits are uninsured, and not registered in the name of the Plan, and are held by either (a) the counterparty or (b) the counterparty's Trust Department agent, but not in the Plan's name. No such investments or deposits were noted under the Plan.

Pursuant to the Plan's investment policy, the Plan may invest in the following types of investments: domestic and international equities, domestic debt, global debt, global fixed income, private equity, and real estate.

Investments that represent 5% or more of fair value of the Plan's assets available for benefits at October 31, 2022 are as follows:

<u>Investment</u>	<u>Fund Manager</u>	
Bloomberg 1-3 Year Treasury Index	Income Research and Management	\$ 37,176,213
International Equity Portfolio Class I	Morgan Stanley Funds	20,618,114
Dryden S&P 500 Index Fund	Prudential Retirement	17,482,045

Core Bond Enhanced Index/PGIM	Prudential Retirement	16,590,854
Emerging (Free) Markets Country Fund	City of London Investment Management Company	10,863,687
Common Stock	Waddell & Reed Investment Management Company	9,807,327
Common Stock	Barrow Asset Management	9,710,914

Note 4. Fair Value Measurements

Investments measured and reported at fair value are classified according to the following hierarchy in which the levels are based on the type of inputs used to measure the fair value of the investment:

- Level 1 Investments' fair values based on prices quoted in active markets for identical assets.
- Level 2 Investments' fair values based on observable inputs for the assets either directly or indirectly, other than those considered Level 1 inputs, which may include quoted prices for identical assets in markets that are not considered to be active, and quoted prices of similar assets in active or inactive markets.
- Level 3 Investments' fair values based upon unobservable inputs.

Investment categories within the hierarchy are based on the objectivity of the inputs used in measuring the fair value of investments. Investments classified in Level 1 of the fair value hierarchy are valued from external pricing vendors or primary dealers who source quoted prices in active markets which are readily attainable exit values of these securities. Investments classified in Level 2 are subject to alternative pricing sources, including a combination of price sources, descriptive data and pricing models based on attributes such as spread data, sector, quality, duration, and prepayment characteristics.

Investments classified as Level 3 are valued using best available sources such as property appraisals, discounted cash flow models and public market comparable of similar assets where applicable. The values are supplied by advisors or general partners who hold those or similar assets in investments vehicles they oversee.

Note 4. Fair Value Measurements (Continued)

Fair Value - Authority's Investments

As indicated earlier, the Authority's investments are primarily in obligations of the U.S. Treasury, U.S. Government agencies, and their instrumentalities. The investment categories follow:

<u>Money market funds:</u> This investment category consists of highly liquid investments such as money market funds. These investments are rendered Level 1 in the fair value hierarchy.

<u>Mutual funds and exchange-traded funds:</u> These investment categories are classified in Level 1 of the fair value hierarchy and are valued using automated pricing method from external pricing groups or secondary vendors who obtain quoted prices in active markets/exchanges which provide daily pricing frequencies and values of these securities.

The Authority's investments and securities have the following fair value measurements as of March 31, 2023:

	in Active Markets For Identi Assets		oted Prices n Active Markets or Identical Assets (Level 1)	Obsei Inp	int Other rvable uts rel 2)	Significant Other Unobservable Inputs (Level 3)		
Money market funds	\$	1,446,764	\$	1,446,764	\$	-	\$	-
Mutual funds		851,640		851,640		-		-
Exchange-traded funds		442,447		442,447				
Total Investments at Fair Value Level		2,740,851	\$	2,740,851	\$		\$	
Government Obligations Fund, at amortized cost		237,231,305 239,972,156						

Note 4. Fair Value Measurements (Continued)

Fair Value - Fiduciary Fund

The Plan's investment categories are:

<u>Cash and cash equivalents:</u> This investment category consists of highly liquid investments having a maturity of 90 days or less when purchased, with minimal risk of a change in value due to their frequent pricing and ease of converting to cash. As such, these investments are rendered Level 1 in the fair value hierarchy.

<u>Common stocks and mutual funds:</u> These investment categories are classified in Level 1 of the fair value hierarchy and are valued using automated pricing method from external pricing groups or secondary vendors who obtain quoted prices in active markets/exchanges which provide daily pricing frequencies and values of these securities.

<u>Investments measured at net asset value (NAV):</u> Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient of fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Position.

The following table represents the Plan's investments and securities recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of October 31,2022:

	October 31, 2022								
	Ac	oted Prices in tive Markets or Identical Assets (Level 1)	Obs In	nificant Other servable nputs evel 2)	Signif Oth Unobse Inpi (Leve	er rvable uts		Fair Value easurements

Mutual funds		74,695,884		-		-		74,695,884	
Total Investments by fair value level	\$	138,953,924	\$		\$			138,953,924	
Investments Measured at NAV PGIM QS S&P 500 Prudential Core Conservative Bond Prudential Short-Term Fund State Street Short-Term Investment Fund Total investments measured at NAV Total							\$	17,482,045 16,590,854 7,269,703 676,067 42,018,669 180,972,593	

Note 4. Fair Value Measurements (Continued)

Fair Value - Fiduciary Fund (Continued)

The following table represents the Plan's investments and securities recognized as of October 31, 2022:

Investments Measured at NAV	Oct	ober 31, 2022	_	nfunded nmitments	Redemption Frequency	Redemption Notice Period
PGIM QS S&P 500	\$	17,482,045	\$	-	Daily	30 days
Prudential Core Conservative Bond		16,590,854		-	Daily	30 days
Prudential Short-Term Fund		7,269,703		-	Daily	7 days
State Street Short-Term Investment Fund		676,067		-	Daily	7 days
Total investments measured at NAV	\$	42,018,669	\$			

- 1. PGIM QS S&P 500 primarily invests in domestic fixed income securities. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.
- 2. Prudential Core Conservative Bond primarily consists of fixed income securities. The investment is valued at the net asset value of units held at the end of the period based upon the fair value of the underlying investments.
- 3. The Prudential Short-Term Fund is comprised of short-term securities. Securities are valued initially at cost and then adjusted for amortization of any discount or premium.
- 4. State Street Short-Term Investment Fund invests principally in high quality, short-term securities and other instruments including, but not limited to, U.S. Treasury bills, notes and bonds, other obligations issued or guaranteed as to principal or interest by the U.S. Government, its agencies or instrumentalities, corporate debt obligations, instruments of U.S. and foreign banks, including time deposits, certificates of deposit and banker's acceptances, supranational and sovereign debt obligations, mortgage-backed and asset-backed securities, repurchase agreements, funding agreements, money market mutual funds, and other investment pools that State Street Global Advisors determine to be consistent with the fund's investment objective.

Note 5. Receivables

Rents are due from tenants on the first day of each month. As a result, tenant receivable balances primarily consist of rents past due and due from vacated tenants. An allowance for doubtful accounts is established to provide for accounts which may not be collected in the future for any reason.

Accounts receivable at March 31, 2023 was comprised of the following:

	Primary Governm	•	Discrete Component Units	
Tenant receivables	\$ 12,146	,961 \$	3,336,497	
Due from HUD	277,408	,313	-	
Due from other governments	891	,496	-	
Accrued interest	861	,635	39,702	
Development fees	10,893	,221	-	
Due from affiliates	5,144	,283	6,057,216	
Miscellaneous	2,644	,435	82,619	
Less allowance for doubtful accounts	309,990 (7,131	•	9,516,034 (1,519,275)	
	\$ 302,858	,589 \$	7,996,759	

Due from HUD mainly represents MTW Revenues from HCVP Section 8 Programs held by HUD under the Cash Management System. Under the MTW Agreement, PHA has recognized related revenue because PHA has legal claims on the funds which are available to be requested from HUD upon submission of the allowable expenditures under the MTW Agreement.

Note 6. Other Current Assets and Other Assets

Other assets at March 31, 2023 were comprised of the following:

	G	Primary overnment	Discrete Component Units			
Current:						
Prepaid expenses	\$	1,478,744	\$	712,483

Other		-		57,286		
	\$	1,804,702	\$	2,645,118		

Note 6. Other Current Assets and Other Assets (Continued)

PHA entered into an agreement with the Philadelphia Redevelopment Authority (PRA) on June 18, 2014, to use PHA's powers of eminent domain to condemn privately and publicly owned properties in the Blumberg/Sharswood area of Philadelphia for redevelopment. The initial condemnation plan forecast is approximately \$44 million dollars for the acquisition of over 1,000 properties. This amount may be adjusted based on the final property appraisals and valuation. The valuation includes the market rate cost to purchase residential lots, commercial lots, residential structures, commercial structures, and related administrative costs.

The redevelopment plan will encompass developing 1,200 new units, including affordable rental units and affordable homeownership units. PHA also plans to build market rate units for rent and for sale, develop retail space, relocate PHA headquarters, and renovate a neighborhood school. The transformations will double the number of PHA affordable housing units in Blumberg/Sharswood area. PHA has transferred \$27,000,000 to PRA to cover costs associated with the initial property acquisition and condemnation undertakings. As of March 31, 2022, PRA acquired properties amounting to \$25,283,310 included in construction in progress within capital assets.

Note 7. Capital Assets

Capital assets for the year ended March 31, 2023, were as follows:

Primary Government		Beginning Balance (Restated)	Increases	Decreases	Tra	ansfers		Ending Balance
Capital assets not being deprecia	atec		Increases	Decreases	116	11131613		Dalatice

Less: accumulated depreciation		(177,116,432)	(20,589,800)	-		-		(197,706,232)
Net Capital Assets	\$	547,220,624	\$ 27,223,673	\$ -	\$	-	\$	574,444,297

Note 7. Capital Assets (Continued)

Construction in progress represents costs incurred on open development projects or on major improvement projects. PHA recognizes construction in progress on the accompanying Statement of Net Position until such time as the assets are placed in service and transferred to the applicable capital asset class on a development-by-development basis. These projects were at various stages of completion at March 31, 2023. Upon transfer to the proper capital asset class, these capital assets will be depreciated over their estimated useful lives.

Note 8. Leases

Leases receivables are summarized as follows:

	Lease		Lease
Lease	Receivable		Revenue
(a) Cell tower	\$ 21,248	\$	32,412
(b) Ground lease	1,934,817		75,000
(c) Commercial rental space	695,334		433,919
Total	\$ 2,651,399	\$	541,331
Less current portion	(414,572)		
Noncurrent portion	\$ 2,236,827	<u>.</u> 1	

- (a) In September 2017, PHA entered into a lease agreement with T-Mobile for the lease of rooftop space located at West Park Apartments with payments beginning November 2018 after installation of the equipment. The initial term of the lease was for a period of five years and automatically renewed for three additional fiveyear terms unless either party provides written notice to not renew the terms. PHA is currently in the initial five-year term which expires November 2023. The initial base rent was \$2,400 per month, increasing by 3% annually.
- (b) In December 2016, PHA entered into a lease agreement with Courtyard Preservation, LP for the property located at 1021 S 4th Street for a base rent of \$99 and annual rent of \$75,000 starting June 1, 2017, for a term of 99 years.
- (c) Philadelphia Housing Authority Development Corporation (PHADC), a PHA component unit, has entered into several lease agreements with multiple entities for the rental of property located 2300 Master Street, Vaux Building, and 2013 Ridge Avenue, PHA Headquarters with leases terms beginning in 2017 and ending December 2026. Lease agreements included a base lease with annual increases. The current monthly total rental charge is \$29,895.

Note 8. Leases (Continued)

Leased Vehicles Obligation

On April 7, 2017, PHA and Enterprise Fleet Management, Inc. (Enterprise) executed a contract whereby PHA will commence leasing vehicles from Enterprise for a term of 5 years. PHA leased 11 vehicles in fiscal year 2023. PHA has a total of 366 vehicles leased from Enterprise. At the end of the lease term, PHA will extend the lease for an additional 3 years. After an additional 3 years, the vehicles will be returned to Enterprise. The present value of vehicles acquired under the capital lease was \$11,798,060 and accumulated depreciation was \$6,905,922 as of March 31, 2023. The amortization expense on assets recorded under the lease for the year ended March 31, 2023, was \$1,850,437.

Maintenance Equipment Obligation

On August 6, 2021, PHA entered into an agreement with Herc Rentals Inc. to provide equipment rental services. The original terms expire after three years with three one-year option periods renewed solely at the discretion of PHA. The current right-to-use asset addition was \$255,303. The amortization expense on assets recorded under the lease for the year ended March 31, 2023, was \$57,805.

Computer Equipment Obligation

On December 8, 2020, PHA entered into an agreement with CDW Government, LLC to provide computer hardware, software, and related services. The agreement term expires after five years. The current right-to-use asset addition was \$8,692,331. The amortization expense on assets recorded under the lease for the year ended March 31, 2023, was \$2,317,955.

Office Equipment Obligation

On February 1, 2018, PHA entered into an agreement with Xerox Corporation to provide multifunctional copier printer managed print services. The original terms expired after five years on January 31, 2023. The parties are negotiating a contract extension for an additional five-year term, but PHA has continued to pay the monthly amount of \$50,000 and use the equipment. The current right-to-use asset addition was \$3,117,047. The amortization expense on assets recorded under the lease for the year ended March 31, 2023, was \$534,351.

Sharswood Garage Obligation

On October 28, 2020, PHA entered into a sublease agreement with Sharswood Garage 1, LLC for the parking garage constructed at the Sharswood Condominium site. Lease payments began December 1, 2022, and continue until November 1, 2030. Monthly payments are \$64,212 through November 30, 2027, then become \$99,800 until the end of the lease term. The current right-to-use asset addition was \$6,255,167. The amortization expense on assets recorded under the lease for the year ended March 31, 2023, was \$260,632.

Other Agreements

As described in Note 19, PHA has blended and discrete component units that have been developed over several decades. PHA has entered into lease agreements for the parcels of land used to develop most of these properties ranging to ninety-nine years. PHA is paid a nominal amount of one dollar or ten dollars per year for these leases.

Discrete Component Unit

Spring Garden Development Associates LP entered into a ground lease agreement with Spring Garden Community Development Corporation. The term of the lease began December 1, 2008, and expires December 1, 2088. The cost of the ground lease is \$9,000 annually. The right-to-use asset of \$329,787 is included in other assets on the Statement of Net Position.

Note 9. Mortgages and Notes Receivable

Note 3.	Mortgages and Notes Neceivable	
Mortgag	es and notes receivable are summarized as follows:	
` '	tgage note due from a third party with interest rate of 3.65% nd maturity date of December 2061	\$ 21,826,903

Note 9. Mortgages and Notes Receivable (Continued)

- (a) The amount of \$22.6 million due from Courtyard Preservation, LP, is in connection with the sale of the rental housing project "The Courtyard Apartments at Riverview," by Southwark Plaza Limited Partnership (Southwark), a previous component unit of PHA, to Courtyard Preservation, LP; a Pennsylvania limited partnership (Courtyard), on December 28, 2016.
 - At closing under the purchase contract, PRA and Southwark as legal and beneficial owner of the property conveyed their interest in land to PHA and transferred the improvements to Courtyard, and PHA leased the land to Courtyard. Southwark paid PHA the sum of \$12 million because of the PHA mortgages, and Courtyard assumed the outstanding balance of PHA's mortgage. At closing, Courtyard executed a replacement promissory note in the remaining principal amount of \$21,826,903. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 30, 2061 and limited to Courtyard's interest in the land and the property. The outstanding principal balance as of March 31, 2023 was \$21,826,903 and accrued interest was \$4,670,388.
- (b) PHA issued a loan to Roberto Clemente Homes, L.P in the amount of \$1.2 million for the purpose of providing funds for the substantial rehabilitation of a building to include 38 units of permanent rental housing for low-income residents located at Roberto Clemente Condominium. The loan note was executed on May 31, 2017. The remaining principal, if unpaid, plus accrued interest shall be due and payable on May 31, 2057. The outstanding principal balance as of March 31, 2023 was \$1,200,000 and accrued interest was \$144,000.
- (c) The amount of \$2.4 million represents a loan agreement between Susquehanna Square Housing LP, and PHA. This PHA note was issued for the purpose of providing funds for the development of thirty-seven (37) units in Susquehanna. The balance, including accrued interest, was \$2,562,000 at March 31, 2023. The entire outstanding balance of this PHA note, including all unpaid principal, accrued interest, and any other outstanding sums, are due and payable in full upon the expiration of 40 years on September 2059. The outstanding principal balance as of March 31, 2023 was \$2,400,000 and accrued interest was \$162,000.
- (d) In March 2019, PHA amended and executed a Memorandum of Understanding (MOU) with Habitat for Humanity Philadelphia, Inc. (HFHP) for funding in the maximum amount of \$3,500,000 regarding HFHP's 20-unit homeownership project known as Oxford Green, located on the 2300 block of W. Oxford Street, Philadelphia, PA (the "Project"). The Project will be constructed on two blocks: Block 1 and Block 2. Block 1 will consist of 9 townhomes on the property identified as 2300 W. Oxford. Block 2 will consist of 11 townhomes on the property identified as 2350 W. Oxford, also known as 1515-21 N. 24th Street. The PHA funding will assist low-income homebuyers by subsidizing the purchase price of their house and will also be used to pay a portion of HFHP's costs.
 - PHA shall provide a purchase price subsidy loan to each HFHP buyer in the amount of \$145,000 at the closing for the sale of each unit. The purchase price subsidy loan shall be secured by a note and a mortgage that will be recorded in a second lien position. The outstanding principal balance as of March 31, 2023 was \$2,900,000 and accrued interest was \$0.
- (e) In October 2020, entered into a loan agreement with COCRF Investor 170, LLC in the principal amount of \$19,703,100 for the construction of commercial and rental property at the Sharswood North Lot site. Monthly interest only payments are due each month until November 2027 when interest and principal payments begin until the maturity date of October 2030. Interest payments of \$394,062 were received by PHA during fiscal year ending March 31, 2023. The outstanding principal balance as of March 31, 2023 was \$19,703,100 and accrued interest was \$0.

Note 9. Mortgages and Notes Receivable (Continued)

- (f) In October 2020, entered into a loan agreement with Sharswood 1, LLC in the principal amount of \$4,664,900 for the construction of commercial and rental property at the Sharswood North Lot site. Monthly interest only payments are due each month until November 1, 2022 when interest and principal payments begin until the maturity date of November 1, 2030. The outstanding principal balance as of March 31, 2023, was \$4,655,266 and accrued interest was \$500,798.
- (g) In October 2020, entered into a loan agreement with Sharswood Garage 1, LLC in the principal amount of \$632,000 for the construction of a parking garage at the Sharswood North Lot site. Interest shall accrue at a rate of zero percent (0%) per annum on the principal amount due. The balance was \$632,000 at March 31, 2023. The outstanding balance shall be due and payable on November 1, 2030.
- (h) PHA issued a loan to Rose Norris Homes, LLC in the amount of \$9,602,500 for the purpose of providing funds for the construction of a building to include 133 units of permanent rental housing for low-income residents located at Norris Homes Phase V. The loan note was executed on December 18, 2019. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note following Conversion. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 18, 2059. The outstanding principal balance as of March 31, 2023 was \$9,602,500 and accrued interest was \$96,025.
- (i) PHA issued a loan to Sharswood Phase I LLC in the amount of \$4.7 million for the purpose of providing funds for the construction of a building to include 60 units of permanent rental housing for low-income residents located at Hunt Sharswood Phase I. The loan note was executed on December 18, 2020. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note following Permanent Mortgage Commencement. The remaining principal, if unpaid, plus accrued interest shall be due and payable on December 18, 2060. The outstanding principal balance as of March 31, 2023, was \$4,700,000 and accrued interest was \$47,000.
- (j) PHA issued a loan to HELP PA VI LP in the amount of \$1.5 million for the purpose of providing funds for the substantial rehabilitation of a building to include 55 units of permanent rental housing for low-income residents located at Hunt HELP Philadelphia VI – Reynolds School. The loan note was executed on July 27, 2020. Simple interest shall accrue at a rate of one percent (1%) per annum on the principal amount due under the note. The remaining principal, if unpaid, plus accrued interest shall be due and payable on July 27, 2058. The outstanding principal balance as of March 31, 2023, was \$1,500,000 and accrued interest was \$34,623.
- (k) PHA issued a loan to Susquehanna Net Zero Housing LP in the amount of \$6.5 million for the purpose of providing funds for the substantial rehabilitation of a building to include 78 units of permanent rental housing for low-income residents located at Susquehanna Townhome Apartments. The loan note was executed on November 12, 2020. Simple interest accrues at a rate of one percent (1%) per annum on the principal amount due under the note. The remaining principal, if unpaid, plus accrued interest shall be due and payable on November 12, 2060. The outstanding principal balance as of March 31, 2023, was \$6,500,000 and accrued interest was \$332,624.
- (I) PHA issued a predevelopment loan to Sharswood III Part 1 LLC in the amount of \$900,000 for the purpose of providing up to 50% of certain third-party costs in connection with the development of the property. The loan was executed on October 12, 2022. Interest shall accrue at a rate of zero percent (0%) per annum on the principal amount due. The outstanding balance shall be due and payable earlier of December 31, 2023, or the date of the financial closing of the construction loans. The outstanding principal balance as of March 31, 2023, was \$900,000 and accrued interest was \$0.

Note 9. Mortgages and Notes Receivable (Continued)

- (m) PHA issued a loan to Sharswood Phase II LLC in the amount of \$7 million for the purpose of providing funds for the construction of a building to include 60 units of permanent rental housing for low-income residents located at Hunt Sharswood Phase II. The loan note was executed on March 16, 2022. Interest shall accrue at a rate of zero percent (0%) per annum on the principal amount due until permanent mortgage commencement and 1.30% subsequent to commencement. The remaining principal, if unpaid, plus accrued interest shall be due and payable on March 16, 2062. The outstanding principal balance as of March 31, 2023, was \$6,803,372 and accrued interest was \$0.
- (n) The amounts due from the component units represent advances of various HUD grants under the MTW Program, Hope VI Program and other capital fund programs. The offsetting liability of the discrete component units is included in long-term debt and accrued interest (Note 11). The mortgage and interest receivable and the respective liabilities net to \$0 except for \$7,616,147 in advances made to component units and timing differences of interest receivables and payables between December 31, 2022, and March 31, 2023.

The repayment schedule is as follows:

Years Ending March 31	
2024-2028	\$ 900,000

Note 11. Long-Term Debt (Continued)

On June 1, 2017, PHA on behalf of the Philadelphia Housing Authority Development Corporation (PHADC) issued General Revenue Bonds (PHA Headquarters Project) Series 2017 with an aggregate principal amount of \$28,870,000. The Bonds are limited obligations of PHA payable solely from (i) amounts to be paid by PHADC, which amounts consist of project revenues, which include payments of base rent to be paid by PHA under the lease and (ii) other funds available to the Trustee under the Indenture. The obligation to pay the base rent is a general obligation of PHA secured by a pledge of its general revenues under the lease. PHA approved the appointment of U.S. Bank National Association as the Trustee under the Indenture. The Bonds include an acceleration provision that should any Event of Default occur and be continuing, then the Trustee may declare the principal of all bonds then outstanding to be due and payable immediately together with interest accrued.

Bonds maturing on or after May 1, 2028, are subject to optional redemption by PHA, as a whole or in part at any time on or after May 1, 2027, at a redemption price equal to the principal amount plus accrued interest to the redemption date. The bonds maturing in 2030, 2033, 2035, 2037, 2039, 2042, and 2047 are subject to mandatory sinking fund redemption on the dates and in the amounts specified in the Official Statement.

Under the indentures, certain component units are required to maintain a debt service fund equal to the annual debt service requirements. The notes agreements for the component units include provisions that in the event of a default all outstanding principal and interest balances are immediately payable.

The amortization schedule for the long-term debt of PHA and its component units is as follows:

1 1 11111	ary Governme	nt	Component Units

Due to partners	9,790,247	1,475,963	(1,828,679)	9,437,531		-

Note 13. Workers' Compensation Insurance

PHA maintains a loss-sensitive worker's compensation and employer's liability insurance policy whereby PHA has responsibility to pay a significant portion of claims. For the policy periods which incepted from October 15, 2008, through October 15, 2021, except for the policy period from October 15, 2015, to October 15, 2016, PHA was insured under a large-deductible worker's compensation program whereby PHA was responsible to pay the first \$350,000 of worker's compensation and employer's liability claims for each and every occurrence. Losses were accrued based on the insurance carrier's estimate of losses attributable to the claims filed in each policy year, and the estimated losses for each policy year are updated periodically by the insurance carrier. PHA is required to fund the estimated losses into an escrow account held by the insurance carrier, and claims incurred are paid out of the escrow fund on a recurring basis until all claims from those policy terms are closed. As of March 31, 2023, the balance in the escrow fund related to the large deductible policies, which incepted October 15, 2008, through October 15, 2021, was \$5,790,905 and is included in restricted cash and cash equivalents in the Statement of Net Position. The estimated future amounts payable against the escrow fund based on anticipated development of existing open claims is \$5,694,604. This amount is recorded as other liabilities.

Please note that the 2015-2016 policy year was subject to pre-determined buyout and closed out at last year's adjustment.

Changes in liability for workers compensation for the past two years are as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
For the year ended March 31, 2023	\$ 4,136,875	\$ 9,349,411	\$ (7,791,682)	\$ 5,694,604
	Beginning Balance	Increases	Decreases	Ending Balance
For the year ended March 31, 2022	\$ 3,094,638	\$ 10,033,913	\$ (8,991,676)	\$ 4,136,875

Note 14. Employees' Retirement Plans

Defined Benefit Pension Plan

Plan Description

PHA contributes to the "Plan", which was initiated on November 1, 1952. The Plan is a single-employer plan which issues separate financial statements, a copy of which may be obtained by contacting PHA's office. Employees are required to contribute 5.5% of total salary to the Plan on a pre-tax basis. The following table provides information concerning covered employees and benefit provisions for the Plan.

Plan participants at November 1, 2021 were as follows:

Active	276
Vested terminations	217
Retiree and beneficiary currently receiving benefits	1,406
Total	1,899

Covered employees As of March 31, 2023, the Plan covered non-represented

employees hired before October 1, 2005.

In April 2014, non-represented employees' benefits were frozen.

Current annual covered payroll \$1,919,541

Normal retirement date 65th birthday

Normal retirement benefit 2.5 percent of average earnings, as defined in the Plan, multiplied

by the years of service not to exceed 25 years, plus 1.25 percent of average earnings multiplied by years of service in excess of 25

years.

Death benefit The Plan contains provisions for the payment of benefits to

surviving spouses of employees.

Actuarially Determined Contribution Requirements and Contributions Made

Actuarially determined contributions are required to provide enough assets to pay benefits when due and are determined using the entry age normal method. Under this method, the actuarial present value of projected benefits of everyone included in an actuarial valuation is allocated on a level basis over the earnings of service of the individual between entry age and assumed exit age. The portion of actuarial present value allocated to each valuation is called the normal cost. The significant actuarial assumptions used to compute the actuarial determined contributions are as follows:

- a) A rate of return on the investments of 6.5 percent peryear
- b) Projected salary increases of 3.0 percent per year
- c) No post-retirement benefit increase

Note 14. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Funding Policy

PHA's funding policy is determined by the Plan design and collective bargaining agreements. All participants are required to pay into the pension fund an amount equal to 5.5 percent of compensation. At a minimum, the employer contributes 5.5 percent of the participant's annual compensation. Additional employer contributions are discretionary and based upon actuarial computations.

The Plan's assets are placed in custodial Plan accounts, all reported at fair value. The Plan's investments are stated at fair value, if available, quoted market prices are used to value investments. Any investments with the Plan custodian which have no quoted market price are valued by the Plan's custodian at estimated fair value. Several factors are considered in arriving at fair value.

The PHA Pension Board of Trustees has the authority to establish and amend the Plan provisions.

Net Pension Liability

At March 31, 2023, PHA reported a net pension liability of \$82,910,246. The components of the net pension liability of the Plan were measured at October 31, 2022, and were as follows:

Total pension liability	\$ 263,872,569
Plan fiduciary net position	180,962,323
Authority's net pension liability	\$ 82,910,246

Plan fiduciary net position as a percentage of the total pension liability 68.58%

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation for the October 31, 2022, measurement period, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation rate 2.5 percent

Salary increases 3.0 percent, average including Inflation

Investment rate of return 6.5 percent, net of pension plan

investment expense, including inflation

At October 31, 2022 measurement date, mortality rates were based on the PubG-2010 Total General Mortality Tables with Scale MP-2021, set forward 3 years for males and 2 years for females.

The actuarial assumptions used in the valuation for the October 31, 2022, measurement period were based on past experience under the Plan and reasonable future expectations, which represent the Plan's best estimate of anticipated experience. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Note 14. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of October 31, 2022, are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Domestic equity	35.0%	5.4 - 6.4%
International equity	25.0%	5.5 - 6.5%
Fixed income	28.0%	1.3 - 3.3%
Real estate	10.0%	4.5 - 5.5%
Cash	2.0%	0.0 - 1.0%

Rate of return

For the year ended October 31, 2022, the annual money-weighted rate of return on Plan investments, net of the Plan investment expense, was (14.7) percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts invested.

Discount Rate

The discount rate used to measure the total pension liability was 6.5 percent. The projection of cash flows used to determine the discount rate assumed that Plan member contributions will be made at the current contribution rate and that Plan contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability of the Authority, calculated using the discount rate of 6.5 percent, as well as what the Authority's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (5.5) percent or 1-percentage point higher (7.5) percent than the current rate:

	1%	Current	1%
	Decrease	Discount Rate	Increase
	(5.5%)	(6.5%)	(7.5%)
Authority's net pension liability	\$106,333,179	\$82,910,246	\$62,767,476

Note 14. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

The following represents the changes in the PHA's net pension liability, components thereof, deferred outflows and inflows of resources. The information is presented as part of the current year reporting under GASB 68, *Accounting and Financial Reporting for Pensions*. Detailed information relating to the plan description, funding policy, actuarial methods, and assumptions, expected rate of return-on-investment rate of return on investments and discount rate are reported above.

November 1, 2021, actuarial valuation was used to determine the net pension liability. Updated procedures were used to roll-forward the net pension liability to the measurement date of October 31, 2022.

			Incre	ease/(Decrease)

At March 31, 2023, the deferred outflows of resources and deferred inflows of resources related to the pension are:

	Deferred Inflow of Resources	_	ferred Outflow of Resources
Actual/Projected Earnings	\$ (20,241,085)	\$	38,763,204
November 1, 2022 to March 31, 2023 subsequent contributions	-		4,558,383
Total	\$ (20,241,085)	\$	43,321,587

Note 14. Employees' Retirement Plans (Continued)

Defined Benefit Pension Plan (Continued)

Deferred outflows of resources and deferred inflows of resources related to pension will be recognized as a component of pension expense as follows:

2023	\$ 2,300,574
2024	3,904,821
2025	3,052,222
2026	9,264,502
Total	\$ 18,522,119

Risks and Uncertainties

The Plan invests in several investment instruments that may be exposed to various risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Plan Net Position.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics as of the date of the calculation. As a result of the pandemic, all the assumptions used in the actuarial present value of accumulated plan benefits are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is reasonably possible that an actuarial calculation of the present value of the accumulated plan benefits made subsequent to October 31, 2022, could result in changes in the assumptions used and an estimate that could be materially different from the amounts reported and disclosed in the accompanying financial statements.

Plan Termination

The Pension Board of Trustees intends for the Plan to be permanent but reserves the right to terminate it at any time. The Plan shall terminate automatically upon complete discontinuance of contributions.

In the event the Plan terminates, after prior benefits and payment of final expenses, remaining assets of the Plan will be allocated for the benefits of the participants according to the Plan document. If the amount available for allocation to any participant categories is not sufficient to fully provide the accrued benefits, pro-rata allocation of the amount available will be made for each participant.

Note 14. Employees' Retirement Plans (Continued)

Defined Contribution Plan

On April 1, 2001, PHA (Plan Sponsor) established a defined contribution plan (DC Plan) for providing retirement benefits for its executive management. Effective in October 2005, all newly hired, non-represented employees were required to participate in the DC Plan. The DC Plan was originally established as a contributory participant directed "Money Purchase Plan." However, the DC Plan was subsequently amended to be a tax-qualified "Profit Sharing Plan." Non-represented permanent employees of PHA are eligible for participation in the DC Plan beginning on the first of the month following the date of hire.

The DC Plan is a qualified defined contribution plan that satisfies the applicable requirements of Section 401(a) of the IRS Code and the reporting requirements pursuant to Pennsylvania Act 203. However, the Plan is a government plan and, therefore, is not subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

In April 2011, most union employees who had their benefits frozen in the Plan began participating in the DC Plan. Beginning in April 2012, the employees that were members of the Fraternal Order of Housing Police began participating in the DC Plan. The DC Plan contains additional employer contributions and employee saving features. Participants may rollover distributions received from the Plan or from an eligible retirement as defined in the DC Plan Document.

Each year participants are required to contribute 5.5% of their annual compensation into an individual account. PHA contributes an additional 5.5% of each participant's annual compensation as prescribed by the DC Plan. Additional amounts may be contributed at the option of PHA's Board of Commissioners.

Under the DC Plan PHA may pay reasonable expenses of administering the DC Plan and Trust. PHA absorbs most of the administrative expenses. Administrative expenses, such as Investment and Trustee Fees, are paid out of DC Plan assets.

PHA made contributions of about \$3.7 million to the Plan for the year ended March 31, 2023.

Note 15. Commitments

Energy Performance Contract (EPI)

On September 14, 2018, PHA executed an EPI contract for a five-year term with Johnson Controls Inc. for a total amount not to exceed \$31.5 million. Phase 1 commenced on September 24, 2018, for lighting and water improvements. Phase 2 and Phase 3 commenced in 2022 and 2023 respectively. Phase 2 is for lighting and weatherization, while Phase 3 is for heating upgrades. As of March 31, 2023, approximately \$8.6 million was expended on Phases 2 and 3.

Sharswood North Lot Mixed Use Site

In October 2020, PHA executed an agreement with Sharswood Partners LP to construct 98 residential units, a garage, a grocery outlet, and an urgent care center. PHA committed a total of \$25 million for construction funding of which \$24.7 million was expended as of March 31, 2023.

Choice Neighborhoods Implementation Grant

On April 23, 2020, HUD awarded PHA \$30 million Choice Neighborhoods Implementation Grant for the implementation of a Transformation Plan for the Sharswood Blumberg area. PHA committed an additional \$34.4 million to this project and has expended approximately \$5.3 million as of March 31, 2023.

Note 15. Commitments (Continued)

PHA Warehouse and Logistics Center

On January 21, 2021, PHA passed a resolution to issue a task order, under an existing contract to AP Construction/Synterra Ltd. for construction management services for a consolidated PHA Warehouse and Logistics Center for approximately \$15.1 million. PHA expended approximately \$1.6 million as of March 31, 2023.

Harrison Senior Tower

Construction of 116 affordable housing units began in 2022 with total construction costs estimated at \$36.2 million. PHA committed to providing construction financing in the amount of \$26.5 million with \$12.7 million expended as of March 31, 2023.

Blumberg 4A

Construction of 60 affordable housing units beginning July 2022 with total construction costs estimated at \$27.1 million. PHA committed to providing construction financing for approximately \$15.0 million with approximately \$9.8 million expended as of March 31, 2023.

Sharswood Phase 2

Construction of 59 affordable housing units beginning March 2022 with total construction costs estimated at \$28.3 million. PHA committed to providing construction financing for approximately \$7.0 million with approximately \$6.1 million expended as of March 31, 2023.

Beyond Foster Care on Ridge (2112 Ridge Avenue)

Construction of 36 affordable housing units beginning in fiscal year 2023 with total construction costs estimated at \$11.9 million. PHA committed to providing construction financing for approximately \$11.9 million. PHA expended about \$.5 million as of March 31, 2023.

Blumberg Phase 6A

Construction of 65 affordable housing units beginning in fiscal year 2023 with a total construction costs estimated at \$33.0 million. PHA committed to providing construction financing for approximately \$19.6 million and has expended \$1.2 million as of March 31, 2023.

Fairhill Apartments (Fairhill Phase 1)

Construction of 133 affordable housing units beginning in fiscal year 2023 with a total construction costs estimated at \$66.0 million. PHA committed to providing construction financing for approximately \$27.0 million. PHA expended about \$1.1 million as of March 31, 2023.

Note 16. Compensated Absence

A liability is recorded for compensated absences attributable to services already rendered and not contingent on a specific event outside the control of PHA and its employees, as employees earn the right to the benefits.

The liability is typically liquidated with resources of the same funding source that has paid the applicable employee's regular salaries and fringe benefits.

	Sun	nmary of Accrued	Compensation Abse	nces
	Beginning			Ending
	Balance	Net Increases	Net Decreases	Balance
Current portion Long-term portion	\$ 5,792,396 3,861,599	\$ 2,033,431 1,355,621	\$ (1,882,800) (1,255,201)	\$ 5,943,027 3,962,019
	\$ 9,653,995	\$ 3,389,052	\$ (3,138,001)	\$ 9,905,046

Note 17. Other Post-Employment Benefits (OPEB)

PHA had administered Executive Health Protection Plan (EHPP) which provided prescribed total amounts to be made available for the payment of medical insurance premiums on behalf of eligible employees following separation from service. The EHPP covered eligible executive employees and could be terminated by PHA at any time.

Eligibility and Termination

Eligible Employees were automatically enrolled in the EHPP upon the later of the Effective Date of the EHPP or date they become an Eligible Employee. Upon the earlier termination of employment with the Employer or a Participant's ceasing to be an Eligible Employee, the Participant would cease to accrue a benefit under the EHPP.

Contributions

PHA contributed to the Trust for each Participant in the EHPP of \$20,000 for each year of Credited Service as an Eligible Employee completed after the Effective Date of the EHPP. The maximum total contribution that may be allocated to a Participant is \$100,000. Amounts allocated for a Participant shall not be credited with any earnings or losses on contributions made to the EHPP.

Vestina

A Participant would fully vest in the contributions he or she had earned under the EHPP upon separation from Employment and the completion of three (3) years of Continuous Service as an Eligible Employee completed after the Effective Date of the EHPP. No Participant should vest prior to separation from employment.

EHPP Status

The EHPP eligibility was frozen in 2011 and no employees have since been added to the EHPP. As of March 31, 2023, PHA had segregated cash of \$1.4 million for the payment of the remaining plan benefits to the 24 previous and current executive employees included in the EHPP. This amount is recorded as other liabilities. See Note 12.

Note 18. Risk Management

PHA is subject to risk of loss from fire, property damage, personal injury, auto, employment practices, etc. PHA covers these risks through the purchase of commercial insurance. PHA has initiated a loss control program utilizing insurer and broker resources to improve safety at PHA. Loss control training sessions were held in fiscal year 2023. These training courses were done by Loss Control representatives from Conner Strong & Buckelew (PHA's Broker), HARRG Insurance Co. (PHA's liability carrier) and Liberty Mutual (PHA's Workers' Compensation carrier. Risk Management and Human Resources work together to support these efforts.

The PHA Board of Commissioners passed a Risk Management Framework in Resolution 11721 at the July 17, 2014, Board meeting. Pursuant to that Risk Management Framework, a Risk Management Committee at PHA meets quarterly to identify and evaluate risks facing PHA. There were three meetings of the Committee in fiscal year 2023. The Risk Management Committee provides updates to the PHA Audit Committee in conjunction with the Office of Audit and Compliance (OAC). The Risk Management Committee provides an annual report to the Board of Commissioners. The Risk Management Committee also provides input to OAC (when requested) in the formulation of its risk survey to PHA departments as part of its risk identification function.

Note 19. Component Units

Blended Component Units

Philadelphia Housing Authority Development Corporation (PHADC) - a Pennsylvania nonprofit corporation formed by PHA to support PHA in providing safe and affordable housing for persons of low income through the acquisition, purchase, renovation, restoration, repair, rehabilitation, construction and management of real property, and other economic development activities in Philadelphia.

Philadelphia Asset and Property Management Corporation (PAPMC) - a Pennsylvania nonprofit corporation formed by PHA to provide operational and financial services to several housing developments in Philadelphia.

Philadelphia Housing Authority Homeownership Corporation (PHAHC) - a Pennsylvania nonprofit corporation formed by PHA to hold certain escrow payments, counseling, and home association fees for homebuyers of designated PHA low-income housing properties.

Philly Seeds (PHA-Tenant Support Services, Inc. or TSSI) - a Pennsylvania nonprofit corporation formed by PHA to promote the welfare of public housing residents and recipients of housing assistance.

Oakdale Street LLC - a Pennsylvania limited liability corporation which operates 12 residential rental units. It has a 30-year ground lease with PHA at a nominal rent. The project was financed with \$4.7 million in PHA mortgage funds. PHA is sole member of Oakdale Street LLC.

Gordon Street LLC - a Pennsylvania limited liability corporation which operates 21 residential rental units. It has a 30-year ground lease with PHA at a nominal rent. The project was financed with \$8.3 million in PHA mortgage funds. PHA is sole member of Gordon Street LLC.

Cambridge Plaza L.P. - a Pennsylvania limited partnership which operates a 44-unit apartment complex known as Cambridge Plaza Apartments. Cambridge has a ninety-nine-year ground lease with PHA at a nominal rent. The project was funded by \$4.5 million of investor capital and \$2.6 million in PHA mortgage debt. On August 31, 2018, PHA acquired the Tax Credit Investor's, John Hancock Realty Advisors, Inc., limited partnership interest in Cambridge Plaza L.P. of 99.99 percent for \$1, assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to become the sole member of the new entity CPLPI 1100 Poplar LLC.

Note 19. Component Units (Continued)

Blended Component Units (Continued)

Suffolk Manor Apartments, L.P. - a Pennsylvania limited partnership which operates 137 residential rental units and has a ninety-nine-year ground lease with PHA at nominal rent. The project was financed by \$13.5 million of investor capital and \$10.5 million in PHA mortgage loans. On August 31, 2018, PHA acquired the Tax Credit Investor's, John Hancock Realty Advisors, Inc., limited partnership interest in Suffolk Manor Apartments, L.P. of 99.99 percent for \$1, assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to become the sole member of the new entity SMLP 1416 Clearview LLC.

PHA Plymouth Hall, LLC. - a Pennsylvania limited liability corporation which operates 53 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project is a RAD conversion that was financed with \$1.8 million in PHA mortgage funds. PHA is the sole member of PHA Plymouth Hall LLC.

RA Phase 3 LLC - a Pennsylvania limited liability corporation formed by PHA to become the Limited Partner of Richard Allen Phase III L.P. PHA is the sole member of RA Phase 3 LLC. On October 4, 2019, RA Phase 3 LLC acquired the Investor Limited Partner, Centerline Guaranteed Corporate Partners II, L.P. – Series A, and the Special Limited Partner, RCC Guaranteed SLP II, L.P. – Series A limited partnership interest in Richard Allen Phase III L.P. of 99.99 percent for an agreed upon sales price of \$1,107,491 assuming responsibility for the annual Tax Credit Investor's transaction costs of \$5,000 and any other costs of transferring the Partnership interest to RA Phase 3 LLC. RA Phase 3 LLC also paid related settlement costs of \$11,582 for total acquisition costs of \$1,119,073. The financing for the transaction was funded through a promissory note with PHA. The note accrues interest of five percent per annum and matures October 3, 2059.

Richard Allen Phase III L.P. - a Pennsylvania limited partnership which operates a 178-unit apartment complex and has a ninety-nine-year ground lease with PHA at nominal rent. The project was financed by \$11.1 million of investor capital and a \$26.4 million mortgage loan from PHA.

CPLP 2 LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner of Cambridge Plaza II L.P. PHA is the sole member of CPLP2 LLC. On July 15, 2020, CPLP 2 LLC acquired the Investor Limited Partner's, TCIG Guaranteed Tax Credit Fund IV, LLC, limited partnership interest in Cambridge Plaza II, L.P. of 99.99 percent for contract sales price of \$100 assuming responsibility for the annual Tax Credit Investor's transaction costs of \$10,000 and any other costs of transferring the Partnership interest to CPLP 2 LLC. CPLP 2 LLC also paid related settlement costs of \$23,275 for total acquisition costs of \$23,375.

Cambridge Plaza II, L.P. - a Pennsylvania limited partnership which operates 40 residential rental units known as Cambridge Plaza Apartments Phase II and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6 million of investor capital and \$3.6 million in PHA mortgage debt.

Mt. Olivet SLP LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Mt. Olivet L.P. PHA is the sole member of Mt. Olivet SLP LLC. On February 8, 2021, Mt. Olivet SLP LLC acquired the Investor Limited Partner's, HCl Mt. Olivet, LLC, limited partnership interest in Mt. Olivet, L.P. of 99.99 percent for contract sales price of \$823,793 and the Special Limited Partner's, BFIM Special Limited Partner, Inc., limited partnership interest of 0.00 percent for contract sales price of \$10,000 and any other costs of transferring the Partnership interest to Mt. Olivet SLP LLC. Mt. Olivet SLP LLC also paid related settlement costs of \$9,170 for total acquisition costs of \$842,963.

Mt. Olivet, L.P. - a Pennsylvania limited partnership which operates 161 residential rental units known as Mt. Olivet Apartments and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$7 million of investor capital and \$9.7 million in PHA mortgage debt.

Note 19. Component Units (Continued)

Blended Component Units (Continued)

Tasker SLP LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Tasker I, L.P. PHA is the sole member of Tasker SLP LLC. On February 8, 2021, Tasker SLP LLC acquired the Investor Limited Partner's, MMA Tasker Homes I, LLC, limited partnership interest in Tasker I, L.P. of 99.99 percent for contract sales price of \$1,850,950 and the Special Limited Partner's, SLP, Inc., limited partnership interest of 0.00 percent for contract sales price of \$10,000 and any other costs of transferring the Partnership interest to Tasker SLP LLC. Tasker SLP LLC also paid related settlement costs of \$19,616 for total acquisition costs of \$1,880,566.

Tasker I, L.P. - a Pennsylvania limited partnership which operates 245 residential rental units known as Tasker Homes Phase I and has a ninety-nine-year ground lease with PHA at nominal rent. The project was financed by \$15.5 million of investor capital and \$33 million in PHA mortgage debt.

LBHLP III LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Lucien E. Blackwell Phase III, L.P. PHA is the sole member of LBHP III LLC. On February 1, 2022, LBHLP III LLC acquired the Investor Limited Partner's, PNC Multifamily Capital Institutional Fund XXXI Limited Partnership, limited partnership interest in Lucien E. Blackwell Homes Phase III, L.P. of 99.99 percent for contract sales price of \$8,895 and the Special Limited Partner's, Columbia Housing SLP Corporation, limited partnership interest of 0.00 percent and any other costs of transferring the Partnership interest to LBHLP III LLC. LBHLP III LLC also paid related settlement costs of \$12,339 for total acquisition costs of \$21,234.

Lucien E. Blackwell Homes Phase III, L.P. - a Pennsylvania limited partnership which operates 50 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.5 million of investor capital and \$2.9 million in PHA mortgage debt.

MCLP Phase I LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner and Special Limited Partner of Mill Creek Phase I, L.P. PHA is the sole member of MCLP Phase I LLC. On February 1, 2022, MCLP Phase I LLC acquired the Investor Limited Partner's, PNC Multifamily Capital Institutional Fund XXVI Limited Partnership, limited partnership interest in Mill Creek Phase I, L.P. of 99.99 percent for contract sales price of \$11,809 and the Special Limited Partner's, Columbia Housing SLP Corporation, limited partnership interest of 0.00 percent and any other costs of transferring the Partnership interest to MCLP Phase I LLC. MCLP Phase I LLC also paid related settlement costs of \$18,885 for total acquisition costs of \$30,694.

Mill Creek Phase I, L.P. - a Pennsylvania limited partnership which operates 80 residential rental units included in a development known as Lucien Blackwell Homes and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.8 million of investor capital and \$6.1 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.

CPLP 3 LLC - a Pennsylvania limited liability corporation formed by PHA to become the Investor Limited Partner Cambridge III, L.P. PHA is the sole member of CPLP 3 LLC. On May 25, 2022, CPLP 3 LLC acquired the Investor Limited Partner's, TCIG Guaranteed Tax Credit Fund VI, LLC, limited partnership interest in Cambridge III, L.P. of 99.99 percent for contract sales price of \$100 and any other costs of transferring the Partnership interest to CPLP 3 LLC. CPLP 3 LLC paid related settlement costs of \$31,009 for total acquisition costs of \$31,109. See Note 22.

Note 19. Component Units (Continued)

Blended Component Units (Continued)

Cambridge III, L.P. - a Pennsylvania limited partnership which operates a 40-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6.3 million of investor capital and \$3 million in PHA mortgage debt. The project has qualified for federal low-income housing credits. Prior to CPLP 3 LLC, an entity solely owned by PHA, becoming the Limited Partner of Cambridge III, L.P., Cambridge III, L.P. was reported as a discretely presented component unit. With the acquisition of the 99.99 percent investor limited partnership interest by CPLP 3 LLC, Cambridge III, L.P. is now a blended component unit of PHA. The beginning net position of \$144,018 was transferred from the discrete component unit into the blended component unit. See Note 22.

PHA also formed other Blended Component Units namely, Elderly and Disabled Services, LLC, Philadelphia Urban Revitalization Enterprise, LLC, Reynolds School, LLC, and Walton School, LLC. As of March 31, 2023, these component units have no significant activities.

In connection with each of the developments involving PHA benefitting from investment arising from the low-income housing tax credit, PHA or its component unit, PHADC, or both provide various guaranties of payment and performance. No payment has ever been requested of or made by either PHA or PHADC pursuant to such guaranties, and PHA considers the likelihood of any such demand to be remote.

Note 19. Component Units (Continued)

Blended Component Units (Continued)

The blended component units are included in the primary government column in the face of the financial statements. Selected financial data for these blended component units as of and for the years ended as indicated are presented below:

ASSETS Cash and cash equivalents		PHADC	PAPMC	PHAHC	Gordon Street, LLC	Oakdale Street, LLC	Suffolk Manor Apartments, L.P.	Cambridge Plaza, L.P.	Cambridge Plaza II, L.P.

Note 19. Component Units (Continued)

Discrete Component Units (Continued)

In most instances, the component units have entered into agreements with PHA to provide various services for housing projects. In addition, management and/or development fees are paid to PHADC for services rendered over the life of the project. The individual entities have issued bonds or other debt to fund projects, including amounts owed to PRA and PHA as mortgages.

LIMITED PARTNERSHIPS (LPs)

LPs are component units where PHA serves as General Partner and owns 1/10 of 1 percent of the Partnership. PHA's equity interest in the component units was \$7,770,748 as reported on the Statement of Net Position. PHA provides operation and financial services to the LPs via Operating Subsidy (Operating) and Regulatory and Operating (R&O) Agreements and directly managed by PAPMC.

PHA reports the ownership of its equity interest in the component units as an asset.

- Blumberg Apartments Phase I LP a Pennsylvania limited partnership formed to develop 57 residential rental
 units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.9
 million of investor capital (\$11.4 million paid as of December 31, 2022), \$5.5 million in PHA mortgage debt, \$2.6
 million in Wells Fargo mortgage debt, and \$1.5 million in HOME funds. The project has qualified for federal lowincome housing credits.
- Blumberg Senior Apartments LP a Pennsylvania limited partnership formed to develop 94 residential rental units. It has a ninety-nine-year ground lease with PHA, the land was sold to the partnership for a cost of \$494,000 (tax basis) of which the carrying value of \$268,630 is a prepaid ground lease to be amortized over the life of the lease. The project was financed by \$9.6 million of investor capital (\$7.7 million paid as of December 31, 2022) and \$18.1 million in PHA mortgage debt (\$15.8 million outstanding as of December 31, 2022). The project has qualified for federal low-income housing credits.
- **Blumberg Apartments Phase III LP** a Pennsylvania limited partnership formed to develop 83 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$18.0 million in PHA mortgage debt, \$10.2 million of investor capital (\$8.2 million paid as of December 31, 2022), and \$5.4 million in Citizens Bank mortgage debt. This project has qualified for federal low-income housing credits.
- Germantown House, L.P. a Pennsylvania limited partnership which operates a 133-unit apartment project
 and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.9 million
 of investor capital and \$8.2 million in PHA mortgage debt. The project has qualified for federal low-income
 housing credits.
- Harrison Senior Tower LP a Pennsylvania limited partnership which operates a 116-unit rental housing
 project and purchased the units from PHA for a mortgage note of \$3,026,700. The project rehabilitation will be
 financed by \$20.7 million of investor capital and \$26.5 million in PHA mortgage debt (\$15.5 million outstanding
 as of December 31, 2022).
- Lucien E. Blackwell Homes Phase II, L.P. a Pennsylvania limited partnership which operates an 80-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$14.1 million of investor capital and \$4.2 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- Ludiow Scattered Sites Phase III, L.P. a Pennsylvania limited partnership which operates 75 residential
 rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by
 \$12.8 million of investor capital and \$11.5 million in PHA mortgage debt. The project has qualified for federal
 low-income housing credits.

Note 19. Component Units (Continued)

Discrete Component Units (Continued)

- Mantua Phase I, L.P. a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$9.5 million of investor capital and \$8.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- Mantua Phase II, L.P. a Pennsylvania limited partnership which operates 51 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$5.4 million of investor capital and \$9.7 million in PHA mortgage debt and \$2.0 million in PHFA TCAP funds. The project has qualified for federal low-income housing credits.
- Marshall Shepard Village, L.P. a Pennsylvania limited partnership which operates 80 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$8.9 million of investor capital and \$14.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits
- Nellie Reynolds Gardens, L.P. a Pennsylvania limited partnership which operates 64 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was originally financed by \$11.2 million of investor capital and \$7.5 million in PHA mortgage debt. As required by the amended Partnership Agreement, in January 2009 PHA refinanced \$5.1 million of the mortgage principal and \$.4 million of accrued interest by means of capital contributions. The partnership maintains \$2.8 million in PHA debt. The project has qualified for federal low-income housing credits.
- Norris Apartments, L.P. a Pennsylvania limited partnership which operates 51 residential housing units. The project is being financed by \$9.1 million of investor capital and \$12.4 million in PHA debt. The project has qualified for federal low-income housing credits.
- North Central CNI Phase II LP a Pennsylvania limited partnership formed to develop 89 residential rental
 units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.3
 million of investor capital (\$10.3 million paid as of December 31, 2022), \$9 million in PRA loan, \$9.4 million in
 PHA mortgage debt, and \$5 million from Wells Fargo mortgage funds, The project has qualified for federal lowincome housing credits.
- North Central CNI Phase III LP a Pennsylvania limited partnership formed to develop 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.7 million of investor capital (\$10.6 million paid as of December 31, 2022), \$7.9 million in PHA mortgage debt, \$7.0 million in PRA loan, \$1.7 million from Wells Fargo mortgage, and \$.1 million from deferred developer fees. This project has qualified for federal low-income housing credits.
- Paschall Phase I, L.P. a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$10.4 million of investor capital and \$10.7 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- Paschall Phase II, L.P. a Pennsylvania limited partnership which operates 50 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6 million of investor capital and \$15.3 million in PHA debt (\$14.7 million outstanding as of December 31, 2022). The project has qualified for federal low-income housing credits.
- Queen Lane Apartments, L.P. a Pennsylvania limited partnership which operates 55 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$7.4 million of investor capital and \$12.5 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.

Note 19. Component Units (Continued)

Discrete Component Units (Continued)

- Sharswood 4a, L.P. a Pennsylvania limited partnership which operates 58 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$12.4 million of investor capital (\$437 thousand paid as of December 31, 2022) and \$15 million in PHA mortgage debt (\$4.5 million outstanding as of December 31, 2022). The project has qualified for federal low-income housing credits.
- Strawberry Mansion, LP a Pennsylvania limited partnership which operates 55 residential rental units. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$11.7 million of investor capital (\$11.3 million paid as of December 31, 2022), \$3 million JP Morgan Chase loan and \$8.6 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- Tasker II, L.P. a Pennsylvania limited partnership which operates 184 residential rental units known as Tasker Homes Phase II and has a ninety-nine-year ground lease with PHA at nominal rent. The project was financed by \$12.5 million of investor capital and \$21 million in PHA mortgage debt. The project has qualified for federal low-income housing tax credits.
- **Uni-Penn Housing Partnership IV** a Pennsylvania limited partnership which operates 42 residential rental units known as Martin Luther King Plaza and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$5.4 million of investor capital and \$3.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.
- Warnock Phase I, L.P. a Pennsylvania limited partnership which operates 50 residential rental units. It has a
 ninety-nine-year ground lease with PHA at a nominal rent. The project began operations in October 2010 and
 is financed by \$10.6 million of investor capital and \$7.8 million in PHA mortgage debt. The project has qualified
 for federal low-income housing credits.
- Warnock Phase II, L.P. a Pennsylvania limited partnership which operates 45 senior residential rental units within a three-story building. It has a ninety-nine-year ground lease with PHA at a nominal rent. The project began operations in March 2010 and is financed by \$8.4 million of investor capital and \$7.3 million in PHA mortgage debt. The project has qualified for federal low-income housing.

ALTERNATIVE MANAGED ENTITIES (AMEs)

AMEs are component units that are not managed by PAPMC. PHA provides operation services and financial subsidies through R&O Agreements.

- 1301 North 8th Limited Partnership also known as Peg's Place a Pennsylvania limited partnership formed to develop 40 residential units, all of which are public housing units. The project was financed by \$12.1 million of investor capital (\$11.5 million paid as of December 31, 2022) and \$3 million in mortgage debt from PRA and Project Home. The project has qualified for federal low-income housing credits.
- 1920 East Orleans Limited Partnership also known as Maguire Residence a Pennsylvania limited partnership formed to develop 42 residential units, of which 27 are public housing units. The project was financed by \$11.6 million of investor capital and \$2.1 million in PRA and another mortgage debt. The project has qualified for federal low-income housing credits.
- 1952 Allegheny Associates Limited Partnership also known as Impact Veterans Family Housing Center a Pennsylvania limited partnership formed to develop 50 residential units, of which 18 are public housing units. The project was financed by \$7.3 million of investor capital and \$2.1 million in mortgage debt. The project has qualified for federal low-income housing credits.

Note 19. Component Units (Continued)

<u>Discrete Component Units (Continued)</u>

- Casa Indiana LLC a Pennsylvania limited partnership formed to develop 50 residential units, all of which are public housing units. The project was financed by \$11.4 million of investor capital and \$5.3 million in mortgage debt. The project has qualified for federal low-income housing credits.
- Francis House on Fairmount, L.P. a Pennsylvania limited partnership formed to develop 60 residential units, of which 50 are public housing units. The project was financed by \$12.5 million of investor capital and mortgage debt (\$4.9 million was outstanding as of December 31, 2022). The project has qualified for federal low-income housing credits.
- Liberty52 L.P. a Pennsylvania limited partnership which operates 24 residential units, all of which are public housing units. The project was financed by \$7.7 million of investor capital and \$2.1 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- Mamie Nichols LP a Pennsylvania limited partnership which operates 33 residential units, of which 20 are
 public housing units. The project was financed by \$17.8 million of investor capital and \$2.8 million in PHA and
 another mortgage debt. The project has qualified for federal low-income housing credits.
- **Neumann North, L.P.** a Pennsylvania limited partnership which operates 67 senior housing residential units plus commercial space. The project was financed by \$6.0 million of investor capital and \$4.3 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- **NewCourtland Apartments at Allegheny L.P.** a Pennsylvania limited partnership formed to develop 60 senior rental units, of which 56 are public housing units. The project was financed by \$12.3 million of investor capital and \$3.3 million in another mortgage debt. The project has qualified for federal low-income housing credits.
- NewCourtland Apartments at Henry Ave 1B LP a Pennsylvania limited partnership formed to construct and operate an apartment complex of 36 units, all of which are public housing units. The project was financed with \$3.7 million of investor capital (\$3.1 million paid as of December 31, 2022), \$7.4 million NewCourtland Elder Services note, and \$750k in another mortgage debt. The project has qualified for federal low-income housing credits.
- NewCourtland Apartments at Henry Ave LP a Pennsylvania limited partnership formed to construct and operate an apartment complex of 49 units, all of which are public housing units. The project was financed with \$6.0 million of investor capital (\$5.8 million paid as of December 31, 2022), \$11.7 million NewCourtland Elder Services note, an affiliate of the general partner, and \$1.5 million Philadelphia Redevelopment Authority. The project has qualified for federal low-income housing credits.
- **Nicole Hines LP** a Pennsylvania limited partnership formed to construct and operate an apartment complex of 35 units, all of which are public housing units. The project was financed with \$11.6 million of investor capital and \$4.1 million in mortgage debt from several sources including PHFA, PRA, and FHLB. The project has qualified for federal low-income housing credits.
- Raymond Rosen Associates, L.P. ("8 Diamonds") a Pennsylvania limited partnership formed to acquire, construct, and operate a 152-unit apartment complex. 8 Diamonds has a ninety-nine-year ground lease with PHA at a nominal rent. The project has qualified for federal low-income housing tax credits. The project was financed by \$9.9 million of investor capital, a \$16 million first mortgage from PHA and other financing.
- Ridge Avenue Housing, L.P. a Pennsylvania limited partnership which operates a 135-unit rental housing project and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$6.0 million of investor capital and \$18.4 million in PHA mortgage debt. The project has qualified for federal low-income housing credits.

Note 19. Component Units (Continued)

Discrete Component Units (Continued)

- **Spring Garden Development Associates, LP** a Pennsylvania limited partnership formed to develop and operate a 58-unit apartment complex. The partnership was financed by \$7.2 million of investor capital, \$1.9 million of PHA mortgage debt and \$6.9 million of other debt. The project has qualified for federal low-income housing tax credits.
- **Spring Garden Housing Limited Partnership** a Pennsylvania limited partnership which operates 97 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project is being financed by \$7.1 million of investor capital, \$2.9 million of PHA first mortgage debt and \$4.1 million of other debt. The project has qualified for federal low-income housing tax credits.
- **St. Anthony's Senior Residences Associates, L.P.** a Pennsylvania limited partnership which operates a 53-unit rental housing project. The project was financed by \$1.7 million of mortgages from the PRA, and \$5.5 million of investor capital. The project has qualified for federal low-income housing tax credits.
- St. Francis Villa Senior Housing, L.P. a Pennsylvania limited partnership formed to develop 40 residential units. The project was financed by \$10.6 million of investor capital and \$1.8 million in mortgage debt. The project has qualified for federal low-income housing credits.
- St. Ignatius Senior Housing I, L.P. a Pennsylvania limited partnership which operates a 67-unit rental housing project. The project was financed by \$7.4 million of investor capital and \$2.5 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- St. Ignatius Senior Housing II, L.P. a Pennsylvania limited partnership which operates 54 senior housing residential units. The project is being financed by \$6.4 million of investor capital and \$1.2 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- St. Rita's Place Senior Housing, L.P. a Pennsylvania limited partnership which operates 46 senior housing residential units. The project is being financed by \$11.8 million of investor capital, Philadelphia Housing Development Corporation debt of \$2.5 million, and \$2.3 million of debt from other loans and mortgages. The project has qualified for federal low-income housing credits.
- *Uni-Penn Housing Partnership I* a Pennsylvania limited partnership which operates 49 residential rental units and has a ninety-nine-year ground lease with PHA at a nominal rent. The project was financed by \$5.3 million of investor capital and \$2.4 million in PHA and another mortgage debt. The project has qualified for federal low-income housing credits.
- *Uni-Penn Housing Partnership II* a Pennsylvania limited partnership which operates 46 residential rental units. The project was financed by \$5.7 million of investor capital and \$3.2 million in mortgage debt. The project has qualified for federal low-income housing credits.

Note 20. Contingencies

Claims and Litigation

From time-to-time claims are asserted against the Authority and in some cases, lawsuits have been initiated. The Authority is defending and will defend vigorously each of these actions. The Authority may become liable if these claims are reduced to judgment or otherwise settled in a manner requiring payment by the Authority. Claims against the Authority are paid out of (1) insurance and, if judgments or settlements exceed insurance limits, (2) General Revenues of the Authority.

As an Agency of the Commonwealth, the Authority is covered by the Sovereign Immunity Act, 42 Pa. C.S. sec. 8521, et seq., (the "Immunity Act"), which provides that the Commonwealth and its agencies are immune from suit except where expressly permitted by one of nine exceptions.

The exception most frequently applicable to the Authority generally permits suits against the Authority arising out of a dangerous condition of real estate owned by the Authority. The Immunity Act limits recovery against the Authority to a maximum of \$250,000 in favor of any plaintiff. The damages cap applies to negligence, personal injury, and other tort claims, which comprise most claims against the Authority. The liability insurance limit for the Authority's policy is \$15,000,000 per occurrence. A \$50,000 deductible applies to claims under that policy alleging wrongful acts after March 31, 2014.

PHA, through its insurance carrier, is defending against multiple claims. Although PHA is vigorously defending each pending claim, the parties' respective liability currently remains uncertain. PHA's liability cannot be determined with any certainty, although any damages will likely be well below \$250,000 in each individual case and cumulatively represent potential liability within the budgeted amount.

During FY2022, there was a fire at 869 N. 23rd Street, for which PHA was placed on notice of several claims for wrongful death, bodily injury, and property damage. During FY2023, PHA was served with seven civil complaints seeking monetary damages associated with claims from the fire. In addition to the above statements concerning sovereign immunity, PHA does not believe that it has any civil liability for the claims in the lawsuits. PHA intends to vigorously defend the lawsuits that have been filed and that may be filed on any and all theories of liability.

Note 21. Related Party Transactions

PHA, a component unit of the City of Philadelphia, engaged in various transactions with the City such as trash collection services and other services. In FY 2023, PHA made payments of approximately \$26.3 million to the City and its component units for various services as summarized below.

	Amount
City of Philadelphia	\$ 18,523,216
City of Philadelphia - Multi Departments	233,063
Philadelphia Gas Works (PGW)	 7,563,338
Total	\$ 26,319,617

City of Philadelphia – PHA paid the City approximately \$18.5 million for water, trash collection and other miscellaneous expenses during the year ended March 31, 2023. Approximately \$13.2 million was for water, and \$.9 million was accrued at March 31, 2023.

PGW - PHA paid PGW \$7.6 million for gas, approximately \$1.2 million was accrued at March 31, 2023.

Choice Neighborhood Implementation (CNI) Grant – In 2013, HUD awarded a \$30 million Choice Neighborhood Implementation Grant to the City as the Lead Grantee and PHA as a co-applicant. While the grant was awarded to the City, and then to PHA, only the City has access to draw down the funds in the Line of Credit Control System (LOCCS) to disburse to PHA.

CNI Norris Endowment - HUD awarded a Fiscal Year 2013 Choice Neighborhoods Implementation Grant to the City as the Lead Grantee and PHA as a co-applicant to support the Transformation Plan that had been developed for the Norris Apartments in the North Central Neighborhood of the City. PHA established an Endowment Trust Account of \$1.5 million with U.S. Bank in October 2020. An additional \$750,000 was deposited during the fiscal year ending March 31, 2022. PHA has expended approximately \$1.2 as of March 31, 2023.

Funds placed in the Endowment Trust Account shall be utilized solely for planning, providing, and evaluation of community and support services for the primary benefit of the public and/or assisted housing residents of the North Central Neighborhood and former residents of the Norris Apartments housing development occupying other public and/or assisted housing in accordance with the Transformation Plan.

Note 22. Restatement

As discussed in Note 19, during fiscal year ended March 31, 2023, a PHA solely owned entity purchased the 99.99 percent investor limited partner interest Cambridge III, L.P. With the acquisition of the 99.99 percent investor limited partnership interest, Cambridge III, L.P. is now considered a blended component unit of PHA. The consideration paid by CPLP3 LLC for the partnership interests is recognized as a capital investment. It was determined as of March 31, 2023, that a loss of \$31,109 should be recognized. The following tables are summaries of the acquisition:

Acquisition Details

For Account	Acquired	PHA Owned	Former Investor
Entity Acquired	Date	Acquiring Entity	Limited Partner
Cambridge III, L.P.	5/25/2022	CPLP 3 LLC	TCIG Guaranteed Tax Credit Fund VI, LLC

Acquisition Costs

Entity Acquired	Sales Price	Related Settlement Costs	Co	Total ensideration
Cambridge III, L.P.	\$ 100	\$ 31,009	\$	31,109
	\$ 100	\$ 31,009	\$	31,109

The prior year net position per prior year audited financial statements was \$144,018 for Cambridge III, L.P. All assets and liabilities were accounted for at carrying value. PHA recognized the following changes in beginning net positions as restatements:

	_	Primary overnment	Discrete ponent Unit
Cambridge III, L.P.	\$	(144,018)	\$ 144,018

Also, as a result of the acquisition, the following changes in beginning cash and cash equivalents were recognized as restatements for purposes of the cash flow statement.

	ļ	Primary	ļ	Discrete
	Go	vernment	Com	ponent Unit
Cambridge III, L.P.	\$	855,920	\$	(855,920)

Note 22. Restatement (Continued)

The following changes in beginning balances were recognized as restatements of beginning balances in notes as a result of the acquisition.

	Primary		Discrete
Note 7 - Capital Assets	Government	Co	mponent Unit
Beginning, as previously reported	\$ 655,880,244	\$	551,898,217
Cambridge III, L.P. Restatement	4,677,593		(4,677,593)
Beginning as restated	\$ 660,557,837	\$	547,220,624
			Discrete
Note 11 - Long-Term Debt		Co	mponent Unit
Beginning, as previously reported		\$	425,955,720
Cambridge III, L.P. Restatement			(3,041,325)
Beginning as restated		\$	422,914,395
			Discrete
Note 12 - Changes in Other Long-Term Liabilities		Co	mponent Unit
Beginning, as previously reported		\$	95,472,934
Cambridge III, L.P. Restatement			(2,637,307)
Beginning as restated		\$	92,835,627

As a result of the implementation of GASB 87, changes in beginning balances were recognized as restatements of beginning balances for leased vehicle assets. In Note 7, the beginning right-to-use assets were adjusted from equipment – administration and right-to-use asset amortization was separated from accumulated depreciation. Changes in beginning balances for lease obligations resulted in a restatement in notes as follows:

		Primary
Note 11 - Long-Term Debt	G	overnment
Beginning, as previously reported	\$	37,167,375
Restatements		(5,293,301)
Beginning as restated	\$	31,874,074

Note 23. Subsequent Events

The following subsequent events occurred after March 31, 2023.

Vehicle Lease

On April 7, 2017, PHA and Enterprise executed a contract whereby PHA will commence leasing vehicles from Enterprise for a term of 5 years. In fiscal year 2024, PHA will lease replacement vehicles for vehicles that have reached a term of 5 years. Therefore, for 2024 (Phase VIII), PHA will be replacing 2019 vehicles (Phase III) with an estimated budget of \$2.3 million.

Note: GASB 68 was implemented in FY2016. This schedule is being prepared prospectively. Ultimately, 10 years of data will be presented.

Philadelphia Housing Authority Schedule of Plan Contributions (Unaudited)

	2022	2021	2020	2019	2018	2017	2016	2015
Actuarially Determined Contribution	\$ 8,663,706	\$ 8,264,492	\$ 9,235,159	\$ 11,071,275	\$ 10,749,452	\$ 11,557,544	\$ 13,068,032	\$ 11,731,727
Contributions in relation to the actuarially determined contribution Contributions deficiency (excess)	10,852,584	10,853,526 \$ (2,589,034	-,,	, ,		-,,-		-, -,
Contributions deficiency (excess)	Ψ (2,100,070)	γ (2,303,034) ψ (1,02 4 ,337) \$\psi\((130,320\)	<i>)</i> ψ (100,++0	<i>)</i> ψ 1,330,234	Ψ 3,033,003	Ψ 4,300,010
Covered payroll	\$ 1,919,541	\$ 1,861,853	\$ 1,979,929	\$ 1,983,410	\$ 1,991,393	\$ 1,967,400	\$ 2,442,033	\$ 2,357,230
Contributions as a percentage of covered payroll	565%	583%	6 549%	598%	545%	488%	326%	ž 287%

Actuarially determined contribution rates are calculated as of November 1, one year prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial cost method Entry age

Amortization method Level dollar

Remaining amortization period 20 years

Asset valuation method Smoothed asset value

Inflation 2.50%

Salary increases 3.00% average including inflation

Investment rate of return 6.5%, including inflation and expenses

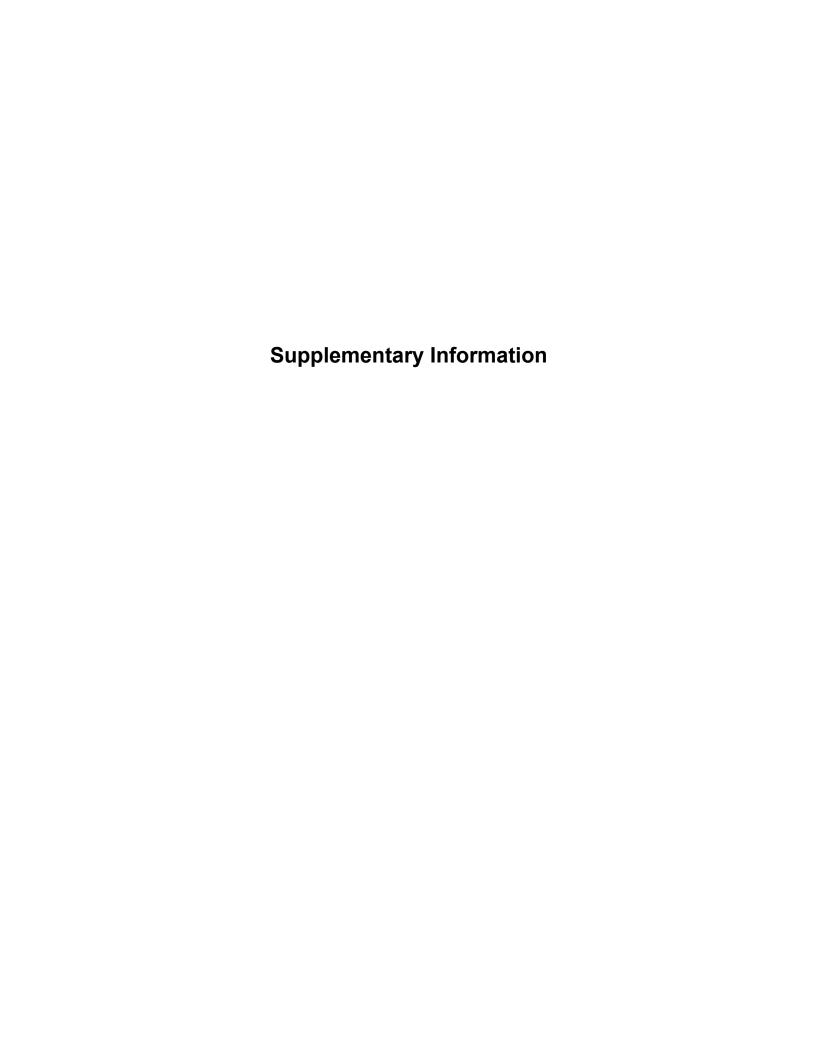

Retirement age Age 55 with 10 years' service

Mortality PubG-2010 Total General Mortality Tables with Scale MP-2021, set forward 3 years for males and 2 years for

females

Note: GASB 68 was implemented in FY2016. This schedule is being prepared prospectively. Ultimately, 10 years of data will be presented.

• The assumed investment return was reduced from 6.75% to 6.5%.

See Notes to Schedule of Expenditures of Federal and City Awards.

Notes to Schedule of Expenditures of Federal and City Awards Year Ended March 31, 2023

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal and city awards (the Schedule) includes the federal and city grant activity of Philadelphia Housing Authority (PHA or the Authority) under programs of the federal government for the year ended March 31, 2023, except for the federal grant activity, if any, of PHA's 45 discrete component units that is not received from PHA. The Authority's organizational structure is defined in Note 2 of the Notes to Financial Statements. The information in the Schedule is reported in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and *City of Philadelphia Subrecipient Audit Guide*. Because the Schedule presents only a selected portion of the operations of PHA, it is not intended to and does not present the financial position, changes in net position or cash flows of PHA.

Note 2. Summary of Significant Accounting Policies

Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3. Indirect Cost Rate

PHA has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Notes to Schedule of Expenditures of Federal and City Awards Year Ended March 31, 2023

Note 4. Expenditures to Subrecipients

Of the federal expenditures presented in the schedule, PHA provided federal awards to subrecipients as follows:

RSM US LLP

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditor's Report

Board of Commissioners Philadelphia Housing Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards), the financial statements of the business-type activities, the aggregate discretely presented component units and aggregate remaining fund information of Philadelphia Housing Authority (PHA), a component unit of the City of Philadelphia, as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise PHA's basic financial statements as listed in the table of contents, and have issued our report thereon dated September 29, 2023. Our report includes a reference to other auditors who audited the financial statements of the fiduciary fund type and the discretely presented component units, as described in our report on PHA's financial statements. The financial statements of the discretely presented component units were not audited in accordance with Government Auditing Standards, except for the following entities: 1952 Allegheny Associates Limited Partnership, Casa Indiana LLC, Francis House on Fairmount, L.P., Mantua Phase II, L.P., St. Francis Villa Senior Housing, L.P., St. Ignatius Senior Housing I, L.P., St. Ignatius Senior Housing II, L.P., Spring Garden Development Associates, L.P., Uni-Penn Housing Partnership II, Nicole Hines Limited Partnership, St. Rita Place Senior Housing L.P. and Mamie Nichols Limited Partnership.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the PHA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PHA's internal control. Accordingly, we do not express an opinion on the effectiveness of PHA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether PHA's financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report

RSM US LLP

Board of Commissioners Philadelphia Housing Authority

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited PHA's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of PHA's major federal programs for the year ended March 31, 2023. PHA's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, PHA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of PHA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of PHA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to PHA's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on PHA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about PHA's compliance with the requirements of each major federal program as a whole.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding PHA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of PHA's internal control over compliance relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances and to test and report on
 internal control over compliance in accordance with the Uniform Guidance, but not for the
 purpose of expressing an opinion on the effectiveness of PHA's internal control over compliance.
 Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

APPENDIX B

MOVING TO WORK ANNUAL PLAN

PHA is one of a small number of Public Housing Authorities nationwide that are designated by HUD to participate in the MTW Demonstration program. As a condition of MTW participation, PHA prepares and submits an MTW Annual Plan each year for HUD review and approval. The MTW Annual Plan describes PHA's projected activities and initiatives for the coming year and is due to HUD seventy-five days before the start of PHA's fiscal year. Prior to submission to HUD, PHA provides an opportunity for public comment, meets with resident leadership for review, conducts a public hearing and submits the MTW Annual Plan for review and approval to the PHA Board of Commissioners.

For informational purposes, PHA provides a copy of the MTW Annual Plan for the upcoming fiscal year as an appendix to the Act 130 Report.

PHA is also required to submit an MTW Annual Report to HUD that describes its actual activities and initiatives. The MTW Annual Report is due to HUD ninety-days following the end of each fiscal year. Prior to submission to HUD, the MTW Annual Report is submitted for review and approval to the PHA Board of Commissioners.

MTW Annual Plans and Annual Reports are available on PHA's website at **www.pha.phila.gov**. Upon HUD approval or acceptance, copies are also posted on HUD's website at

https://www.hud.gov/program offices/public indian housing/programs/ph/mtw/philadelphia

I. INTRODUCTION

This Annual Plan provides information on activities planned by the Philadelphia Housing Authority (PHA) under the Moving To Work Demonstration Program (MTW) for PHA Fiscal Year 2025, i.e. the period from **April 1, 2024 to March 31, 2025**.

PHA has been an MTW agency since April 2001, operating under an MTW Agreement with the U.S. Department of Housing and Urban Development (HUD). The MTW Agreement, as amended, describes the authority and flexibility granted to PHA under the MTW program along with the requirements for participation. PHA's MTW Agreement with HUD extends through 2028.

MTW is a demonstration program authorized by Congress, through which PHA and other participating agencies have the flexibility to waive certain statutes and HUD regulations to design and test approaches for providing housing assistance that address one or more of the following statutory objectives:

- 1) Reduce cost and achieve greater cost effectiveness in Federal expenditures;
- 2) Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and
- 3) Increase housing choices for low-income families.

The FY 2025 Annual Plan incorporates HUD's current reporting requirements as detailed in the HUD Form 50900, which was updated in 2021. Over the course of PHA's participation in the MTW program, the Annual Plan elements have been restructured and modified as needed to comply with HUD's evolving program requirements.

MTW Long-Term Goals and Objectives

PHA established five (5) broad objectives in its first MTW Annual Plan which continue to apply to its MTW program:

- Reform the existing Housing Choice Voucher and Public Housing Programs to improve and increase the supply of quality affordable housing throughout the City of Philadelphia.
- Revitalize neighborhoods where MTW and MTW-eligible residents reside.
- Develop an MTW Family Program to furnish comprehensive family self-sufficiency services to eligible MTW families.
- Establish a Quality of Life Program to promote a living environment that fosters community values, encourages resident participation and positive peer group pressure, and reinforces the responsibilities of public housing residents, voucher participants, voucher landlords, and PHA to one another and to the broader community.

• Establish efficient operating procedures and implement cost-saving strategies.

As detailed in prior MTW Annual Plans and Annual Reports, enormous progress has been made in advancing each of these objectives. Since 2013, under the direction of President and Chief Executive Officer, Kelvin A. Jeremiah, PHA has continued and expanded the use of MTW flexibility in promoting PHA's long-term strategic objectives.

The activities described in this Plan support PHA's ongoing efforts to affirmatively further fair housing, operate all housing and service programs in a non-discriminatory manner, and preserve and expand affordable housing. PHA and the City of Philadelphia first collaborated on the development of an Assessment of Fair Housing (AFH) Plan, which was accepted by HUD in February 2017. Subsequently, PHA worked with the City on an AFH update conducted in FY 2023. The AFH Plan calls for a balanced approach to fair housing planning that encompasses: preservation of existing affordable housing resources; development of new affordable housing throughout the City including in low poverty areas; investments in distressed areas to remove barriers and expand opportunities related to education, job creation and transportation; expansion of PHA's HCV Mobility program and other initiatives to support movement of voucher holders to high opportunity areas in Philadelphia and beyond the city boundaries; enhancements to ongoing fair housing outreach, education and enforcement efforts; implementation of an ongoing local and regional dialogue and planning on fair housing issues; and, ongoing efforts to ensure that all citizens have open and fair access to information on housing programs and services.

Short Term FY 2025 MTW Goals and Objectives

PHA will continue and expand its multiyear, ongoing initiatives to substantially transform PHA properties and programs, and to support the revitalization of Philadelphia's neighborhoods, by leveraging MTW funding and utilizing flexibility provided by the MTW Agreement in virtually every area of agency operations including conversions of public housing to project-based assistance under the Rental Assistance Demonstration (RAD) program. PHA's primary goals include preserving and/or redeveloping its existing affordable housing portfolio through asset repositioning, including public housing and Low Income Housing Tax Credit (LIHTC) units; expanding the supply of new affordable housing units through use of the Faircloth to RAD program, innovative partnerships and the use of all available financing tools; and, opening doors for PHA residents to enhanced services, educational and economic opportunities and affordable homeownership.

PHA will implement a coordinated, comprehensive program of capital improvements, housing and neighborhood development activities, property management initiatives, and resident economic development and supportive services in FY 2025. See also PHA's website at www.pha.phila.gov for detailed information on PHA's many programs and initiatives. As PHA's funding for the period is unknown as of the publication date of the MTW Annual Plan, the activities described may be modified based on actual funding levels.

Affordable Housing Preservation, Development and Expansion Highlights

In FY 2025, PHA will utilize MTW funding and programmatic flexibility to accelerate and expand an ambitious development program designed to preserve and expand the supply of affordable housing in Philadelphia. PHA's approach incorporates three broad, interrelated strategies:

- Repositioning Public Housing The majority of public housing units in Philadelphia are more than a half century old and many scattered site units were built more than a century ago. As such, the public housing portfolio requires substantial new investments or complete redevelopment in order to provide quality housing for current and future residents. Over the next several years and building on the work completed over the past 10 years PHA will continue to reposition the public housing portfolio to project-based assistance in order to secure the funding needed to preserve and/or redevelop aging housing sites, as well as to provide a more secure and stable funding platform that is capable of sustaining affordable housing over the long-term.
- **Developing New Affordable Housing** Increasing the supply of affordable housing is of critical importance to the future of Philadelphia in light of rapidly increasing housing costs, neighborhood gentrification and other market factors that have created enormous housing cost burdens, increased evictions and exacerbated homelessness among low-income families and individuals. Through the Faircloth to RAD program and creative use of the financing tools discussed below, PHA is focused on expanding affordable housing production wherever feasible as part of public housing redevelopment, neighborhood-wide transformation or other partner or PHA-sponsored projects.
- Expanding Long-Term Rental Assistance Since 2013, PHA has significantly increased funding for long-term operating subsidy to newly developed or existing housing developments. Long-term rental assistance provided through the Unit Based Voucher program (see below) is a critically important component of PHA's efforts to preserve and expand affordable housing and reduce housing cost burdens for low-income renters.

In support of these interrelated strategies, PHA creatively utilizes MTW funding to leverage other funding and all available financing and programmatic tools including:

• HUD's Rental Assistance Demonstration (RAD) Program - RAD is a significant component of PHA's efforts to reposition public housing and convert it to Section 8 project-based assistance. Under RAD, the right of existing residents to return to newly constructed or rehabilitated housing is guaranteed and one-for-one replacement of all public housing units is required. The RAD program also incorporates two important features which PHA utilizes to expand the supply of affordable housing: 1) "Faircloth to RAD" through which PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing units using that authority and then convert the public housing to project-based assistance; and 2) "Transfer of assistance" through which PHA is able to transfer subsidies from long-term, vacant and distressed public housing scattered site units to newly developed projects covered by project-based assistance contracts. As summarized in Tables 14 and 15, PHA has closed on 2,162 units

under RAD through FY 2024, with an additional 4,474 in the active planning stages for FY 2025 and beyond.

- Low Income Housing Tax Credits (LIHTC) through the Pennsylvania Housing Finance Agency (PHFA) and other tax credit programs authorized by the federal or state government which support private investments to finance RAD and/or other development activities conducted by PHA and its development partners. Since 2013, PHA development projects have received 16 LIHTC awards that generated \$222.5 million in private funding to construct 1,338 affordable units.
- Special Grant Programs such as HUD's Choice Neighborhoods Planning and Implementation (CNI) grants which provide funding to support the transformation of public housing developments into newly revitalized mixed-income communities with supportive services and neighborhood amenities. With the FY 2024 CNI awards to PHA of \$50 million to partially fund the Bartram Village redevelopment and \$500,000 to support the Harrison Plaza neighborhood planning effort, PHA has received a total of 3 CNI Implementation and 3 CNI Planning grants.
- PHA's Unit Based Leasing and Development (UBV) Program, which currently provides long-term operating funding to more than 5,000 newly developed or existing housing developments. UBV funding ensures that rents are affordable for low-income families by capping tenants rent at 30% or less of adjusted household income. The UBV program subsidizes the difference between tenant rents and actual rental costs, which provides a stable and reliable source of funding to building owners. Many UBV developments are owned by mission-driven, neighborhood-based and other organizations that focus on special needs populations and provide on-site or nearby supportive services to tenants.
- *Tenant Protection Vouchers* provide replacement housing vouchers that can be project-based in connection with HUD Section 18 dispositions of public housing.

Subject to approval by the PHA Board of Commissioners, PHA selects projects for the RAD and UBV programs through competitive procurements and plans to issue additional Requests for Proposals and select additional developer proposals in FY 2025 and subsequent years.

Of note, PHA's development activities create jobs for public housing and other local residents and help drive the local and regional economies. A June 2023 economic impact analysis conducted by ESI/Econsult Solutions concluded, "From 2023 through 2029, PHA's anticipated capital investments ... will generate a significant cumulative impact on the local and Commonwealth economies. Locally, capital investments from PHA's planned developments are estimated to produce nearly \$5.2 billion in cumulative economic impact, supporting more than 4,400 FTE jobyears and nearly \$1.8 billion in employee compensation in Philadelphia. Statewide, these investments are projected to produce a total of roughly \$6.2 billion in cumulative economic impact, supporting 4,900 FTE jobyears and \$2.1 million in employee compensation during the period of construction."

Summary highlights of PHA's planned affordable housing preservation and development initiatives are included below. Note that unit counts, financing sources and development timetables are subject to change based on planning activities, interest rates, funding availability, regulatory agency approvals and other factors. Therefore, there may be variances from year to year in the information provided in the Annual Plan.

	project-based assistance through Faircloth to RAD at the time of completion or later.	
Unit Based Vouchers (UBV)	The UBV program provides long-term, project-based rental assistance for low-income households. UBV developments include both new and existing buildings, and many serve special needs populations and provide supportive services.	PHA plans to enter into UBV contracts for an additional 1,380 units in FY 2025, which includes planned RAD conversions and other development initiatives (<i>Table 3</i>). On an ongoing basis, PHA plans to provide UBV subsidies to approximately 5,243 affordable housing units (<i>Table 4</i>). In addition to utilizing MTW funding, PHA incorporates MTW flexibility in admissions, continued occupancy and other areas.
Scattered Sites	PHA's preservation strategy includes the conversion of approximately 3,700 scattered site public housing units to the PBV program in tandem with performing unit repairs and upgrades to improve conditions and ensure long-term viability. The first phase involves approximately 1,200 units in AMPS 901, 902 and 903 for which PHA plans to request HUD approval for a Section 18 disposition, RAD conversion and/or RAD/Section 18 blend. Following HUD approval, PHA will transfer ownership to a PHA affiliate; apply for HUD Tenant Protection Vouchers (TPV) as applicable; and, convert to one or more long-term Section 8 Housing Assistance Payments contracts.	PHA plans to request HUD approval for a Section 18 disposition, RAD conversion and/or RAD/Section 18 blend for the first phase of scattered sites units in late FY 2024 or early FY 2025, subject to Board approval. Second phase approval(s) will proceed in late FY 2025.

Other MTW Highlights for FY 2025

• Workforce Development, Youth Development & Other Supportive Services – In FY 2025, PHA plans to expand the services and support available to PHA children and their families, including programs to assist families with small children with enrolling them in early childhood education programs and a whole family enrichment program. PHA will also expand job readiness programs, through support for resume writing and interview preparation. Leveraging the success of its Entrepreneurial Fellowship Program, PHA will begin to provide continued support to fellowship participants following their graduation.

PHA will continue to provide services to support the full range of families' needs, from early childhood development to supportive services for the elderly. PHA will work directly with residents through the Resident Programs and Partnerships (RPP) Division and their Workforce Center, Section 3 Resource Center and Job Bank, and recently opened the Youth and Family Center, a drop-in center offering a weekly schedule of partner programs and events. PHA will continue to collaborate with long-term partners, including the William Penn Foundation and Temple University, and leverage MTW funding flexibility to expand the programming and support available to PHA families. A summary of PHA's MTW and Non-MTW funded resident services programs is included in the Annual Plan (*Table 11*).

- Sponsor-Based Shared Housing Pilot In FY 2025, PHA will continue providing housing opportunities for homeless individuals and other hard to serve special populations, building on and enhancing the ongoing collaboration between the City and PHA to reduce homelessness through the "Blueprint to End Homelessness" initiative. PHA will also offer housing options to eligible low-income students in partnership with the Community College of Philadelphia (CCP). In total, PHA anticipates that this pilot program will provide 41 housing opportunities, which includes 35 units made available through the partnership with the City and six (6) units through the CCP partnership.
- *HCV Mobility Program* The overall goal of PHA's Mobility Program is to encourage voucher holders to find housing and jobs in areas that provide higher economic, educational, and social mobility opportunities both within and outside of the City of Philadelphia. Due to the program's success, PHA will use MTW funding to continue and expand the pilot program. Mobility Counselors will continue to provide a broad range of supportive services and housing counseling to voucher-holders and conduct landlord outreach in order to promote the successful transition of families to higher opportunity areas.
- *Homeownership* Through the MTW Opening Doors to Affordable Homeownership Program (ODAHP), PHA consolidates the existing Section 5h and HCV Homeownership programs with new homeownership initiatives that provide additional financing support for first-time homeowners. Soft-second mortgage and down payment assistance will be offered to eligible participants, in addition to homeownership counseling and support. In FY 2025, PHA will complete the second cohort of home renovations through its partnership with Jumpstart Philly, where local developers receive training and financial support to renovate scattered site Public Housing units. This partnership will encourage equitable development and provide additional homeownership opportunities for low-income families. Overall, PHA projects that 60 low-income households will become first time homebuyers in FY 2025.
- Second Chance Initiative PHA expanded the Second Chance program in FY 2024, making 20 additional vouchers available to formerly incarcerated returning citizens that are active participants in good standing with the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and Mayor's Office of Reintegration Services (RISE) Program. PHA anticipates serving up to 30 returning citizens, who will receive housing assistance and supportive services through the program in FY 2025. PHA will also continue to provide for extensions to the two-year program term for STAR/RISE participants.
- Partnership with Civic Coalition to Save Lives PHA will implement a new initiative in partnership with the Civic Coalition to Save Lives to provide housing stability to victims of, and those at risk of, gun violence. PHA will make available up to 30 housing opportunities for qualified participants referred by the Coalition, which will be either Public Housing units or Housing Choice Vouchers. PHA will provide a limited local preference for Public Housing and the HCV program for applicants who are victims of, or at risk of, gun violence and their families as well as individuals who have lost their homes or were displaced due to gun violence. The Coalition, or their designee, will refer qualified applicants to PHA. PHA and/or partnering

service providers will provide supportive services to families housed under this initiative, including counseling, trauma-informed care, legal assistance, among other supports.

- Family Self-Sufficiency In FY 2025, PHA will implement a revised local FSS model, the PHA Advantage FSS program, which incorporates a revised escrow model and financial incentives for education and job training. To encourage broader participation in FSS, PHA will utilize a revised escrow model, in which monthly escrow credits are determined by earned income, rather than the change in their Total Tenant Payment (TTP). To incentivize completion of interim goals, PHA will provide financial incentives for participants who meet interim goals related to education and job training. PHA will also provide financial incentives to graduating families to encourage homeownership and transition to self-sufficiency. In FY 2025, PHA anticipates adding 60 new families to the MTW FSS program, bringing the total number of families served to 600.
- Rent Simplification and Program Streamlining Initiatives PHA will continue to implement previously approved MTW initiatives that simplify program administration and provide incentives for economic self-sufficiency. To increase utilization and address barriers to leasing, PHA will establish payment standard amounts for tenant-based vouchers of up to 120% of the applicable Fair Market Rent (FMR) and permit an increase in the payment standard to be applied at any time after the effective date of the increase. To support leasing in opportunity neighborhoods, PHA will establish exception payment standards which exceed 120% of the FMR.

PHA will periodically review and revise ongoing initiatives as needed in response to current conditions and priorities and to take advantage of new/emerging opportunities.

Background on the MTW Annual Plan

As part of each year's MTW planning process, PHA provides opportunities for residents, PHA staff and the broader community to review the proposed goals, objectives and activities, and to offer feedback. PHA conducted a Resident Roundtable meeting with resident leadership to discuss its contents and provide opportunities for resident input. PHA posted the draft Plan on its website and provided a thirty-day public comment period to allow for resident and general public review. PHA also conducted a public hearing and obtained Board of Commissioners approval prior to submission of the Plan to HUD. See Section VI and Appendix A for additional information.

II. GENERAL OPERATING INFORMATION

A. Housing Stock Information

i. Planned New Public Housing Units

PHA plans to add 555 units at 12 developments to its public housing inventory in FY 2025 as summarized in Table 1. PHA competitively selected the listed developments through a Request for Proposals (RFP) under PHA's Unit Based Development and Leasing (UBV) program. All planned public housing developments will be undertaken by third party developer partners. The actual number of new public housing units and bedroom size mix may vary depending on several factors including changes to financing plans and construction schedules, receipt of Low-Income Housing Tax Credits, HUD and City of Philadelphia processing timetables and other factors. PHA will continue to comply with all applicable environmental requirements and coordinate environmental review activities with the HUD Field Office and/or City of Philadelphia for these developments. PHA plans to issue a new Request for Proposals (RFP) during FY 2025 and may select additional developments for receipt of public housing Annual Contributions Contract(s) as a result of that or prior RFP(s), subject to approval of the PHA Board of Commissioners. Due to changes in development plans and schedules, planned developments shown in Table 1 may also appear in prior or subsequent Annual Plans.

Prior to occupancy, the majority or all of the Table 1 projects will be converted to Project Based Voucher (PBV) assistance pursuant to the Rental Assistance Demonstration (RAD) "transfer of assistance" or "Faircloth to RAD" provisions and, thus, may also be listed in Tables 14 or 15. In addition to the new public housing units detailed on Table 1, PHA and/or its development partners plan to develop other public housing units to be converted to Project Based Voucher assistance through the "Faircloth to RAD" initiative over the course of FY 2025. Further information on PHA's planned Faircloth to RAD activities is included in the Rental Assistance Demonstration discussion below.

ii. Planned Public Housing Units to Be Removed

In FY 2025, PHA plans to demolish and/or dispose of a projected 8,849 units as summarized in Table 2. The planned demolition and disposition initiatives are related to PHA's revitalization program, ongoing portfolio assessment and repositioning efforts including conversion of public housing units to project-based assistance under the RAD program, Section 18, or RAD/Section 18 blend methods. Table 2 does not include new public housing units shown in Table 1 that will be converted to project-based assistance through Faircloth to RAD or RAD transfer of assistance unless HUD has assigned a PIC AMP number. While Table 2 provides an estimate of the number of units to be removed from the public housing inventory during the Plan Year, the actual number is likely to vary depending on timetables for HUD and City of Philadelphia approvals, project financing, RAD closings and other factors. Due to variances in development schedules and changes in development priorities, units listed in Table 2 may include units listed in prior year Annual Plans for which demolition and/or disposition has not yet occurred.

Table 2: Planned Public Housing Units to Be Removed in FY 2025

AMP	Development Name	# of Units to be Removed	Explanation for Removal

PA2-013	Wilson Park	728	Conversion of existing public housing development
	TOTAL	8,849	

^{*}Timing for removal of units related to RAD conversions may vary and extend beyond the Fiscal Year.

PHA has received approval from HUD to dispose of two (2) administrative building property that are in excess of its needs due to the construction of the Agency's consolidated headquarters:

- 1800 S. 32nd Street
- 2012 Chestnut Street

PHA intends to proceed with the disposition of the above-listed property in FY 2025. Also in FY 2025, PHA may submit applications to HUD for demolition and/or disposition of an additional administrative building:

3100 Penrose Ferry Rd

PHA may sell or lease the administrative properties based on an assessment of which option will generate the greatest benefit to PHA. PHA may sell these properties at fair market value or at less than fair market value if the future use of the property will be affordable housing. PHA believes that the dispositions are in the best interest of PHA, its residents, and the City of Philadelphia. Finally, PHA intends to submit a disposition application to transfer property in North Philadelphia (PA2-905) to various nonprofits, land trusts and other entities for the development and preservation of affordable housing. PHA will also submit demolition applications for properties in North Philadelphia (PA2-907) for development activities in the area of PHA's Fairhill

development and for properties in Sharswood (PA2-910) in connection with redevelopment efforts in the Sharswood neighborhood.

iii. Planned New Project-Based Vouchers

PHA provides project-based voucher subsidies to non-profit sponsors and other private property owners through its UBV Program. Table 3 provides details on new UBV developments that PHA plans to commit to subsidize with vouchers during the Plan Year. This includes RAD conversion developments that PHA projects to be newly placed under commitment or contract in FY 2025. Overall, PHA projects that 1,380 additional units will be placed under commitment or contract in FY 2025. PHA may issue a new Request for Proposals (RFP) during FY 2025 and may select additional developments for receipt of unit-based vouchers as a result of that or prior RFP(s), subject to approval of the PHA Board of Commissioners. Actual contract/leasing figures may vary based on multiple factors, including contract terminations or suspensions, new and additional projects approved by the PHA Board during the Plan year, HUD RAD processing timetables and other considerations. Due to changes in development plans and schedules, planned developments shown in Table 3 may also appear in prior or subsequent Annual Plans.

Table 3: New Housing Choice Vouchers to be Project-Based in FY 2025

iv. Planned Existing Project Based Vouchers

In addition to planned new project-based vouchers, PHA will continue to provide operating support for a large portfolio of existing units under contract in the UBV Program. Table 4 provides details on those UBV developments that are currently committed and/or under contract, and that PHA projects will be under contract throughout FY 2025. As noted, there are 5,243 units in this category. Actual figures may vary depending on several factors including contract terminations, unit additions and subtractions.

v. Planned Other Changes to MTW Housing Stock Anticipated During the Plan Year

In FY 2025, PHA's development initiatives will continue to be guided by development principles approved by the PHA Board in September 2012. The development principles provide the framework for future development activities undertaken with public and private partners; clarifies the selection and review processes; and provides guidance on PHA's commitment to Section 3 jobs, sustainable development, defensible space principles, and other important issues. In light of funding constraints, PHA's policy also emphasizes the importance of achieving maximum leverage with limited public funds.

PHA's development efforts also support the goals established in the Assessment of Fair Housing Plan jointly issued by the City and PHA and accepted by HUD in February 2017. These goals emphasize the importance of a balanced approach to fair housing including preservation of existing housing, development of new affordable rental and homeownership housing, investments to improve the quality of life in distressed neighborhoods, and mobility initiatives to support housing in high opportunity areas. PHA collaborated with the City in FY 2023 to update the analysis and goals included in the Assessment of Fair Housing Plan.

Working in collaboration with the City of Philadelphia, PHA will continue to further the shared goal of creating significant new affordable housing opportunities citywide. Table 5 provides a summary of other housing and neighborhood revitalization activities currently planned by PHA that are not specifically referenced elsewhere in this Plan, including initiatives in support of the City of Philadelphia's affordable rental and homeownership goals. Additional initiatives may be added during the Plan year, subject to Board approval and any applicable HUD approvals, which may include acquisitions, housing and/or commercial development and other activities in support of PHA's Strategic Directions Plan. In addition, Appendix C includes PHA's Asset Management Table, which is periodically updated to provide an overview of planned or potential development, disposition, refinancing, conversion and/or homeownership activities at PHA sites.

Table 5: Planned Other Changes to MTW Housing Stock Anticipated in the Plan Year

Site	Description of Project
Brooklyn Heights	PHA will continue to pursue the acquisition (PRA) of land in the Mill Creek neighborhood and is working to address complex title issues in order to develop approximately 32 units on the property.
Strawberry Mansion Acquisition/ Redevelopment	PHA will continue planning and preparing for several rental developments in the Strawberry Mansion section of the City which will include acquisition of publicly and privately owned parcels in the neighborhood. PHA is currently working with a development partner on a rental phase which will include approximately 70 rental units near the newly developed Gordon Apartments.

Site	Description of Project
Falls Ridge	PHA listed vacant land at the former Schuylkill Falls public housing development for sale at fair market value and accepted an offer proposing construction of approximately 150 market rate units on the vacant land. However, the selected developer was unable to finalize zoning approvals, therefore, PHA terminated this agreement. PHA has re-listed the property for fair market value.
2012 Chestnut Street	PHA entered into a development agreement with a private developer (Alterra Property Group) to develop the vacant, former PHA headquarters site at 2012 Chestnut Street into up to 200 units of housing of which 20% will be targeted to households with incomes at or below 80% of Area Median Income. The development is also planned to include 7,000 square ft. of commercial space. Discussions on the respective roles of the developer and PHA, project financing and the final development configuration are ongoing. PHA has received HUD disposition approval for the property.
Vacant Lot Disposition	PHA owns over 700 vacant lot parcels. PHA plans to dispose of some of the properties for fair market value to the Land Bank, to a PHA affiliate or alternate means. In partnership with various City Councilmembers and nonprofit affordable housing developers throughout the City, PHA will continue planning and preparations to develop 240 vacant lots and shells into long-term affordable housing with a twenty-year restrictive covenant.
Various Sites - To be determined	PHA continues to actively pursue opportunities to expand affordable housing by utilizing HUD's Faircloth to RAD conversion program. Under this initiative, PHA may enter into partnerships and/or directly develop new public housing that will be converted to PBV assistance upon completion.
Walton School	PHA, in partnership with HELP USA, plans to rehabilitate this former school building into approximately 48 rental units for seniors.
Brewerytown Homeownership Initiative	In 2022, PHA selected four community-based development partners to renovate 53 vacant and distressed scattered sites units in the Brewerytown neighborhood of North Philadelphia. One of the partners, JumpStart Philly, has already completed and sold 10 units. All homes are sold to eligible low-income families. Families participating in the PHA's Opening Doors to Affordable Homeownership are prioritized for these homeownership opportunities.
West Philadelphia Homeownership Initiative	PHA issued a Request for Proposals to develop affordable homeownership units on scattered sites that were part of a RAD conversion in the West Philadelphia.
City Wide Homeownership Initiative	PHA intends to issue a Request for Proposals to develop affordable homeownership units on scattered sites that were part of a RAD conversion or within its existing portfolio in various sections of Philadelphia.
2112 Ridge	PHA intends to build a mixed-use building that will include affordable housing for the underserved homeless and housing insecure LGBTQIA young adult population along with ground floor retail. In FY 2025, PHA will continue planning for this mixed-use building.
Ridge Avenue Mixed Use	PHA intends to work with development partners to construct mixed-use buildings on vacant lots/buildings along the 2100 – 2300 blocks of Ridge Avenue.
AME Public Housing Sites	PHA will continue to work with project owner/sponsors of additional AME public housing sites to explore the feasibility of converting from public housing to project-based assistance through the RAD program to ensure long-term preservation of affordable housing units.
Philadelphia Nursing Home	2100 W Girard Ave in the Fairmount area of Philadelphia is the site of the Philadelphia Nursing Home, which closed its doors in 2022. PHA is proposing to acquire the site from the Commonwealth of Pennsylvania for a multi-use development that will include a hospice facility, assisted living units, and independent living apartments as well as newly constructed townhome-style multifamily units.

vi. General Description of All Planned Capital Expenditures During the Plan Year

PHA's capital planning and development strategies are designed to support, rehabilitate, and modernize existing PHA sites and to revitalize neighborhoods throughout the City. Coordination with the City of Philadelphia's neighborhood revitalization efforts continues to be a priority for PHA. PHA works to leverage its limited PHA resources with other resources such as Low Income Housing Tax Credits, private equity, and state and local funding sources. Utilization of MTW funding and programmatic flexibility remains a critical element in PHA's modernization and development efforts.

PHA has prepared a Five-Year Capital and Development Plan and maintains updated physical needs assessments for all PHA developments. Capital needs continue to dramatically exceed available funding.

Table 6 provides information on PHA's planned capital and development projects for which expenditures may be made during FY 2025. It includes projects funded from MTW funds and other sources. PHA is required to submit this Annual Plan in advance of receipt of federal funding information for the fiscal year. In light of the uncertainty of future funding, the information on Table 6 is preliminary and subject to change based on actual funding and other factors. Actual obligations and expenditures may vary based on factors such as construction schedules, timing of HUD and local approvals, availability of leveraged funding and new and emerging repair needs. Note that capital projects are often implemented over multiple years and may involve multiple funding sources.

Table 6: Planned Capital Expenditures in FY 2025

Project Type	Site Name	Project Description	Total Estimated Budget
Capital Improvements	Johnson Homes	504 Site Modifications / Fair Hsg	\$66,150
Capital Improvements	Richard Allen	504 Site Modifications / Fair Hsg	\$11,025

B. Leasing Information

PHA's Public Housing inventory includes units for families, seniors, and people with disabilities located at conventional and scattered site properties. It also includes properties managed by Alternatively Managed Entities (AMEs) and the Philadelphia Asset and Property Management Corporation (PAPMC). Some units in the inventory are not currently available for occupancy including units that: (i) have been approved for demolition or disposition, but the demolition or disposition has not yet taken place; (ii) have been scheduled for significant levels of modernization; (iii) are utilized for administrative or resident services purposes; or (iv) are eligible for other HUD-authorized exclusions. While PHA continues to work with partners to develop new public housing units, the overall size of the public housing inventory continues to decline (and the HCV inventory continues to increase) as units are converted to project-based assistance under RAD including through the Faircloth to RAD initiative.

The Housing Choice Voucher program inventory varies from year to year and includes MTW tenant-based vouchers as well as vouchers authorized by HUD for special purposes such as Veterans Affairs Supportive Housing, Family Unification, SRO Moderate Rehab, Mainstream, Foster Youth Independence and Emergency Housing Voucher programs. PHA utilizes vouchers to support the Unit Based Voucher program, through which PHA provides long-term subsidy contracts with non-profit and other sponsors. Periodically, HUD issues Enhanced Vouchers and Tenant Protection Vouchers (TPV) for PHA to administer. As allowed by the MTW Agreement, PHA incorporates Enhanced and Tenant Protection Vouchers into the MTW program when eligible.

i. Planned Number of Households Served

Table 7 provides information on households living in "MTW units" that PHA plans to serve during FY 2025. This includes all households residing in PHA public housing units as well as HCV MTW households. All of PHA's public housing units are "MTW units." The actual number of households served may vary from that listed on the tables. The conversion of public housing to project-based assistance under RAD began in FY 2017 and will continue in FY 2025 and beyond. RAD vouchers are included in the total "Federal MTW Voucher (HCV) Units to be Leased" shown in Table 7. The number of public housing and HCV families served may be affected by the RAD conversion schedule, new public housing unit development schedules, redevelopment activities and other factors.

Table 7: Planned Number of MTW Households Served in FY 2025

Planned Number of Households Served Through:	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served*
MTW Public Housing Units Leased	136,440	11,370
MTW Housing Choice Vouchers (HCV) Utilized**	228,456	19,038
Local, Non-Traditional: Tenant-Based	0	0
Local, Non-Traditional: Property-Based	492	41
Local, Non-Traditional: Homeownership	0	0
Planned Total Households Served	365,388	30,449

^{*} Actual number of households served through Public Housing and the HCV program may vary based on planned dispositions (outlined in Appendix D) and RAD conversions (outlined in Tables 14 and 15).

Table 7A: MTW Local, Non-Traditional Programs

Local, Non- Traditional Category	MTW Activity Name/Number	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served
Tenant-Based	N/A	0	0
Property-Based	Shared Housing/MTW 2020-2*	492	41
Homeownership	N/A	0	0

^{*}Planned number of units and unit months are preliminary estimates for MTW Activity 2020-2 and assumes 41 units will be leased for the year.

Although not required by HUD, PHA has included Table 7B, which identifies non-MTW households served through Special Purpose Voucher programs. PHA will apply MTW policies to Special Purpose vouchers including Mainstream vouchers unless inconsistent with Appropriations

^{**} Includes RAD vouchers

Act requirements or the requirements of the applicable NOFA. If a conflict occurs, the Appropriations Act and/or the funding notice govern.

Table 7B: Planned Number of Non-MTW Households Served in FY 2025

Non-MTW Program to be Served Through:	Planned Number of Unit Months Occupied/Leased	Planned Number of Households to be Served
	-	
Mainstream	5,340	445
VASH	9,600	800
VASH Project Based	480	40
Moderate Rehab	1,620	135
SRO	3,552	296
EHV	10,356	863
Foster Youth Independence (FYI)	900	75
Total Households Projected to be Served	31,848	2,654

ii. Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

Housing Program	Description of Anticipated Leasing Issues and Possible Solutions
MTW Housing Choice Voucher	Leasing of HCV units in opportunity areas continues to be a high priority. PHA implemented the Housing Opportunity Program (HOP) in August 2013 to enhance its mobility initiatives. Mobility program staff will continue to conduct outreach and marketing and to provide voucher holders with housing counseling and training before, during, and after moves. PHA has established a target utilization of 87% for MTW vouchers for FY 2025. To increase leasing, PHA opened the waiting list and accepted 10,000 applications in early 2023. As of September 2023, PHA has over 1,300 applicants who have been issued a voucher and are currently engaged in housing search activities.
	In FY 2025, PHA will continue to provide landlord incentives to increase the supply of units available for leasing including: 1) signing bonuses for new units leased in the HCV Program; 2) Housing Opportunity Program (HOP) area signing bonus for owners who submit a RFTA and lease a new unit in an opportunity area (must have poverty rate of <20% and meet other criteria related to jobs, educational and other opportunities); and 3) payments of up to \$2,500 for HCV owners to cover vacancy turnaround expenses above and beyond normal wear and tear and not covered by the security deposit.
MTW Public Housing	In order to increase occupancy to 96% in FY 2025, PHA will undertake several initiatives to identify and reduce barriers and delays to filling vacant units. PHA will continue an assessment of the vacancy tracking and applicant referral process in order to eliminate inefficiencies related to this process. PHA will also continue to implement Activity #2005-2 Streamlined Admissions and Transfer Process to (help) reduce turnover in the Public Housing program.

C. Waiting List Information

PHA administers waiting lists in accordance with the HCV Administrative Plan and Public Housing Admissions and Continued Occupancy Policy (ACOP) as applicable. Administration of site-based waiting lists for the Conventional and Scattered Site program areas is managed under

the Public Housing Admissions Department to ensure consistent and efficient management of applicants on the various waitlists.

PHA operates its waiting lists in a nondiscriminatory manner that seeks to avoid unintended discriminatory effects. PHA affirmatively markets its sites in a variety of venues and periodicals to ensure that the public is aware of the availability of PHA housing. PHA treats all applicants in a non-discriminatory manner. PHA also monitors its waiting lists to determine if there are significant changes in the percentage of protected classes and, if there were, would determine whether its affirmative marketing methods should be modified.

i. Waiting List Information Anticipated

Table 8 provides information on PHA's waiting lists in the format required by HUD.

Waiting List Number of Plans to Open the **Waiting List Name Description** Households Wait List During Open, the Plan Year on Waiting **Partially** List*** Open or Closed MTW Public Housing Units** First Available 15,528 Partially Open Yes, if needed and Site-Based MTW Public Housing Units *** Site-Based 52,716 Open Yes 9,110 MTW Housing Choice Voucher Community-Closed No Program Wide PBV/PHA Owned 32,602 Site-Based Open Yes

Table 8: Waiting List Information Projected for Beginning of FY 2025*

Notes on Waiting Lists

- As specified in the ACOP, PHA's Public Housing wait list combines site-based, first available, and centrally managed wait list features. Public Housing developments have site-based waiting lists that are centrally managed by the Public Housing Admissions Department. This change was made to ensure consistent and efficient management of applicants on the various waitlists. Applicants may select specific sites or "first available" unit citywide. Centrally managed waitlists, administered by the Admissions Department, also include applicants that require a wheelchair accessible unit and those with a preference designation such as the Blueprint program.
- Public Housing wait lists are currently only open to applicants that require wheelchair accessible units; applicants aged 55 and older; and applicants referred to PHA from external agencies with whom PHA has a referral agreement as described in the ACOP (i.e. Blueprint to End Homelessness and others).
- PHA will update the Public Housing wait lists in late FY 2024. The update is intended to gather additional information from applicants in order to assign a preference for families

^{*}Table reflects waiting list data as of September 2023. **PHA may open the scattered site site-based waiting lists in conjunction with implementation of modified admissions preferences if necessary to ensure a ready pool of qualified applicants. ***MTW public housing units that also have Low Income Housing Tax Credits and are managed by PAPMC.

that include an adult who is working or engaged in job training or an education program. As outlined in Activity 2021-1, the waiting list preference will apply only to scattered sites units, where families will be subject to the continued occupancy requirement for all adult family members to work or be engaged in job training or an education program (unless exempt). Additionally, the update will require applicants on the Public Housing wait lists to confirm their continued interest in Public Housing in order to remain on the wait list. Please note that the update will not include wait lists for Public Housing units that also have Low Income Housing Tax Credits that are managed by PAPMC.

- PHA will evaluate the Public Housing wait lists after the update is completed in order to determine if there are sufficient applicants to fill upcoming vacancies. Based on the outcome of the update, PHA may re-open the Public Housing wait lists in FY 2025.
- The HCV wait list is closed except for applicants who qualify for admission under HUD's Special Purpose Voucher programs including VASH, FYI and Mainstream, as well as applicants referred to PHA from external agencies with whom PHA has a referral agreement as described in the Administrative Plan. Under the Unit Based Program, site-based waitlists are managed and maintained by individual owners. PHA approves the site-based waitlists and tenant selection plan for each Unit Based development.

Describe any duplication of applicants across waiting lists:

Applicants may apply for more than one PHA program and appear on more than one waiting list.

ii. Planned Changes to Waiting List in FY 2024

Waiting List	Description of Planned Changes to Waiting List		
Public Housing	 Site based waiting lists will be established for new public housing developments prior to initial occupancy in accordance with the PHA Admissions and Continued Occupancy Policy. PHA may reopen scattered site public housing waiting lists as needed in connection with the roll-out of the limited pilot approved under MTW Activity 2021-1. See note above regarding update and purge of the wait lists for Public Housing. 		
MTW Housing Choice Voucher Program	 Site based waiting lists will be established for new Unit Based Voucher developments, including new/converted RAD developments, in accordance with the PHA Administrative Plan. 		

III. PROPOSED MTW ACTIVITIES

PHA proposes two new MTW Activities for the FY 2025 MTW Annual Plan as describ	ed below.

PROPOSED ACTIVITY 2025-01: ALTERNATIVE INSPECTION SCHEDULE

Activity Description

PHA may implement an alternative inspection schedule for HCV units based on an assessment of the age, property/unit condition, quality of property management and/or other relevant factors for individual units and buildings under a Housing Assistance Payment contract. Alternative inspections will require that eligible units meet Housing Quality Standards (HQS) and be inspected at least once every three years. PHA anticipates that this activity will incentivize owners and participants to maintain units in compliance with HQS and reduce staff time associated with inspecting high-quality units.

All HCV participants and owners will continue to be able to request a complaint inspection at any time in accordance with PHA's Administrative Plan. Additionally, PHA will reserve the right to revert the inspection cycle to biennial for a unit or building at any time. HUD shall continue to be able to conduct or direct PHA to conduct inspections at any time for health, safety and/or accessibility purposes.

The alternative inspection schedule may be applied to units in the tenant-based and unit-based program based on PHA's assessment of the age, property and/or unit condition, quality of property management and/or other relevant factors. In the initial year of implementation, PHA anticipates applying the alternative inspection schedule to UBV units owned by PHA or a PHA affiliate.

Metrics

CE #2: Staff Time Savings				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Total time to complete the task in staff hours (decrease).	TBD	TBD		

Cost Implications

PHA does not anticipate the activity will result in cost savings in its initial year of implementation, as inspection staff time will be re-allocated to other functions critical to ensuring compliance with HQS.

Need/Justification for MTW Flexibility

This activity requires a waiver of certain provisions of Section 8(0)(8) of the 1937 Act and 24 CFR 982.405(a) as permitted in the MTW Agreement Attachment C, Section D, Paragraph 5. These waivers are necessary to permit PHA to inspect units once every three years.

Rent Reform/Term Limit Information

Not applicable.

Statutory Objective

This activity will achieve greater cost effectiveness in federal expenditures.

Implementation

PHA will implement this activity upon HUD approval of the FY 2025 MTW Plan.

PROPOSED ACTIVITY 2025-02: EXPANDING HOUSING OPTIONS FOR VETERANS

Activity Description

PHA proposes a limited pilot program to provide a broader range of housing options to eligible elderly and disabled veterans. In coordination with the national and local Veterans' Affairs offices, PHA has worked to identify unmet housing needs among the local population of elderly and disabled homeless veterans. As a result, PHA and the VA found elderly and disabled homeless veterans in need of housing which offers meals/dining services and assistance with performing daily activities. The pilot program outlined in this activity is based on PHA's discussions with the local VA, which endorses and supports this concept.

PHA will expand the housing options available to elderly and disabled veterans assisted through the Veterans Affairs Supportive Housing (VASH) program in order to address the unmet needs of this population. Upon HUD approval, PHA will permit eligible VASH participants to use their tenant-based voucher to reside in a personal care home or similar settings, in which bedrooms, bathrooms, and/or living areas may be shared among a limited number of eligible participants. Personal care homes and similar settings eligible under this activity must be accessible and offer meals and dining services, assistance with performing daily activities, and other supportive services.

Upon HUD approval, PHA will establish a payment standard which differs from regulations for special housing types. Specifically, PHA may establish a payment standard which exceeds 120% of the applicable FMR for tenant-based VASH participants residing in a personal care home or similar housing. Housing assistance will be limited to rent; PHA will not provide assistance for expenses or services outside of rent.

For tenant-based VASH participants residing in a personal care home or similar settings, PHA will exclude Aid and Attendance Benefits from the VA when calculating the participant's income and tenant rent portion. PHA anticipates that all VASH participants eligible under this activity currently receive Aid and Attendance Benefits, which will be paid directly to the personal care home to cover expenses not covered by the housing assistance provided by PHA, such as meals and supportive services.

During the initial year of implementation, PHA will limit the program to 12 participants. PHA will assess the pilot program and its parameters after the initial year.

Metrics

HC #1: Additional Units of Housing Made Available*						
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?		
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	12				

Cost Implications

PHA will allocate up to \$215,000 annually in order to permit VASH participants to reside in a personal care home setting. PHA will report on actual costs in the FY 2025 MTW Report.

Need/Justification for MTW Flexibility

While the regulations at 24 CFR 982 Subpart M provide flexibility with respect to utilization of vouchers in both congregate housing (i.e. use of central kitchen and dining facilities) and group homes (i.e. shared bedrooms), the personal care home model combines features of both and does not squarely fit into either the congregate housing or group home definitions. Therefore, PHA believes that MTW waivers are required for participants to utilize vouchers in personal care homes such as the model described above. This activity requires a waiver of certain provisions of Section 8(p) of the 1937 Act, 24 CFR 982.352, 982.608, 982.609, and 982.614 as found in the MTW Agreement Attachment C, Section D, Paragraph 1.F. This activity also requires a waiver of 24 CFR 5.609(c) as found in MTW Agreement Attachment C, Section D, Paragraph 3.A. This activity also requires a waiver of Section 8(o)(1), 8(o)(2), 8(o)(3), 8(o)(10) and 8(o)(13)(H)-(I) of the 1937 Act and 24 CFR 982.508, 982.503, and 982.518 as found in MTW Agreement Attachment C, Section D, Paragraph 2.A. These waivers are necessary to permit participants to reside in housing outside of the special housing types permitted under the regulations. Additionally, waivers are necessary to modify the regulatory payment standards applicable to special housing types and to exclude VA Aid and Attendance Benefits from the calculation of income.

Statutory Objective

This activity will increase housing choices for eligible elderly and disabled low-income veterans.

Implementation

Upon approval of the FY 2025 MTW Plan, PHA request HUD approval to apply the MTW flexibilities approved under this activity to the VASH program. Upon approval of this request, PHA will implement this activity.

IV. APPROVED MTW ACTIVITIES

This section of the Annual Plan summarizes and provides a status update on MTW activities that have been previously approved by HUD. Additional detail on approved MTW activities is included in prior Annual Plans. As required, this section also includes summary information on MTW activities that have been closed out or placed on hold by PHA. Initiatives are numbered to reflect the fiscal year in which the MTW was initially approved, i.e. MTW Activity 2011-1 was initially approved in FY 2011.

A. Implemented Activities

ACTIVITY 2004-1: NEIGHBORHOOD DEVELOPMENT & REVITALIZATION INITIATIVES

Plan Year Approved, Implemented, Amended

- Design Standards
 - Approved FY 2004
 - Implemented FY 2004
- Total Development Cost Limits and Housing Cost Caps
 - Approved FY 2004
 - Implemented FY 2004
- Streamlined Mixed-Finance Development Process
 - Approved FY 2004
 - o Implemented FY 2004
- MTW Site and Neighborhood Standards
 - Approved FY 2004
 - Implemented FY 2004
- Streamlined Acquisition Process
 - Approved FY 2002
 - Implemented FY 2002
- Strategy for Development
 - Approved FY 2005
 - o Implemented FY 2005

Description/Update

PHA will continue to use MTW authority to substantially increase housing choices for residents and applicants. PHA is continuing to implement an ambitious program of new construction, substantial rehabilitation, and modernization designed to revitalize PHA public housing developments, replace distressed housing lost to demolition and lack of capital funds, and improve Philadelphia's neighborhoods. Public housing development or redevelopment activities, and other new development, directly undertaken by PHA as developer are included under this initiative. To support these redevelopment activities, PHA continues to implement the following MTW components, which also support the Partnership Initiative and other MTW activities:

 Design Standards - PHA continues to implement reasonable and modest design standards for new construction and rehabilitation work that mirror current design trends and the 21st century needs of residents.

- MTW Total Development Cost Limits and Housing Cost Caps PHA has established and maintains reasonable cost limits for development and redevelopment activities that replace HUD's Total Development Cost (TDC) limits and Housing Cost Caps (HCC).
- Streamlined Mixed-Finance Development Process PHA is authorized to develop public housing through several financing methods, including the mixed-finance approach, which involves the use of private financing, Housing Choice Vouchers, and public housing development funds.
- MTW Site and Neighborhood Standards PHA is authorized to implement alternate Site and Neighborhood Standards for its public housing and voucher programs, in lieu of those standards at 24 CFR § 941.202(b)-(d) and 24 CFR 983.57.
- Streamlined Acquisition Process Subject to the provisions of the MTW Agreement, PHA is authorized to acquire sites without prior HUD approval, provided that the agency certifies that HUD site selection requirements have been met.
- Strategy for Development PHA has adopted a Development-Asset Management Strategy for Public Housing that takes a comprehensive neighborhood-by-neighborhood and block-by-block approach to redeveloping, consolidating, rehabilitating, demolishing, and acquiring and disposing of scattered site units independently and in partnership with government and other local neighborhood-based organizations.

Planned Non-Significant Changes

No non-significant changes are planned. PHA may submit updated MTW TDC/HCCs for HUD approval as part of a future Plan or Plan Amendment.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Metrics

CE #1: Agency Cost Savings *						
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?		
Total cost of task in dollars (decrease)	TBD	\$0				
*PHA has previously noted that this metric is not applicable to this activity; however, HUD has required its use. PHA is not able to derive a baseline for these activities which were initially implemented in FY 2004 (i.e. over 10 years before implementation of HUD standard metrics).						
CE #2: Staff Time Savings *						
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?		

Total time to complete the task in staff hours	TBD	0	
(decrease).			

^{*}PHA has previously noted that this metric is not applicable to this activity; however, HUD has required its use. PHA is not able to derive a baseline for these activities which were initially implemented in FY 2004 (i.e. over 10 years before implementation of HUD standard metrics).

CE #3: Decrease in Error Rate of Task Execution *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average error rate in completing a task as a percentage (decrease).	0	0		

^{*}PHA has previously noted that this metric is not applicable to this activity; however, its use is required by HUD. PHA does not track error rates associated with the Neighborhood Development and Revitalization Initiative activities listed above.

CE #4: Increase in Resources Leveraged

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Amount of funds leveraged in dollars (increase).	\$0	\$0		

HC #1: Additional Units of Housing Made Available

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	0		

HC #2: Units of Housing Preserved

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of housing units preserved for households at or below 80% AMI that would otherwise not be available (increase).	0	0		

HC #3: Decrease in Wait List Time *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average applicant time on wait list in months (decrease).	Public Housing – 14 years for participants housed in FY 2015	TBD		

^{*}PHA establishes new site-based waiting lists for each new development. The baseline used is the agency wide average wait time for Public Housing. PHA does not know how many applicants will apply for the proposed development(s); therefore, is unable to establish a benchmark for this development at this time.

HC #5: Increase in Resident Mobility

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark
				Achieved?

Number of households able to move to a better unit	0	0	
and/or neighborhood of opportunity as a result of			
the activity (increase).			

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2004-2: SERVICE-ENRICHED HOUSING FOR SENIORS & PEOPLE WITH DISABILITIES

Plan Year Approved, Implemented, Amended

- Nursing Home Transition
 - o Approved FY 2010
 - Implemented FY 2010
- Definition of Elderly
 - Approved FY 2004
 - Implemented FY 2004

Description/Update

PHA will continue to collaborate with the Commonwealth of Pennsylvania and other local providers to develop and implement a range of service-enriched housing options for seniors and people with disabilities, including the following ongoing MTW program components:

- Nursing Home Transition The Nursing Home Transition Initiative (NHTI) is a partnership with the Department of Human Services that assists persons transitioning out of nursing homes with accessing affordable housing. As part of NHTI, PHA administers state-supported vouchers and housing opportunities for referrals of disabled consumers in need of low-income housing. NHTI families may be eligible for a preference for public housing or HCV.
- Definition of Elderly An elderly person is defined as an individual who is at least 55 years old. An elderly family is defined as one with a head of household, co-head, spouse or sole member who is at least 55 years old.

Under the Nursing Home Transition Initiative, PHA received referrals from the Department of Human Services to assist persons transitioning out of nursing homes with vouchers funded by the Pennsylvania Housing Finance Agency (PHFA). However, DHS ceased providing new applicant referrals as of June 30, 2020. Please note that PHA will continue to provide HCV subsidies to NHTI participants who were referred prior to June 30, 2020.

Public Housing partners with the Philadelphia Corporation for Aging (PCA) and will continue to receive new referrals for the Nursing Home Transition Initiative in FY 2025; their participation in this initiative was not impacted.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

HC #5: Increase in Resident Mobility								
Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?				
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0 – Nursing Home Transition (NHT)	40 – HCV 15 – PH (NHT)						

^{*} Reflects the number of NHT participants assisted through the HCV and Public Housing programs.

HC #7: Households Assisted by Services that Increase Housing Choice

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase housing choice (increase).	0 – Nursing Home Transition (NHT)	40 – HCV 15 – PH (NHT)		

^{*} Reflects the number of NHT participants assisted through the HCV and Public Housing programs.

ACTIVITY 2004-3: SIMPLIFICATION AND STREAMLINING OF RENT AND RECERTIFICATION PROCESSES FOR PUBLIC HOUSING AND HCV

Plan Year Approved, Implemented, Amended

- Two and Three-Year Recertification/Limit on Interims
 - Approved FY 2004
 - Implemented FY 2004
 - Modified in 2017
- Ceiling Rents
 - Approved FY 2004
 - o Implemented FY 2004
- Rent Calculation Method
 - Approved FY 2004
 - o Implemented FY 2004
 - Modified FY 2017
- Payment Standards
 - Approved FY 2008
 - Implemented FY 2008
 - Amended FY 2018
- Reasonable Rent
 - Across-the-board Rent Increases
 - Approved FY 2008
 - Implemented FY 2008
 - Streamline Reasonable Rent Determinations
 - Approved FY 2005
 - Implemented FY 2005
- Utility Allowances
 - PGW CRP Program
 - Approved FY 2009
 - Implemented FY 2014
 - PECO Customer Assistance Plan Enrollment
 - Approved FY 2011
 - Not yet implemented
 - Interim Recertification Utility Allowance
 - Approved FY 2017
 - Implemented FY 2017

- o Philadelphia Water Department's Tiered Assistance Program (TAP)
 - Approved FY 2019
 - Not yet implemented

Description/Update

PHA will continue to implement a series of MTW initiatives in the public housing and/or HCV programs designed to simplify rent calculation and recertification, streamline administrative processes, and reduce paperwork burdens on residents and staff. Simplification and streamlining policies may also be applied to Public Housing households who are living in housing operated by PAPMC, subject to investor approval as needed.

- Two and Three-Year Recertification/Limit on Interims Public Housing and HCV, including UBV/RAD require recertifications every two years, except for public housing residents choosing ceiling rents who are recertified every three years. Voluntary interim recertifications are restricted to one every six months, except for elderly and disabled households who are exempt from this restriction. PHA will process voluntary interim rent reductions if and when the reduction in income lasts for more than 30 days. In FY 2017, PHA began conducting recertifications every three years for elderly or disabled households on fixed incomes in both the HCV and public housing programs. PHA applies the biennial and triennial recertification policy to VASH participants.
- Ceiling Rents PHA has established ceiling rents for its public housing developments, which are periodically updated. PHA tenants will continue to have the option of selecting either a ceiling rent or an income-based rent. PHA uses ceiling rents when calculating rent for mixed families.
- Rent Calculation Method PHA has established an alternative rent structure for the HCV (including UBV/RAD) and public housing programs to motivate residents to work and accumulate savings. In FY 2017, PHA began allowing households with assets of \$50,000 or less to self-certify asset value and income from the assets. Asset income is excluded when the value of the household's asset is \$50,000 or less. Asset income for household assets valued at greater than \$50,000 is calculated by using the market value of the asset times the passbook savings rate. Also, in FY 2017, PHA began excluding all full-time student earned income for family members other than the head, spouse or co-head and PHA discontinued verification of full-time student earned income as 100% of the income is excluded. In FY 2024, PHA began implementing a policy to exclude 100% of income which a family receives from a guaranteed income program.
- Verification and Calculation of Earned Income PHA is authorized to implement a revised method for verifying and calculating earned income for Public Housing participants. Specifically, PHA will verify and calculate earned income using the last four consecutive quarters in EIV. In cases where earned income is not in EIV or the tenant disputes the earned income calculation, PHA will seek third party verification to verify and calculate income and/or reconcile the difference. PHA will continue to use third party verification for

unemployment as well as other sources of income not contained in EIV. Where the working family deduction is concerned, family members who report employment income will self-certify the number of hours they work each week.

- *Verification* In FY 2024, PHA began implementing changes to verification policies for the HCV and Public Housing programs:
 - Applicants and Participants: PHA will accept verification documents dated within 180 days of the date they are provided to PHA.
 - Fixed Sources of Income: Verification documents for fixed income sources will be valid for the full calendar year in which the income is effective. For example, if a Social Security benefit letter is dated February 1, 2022, that benefit letter will be valid for any certification with an effective date in 2022.

Also in FY 2024, PHA also received approval to implement a revised HUD Verification Hierarchy for both HCV and Public Housing programs. PHA's modified Income Verification Hierarchy will allow PHA to rely on any of the third-party verification methods before accepting self-certification. This process will streamline the verification process and allow PHA to repurpose staff time on tasks outside of verification.

Level	Verification Technique	Ranking		
1	Upfront Income Verification using HUD's EIV and IVT	Highest (Mandatory)		
2	Upfront Income Verification using non-HUD system	Highest (Optional if available and procured by PHA)		
3	Written Third Party Verification; Written Third Party Verification Form; or Oral Third Party Verification	High • Supplements EIV and UIV • Also used for: • Non-EIV/UIV reported income sources • Disputes of EIV reported information		
4	Tenant Declaration	To supplement EIV when EIV reported sources do not contain verification of the full retrospective period where applicable; or When tenant cannot produce written third party verification documents.		

- *Income Discrepancy* PHA implemented a policy in the HCV and Public Housing program to increase the verification discrepancy threshold to \$5,000. PHA will continue to identify income discrepancies and take action to process discrepancies which may result in interim or annual correction actions; however, the threshold for the discrepancy will be set at \$5,000.
- Payment Standards –PHA approved payment standards up to 120% of the SAFMR to support
 leasing for existing voucher clients and/or new voucher holders who wish to move to areas
 with documented improved educational systems, job opportunities, social services and other
 opportunities in the expectation that over time their need for housing and other subsidies will
 abate or diminish.

Exception Payment Standards - PHA is authorized to establish exception payment standards for individual units within a SAFMR zip code and remove the 120% limitation for units in neighborhoods undergoing significant revitalization where the SAFMR is not consistent with its property values and rents. In FY 2023, PHA also received approval to establish exception payments standards for specific areas of revitalization, identified by blocks, groups of blocks, or other geographic areas, also removing the 120% limitation for such areas. While all of the units in the zip code with the lower SAFMR may not be in the revitalized area, those that are, would be at a significant disadvantage for inclusion in the HCV program if existing SAFMRs and payment standards were applied. These changes will provide PHA with additional flexibility to establish exception payment standard areas and aligns with PHA's broader strategy to encourage voucher-holders to lease in areas of opportunity and decrease density in high poverty neighborhoods. Exception payment standards will be consistent with market conditions in the surrounding area and prevent financial hardship for those voucher-holders who choose to lease in these areas. As with all other HCV units, PHA will include documentation in the file that the rent is reasonable when setting payment standards outside of the allowable range without HUD approval.

Reasonable Rent

- o PHA has implemented a reasonable rent policy for the HCV Program, including UBV/RAD, whereby reasonable rent determinations are completed at initial lease up, upon request for a rent increase, and at other times PHA deems it necessary to conduct a reasonable rent redetermination.
- PHA may implement across-the-board rent increases or rent freezes for properties in the HCV Program. When and if an across-the-board rent increase is awarded, PHA will complete a reasonable rent determination at the time of the next annual HQS inspection and apply applicable policies related to reasonable rent when and if the rent is not reasonable.

Utility Allowances

- o PHA is authorized to implement a revised utility allowance methodology that includes the following components:
 - HCV participants who are responsible for paying gas heat and who are eligible to participate in the PGW Customer Responsibility Program (CRP) have the gas portion of their utility allowances calculated using an alternative methodology. PHA may elect to implement this utility allowance program in public housing where applicable.
 - PHA will periodically, at its discretion, review HCV utility allowance schedules to determine if adjustments are required. Annual updates are not required.
 - Utility allowances may be phased out for residents with incomes at or above 80% of Area Median Income or public housing residents on ceiling rent.
 - PHA will review and modify public housing utility schedules periodically based on an assessment of available HUD funding and the requirements of the MTW Agreement and Plan.
- PHA is also authorized to expand the utility allowance policy to require public housing and HCV tenants receiving either heat or electric utility allowances to enroll and participate in

the PECO Customer Assistance Plan, LIHEAP and any other applicable programs that offer reduced rates, energy usage grants, or other financial incentives to low-income households.

- For HCV participants only, during an interim recertification, PHA will apply the utility allowance in effect on the effective date of the interim recertification; however, families on the Alternate Utility Allowance (UA) CRP Program will have their gas utility allowance updated at the time of interim recertification consistent with PHA's MTW UA policies. During an interim recertification, PHA will apply the payment standard in effect at the last regular recertification.
- PHA may further expand the utility allowance policy to require public housing and HCV tenants, whose incomes are at or below 150% of the Federal Poverty Level and who receive a utility allowance for water, to enroll and participate in the Philadelphia Water Department's Tiered Assistance Program (TAP). TAP provides customers with significant savings by offering a consistent bill based on their income. PHA will base the water utility allowance for eligible households on the amount charged under the TAP Program. Water charges range from 2% to 3% of gross income.

PHA may implement its previously approved MTW policy regarding the verification and calculation of earned income in FY 2025. For public housing participants, PHA will use the last four (4) consecutive quarters in EIV to verify and calculate income.

PHA adopted Small Area Fair Market Rents (SAFMR) beginning in FY 2019. PHA will review and revise the groupings of SAFMR zip codes annually. These revisions are necessary to avoid negative financial impacts to both tenants and owners.

Planned Non-Significant Changes

PHA will revise its policy to permit an increase in the payment standard to be applied at any time after the effective date of the increase. This change will provide PHA with the flexibility to apply the new payment standard before the next regular reexamination, mitigating any potential negative impact on the family if the contract rent increased between regular reexaminations.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

CE #2: Staff Time Savings *						
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?		

Total time to complete the task in staff hours	56,110	29,000 hours	
(decrease).	hours		
	(estimate)		

^{*}Includes HCV and PH.

CE #3: Decrease in Error Rate of Task Execution *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average error rate in completing a task as a percentage (decrease).	5%	5%		

^{*} The error rate is a weighted average. PHA implemented its revised rent calculation method in 2004 and did not have historical data on rent calculation error rates at that time. PHA identified the baseline as part of the FY 16 Annual Report (which already reflects error rate reductions) and then established a benchmark of maintaining this level going forward, i.e. PHA would not anticipate future reductions to error rates.

CE #5: Increase in Agency Rental Revenue – Utility Allowance Policy *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Rental revenue in dollars (increase).	\$606,753	\$816,504		

^{*}Represents the savings generated by PHA on behalf of households who receive the CRP UA for gas heat.

ACTIVITY 2004-4: UNIT-BASED LEASING AND DEVELOPMENT PROGRAM

Plan Year Approved, Implemented, Amended

- Approved FY 2004
- Implemented FY 2004
- Modifications in FY 2017, FY 2019

Description/Update

Under PHA's Unit-Based Leasing and Development Program ("UBV" or the "Unit-Based Program"), PHA will continue to negotiate long-term subsidy contracts with for-profit and non-profit private sector housing providers based on property specific agreements. PHA prioritizes the selection of developments, which serve underserved populations and/or which incorporate supportive services on-site or nearby. Key features of PHA's UBV Program include:

- PHA's Site Selection Standards for the UBV Program comply with the alternate Site and Neighborhood Standards described at Attachment C, Section D (7)(c) to PHA's MTW Agreement.
- Rents to owners participating in the UBV Program funded with MTW HCV funds, except for certain PHA-owned UBV units noted below, will not exceed the lowest of 110% of the applicable fair market rent, the reasonable rent, the rent requested by the owner or such other amount determined by PHA to be appropriate for the unit based upon the nature of the unit and the RFP from which the owner was selected. For example, in certain cases, PHA may determine that a shallow subsidy is more appropriate. As noted below, PHA proposes to modify this policy in FY 2025.
- Unless part of its "shallow" subsidy UBV Program, PHA will not attach or pay UBV assistance to units that are already receiving another form of subsidized housing operating assistance. With respect to a shallow subsidy UBV Program, PHA will not attach or pay UBV assistance to units receiving another form of subsidized operating assistance if the UBV assistance would be duplicative or would otherwise over-subsidize the unit. PHA may determine the effect of subsidy on rent to owners and the duplication of subsidy or excessive subsidy, subject to the requirements regarding subsidy layering as set forth in the HUD Reform Act of 1989.
- PHA may unit-base up to 100 percent of the dwelling units in any UBV project or building.
- PHA may select its own units for project-basing with UBV assistance without a competitive
 process. Pursuant to Attachment C, Section D (7)(a) of PHA's MTW Agreement, PHA may
 unit-base assistance at properties other than public housing properties owned directly or
 indirectly by PHA, including those owned by PHA affiliates or instrumentalities. For purposes

- of this selection method, a property that may be unit-based may be a former public housing property that has been converted to HCV assistance.
- Pursuant to Attachment C, Section D (1)(f) of PHA's MTW Agreement, under either the UBV Program or the Partnership Initiatives, PHA may attach or pay UBV assistance using HCV MTW funds to unit types currently prohibited by standard Section 8 regulations including, but not limited, to shared living facilities. Such units must comply with applicable alternate MTW Site and Neighborhood Standards. In February 2017, with the support of the local Veterans Administration, PHA requested HUD approval to enter into a HAP contract under the HUD VASH-PBV Program for an existing, 14-unit shared housing facility (Hancock Manor) operated by Impact Services. HUD accepted PHA's use of the existing MTW waiver related to shared living facilities in project-based developments for this VASH project. Subject to HUD approval and the support of the VA, PHA may apply MTW waivers related to shared housing facilities in project-based developments to future VASH projects.
- An owner of a unit assisted under the UBV Program with MTW HCV funds may elect to receive referrals from PHA's waiting list or to use a site-based waiting list for selection of tenants for a site. For owners using a site-based waiting list, PHA reviews and approves the tenant selection plan, and owners refer families to PHA for eligibility screening.
- A family residing in a UBV unit funded with MTW HCV funds may terminate the lease at any time after the initial term. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to PHA. Once a family terminates the lease, the family will no longer be part of the HCV or UBV Program. Pursuant to PHA's MTW flexibility, PHA does not provide UBV participant families who want to move with tenant-based assistance with a tenant-based HCV voucher, except where required under the RAD Program or otherwise offered by PHA as a reasonable accommodation, VAWA transfer or due to HQS failures under certain circumstances.
- While PHA's standard initial lease term for public housing and HCV is two years, PHA may allow a shorter term for UBV transitional housing units in order to facilitate the movement of families through the housing continuum and to obtain "permanent" housing more rapidly.
- PHA applies its MTW UBV policy to RAD developments and may project-base 100% of the units in a RAD UBV development.
- PHA is not subject to the requirement for an independent entity to approve AHAP/HAP contract terms, renewals of HAP contracts, rent determinations and inspection of PHA owned units.
- PHA applies the following MTW initiatives to the UBV/RAD Program: Rent Simplification, two and three year recertifications, limit on interim recertifications, alternative rent structure and reasonable rent.
- PHA may utilize local forms, which reflect PHA's MTW UBV policies and procedures as an alternative to HUD standard forms. PHA will prepare and implement a local PB HAP

contract, PB Tenancy Addendum and Statement of Family Responsibility Form to reflect MTW policies including but not limited to, rent determination methods, recertification frequencies and right to move policies.

• PHA defines a UBV project as a single building, multiple contiguous or non-contiguous buildings, or multiple buildings on contiguous or non-contiguous parcels of land all with a single owner. A single family building is a building with no more than four dwelling units. PHA may elect to combine units that cumulatively meet the definition of a UBV project, but that are covered under more than one Housing Assistance Payments (HAP) Contracts, into a single HAP Contract. For such scattered site projects, PHA implements an alternative method to determine rent reasonableness whereby PHA bases the rent reasonableness determination for all units in the project that are within the same submarket area on the rent reasonableness determination made for a single unit of each bedroom size. For example, the rent reasonableness determination for all one-bedroom units in the project will be based on the rent reasonableness determination made for a single one-bedroom unit in the project provided that the units are in the same submarket area.

For mixed-finance closings for UBV units involving new public housing units, PHA may request HUD review and approval of certain waivers to current public housing regulations in the interest of increasing housing choice, promoting long-term project viability, and encouraging more third-party development. Specific waivers that may be requested include:

- PHA may elect to allow the owner of UBV units, including PHA if it is the owner, to utilize public housing operating subsidy and other MTW funds, to pay for debt service associated with the UBV development; and,
- Where PHA provides public housing operating subsidy as part of UBV assistance, separately
 or in combination with voucher or other MTW funds, PHA may have the Declaration of
 Restrictive Covenants modified to eliminate or change the standard ten-year affordability
 "tail."

The specific details of each UBV agreement will be defined prior to closing and shall be subject to HUD review and approval, where applicable, as part of the mixed-finance transaction closing process.

Starting in late FY 2024 and continuing thereafter, PHA will begin conversion of its Public Housing scattered sites units to the UBV program including the use of all statutory and regulatory authority available under MTW. PHA has obtained approval from HUD to implement revised policies related to this conversion, which may occur through the Section 18 disposition of public housing units and replacement with Tenant Protection Vouchers, the RAD conversion process or a Section 18/RAD blend. Specifically, PHA will apply the following policies for households occupying Public Housing scattered site units at the time they are converted through either Section 18 or RAD:

• At conversion, PHA will not re-screen households for eligibility in the HCV program. Current households will be grandfathered for application of any eligibility criteria to

conditions that occurred prior to the conversion, but will be subject to on-going eligibility requirements of the UBV program. If the current household moves out after conversion, any family that leases the unit thereafter will be subject to UBV eligibility requirements at initial and during continued occupancy.

- PHA will place units under HAP contract for current households whose total tenant payment (TTP) exceeds the gross rent of the unit. Current households whose TTP exceeds the gross rent will be required to pay the gross rent or the maximum rent under LIHTC, if applicable, while leasing the converted unit. If the current household moves out after conversion, PHA will only lease the unit to a family who is eligible for housing assistance payments and whose total tenant payment (TTP) is below the gross rent for the unit.
- If, at conversion, the current household is considered over-housed or under-housed under PHA's subsidy standards, the current household will be permitted to remain in the converted unit until an appropriately sized unit becomes available within converted project. Once an appropriately sized unit is available, the current household must move within a reasonable amount of time, as determined by PHA. Households who are admitted after the conversion will be subject to PHA's subsidy standards at initial occupancy.
- If, as a result of the conversion, the current household's monthly rent will increase by more than the greater of 10 percent or \$25, the rent increase will be phased in over three (3) years. If a current household was paying ceiling rent immediately prior to conversion, PHA will use the ceiling rent amount to calculate the initial (Year 1) phase-in amount.

Please note that modified eligibility and rent policies detailed above will not apply to families who are admitted and move into these units after conversion.

In FY 2025, PHA plans to enter into UBV contracts for 27 multifamily housing developments with a total of 1,380 affordable rental units. Additionally, PHA may issue requests for proposals, conduct evaluations, and recommend additional units and developments for approval by the PHA Board.

See Section II. General Operating Information for listings of planned and current UBV developments.

Planned Non-Significant Changes

In FY 2025, PHA will modify its MTW policy related to rents to owners participating in the UBV program. With the exception of PHA-owned PBV/UBV projects including PHA-owned PBV/RAD projects, PHA may approve rents to owners which are the lowest of 120% of the citywide Fair Market Rent, the reasonable rent, the rent requested by the owner or such other amount determined by PHA to be appropriate for the unit.

When determining the initial rent for PHA-owned PBV/UBV projects including PHA-owned PBV/RAD projects, subject to rent reasonableness, PHA may apply the higher of the applicable RAD Rent, 120% of the Small Area Fair Market Rent, or 120% of the citywide Fair Market Rent.

Planned Changes to Metrics/Data Collection

Benchmarks have been updated to reflect projected UBV activity in FY 2025.

Metrics

HC #1: Additional Units of Housing Made Available *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0 units	1,337 units		

^{*}HUD requires this metric to track only <u>newly constructed and/or rehabilitated</u> units that were put under HAP Contract during the Plan year. This excludes planned RAD conversions of existing public housing including PAPMC-managed units; however, it does include any newly constructed or substantially rehabilitated RAD conversion units.

HC #5: Increase in Resident Mobility				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0 households	1,380 households		
* Represents units project-based voucher units newly under HAP or AHAP.				
HC #7: Households Assisted by Services that Increase Housing Choice				

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to	0	2,688		

households

households

Planned Significant Changes

increase housing choice (increase).

No significant changes are planned.

^{*} Represents UBV units where supportive services are provided.

ACTIVITY 2005-2: STREAMLINE THE ADMISSIONS AND TRANSFER PROCESS

Plan Year Approved, Implemented, Amended

- MTW Transfers
 - Approved FY 2005
 - o Implemented FY 2005
- HCV Waiting List
 - Approved FY 2012
 - Implemented FY 2012
- Public Housing Waiting List
 - Approved FY 2012
 - Implemented FY 2012

Description/Update

PHA will continue to utilize MTW flexibility to implement policies designed to streamline the admissions and transfer policies for both Public Housing and HCV Programs:

- MTW Transfers PHA may authorize a limited number of split-family transfers from Public Housing to the Housing Choice Voucher Program and vice versa. These transfers are referred to as MTW transfers. PHA provides for up to 50 Housing Choice Vouchers and 50 public housing units to be transferred back and forth between the Public Housing Program and the HCV Program. No more than 100 moves are authorized per fiscal year.
- *HCV Waiting List* Once a family is leased under the HCV Program, the family may remain on the waiting lists for Tax Credit and public housing sites; however, PHA notifies the family that they will not be eligible for selection from the Tax Credit or public housing site waiting lists until the initial lease term has been completed.
- Public Housing Waiting List Once a family is housed in public housing, the family will be removed from all other scattered site and conventional public housing waiting lists. However, a family may remain on the HCV and/or Tax Credit Site waiting lists. Additionally, PHA may require that the family sign an agreement whereby the family acknowledges that their name will be removed from all other scattered site and conventional public housing waiting lists and they will not be eligible for selection.

PHA may allocate homeownership vouchers for Public Housing residents who graduate from the Jobs Plus program and transfer these residents from the Public Housing to HCV Homeownership program. Graduates will be required to complete the homeownership-counseling courses and meet other eligibility requirements for receiving a homeownership voucher.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

HC #3: Decrease in Wait List Time – MTW Transfers					
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?	
Average applicant time on wait list in months (decrease).	PH – 14 years in FY 2015	PH < 1 year			
		HCV < 1 year			
	HCV – 4.5 years in FY 2015				
* Wait time for MTW transfers					

^{*} Wait time for MTW transfers.

ACTIVITY 2005-3: PROGRAM EFFICIENCIES (formerly HCV Program Efficiencies)

Plan Year Approved, Implemented, Amended

- Restriction on Elective Moves
 - Approved FY 2008
 - Implemented FY 2008
- Criteria for Portability Moves
 - Approved FY 2013
 - o Implemented FY 2013
- Development of Local Forms
 - Approved FY 2017
 - o Implemented FY 2017

Description/Update

PHA will continue to utilize MTW flexibility to implement efficiencies designed to simplify processing and streamline administrative processes. This activity includes:

- Restriction on Elective Moves Families participating in the HCV program are permitted to
 move within PHA's jurisdiction after the initial term of assisted occupancy and at the time of
 regular recertification.
- Criteria for Portability Moves PHA has established criteria for all port-out moves. The criteria require that MTW voucher participants requesting to port-out provide a verified employment, education, safety, or medical/disability need to support their move to another jurisdiction.
- Development of Local Forms PHA will prepare local forms, which reflect PHA's MTW policies and procedures, for use in the HCV and Public Housing programs.

As part of the Local Forms initiative, PHA combined the HUD-9886 Authorization for the Release of Information/Privacy Act form with the PHA Authorization of Release Form in order to reduce redundancies and streamline the verification process by reducing the number of signatures required and allowing the household to sign electronically. PHA also developed a local PBV HAP Contract and Tenancy Addendum, consistent with MTW policies approved under Activity 2004-3: Unit-Based Leasing and Development Program.

PHA also developed a local tenant-based HAP Contract and Tenancy Addendum as part of the Local Forms initiative. The new HAP contract is integrated in the PHA's landlord portal system to streamline and expedite the leasing process.

Planned Non-Significant Changes

In FY 2025, PHA will implement a modified local Contract of Participation for the Family Self-Sufficiency (FSS) program, which incorporates the approved MTW policies for the FSS program outlined in Activity 2020-1: Local Family Self-Sufficiency Program Flexibility.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

CE #2: Staff Time Savings *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Restriction on Elective Moves: Total time to complete the task in staff hours (decrease).	1,614 hours (based on 1,291 moves in FY 14)	2,500 hours		
Criteria for Portability Moves: Total time to complete the task in staff hours (decrease).	540 hours (based on FY 12 port activity)	264 hours		

*PHA implemented this activity in FY 2007 and does not have baseline information available for that period. Thus, the baseline reflects staff time savings already achieved. PHA has established a benchmark to continue the same or comparable level of staff time savings.

ACTIVITY 2011-1: PARTNERSHIP PROGRAMS INITIATIVE

Plan Year Approved, Implemented, Modified

- Approved FY 2011
- Implemented FY 2012
- Modified FY 2013 to incorporate specific components applicable to the youth aging out of foster care partnership with the Philadelphia Department of Human Services (DHS)

Description/Update

PHA will continue to utilize MTW authority to expand public housing for special needs and other targeted groups in partnership with non-profit neighborhood groups, universities, state and local government, and other stakeholders. This flexible, services-oriented model allows PHA to leverage PHA and partner resources to provide public housing options and, where appropriate and feasible, related health care, educational, and/or other necessary services to low-income families and individuals. Authorized features of this initiative include, but are not limited to, the following:

- Admissions and continued occupancy requirements for the initiative may vary from standard public housing and will be determined for each project in order to promote seamless integration of the partner's subsidy sources with MTW funds.
- Partnership initiatives must serve households earning 80% of AMI or below. PHA's MTW funds may not be used to subsidize households who are not low-income.
- PHA will leverage its funds with other partner resources in order to avoid duplicative services and payments and to maximize the value of funds invested in the Partnership Initiative.
- Potential models include, but are not limited to, domiciliary care for seniors and people with disabilities; housing options for youth, including those aging out of foster care; and permanent supportive housing.
- Budgets and agreements between PHA and its partners will adjust subsidy to allow for recoupment of PHA's capital investment as fee income where financially feasible, particularly in situations in which the partner's subsidy is intended to cover all or some of the housing costs.
- While each development is expected to have different features, programmatic components may
 include: preferences for specific target populations, including referrals from partner agencies;
 program contracts for participants that may include requirements for case management,
 participation in services, or other requirements; time limits on housing subsidies; modified
 occupancy standards; availability of stipends; and other components.

In FY 2025, PHA projects that 530 additional public housing units will be developed by PHA development partners at 12 sites. See Table 1 for additional detail on planned developments and units. As noted in the Table 1 narrative, some or all of these developments/units may be converted to Project Based Assistance through the Faircloth to RAD initiative or the RAD transfer of assistance provisions. Due to changes to development financing and construction schedules, the projects listed in Table 1 include some projects that were listed in prior MTW Annual Plans, but which have not yet been completed. The actual number of units that are developed and the development timetable may vary depending on final financing plans, construction schedules, HUD approval timetables and other factors.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

Benchmarks have been updated to reflect projected FY 2025 housing production under this activity.

Metrics

HC #1: Additional Units of Housing Made Available *					
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?	
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	530			

^{*} The HUD Standard Metrics for this activity will depend on the MTW flexibilities required and the type of service provided at each site. As additional agreements with developers and/or service providers are finalized, further HUD Standard Metrics may be added depending on the terms and necessary flexibilities of the agreements. None of the listed projects for FY 2024 require MTW waivers at present other than the use of MTW funds.

CE #4: Increase in Resources Leverage – ALL Plannea FY 2025 Projects					
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?	
Amount of funds leveraged in dollars (increase).	\$0	TBD			

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2016-1: SECOND CHANCE INITIATIVE

Plan Year Approved, Implemented, Amended

- Approved FY 2016
- Implemented FY 2016
- Modified FY 2018
- Modified FY 2022

Description/Update

PHA will continue to utilize MTW flexibility to support implementation of the Second Chance Housing Choice Voucher Pilot Program. The policy permits the provision of 10 tenant-based vouchers for active participants in good standing with two partner agencies – the Eastern District Federal Court Supervision to Aid Reentry (STAR) Program and the Mayor's Office of Reintegration Services (RISE) Program. The STAR Program works in conjunction with Federal Probation and Parole, to offer returning citizens an opportunity to reduce their parole period by one year through participation in the Re-Entry Program. Each participant signs a contract with their parole officer to transition the oversight of their parole to the two federal judges that administer the STAR Program. The STAR Program collaborates with the local RISE Program to provide counseling, education, job training and job placement services. In the 2017 Annual Plan, PHA indicated that placements in public housing units may be offered to Second Chance participants in good standing at PHA's option.

Housing assistance is available to the participants for a period of up to two years, at which point the objective is for participants to transition off the program to other affordable housing. However, PHA may allow Second Chance participants to transition to the HCV or Public Housing Program to continue their tenancy.

In FY 2024, PHA increased the number of tenant-based vouchers allocated to the STAR and RISE programs to 30 vouchers due to the success of these programs in assisting returning citizens in their transition. In FY 2025, PHA will continue to provide for extensions to the two-year term for the STAR/RISE programs in order to address the continued economic impact of the COVID-19 pandemic. Extensions are granted on a case-by-case basis and evaluated based on the participant's individual circumstances which have been dictated by such declared emergency.

In FY 2018, PHA entered into a partnership with the Pennsylvania First Judicial Court's MENTOR Program. This pilot initiative allows 20 qualified returning citizens who are working with the MENTOR Program to move in with existing PHA public housing households, provided that the PHA household is in good standing and is willing to add a MENTOR Program participant to the lease. This will help to re-unite families, prevent homelessness and, hopefully, interrupt the cycle of recidivism. While the pilot allows for return of 20 qualified citizens, enrollment in this program is based on referrals from the MENTOR Program.

Planned Non-Significant Changes

To date, the MENTOR Program has not received any referrals from the Pennsylvania First Judicial Court. Where the goal of this initiative is to reunite families and prevent homelessness and recidivism, PHA is bound by its policies regarding program denial for certain drug and violent criminal offenses.

Accordingly, PHA will re-evaluate this partnership in FY 2025 to determine its future. Should the MENTOR partnership be discontinued, PHA will work to identify other opportunities to serve this population.

Planned Changes to Metrics/Data Collection

The benchmarks for HC #5, SS #3, and SS #5 have been updated to reflected anticipated participation in FY 2025.

Planned Significant Changes

No significant changes are planned.

Metrics:

HC #5: Increase in Resident Mobility *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	30		
*20 represent the STAR/RISE programs. Mentor p	rogram referrals cannot	be forecasted.		
SS #3: Increase in Positive Outcomes in Employment Status *				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Employed Full-Time*	10 participants 100% of participants	18 60%		
Enrolled in a Job Training Program	0 participants 0% of participants	6 20%		
Enrolled in an Education Program	0 participants 0% of participants	6 20%		
*Represents participants in the STAR/RISE programs only. All participants in the STAR/RISE programs are required to be employed and maintain employment as a condition of participation; however, in the event they lose employment, they will be required to either obtain a new job or enroll in an educational or job training program as a condition of participation.				
SS #5: Households Assisted by Services that Increase Self-Sufficiency				
Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?

Number of households receiving services aimed	0	30	
to increase self-sufficiency (increase).			

SS #8: Households Transitioned to Self Sufficiency *

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households transitioned to self-sufficiency (increase).	0	2		

^{*}For this program purpose, PHA defines "self-sufficiency" as successfully completing the program and transitioning to other affordable housing. Represents STAR/RISE participants only.

ACTIVITY 2019-01: OPENING DOORS TO AFFORDABLE HOMEOWNERSHIP

Plan Year Approved, Implemented, Amended

- Approved FY 2019
- Implemented in FY 2019

Description/Update

PHA will continue to utilize MTW funding and programmatic flexibility to expand first-time affordable homeownership initiatives to increase housing choice and the number of first time, low-income homebuyers. The program builds on the existing framework and consolidates PHA's HUD-approved 5h Homeownership Program, HCV Homeownership Program, other new development homeownership initiatives and homeownership readiness and counseling support under the management of PHA's Homeownership Department. Further, this activity expands PHA's existing programs to incorporate new types of assistance including lease-purchase and down payment assistance options.

In FY 2025, it is anticipated that 20 residents will purchase a home through the Public Housing mobility program, 10 residents will purchase their scattered site units under the 5h program, and 30 current voucher holders will utilize voucher assistance to purchase homes and then receive monthly Housing Assistance Payments to support housing costs for up to a fifteen (15) or thirty (30) year period. To date, PHA has assisted over 1,000 residents to purchase their first homes. PHA will continue to work with residents to complete homeownership-counseling courses in partnership with HUD-approved housing counseling agencies.

The MTW Opening Doors to Affordable Homeownership Program (ODAHP) consolidates, streamlines and enhances these existing initiatives while modifying eligibility and post-purchase support criteria and adding new financing support mechanisms. Key features of the new program include:

Program Components

ODAHP participants work with PHA's Homeownership Department to review their financial status, credit standing and household goals. Participants are required to meet all eligibility requirements, including successful completion of approved homeownership counseling and financial literacy courses. Financing options available to program participants include:

• Monthly voucher assistance: Households may receive monthly Housing Assistance Payments assistance for up to 15 or 30 years. Generally, this assistance will cover the difference between up to 28% of adjusted household income and the projected monthly homeownership costs, subject to a cap that is equal to PHA's voucher payment standard. PHA's rent simplification policies will be utilized to calculate household adjusted income and tenant monthly payments. Households will be recertified on a biennial basis per PHA's existing policy. Monthly voucher assistance may be used for private market units as well as for PHA scattered site units following sale. However, PHA will record a soft second

mortgage on the title with a 15 or 30-year period, which is related to the voucher assistance term. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure.

- Down payment assistance: In lieu of receiving monthly voucher assistance, ODAHP participants will be eligible for one-time down payment assistance up to a maximum of \$15,000 per household. Participants receiving down payment assistance will not be recertified. However, PHA will record a soft second mortgage on the title with a 20-year recapture period. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure. If the default is not cured, PHA will recoup the down payment assistance amount, which will decrease 5% annually over the 20-year term.
- Soft second mortgage option: Up to a maximum of \$50,000 per household may be provided as a soft second mortgage, provided that the household is not receiving other PHA homeownership assistance. Participants receiving this assistance will not be recertified. However, PHA will record a soft second mortgage on the title with a 20-year recapture period. In the event of a default, PHA will receive notification and attempt to work with the household to develop a financial workout plan to avoid foreclosure. If the default is not cured, PHA will recoup the soft second mortgage amount, which will decrease 5% annually over the 20-year term.
- Lease to purchase option: PHA may implement lease to purchase options that can be implemented in private market rentals and scattered sites that are still part of PHA's public housing inventory. A portion of the tenant rent will be escrowed during the lease to purchase period and then applied to the down payment at the time of purchase. Lease to purchase participants will be recertified per PHA's existing policy.
- Rehabilitation of Scattered Sites Units Leveraging the Federal Housing Administration's 203(k) Rehabilitation program, PHA may offer down payment and soft second mortgage assistance to PH residents and HCV participants who purchase and rehabilitate select scattered site units. With a Section 203(k) insured loan, PH residents and HCV participants will be able to finance the rehabilitation of the unit. PHA will qualify and connect residents with MBE/WBE contractors as well as resident-owned contracting companies to facilitate the rehabilitation. During the period of rehabilitation, HCV and PH participants will continue to receive assistance in their existing (non-homeownership) PH or HCV units until rehabilitation work is complete and the homeownership unit is ready for move-in.

As with the current 5h Program, all scattered site units are eligible for sale to ODAHP participants without requiring additional HUD disposition approval.

For the down payment assistance and soft second mortgage programs, PHA has established reasonable maximum limits of \$15,000 and \$50,000. These amounts were determined based on PHA's internal assessment of the level of assistance needed to ensure successful first time homeownership among current program participants given current Philadelphia housing market conditions. Note, however, that PHA will authorize only the minimum amount needed to close the

affordability gap based on individual household circumstances. PHA will calculate the maximum mortgage payment allowed at 35% of adjusted monthly income, and total housing expenses at 38% of adjusted monthly income. The amount of down payment or soft second assistance to be provided by PHA will be calculated by PHA's Homeownership Opportunities Department staff based on a complete review of household finances. As part of this review, PHA staff will work to maximize household eligibility for any other non-PHA down-payment and/or closing cost assistance programs.

In FY 2025, PHA will continue to partner with JumpStart Philly to renovate vacant and distressed scattered site units. To support equitable development efforts in Philadelphia, JumpStart Philly provides local aspiring developers with training, mentoring and financial support to renovate these scattered site units. Once complete, newly renovated units are sold to households who are at or below 80% AMI. In FY 2025, PHA anticipates completing renovations on the second cohort of homes, which consists of 20 scattered sites units.

PHA will also actively participate in the "Turn the Key" program, which is part of the City's Neighborhood Preservation Initiative to build more than 1,000 new, energy-efficient, three-bedroom homes on publicly owned land. Residents that are part of PHA's homeownership pipeline will be encouraged to enroll in the program so that they can compete for Turn the Key units. PHA residents will receive first preference for any homeownership units that are built on land which PHA transferred to the City Land Bank and will be eligible for PHA grants up to \$50,000 and City grants up to \$25,000.

PHA budgets approximately \$1.5 million in MTW funds yearly to support the program. The number of households served will vary, depending on the mix of financing options utilized by participants. If demand exceeds available budget, PHA will establish a wait list based on date and time of application.

In FY 2024, PHA will continue to review and assess the feasibility of implementing the Lease to Purchase flexibility pending the availability of potential LIHTC homeownership units.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Planned Significant Changes

No significant changes are planned.

Metrics:

HC #6: Increase in Homeownership Opportunities

Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?
Number of households that purchased a home as a result of this activity (increase).	0	60		

^{*} Includes HCV participant and PH residents who were able to purchase a home through one or more of the assistance programs under this activity.

HC #5: Increase in Resident Mobility

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	60		

^{*} Includes HCV participant and PH residents who were able to purchase a home through one or more of the assistance programs under this activity.

ACTIVITY 2019-2: SHARSWOOD YOUTH & FAMILY ENRICHMENT SERVICES

Plan Year Approved, Implemented, Amended

- Approved FY 2019
- Implemented in FY 2019

Description/Update

PHA will continue to utilize MTW funding flexibility to support after school programs designed to help improve educational outcomes and high school graduation rates for PHA youth and other low-income youth living in the Sharswood/Blumberg neighborhood of Philadelphia. This activity also provides partial funding for case management for youth and their families to help overcome barriers to educational success and to access community resources to address family supportive service needs.

As part of the comprehensive neighborhood transformation strategy for the former Blumberg public housing development and the surrounding Sharswood community, PHA provides \$500 per student per year in MTW funds to support after school, extracurricular, and enrichment programs as well as case management services for youth in grades 9-12 in coordination with a neighborhood school established in September 2017 serving youth in grades 9-12, which is operated by Big Picture Schools Philadelphia (BPSP) and located in the Vaux Community Building. BPSP works to engage students in learning and internship opportunities to encourage career exploration and progression to higher education.

The Vaux Community Building, a key part of the Choice Neighborhood Transformation Plan, serves as a focal point and anchor for the revitalized community, with on-site facilities for educational, health care and other supportive services. In FY 2019, PHA was designated by HUD as an EnVision Center. The new EnVision Center is located in the Vaux Community Building and includes services such as health and wellness, job training, high school education and after-school programs. The plan to establish a neighborhood school and to improve educational outcomes is an integral component of the comprehensive Choice Neighborhoods Transformation Plan for Blumberg-Sharswood that was accepted by the US Department of Housing and Urban Development (HUD) in March 2016.

This MTW activity provides partial funding of BPSP's after school programs including homework assistance, sports activities, robotics, music production, computer refurbishing and other education-related activities. Partial funding is also provided for case management support to youth and their families through BPSP's Resilience Specialist. The Resilience Specialist provides one-on-one and group counseling to students and their families, with the goal of identifying and removing barriers to educational success and family stability.

PHA shares BPSP's goal of helping PHA and other low-income youth to exceed citywide educational metrics, and to graduate and move onto higher education and meaningful careers. While the primary beneficiaries of the services provided by BPSP are members of PHA resident

households, including residents of public housing and the Housing Choice Voucher (HCV) program, other low-income neighborhood youth are also served. In FY 2025, PHA anticipates that the number of youth served will be 300, serving grades 9 to 12 with approximately 80 youth per grade.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

The benchmark for SS #5 has been adjusted to reflect anticipated enrollment at BPHS.

Planned Significant Changes

No significant changes are planned.

Metrics:

SS #5: Households Assisted by Services that Increase Self-Sufficiency					
Unit of Measurement	Baseline	Benchmark	Outcome*	Benchmark Achieved?	
Number of households receiving services aimed to increase self-sufficiency (increase).	0	300			

^{*} After-school programming and case management services are made available to both PHA residents and youth from the surrounding Sharswood/Blumberg neighborhood.

ACTIVITY 2020-1: LOCAL FAMILY SELF-SUFFICIENCY PROGRAM FLEXIBILITY

Plan Year Approved, Implemented, Amended

- Approved FY 2020
- Implemented in FY 2020
- Modified in FY 2021
- Modified in FY 2024

Description/Update

PHA will continue to implement a revised Family Self-Sufficiency (FSS) model, the PHA Advantage FSS program. In FY 2024, PHA received approval for this revised FSS program model which incorporates important changes to how participating families earn escrow, in order to encourage broader participation in FSS and incentivize educational goals and greater engagement in case management. This revised model will include the following program components:

Revised Escrow Model

In order to encourage families of all income levels to participate in the FSS program, PHA will establish an escrow model in which the monthly escrow amount is determined by the family's annual earned income, rather than the change in their Total Tenant Payment (TTP). As shown in the table below, the family will receive escrow according to income tiers; the family must earn at least \$3,500 in order to begin escrowing savings.

Annual Ear	ned Income	Monthly Escrow Amount
\$0	\$3,499	\$0
\$3,500	\$6,499	\$50
\$6,500	\$9,499	\$75
\$9,500	\$12,499	\$100
\$12,500	\$15,499	\$125
\$15,500	\$18,499	\$150
\$18,500	\$21,499	\$175
\$21,500	\$24,499	\$200
\$24,500	\$27,499	\$225
\$27,500	\$30,499	\$250
\$30,500	\$33,499	\$275
\$33,500	\$36,499	\$300
\$36,500	\$39,499	\$325
\$39,500	\$42,499	\$350
\$42,500	\$45,499	\$375

		Monthly Escrow
Annual Ear	ned Income	Amount
\$45,500	\$48,499	\$400
\$48,500	\$51,499	\$425
\$51,500	\$54,499	\$450
\$54,500	\$57,499	\$475
\$57,500	\$60,499	\$500
\$60,500	\$63,499	\$525
\$63,500	\$66,499	\$550
\$66,500	\$69,499	\$575
\$69,500	\$72,499	\$600
\$72,500	\$75,499	\$625
\$75,500	\$78,499	\$650
\$78,500	and up	\$675

If the family's earned income decreases below \$3,500 during their participation, they will no longer receive escrow. However, if the family's earned income later increases and meets or exceeds \$3,500, they will again receive escrow.

PHA may make modifications to factors in the revised escrow model such as earned income bands and escrow amount in future fiscal years in order to meet FSS program objectives.

Incentives

PHA will provide incentives for participants who meet interim goals in order to encourage continued participation in the FSS program and commitment to ITSP goals. Incentives payments will be made with the final escrow disbursement; however interim incentives may be paid at the time the goal is achieved if and when the family provides justification of the need for the disbursement to support one of their FSS goals.

- o \$150 for completion of a GED or receipt of a high school diploma
- \$150 for completion of a job training or skills development program, approved by PHA or their designated FSS contractor
- \$250 for obtaining the skilled trade or job-specific certification, such as required for pharmacy assistants or construction trades and approved by PHA or their designated FSS contractor
- \$250 for an Associates Degrees (one-time limit per person)
- o \$500 for completion of a bachelor's or master's degree (one-time limit per person).

In addition to the interim incentives listed above, PHA will also provide an incentive of up to \$2,000 to recent program graduates who purchase a home within two (2) years of completing the PHA Advantage FSS program. To qualify for this homeownership incentive, the graduate must complete a homeownership course and/or counseling approved by PHA. This incentive may be used for down payment and/or post-purchase expenses; PHA will provide this incentive to qualifying graduates in addition to their final escrow disbursement. Accordingly, PHA will not count the homeownership incentive against the cap on total escrow.

PHA will also establish an incentive payment of \$5,000 for FSS graduates that choose to terminate their assistance in the Public Housing or HCV program within two (2) years of completing the FSS Program.

PHA will use FSS escrow forfeitures to fund the incentives described above, including interim incentives for current FSS participants as well as self-sufficiency and homeownership incentives for FSS graduates. PHA will continue to comply with the regulatory requirements for monthly reporting of FSS escrow forfeitures on Form HUD-52681-B.

Contract Term

Using its MTW flexibility, PHA will initiate the five-year term at the execution (effective date) of the CoP. The change in contract term is necessary to conform with other proposed changes which will allow participants to escrow upon execution of their CoP, rather than after their first recertification of income.

Transition

PHA will provide families who enrolled in the FSS program before FY 2024 with the opportunity to benefit from the proposed changes above. PHA will notify existing families of the program changes and offer the opportunity to sign a modified Contract of Participation (CoP), which includes the program components listed above, or to continue with their existing CoP. The revised escrow model and interim incentives described above will not be retroactive for FSS families who enrolled before FY 2024 and who opt to sign a modified CoP.

In FY 2025, PHA anticipates that up to 60 new families will enroll, resulting in a total enrollment of approximately 600 families into the MTW FSS Program.

Planned Non-Significant Changes

Under this MTW activity, PHA previously received approval to eliminate the regulatory requirement for participants to have an interim or regular recertification within 120 days of enrollment and to redefine the employment obligation for FSS households whose head is elderly or disabled in order to allow another adult family member to fulfill this program obligation.

However, under the FSS Final Rule effective June 16, 2022, HUD adopted these policies under the regulations. Accordingly, PHA has removed discussion of these policies from the activity description as MTW waivers are no longer required.

Planned Changes to Metrics/Data Collection

Benchmarks have been updated to reflect anticipated enrollment and graduations in FY 2025.

Planned Significant Changes

No significant changes are planned.

ACTIVITY 2020-2: SPONSOR-BASED SHARED HOUSING PILOT

Plan Year Approved, Implemented, Amended

- Approved FY 2020
- Implemented in FY 2020

Description/Update

Under this activity, PHA will continue to implement a new pilot program to expand housing options for homeless individuals and other hard to serve special populations, which builds on and enhances the ongoing collaboration between the City and PHA to reduce homelessness through the "Blueprint to End Homelessness" initiative.

The pilot program initially involved a shared housing model which included twenty-five (25) units in partnership with the City. PHA subsequently expanded the pilot program with the City to include an additional ten (10) units and entered into a new partnership with the Community College of Philadelphia (CCP) to serve up to sixteen (16) at-risk, low-income students, providing housing opportunities in scattered site units located within walking distance of CCP. Based on an evaluation of the program's effectiveness in reducing homelessness and providing stable housing for participants, PHA may elect to further expand the program and the number of units. The elements of the pilot program include:

- Utilizing grant funding provided by the City to leverage MTW funds, PHA will rehabilitate existing vacant and uninhabitable scattered site public housing units. Units will generally be large-bedroom sizes with 3+ bedrooms per unit. No liens will be placed on the properties.
- PHA will enter into a master lease for one or more of the rehabilitated units with the City and/or qualified local, non-profit provider(s) that serves formerly homeless individuals and/or other hard to serve populations, i.e. youth aging out of foster care, chronically homeless, victims of domestic violence, etc.
- PHA does not intend to mix different target populations within the same unit. Supportive services will be offered directly and/or through referrals based on the needs and priorities of the resident population served, which may include case management, behavioral health services, preventive health care, adult education, employment and training, and/or other services.
- Under the terms of the master lease, the City and/or designated provider(s) ("Sponsor Agency") will pay a flat rent to PHA. PHA will not collect or receive rents from individual tenants. The Sponsor Agency(s) will be allowed to sublease individual rooms within the unit to eligible, low-income individuals. The Sponsor Agency(s) will provide a shared housing model and supportive services to program participants and will screen and determine eligibility of participants; maintain a waiting list if needed; implement a rent

policy by which participants will pay no more than 30% of income for rent; enter into sublease agreements with participants; collect rents; and develop and enforce house rules. PHA does not anticipate that on-site staffing will be required.

- Participants in this pilot program will not be considered public housing residents and will not have the responsibilities and rights associated with PHA public housing resident households. PHA will request HUD approval to classify the units covered under this pilot program as "MTW Neighborhood Services" units in accordance with PIH 2011-7. PHA will then report on households served through the MTW 50058 form. PHA's understanding is that each occupied unit will count as one household for MTW purposes, irrespective of the number of individuals sharing the unit.
- Participants will not be subject to PHA's Admissions and Continued Occupancy Policies including, but not limited to, those related to Eligibility Determination, Continued Occupancy, Transfers, Informal Hearings or Grievance Hearings. Participants will not be subject to public housing Community Service requirements. However, participants will be subject to admissions and continued occupancy policies established by the City or Sponsor Agency with whom PHA has entered a master lease agreement.
- Lease enforcement (up to and including evictions), house rules enforcement, rent collection and other property management activities will generally be the responsibility of the City or Sponsor Agency.
- PHA will ensure that all units meet UPCS standards at initial inspection. PHA's role will be to prepare the unit for initial occupancy and perform routine and emergency maintenance services.
- The City and/or Sponsor Agency(s) will provide PHA with quarterly reports that provide basic data on program participants including household income, dates of occupancy, supportive services provided, outcomes achieved and other required information.

Based on negotiations with the City and/or Sponsor Agency, PHA may elect to adopt an expanded role and assume responsibilities in addition to those that are described above.

In FY 2025, PHA will include 41 units in the pilot program, including 35 units with the City and six (6) units with CCP. To support the stability and success of students in completing their CCP degree, PHA has partnered with the Drueding Center, a local non-profit with experience supporting families who are homeless or at-risk of homelessness, to provide case management and other services to CCP students residing in the partnership units.

Planned Non-Significant Changes

No non-significant changes are planned.

Planned Changes to Metrics/Data Collection

No changes to metrics or data collection methods are planned.

Number of households receiving services aimed to increase housing choice (increase).	0	41			

ACTIVITY 2021-1: LIMITED PILOT - MTW CONTINUED OCCUPANCY POLICY

Plan Year Approved, Implemented, Amended

- Approved FY 2021
- Implementation Planned for FY 2024

Description/Update

In FY 2021, PHA received HUD approval to implement a pilot program to require work-able adults residing in select PHA developments to work or participate in an education or job training program. Recognizing the health and financial impact of the COVID-19 pandemic on low-income families, PHA paused plans to implement the pilot program. PHA resumed planning for the pilot program in FY 2024 and anticipates implementation will be complete in FY 2025, with ample services and hardship protections to ensure that families have the capacity and support to comply with the new requirements.

This pilot program will not apply to current PHA residents or HCV participants. To support and provide incentives for employment and self-sufficiency, PHA will establish an MTW continued occupancy policy applicable to new residents at a limited number of target developments and units. The policy will require all non-disabled adults aged 18-54 in the household to complete at least 20 hours per week of employment – or participate in an approved education or job training program - as a condition of continued occupancy. Elderly and disabled adults, household members who become elderly or disabled and household members who are caretakers of elderly/disabled family members will be exempt from the continued occupancy requirement. To support residents in achieving compliance, households will be referred and provided with supportive services, as needed, to PHA's new Workforce Center, where they will be able to work with a PHA Navigator to identify and secure employment, training and supportive service placements and referrals to PHA partner agencies.

The policies for the pilot program will apply only to households that are *newly admitted or transferred* to: 1) Public Housing scattered site units; 2) PHA owned or controlled non-RAD PBV developments; and 3) Turnover units, and units available at initial occupancy for which there are no public housing conversion households with a right to return, in PHA-owned or controlled PBV RAD developments. Households who have a right to return to a RAD development will continue to be offered units before any new admission and will <u>not</u> be subject to the continued occupancy work requirement.

In tandem with the pilot program, PHA has established an admissions and transfer preference applicable only to the above-listed target units and development. The admissions and transfer preference, which does not require MTW waivers from HUD, will be assigned to eligible applicant households where at least one adult is working 20+ hour per week or participating in an education or job training program. Eligible elderly (55+) and disabled applicants will also be assigned this preference.

A household member who has a short-term medical issue or disability, or who is responsible for the care of a child under age six and is unable to secure appropriate childcare, which prevents the member from fulfilling the work (or education or job training program) requirement will be allowed to request a temporary hardship exemption subject to third party verification of the hardship.

PHA plans to review the results of the pilot program before making any decisions regarding expanding the policy to additional sites or units. PHA will provide information on any proposed changes to the policy in future MTW Annual Plans.

Upon implementation of this pilot program in FY 2025, families admitted or transferring to impacted developments will be informed of the continued occupancy work requirement and referred to PHA's Resident Programs and Partnerships (RPP) division for an orientation to learn more about the programs and services offered by PHA and its partners. RPP will meet with the family to review their needs and challenges, and to identify strategies to help ensure that all non-exempt family members are able to comply with the continued occupancy requirement. Non-exempt family members who do not meet the requirement at lease-up will be required to work with RPP to enter into an action plan for the resident to come into compliance within 180 days.

ACTIVITY 2022-1: EMERGENCY WAIVERS

Plan Year Approved, Implemented, Amended

- Approved FY 2022
- Implemented in FY 2022

Description/Update

PHA will use MTW flexibility to establish emergency waivers during economic and health related emergencies and natural disasters as declared by the Mayor or his/her designee. This activity allows PHA to waive and/or adopt alternative requirements should they be needed in order to relieve burdens on all stakeholders, including low-income families participating in PHA's Public Housing and HCV programs.

- 1. **Delayed Reexaminations:** PHA may waive the requirement to conduct a reexamination of family income and composition at least annually. Where reexaminations have been delayed, PHA will complete the reexamination no later than the anniversary month of the following year. The next reexamination will be scheduled on the same anniversary month using the applicable reexam frequency for the family. For example, if a biennial reexam was due on April 2022, PHA would complete the reexam by April 2023. The next scheduled biennial reexam would take place in April 2025. This waiver applies to the PH and HCV programs.
- 2. Verification of Income: PHA may waive the requirements of the verification hierarchy and continue to use Enterprise Income Verification (EIV) to confirm tenant income at both interim and regular recertifications, unless specifically waived by HUD. This waiver applies to the PH and HCV programs.
- **3. Increase in Payment Standard:** PHA may waive the requirement to apply the increased payment standard back to the regular effective date for delayed regular reexaminations. Instead, during periods of declared emergencies, PHA will apply the increased payment standard at the next interim reexamination after the effective date of the increased payment standard. If PHA completes a reexam late, PHA will apply the payment standard in effect on the effective date of the delayed regular reexamination. This waiver applies to the HCV program.
- 4. **Delayed Regular HQS Inspections:** PHA may waive the requirement for completion of regular HQS inspections at least biennially. Where a regular HQS inspection has been delayed, PHA will complete the HQS inspection no later than the anniversary month of the following year. The next HQS inspection will be scheduled on the same anniversary month using the applicable inspection frequency for the unit. For example, if an HQS inspection was due on July 2020, PHA would complete the inspection by July 2021. The next scheduled annual HQS inspection would take place in July 2022. PHA will continue to request a self-certification from the owner that no life threatening conditions exist in the

unit. Additionally, PHA will continue to conduct complaint inspections. This waiver applies to the HCV program.

- 5. **Interim HQS Inspections:** PHA may waive the requirement to conduct re-inspections to confirm repair; however, PHA will require that the owner self-certify and provide documentation that a life-threatening deficiency has been corrected within 24 hours of notification and that a non-life-threatening deficiency has been corrected within 30 days of PHA notification. This waiver applies to the HCV program.
- 6. **HQS QC Inspections:** PHA may waive the requirement to conduct HQS quality control inspections and instead will suspend HQS quality control inspections until the emergency waiver has been lifted. This waiver applies to the HCV program.
- 7. **Homeownership HQS:** PHA may waive the requirement for the initial HQS inspection for homeownership units; however, an independent professional inspection will still be required. This waiver applies to the HCV Homeownership Program.
- 8. **Delayed PH Annual Self-Inspection:** PHA may waive the requirement to complete annual self-inspections of PH units. Where self-inspections are delayed, PHA will continue to respond to and address serious conditions that could jeopardize life or property. Additionally, if self-inspections are delayed, PHA will resume self-inspections once the waiver is lifted beginning with the units which were inspected on the oldest date. PHA has not yet implemented the waiver and continues to perform required self-inspections; however, PHA will reserve the right to apply this waiver in the upcoming fiscal year. This waiver applies to the PH program.
- 9. **FSS Contract of Participation:** PHA may waive the requirement regarding the maximum extension of an FSS Contract of Participation (COP). During periods of declared emergency, PHA may extend a family's COP, using the declared emergency as good cause of the need for extension. For households who were already in the two year extension period when the emergency was declared, PHA may extend their COP beyond the two year extension threshold. This waiver applies to the PH and HCV FSS program.

PHA will report on those emergency waivers implemented in the FY 2025 MTW Report in the event of a natural disaster, economic, or health related emergency.

CE #2: Staff Time Savings					
Unit of Measurement	Baseline*	Benchmark*	Outcome	Benchmark Achieved?	
Total time to complete the task in staff hours (decrease).	22,761 Hours	11,381 Hours			

^{**}The baseline reflects the time expended on all PH and HCV regular reexaminations for a one year period. The benchmark reflects the time expended for one half the number of PH and HCV regular reexaminations in a one year period.

B. Activities Not Yet Implemented

ACTIVITY 2014-1: FLEXIBLE SUBSIDY INITIATIVE

Description/Update

The Flexible Subsidy Initiative provides PHA with the flexibility, subject to HUD approval, to establish operating subsidy levels for newly constructed public housing units, which blend MTW funds (HAP and Operating Fund). This activity was approved by HUD in FY 2014. PHA has not utilized this flexibility to date; however, it may be utilized, subject to HUD approval, in future transactions.

Timeline for Implementation

PHA will implement this activity if and when PHA needs MTW flexibility to supplement the current public housing operating subsidy levels, subject to prior HUD approval.

Explanation of Non-Significant Changes Since Approval

No changes have been made since approval.

C. Activities on Hold

Not applicable.

D. Closed Out Activities

The following table summarizes previously approved MTW activities that PHA has completed, discontinued, or determined that the activity no longer requires MTW authority to implement.

Activity	Plan Year	Close Out Year	Reason for Close Out
Assisted Living	FY 2009	FY 2011	PHA discontinued this activity prior to its implementation based on a determination that sufficient funding was not available from state, federal and other required sources.
Home Care Services	FY 2009	FY 2011	PHA discontinued this activity prior to its implementation based on a determination that services can be delivered more efficiently through third-party partners.
Scattered Site Income Tiering	FY 2011	FY 2011	PHA discontinued this activity prior to its implementation based on decisions made as part of the scattered site asset repositioning initiative including disposition and auction of vacant and obsolete properties.
HCV Time Limit	FY 2004	FY 2012	PHA discontinued this activity due to economic conditions, which limited the availability of jobs for residents.
HCV HQS Enforcement	FY 2004	FY 2012	PHA discontinued this policy based on a decision to establish uniform HQS enforcement policies for both MTW and Non-MTW vouchers.
Public Housing Service Order Policy	FY 2004	FY 2012	PHA discontinued this policy after discussions with the HUD Field Office concerning the need to expedite service order response times.
Tenant Responsibility Training	FY 2004	FY 2013	PHA determined that this activity does not require MTW flexibility to implement.
Blueprint	FY 2004	FY 2013	PHA continues to implement the Blueprint Program; however, a determination was made that the activity does not require MTW flexibility.
Transitional Housing Facilities	FY 2007	FY 2013	PHA determined that comparable activities are authorized under Partnership Initiative.
LIFE Program	FY 2007	FY 2013	PHA determined that this activity does not require MTW programmatic waivers or funding.
Community Service Policy	FY 2011	FY 2013	PHA determined that this activity does not require MTW flexibility.
Expanding Use of LIHTC	FY 2011	FY 2013	PHA determined that the proposed activities were covered under Partnership and Unit-Based Leasing/Development Initiatives.
Family Economic Development Action Plan/Tenant Responsibility Training	FY 2004	FY 2014	PHA discontinued this activity along with discontinuation of HCV time limits, as they were interrelated activities. No additional statutory exceptions outside of the current MTW flexibilities were considered.
Comprehensive Resident Self Sufficiency Services	FY 2005	FY 2014	PHA continues to provide comprehensive resident self-sufficiency services utilizing MTW funds. However, MTW programmatic waivers are not required. These activities are now referenced in

Activity	Plan Year	Close Out Year	Reason for Close Out
			Chapter V under the Single Fund Flexibility section.
90 Day Voucher Reissuance Policy	FY 2005	FY 2014	PHA discontinued this policy based on an assessment that it would not contribute to PHA's utilization goals.
Accessible Unit Retrofitting and Development	FY 2010	FY 2014	PHA has completed the accessible unit retrofitting under Attachment E of the MTW Agreement. PHA will continue to develop accessible units as part of its revitalization programs; however, this activity does not require specific MTW waivers
Moving to Work Family Agreement Addendum	FY 2004	FY 2016	PHA elected not to utilize this Agreement and instead provides a Family Responsibilities form to each household at each regular recertification.
\$20 Minimum Threshold for Utility Allowance Reimbursements	FY 2009	FY 2016	PHA elected not to establish a minimum threshold of \$20 for payment of utility allowance payments.
Adult Day Care	FY 2011	FY 2017	PHA transitioned the program to a qualified third party provider and does not provide MTW funding or utilize MTW waivers to support the activity.

V. PLANNED APPLICATION OF MTW FUNDS

A. Planned Application of MTW Funds

Tables 9 and 10 below provide estimates of PHA's MTW sources and uses for FY 2025, which begins April 1, 2024 and ends March 31, 2025. As PHA's funding levels for future periods are unknown at the present time, these tables provide preliminary projections and are subject to change based on the actual level of funding provided to PHA. The tables follow HUD's Financial Data Schedule (FDS) format and do not include information on Non-MTW funding sources or uses.

i. Estimated Sources of MTW Funds

Table 9: Estimated Sources of MTW Funding for FY 2025

i.

FDS Line Item	FDS Line Item Name	Dollar Amount
70500 (70300+70400)	Total Tenant Revenue	\$30,847,662

iii. Description of Planned Application of MTW Funding Flexibility

Under the MTW Program, PHA is authorized to establish an MTW budget and to apply fungibility across the Public Housing Operating Fund, Capital Fund and Housing Choice Voucher Program Housing Assistance Payments and Administrative fee funding sources. Activities that utilize MTW single fund flexibility, and that are not otherwise authorized pursuant to the Proposed and Approved MTW Activities sections of the Annual Plan, are summarized below:

- Capital Activities to support development activities, and maintenance and site improvements throughout PHA.
- Family Programs and Comprehensive Resident Supportive Service activities to support a
 wide range of public safety, program compliance, and training and education efforts for
 PHA residents including: youth development programs citywide; senior programs
 citywide; service coordination; job training and placement; educational partnership
 initiatives; affordable homeownership programs; Community Relations police units;
 Community Partners training and educational programs; and other Economic Development

- and Self-Sufficiency program activities. See Table 11 below for a summary of resident services initiatives planned for FY 2025 including MTW and Non-MTW funded initiatives.
- Quality of Life Programs to support Lease Enforcement and Section 8 investigations programs.
- General Conditions to include functional enhancements and training on software systems, staff training, and energy management initiatives.
- Management directives associated with balancing and optimizing PHA's organization structure in line with HUD funding modifications related to the MTW agreement.
- PHA may utilize single fund flexibility to support the planning and development of a child savings program for young children who are part of PHA HCV and PH households. Based on preliminary discussions, PHA anticipates making contributions to educational savings accounts on behalf of eligible PHA children. PHA is currently determining the parameters for the program and working to identify potential partners for administering the savings program. PHA may propose an MTW activity in future fiscal years if components of the child savings program require an MTW waiver.

Table 11: Resident Services Program Summary for FY 2025

Program/Partner	Program Description	Target Population	Funding Source	Projected Residents Served
PHA's Community Health Worker (CHW) Program	Temple will train CHWs to provide information on health, safety and wellness at 10+ PHA sites.	All PHA residents	MTW, CNI	10 residents trained; 400 served

B. Planned Application of PHA Unspent Operating Fund and HCV Funding

HUD requires that MTW agencies provide the information on Tables 12 and 13. This includes estimated reserve balances as of the beginning of FY 2025 and planned uses of reserves in FY 2025. The amounts, timetables and planned uses shown are preliminary and subject to modification.

Table 12: Planned Unspent Operating Fund and HCV Funding

Original Funding Source	Estimated Reserve Balance as of 04/01/2024	Planned Application of Reserves in FY 2025
HCV HAP*	\$220,000,000	\$124,800,000
HCV Admin Fee	\$25,000,000	\$0
PH Operating Subsidy	\$80,000,000	\$60,000,000
TOTAL:	\$325,000,000	\$184,800,000

^{*} Unspent HAP funding does not include amounts recognized as Special Purpose Vouchers reserves.

Table 13: Description of Planned Expenditures of Unspent Operating Fund and HCV Funding

Total		\$184,800,000		

C. Local Asset Management Plan

i. Is the MTW PHA allocating costs within statute?
 No
 ii. Is the MTW PHA implementing a local asset management plan (LAMP)?
 Yes

 iii. Has the MTW PHA provided a LAMP in the appendix?

Description of Proposed Changes to the Local Asset Management Plan in the Plan Year

Pursuant to its MTW Agreement, PHA has developed a Local Asset Management Plan (LAMP) that describes the agency's cost allocation plan and other technical components of PHA's local asset management strategy. HUD approved PHA's initial LAMP as part of the MTW FY 2010 Annual Plan submission. When applicable, PHA will submit updates to the LAMP as part of the Annual Plan submission. No changes are proposed to the LAMP for FY 2025. A copy of the current LAMP is found in Appendix B.

D. Rental Assistance Demonstration (RAD) Participation

i. Description of RAD Participation

The conversion of public housing units to project-based assistance under the RAD program is an important component of PHA's housing preservation and expansion strategy. Through RAD conversion, PHA is able to access private equity (primarily through the Low Income Housing Tax Credit program) and other funds to invest in existing PHA developments as well as to leverage new funding to replace obsolete scattered site units and "transfer assistance" to other new developments. Table 14 below provides summary information on PHA's current plans to convert existing public housing units to project-based assistance through the RAD program, and to transfer public housing assistance from vacant, non-viable scattered site units to new developments that will be subsidized through long-term project-based assistance contracts in FY 2025 and future years. PHA will also continue to utilize HUD's "Faircloth to RAD" (FTR) initiative to expand the supply of affordable housing. Under FTR, PHA is able to tap into unused public housing Annual Contributions Contract (ACC) authority, develop new public housing using that authority and then convert the public housing to Project Based Voucher assistance under the RAD program. Projects listed in Table 14 below may be pending Low Income Housing Tax Credit awards and/or other financing and, as a result, are subject to change.

For informational purposes, Table 15 includes those developments that PHA has converted through the RAD program, as well as the developments PHA expects to convert through the RAD program by the close of FY 2024, including transfer of assistance and FTR developments. Actual timetables for conversion and/or PHA's decision to proceed with conversion may vary from the information included below, depending on various factors including project feasibility determinations, project financing, timetables for HUD and other approvals and other factors.

The timetable for RAD conversions and FTR extends beyond FY 2025 and continues to be refined in consultation with HUD and PHA's resident leadership. The listed projects may be modified in the future and are subject to approval by HUD and the PHA Board of Commissioners. Due to variances in development plans and schedules, projects listed may appear in prior or future Annual Plans, and unit counts may vary. PHA may apply for additional RAD conversions beyond those shown in Tables 14 and 15.

ii. Has the MTW PHA submitted a RAD Significant Amendment in the appendix?

No

iii. If the MTW PHA has provided a RAD Significant Amendment in the appendix, please state whether it is the first RAD Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment?

PHA has submitted and obtained HUD approval for the RAD Significant Amendments listed on Table 16. Additional proposed RAD Significant Amendments will be submitted to HUD in late CY 2023 as part of a planned Amendment #2 to the FY 2024 Annual Plan.

iv. RAD Significant Amendments

PHA is required to prepare a RAD Significant Amendment for each RAD project as part of the HUD approval process. The Significant Amendment process includes a public notice period, a public hearing and approval by the PHA Board of Commissioners prior to submission to HUD.

Table 16 provides summary information on all previously submitted RAD Significant Amendments, including the HUD approval date for each. Additional Significant Amendments for other planned RAD developments will be submitted in the future.

VI. ADMINISTRATIVE

A. Board Resolution and Certifications of Compliance

A resolution approving the FY 2025 MTW Annual Plan and the MTW Plan Certification of Compliance was adopted by the PHA Board of Commissioners at the December 2023 meeting following the public review process and public hearing. The Resolution for the FY 2025 MTW Annual Plan is included in Appendix A.

B. Documentation of Public Process

PHA provided public notice of the FY 2025 MTW Annual Plan (and posted the Plan on its website). A thirty-day public comment period to allow for resident and general public review was provided from November 3 through December 11, 2023. A virtual, online public hearing was held on November 15, 2023 attended by two (2) participants, in addition to PHA staff. PHA also conducted a meeting on November 8, 2023 with resident leadership to discuss proposed Plan contents and provide additional opportunities for resident input. The meeting was attended by 34 participants, including resident leadership and PHA staff.

C. Planned and Ongoing Evaluations

The most recent impact analysis of PHA's rent simplification efforts is included in Appendix F.

D. Lobbying Disclosures

The required Disclosure of Lobbying Activities (SF-LLL) and Certification of Payment (HUD-50071) forms are included in Appendix A.

VII. APPENDICES

Appendix A: Board Resolution, MTW Certification & Lobbying Disclosures

CERTIFICATIONS OF COMPLIANCE

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OFFICE OF PUBLIC AND INDIAN HOUSING

Certifications of Compliance with Regulations: Board Resolution to Accompany the Annual Moving to Work Plan

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chair or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning (04/01/2024), hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- (1) The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.
- (2) The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.
- (3) The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).
- (4) The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
- (5) The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- (6) The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan.
- (7) The MTW PHA will affirmatively further fair housing by fulfilling the requirements set out in HUD regulations found at Title 24 of the Code of Federal Regulations, including regulations in place at the time of this certification, and any subsequently promulgated regulations governing the obligation to affirmatively further fair housing. The MTW PHA is always responsible for understanding and implementing the requirements of HUD regulations and policies, and has a continuing obligation to affirmatively further fair housing in compliance with the 1968 Fair Housing Act, the Housing and Community Development Act of 1974, The Cranston-Gonzalez National Affordable Housing Act, and the Quality Housing and Work Responsibility Act of 1998. (42 U.S.C. 3608, 5304(b)(2), 5306(d)(7)(8), 12705(b)(15), and 1437C-1(d)(16)). The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o) and 24 CFR 903.15, which means that it will take meaningful actions to further the goals identified in its Analysis of Impediments to Fair Housing Choice(AI), Assessment of Fair Housing (AFH), and/or other fair housing planning documents conducted in accordance with the requirements of 24 CFR Part 5, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(o), and will address impediments to fair housing choice identified in its AI, AFH, and/or other fair housing planning documents associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.
- (8) The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975 and HUD's implementing regulations at 24 C.F.R. Part 146.
- (9) In accordance with 24 CFR 5.105(a)(2), HUD's Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identity, or marital status.
- (10) The MTW PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
- (11) The MTW PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 75.

form HUD 50900: Certifications of Compliance (3/2021)

(12)	2) The MTW PHA will comply with requirements with regard to a dr	ug free workplace required by 24 CFR Part 24, Subpart F.
(13)	3) The MTW PHA will comply with requirements with regard to come together with disclosure forms if required by this Part, and with reaccordance with the Byrd Amendment and implementing regulate.	estrictions on payments to influence Federal Transactions, in
(14)	 The MTW PHA will comply with acquisition and relocation required Acquisition Policies Act of 1970 and implementing regulations at 	
(15)	 The MTW PHA will take appropriate affirmative action to award of CFR 5.105(a). 	ontracts to minority and women's business enterprises under 24

RESOLUTION NO. 12320

RESOLUTION AUTHORIZING THE PHILADELPHIA HOUSING AUTHORITY TO SUBMIT TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT ITS MOVING TO WORK ("MTW") ANNUAL PLAN FOR FISCAL YEAR 2025 AND A SIGNIFICANT AMENDMENT TO THE FISCAL YEAR 2024 MTW PLAN

WHEREAS, the U.S. Department of Housing and Urban Development ("HUD") administers a Moving to Work ("MTW") Demonstration Program that is designed to provide the opportunity for selected housing authorities to explore and demonstrate more efficient ways to provide and administer low-income housing, and pursuant to the Philadelphia Housing Authority ("PHA") Board of Commissioners Resolution No. 10618, dated December 21, 2000, PHA submitted to HUD an MTW Application Plan and Agreement; and

WHEREAS, since 2001, when HUD accepted PHA's application for participation in the MTW Demonstration Program and HUD and PHA subsequently executed a MTW Demonstration Agreement ("MTW Agreement"), PHA has continuously participated in the MTW Demonstration Program, with its current agreement extending to 2028; and

WHEREAS, as a participant in the MTW Demonstration Program, PHA is required to develop an MTW Annual Plan for each fiscal year during the term of the MTW Agreement, which outlines the PHA budget and MTW activities, and to submit the Annual Plan for approval by its Board at least seventy-five (75) days prior to the beginning of each fiscal year ("FY"), with FY 2025 beginning on April 1, 2024; and

WHEREAS, PHA has distributed to the Board both: 1) PHA's MTW Annual Plan for FY 2025 ("Plan"), a summary of which is attached hereto as Attachment "A," and 2) a second Significant Amendment to the MTW Annual Plan for FY 2024 ("Amendment"), which is for one thousand eight hundred twenty-four (1,824) units at twelve (12) developments: Cassie Holley; Cecil B Moore Senior; Dauphin House; GGFE I; GGFE II; Inglis Methodist Gardens; MLK IV; Mount Olivet; New Courtland at Allegheny; St. Anthony's Senior Residence; Suffolk Manor; and Wilson Park; and

WHEREAS, PHA has fulfilled the HUD requirement of providing opportunities for resident and public participation and comment on the FY 2025 Plan and the FY 2024 Amendment, including scheduling at least one (1) public hearing and taking into consideration any comments received, by: 1) holding an introductory meeting with resident leadership and interested PHA residents on November 8, 2023; 2) holding a Public Hearing on November 15, 2023; 3) posting the draft Plan and Amendment on PHA's website; 4) making copies of the draft Plan and Amendment available at PHA's Headquarters; and 5) accepting and considering public comments over a period extending from November 3, 2022 to December 11, 2023;

BE IT RESOLVED that the Board of Commissioners hereby approves the MTW Annual Plan for FY 2025 and a second Significant Amendment to the FY 2024 MTW Plan, in substantially the form distributed to the Board, and authorizes PHA's Chair and/or President & CEO or their authorized designee(s) to: 1) submit to HUD the FY 2025 Annual MTW Plan and the FY 2024 MTW Plan Amendment; 2) take all steps necessary to finalize and secure HUD approval and implement initiatives described in the Plan and Amendment, subject to receipt of adequate funding from HUD; 3) certify that the Public Hearing requirement has been met; and 4) execute the HUD Certifications of Compliance with MTW Plan Requirements and Related Regulations, in substantially the form attached hereto as Attachment "B," for each certification.

I hereby certify that this was APPROVED BY THE BOARD ON

Certification for a Drug-Free Workplace

U.S. Department of Housing and Urban Development

Applicant Name
Philadelphia Housing Authority
Program/Activity Receiving Federal Grant Funding

Moving to Work Annual Plan FY 2025

Acting on behalf of the above named Applicant as its Authorized Official, I make the following certifications and agreements to the Department of Housing and Urban Development (HUD) regarding the sites listed below:

I certify that the above named Applicant will or will continue to provide a drug-free workplace by:

- a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Applicant's workplace and specifying the actions that will be taken against employees for violation of such prohibition.
- b. Establishing an on-going drug-free awareness program to inform employees ---
 - (1) The dangers of drug abuse in the workplace;
- (2) The Applicant's policy of maintaining a drug-free workplace;
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.
- c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a.;
- d. Notifying the employee in the statement required by paragraph a. that, as a condition of employment under the grant, the employee will ---

- (1) Abide by the terms of the statement; and
- (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- e. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph d.(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federalagency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- f. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph d.(2), with respect to any employee who is so convicted ---
- Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
- (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- g. Making a good faith effort to continue to maintain a drugfree workplace through implementation of paragraphs a. thru f.
- 2. Sites for Work Performance. The Applicant shall list (on separate pages) the site(s) for the performance of work done in connection with the HUD funding of the program/activity shown above: Place of Performance shall include the street address, city, county, State, and zip code. Identify each sheet with the Applicant name and address and the program/activity receiving grant funding.)

Appendix B: Local Asset Management Plan

Introduction

Pursuant to the First Amendment to the Moving to Work Agreement, in Fiscal Year 2010 (MTW Year Nine) the Philadelphia Housing Authority has implemented a local asset management plan for its Public Housing Program as described herein. In the implementation of the plan, PHA will continue to adopt cost accounting and financial reporting methods that comply with HUD and federal regulations and generally accepted accounting practices.

PHA's plan supports and is consistent with the agency's ongoing implementation of project-based management, budgeting, accounting and financial management. PHA's project-based management system emphasizes the provision of property management services that have met agency-wide standards while responding to the unique needs of each property. Day to day operations of PHA sites are coordinated and overseen by Property Managers assigned to each property. PHA Property Managers oversee the following management and maintenance tasks:

- Marketing and tenant selection
- Rent collections
- Routine and preventive maintenance
- Unit turnover
- Security
- Resident services
- Resident and community relations
- Capital improvements planning
- Other activities necessary to support the efficient operations of the site

In the implementation of these project level management activities, other PHA departments including Public Safety, Maintenance, Development, ISM, Finance and Budget, Human Resources, Community Operations & Resident Development, Office of General Counsel, Supply Chain Management, and the Office of Audit and Compliance support PHA Property Managers. Property Managers have access to on-line detailed and summary management reports on budget status, waitlist management, key performance indicators to facilitate their monitoring and oversight of property level activities. PHA also conducts Performance Management meetings on a monthly basis, to allow for a thorough review of key performance indicators at the individual site and system-wide levels.

PHA Property Managers develop and monitor property budgets, with support from the PHA Finance and Budget staff. Budget trainings are held annually to support the budget development process. Property Managers are provided with tools to develop their budget estimates including property-specific non-utility and utility cost data from the prior 18 months.

PHA's local asset management plan is consistent with the principles of asset management described in 24 CFR 990.255 and in the First Amendment to PHA's MTW Agreement. Further, the plan is generally consistent with the provisions of 24 CFR 990.260, 990.265, 990.270, 990.275 and 990.285. As allowed under the First Amendment to the MTW Agreement, PHA's local asset

management plan deviates from parts of 24 CFR 990.280, including requirements related to property management fees and fees for services. PHA will utilize the Cost Allocation method referenced in paragraph 6.F.4.b of the First Amendment.

Due to the unique features of the Philadelphia market, PHA's housing portfolio, and the agency, PHA has determined that use of the Cost Allocation method is the most efficient, cost-effective means of achieving the asset management principles referenced above. The factors that impact PHA's asset management plans include, but are not necessarily limited to, the following:

- <u>Scattered Site Portfolio</u>. PHA has over 4190 scattered site properties, which represents nearly 1/3 of its public housing portfolio. We understand this is far and away the largest scattered site public housing portfolio in the country. The geographic diversity of these scattered site units impacts warehouse operations, locations and numbers of management offices, and staffing requirements.
- Aging Housing Stock. PHA operates one of the oldest public housing stocks in the country. It is costlier to operate than newer housing. PHA has engaged in an aggressive development program during the last few years to upgrade and redevelop its units. Due to a lack of adequate funds, this process is far from complete.
- <u>Unionized Workforce</u>. PHA has a heavily unionized workforce. Currently, PHA has contracts
 with approximately 11 unions. This significantly impacts the operations and costs of PHA's
 activities. As such, PHA's asset management plan is structured to be cost effective within the
 limits of these contracts.
- MTW Initiatives. Since the onset of its participation in MTW, PHA has sought to use its MTW flexibilities to implement agency-wide cost-cutting initiatives that will increase efficiencies, maximize use of federal dollars, and benefit PHA's clients. PHA has moved many functions to the site-based level, however a number of MTW initiatives require central administration so they can be adequately measured. For example, PHA has implemented innovative technological systems to maximize efficiencies in admissions, property management, and client services. There are costs associated with development and implementation of these systems before they are implemented at the site level. Under MTW, PHA has also implemented departmental oversight protocols through its Quality Assurance Program. PHA's quality control program has already made PHA's programs more efficient by reducing errors and improving oversight.
- <u>Local Costs</u>. Philadelphia is an old, industrial city where labor costs for maintenance and construction activities are significant. These high costs can be attributed to, in part, prevailing wage requirements as well as the cost of materials and services in the Philadelphia market.

A description of the cost allocation plan and other technical components of PHA's local asset management plan follows:

I. AMP Definitions

An AMP will include any site that receives Operating Subsidies through HUD's Operating Fund Calculation. PHA currently has two types of PHA managed AMPs and PAPMC/AME managed AMPs.

II. Balance Sheet Items (Assets, Liabilities & Equity)

PHA has distributed balance sheet accounts by AMPs as planned in the original Local Asset Management balance sheet accounts were analyzed and distributed to between the AMPs and the Indirect Cost Departments.

A. Cash & Investments

PHA maintains consolidated physical bank accounts, but for financial statement and general ledger presentation cash is distributed between all PHA AMPs and the Indirect Cost Departments. Direct cash and expenses are charged to the proper AMPs or Indirect Cost Departments general ledger account. At the end of the year, cash is adjusted to offset indirect cost allocations between the AMPs and the Indirect Cost Departments. The offsetting of the indirect cost allocations effectively adjusts the inter fund balances to zero accept where the AMPs have a negative cash balance which is presented as an inter-fund to the Indirect Cost Departments. All remaining cash and investment balances are presented with the Indirect Cost Departments and reported in the MTW Column of the FDS.

Investment income will be allocated between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

B. Tenant Accounts Receivable and Allowance for Doubtful Accounts

Tenant accounts receivable balances and allowance for doubtful accounts are reported on an AMP basis for each of the PHA Managed AMPs. The ending balances are reconciled to the tenant supporting detail ledgers,

PAPMC/AME Managed AMPs tenant balances are not reported as AMPs in the FDS. Based on PHA's analysis of GASB pronouncements, these AMPs are presented as discrete component units. Tenant accounts receivable and allowance for doubtful accounts are included in the PHA Audited financial statements as a discretely presented component unit.

C. Other Accounts Receivable

Other accounts receivable will be distributed based on the purpose and source of the receivable. Receivables related to a PHA Managed AMP and PAPMC / AME Managed AMP will be distributed to the specific AMP. Any receivable that is not associated to a specific AMP will be distributed to the Indirect Cost Departments.

D. PHASI / Worker's Compensation Cash and Liabilities

The PHASI and Worker's Compensation cash and liabilities will remain with the Indirect Cost Departments and reported in the MTW column of the FDS. At this time, PHA has determined that these liabilities are PHA Agency Wide liabilities and not liabilities of the PHA Managed AMPs or the Indirect Cost Departments. The expenses related to the PHASI liability and worker's compensation liability are charged to appropriate programs or AMPs. PHA has created a cash reserve for the PHASI liability. The cash reserve offsets PHA's liabilities so that the liability is fully funded. PHA utilizes the reserves to pay the liability as needed. PHA has a cash reserve that is held by the Worker's Compensation insurer.

E. Prepaid Insurance

The prepaid insurance balances for the PHA Managed AMPs will be distributed to AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Prepaid insurance is included in the PHA Audited financial statements as a discretely presented component unit.

F. Materials Inventory and Allowance for Obsolete Inventory

PHA currently maintains all maintenance materials inventory centrally. AMPs and departments submit requests for inventory and materials are issued then expenses are charged to the appropriate AMP or program. Ending centralized materials inventory and allowance balances for the PHA Managed AMPs will be distributed to AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Materials inventory is included in the PHA Audited financial statements as a discretely presented component unit.

G. Fixed Assets and Accumulated Depreciation

Fixed assets and accumulated depreciation will be reconciled to the PeopleSoft Asset Module and distributed to the appropriate PHA Managed AMPs and the Indirect Cost Departments. PHA's Asset Management (AM) Module has been established for many years. AM provides PHA with the ability to prepare fixed asset and depreciation reports by AMP or department. AM tracks all fixed assets transactions and records all monthly fixed asset entries. Fixed assets and accumulated depreciation are reported with the appropriate AMP or the MTW Column for assets held by the Indirect Cost Departments.

PAPMC/AME Managed AMPs will not be included in the AMPs Columns of the FDS. Fixed assets and accumulated depreciation are included in the PHA Audited financial statements as a discretely presented component unit.

H. Accounts Payable and Accrued Liabilities

Other accounts payable and accrued liabilities include all liabilities not specifically referred to in the following detailed liability categories. Other accounts payable and accrued liabilities will be distributed based on the purpose and source of the payable or liability. Payables or liabilities related to a PHA Managed AMP and PAPMC / AME Managed AMP will be distributed to the specific AMP. Any payable or liability that is not associated to a specific AMP will be distributed to the Indirect Cost Departments.

I. Payroll Liabilities

All payroll tax and benefits liabilities will continue to be presented with the Indirect Cost Departments and reported in the MTW Column of the FDS. At this time, PHA has determined that these liabilities are PHA Agency Wide liabilities and not liabilities of the PHA Managed AMPs or the Indirect Cost Departments. However, PHA has utilized the LIPH (Fund 001) cash accounts in the past to pay most Agency Wide liabilities, then the LIPH (Fund 001) will receive reimbursements from other programs where applicable. The expenses related to the payroll liabilities will continue to be charged to appropriate programs or AMPs.

Accrued salaries and wages liability will be distributed to/ between AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

J. Compensated Absences

Compensated absences liabilities will be distributed to/between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

No compensated absences liabilities will be distributed to the PAPMC / AME AMPs because PHA does not charge salaries to these AMPs.

K. Net Position

Invested in Capital Assets balances will follow the Net Fixed Assets that are owned by an AMPs or Departments. Invested in capital assets will be distributed between the Indirect Cost Departments and the PHA Managed AMPs based on where the Net Fixed Assets is distributed.

The Public Housing Program Unrestricted Net Position for all AMPs will be zero because PHA will allocate revenue from the MTW Column to cover the difference between

revenues and expenses generated by each AMP. The total Unrestricted Net Position of the Public Housing Program will be included with the MTW Column.

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Invested in capital assets are included in the PHA Audited financial statements as a discretely presented component unit. PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Unrestricted net assets are included in the PHA Audited financial statements as a discretely presented component unit.

III. Revenues

A. Tenant Revenues

1. PHA Managed AMPs

Tenant Revenues will be directly charged to the appropriate AMP.

2. PAPMC/AME Managed AMPs

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Tenant revenue is included in the PHA Audited financial statements as a discretely presented component unit.

B. Direct Revenues

Direct revenues include tenant fees and service charges that can be identified and charged to a specific site.

1. PHA Managed AMPs

PHA currently records all direct revenues to the proper PHA Managed AMP. PHA currently records all tenant charges and any direct revenue to the proper PHA Managed AMP. PHA's account structure includes the program code (AMP number) and the appropriate department code, which enables PHA to charge the revenues to the proper PHA Managed AMPs.

PHA's systems and procedures related to direct revenues currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues under the proper AMP.

2. PAPMC/AME Managed AMPs

PAPMC/AME Managed AMPs will not be included in the AMPs Column of the FDS. Direct revenues are included in the PHA Audited financial statements as a discretely presented component unit.

C. Indirect Revenues

Indirect revenues are other income items that cannot be identified or charged to a specific AMP or to the Indirect Cost Departments. Indirect revenues will be allocated between the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

D. HUD Operating Subsidy

For PHA's project-based accounting purposes, Operating Subsidy is considered an indirect revenue source. PHA's Operating Subsidy is provided in one block as if PHA were one AMP. The funding for all AMPs is calculated using the same Allowable Expense Level per PHA's MTW agreement. Since the basis of the funding calculation is the same across all AMPs, PHA considers Operating Subsidy an indirect revenue source.

Operating Subsidy will be allocated to all PHA AMPs based on the difference between revenues, prior to operating subsidy, and expenses excluding depreciation expenses. The amount of Operating Subsidy allocated will be based on the individual AMPs need for subsidy so that revenues are equal to expenses.

E. Operating Transfers from the MTW Block (Excess HAP) & CFP

1. PHA Managed AMPs

PHA has included in its MTW annual plan Operating Transfers from the MTW Program and the CFP Program into the Public Housing Program to offset operating expenses. PHA has determined that the appropriate treatment of Operating Transfers at the current time based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation. PHA will establish separate account numbers for the MTW and CFP Operating Transfers. The Operating Transfers are made to assist the PHA Managed AMPs with its operations. PHA may need to adjust the allocation of the Operating Transfers in fiscal years to assist the operating needs of one AMP over another AMP that may not need the assistance. PHA's MTW agreement with HUD permits the PHA flexibility to move funds between its Public Housing, Section 8 HCV, and CFP programs. PHA will reserve the right to adjust the allocations of the Operating Transfers to meet the financial needs of all the PHA Managed AMPs.

2. PAPMC / AME Managed AMPs

Operating Transfers will not be allocated to the PAPMC / AME Managed AMPs.

IV. Expenses

A. Direct Expenses

1. PHA Managed AMPs

PHA currently records all direct expenses to the proper AMP. PHA's procurement and accounts payables processes include assigning the proper chart fields or account structure. PHA's account structure includes the program code (AMP number) and the appropriate department code.

For payroll, PHA directly charges all payroll costs using account labels. Account labels are used to tell PHA's accounting system where to directly charge an employee's payroll costs. PHA can setup as many account labels as needed to have payroll costs charged to the proper program, department, AMP, etc. based on PHA's requirements. PHA's accounting system gives the Authority the automated ability to charge payroll costs from the employee timesheets to the proper account. When employees complete their weekly timesheets, the employees report all hours to account labels. The timesheets allow employees to charge as many account labels as needed during the week. Employees submit their timesheets to their direct supervisor for approval. The direct supervisor verifies that the correct account labels were used.

PHA's systems and procedures related to direct expenses currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues and expenses under the proper AMP.

2. PAPMC/AME Managed AMPs

The only PAPMC/AME Managed AMPs direct expenses that will be included in AMPs FDS column are PHA's payment of Operating Subsidies and any other direct expense paid by PHA. All other direct expenses are included in the PHA Audited financial statements as a discretely presented component unit.

B. Corporate Legal

PHA has diverse legal issues due to the size of its programs. PHA will analyze legal expenses to determine the appropriate treatment of the legal expenditures. The treatments of the legal expenses are as follows:

1. Direct Legal Expenses

Legal expenses that can be identified as a direct cost to a specific AMP will be charged to that AMP.

2. Indirect Legal Expenses

Indirect legal expenses that cannot be defined as costs for a specific AMP but can be identified as providing benefits to the PHA Managed AMPs based on the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

C. Payroll Expenses

PHA currently directly charges all maintenance payroll costs to the direct PHA Managed AMP. PHA directly charges all payroll costs using account labels. Account labels are used to tell PHA's accounting system where to directly charge a maintenance employee's payroll costs. PHA can setup as many account labels as needed to have payroll costs charged to the proper PHA Managed AMP. PHA's accounting system gives the Authority the automated ability to charge maintenance payroll costs from the employee timesheets to the proper account. When maintenance employees complete their weekly timesheets, the employees report all hours to account labels. The timesheets allow maintenance employees to charge as many account labels as needed during the week. Maintenance employees submit their timesheets to their direct supervisor for approval. The direct supervisor verifies that the correct account labels were used.

D. Materials and Contract Costs

PHA currently records all maintenance materials and contract costs directly to the proper PHA Managed AMP. PHA's procurement and accounts payables processes include assigning the proper chart fields or account structure. PHA's account structure includes the program code (AMP number) and the appropriate department code.

PHA's systems and procedures related to maintenance materials and contract costs currently in application are in compliance with asset-based accounting. PHA's systems and procedures will require no transition period or transition procedures to comply with asset-based accounting requirements of presenting all direct revenues and expenses under the proper AMP.

E. Indirect Expenses

PHA will be using an allocation to charge overhead from the Indirect Cost Departments (MTW Column) to all AMPs. Overhead costs will be allocated to the AMPs based the number of units eligible for subsidy from the most recent HUD approved Operating Fund Calculation.

V. Capital Fund Program

All expenditures under the Capital Fund program are charged to the appropriate AMP or Indirect Cost Department. Revenues are applied to the appropriate AMP or Indirect Cost Department based on the actual expenditures. The expenditures related to the Indirect Cost Departments or MTW initiatives are reported in the MTW Column of the FDS.

Although PHA is an MTW agency and is not required to, PHA reports and tracks all CFP expenditures based on the CFP Budget Line Items. PHA has determined this method to be accurate and efficient method to track CFP expenditures.

VI. Project Based Budgeting

PHA currently prepares project based operating budgets for all the Amps and departments. PHA adds all the budgets to the Automated Accounting System. The operating budgets are currently used in the procurement, accounts payable process and the preparation of monthly financial statements. PHA's operating budget process is currently in compliance with the HUD Project Based Budgeting requirements.

When PHA has prepared its Capital Fund Program Budgets, PHA determines specific capital work items that need to be completed at all or some of PHA sites. PHA does not establish a Capital Budget by site, but by work item. Then once PHA determines which sites PHA will perform the work item, PHA reclassifies the budget amount from a PHA Wide work item to the specific site. PHA will continue this process; however, the budget will be established at the Capital Projects category rather than PHA Wide.

Appendix C: Asset Management Table

No.	Name, Number and Location	Number and Type of Units	Note for FY 2025 Plan	Development Activities	Demolition/ Disposition Activities	Designated Housing Activities	Conversion Activities	Homeownership Activities
1.	Abbottsford Homes PA002030	Phases I & II; 688 Family Units		Possible site for additional redevelopment including commercial space, through mixed financing.	Possible disposition of a portion of the site in connection with mixed-finance development.		Possible conversion of units/parcels for residential unit reconfiguration and commercial, economic development, management offices, administrative facilities, community and supportive services offices and/or open space.	
2.	Arch Homes PA002018	77 Family		Possible candidate for Modernization, rehabilitation with capital funds, bond proceeds, MTW, program income, private funds with Choice/RAD and/or LIHTC Application.			Possible conversion of units/parcels for residential unit reconfiguration and commercial, economic development, management offices, community and supportive services offices and/or open space.

Appendix E: MTW TDC/HCC

PHA's current HUD-approved MTW TDC and HCC cost limits are shown below. PHA last updated the MTW TDC/HCC cost limits in 2009. Subject to HUD approval, PHA will periodically review and update the MTW TDC/HCC cost limits.

	()	1	1	2	2	3	3	4	1	5	5
Type of Unit	HCC	TDC										
Detached			\$225,373	\$394,402	\$266,207	\$465,863	\$319,931	\$559,880	\$374,708	\$655,740	\$429,310	\$751,292
Row House			\$203,374	\$355,904	\$239,263	\$418,710	\$287,115	\$502,451	\$334,969	\$586,195	\$382,821	\$669,937
Walk-up	\$176,055	\$308,097	\$176,055	\$308,097	\$203,708	\$356,490	\$269,787	\$472,286	\$331,729	\$580,525	\$390,368	\$683,144
Elevator			\$213,541	\$341,665	\$249,365	\$398,985	\$331,717	\$530,747	\$411,330	\$658,128	\$486,550	\$778,480

Appendix F: Impact Analyses: Rent Simplification

Pursuant to the Moving To Work (MTW) Agreement, the Philadelphia Housing Authority (PHA) conducted an income and rent analysis of MTW households. Low Income Housing Tax Credit sites managed by PAPMC, Moderate Rehab units and non-MTW vouchers are not subject to rent simplification and are not included in this analysis.

PHA's rent simplification program currently includes the following components:

- A single working household deduction;
- An asset income exclusion;
- Exclusion of full-time student earned income;
- Modification of the definition of medical related expenses to include only certain medicalrelated insurance premiums;
- Elimination of all other deductions:
- Application of a cap on gas utility allowances for income eligible households who are responsible for gas heat;
- Reduction of the standard rent calculation percentage based on family size; and
- Application of a minimum rent of \$50.

The following is a summary of the results of the most recently completed rent impact analysis.

Affordability

PHA's MTW rent policies resulted in affordable household rents in both the public housing and HCV programs. The following chart shows average Total Tenant Payment (TTP) as a percentage of adjusted income. The chart excludes households earning \$2,100 or less annually, who are subject to a minimum rent payment and, therefore, tend to pay a higher percentage of income towards rent and HCV households with a gross rent that exceeds their payment standard, who also pay a higher percentage of income towards rent. Alternatively, higher income PH households on ceiling rent pay a lower percentage of their gross income. Table 1 highlights the fact that for all households earning more than \$2,100 annually, MTW residents pay 28% or less of adjusted income as Total Tenant Payment. Note that HCV households have the choice to select a housing unit that exceeds established Payment Standards, a choice that results in the tenant paying a higher percentage of adjusted income towards rent.

Table 1: Total Tenant Payment as a Percentage of Adjusted Income

	Housing Choice Voucher Households	Public Housing Households
Average	28%	28%
25 th Percentile	27%	27%
Median	28%	28%
75 th Percentile	28%	28%
Max	28%	28%

CRP

Under MTW, HCV Tenant-Based households who are responsible for paying gas heat and who are income eligible to participate in the PGW Customer Responsibility Program (CRP) have the gas portion of their utility allowances calculated using PHA's CRP MTW utility policy. Participation in the PGW CRP program places a cap on the amount of money that eligible tenants will be required to pay for their gas utility payments based on household income, not consumption. Gas utility allowances are calculated using the PGW CRP calculation method. Table 2 illustrates the current annual savings resulting from PHA's adoption of this policy.

Table 2: Utility Allowance Savings due to CRP MTW UA Policy

	Households on CRP
# of HCV participants who are eligible for	14,213
a gas utility allowance	
# of HCV participants who pay gas heat	2,504
and are eligible for CRP	
Total gas portion without application of	\$301,694
CRP	
Total gas portion with application of CRP	\$87,491
Monthly Savings	\$214,203
Annual Savings to PHA	\$2,570,436
